Lt. W. B. Gilbert Killed In Action

Lt. General A. A. Vandergriff Sends Message Of Young Marine's Death

MESSAGE of death came out of the gory theatre of war Saturday in a telegram to Mrs. W. B. Gilbert of Flomot from the War department, informing her that her husband, 1st Lt. W. B. Gilbert, 23, U. S. Marine pilot, had been killed in action. The tragic news spread rapidly in the community and the county where the young flyer was born and reared. The message was signed by Lt. General A. A. Vandergriff, USMC Commandant. The telegram was as follows: "Deeply regret to inform you that your husband first Lieutenant W. B. Gilbert, USMC, was killed in action in the performance of his duty and service to his country. No information available at present regarding disposition of remains. Temporary burial in locality where death occurred probable. You will be promptly furnished any additional information received. To prevent possible aid to our enemies do not divulge the name of his ship or station. Please accept my heartfelt sympathy. Letter follows."

Born And Reared In County

Lt. Gilbert was the son of Mr. and Mrs. H. S. "Put" Gilbert, Flomot gin owner. He was born three miles north of Flomot, March 28, 1921, and attended school at Flomot, graduating with the Class of 1939. He attended Texas Technological College at Lubbock four semesters and volunteered for military service in August 17, 1942. He left with the "70 Plainsmen" from Amarillo, assigned to the Naval Air Corps.

He was trained at Athens, Ga., and Dallas, later going to Pensacola, Florida where he was promoted to 2nd lieutenant. He was selected with nine other officers out of 300 trainees for the Marine Air Corps, assigned to a dive bomber and stationed at Dayton Beach, Florida.

Married Last August

After completing his training he returned home on leave and was married to Miss Lula Stapleton, daughter of Mr. and Mrs. Ralph Stapleton, on August 20, 1943. He was transferred to San Diego, California and sailed for overseas on September 20th. He was promoted to first lieutenant on December 20th, 1943.

The young Marine flyer was well known throughout the county. His death is a severe shock to his many friends who tender their most profound sympathies to the bereaved family.

NEW BEAUTY OPERATOR

Miss Annie Mae Jackson recently accepted a position as operator in the DeLuxe Beauty Shop, owned and operated by Mrs. A. E. Westmoreland.

TO SPEAK AT SPUR

Douglas Meador, publisher of the Tribune is scheduled to speak at the Spur Inn, before the Spur Rotary club at noon today, on the subject, "Country Editor."

HERE FROM AMARILLO

Edward J. Smith of Amarillo, son of Ed D. Smith visited his father, other relatives and friends here over the week-end.

Blizzard Nips Buds

Old man winter returned to the saddle early Tuesday whipping the flowerladen Panhandle with sleet, rain and snow and lowering the mercury to less than 20 degrees early yesterday morning. The blizzard followed a rain and electrical storm early Tuesday morning which amounted to a precipitation of 45 inch registered here by George Springer's rain gauge. At noon Tuesday the ground was completely covered by snow and sleet, whipped by a gale out of the north.

Many early gardens are declared a total loss and it is believed the major part of the fruit crop has been destroyed, since practically all fruit trees in the county were in full bloom. However, some residents declare that part of the fruit may escape because of the excessive moisture protection at the time of the freeze.

Tribune Declared Morale Builder

Boys in the armed service find the home paper a morale builder, according to a letter from A. C. Lawrence T. Spray, U. S. N. R., Class 2A44, U. S. Naval Flight Prep School, Murry, Kentucky.

An excerpt from his letter to the Tribune publisher, dated February 18, is as follows: "Pardon, as all the boys have said, you are doing a powerful job of morale building. No one could ask you to do more for the war effort than that."

The Tribune is grateful for the continued financial support in aiding to send every Motley county man in service a gratis subscription, as often explained previously, the Tribune has never solicited a penny contribution for this plan, nor will it ever solicit one. The Tribune will continue to go to Motley county boys in uniform who want it as long as paper and ink are procurable. All donations during the three and half years since the plan was started, have come from the desire of readers at home to have a part in providing a small service for those who are giving everything for the cause of a better world.

Appreciation is tendered for the following unsolicited contributions received since last publication: Alfred Dye (Roaring Springs) \$2, Mrs. George Ratcliff \$1, George Chaney 25¢, Will Campbell (Afton) \$1, Charlie Brooks (Roaring Springs) \$2, Edward J. Smith (Amarillo) \$1, Rosa Stafford 75¢, Mrs. John Brandon 50¢, C. W. Giesecke (Roaring Springs) \$2.

