'Gratitude is Mother of All Virtue,' Says Lions Club Speaker

"THANKSGIVING is more than a holiday," Rev. M. B. Carroll told the Matador Lions Club in the featured address of the regular club meeting held in the Methodist church basement, Tuesday at 12:30. Tracing the history of Thanksgiving from its beginning in 1621, Lion Carroll, said, "The Pilgrims were destitute at the beginning of Thanksgiving. They had only scant food supplies, many were ill, many had perished, but they had a free soul... the right to worship as they pleased. They set aside a day to thank God for their blessings, despite their poverty, peril and pain. It was the first of our freedoms, the crystallization of a free soul and the mother of what we are today; of our great nation's strength. A thankful man is a useful, worthwhile man... gratitude is the mother of virtue."

Tribute Paid Scoutmaster

Departing Lion W. B. Swim was paid high tribute for his work with the Matador Boy Scout Troop 60, sponsored by the Lions club, and received a token of the club's esteem. Rev. Swim, former Methodist pastor, is being transferred to Morton. Mrs. Swim and the two children were guests of the club for Tuesday's meeting. Tom Hamilton was received as a new member of the organization. Other visitors introduced and welcomed to the meeting included Cpl. Raymond Smallwood, Tex Litteral of El Paso, Sam Weatherall of Paducah and honor students "Brain Trusters" for Matador high school and grade school. The students were, from the high school: James Price, John Ketchersid, Harry Willett and Lee Thomas. Student visitors from the grade school were Doris Ann Doss, Velma Briggs, Ann Harp and Ruth Swim.

Announcement was made of a Lions Ladies' Night program to be held early next month. More details will appear in a subsequent issue of the Tribune.

The luncheon was prepared by Lion (Judge) Pipkin, assisted by Bud Lowe, with D. E. Pitts and George Springer aiding in serving. Near 100% attendance was attained to terminate the two-meeting attendance contest, with the "stinkers" conceding victory to the "violets."

Girls 4-H Club Is Organized

Twenty-two girls from Northfield, Flimot and Roaring Springs have signed up as members of Motley county 4-H club, under the direction of Miss Lois Jo Bentley, County Home Demonstration Agent.

These girls will concentrate on two phases of subject matter during the year. One of these will be some phase of food production and the other clothing. Each club will have two demonstrators, one to demonstrate each of these phases of work. Miss Bentley will help these two girls individually to plan and develop their work to such a point that their accomplishments afford proper examples for the other girls in the club to follow. The other club members are known as cooperators.

To Learn By Doing

Girls' 4-H club work is a means of learning by doing. Its purpose is not merely to teach something but to help somebody do something useful. It is meant not simply to help the individual but by helping the individual to help the whole club—the whole community. The ultimate result of successful 4-H club work is the development of girls who are happy individuals, sympathetic and capable home members and worthy citizens.

Miss Bentley explained that the name "4-H" was developed along with the four-leaf clover symbol to represent the development of "head, hand, heart, and health." Any girl in the county between the ages of nine and twenty may become a 4-H member by signing an enrollment card.

The minuet, a dance once famous in the courts of Europe, was made popular in America by Gerge and Martha Washington.

Young Flyer Cited For Courage and Devotion to Duty

Additional distinguished honors to Motley county men in the armed service was announced this week through a special dispatch to the Tribune from the public relations office of the 66th Troop Carrier Squadron, somewhere in the Pacific, revealing that Lt. Fred G. Simpson had been awarded the Distinguished Flying Cross. The communication, signed by James L. Sterling, Jr., is as follows:

"First Lt. Fred G. Simpson, Jr. of Matador, Texas, a pilot with this organization, has been awarded the Distinguished Flying Cross by Lt. General George C. Kenney, Commanding General of the 5th Air Force.

"Lt. Simpson was cited for extraordinary achievement while participating in operational flight missions in the Southwest Pacific area, during which hostile contact was probable and expected. These operations consisted of dropping supplies and transporting troops to advanced positions. These flights involved flying at low altitudes over mountainous terrain under adverse weather conditions in an unarmored transport plane and often necessitated landing within a few miles of enemy bases. Throughout these flights outstanding courage, ability and devotion to duty were demonstrated."

