A reorganizational meeting of the Motley County Sharpshooters Rifle Club was held Friday night at 8 o'clock at the club's rifle range.

New officers, who were elected and will take office on April 1, include Luther Green, President; Gid Simpson, Vice President; Beverly Sims, Secretary: Pat Green, Treasurer; Bobby Williams, Range Officer and Bill Pallmeyer, Instructor.

obstructed the path of progress in Motley County, but a new one has been raised and that is arson. Several of the recent fires are believed to have been incendiary.

Several investigations have been made but without sufficient evidence to warrant apprehension. However, other information may be forthcoming.

The barn on the farm owned by Bennie Keltz north of Whiteflat was destroyed by fire late Monday night. It is the third fire suffered by Mr. Keltz in recent months. He said Tuesday he estimated his total loss between \$10, and \$12,000. He had previously suffered the loss of a garage and shop, stocked with tools and other equip-

Two previous attempts had been made to burn Bennie Keltz's barn. Each time before the premises had been sprinkled with diesel oil and twice before the fire had gone out before the building became ignited.

A fire south of Matador recently is believed to have been the result of an arson attempt

But ranchers, farmers and businessmen intend to do something about the problem. A meeting of a group following the regular luncheon-meeting of the Matador Lions Tuesday, quickly raised a reward fund of \$1,000. The reward will be paid for the arrest and conviction of any person or persons who have committed arson, or attempt to commit

arson in the future. It is probable the reward would also be paid if it included incendiary attempts in recent months. Anyone with information is requested to contact Sheriff Jinks Wilson.

A statement by Sheriff Wilson, reads as follows: "TO WHOM IT MAY

CONCERN "Interested citizens of Motley County are offering a reward in the amount of \$1,000.00 for information leading to the arrest and conviction of any person or persons guilty of arson in connection with the setting of recent fires in Motley County. The reward is payable on final conviction of guilty persons.

Signed: Sheriff Jinks Wilson Any resident who wants to

contribute to the reward fund may make his contribution to Sheriff Jinks Wilson, or by mailing the contribution. It will be appreciated by the farmers, ranchers and businessmen

# **Chest To** Hold Meet

Mr. Stanley said some important business is to come before the committee Monday and that he hopes all members will be present.

# Brown-Maritt Vows Read At Muleshoe

Miss Jama Fayne Maritt became the bride of Gary Mac Brown in a double ring ceremony on Saturday, February 2, at 4:00 p.m. in an impressive candlelight service at the First Assembly of God Church of Muleshoe. The Rev. H. D. Hunter, Jr., pastor, officiated.

The bride is the daughter of Mr. and Mrs. J. W. Maritt of Muleshoe. Mr. and Mrs. Dee Brown of Route 1, Muleshoe, are parents of the bride-

The bride was escorted down the white carpeted aisle by her father, and as he gave her in marriage, she sang the love song, "Whither Thou Goest

Musical selections including "Bless This House," 'Reverie" by Debussy, and 'Because," were presented by Mrs. W. T. Watson, Candlelighters, organist. Daryl Spraberry, cousin of the bride and Randy Kelley lighted the hurricane lamps along the bridal aisle and the candles in the windows which were decorated with greenery and English ivy.

The vows were said as the couple stood before a square archway entwined with English ivy, purple grapes and shades of purple flowers. The archway was flanked by candle trees of purple candles and ivy with baskets of orchid gladiolas, iris and pompons on either side. A basket of love birds was centered in the archway. Following the exchange of vows, the bride sang "The Wedding Prayer," as the couple knelt before a decorated double prayer bench. The Rev. Hunter gave the benediction and presented Mr. and Mrs. Mac Brown to the guests.

THE BRIDE wore a white satin original gown by Priscilla. Re-embroidered

Alencon lace defined the empire bodice which featured an English net capelet collar enhanced with lace appliques and scoop neckline. The long fitted sleeves were accented with lace cuffs. The A-line silhouette swept back into an attached train, which extended from the back waist to chapel length. Her floor length layered veil of silk English illusion was attached to a calot of matching lace and pearls, topped with a layer of illusion framed with Alencon

She carried a floor length bouquet of blue iris, purple statice, white steph and purple astors entwined with English ivy, attached to her white satin covered Bible For "something old" the bride wore a strand of pearls belonging to her paternal grandmother and wedding rings belonging to her maternal grandmother. She also wore the traditional 'new, borrowed and blue,' and carried pennies minted in the years of the couples birth, in each shoe.

Mrs. Tommy Ryan of Abilene, matron of honor, wore a formal length light orchid gown of velvet, fashioned with empire waist, scoop neckline and V back, trimmed with white maribou fur. Her headdress was a bow of matching velvet, attached to a double layer of shoulder

#### STUDIES ABOUT THE BIBLE

The Bible is composed of two testaments - Old Testament and New Testament. The word testament has these meanings: (1) a will, (2) contract, (3) covenant, (4) agreement. In our context God is the "party of the first part," and man is the "party of the second part."

When there is a covenant, will, or contract between man and God, we have a testament of extreme importance. Furthermore, the Old and New Testaments are recorded by the Holy Spirit; however, the first testament was sustained by the blood of animals, while the second testament IS sealed by the blood of Christ. Both testaments are divine, permanent records and no one is allowed to tamper with them.

Hear Paul as he writes under the influence of the Holy Spirit. Gal. 1:6-9. I am amazed that you are so quickly deserting Him who called you by the grace of Christ, for different gospel; which is really not another; only there are some who are disturbing you, and want to distort (pervert, KJ) the gospel of Christ.

Here Paul presents a problem confronting the churches which he had recently established in the province known as Galatia. The problem: changing, distorting, perverting the gospel of Christ. In the next two verses Paul lays down the corrective action and punishment for the problem.

But even though we, or an angel from heaven, should preach to you a gospel contrary to that which we have preached to you, let him be accursed. (Paul repeats this corrective prescription, L.E.O.) As we have said before, so I say again now, if any man is preaching to you a gospel contrary to that which you received, let him be

When a gospel is sealed by the blood of Christ, no man has a right to break that seal and make changes. L. E. O'Neal