L. J. Barkley Is New OPA Chairman

L. J. Barkley has accepted the chairmanship of the Motley County War Price and Rationing board, vacant since the resignation of C. A. Pitts on March 1. While the new appointment is not official, pending qualifications for the office, Mr. Barkley said yesterday that he would accept the place if OPA officials felt that he could be of service to the wartime agency.

First announcement of the selection of Mr. Barkley for the helm of the OPA in Motley county was made at a meeting of the various panel chairmen held in the rationing office Monday evening. George Young, OPA field representative of Lubbock attended the meeting and made the group a "pep talk" on the progress problems and plans of the OPA.

Tire Future Is Black
Mr. Young declared no synthetic tires were available because of lack of facilities for fabrication out of synthetic rubber. He said there was no stock or "back-log" of truck and tractor tires. Approximately 80% of passenger car tires being made are going to essential drivers, with a 20% reserve. He said no favoritism was being shown the east with regard to gasoline rationing.

He said that altho price control is not fully effective, it has accomplished a great amount of good. He said he could not hope for more.

ON HONOR ROLL
AUSTIN—Winter semester honor roll from the School of Business Administration at the University of Texas includes the names of 50 students. Dean James Anderson Fitzgerald has announced.

Among those students who completed 12 or more semester hours of work with at least three hours of 'A' better than a 'B' average is Marjorie R. Campbell of Roaring Springs.

Late Commissioner

DEATH CLAIMS J. S. LAMBERT EARLY TUESDAY

One of the most beloved citizens of Matador, J. S. Lambert, 71, was claimed by death at 2 o'clock Tuesday morning, after an illness which had confined him to his home and bed for a month.

In failing health since last October, Mr. Lambert had continued with his duties as County Commissioner until a few weeks ago when it became necessary for him forego strenuous activities due to a throat and stomach malady aggravated by a heart ailment. About two weeks ago he was conveyed to Traweck Hospital for treatment to which his weakened body failed to respond. Death was attributed to a heart attack. His age was 71 years, 4 months and 10 days.

Final rites were conducted from the Methodist church at 4 o'clock p. m. by the pastor, Rev. Geo. E. Turrentine and the body laid to rest in East Mound Cemetery. Pallbearers were: W. N. Pipkin, R. A. Seay, Frank Hallford, A. K. Wilkinson, Clyde Gilbert and L. J. Barkley. Floral sprays were carried by Mesdames J. R. Whitworth, D. E. Pitts, Ethel Payne, Vance Gilbreath, W. N. Pipkin, W. F. Jacobs, Claude Wilson, Ben Meador and H. E. Berry.

Besides a host of sorrowing friends, he leaves to mourn his passing, his wife, two daughters, Mrs. Henry Ford, Matador and Mrs. Tex Litteral of El Paso, Texas; one granddaughter, Mrs. Dick Wright, also of El Paso; and two sisters, Mrs. Lottie Hodges, Roby, Texas and Mrs. Rachel Hodges, Sweetwater, Texas, all of whom were present.

Pioneer Of County

When they came to Motley county in 1901 to make their home Mr. and Mrs. Lambert chose a homestead in the north part of the county, about ten miles from the Northfield community, with only one other family for neighbors.

Their home, like all others of that era, was a half-dugout, until a time when lumber was hauled from Childress for a house, and with other pioneer families of this county, they suffered many times because of limited communications with the outside world. Social contact was maintained by

CANNING SUGAR NOW AVAILABLE

Homemakers who want to can early fruits now can obtain five pounds of sugar from grocers by presenting Sugar Stamp Number 40 in War Ration Book 4. This will be the only sugar stamp used for buying canning sugar during the next 13 months, but homemakers can get additional canning sugar later by applying to the ration board, according to Miss Jo Bentley, county home demonstration agent.

This sugar is to be used for canning, not preserving or the making of jellies. Ordinarily, only about 3 1/2 quarts out of every 100 quarts canned should be jellies or preserves for a balanced diet.

ARRIVAL ANNOUNCED

Mr. and Mrs. John Merwyn (Sonny) Russell are announcing the arrival of a daughter, Marilyn Gail, who was born Thursday, March 23, at Richard's Memorial Hospital, Paducah. She weighed 7 pounds, 12 ounces.

NINE KILLED IN FLOYDADA CRASH

COLORADO SPRINGS, Colo., March 27.—Nine persons were killed Sunday night when an Army Liberator bomber from Peterson field here crashed and burned about three miles south of Floydada, Texas, Col. William Lewis, Jr., station commandant, announced tonight.

