

Crop Insurance Low For County

Much Interest Being Shown At Community Meets

One of the lowest cotton crop insurance rates in Texas will be made available to Motley county farmers who apply for the protection, according to AAA administrative officer Elbert Reeves. The low rate, Mr. Reeves declared, is based on hail and rainfall records over a period of years.

Mr. Reeves said that applications will be required from at least 50 farmers before the insurance will be available to any in the county. Over 40 farmers attended the meeting held at Flomot Tuesday night.

Judged by the response at the meeting held here Monday, and the Flomot meeting, the majority of farmers will take out insurance policies on their crops. The insurance, as described as an operating expense which provides a money-back guarantee on the investment in a crop.

April 25 Is Deadline

Under the crop insurance program, growers may insure their cotton crops and cottonseed, if desired, up to 75% of their average yields, or up to 50% if less protection is desired. Applications may be made at the AAA office or filed with any authorized agent April 25th has been set as the final date to take out insurance.

Payment of indemnities on crop losses will vary with the stage of growth under the new set-up. Example: If loss occurs after it is too late to reseed to cotton, but prior to first cultivation, the indemnity will be 40% of the maximum coverage. The land can then be released from the policy and put to another use by the farmer. If loss occurs after the first cultivation but prior to harvest the indemnity will be 75% of the maximum coverage. Mr. Reeves declared at the Flomot

All cotton producers, whether sharecroppers, tenants or landowners may apply for the crop insurance on the interest in the crop.

The insurance program is so designed that producers may spread the cost of crop failures or low yields over a period of years. Without insurance the producer pays and all in one year. Benefits of crop insurance are provided the farmer without administrative costs, which are paid by the government.

'44 Cotton Crop Out Ahead Of '43

Motley county's 1944 cotton crop went ahead of the 1943 total number of bales in the official report of special agent Maudie L. Marler of Flomot, for the Department of Commerce Bureau of the Census, released this week. The report shows last season's crop to be 725 bales above that of 1943.

Despite the excessive dry weather during the 1944 growing season, the crop exceeded most of the estimates made by experienced ginners and cotton-growers. While most of the crop is harvested, several growers are still pulling remnants and in some instances plowing them under to prepare soil for another crop. The report which was made as of March 1, shows 10,435 bales from the crop of 1944 as compared with 9,710 bales from the crop of 1943 and does not include ginning since the first of March, this year. Some gins have closed their season while others are expecting to gin only one more day.

UNDERGOES SURGERY

Condition of Arvil Kingery was reported grave late Wednesday, following an operation earlier in the day in the Plainview Sanitarium for a stomach ailment. The operation was necessitated by recurrence of the ailment for which he had undergone surgery several years ago. At that time he was a resident of the Darden Canyon community near Roaring Springs.

Mrs. Claude Wilson went to Plainview to be with Mrs. Kingery, who is her sister, during the operation.

Charles Ray Cox spent the week-end visiting at Littlefield as guest of Charles Bird.

DISTRICT P-T. A. CONGRESS TO MEET HERE TUESDAY

The War Emergency District Conference of the Texas Congress of Parents and Teachers, for this section of the 14th district, will be held at Matador, Tuesday, April 5, from 10 a. m. until 4 p. m. according to an announcement made this week by Mrs. Tom Tilson district vice-president.

Each unit will be allowed one full car of persons to attend as number must be confined to 50, Mrs. Tilson said.

Mrs. J. L. Adams of Crosbyton, president of the 14th District P-T. A. will be present at the meeting. Mrs. Adams will also be banquet speaker here on April 13, at the annual Mother-Daughter banquet.

An interesting program has been prepared for the day's session, with many out-of-town speakers scheduled to appear. Music will be furnished by the local school pupils.

Cotton Harvesters Will Be Shown At Directors Meeting

Motion pictures of mechanical cotton harvesters in operation will be a special feature of the annual meeting of Farmers Cooperative Association gin stockholders, Saturday, April 7, according to manager H. C. Duncan.

The meeting is scheduled to be held in the District Court room at the courthouse here. The pictures of the machines and operator will be furnished by the Plains Cooperative Gins of Lubbock, Mr. Duncan declared.

Normandy Invader

Pfc. E. A. Day, son of Mr. and Mrs. R. A. Day of Matador, member of a transportation unit carrying supplies and ammunition, was in the "D-Day" push into Normandy, France last June 6, and has participated in subsequent campaigns since that time. A unit citation issued to each soldier of his Command from Headquarters of the 48th Post Battalion, by Lieut. Col. Montgomery G. Jackson, entitles Pfc. Day to wear two bronze campaign stars on his ETO overseas service, as of January 5, this year. The first star is for the battle of Normandy from June 6 to 24 July, 1944, and the second star is for participation in the battle of Northern France from 25 July to 14 September, 1944. He was also recently awarded the Good Conduct medal.

