Matador Tribune

Roosevelt Again Named as Leader

County Reflects Nation's Trend By Polling Total Of 934 Votes Tuesday

BREAKER OF PRECEDENTS, President Franklin D. Roosevelt has been re-elected to the nation's highest office for the fourth term. In Tuesday general election, 23,571,244 voters went to the polls and selected him to retain the helm of the country and his post as Commander-in-Chief of the armed forces for another four years. Republican candidate Tom Dewey, Governor of New York, trailed with 20,737,044 votes. At 2:15 a. m. (Matador time) Wednesday morning, Governor Dewey conceded his defeat and rejection by the people, when he spoke into a radio microphone saying:

"I am confident that all Americans will join me in the hope that divine providence will guide and protect the President of the United States."

With Mr. Roosevelt, of course, went Vice Presidential Nominee, Harry S. Truman, who ten years ago was an obscure county judge in Missouri. Senator Truman called Dewey's statement "grand", saying in Kansas City that "it is our duty now to uphold his good wishes and win the war and win the peace."

Record National Election Vote

Motley county followed the nation in registering more voters than usual to take part in a national election, and followed the state in a decidedly Democratic trend. Of the 934 votes cast in the county, 743 were "straight Democratic" for President Roosevelt. Republican candidate Dewey received only 107 votes, while the new "regulars" polled 79 votes in the nine voting boxes. Three votes (at Whiteflat) were polled for the Progressive party and two (at Fairview) were polled for the Independent party.

Voting in the county by boxes, was as follows: Whiteflat, Democrats 90; Republicans 17; Regulars 9. Folly, Democrats 21; Republicans 2; Regulars 1. City Hall, Democrats 174; Republicans 11; Regulars 18. Courthouse, Democrats 147; Republicans 21; Regulars 16. Fairview, Democrats 22; Republicans 3; Regulars 8. Roaring Springs, Democrats 147; Republicans 34; Regulars 24. Flomot, Democrats 99; Republicans 13; Regulars 1. Northfield, Democrats 35; Republicans 5; Regulars 2. Union Corner, Democrats 8; Republicans 1; Regulars 0.

Daily newspaper reports gave Democrats a big lead in Texas. At noon Wednesday 511,895 Democrat and 109,580 Republican votes had been recorded. Texas Regulars held a slow third place with only 79,131 votes.

The award came wrapped in an August issue of the Tribune.

Program Planned For Thanksgiving

At a recent meeting of the program committee, a tentative program was prepared for the union Thanksgiving service which will be held on November 30, at 10:00 a. m. in the First Baptist church. Message for the occasion will be delivered by Rev. G. E. Turrentine pastor of the local Methodist church, and an anthem will be sung by the combined church choirs.

Rehearsals are being held following regular choir practice on Wednesday evenings, and every-one is extended a cordial invitation to join the choirs in preparation for the service.

Tribune Arrives Late But Welcome On Pacific Island

Arriving three months late, the Tribune is welcomed by T/5 Woodrow "Woodie" Kincannon, according to a letter dated Angaur Island, October 20, 1944. The letter is as follows:

"Dear Ben: I received a copy of the Tribune July 20th, a little late, but they are really good when they do get here. Angaur is an island our division took. I have been lucky so far. I haven't seen much action but I've come very close to it.

"I have several souvenirs, such as a watch, flag and cards. In fact I am writing with a Jap pen. I will try to bring you some money or send it if possible. We aren't allowed to send it yet.

"I hope to receive other papers soon. They really raise the morale now days. Right now I want to take time to thank you and everyone that makes it possible for me to get the Tribune. Tell everyone 'Hello' and if they get lonesome to come over and we will find some excitement. Thanking you again, yours 'Woodie'.

The Tribune is grateful for the following unsolicited contributions in support of the servicemen's subscription fund, received since last publication: Mrs. A. C. Edwards (Floydada) \$2, J. A. Mullins (Lubbock) \$1, Alvin Stearns \$3, Mrs. Howe Hines \$2, Mrs. C. W. Smallwood \$1, Mrs. H. Piemans \$2.50, Mrs. C. D. Tanner (Flomot) \$1, Eldred Seiger \$5, T. E. Long (Roaring Springs) \$2, Mr. and Mrs. B. D. Clifton (Afton) \$2.

ERRATUM

The Tribune desires to correct an error appearing in last week's issue. Cpl. Dale Bourland was a graduate of the Flomot High School, instead of Matador, as erroneously published in the article regarding his death in service to his country.