The plane was on a routine navigation training flight.

The dead: Second Lt. Leslie A. Porter, Jr., Oakland, N. J.; Second Lt. Donald Novak, Throop, Pa.; Second Lt. James A. Garvey, New York; Second Lt. Frank P. Szighuth Allertown, Pa.; Sgt. Pedro S. Messa, Houston, Texas; Sgt. Harvie S. Vance, Kernersville, N. C.; Sgt. Joseph M. Miller, Chicago; Sgt. George L. Thomas, Cochranville, Pa. and Sgt. James L. Driver Memphis, Tenn.—Lubbock Avalanche.

OPA Puts Lock On Station

C. L. Kifer, veteran of World War I, owner of the Kifer service station here, was charged with having an overage in his gasoline inventory of 2314 gallons and with having falsely or incorrectly registered his station with the Motley County War Price and Rationing board, before the chief hearing commissioner of the 5th region at Lubbock, March 15, 1944. Beginning Saturday, Mr. Kifer's station has been ordered closed for a period of 30 days. No charge of illegal sales was made against him.

Mr. Kifer declared he did not know it was unlawful to possess the extra coupons. He said that more than 1,000 gallons of the coupons resulted from his failure to understand the original gas rationing order to declare fuel in storage. He said the gasoline was in transit on his transport truck.

At his hearing in Lubbock, Mr. Kifer testified to his lack of understanding of the regulations, and also that he had not made any illegal sales of motor fuel. Further evidence of his attitude was the fact that he made no attempt to conceal the coupons at any time. OPA inspectors who found the alleged discrepancy were tendered the coupons upon their request for checking. Mr. Kifer's station is known as an "Independent" station. It is located on Highway 70 east of the Matador business section.

Mr. and Mrs. Kifer have lived in Matador for a number of years. They are highly respected by their friends and neighbors as industrious, conscientious and entirely above reproach in all transactions, representative of the highest type of citizenship.

City's Potential Vote Totals 325

City of Matador's potential qualified voters total 325 according to a survey made by city secretary Lucius Lancaster. While interest in the city election scheduled for Tuesday, April 4th, is mild, it is believed that a representative portion of the population will visit the polls.

Candidates will include mayor, two city alderman, city secretary and city marshal. Only opposition of declared candidates is in the race for city secretary. Three candidates for this office are Earl McBride, Frank Hallford and Mrs. Lucius Lancaster.

MRS. W. F. JACOBS GIVES BLOOD TO RED CROSS

Mrs. W. F. Jacobs while accompanying her husband to Dallas last week, received the American Red Cross bronze pin token after contributing a pint of blood to the blood center there. The small, attractive pin bears the following wording: "American Red Cross Propatria Blood Donor." Mrs. Jacobs is believed to be the first donor from this area. Donors must be 18 years of age or over and weigh as much as 110 pounds.

ARRIVAL ANNOUNCED

Mr. and Mrs. John Merwyn (Sonny) Russell are announcing the arrival of a daughter, Marilyn Gail, who was born Thursday, March 23, at Richard's Memorial Hospital, Paducah. She weighed 7 pounds, 12 ounces.

Selectees To Leave Tuesday

The following selectees who have received preinduction physical examinations, will leave Tuesday, April 4, to begin army training: Leonard Jackson Marshall, Willard Lewis Whitefield, Morris Lee Britton (already in service at request for immediate induction) and Marshall Lee Vinson (volunteer).

Volunteers A. B. Stephens and Frank J. Pohl have been called April 5th to fill the Navy quota on that date, however, draft board clerk Frank Pohl's departure has been postponed until the following call, pending the appointment of a new clerk to fill his place. The county draft board has requested his remaining in the office until the new clerk becomes acquainted with the duties. Volunteers waive all rights of personal appearance and appeal if classified as available for service and agree to immediate induction anytime convenient to the government.

REGISTRATIONS ABOUT AVERAGE

Car, truck and other motor vehicle owners have until Saturday night to secure 1944 license tags. Yesterday a total of 450 automobiles had been registered as compared with 469 on the same date in 1943. According to last year's registration, approximately 200 more cars will be registered by the week-end.

SCHOOL DISTRICT TO HOLD ELECTION

Election will be held Saturday, April 1, at the Masonic building, Roaring Springs to vote a \$1 per \$100 valuation maintenance tax on the newly created Roaring Springs rural high school district. Residents of the newly-created district are reminded that in the formation of the new plan, all past arrangements had to be discarded.