Pfc. Day entered the armed forces March 6, 1943 and received training at the Indian town, Ga., Penn., before going overseas in August the same year.

Used Clothing Drive Grows In Magnitude

CITIZENSHIP of Motley county is taking the need for used clothing by war-ravaged nations to heart, and interest in the drive is growing in magnitude according to W. F. Jacobs, county chairman for the United National Clothing Collection. Mr. Jacobs declared that it is his belief that the response will greatly exceed earlier estimates and those set for the county as a whole. "Over 30,000,000 children in Europe are ragged and cold," Mr. Jacobs said, "and we in the bountiful United States are not going to let them continue to suffer

Roaring Springs Resident Succumbs

Funeral services were held Friday afternoon at Roaring Springs for T. B. Peck, 85, who passed away Thursday, March 22, in his home, after a long illness.

Rev. J. R. Gambrell, pastor of the Baptist church at Roaring Springs was assisted by Rev. Walter Brain of Silverton in conducting the service.

Mr. Peck was born in Missouri, and had lived in Motley County for about twenty years. He was known by all his friends as an upright christian and had served as a deacon in the Baptist Church more than fifty years.

He is survived by his wife, three sons and ten daughters. They are: Mrs. Julia Claterbaugh, Miss Ethel Peck and W. A. Peck all of Decatur, Texas; Mrs. Maud Ferguson and Mrs. Myrtle Doyle of Honey Grove, Texas; Mrs. Minnie Winton, Bowie, Texas; Miss Esther Peck, teacher in the school at Ballenger; Mrs. Ruby Griffith, Winters, Texas; Mrs. Edith Phay Griffith, Abilene; Mrs. Edith Badgett, Lawton, Okla. Gladys Peck, Roaring Springs; Joe Peck, Levelland, Texas, and Pvt. Carroll Peck of Camp Roberts, California.

The Tribune desires to express gratitude for the following unsolicited contributions to the support of defraying expenses in sending gratis subscriptions to men in the armed services, received since last publication: W. R. Smelser (East Port Orcha 1 Washington) \$2.50, A. D. Beauchamp \$2, Lt. and Mrs. W. E. Green (Liberal Kansas) \$3, John Bourland (Adrain, Texas) \$2.50 Mrs. G. S. Craven \$1, Pvt. Ollie J. Lawrence \$2, Miss Frankie Hawkins (Flomot) \$1.

Mr. and Mrs. Arvel Muse of Amarillo, visited here Monday and Tuesday with his parents, Mr. and Mrs. V. Muse. Accompanying them on their return trip to Amarillo, were Mrs. Von Muse and Mrs. Marion Norris, enroute to the bedside of their sister.

Paul Hickman Dies Of Combat Wounds

Word was received last week by Mrs. Beatrice Hickman, from the War Department, advising that her husband, Pvt. Paul Hickman had died March 9, of wounds received three days earlier in Belgium.

Mrs. Hickman received a telegram first advising that her husband had been seriously wounded in Germany March 6, and giving instructions for addressing mail to him. The message advising of his death was sent from J. A. Ulio, Adjutant General, and stated that a confirming letter would follow.

Pvt. Hickman was born at Vaughn, New Mexico, March 6, 1923. He had made his home in Matador for several years, during which he was employed by the Matador Land & Cattle Company and later by C. Warren in tank construction work. He was married here on April 8, 1944, to Miss Beatrice Smallwood. Besides his wife, he is survived by his father, J. T. Hickman of Ft. Sumner, N. M., 7 brothers and 3 sisters.

James L. Turner Is Wounded At Luzon

James L. Turner, M.M. 3/c received wounds during the naval engagement at Luzon in the Philippines on January 6, it was learned recently.

In writing of the incident, Turner relates, "... as you know, the U. S. S. West Virginia (my ship) led the forces on Leyte and Luzon when we hit there on January 6. My ship opened up with her main batteries (16" guns). We fired a 4-gun salvo from the after turrets and that was how I got hurt. You see, my battle station is just under No. 4 turret and the ammo hoist that I was in charge of broke loose and fell, pulling me in after it. It wasn't much, but it sure did smash my right hand and head in.

"I am sending you a Jap bill that we got at Luzon. If I had more, I would send it, but it's hard to get."

Turner, who was reared here, is the son of former residents, Mr. and Mrs. J. H. Turner who are now making their home in California.