"The son of Mr. and Mrs. F. G. Simpson, Sr. of Matador, Texas, Lt. Simpson was graduated from the Matador high school in 1938, and attended West Texas State College. He was appointed an Aviation Cadet in March, 1942, receiving his wings and commission as 2nd Lieut. in Nov. 1942 at Lubbock Field, Texas. On July 10, 1943, he was promoted to the rank of 1st Lt."

ARRIVES FROM DENVER

John Mackenzie, manager of the Matador Land & Cattle Company arrived here yesterday from Denver. Mr. Mackenzie said the drought condition existing here, prevails in Denver and through and extended area north.

Leadership Vital To Future Says O'Brien

"Bramble Brush" leadership has gotten the world in the condition it faces today: the worst in history," Rev. Dick O'Brien of Big Spring, told a group of over 200 Baptist members, relatives and guests, in the featured address following a "sandwich banquet" at the Baptist Brotherhood annual family night meeting held in the church basement, Tuesday evening.

Rocking every listener with his famous, and seemingly endless jokes, the well-known pastor, became serious with his graphic,

concise diagnosis of the world's ills. "We must dig for the worthwhile things in life," he said, "and there is too little creative thinking being done in the world today."

Bramble-Brush Parable

Using excerpts from the Bible, Rev. O'Brien cited the passage where the trees of the forest decided to select a leader and nominated the olive tree. The olive tree declined the responsibility as did the lesser important and valuable trees until finally the worthless bramble-bush was asked and accepted. "Leadership is the most important word in the world. The world is crying, begging for leadership, today and for tomorrow. Whatever the future holds for these children before me to-

TOM THUMB VOWS WILL BE READ AT CARNIVAL TONIGHT

A diminutive couple will exchange vows at the Tom Thumb wedding as the feature attraction at school carnival scheduled to be held in the Matador high school building tonight. The wedding will be held in the high school auditorium with admissions of 10c 20c and 30c. A large wedding cake baked by the school home-making class will be given away after the ceremony.

Various entertainments have been arranged to include fish pond, fortune telling, bingo, penny pitching and tin can "chunking". Plate lunches with the following menu: chicken salad sandwiches, potato salad, pie and coffee, will be sold at 35c each. Doors will open at 7 a. m. Everyone is invited to "come early for supper and stay late for fun."

VISITS PARENTS

Sgt. Charles T. Berry of Ft. Meyers, Florida, is visiting his parents, Mr. and Mrs. H. E. Berry here. Also a guest in the Berry home is Miss Ruth Christian of Lubbock.

TWO CHURCHES UNITE FOR OBSERVANCE OF MATADOR WARTIME THANKSGIVING

Program plans have been completed for the union Thanksgiving service to be held next Thursday morning at 11:00 o'clock in the Methodist church, with Rev. M. B. Carroll, Baptist pastor, delivering the message for the occasion.

The service will open with congregational singing, followed by invocation by G. E. Hamilton. A Male Quartet selection and song by the choir will precede reading of the Scriptures by Rev. George E. Turrentine, new Methodist pastor. A special anthem will be given by the choir, and Rev. Carroll's message will follow. Closing hymn will be sung by the congregation, and Rev. Turrentine will pronounce the benediction.

Special choir rehearsal of the musical selections under direction of Roy Reeves, was begun Sunday afternoon at the Methodist church and announcement is made that further practice was held last night, and will be held Sunday afternoon at 4 o'clock, with final rehearsal next Wednesday night at 8:45. Everyone interested in taking part in this phase of the service is extended a cordial invitation to attend the practices, all of which are being held at the Methodist church.

Miss Roberta Jameson is pianist for the occasion, with special instrumental accompaniment by Mrs. M. B. Carroll and Miss Joyce Norrid, violinists, and Mrs. G. E. Hamilton at the xylophone.

