Decrease in marriage licenses issued in this county is attributed to the fact that no military camp is located in the immediate vicinity. While marriages reported during the past year by the Tribune have not been tabulated, it is believed that they will equal or exceed past years. Marriages over the entire nation are declared to far exceed peacetime years.

### Millions of motorists are amazed by unexpected extra mileage from cars and tires

WHO WOULD ever have thought, say countless car owners, that the old bus would still be running strong in 1944!

They say it with wonder tribute to the lasting quality which American automobile and rubber companies built into cars and tires.

They say it with pride . . . and that is recognition of the vital part each car plays in helping to solve the nation's wartime transportation problem.

So, to the man who has made his car last, this is a deserved word of thanks. You have done your part in two ways: By driving under 35, and by driving to your service station at least once a week for wartime car-saving and

### Apple Butter Baking

Deep in the Dutch country of Pennsylvania, fall is still apple but-ter time. On golden days, when the air hangs like a filmy veil across the fields and the breeze is sweetly scented as a jug of cider, Dutch housewives stand under the crim-soned maples boiling their "apful butter."

In a great copper cauldron, slung on a crane, apples and sugar and spice stew slowly over a smoldering flame. There in the yard, with the sun warm on her back and the wind rustling the brim of her old-fashion-ed bonnet, the housewife stands patiently pushing a long-handled paddle for hours.
