The worn place on the... is where my mother's foot... often. All the garments... been made or repaired and... machine is silenced; the thread...

Farm Trucks Classed As "War Necessity"

Motley county farmers who own trucks and pick-ups, are requested to apply to a newly created Farm Transportation Committee during the three-day period, October 22, 23 and 24 for assistance in making applications for "Certificates of War Necessity."

The certificate must be carried on all operating commercial vehicles, including farm trucks and tractors who haul farm products from the farm and supplies to the farm, after November 15. County Agricultural Agent J. R. Emmons said yesterday that no gasoline, tires or repair parts could be obtained without the certificates.

Members of the Farm Transportation Committee, as appointed by the county War Board, are W. L. Rushing, chairman, M. J. Reilly, J. L. Woodruff, Vernon Daniels and L. C. Harp. Alternate members are W. T. Patton, Bob Echols, Buford Hobbs and Melton Thacker. Farmers, stockraisers, truckers and dealers of farm supplies are represented on the committee.

Duties Are Designated In addition to aiding with certificate applications, the committee's duties will include development of conservation transportation plans. In the near future the committee will be asked to supply information to the local War Price and Rationing Board, to be used as an index in the rationing of gasoline, tires, tubes and recaps.

Plan of the "Certificate of War Necessity" is to restrict truck operation to war effort or essential domestic economy and to make the most use possible of each vehicle. To this end the certificate will set the maximum mileage and minimum loads for each truck or vehicle for which a certificate is issued.

A truck cannot lawfully be operated without a certificate nor can gasoline, tires or repairs be obtained. Possession of the certificate.

(See TRUCKS back page)

Youth Pulls 2,013 Pounds Of Cotton In Eight Hours

If there were a few more cotton pullers like this one, farmers would have no labor worries. L. D. Rothwell, 17-year-old Tell youth put in his bid for the boll pulling championship of the world Saturday when he gathered 2,013 pounds in eight hours, climaxing a week in which he pulled 7,113 pounds.

Rothwell's Saturday total was more than enough for one bale of ginned cotton and is by far the most reported here this year. He worked on the Ray Grimes farm southwest of Tell in cotton that is yielding about a bale and one quarter per acre. He went to the field at 7:20 Saturday morning and worked until 4:20 taking an hour off for lunch.

The cotton in the field has extra large bolls and worms ate the leaves from the plants, facilitating pulling. His second biggest day last week was Wednesday when he pulled 1,114 pounds, but he exceeded 1,000 pounds every day last week except Friday, when he pulled 705. His 13-year-old brother, Dewey, pulled 1,130 pounds Saturday—Childress Index.

BIDS FOR COUNTY HONORS County record breaker? Perhaps Albert Rushing of Roaring Springs, started to the cotton field after sun-up last Saturday morning and quit a couple or three hours before sun down, and with time out for lunch, pulled a total of 1,131 pounds of cotton. His friends and fellow-workers declared that, with practice, he may soon reach the 1500-pound mark.

NEW LAMP INSTALLED IN ROGUE THEATRE A new Peerless lamp and reflector has been installed in the Rogue Theatre, by L. H. Dirickson, manager.

The new equipment is a highly intensive mirror-like object that will increase as much as 40%, the light on the screen. Installation of the lamp was made Wednesday of last week, and many local movie fans have declared that they noticed the difference almost immediately.

Wins Wings and Wife

Lieut. George D. Stapleton, above, son of Mr. and Mrs. Ralph Stapleton of Flomot, who received his silver wings and a Second Lieutenant's Commission in the Air Corps Reserve, at graduation ceremonies Tuesday morning September 29, at Luke Field, Phoenix, Arizona, and was married the following day to Miss Betty Jamerson of Merced, California. He is now stationed at Glendale, Calif.

Schools Are Leading In Scrap Drive

Motley county schools are leading in the scrap metal drive while interest in the county's adult population wags with the advent of a busy harvest season. School children at Flomot devoted Wednesday, October 7th to gathering scrap metal. They piled the badly-needed war material about the flag pole with Old Glory waving above. The school children were aided by individuals of the community who furnished transportation to bring the scrap to the school campus. Each school student brought as much or more than his or her weight in scrap metal to aid the drive.

School children at Flomot devoted Wednesday, October 7th to gathering scrap metal. They piled the badly-needed war material about the flag pole with Old Glory waving above. The school children were aided by individuals of the community who furnished transportation to bring the scrap to the school campus. Each school student brought as much or more than his or her weight in scrap metal to aid the drive.