An urgent invitation goes out to this and adjoining communities to come together and join in this service of Thanksgiving and supplication for a nation at war, and its fighting forces scattered over the globe.

Governor Drafts Plan For Visit

SPECIAL SERVICE THIS MORNING AT METHODIST CHURCH

Announcement is made of a special service to be held this morning (Thursday) at 11 o'clock at the Methodist Church, in the interest of Christian Education, when Dr. Dawson C. Bryan, pastor of St. Paul's Methodist church, Houston, and Dr. L. N. Lipscomb, District Superintendent, of Plainview, will speak in the campaign for McMurry College endowment.

All friends of Christian Education are especially urged to attend and hear these distinguished speakers.

FATHERS-SONS TO HEAR TEXAS' HIGH EXECUTIVE SPEAK

Most distinguished speaker ever to appear before the Matador annual Fathers-Sons banquet is scheduled for the principal address here during Boys' Week early in February, 1944. Governor Coke Stevenson will be the honored guest. Plans were disclosed through two letters read at the Lions Club meeting, Tuesday. Governor Stevenson, in a letter to Lion G. E. Hamilton, accepted the invitation to visit Matador and address the Fathers-Sons meeting provided a definite date could be arranged at this time.

J. R. Whitworth, secretary of the Lions Club said that the state's chief executive had been notified that Tuesday or Thursday night, during Boys Week would be most acceptable. It was declared that Governor Stevenson was glad to accept the invitation and that he will make definite plans to attend. Lions To Start Early

Originators and continual sponsors of the annual Fathers-Sons banquet, the Matador Lions Club has started earlier than usual arrangements for the meeting after it was disclosed that Governor Stevenson might be obtained for speaker. Now that the Governor has accepted the invitation with only the matter of a definite date remains unsettled, the club is outlining the program and various committees are expected to be named at an early date.

FORMER RESIDENT LAUDS TRIBUNE'S FREE PAPER PLAN

T. H. (Tex) Litteral of El Paso, former Matador resident, now here with Mrs. Litteral visiting relatives and friends, lauded the Tribune's plan of sending subscriptions free of charge to men in the armed service, during a visit to the printing plant last week. "I think it is one of the finest ideas in the world," Mr. Litteral, declared, "and I have never known anything to compare with it. The support of Tribune readers is equally commendable and typical of the people of this country."

"Mrs. Litteral and myself are able to share the appreciations of boys in service receiving the home paper. We are so eager to read the Tribune each week, that one can not wait for the other to finish with it. We tear the paper in half. When each has read the two pages they are exchanged, thus we are both able to complete reading the entire paper about the same time."

The Tribune desires to express sincere appreciation for the following unsolicited contributions to the boys-in-service paper fund, made since last publication:

Jack Harris (Albuquerque, N. M.) \$1, Miss Ova Barton \$2, Frank Stafford \$1, Mrs. J. F. Anderson \$1, Mrs. G. W. Ratcliff \$1, L. E. Kingery \$1, Mrs. Viola McBride \$1, L. J. Barkley \$3.

Mrs. Willie Returns From Convention

Mrs. U. L. Willie returned home Tuesday night from Austin and San Antonio, having been in Austin to attend the 4-day convention of Texas State Federation of Women's Clubs from Tuesday through Friday of last week. Before returning home she visited in San Antonio, Yoakum and other points.

Mrs. Willie represented El Progresso Club of which she is president.

VISITORS HERE

Visitors in the home of Mr. and Mrs. V. J. Skaggs Sunday, were her parents, Mr. and Mrs. M. C. Turner and their daughter and husband, Mr. and Mrs. Craton Lance, of Chillicothe, and two sisters, Mrs. Dub Davis and daughter Jerry of Vernon, and Mrs. Loyd West of Quanah.

War Bond Quota Is \$15,600 For Month

Motley county's War Bond quota for the month of November is \$15,600 it was announced early this week by Elmer Stearns, county War Bond sales chairman. No quota was assigned to counties during the month of October due to the excessive nationwide drive conducted during September.

