VOL. 55, NO. 22 MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, AUGUST 18, 1949 PRICE FIVE CENTS

TRAIL DUST

By DOUGLAS MEADOR

Another day anchors its gon-
dola freighted with the ashes of
sunset, and crimson
part of sunset, and crimson
spread their nets in twilight
waters. Drivers of great
trucks touch their
switches and lights away in the
western foothills. Horns and
hoof rattle as the tires whine
through rising darkness and
modern trail herds hurry to new
pastures of destiny. Within the
passing of an hour they have
traveled twice the distance that
pioneer herds were moved
during a long and weary day.
There is no thought of watering
places or bed grounds; no cow-
boys are assigned to lonely
wards. Truck drivers have no
need to stake out their night
quarters.

Thin and grey, the bearded
man watched crowded traffic at
a busy intersection. He listened
to the screaming horns, the
clang of trolley wheels on bright
rails, police whistles and the
heartbeats of a hurrying
city. He saw the tired throngs
pouring like a wide and muddy
river into the stubborn fields of
endevour and there was pity in
his gentle eyes. He shifted the
prospector's pack on his stooped
shoulders and looked beyond
the city to the mountains. The
loneliness for solitude was with
him like memories of a tender
and affectionate mistress.

The policy of politics seems to
embrace a special code which
requires that the take far exceed
the give.

Most successful men attain a
faculty of achieving many friends
and a choice group of
enemies. Acquiring the proper
enemies may be as important as
the selection of a friend.

Thought of the times: A man
no mean he would make his own
grandmother radioactive.

Little people are those unfor-
tunate souls who struggle
through a lifetime without ever
attaining the simple goal of being
themselves.

A yawn frequently jumps the
foregird of respect that pre-
sents an exceedingly dry conver-
sation.

GARRETT RITES ARE HELD HERE

Final rites were held here
Wednesday afternoon at 2:00
o'clock for Allan Burton Gar-
rett, 23, who died in a hospital
at Fort Worth following an ill-
ness of two months.

Services were conducted at the
First Baptist Church by Rev.
Bob Jameson, assisted by Rev.
Clifford Potts, local pastor, and
Rev. J. J. Terry of Oklahoma
Lane, Texas, former Baptist pas-
tor at Whiteflat, who is holding
a revival meeting in Dickens
county at this time. Interment
was made in Matador East
Mound cemetery. Pallbearers
were Richard Turner of Matador
and Johnnie Speer, J. A.
Wills, Wallace Slayton, Wm.
Holl Morris and Wilburn Mar-
tin, all of Flomot.

He is survived by his parents,
Mr. and Mrs. A. J. Garrett, of
Fort Worth, former Whiteflat
residents; two sisters, Mrs. Max-
ine Sustaine and Barbara Ann
Garrett, and his grandparents,
Mr. and Mrs. J. R. Garrett, with
whom he made his home in the
White Star community after his
parents moved to Fort Worth.

He was born at Whiteflat, Oc-
tober 12, 1925, and died August
13, 1949. While living with his
grandparents, he attended high
school at Flomot, and pallbear-
ers were his schoolmates during
that time.

A large number of friends
from Whiteflat and Flomot at-
tended the funeral services.

College President Here
Dr. Harold Cook, President of
McMurry College, made a brief
visit here Tuesday, and was a
guest at the Lions Club lunch-
oon.

Full Week Of Cleanup Scheduled

Starting Monday morning, Au-
gust 22 and continuing through
Saturday, August 27, the entire
citizenship of Matador is re-
quested to engage in a complete
(and final for 1949) cleanup
drive.

Particular stress is placed on
the unsightly and unsanitary
conditions which exist in many
sections of town. Lush growth
of weeds resulting from the
rainy summer has added to the
hazard of disease.

Directors of the Matador Lions
club meeting in the Methodist
church basement Monday morn-
ing, considered the need for the
final drive and decided to solicit
the cooperation of the citizen-
ship in the project. The drive
was extended through the full
week in order to give everyone
an opportunity to take part at
their convenience.