Singers Will Meet At Flomot Sunday

Motley County Singing Convention will hold its autumn semi-annual meeting at Flomot, the 3rd Sunday in October (Sunday October 18th) according to an announcement made this week by L. A. Carlisle, president. Singing will last throughout the day and basket lunch will be served at noon. A cordial invitation is extended everyone to attend who sings or enjoys old-time spiritual singing. The Motley County Singing Convention is the county's oldest continuous organization.

BIG GAME HUNTERS RETURN HOME TUESDAY Bob Echols, Doug Pitts and Henry Ford returned home Tuesday evening from a hunting trip to Colorado, bearing evidence of their skill. In addition to deer and elk, the kill also included a bear, for which Bob Echols received the credit.

Mr. and Mrs. M. S. Patton and Mrs. W. W. Moore, made a trip to Brownfield Sunday. They were accompanied by the former's son, accompanied by Mrs. Patton and Mr. Barton and Mrs. Moore drove to Clarksville, to meet and accompany her home.

SALVATION ARMY TO MAKE APPEAL

Annual appeal for funds will be made by the Salvation Army here this week-end according to advice received from W. D. Pedigo, veteran representative of the Dallas divisional state office who has visited Matador regularly for the past six years.

The canvas will be under the supervision of Marvin Patton, J. R. Whitworth and Douglas Meador, county advisory board. Contributions made to Mr. Pedigo assure the citizenship an economical and dependable means of assisting the organization in its broad program of humanitarian and spiritual services, so favorably remembered by World War One veterans. Only the one solicitation will be made for the entire year unless some unforeseen emergency arises and other solicitations supposedly for the Salvation Army are without proper authority.

Pictures Of Boys In Service Sought By Hardware Firm

Photographs of all Motley county boys in the various branches of armed service are solicited by L. C. (Claud) Harp, manager of the Matador Hardware and Furniture Company here. The photographs will be arranged as a tribute to Motley county boys in all branches of the service, in the window of the office formerly occupied by Gene Perkins, next door north of the City Barber Shop.

All pictures will be kept in good condition and returned at the end of the war or at anytime requested by donors. Mr. Harp urges all relatives or friends of men in uniform to supply him with a photograph as soon as possible.

Matador 11 Drops First Conference Game To Crosbyton

Matador Matadors lost their first conference game under the floodlights in the Matador Arena Friday night, when the Crosbyton Chiefs returned home with the score-scrap of 13-0 dangling from their belts.

W. Jordan, 150-pound Crosbyton quarterback carried the brunt of the visitors' playing, scoring both of the counters. He took the ball out of the air early in the first quarter for a 35-yard spint before being run out of bounds. He carried the ball to pay dirt in three more tries and J. Karr kicked the extra point. The second score was made early in the fourth quarter when Jordan again got away with the ball to bring it close to the goal line, later resulting in the counter. The Chiefs failed to kick the extra point.

Matadors' Algie Durbin did not participate in the game because of an injury. The second conference game will be played Friday when the Matadors meet the Spur Bulldogs at Spur. Fans are urged to attend the game with the assurance of seeing one of the best contests of the season.

Radio Stars Will Present Program; Firemen Benefit

Bill and Joe Callahan, Radio station KWFT stars will present a two-hour program of high class entertainment at the Matador high school auditorium, Tuesday evening, October 20th, under the sponsorship of the Matador Volunteer Fire Department, it was announced late yesterday by Chief B. C. Cox. All net proceeds of the program will go to the fire department fund and everyone is assured of a highly entertaining evening. Popular prices will prevail, Chief Cox, declared.

REURNS HOME Miss Zona Ruth Scaff, who spent the summer at Bay View, Michigan, with an aunt, returned home Monday. Her sister, Mrs. Wilson Barton and Mrs. Barton drove to Clarksville, to meet and accompany her home.

Newest Pilot

Most recently commissioned officer from Matador is Lieut. Dick Groves, above, son of Mr. and Mrs. A. B. Groves, who received his silver wings of the Army Air Forces in graduation ceremonies at Brooks Field, Texas, Friday, October 9.

Lieut. Groves completed primary training at Bonham, and the second phase of training at Randolph Field. Ready for combat duty, all of the graduates have requested immediate action.