A new board of trustees was appointed to serve until April 1, including J. O. Meason, C. R. Brandon, Sr., O. C. Campbell, W. L. Marshall, M. D. Carter, M. S. Thacker and W. E. Bowen. These names will appear on the ballot with the additional names of E. E. Moss, Alvin Stearns and Alfred Dye. Seven trustees will be elected and it is hoped each community will be represented on the new board.

No Advance In Taxes

The election is not an advance in tax rates, but merely the establishment of a tax rate. Legally qualified property tax paying voters are reminded that the newly created district is now without any tax rate. The county tax assessor-collector will serve the new district under the new arrangement.

P. L. Marshall Is Candidate For Commissioner

The Tribune is authorized to announce the name of P. L. Marshall as candidate for county commissioner, Precinct Number one, subject to the action of the Democratic primary, July 22, 1944.

Mr. Marshall was born and reared in Dickens county and moved to Motley county in 1924, making his home here continuously since that time. He has been engaged as a farmer during the period.

Regarding the announcement, Mr. Marshall, declared, "I feel that I am qualified for the office of commissioner and take this means of soliciting the vote and support of everyone in the precinct. In event I am elected as your commissioner, I promise to devote my very best ability to the duties the office demands. I shall attempt to warrant in every respect the confidence of those who find it possible to support me."

War-time drivers find Studebaker the ideal economy car

DEPENDABLE transportation means more than ever these days to busy war-time drivers.

Here's what a big-city physician, name on request, recently said: "In my general practice, I can always count on my Studebaker these war days for reliable, low-cost performance."

That doctor is one of many hard-working civilians who are getting exceptional tire, gas and maintenance economy from their Studebaker Champions, Commanders and Presidents.

In fact, today, after well over two years of war, hundreds of thousands of essential motorists from coast to coast are still enjoying dependable transportation at low cost, thanks to the quality of Studebaker craftsmanship and the advanced principles of Studebaker engineering.

Somehow in England as a chief of radio and visual communications.

"Sgt. Rattan was found in a tent shop and communications supply room. He sleeps in the shop to guard the equipment and to go to work at a moment's notice. Although he is now living and working in one of the finest camps in New Guinea, the sergeant said he'd rather be in action than just waiting. 'I'm for anything that will help get the war over faster,' he said.

"His camp is in a jungle clearing and the jungle has been pushed so far back that there are few snakes, spiders, insects and lizards to crawl into your shoes and trousers at night. Mosquitoes are controlled by spraying oil on mud puddles.

"There are several ball diamonds and movie screens nearby and there's swimming in the warm Pacific every once in awhile. Although the chow consists of canned and dehydrated food in the main, there's plenty of it and some fresh meat, fruits and potatoes."

Mister: Could you use TWINS?

Every car owner, these days, has a double reason for protecting and preserving his automobile: His own interest, and the nation's interest in keeping every possible car running as a vital link in our country's transportation system.

That is why we remind loyal users of famous Phillips 66 Gasoline that the twin product which really goes with it is Phillips 66 Motor Oil.

Here is a lubricant, 100% paraffin base, which answers the question every motorist wants to know: How can I quickly and confidently select a high quality oil?

To help you choose, Phillips makes this frank statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Good oil has always been a good investment. Today, good oil is the only kind any thinking car owner will use. Play safe and save by asking for Phillips 66 Motor Oil, when draining winter-worn lubricant or making the recommended every-two-months oil change.

Program for general meeting of the Baptist W. M. S. Monday evening, March 27, carried out a missionary theme, with Mrs. J. L. Woodruff, Mission Chairman, as leader.

Variations of two favorite hymns were played by Miss Dorothy Woodruff, and a vocal duet was sung by Mrs. H. E. Berry and Mrs. Earl Laughlin, preceding which, Mrs. Elbert Reeves gave the devotional. Mrs. Woodruff outlined the duties of various officers of the organization, giving special emphasis to the study of missions.

In business session, Mrs. R. E. Campbell, newly elected chairman, outlined the work for the year, and announcements were read and discussed concerning annual spring offering of cookies, eggs and clothing for Buckner Orphans Home. Date for packing the box was set for the third Mon-

day in April.

Ladies present were: Mesdames R. E. Campbell, J. L. Woodruff, H. E. Berry, Earl Laughlin, H. O. Stanfield, C. Warren, Cecil Shelton, L. Rattan, A. A. Tipton, Elbert Reeves, Roy Reeves, Ed Cammack, Vernon Doss, Ben Mendor, V. J. Skaggs, Lewis McDonough, Clarence Kifer and Edith Sanders.