Cleanup of the downtown busi-
ness section is scheduled for
Monday morning. Every busi-
nessman in town is asked to
clean up his premises and aid in
cleaning unsightly areas near
him. Particular stress is placed
on businesses along Highway 70
Matador's show room to the
traveling public. Trash and rub-
bish along the highway create
an opinion of the town to
strangers, it was pointed out,
and may frequently cause them
to keep driving, instead of
stopping and spending money.

Three police cases in the city
this season were also cited as
cause for more complete clean-
up. Danger of brush fires later
in the fall was also named as a
hazard if the present condition
is allowed to continue.

The Lions club voted to pay
for the use of a mowing machine
for one day and asked Mayor
Douglas Meador to request a city
councilmen to agree to pay for
another day, in an attempt to
reduce the vast amount of weeds
within the city limits.

Six Home Games Scheduled

Matadors Will Place 9 Lettermen on Squad

Shadow of another football
season spread over Burleson
field Monday when Coach Nabo-
rns started workouts with
20 boys coming out. In an ad-
dress before the Matador Lions
Club Tuesday, Coach Nabors de-
clared he would start the season
with nine lettermen. However,
he made no promises as to what
the outcome of the season might
be with regard to victories. "We
have a tough schedule," he de-
clared.

Six games will be played on
home soil, starting with Turkey,
September 9th and ending with
Paducah on Thanksgiving. Sec-
ond game will be with Silverton
on September 16. First confer-
ence game will be with Abern-
athy on September 21.

Coach Nabors announced several
rules he has in training. Late hours
and eating between meals are for-
bidden. "I don't care what the
boys eat," the coach declared,
"as long as they eat it at meal-
time."

He explained a number of the
new football rules which will
affect games this season.

Tribune, Miss Edwanda Martin,

addition to farming, Mr. Daffern

C. W. Giesecke Is Made Lions Deputy District Governor

County Judge C. W. Giesecke,
jr., has been named Deputy Dis-
trict Governor of Lions Interna-
tional, Dist. 27-1, it was an-
nounced Tuesday.
Former president of the Mat-
ador club and a leader in Lions
club activities is well qualified
for the important of-
fice.

His appointment came as small
surprise to friends, although some
delay resulted in his acceptance.
Duties in his county office are
so heavy that Judge Giesecke
debated his ability to find suf-
ficient time for adequate service
to the Lions office.

**FORMER RESIDENT

Mrs. C. E. Mize of Duncan,
Oklahoma, former Matador resi-
dent, visited here from Monday
until Wednesday morning, with

enroute home from Roswell, N.
M., where she has been visiting
a son and family, Mr. and Mrs.
Amos Mize and daughter, San-

of Oklahoma City, Okla., visited
here over-night Tuesday, en-
route home from a fishing trip
in Colorado. While on their trip

ter Carpenter. They left Wed-
nesday afternoon to return

Outlook Is Bright For School Year

The new Gilmer-Aken law has
improved school conditions here
according to a statement made
this week by Matador schools
superintendent Bert Ezzell. Of-
ficials believe that Matador may
have one of the best schools in
its history.

"Reason for the optimistic out-
look" Superintendent Ezzell de-
clared, "may be found in the fact
that the new law has placed
teachers on a salary schedule
more in keeping with their
training and experience. It has
enabled teachers to attend sum-
mer school and give them a
much brighter outlook with re-
gard to their profession."

The accident occurred about
5:30 p. m. according to Sheriff
John Stotts, who investigated.
Mrs. Green was brought to Ma-
tador by Milford Byrd of Afton,
first driver to reach the scene of
the accident. Mrs. Green was
treated for shock, loss of four
teeth and head lacerations. Mr.
Green was not injured.

Lions Buy Duck For Absentees

Any Matador Lions Club mem-
ber who is absent from future
meetings is going to find him-
self in the poultry business. He
will be presented with a live
duck, to feed and care for until
the next meeting.

The club's poultry venture was
approved at the directors'
breakfast Monday morning and
announced at the regular meet-
ing held in the Methodist church
basement Tuesday at 12:30 p. m.
Checking the last fiscal year's
attendance, it was discovered
that many members had been
lax in appearing at meetings
and it was decided to provide
the "duck treatment" for those
who are absent. The duck must
receive the best of treatment
and special foods during the two
weeks he is in care of the absent
Lion. A \$5 fine will be assessed
on the member who fails to pro-
duce the duck at the meeting
following his assignment of care.