Federal Trapper Is Locating Here

Government trapper Paul Ivey has been employed by Motley county and is attempting to locate a house in which to move his family, that he may begin his duties on April 1st, according to County Agent J. R. Emmons.

Mr. Ivey has been employed in Cottle county where his work in destroying coyotes has been highly satisfactory.

Mr. Emmons said that more than 200 coyotes were poisoned during January and February; with the possibility of as many more being destroyed which were not found. Ten coyotes were poisoned one night on the A. B. Simpson farm at Northfield.

Ben Edwards of Whitefield said he had found many dead hawks and skunks on his farm since the poison had been distributed.

Coyotes are becoming brazen according to W. B. Barton of Flomot, who declared that one caught a chicken in his horse lot recently.

RITES HELD THURSDAY FOR LEONARD INFANT

Grave-side rites were held Thursday morning in East Mound Cemetery for the infant son of Mr. and Mrs. J. E. Leonard, who was still-born at Traweek hospital, Wednesday, March 28. The baby weighed 7 pounds, and was named Joe John. Attending the funeral from out-of-town, were Mrs. Leonard's sister and husband, Mr. and Mrs. C. E. Woolery of Lubbock.

SINGERS TO MEET

Announcement is made that the Dickens County Singing association will meet at Dickens, Sunday afternoon, April 1, at 2 o'clock. "All singers are invited to come. We meet in the school auditorium", B. D. Clifton of Afton, president of the organization declared.

HARRY CARTER IMPROVED

Harry Carter is reported to be improving satisfactorily at his home west of town, following a recent heart attack which confined him to bed at Traweek Hospital for ten days.

Easter Cantata To Be Sunday Evening

Combined choirs of the Baptist and Methodist Churches will be featured in a cantata arrangement of "The Story of Easter according to St. Matthew", by Ellen Jane Lorenz, Sunday evening, April 1, at 8:30 o'clock at the Methodist Church.

BAPTIST REVIVAL DECLARED SUCCESS

With the baptism of twenty candidates for membership, revival services came to a successful close at the Baptist Church, Sunday night.

The 10-day meeting was declared by many as being the most outstanding held by the church in recent years.

Extending across the width of the auditorium and down the outer aisles, the line of new members receiving the hand of fellowship included, in addition to the new converts, 5 who were admitted by letter, and 2 by statement, while many others came re-dedicating their lives.

Large part of the success of the meeting was attributed to extensive visitation on the part of the evangelist, Rev. A. C. Hardin of Tahoka, and choral director, Bee Nichols of Stephenville, with the assistance of Rev. H. G. Verner, pastor.

A change in the meeting hour for the Baptist Church services has been announced by Rev. H. G. Verner, pastor. Effective this Sunday, Sunday School will begin at 10 o'clock instead of 10:30, with the morning worship hour to follow at 11 o'clock.

Training Union will begin at 7:30 with church services at 8:30 in the evening, Rev. Verner stated. However, there will be no regular church service this Sunday at the evening hour due to the special Easter cantata which will be presented at the Methodist church.

Junior Play Is Box Office Success

That the junior class play was an outstanding success, was in evidence Tuesday night, when S.R.O. (Standing Room Only) prevailed. The delighted and enthusiastic audience was declared to exceed 300 in attendance. Total receipts were in excess of \$90.00.

Hilarity reigned throughout the 3-act farce that was well directed and rehearsed as well as portrayed. Convincing in the role of a miserly old gent, John Ketchersid delighted the attendants in his courtship with Dorothy Woodruff, who gave a satisfying portrayal of a middle-aged widow. Looking especially pretty as brides, were Francis Schweitzer and Mary Jaunice Wilkinson. Black boy and girl, to add a touch of color, were Gid Simpson and Lou Marshall.

Miss Jo McDuff was the class sponsor and play director. Mrs. J. R. Whitworth gave the cast the benefit of her talents in make-up.

WORKER'S MEETING TUESDAY

The Floyd Association Worker's Meeting will be held on Wednesday, April 4, with the Baptist Church at Cone, Texas, it has been announced. Change in the day of meeting from the first Tuesday in the month, to Wednesday, was made in order to give the churches an opportunity to prepare reports on enlargement campaigns which are being held over the association this week.

SOLDIERS TO GET FREE LICENSES

AUSTIN Returned servicemen will be entitled to a free drivers license until they have been out of a uniform a year under a bill sent Thursday to Gov. Coke R. Stevenson's desk by the legislature.

Sen. George Moffett of Chillicothe called it the first direct practical benefit extended by the legislature to servicemen.