Mr. Stearns said a new and permanent sales plan is being perfected whereby each school district in the nation will be assigned a certain quota based on valuation. Thus a county's quota will be the total of its school districts quotas. Regular monthly quotas and the large nationwide quotas will be based on the new plan.

Flyers Parachute To Safely After Fire Envelopes Plane

Three members of a Childress Army Air Field night bombing mission crew returned to the post safely Monday afternoon, Nov. 8, after bailing out of their disabled AT-11 bombing plane near Matador at about 1:30 a. m. Monday.

The trio, flight officer C. H. Shelby, pilot, and bombardier Cadets David H. Tiger and Stanley A. Talik, sustained only minor scratches and bruises from their parachute descents to the rough terrain.

Flight officer Shelby made his way to a ranch telephone, one cadet found a road and hitchhiked into Matador, and the other made his way to the CAAF maneuver camp near Matador.

The pilot ordered his cadet passengers to parachute to safety when a blaze broke out in the cockpit, and efforts to subdue it with fire extinguishers failed. After his passengers left the ship Pilot Shelby abandoned the plane when smoke from the blaze became so dense he could not use his instrument panel.

Col. John W. White, commanding officer, announced a board of officers had been appointed to investigate cause of the accident, in keeping with army regulations.

Cadet Tiger is the son of Major David Tiger, headquarters second service command, Governor's Island, N. Y. Cadet Talik is the son of Mrs. Mary Adlik, Carlsbad, N. M. Flight Officer Shelby was a resident of Somerville, Texas before entering the service.—Childress Index.

Pvt. J. D. Payne of Camp Howze visited this week with his mother, Mrs. Ethel Payne and brother, Charles.

Pvt. W. T. Marshall of Lubbock, spent the week-end with his parents, Mr. and Mrs. P. L. Marshall. His wife, who is employed at Paducah, joined him here for the visit.

T-5 Woodrow Kincanon, on maneuvers near Phoenix, Arizona again sends his thanks for the paper, through his wife, who is residing in Phoenix, and who writes: "I'm writing you for Woodrow. He is out on the desert and does not have a chance to write. He wrote me to tell you how he enjoys the paper... and let me tell you he isn't the only one... we wives read them from start to finish when they bring the paper home to us. If all the boys enjoy the paper as much as these boys out here do, it's really a morale 'up-keep'. Thanks again from both of us."

Another wife, Mrs. Stafford Forbis, nee Adele Burtson, writes from Seattle, Washington also, says: "For some time it has been our intention to write and thank you and your staff for the Tribune. Stafford has been assigned to the fleet, so will you please change his address accordingly."

From "Somewhere in Alaska", the following comes from **Pfc. James E. Cook**:

"Dear Ben: Thought I would drop you a few lines to let you know I am receiving the home paper now."

I began to think I would never get it, but received four at once, then began getting them more regularly. It sure helps to find out about all of your friends when you are in a place like this."

The fellow I worked for at Floydada gave me some (word censored, believed to be "Jap")

hunting license when I entered the army and I finally had the chance to use them.

Had better sign off. Tell all the boys hello and good luck.

Yours truly,
"Doc" Cook.

From an over-seas base, **Jessie Smallwood** writes to add his thanks to other boys in the service, for the Tribune, in these words: "Just a line to let you know I have a new address, and to thank you and all the people in Motley county who keep me posted with what's going on back in Matador. I always look forward to the paper every week. Tell all my friends to shoot the letters to me and I'll do my best to answer them; and 'will see you all when the week's all done next fall.'"

Pfc. Raymond N. Davis of Camp Howze, spent a 3-day furlough from Thursday until Saturday with his parents, Mr. and Mrs. N. E. Davis of Roaring Springs.

Pvt. LeJueve F. Turner arrived home from Camp Howze, Thursday, on a short furlough which he spent with his parents, Mr. and Mrs. T. W. Turner and family of Flomot.