Mr. and Mrs. Scott Bolton of Quitaque, formerly of Matador, were visitors here Wednesday.

Memorial Fund Goal Increased

HALF OF MEMORIAL IS SUBSCRIBED
FLASH—About 80 representatives from every community meeting of the Methodist Church basement last night (Thursday night), set an all-time record for public subscription in this West Texas county. Approximately \$8,500 in cash was subscribed for the servicemen's memorial fund. An enthusiastic organization will start canvassing the county today to raise the additional \$8,000. The meeting last night was planned to map the subscription program and contributions were started with those attending.

The Tribune, running more than 30 hours behind regular publication schedule, because of difficulties in the installation of a new press, received reports of the above meeting in time to include them in this issue.

Fund to erect a permanent memorial to Motley county's men and women in uniform has been increased from \$10,000 to \$18,500, following an enthusiastic meeting held at the Fleming-Post American Legion hall Thursday evening, which was attended by representatives from every county community. Funds raised in the drive will be placed in War Bonds and held until after the termination of the war, when materials and labor are again available.

Plans for the concentrated drive are expected to be completed tonight at a meeting of Legion officials, members of the Matador Lions Club and leading citizens from every county community. The banquet-meeting will be held in the basement of the Methodist church. Commander Vernon Doss said the fund goal was increased because estimates of the memorial structure probably not be sufficient for the building and equipment. Residents from this and other communities have evidenced their desire to contribute to the fund which will provide eternal tribute to those who wear the uniforms of the armed forces in the defense of the nation.

Local Talent Lends Variety To Lions Luncheon Program

Exceptional local talent lent a pleasant variety to the program of the Matador Lions Club held in the Methodist church basement, Tuesday at 12:30 p. m. Outstanding feature of the program was a reading from the works of Robert W. Service, by Chareen Ketchersid which brought enthusiastic applause from her listeners. Miss Ketchersid, Matador high school student, revealed unusual dramatic talent.

Two members of Lion J. G. Ketchersid's family were on the variety program. A second daughter, Barbara, and Frank Traweck, son of Lion A. C. Traweck Jr., were featured in piano solos.

Visitors included Cpl. Duard Knight, Sam Weatherall of Paducah, and four honor students from Matador high school: Gwen-dlyn Wilkinson, Mary Bernice Murphy, Betty Price and Harry Willet Jr., and Billy Wason who recently received the Eagle Scout award.

Unanimous opinion of members and visitors was that the Methodist ladies provided a sumptuous luncheon, featuring baked chicken and dressing, giblet gravy, cranberry sauce, buttered English peas, mashed potatoes, coffee and pumpkin pie with whipped cream. Announcements included a change in plans for the Lion zone meeting which was postponed until December 5th. Next regular meeting of the club will be held Tuesday, November 14, when District Governor Lee Johnson of Wink, will be the honored guest. The Matador Lions Club has unanimously adopted the observance of November 30 as Thanksgiving Day.

Two new members, Jack Barton and Charlie Parks were welcomed into the club.

Farmer Is Living Torch As Tractor Flames In Field

Floyd Henderson, prominent Flomot farmer, probably owes his life to quick-thinking and a convenient sand bed. Harvesting feed Tuesday afternoon on the 625-acre farm which he operates, Mr. Henderson found it necessary to adjust the carburetor of his tractor and neglected to shut off the engine. High winds sprayed him with gasoline as he worked to make the machine function properly. In some manner unknown to Mr. Henderson, the gasoline became ignited and his body instantly became a living torch. He fell quickly to a nearby sand-bed and smothered out the fire. The open gas line on his tractor was feeding fuel to the flames that leaped ten feet above the engine. Badly burned, Mr. Henderson went to his tractor and shut off the gas. The tractor sustained only slight damage. Treated here, examination revealed Mr. Henderson's arms, hands and legs badly burned but not considered critical. Bandaged securely he was able to be on the streets yesterday.

Grid Game Ends In Tie

A tie score, 7-7, ended the 60 minutes of gridiron battling between the evenly matched Paducah Dragons and Matador Matadors under the flood-lights here Friday night.

The Matadors made a quick start for victory in the unofficial game when they pushed the leather lemon on pay dirt early in the first quarter. The Dragons quickly tightened the strings and held up further scoring of their rivals for the remainder of the game. It was in the third quarter that the battling visitors plunged across the field for a touchdown but failed to add any numbers to the score after converting for the extra point. Despite threatening weather, the game was well-attended, with a large delegation of Paducah fans following their favorites here.

