Overseas Soldier Says Tribunes Are Worth Dollar Each

Subscription price of the Tribune would be prohibitive if it sold by the evaluation placed by one overseas soldier.

Mrs. J. M. Birchfield visited the Tribune office this week to register a change of address for one of her two overseas sons.

She declared one of her sons in a letter recently, wrote, "Mama, tell Ben to keep the Tribune coming to me, every copy is worth a dollar."

An increasing number of overseas addresses is being reported and many new "men in service" subscribers have been added during the past week.

The publishers desire to express sincere appreciation for the following unsolicited contributions in support of the subscription plan:

Lions Hear 6th Grade Singers

Lions talent scout J. R. Emmons gets around. Last week he chanced to hear a group of Mrs. Mary Meason's 6th grade students singing in Matador elementary school.

He was impressed by the young voices and immediately made arrangements to have the class sing for the Matador Lions Club regular luncheon held in the basement of the Methodist church Tuesday.

The club was enthusiastic in its approval of the singing.

Lion Emmons, a member of the program committee, was program sponsor for the Tuesday meeting.

After the delicious luncheon served by the Methodist Ladies, guests were introduced, announcements made and Lion Emmons assumed charge of the program.

Timed precisely, the group of 6th grade students entered and immediately began their medley of four songs, dedicated to Lion Vernon Doss, principal of the elementary school.

Lion Doss, who has been in ill health, attended the Tuesday meeting for the first time in several months.

Motion Pictures Shown

After the singing, the building was darkened and three Government-sponsored sound pictures were shown, "Dover," "Japanese West Coast Evacuation" and "Divide and Conquer" were the titles of the highly interesting pictures.

Designations were made for two Lions to attend Boy Scout meetings each Monday evening.

Boss Lion Douglas Meador and Dr. J. G. Ketchersid were named for Monday, May 10th.

Guests introduced included Home Demonstration Agent Miss Dana Meredith, Jim Cooper, Herbert Martin and M. C. Jones of Flomot, fat stock show winners and H. B. Marler of Flomot who operated the projection machine borrowed from the Flomot school.

Despite the improvements upstairs, Sheriff Courtney does not expect any great increase in patronage and it will not be necessary to make reservations in advance.

Herb Martin Shows Grandchampion Calf

UNCLE SAM feeds each man in the armed service an average of 750 pounds of meat per year. Motley county 4-H Club boys exhibited sufficient prize beef and pork here Saturday to supply 22 men in the armed service for an entire year.

Over 4,000 pounds of pork and 13,360 pounds of beef were shown in the 4th Annual Motley County 4-H Club Fat Stock Show, sponsored by the Matador Lions Club. The calves were sold on the Fort Worth market, Tuesday, bringing 16 to 16 1/2¢ per pound, totaling \$2,028.63 and topping the market for the day.

Grand champion honors went to Herbert Martin for senior calf, whose 2nd calf also was awarded 2nd place. Both calves were from the Wilburn Barton herd.

M. C. Jones, also of Flomot, received reserve champion award and first and second places in the junior calf division with his entries from the J. C. Burleson herd.

First and second places and reserve champion honors in the heavy pig exhibit went to Don Mickey Sanders of Roaring Springs. Third place winner was K. J. Clifton, 4th, 5th and 6th places were won by Billy Joe Cooper.

Billy Cooper was awarded first place in the light pig division. 2nd place went to J. W. Fletcher, 3rd place to Lonnie Harmon, 4th to Jordan Harmon, 5th to K. J. Clifton, 6th to Don Sanders, 7th to Billy Joe Cooper, 8th to Don Sanders and 9th Lowell Kingery.

Success of the show was described as outstanding, both in condition of cattle and hogs shown and number of interested spectators. Skillful judging by Jack Idol and R. O. Dunkle required close scrutiny to select the winners because of the final quality of all exhibits.

County Agent J. R. Emmons announced during the show that present goal for the club is to produce sufficient meat for all men from Motley county in the armed forces during the coming year. He said that it would require increasing the number of 4-Show exhibits by ten times according to the estimated number in service from this county.

Measurement Data Now Available To Farmers Of County

Farmers still have the opportunity to obtain measurement data on the fields in their farms by calling at the county AAA office.

Cullen H. Butler, County AAA administrative officer, announced this week.

Practically every farm in the county has been mapped on aerial photographs and the sizes of the various fields recorded. Arrangements have been made to furnish this information to farms at community meetings or in the county office.

The time and place of the community meetings can be obtained from the local AAA community committeeman. When requesting acreage data, farmers should bring in their cut-outs, which are aerial photos of their own farms, or any other farm maps in their possession.

This service should be especially helpful to the farmer this year, Mr. Butler said, since he will be responsible for reporting his performance under the 1943 program, furthermore, in the case of cotton, the farmer cannot remove excess acreage after performance is reported, in order to obtain full payment under the program in 1943.

In cases where a field will not be planted according to 1942 boundaries but will be split into two or more parts in 1943, the farmer will need to furnish enough of the principal dimensions to enable the county office to revise its records accordingly.

Urged To Use Information

Every Motley County farmer is urged to take advantage of this offer, even though some of his fields may already be planted. The information furnished under this plan will comprise the official acreages for the farm during the 1943 program year, provided the farmer plants his crop according to the boundaries on which the acreages were determined.

Mr. Butler said many farmers already have obtained their field acreages from county office records. He urged that others take advantage of this opportunity as quickly as possible. There is no charge for this service.

RED CROSS DRIVE TOTALS \$2,302.14

The county was assigned a total quota of \$1,650, which was oversubscribed \$652.14.