More Contributors Support Tribune's Gratis Paper Plan

Motley county boys in the nation's armed service must share the Tribune's appreciation for the continued generosity of the folks back home, who have, without solicitation, helped to make it possible to send a free weekly copy of the home paper to every man in uniform who requests it.

The number of boys in service who receive the Tribune increases each week and many changes of addresses are made before each mailing. There is positively no charge or obligation to the men receiving the paper. The Tribune merely desires to know that the Motley county boy in service would like to receive the paper. Requests for the paper may be made by him with a postal card, or it may be made by his relatives or a friend at home. New mailing stencils are made each Wednesday afternoon.

The past week's contributions, for which the Tribune expresses sincere appreciation, includes B. F. Simpson (Northfield) \$5, Mrs. Melvin Meason \$1, E. W. Smallwood \$1, W. H. Nichols (Roaring Springs) \$3, L. A. Carlisle \$1, Mrs. Hoyet Burnam \$3, Paul Enloe (Roaring Springs) \$1, Mrs. G. S. Craven \$1, L. A. Nelson \$2, L. H. Smith (Roaring Springs) \$1.

ARMY AIR SCHOOL TO RECRUIT HERE

Men between the ages of 18 and 50, physically able to pursue a mechanical or technical trade in civilian life or capable of being trained as aviation mechanics or technicians are eligible for enlistment for the Lubbock Army Flying School which will have an enlistment representative here October 17th and 19th. The enlistment office will probably be located in the City Hall for the two days since the Chamber of Commerce no longer maintains an active office, officials said here yesterday.

Bus transportation will be furnished applicants from Matador to Lubbock where physical examinations will be given. Pay for single men starts at \$50, married men with no children with earn \$78 monthly, including aid for dependents and married men with one child will earn \$90. In all cases clothing, quarters, food and medical treatments are furnished by the Army.

In a special release Captain W. B. Marschner, post technical procurement officer, declared this may be the last opportunity for men with technical experience to enlist directly into the Army Air Forces.

Mrs. Algie Groves and children of Childress, visited here this week with his parents, Mr. and Mrs. A. B. Groves, and with her parents, Mr. and Mrs. A. B. Nichols of Roaring Springs.

Rainfall Delays Cotton Harvest

Autumnal Precipitation Totals 1.67 in. Here; Lightning Injures Billy Cooper

AUTUMNAL RAINS starting with waves of heavy mist Wednesday morning and gaining in intensity to reach the stage of heavy down-pour in the afternoon, halted the harvest of Motley county cotton, and silenced Matador's three gins last night.

The rainfall was accompanied by a severe electrical disturbance which disabled electric power. Incomplete reports reached Matador yesterday afternoon regarding the injury of Billy Cooper when he was struck by a bolt of lightning. Mr. Cooper is declared to have sustained painful burns and shocks when he was struck by lightning while entering the door of a cellar at his home on Circle street in Roaring Springs.

Texas Youths Graduate For Pilot Combat Duty

"Ready for combat duty" was the stamp of approval placed on 310 fledgling flyers from Texas at seven advanced flying schools of the Gulf Coastal Training Center, Friday, Oct. 9, as they won silver wings of the Army Air Forces. Every section of the United States, Latin America, even Shantung, China, was represented on the huge class roster, the ninth group to graduate since Pearl Harbor.

New pilots include sixteen Panhandle boys and two from Eastern New Mexico, one being Dick Groves, son of Mr. and Mrs. A. B. Groves, of Matador. The mechanics role in modern air warfare was recognized by this class which established a tradition by electing a crew chief at each field as an honorary member of their group.

Absent was the fanfare of airplanes roaring overhead, speeches and long ceremonies at this wartime graduation. Instead the pilots marched up, received their silver wings, saluted smartly and turned to begin their active flying duty. All have requested immediate action.

Included in the Foster Field class of 42-1 is First Lieut. Harold C. Theus, of Bethany, Okla., an ordained minister and Army Chaplain. He put aside his ecclesiastical robes to become a fighter pilot flying a P-40 or Lightning P-38.

One member of the Moore Field who wants to chance to avenge his home town is Brian P. Glass of Shantung, China. Single engine fighter pilots were graduated Friday from Foster Field, Texas; Moore Field, Texas; and Lake Charles, Louisiana, Army Flying School. Bomber pilots are graduating at Ellington Field, Brooks Field, Kelly Field and Lubbock Army Flying School, all in Texas.