Mr. Hall had made his home alternately with his daughters, and had spent many years here with his daughter, the late Mrs. W. W. Carpenter. He went to Eckert about three years ago.

One other daughter, Mrs. Hattie Maxwell of Whitaker, California, survives.

Mr. Green is well known throughout the county, especially in the Roaring Springs community where he resided for a number of years.

With regard to his resignation, Mr. Berry declared that he had enjoyed his association with the organization and the many friendships resulting from his work in this community. He said he was resigning because of personal reasons, in no way connected with his work for MPCA. Mr. Berry declared he would spend some time with relatives in the vicinity of Ft. Worth, but did not disclose his future plans.

MARVIN PATTON ATTENDS 90th DIVISION REUNION

M. S. Patton, veteran of World War I, returned home Sunday night from Dallas, where he attended the twenty-sixth annual reunion of the 90th Division Association, held Friday and Saturday at Hotel Adolphus.

The association, offspring of a fighting outfit which within a generation has won victories twice on some of the same battlefields in France, paid tribute to the men of the new 90th now with General George S. Patton's Third Army in Europe. Special honor guests were wounded men of the new 90th who have returned home, for treatment at McCloskey and Ashburn General Hospitals.

LUBBOCK LIONS SPONSOR FAMOUS PASSION PLAY

World's greatest play and largest stage production, the Passion Play, portraying Josef Meier as the Nazarene, is coming to Lubbock November 18 through November 21, sponsored by the Lubbock Lions Club. Ironically the first Passion Play was presented at Luenen, Westphalia, Germany, more than 700 years ago and has been presented continuously since that date.

Josef Meier, now a United States citizen, comes originally from Luenen, Germany. His ancestors were Biblical dramatists and he has been trained since childhood to enact the leading role of the Passion Play. He has appeared before more than 5,000 audiences in Europe, United States and Canada. He bears the reputation of being one of the world's outstanding Christ portrayals. The play is being presented in the Lubbock high school auditorium. Dr. W. A. Pettey, president of the Lions Passion Play committee, has announced that proceeds from the play will be presented to the club's youth activities fund.

Located In Black Hills

The famous Passion Play was permanently transplanted at the tiny village of Spearfish, in the Black Hills of South Dakota, in 1938 where the largest Passion Play is held.

ford business; for it has been Mr. Hughes' intention to breed an outstanding herd of Herefords. But it has been and is his intention to sell these annually at prices the commercial cattlemen could afford to pay.

It has taken years of conscientious and scientific breeding to produce the low set, short bodied, strong backed, quick maturing Herefords that have maintained such uniformity and high quality.

This is the result of consistent type-breeding that has brought great credit to Mill Iron. The Colorado Type bloodlines established by Dominator, Dandy Domino 2nd, Mischief Maker 28 have been developed by their great descendants. On the Mill Iron the get of such bulls as Colorado E10 and Colorado Domino 697 have acclimated themselves and carry their blocky smooth type of cattle into their adopted country, which is evident in the calves that will be

sold at Cottonwood on November 6th.

Their get has been remarkably uniform producing a Hereford that was sturdy on the range and quick maturing in the feedlot and is one that appeals to mid-western feeders.

The sale, November 6th, will be under the direction of Mr. Hughes, Austin (Polly) O'Neil, manager of the Mill Iron Ranches, Cleo Rothwell, herd manager, Roy Thomason, assistant herd manager, and Frank Anderson, manager of the Wellington office.

Letter to the Editor

DEAR EDITOR: I cannot understand why some people can not vote for a fourth term President. We have elected county officers and judges and U. S. Senators for fourth terms and more. If we just stop and think where we were in 1932 under Hoover; we lost banks, farms, homes, and nearly every one who tried to do anything went broke. We all know the facts. There is no argument. Why do some people want to take a chance and let the Republicans in control again?

I do not want from 1¢ to 4¢ cattle, 1 1/2 to 3 cent hogs, and 23¢ wheat and 16 cent per hundred for Kaffir and maize, 4¢ to 6¢ cotton, and everything else in proportion.

And I do not want apple selling and soup lines in our Eastern Cities again. Our President was right when he said: "Who wants to go back to the muddy roads and horse and buggy days?" I have heard campaign speeches for over 60 years and have voted for 55 years, but I never before heard so many false statements about our Government and President as Dewey and Bricker have been making. And if they are elected and are as untruthful in their platform and words, what will this country do to? What does their word and platform amount to? We know our President and know what he stands for and we know what we can expect.