Annual Banquet Is Lovely Affair In Candlelight Theme

The annual Junior-Senior banquet held Friday evening in the basement of the Methodist church was declared by several who had attended previous similar affairs, to be one of the loveliest entertainments ever held here in honor of the graduating class.

A "Candle Light" theme was featured throughout the program, and in decorations. The school colors, black and red, combined with white were used. Vines of ivy, entwined with red and white roses were placed on strips of black and red crepe paper down the length of the banquet table, and the only illumination was that furnished by numerous white candles. Program covers were red leatherette cardboard with a candle and holder emblem embossed in black.

Following Invocation by J. R. Whitworth, Toastmistress Glenda Nelson introduced the principals on the program. Welcome address was given by Don Paul Keith and responded to by John Merwyn Russell. Mrs. Ruby Tunnell sang, "When The Lights Go On Again All Over The World."

A note of sobriety was sounded in a feature announced as "Message of Candles," in which seven qualities one must have to succeed were pointed out by seven junior girls as follows: "Ambition," by Dorothy Lou Hill, holding an orange colored candle; "Perseverance" by Dorothy Jean Casey, with a yellow candle; "Loyalty" by Paula Patton, with a blue candle; "Truth" by Kathryn Martin, with a white candle; "Tolerance," by Frances Bostick, with a pink candle; "Temperance," by Frances Williamson, with a silver candle, and "Courage," by Frances Seigler, with a green candle.

A solo, "Love's Old Sweet Song" by Rachel Carpenter, accompanied at the piano by Dorothy Woodruff concluded the program.

The sumptuous banquet was prepared by mothers of the junior and senior classes, and served by the following Sophomore girls: Dorothy Mae Cox, Gladys Springer, Peggy Jean Spray, Frances Marshall, Zeila Mae Pool and Darnell Morrison, who were attired in white, each with a colored apron matching one of the candles featured in the program.

The host-class was assisted in the banquet preparations by their sponsor, Miss Ione Gideon.

Mrs. M. J. Reilly has been visiting in Amarillo this week.

Easter Sunday, April 25
"Dear Mother and all:
I will drop you a line to let you know where I am and where I'm going. I'm somewhere in Nevada, on my way to the east coast to catch an aircraft carrier; it's not what I wanted, but I've a chance to make aviation machinist. You will have to excuse this writing, because the train is really rocking; I will drop you another line when I get there. Oh yes, I'm now fireman 2c. Will send you my address in my next letter.

Love,
Junior.

"Dear Folks:
How are you? Fine I hope. I am O.K.; how is R. T. Has he still got his bad ways... Gee, I'd like to see him and all the rest of you, but write me often because I really would like to get some mail. I can't say much about where I've been, for the censor would mark it out, but I think it is really swell here. The people are nice to every one, and the liberties are fine. When I come home I'll tell you everything! Tell everybody to write me often.

Lots of Love,
Rex

A letter received last week from **Claude Spray, A.M.M. 2c**, advises that his address now will be: Hdq. Sqd. F.A.W.-8 cr. Fleet Postmaster, San Francisco, California. He writes:

Dear Ben:
Just a word to let you know where I am stationed (as I promised). It's really swell duty here, and boy, is it great to be doing duty back in the good old U.S.A.

I wish to express my gratitude for the warm welcome awarded me and the effort put forth by you and the rest of the folks back home, to make me enjoy my leave (which I did to the utmost). It's that kind of welcome that gives a guy something worth working and fighting for.

I'm in the Engineering Dept. here in Headquarters Squadron. I'm enjoying my work more than ever.

Enclosed you will find my acknowledgement for your effort put forth for the service men's enjoyment.

Here's looking forward to the next news from the greatest place in the dear old U. S. A.

Respectfully yours,

Dear Mr. Meador:
I thought I would drop you a line to let you know how much I enjoyed your paper. I always look forward to the day I get the paper and naturally I sit right down and

read it through from one end to the other at the first possible minute. It really gives me a lift to read about the things that happen at home and especially what the other boys in the service are doing. It really peps me up.

Well I have been shipped around a good bit since I have been in the army, and have seen a good bit of the county, but of any thing I have seen yet, Matador looks the best to me. I'm sure all the other boys will agree.

My new address is: Medical Detachment, Station Hospital, Fort Barrancas, Florida.

As ever,
P.F.C. Stuart Dixon.

Staff Sgt. Dow R. Thompson, who is seeing foreign service at an undisclosed spot on the globe, writes in a letter dated April 24:

"Dear Friend: Long over-due letter of appreciation to you, Mr. Meador, and everyone who has contributed toward sending the Tribune to us fellows in service. To put it mildly—I deeply appreciate your kindness.

When I received your V-letter concerning the A.P.O. regulation which made it necessary for me to get my C.O.'s permission to receive the Tribune, I inquired about it and was told that no such permission could be granted; but that paid subscriptions would be sent overseas the same as before. Well, not knowing whether I had a paid subscription or not, I just "let it ride," because there was nothing I could do.

No news from here, Ben. Just work and eat and sleep and hope to get to go "over there" to get in the "big show." In case you wonder what my job is—Armorer—and anyone who knows anything about Air Forces armament can tell you something about an Armorer's job in a Fighter Sqdn. In Foreign Service with the latest type planes. Peace, it's wonderful!

Your friend,
Dow.

THAT BROTHER OF MINE
That brother of mine
I like him fine.
In his uniform so trim
That brother of mine
He left a good job
And a sweetheart so divine
A sweetheart he loved so dear
She would answer to the name
of Vera.
He went to fight for
Daddy and Mother, sisters and
brother
For you and for me.
That brother of mine
In the front line
Answers to the name of Jim
I'm proud of him.