AMARILLO PANTEX ORDANANCE PLANT SEEKS LABORERS

Pantex Ordnance Plant at Amarillo has available jobs now for men in good physical condition who can qualify as laborers on loading lines and for Stores and Utilities Divisions. Immediate employment is also available for guards. Reliable citizens who are interested in such jobs should not hesitate because of lack of experience in the field. Training will be given at the plant.

Those who desire positions should file applications at once with the employment office at 504 1/2 Taylor Street in Amarillo which is open from 8:30 a. m. to 9. p. m. weekdays and from 9 a. m. to 4 p. m. on Sundays. The filing of an application does not obligate the prospective employee in any way. Men who have applications on file now should report at once to the Personnel Building at the plant. It is open on weekdays from 8:30 to 10 p. m. and from 9 a. m. to 4 p. m. on Sundays.

TO SAN ANTONIO S. Sgt. Herman Sherrod arrived here Monday from Spencer, Iowa, enroute to San Antonio where he will be in training as glider pilot. He was accompanied to San Antonio Tuesday, by Mrs. Sherrod, who has been visiting her parents, Mr. and Mrs. F. O. Carlson here.

Measurement by the U. S. rain gauge maintained by Geo. Springer, showed a total of 1.67 inches at sundown yesterday. Heavy skies had cleared by midnight but no assurance of immediate fair weather was forecast by local prognosticators.

Cotton ginning in the county had attained rapid advances until the delay yesterday. Combined Matador gins had passed the 1,000 bale mark.

Henry L. Mobley, local U. S. Employment agent declared that some relief in the cotton-picker shortage had been indicated during the past three days, with many pickers moving west from areas south and east of here.

Some cotton raisers believed little damage would result from the rain since the heavy mist Wednesday morning has caused the lint to "set" in the burs, protecting it to some extent, from being beat out by the heavier rainfall. While reports were incomplete, it was believed the rainfall may have been general over the county.

Lubbock Wholesale Market Scheduled To Open Saturday

LUBBOCK, Oct. 14—An attendance of several hundred retail merchants who sell clothing, furnishing and accessories is indicated for the Fall and Winter showing of the Western Wholesale Market Association in this city, October 17, 18 and 19, according to reports received by O. J. Sexton, president of the organization.

All accommodations for displaying merchandise at the Hotel Lubbock, headquarters for the market, have been filled and 19 applications for space have been returned on account of there being no rooms available. This is the largest number of applications ever received in the history of the market. Some exhibitors have taken space in the Hilton Hotel.

Complete lines of seasonable merchandise will be shown by a large number of manufacturers and wholesalers and most of them say they can assure delivery of all items they are now carrying.

On account of the soon to-be-effective gasoline rationing, and other restrictions on transportation, many salesmen will shortly be off the road, and the only opportunities retail buyers will have to see the new lines will be to come to the Western Wholesale Market showings, or go farther distances, to the houses of the jobbers and manufacturers of the goods.

Due to this condition, it is expected that the attendance at the market this season will be unusually large from all the West Texas and Eastern New Mexico counties which are served by the market.

MRS. A. A. HARP ILL Mrs. A. A. Harp is confined to her bed, and visitors are prohibited by her attending physician, until she is sufficiently improved to receive them. Although her condition is not declared critical, the rest cure is prescribed due to a heart ailment and high blood pressure. Mrs. Harp was conveyed to Quannah Sunday by Mr. Harp, where she underwent an examination which substantiated the diagnosis of her local physician.

Roscoe Lee was a Lubbock visitor Saturday.

icate will not in itself make an operator eligible for new tires, however.

To retain his certificate the operator will be required to keep a weekly record of all operations on a form provided on the back of each certificate. Tires of all affected vehicles must be checked at a designated inspection agency every 5,000 miles or at the end of each 60-day period, whichever occurs first.

Application blanks and instructions on filling them out are being mailed out by the Office of Defense Transportation to every person registered in 1942 as the owner of a truck, bus, taxicab, ambulance, hearse, jitney or other motor vehicle available for public rental.

Flomot News

(By Mrs. L. B. Turner)

Ruby Dell Morris, daughter of Mr. and Mrs. R. M. Morris, underwent a tonsillectomy Tuesday morning, at Traweek Hospital, Matador.

Mr. and Mrs. Earl Anderson and small daughter of Borger, visited her mother, Mrs. Mollie Gates, from Tuesday until the latter part of the week.

Morris Gates of Lubbock, visited in the home of his mother this week, and repaired the windmill while here.