It is ironic that Tail Twister
Raby Webb was absent from the
Tuesday meeting and may be
placed in charge of the water
fowl as soon as it is procured.

Lighted Field Approved
Softball fans may have a new
lighted softball field by the be-
ginning of next year's season.
The club approved a motion to
sponsor the field and a commit-
tee was appointed to determine
costs. Use of school property
directly in front of the Matador
school plant has been granted
by the school board for the
lighted softball field. It was an-
nounced by Boss Lion Bert Ez-
zell.

Program Tuesday was by
Coach Nabors who explained the
Matador Matadors' outlook
at the beginning of football
training season, as described in
detail elsewhere in this issue of
the Tribune.

ily car, a 1936 Ford, accompan-
ied by her husband and his

County "At Home" In New Courthouse

The interlude of uncertainty
is over and Motley county's of-
ficial family is now "at home"
in the modern, new courthouse
building.

Most of the moving of county
offices was negotiated Monday.
However, Sheriff John Stotts
and Deputy "Jinks" Wilson
worked Saturday afternoon and
part of Sunday in moving re-
cords to the new quarters.

Most difficult object to move
was the heavy safe in County
Judge C. W. Giesecke's office.
The Jameson Machinery com-
pany winch truck was used to
lift the heavy safe from the side-
walk and also place it in the
west entrance hallway of the
new building.

Workmen are still engaged in
completing details on all three
floors. In the meantime terrace
work on the courthouse square
is near completion. Sidewalks
to the three courthouses en-
trances are yet to be construct-
ed.

County Judge Giesecke's of-
fice is located on the immediate
left inside the main entrance.
County and district clerk Pat
Sheridan's office is located on
the right. Sheriff and Tax Col-
lector John Stotts' office is first
door left across the east-west
hallway wing, county treasurer
and county agent offices are
across the hall on right hand
wing.

Afton Boy Killed In Tractor Ride

A ride on a tractor ended in
tragedy for the Afton commu-
nity Sunday, when Willard Rob-
erts, son of Mr. and Mrs. C. B.
Roberts died after the Ford tractor
he had been driving, ran
over his head when he fell im-
mediately in the path of the
vehicle.

The youth was racing with a
friend who was driving another
tractor, when he fell from his
machine on the road near the
East Afton Gin.

Parents of the boy were im-
mediately behind him in the
family car, and were the first to
reach him. He was dead almost
by the time they reached a hos-
pital at Spur with his body.

He was born at McAdoo, Tex-
as, July 13, 1935, and was 14
years, 1 month and 1 day old
when he died. Besides his par-
ents, he is survived by one sister
Sidney Carol of Afton.

A number of friends from
Roaring Springs and adjoining
communities attended funeral
services, which were held Mon-
day afternoon at the Afton Bas-
tist Church.

Mr. and Mrs. L. J. Barkley re-
turned home Friday of last
week from Mosquero, N. M.,
where he owns and operates a
grain elevator during the sum-
mer.

as most of Motley and adjoining counties prepare for the an-
nual two-day reunion of Motley-Dickens Counties Old Set-
tlers' Association, opening in Roaring Springs Pioneer park
Thursday, August 25. The program will start with a pioneer
parade (no motor vehicles) in Roaring Springs business sec-
tion and proceed to the park grounds. Memorial services will
be held in Pioneer pavilion at the conclusion of the parade. In
tribute to the pioneers deceased during the past 12 months,
Old-time basket lunch will be spread at noon.

Lions Start Number Sale

Actual sale of numbers started
Tuesday afternoon to Matador
property owners (one set of
numbers for each business and
residence doorway address) in
the long-delayed Lions club's
project to erect metal street
markers throughout the city.

Each member of the club has
been issued five or six sets of
numbers to sell (some members
have not received their assign-
ment of numbers). After paying
the Lion representative for a set
of numbers the property owner
may take his signed receipt to
the city hall and obtain a set of
metal numbers (corresponding
with building number on re-
ceipt) without additional cost.
The only cost for each door will
be \$2.50, which is to be paid to
the Lion solicitor. The entire
project is voluntary. Cost of
numbers for rented businesses
and homes is to be paid by land-
lord.