Pvt. and Mrs. Farris Martin arrived at Flomot Thursday and spent the week-end in the home of his parents, Mr. and Mrs. I. E. Martin and other relatives. Pvt. Martin is stationed at Camp Howze and his wife is employed in Dallas.

Pfc. Sam Hunter returned to Gainesville Monday, after a few days visit with his parents, Mr. and Mrs. S. D. Hunter of Roaring Springs.

November 7, 1943

Dear Mr. Editor:

I will drop you a few more lines and let you know my new address. I would like very much to get the paper if it isn't too much trouble. I get it once in a while and really do enjoy it.

I enjoy reading about what the Motley county boys are doing and what the folks at home are doing, too. I enjoy my work but, like the other boys, will be glad when I can return to Texas to live. There is no place like Texas, especially to a Texan.

I am proud of the home folks for what you are doing. Keep up the good work and we are bound to win.

Sincerely yours,
Melvin S. Thacker, A.M.M. 3-c.

How many miles older is your car this week?

"Every mile you drive makes it more important than ever to Care for your Car for your Country"

IF TIRE AND GASOLINE RATIONING were removed tomorrow, no victory-minded American would permit himself one single mile of unnecessary automobile driving!

Let the truth of this fact sink in. Even if gasoline and tires were plentiful, cars are not. There will be no new cars for the duration. And every mile you drive, today and tomorrow and the day after, is an irreplaceable withdrawal from the Nation's bank of total transportation miles.

That is why your Uncle Sam is talking like a Dutch uncle when he tells you to care for your car for your country. You must protect and even pamper your car to coax every last bit of mileage from its aging engine and chassis.

Phillips 66 Service Wardens are pledged to do their utmost to perform all services which will improve the efficiency of your car and lengthen its life. Remember, the car which is driven this winter with tires unchecked... with battery uninspected... with friction points unlubricated... may literally be running at the expense of the Nation's war effort.

The Phillips 66 Service Warden is waiting at every Phillips 66 Service Station, ready and anxious to do his part to help you "Guard America's Mileage." American Education Week Featured In Parents-Teachers Program Wednesday

At regular meeting of the Parents-Teachers Association Wednesday afternoon, November 10, the association voted to send Mrs. Tom Tilson, president, to Austin to attend the Parents-Teachers Congress which is being held there November 17-18. Mrs. Tilson will be accompanied by other presidents of P-T. A. on this trip.

An interesting program was given which included a group of songs commemorating Armistice Day, sung by pupils of the eighth grade under the supervision of Miss Leila Carpenter, public school music teacher. A very interesting talk, based on American Education Week, was given by an outstanding sophomore pupil, Mary Janice Wilkinson, who traced the beginning of democracy from the time of Socrates, up to the time of Benjamin Franklin and on to the present age.

The dues of the membership were set at fifty cents per year. The third, fifth and tenth grades won the pictures for having the most mothers present.

After the meeting, delicious refreshments of cake and punch were served by Mrs. Claud Harp and Mrs. Ward Rattan, who were sponsoring a cup-towel and pot-holder shower for the lunch room.

Executive Meeting
The executive members of the P-T. A. met Monday night, November 8, in the home of Supt. B. F. Tunnell.

Mrs. Henry Solomon, treasurer, stated that all business firms had been asked to change the name Child Welfare to Parents Teachers Association, on their books. Mr. Tunnell reported that the War Foods Administration had lifted the ban on pasteurized milk. Henceforth milk served in the lunch room will not be pasteurized. However, milk that is served to the children to drink does come from tested cows.

Lunches served will be enlarged and have an additional vegetable, and a committee was appointed to compile a list of children who need the free lunches.

Mrs. Chas. Keith reported that she had sent the membership dues to the P-T. A. for twenty-nine members.

After the meeting the host, Mr. Tunnell, proved without a doubt that man does know his place in the home—(Mrs. Tunnell being in California) by serving the executive members delicious ice cream and cookies. An enjoyable evening was reported by those present.