The bill permits also licenses for physically handicapped persons to drive in light traffic areas, and lets school students who take a specified high school course apply for driver license examination. Now children under 16 must get authority from the county judge.

Wm. R. Cammack, County judge Motley County, Texas.

Clothing Drive . . .

(CONTINUED FROM PAGE ONE)

and it is declared almost as many die from exposure because of insufficient clothing as die from starvation. On Leyte the Japs took everything. The people look like walking skeletons and are almost naked.

In Belgium only one usable shirt is owned by a family of seven, to be shared in turns by both sexes. Only one is able to leave the hotel at a time, the one in possession of the shirt.

In France a child must stay away from school while the mother washes the only shirt possessed, or wear it when wet and thus inviting sickness.

People of Holland are becoming permanently deformed because they are forced to wear crude shoes. Few have clothes sufficient to withstand the rigors of the northern climates.

In Greece, Poland, Yugoslavia and Czechoslovakia the lack of clothing is appalling. Neither ration cards or money can correct it. In Greece one is forced to pay approximately \$220 for a pair of shoes made of synthetic substance which falls to pieces or wears through after five miles of walking. Conditions are not dissimilar in Italy, Bulgaria, Hungary and Russia. The very lives of these multitudes depend on the prompt filling of clothing needs.

Williams, SM 1/c, who

has been stationed at Norfolk, Va. now has an overseas address in care of the fleet postoffice, New York.

A V-mail letter from Lawrence T. Spray, AMM 2/c, who receives his mail in care of the fleet post-office, San Francisco, advises a recent change in address. He writes, "I just transferred again so figured maybe my papers would get here faster with my new address. I've received several the last month or so and believe me they're just like a letter from home. Let me thank you again for sending them. They are really appreciated."

N. O. "George" Washington, stationed at Jacksonville, Florida, was recently advanced in rating to Sp. A. 2/c, and writes to say, "Just a short letter to let you know that I am still receiving and appreciating the Tribune. I received one yesterday and surely enjoyed the letter from 'Hook' Craven, telling of his excursions and experiences while he was over in France and Germany." A clipping from the station paper published at his base, makes note of the fact that Washington has been named on the all-opponents basketball team of the Welch Hospital Phys-Eds.

Pvt. Buford Posey, who is in training in Florida, is visiting Mr. and Mrs. M. A. Posey of Childress.

Sgt. Tom Newman of Ontario, California, arrived at Amarillo Saturday, by plane and continued here for week-end visit with his mother, Mrs. Tom Newman and other relatives. He left Tuesday to return to the west coast.

WITH THE FIFTH ARMY, Italy-- Four soldiers from the South Plains area of Texas. Sgt. Joe B. Meador, squad leader, of Matador, Pvt. Tom H. Davis, tank driver, of Brownfield, Sgt. K. D. West, tank commander of Idalou, and Corp. Robert P. Wilson, surgical technician of Littlefield, are members of the Fourth Tank Battalion. The battalion is jabbing German defenders in the most northerly Apennine mountains in Italy. Their outfit, poised below the crest of the last Apennine barriers, is one of those on which high hopes are placed for a thrust across the Po valley.

Lt. W. B. Green has been transferred from Waco, Texas, to Liberal, Kansas and he and his wife are now making their home there. A letter from them says, in part, "Before this move, prompted by the army, we were lucky enough to have been in Texas for all of Lt. Green's training and instructing. Now, that we have been in Kansas for one week, we know definitely that Texas is the

best place in the world. We are enclosing a small amount for the Tribune fund and want you to know we enjoy the paper immensely, and will enjoy it even more, now that we are no longer in Texas."

Mgt. Phil M. Green was recently advanced to that rank, from P. F. C. and has been transferred from Pampa, to Sioux Falls, South Dakota where he has been assigned to the AAF Training Command Radio School for training as radio operator-mechanic. His wife, the former Juanita Mize, is making her home with her parents, Mr. and Mrs. C. E. Mize, at Coleman, Texas. Sgt. Green's address is: 3507 S.F.A. A.F. (T.S.) Sqdn. M.

WITH THE FIFTH ARMY (Special to the Tribune) Sergeant Garland W. Hollar of Matador, Texas, recently was awarded the Bronze Star for meritorious service in combat.

Hollar is a member of Company L, 168th Infantry Regiment of the 334th "Red Bull" Division fighting on the Fifth Army front in Italy.

While laying down a base of fire in support of an attacking infantry battalion, Hollar's company was harassed by fire from two hostile guns. One of the guns was a 77-millimeter anti-tank weapon and the other a 20-millimeter flak-vagon. Hollar quickly lined his mortar on the enemy positions.