Started in the late spring, the
project was delayed from meet-
ing to meeting, awaiting a pe-
riod in which members "would
have time to devote to selling
the numbers." At the Monday
morning meeting of directors it
was decided to assign each Lion
member a given number of
"number sets" to sell, and thus
engage the entire club in the
campaign. At the regular Tues-
day meeting members were re-
quested to receive their assign-
ments, to be sold when they find
available time.

It is hoped the sale can be
completed within the next week
and the order placed for the
cast metal street signs, which
will be erected by the city as
soon as they arrive.

The entire project is financed
through the sale of the metal
house numbers. The difference
between the cost and selling
price of \$2.50 per set will pay
for the cast metal (rustless)
street name markers and angle
iron posts on which they will be
erected.

Mrs. Clifford Webb and daugh-
ters, Judy and Patsy, left last
Wednesday to return to their
home in Los Angeles, Calif.,
after a visit here with relatives.

TURKEY 4-H BOY COMPILING GREAT FARM RECORD

MEMPHIS—Bruce Garner Gibson, 18-year-old son of Mr. and Mrs. Bruce Gibson of Turkey, is making an outstanding record in Hall county and throughout the state in 4-H Club work.

The good looking blond-haired farm boy has won more county 4-H Club contests than you can count on both hands. Even more significant, he won the state 4-H Home Beautification Contest for the past three consecutive years and was awarded a trip to Chicago for this work last year.

His latest accomplishment is a \$1,000 scholarship award to Texas A. & M. College. This award came following stiff competitive examinations that matched hundreds of the state's top boys against each other.

On May 14 examination eliminations all but 54 of these hopeful future farmers. Gibson was among this remaining group and won the scholarship by making the highest grade on the final examination which was given at College Station several weeks ago.

Only boys of exceptional ability who could not attend college without financial assistance were invited to compete for the awards. Final selection was made on the basis of scholarship, leadership, character and need for assistance.

Nor does this tall Hall county young man limit his efforts to 4-H work. He somehow finds time to achieve remarkable success in practically any field of endeavor he cares to enter.

He was, for example, valedictorian of the Turkey High school senior class in 1949—the first boy to achieve this honor in over half a century.

While he was in high school, Gibson was an outstanding class leader and was art editor and photographer for his school year book. Athletics? Yes, he was outstanding in this field, too, lettering three years in football and basketball.

But this isn't all! Gibson also won a \$200 scholarship from the Anderson Clayton Cotton Company this year for outstanding 4-H Club work and last year won an expense-paid trip through the wheat belt for his club record.

Gibson is a member of the Hall County Cotton Improvement Association. He works with his father on their 320 acre farm near Turkey.

"I'm one farm boy who likes the life," Gibson said. "I will be perfectly happy to spend my entire life on the farm and I think working the land is one of man's truly great callings." This quiet young farmer is ex-

MISS AMERICAN LEGION OF TEXAS, pretty Jerry Gibbons, uses a fan to keep cool while trying on a new coat which will be among the advance winter fashions to be shown at the American Styles meeting in Dallas, August 14-19. While most Texans will be complaining about the heat, some 4,000 buyers from all parts of the Southwest will attend the exhibit to see a forecast of what American women will be wearing next winter.

His 4-H work has been as profitable as it has outstanding. County Agent W. B. Hooser figures that Gibson has realized some \$10,300 from his 4-H demonstrations during the past seven years.

Gibson will enroll at Texas A. & M. in September and begin studying toward a degree in chemical engineering.

His outstanding work has brought him success but it has

also put him on the spot. His friends will be watching him with interest as a brilliant young man who will use his remarkable ability to further the cause of agriculture in the future.—Amarillo Times.

Of course - it's Electric!

LADIES... is your kitchen a "Turkish Bath"? The kitchen in many an otherwise modern home is often turned into a regular "steam-bath" by the use of old-fashioned cooking stoves. However, many housewives are finding these hot August days that Electric Cooking makes their kitchen work cooler, easier, faster, and cleaner.

And when it comes to that important item of economy, the cost of Electric Cooking is amazingly small, considering the marvelous conveniences and the extra leisure time it brings.

Stop in at the West Texas Utilities Company... see a demonstration of modern electric ranges. Ask questions, look them over thoroughly... then you, too, will prefer electric cooking.