TO VETERAN'S HOSPITAL

RECENT MARRIAGE IS ANNOUNCED BY FORMER RESIDENT

Flight Officer Hulon W. Phillips, formerly of Matador, was married September 8, 1943, to Miss Darlene Coleman of Milwaukee, Wisconsin, according to recent information received by friends in this vicinity.

The ceremony was performed at the home of the bride's pastor in Milwaukee, and was attended by her parents, Mr. and Mrs. R. Coleman, and a few friends. The bridegroom was transferred three days later to St. Joseph, Missouri, where the young couple now reside at 2608 Silvanie Street.

Mrs. Phillips was born in Clinton, Missouri and lived there until about six years ago, when she moved with her family to Milwaukee.

F-O. Phillips is well-known in this part of the country, having lived in and near Matador for several years, and having graduated from Matador High school in 1938.

He attended Portales Junior College at Portales, New Mexico, and Hardin-Simmons University, Abilene and volunteered in the armed services on November 23, 1940. He was first in the Quartermaster Corps and advanced to the rank of staff sergeant while he was in Puerto Rico. Later he transferred to the Air Corps, and at Blacklands Field near Waco, Texas, received his wings and commission as Flight Officer in 1942.

At present he is taking a course in navigation at a training station near St. Joseph, Missouri. His parents, Mr. and Mrs. J. A. Phillips reside at Dalhart, Texas.

Pied 'Pinions' BY MRS. M.

T-Sgt. G. W. Fulfer, who wrote recently from Las Vegas, Nevada, where he is stationed temporarily, stated that he was pleasantly surprised at seeing Coach Harvey Stanford, formerly of Matador, while attending church, and that they had quite a chat after services. The Stanfords moved to Las Vegas seven or eight years ago, but the outstanding influence which both "Coach" and Mrs. Stanford had on the youth of this community is still felt and appreciated.

Probably no word in the language is more overworked than the little and defenseless two-letter word "up" writes Fred G. Neuman in the Paducah (Ky.) Sun-Democrat. You hear it on the street (he points out) you hear it at the movie, you hear it at church in the post office and over the telephone. It's "call up," "settle up," "bounce up," "count up," "hitch up," "hit up," and "burn up." In a thousand other ways the little word has to "stand up" under an unseemly amount of abuse.

One of my friends (he continues) was telling me about a neighbor who acted like he wanted to "flare up" when something went wrong. He let him "run up," then watched him "slow up" and in a few minutes, "back up." We like to "show up" the other fellow. "It's fun to foot up" a bill, but it's not so easy to "cough up." We "talk up," "chew up," "eat up" and "drink up" everything, but we are a little slow when it's time to "pay up." The boys "cut up" and the girls "make up."

On Sunday we "tune up" and "dress up." On Monday we "mark up" prices. We "sign up" on Tuesday and "blow up" on Wednesday. We're still "puffed up" on Thursday. We "cheer up" on Friday but by Saturday we're ready to "close up."

If our office is on the upper floor of the 10-story building, we tell people to "slip up" to see us, or worse, still, "drop up."

On Broadway we "bump up" with old friends or "strike up" new acquaintances. If we're for-

Baptist W.M.U. To Meet Mon. Night

Announcement is made of regular monthly general meeting of the Baptist W. M. U. which will be held Monday night, November 22, in the church basement following the usual covered-dish supper which will begin at 7:00 o'clock.

Burleson Circle will give the program, with Mrs. J. L. Woodruff as leader.

Members from both circles met at the church Monday afternoon to pack the annual box for Buckner's Orphan Home. Many useful articles were donated, and value of the contributions, including 25 dozen and 2 pounds of cookies, was placed at \$142.40.

LEAVES FOR NORFOLK

Mrs. Rowe Sams left from Childress Wednesday morning for Norfolk, Va., to be with her husband, Lieut. (jg) Sams during a leave of ten-days which he has received from duties at sea. Mrs. Sams was accompanied to Childress by her daughter, Julia Marie and sister, Mrs. G. C. Godfrey.