Bud Morris erected a new windmill at his home this week, his old mill having been destroyed by the storm several weeks ago.

Mrs. Jack Bynum is having her home improved. A new barn has been built, a water tower with overhead tank has been erected, and water piped into the house. The roof of the house has been painted and the entire woodwork inside has been painted, with some remodeling in both kitchen and dining room. She is now having a cabinet built in the kitchen. The work has been done by L. B. and T. W. Turner.

Sam Ross has had a stucco bunk house erected on his place north of town. The house is to be occupied by harvest hands. Bron Martin was the carpenter.

H. S. Gilbert and R. I. Thomas made a business trip to Lubbock Tuesday.

Leon Floyd of Dallas arrived home Friday to spend a week's vacation with homefolks and friends. Mr. and Mrs. J. L. Speer drove to Lockney Saturday afternoon to visit a relative, John Regal, who is ill.

Ralph Stapleton made a trip to Anson Thursday, to secure pickers to help gather his cotton crop.

Bob Hawkins returned Wednesday from Longview, where he has been visiting his son, Lee and family.

Mr. and Mrs. Houston Gunn and family arrived Wednesday from Gainesville, to assist in gathering this year's cotton crop. They are located on the L. M. Gunn place, west of town.

Miss Marie Williams of Matador spent the week-end with her parents and also brought a guest, Miss Billie Lawrence.

Mr. and Mrs. J. L. Speer and family made a trip to Amarillo Sunday to visit their daughter, Mrs. George Konklin.

Mr. and Mrs. Bill Slover visited in Plainview Saturday and Sunday, with her parents, Mr. and Mrs. Lee Titus.

Miss Lula Stapleton of Canyon, spent the week-end with relatives at Lockney and with her parents here.

School dismissed Friday afternoon for a period of cotton picking.

Mr. and Mrs. J. R. Thomas and son Kenneth, of Lubbock, visited in the home of her brother, Calvin Franks, Saturday night and Sunday.

Miss Irene Ham left Saturday for Rule, where she will remain while school is dismissed for cotton picking.

Guests in the home of their sister, Mrs. Winnie G. Tanner this week-end were Mrs. Carl Coulston and sons and Mrs. Wesley Trainham and sons of Vera.

Dale Preston Mosley purchased

a motorcycle Saturday evening. The Motley Singing Convention will meet at Flomot, Sunday, October 18 at the Methodist church. Everyone is extended a cordial invitation to attend.

INFANT IS BURIED HERE

Funeral rites were conducted here Monday afternoon by Rev. W. J. Knoy, for the infant daughter of Mr. and Mrs. Raymond Kendall of Amarillo. The baby was born Sunday in the St. Anthony Hospital in Amarillo.

Roaring Springs NEWS

By Mrs. J. D. Mitchell

Mr. and Mrs. J. N. Scrivner, with their daughters, Milda and Loretta, were visitors in Plainview Saturday.

Maggie Lee, Gene and Arlene Brian and Ramona Freeman spent the week-end visiting relatives in Floydada.

C. W. Giesecke made a business trip to Silvertown Monday.

Miss Joyce Thacker, student at Texas Tech, Lubbock, spent the week-end visiting her parents, Mr. and Mrs. M. S. Thacker.

Mrs. C. E. Marshall and family of Portales, N. M. spent several days last week visiting her mother Mrs. Henry Carter, whom she had not seen in 12 years.

Mrs. Lewis Clifton returned Saturday from El Paso, where she visited her son, Clyde, who is stationed in Ft. Bliss with the U. S. Medical Corps.

Mrs. W. P. Cooper visited her daughter Frances Brown, in McLean last week. Frances is head secretary in the office of the U. S. Government there, where a camp is being constructed.

Mr. and Mrs. Robert Medlen and daughters of Floydada, visited in the home of Miss Bessie L. Medlen Sunday.

PASTOR IS MOVING

Rev. W. L. Brian, who has been

a very efficient pastor of the Roaring Springs Baptist Church for 2 years, resigned his pastorate here and has accepted a call to the First Baptist Church of Silvertown. He had recently been unanimously called to remain here another year.

Rev. Brian and his family will move this week to their new field of service.

LOCALS

Mr. and Mrs. Arthur Rogers and baby of Paris, spent Sunday with Mr. and Mrs. J. C. McBride.

Mr. and Mrs. Eugene Perkins visited with friends at Girard Sunday afternoon.