Girls To Organize
Organization of a Y. W. A. and G. A. was begun at the meeting with the young women and girls as guests of the ladies at the covered-dish supper which preceded the program.

Leaders of the two groups will be Mrs. Edith Sanders and Mrs. Clarence Kifer. Girls present were: Misses Joyce Berry, Ruth Simpson, Dorothy Woodruff, Billy Frank Skaggs, Dorothy Stanfield, Earline Laughlin, Margaret Sanders and Evelyn Shelton.

Plans were made for a meeting to be held the second Tuesday night in April at 7 o'clock for the purpose of completing the organization of the two new auxiliaries.

El Progreso Club Has Bible Program

Featuring an Easter theme, a Bible program was given before El Progreso study club at regular meeting March 23, in the home of Mrs. J. L. Woodruff, program leader.

Quotation heading the impressive program was: "O Risen Christ! O Easter Flower! How dear thy grace has grown From east to west, with loving power Make all the world Thine own."

A verse from the Bible was quoted in answer to roll call. The program opened with special violin music by Miss Joyce Norrid, with Mrs. C. E. Norrid at the piano. They played "He Lives on High" and "Low in the Grave He Lay." This was followed by a very interesting and inspiring talk given by Rev. S. W. Badgett, pastor of the Baptist church at Roaring Springs, on the subject, "What Easter means to us." Other special musical numbers included violin solo, "Eternal King" by Miss Norrid, accompanied by Mrs. G. E. Hamilton, and a duet, "He Did Not Die in Vain" by Mrs. Hamilton and Mrs. H. E. Berry, with Mrs. Frank Pohl accompanying at the piano.

In business session, El Progreso Club donated \$10 to the Red Cross. Members present were: Miss Thessia Godfrey and Mesdames Mae McKenzie, H. M. Solomon, G. C. Springer, J. R. Whitworth, U. L. Willie and J. L. Moore in addition to those appearing on the program. Guests were Miss Norrid and Rev. Badgett.

Mrs. James Neblett of Denton, is visiting her parents, Mr. and Mrs. J. E. Russell. She accompanied her son and wife. Pfc. and Mrs. James Russell Neblett of Laredo here.

Hubert West returned home Sunday from Amarillo, where he visited relatives.

Mrs. E. D. Lawrence and son Ronny and Mrs. Marjorie Sheats spent the week-end visiting in Wichita Falls.

Mr. and Mrs. T. B. Alsop left Monday for Clovis, N. M., where they are visiting a son.

O. E. S. Officers Are Entertained

Officers of Matador Chapter, O. E. S. were entertained on March 17, with a birthday party given by Worthy Matron, Mrs. G. E. Hamilton.

After practicing the work, the guests were invited to the dining table where they were served a plate of sandwiches, congealed salad, home-made cup cake, coffee and cocoa. The table was attractive with decorations of evergreen and peach blossoms.

After an hour of entertainment, the hostess presented each one present with a horoscopa of their birth month with a bottle of individual perfume.

Present were: Mesdames Allie Cox, Thelma Love, Ollie Pitts, Margaret Springer, Opal Pipkin, Lola Pohl, Vivian Jacobs, Vinie Keltz, Maud Dean, Bess McWilliams, Margaret Whitworth, Minnie Martin; Messrs Geo. Springer, J. R. Whitworth and G. E. Hamilton.

Prior to the meeting a committee delivered an appropriate birthday card to Mother A. D. Burleson, March 17 being her birthday and she being one of the charter members of the Matador Eastern Star.

preaching twice a month, with an evening of singing after the departure of the preacher. It was during this time and under the ministry of the late Rev. C. D. Pipkin, Methodist circuit preacher that Mr. Lambert joined the Methodist church, although he had been converted earlier in life. In 1909 Mr. and Mrs. Lambert moved to Matador in order to send

their children to school here. They built the home in north Matador, where they had since resided. Their oldest daughter, Ollie, died in 1914 while attending Clarendon College at Clarendon. Mr. Lambert was a native Texan, having been born at Granbury in Hood county, November 18, 1872. He was married to Miss Virginia Thetford, on December 7, 1893, at Scranton, Texas.

Joe S. Lambert, or "Uncle Joe" as he was affectionately called by many, had no need for fame or fortune. He had his friends, and they are numbered by his acquaintances. He loved life and living, and his steadfast christian nature was the background for an ever charitable attitude towards his fellowman. He was possessed of a keen sense of humor, directed more often at himself, and was never known to express unkind opinions about anyone.