After firing two rounds, he found the correct range and fired ten rounds for effect, knocking out the anti-tank gun. He immediately traversed the mortar and fired ten more rounds, destroying the flak-vagon.

"Sergeant Hollar's expert manipulation of his mortar enabled the riflemen to lay down strong supporting fire for the battalion's attack, which was successful," the citation read.

He is the son of Mrs. Lucille A. Hollar, 1010 "F" Avenue, Northwest, Childress, Texas. His wife is the former Ima Jo Smith.

ARTON THE BAKER (Special To The Tribune) Somewhere in the Philippines:

Corporal Barton, he may be called now, although his actual rating is Technician 5th Grade. Colbert Barton, whose wife, Berice and daughter, Wanda Marie, live at 704 S. Johnson St., Amarillo, entered the Army in October, 1943. He was one of those whose late induction in the Army caused his future to be rather uncertain, but Pantex Ordnance had been making good use of his abilities in defense work. From bakers to baking is quite a jump, but both are essential occupations in the collection of the so Barton was trained in a Cooks and Bakers school in the States. And almost from the beginning of his assignment he has been the baker for his unit, a key position in the chow morale of the battery.

It takes a good head and imagination to produce tasty pies, fluffy cakes, light rolls and bread and appealing puddings with what the Quartermasters offer in the tropics. Barton, the baker, seems to know all the answers though. For three quarters of a year in New Guinea, in convoy on the way there, and now in the Philippines chow call has meant Barton's better baking.

His foreign service entitles him to wear two campaign ribbons, the Asiatic Pacific, and The Philippine Liberation Ribbon awarded to the Commonwealth of the Philippines. A campaign star for the New Guinea area, may be worn on the first, one for Philippine service on the second.

His parents, Mr. and Mrs. H. D. Barton, live in Roaring Springs, Texas. A brother, Iley, is reported to be in Europe in the Army.

DANGER ALL THE WAY!

"GRIM" IS THE WORD, used by Washington authorities in a recent statement, to describe the immediate future of civilian passenger car transportation.

Tire trouble and tire shortages . . . motor trouble and parts shortages . . . are forcing so many cars off U. S. streets and highways every day, that the nation is rapidly approaching the low point in cars needed to keep our country's civilian economy at an efficient operating-level.

It's danger all the way, because every mile you drive places extra hazards and added burdens on your already over-age car. So in our country's interest, and in your own, be thrifty with your dwindling stock of car and tire miles.

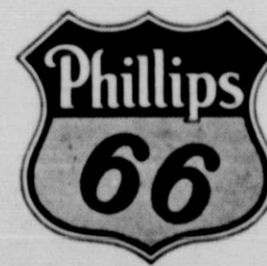

Care For Your Car For Your Country to help prevent the threatened crisis in home-front transportation. Get the patriotic cooperation of your Phillips 66 Service Man in making your car and tires

last longer and go farther

Phillips Tire-Saving Service includes checking air pressure . . . inspecting for nail holes, cuts, and bruises . . . examination of the tire carcass to warn you when recapping is necessary and still possible . . . crisscrossing with the spare every 3,000 miles.

Phillips Car-Saving Service includes inspection of battery, air filter, and anti-freeze protection . . . regular lubrication of every friction point specified by the maker of your car.

Our country needs the mileage remaining in your car and tires. You need to stretch the life of your personal essential transportation. So visit your Phillips 66 Service Man at least once a week and he will gladly share both responsibilities with you . . . at the Orange and Black 66 Shield . . . the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

IS LIGHTNING ZIG-ZAG

YES NO

Old Jupiter's lightning was Z-shaped. Today's lightning-fast cameras prove that it really flashes beautiful curves. Shows how weather bears watching, and now in Spring, so does the car that must last you! It's time to drain unfit Winter oil, and you'll get far more than an oil change by having your engine's insides OIL-PLATED.

All you need is Conoco Nth motor oil to bond OIL-PLATING direct to working parts—really a built-on layer of lubricant. This special wear protection—a great research achievement—is surfaced to metal by Conoco Nth oil's strong "power of attraction." And Nth oil provides tough liquid film, too.

OIL-PLATING and oil film are both fighting wear every mile.

Then after stopping, when acids want to gnaw any engine, they're curbed by OIL-PLATING—the foe of corrosive wear!

What a big lot of safety from wear! . . . to stretch engine life . . . to make oil and gasoline last you . . . to minimize carbon and sludge . . . to help power! Yet Conoco Nth oil costs little more. Fast as lightning, change for Spring. Continental Oil Co.