Tribune, Matador, Motley County, Texas, Thursday, November 2, 1944

We need an experienced man in the President's office to solve the complex international problems that we now face. Mr. Roosevelt has foresight; his administration is essential in building a lasting peace. We know he is one of the best informed leaders. He risked his own life in foreign nations to line up the big nations to end this war and send our boys back as quickly as possible. Let us not make the mistake and let the money power get in control again in a time like this.

Why take chances and vote for an inexperienced, untruthful Dewey.—A. Van Howeling (Livestock farmer).—Plainview Tribune.

Friends of the Texas Farmer
ROOSEVELT AND TRUMAN

The question of your future is squarely before you. It is up to you and all of us to decide.

The Question Is

Do you want to continue winning the war, winning the peace? If so, it is your duty, your sacred duty, to keep in office the greatest president America ever had . . .

Franklin Delano ROOSEVELT

The Farmer must have his Government working FOR him, NOT against him. So his choice is clear . . . American farmers can choose between:

A REPUBLICAN ADMINISTRATION THAT LOOKS AFTER BUSINESS INTERESTS FIRST, AND NOT THE FARMER, THAT BELIEVES DEPRESSIONS ARE AN ACT OF PROVIDENCE, AND SO DOES NOTHING ABOUT THEM!

OR THE DEMOCRATIC ADMINISTRATION THAT BELIEVES IN PROSPERITY FOR ALL, THAT BELIEVES IN THE AMERICAN FARMER —AND THAT HAS PROVED IT KNOWS HOW TO PROTECT THE FARMER'S INTEREST TODAY AND TOMORROW.

Three Republican Administrations watched the farmer sink deeper and deeper into the depression . . . and did nothing about it!

THE AMERICAN FARMER HAS MAGNIFICENTLY JUSTIFIED THE FAITH SHOWN IN HIM BY THIS ADMINISTRATION. BOTH THE LAND BANKS AND FEDERAL FARM MORTGAGE CORPORATION HAVE OPERATED AT A PROFIT. MILLIONS OF FARMERS HAVE PAID OFF LOANS, AND OTHER MILLIONS HAVE CUT DOWN THEIR INDEBTEDNESS.

BY 1939, FARM MORTGAGE DEBTS HAD SHRUNK ALMOST A FULL QUARTER (INSTEAD OF GOING UP, UP AS THEY HAD UNDER REPUBLICAN ADMINISTRATIONS). AND SINCE 1939, FARM MORTGAGE DEBTS HAVE DECREASED ANOTHER BILLION DOLLARS.

Get Behind This Campaign And Give The Democratic Ticket The Biggest Vote In The History Of Our City, County And State

Who do you want to represent you at the peace table—to meet with Stalin, Churchill and other world leaders? Do you want PRESIDENT ROOSEVELT, with his quarter century experience in handling world affairs, or THOMAS E. DEWEY, the Racket Buster . . it's up to you.

Every 17 seconds (day and night) a vitally needed car is junked

THE DANGER LEVEL in number of automobiles in use is rapidly approaching. Out of 30,000,000 cars, 1,000,000 or one in every five have already disappeared from the highways. And of those remaining, more than 5,000 every day go to the scrap heap!

Says the Office of Defense Transportation: "Private automobiles must perform three-fourths of the essential local wartime transportation service... Street cars, buses, and rapid transit lines can haul only a small share, approximately 25 per cent of the essential load."

So Care For Your Car For Your Country by enlisting the aid of your Phillips 66 Service Man. He is ready and waiting to help you.

At least once a week, give him the opportunity of checking air

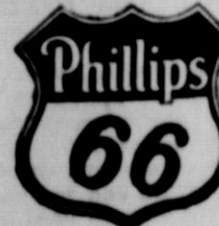

pressures... inspecting for nail holes, cuts, and bruises... examining tires so that he can warn you when re-capping is imperative.

At the same time, he will inspect the battery, air filter, and cooling system. And at regular intervals be sure to have him lubricate every friction point specified by the maker of your car... and make either the seasonal or the recommended every-sixty-day oil change.

Every Phillips 66 Service Man shares with you the responsibility of guarding that part of America's mileage which remains in your car and tires. So get Phillips Car-Saving and Tire-Saving Service at any Phillips 66 Shield... the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.