Evidence of the high esteem in which he was held and the confidence his friends had in him, is

borne out in the re-election over a period of twelve years, to the office of County Commissioner, which he filled efficiently and conscientiously.

Lint Farmers Are Urged To Purchase Calcium Arsenate

There's plenty of calcium arsenate this year, but it will not help the farmers as long as it is in a warehouse hundred of miles away. With transportation tight and labor short, the cotton crop may be gone before a supply of dust can be moved into an infested area from a distance, according to Elbert Reeves of the county AAA office. In precaution to farmers he said.

"All over the cotton country, distributors and dealers are filling up their warehouses with calcium arsenate. But these warehouses cannot begin to hold enough to quell a serious infestation in any given area. In peacetime, the supplies held by dealers and distributors will usually hold the line against weevil and worm attack until more ammunition can be moved in, but in wartime it is different.

"No cotton grower can be certain of getting the calcium arsenate he needs when he needs it, unless he lays in a supply on his own place now. Cotton growers can buy enough of the poison now without fear of depriving their neighbors. In fact, they will help their neighbors by preventing a last minute rush."

Land Office Will Sell School Lands In 75 Counties

Sale of 225,000 acres of school land located in more than 75 Texas counties is announced by Bascom Giles, Commissioner of the General Land Office. The sale is announced for May 2, 1944. Mr. Giles points out that the diversified soil and locations of the land sold, in a large measure, meet the present unusual interest in and heavy demand for land purchases.

One of the purposes of the sale is to convert property, now in the hands of the state, which, in some instances, produces small revenue, into private ownership for development so that it will be beneficial to the schools and the counties as well as the state.

The terms for sale of public free school lands are attractive. An initial payment of one-fifth is required, and the remainder may be carried over a period of 40 years in an on-or-before note. The state retains a free royalty of one-eighth of the gross production of sulphur, and one-sixteenth of oil, gas and other minerals.

"Interest in the purchase of land is exceedingly high at this time due to the security of land investments which are comparable to the purchase of War Bonds, and in addition thereto have the element of speculation which makes the purchase of land even more intriguing," Mr. Giles declares.

Anyone interested may receive a list of the lands offered, together with instructions for bidding, by writing Bascom Giles, Commissioner of the General Land Office, Austin, Texas.

Miss Edna Ruth Bourland, a teacher in the school here, had the misfortune of sustaining a sprained ankle and a broken wrist when she fell while skating, Thursday, March 16. She received medical treatment at Traveek Hospital, Matador. Mrs. P. A. Simpson is teaching in her absence.

Mrs. A. J. Matlock has returned home from a six month's stay in California. She has been employed at McClellan Field near Sacramento.

A house belonging to Mrs. Mollie Brown, and occupied by Mr. and Mrs. Ralph Collins, burned late Friday evening, March 17, destroying all their household goods and some feed that was stored in a room. Members of the family were working in their garden when the fire occurred.

Social Security Seeks To Include Self-Employed

LUBBOCK—If a man who has been making \$150 a month at work covered by the insurance provisions of the social security law dies, leaving a widow and two small children, his widow will receive about \$56 a month until the children are 18. Then when she is 65 she will start receiving about \$24 a month survivor's insurance, which will continue all her life. On the other hand, if a farmer or self-employed man, having the same income and the same family died, his family would receive nothing. The reason for this is because his work is excluded under the law. This explanation is made in view of many inquiries pertaining to agricultural worker, received by the Lubbock office.

Ertion F. Tate, manager of the Social Security Board office in Lubbock, stated, however, that the Board has recognized the limitations of the present program and had recommended in its Eighth Annual Report, recently submitted to Congress, extension of coverage to farmers, owners of businesses, self-employed professional men and other groups excluded at present. It is the opinion of the Board that both families mentioned should be furnished the same security under a contributory insurance system.

Other changes recommended by the Social Security Board in its report include protection under the law for men and women in the armed forces and part compensation for loss of wages due to sickness and disability.

Mrs. W. M. Hodges and Mrs. Palmer Hodges, accompanied by the latter's daughter, Mrs. Bob Baugh of Sweetwater, visited here last week with their brother, J. S. Lambert.

Miss Ruth Evelyn Keith, Texas Tech, Lubbock, student spent the week-end here visiting her parents, Mr. and Mrs. D. P. Keith.