Mrs. J. A. Phillips of Dalhart, Texas, visited relatives here during the week-end.

tunate and the maid "pops up" we hint it would "pretty up" things if she would "wash up" the window. She "sweeps up," "fumes up" and tells us to "shut up."

We "put up" the car, "spade up" the garden, "break up" the ground "dig up" potatoes, "hold up" our heads, "pass up" our friends and "bark up" a tree.

When we traveled by motor, we used to "speed up." Yes, we liked to "kick up" the dust and sometimes we'd "pick up" trouble. The speedometer would "climb up" as we "tore up" the road. Sometimes we were "laid up" and "messed up" and even "got up" and now are "pepped up" to walk up" before giving up" to be "boxed up" and "fly up."

But of all offenders, I guess I'm the worst. (Mr. Neuman concludes) I not only "write up" and "play up" the idiosyncrasy, but "fill up" my column with it.

SPECIAL LECTURE ANNOUNCED BY MINISTER WILLIS

W. S. Willis, minister of Church of Christ Roaring Springs has announced that he will deliver a special lecture to young people, Sunday morning, November 21, at 11:00, on the subject, "A New World."

Mr. Willis states that he has delivered this lecture in many public schools and colleges. "Every father, mother, child, young man and young woman in the community is cordially invited to hear this lecture. Remember the date and time."

OPA Sets Prices On Young Turkeys

LUBBOCK—The maximum price for live young turkeys affecting consumers was listed today by J. B. Mooney, district price executive of the Office of Price Administration. Prices were listed to avoid confusion in the minds of people reading previously quoted prices which dealt with the maximum prices to be paid by wholesalers for the live young turkeys.

Producers selling to the consumer have a maximum retail price of 439¢ per pound for a live young turkey, Grade A, weighing 18 pounds or less. If sold by Group one or two stores, the maximum price for the turkey would be 446¢ per pound, and by Group three or four stores, 442¢ per pound.

Turkeys in the drawn (oven dressed) Grade A classification, drawn weight under 13 pounds have a maximum retail price to the ultimate consumer of 621¢ per pound if sold by the producer. If sold by retail stores in Groups one, two or three, the price is 627¢ per pound, and those sold by Group four stores are priced at 616¢ per pound. Prices for old turkeys and all lower grades are priced lower, Mooney said.

These prices apply to the following counties: Armstrong, Brewster, Briscoe, Carson, Childress, Collingsworth, Cottle, Crane, Crosby, Culberson, Dickens, Donley, Ector, Floyd, Garza, Glass-

Health Project Is Sponsored Here By P-T Association

A Health project has been introduced into the Matador schools under the sponsorship of the Parent-Teachers Association, and every pupil in both grade and high school was recently given an examination by local physicians. A record of each child's health condition is being kept on file for future use.

Special recognition is given for the splendid work done in this capacity by Mrs. W. M. Graham, chairman of the Health Committee, and her co-workers, Mesdames H. H. Courtney, J. S. Stanley, W. B. Swim, M. J. Reilly, David Guest and Lewis Eudy.

The association also expresses appreciation for the work done by Dr. Albert Traweek, Jr., Dr. J. S. Stanley and Dr. A. C. Traweek Sr. who gave so generously of their time in order to carry on this work.

"Without the support of these workers and physicians, our efforts would have been futile" was the unanimous opinion voiced by the association.

The association hopes further that the local school system will see fit to follow the custom of other schools, in requiring that all pupils be vaccinated for smallpox and also be given the tuberculosis test, thus insuring a healthier, safer school life for the children of the community.

A project of this nature, with the cooperation of the parents to back it, will assure a child a happier, healthier life and help to prevent epidemics in the schools.

TRIPLE-A ELECTION TODAY

Triple-A community committees for Motley county will be elected on Nov. 18, to serve from December 1, 1943 through December 1, 1944, according to F. C. Bourland, county AAA chairman.

Formerly, committees were elected in December and began serving on January 1, but since the work in connection with the 1944 food production program should begin in December, the election dates have been changed to allow the new committees to begin work a month earlier.

In addition to the community committees, delegates to a county convention will be elected. The county committee will be selected at this convention.

NO SERVICES AT BAPTIST CHURCH SUNDAY NIGHT

There will be no evening worship service at the Baptist church Sunday November 21 as the Baptist congregation visit the Methodist in a welcome service for their new pastor, Rev. Turrentine.

This is a standing custom and the opportunity that this affords for the fellowship of the churches is appreciated. Each member of the Baptist church is urged to remember this special arrangement.

Warning Of Fire Hazards Issued Business Houses

Dangers of destructive fires are brought to Matador business firms by the Lions Club directors after meeting at the Magnolia Cafe, Monday morning, November 15th. It was pointed out that a serious hazard results in the large amounts of paper, cardboard and trash allowed to collect in streets and alleys. The existing drought condition increases the hazard which could result in great fire loss and damage by a careless match or other blaze. Appeal is made to all business managers to keep papers and other trash from collecting in streets and alleys and also use extreme caution with regard to inside fire hazards.

Roaring Springs Boys Are Pledges

LUBBOCK, Nov. 16—Billy Long and Billy Cooper of Roaring Springs are among the 30 men students to pledge Social Club, men's social club at Texas Technological college. A total of 53 men students signed preference slips for the three clubs now active on the campus.

Cooper is the son of Mr. and Mrs. L. E. Cooper of Roaring Springs and Mrs. T. E. Long. Both are Freshmen in the division of agriculture.

Can Openers Still Have Plenty To Do In County Homes

Rationing has not emptied the shelves of Motley county residents of canned foods it was revealed today, a total of 33,709 cans being used monthly, according to A. H. Nugent, general sales manager of the American Can Company.

Mr. Nugent based his figures on the government's compilation of 4,994 ration book holders in the county and the statement by the U. S. Bureau of Agricultural Economics that the per capita consumption of canned goods so far this year is 225 cans a day. On the basis of the average size pre-war can, approximately 81 pounds of pure metallic tin is reclaimable for the war effort from these cans, he explained.

Men in service eat 8,000,000 cans of food a day and millions of pounds of canned items are being shipped abroad for lend lease, he said.

Many foods strange to American palates are being packed in cans for shipment overseas. One of these is "Tushonka" for Russian consumption, this product being highly seasoned pork packed in lard. Squid, a variety of octopus, is being canned for Italian consumption. Canned foods for England are usually seasoned quite differently to those intended for American use, Mr. Nugent said.

The greatest undeveloped territory lies under your hat.

For Freedom's Right!

FOURSCORE and seven years ago our fathers brought forth upon this continent a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal."

Fourscore years ago this November, Abraham Lincoln began his immortal Gettysburg Address with those words, in dedicating the National Cemetery at Gettysburg, Pa. Through the years that address has come to be known as one of the greatest documents of the ages, calling every loyal heart to "be here dedicated to the great task remaining before us... that these dead shall not have died in vain... that this Nation, under God, shall have a new birth of freedom."

FREEDOM... that little word that means so much! In this country we see its symbols everywhere. Our churches, our newspapers, our lecture halls, our assemblies, our businesses... all represent that one, all-important word. Under the influence of Freedom and what it represents, our country has grown in 150 years from a wilderness to the strongest power on earth. Today it is free people who are saving the world. People who will never allow themselves to be conquered!

FREE ENTERPRISE... Another word that creates tangible results. Free Enterprise... the force that enables private business-operating companies, like ours, to serve the public in their own zealous individual service-giving manner. From them each of us has earned personal benefits—our community has prospered and our country has become the richest in the world. When those who are fighting the battle of freedom return home to America, they'll expect this ideal to be preserved. It's up to us to do it!

Let us commemorate this, the 80th Anniversary of Lincoln's Gettysburg Address, as "dedication day," an occasion for re-dedicating ourselves "to protect the rights and liberties of American Citizenship and maintain National Honor, Union and Independence."
