

## Demo Delegates are Uninstructed

### Two-Thirds Rule Defeated Here In County Convention

LITTLE interest and little "fireworks" developed here Tuesday afternoon at the county Democratic convention held in the district court room. Eleven delegates were nominated to attend the state convention in Austin on May 23. Delegates nominated were: Pat Sheridan, county Democratic Executive committee chairman, W. I. Rushing, Kim Wilkinson, G. E. Hamilton, Mrs. G. E. Hamilton, F. Z. Martin, Gene Perkins, W. R. Cammack, Douglas Meador, Lonzo Lynn and C. W. Norrid.

Following the popular trend and voicing desires of precinct conventions held over the county Saturday afternoon, a unanimous vote was recorded to send delegates to the state convention uninstructed.

W. I. Rushing was named chairman of the county convention and Douglas Meador was named as secretary.

**Two-Thirds Rule Defeated**  
After brief discussions by county attorney C. W. Norrid and county judge W. R. Cammack, regarding the proposed two-thirds rule to be exercised in the selection of president and vice-president nominees, a vote showed the convention unanimously in favor of retaining the present majority rule.

Most delegates named to the state convention expressed doubt on their being able to attend because of travel difficulties and other causes. Part of the lack of attendance to the convention was attributed to the busy planting season now in progress and business men being unable to leave their places of business because of the help shortage.

### Memorial Highway Plans Advanced At Paducah Meet

Plans for the proposed Paul Eubank Memorial Highway between Paducah and Quanah advanced rapidly at a luncheon of the Paducah Lions Club, Thursday. Representative Bob Callaway of Crowell, whose district embraces Hardiman county, was present and assured his listeners that he would do all in his power to get the road designated as a state highway. He said Representative Eubank made a request of him just previous to his departure for the combat zone, asking him to help the people of his district until they could elect a representative. "This," said Judge Callaway, "I am going to do and you may count on me to do all within my power to help you get this road designated as the Paul Eubank Highway."

**Motley County Represented**  
"Motley county," according to the Paducah Post, "gave assurance that they would do all they can for the promotion of the road and to help secure the designation—and when Motley county goes into action with their 'backs bowed' they usually get it."

The road will give a more direct outlet for this entire section to Oklahoma and to points of the northeast.

Matador delegates attending the meeting were: Henry Pipkin, Dr. J. S. Stanley, County Judge W. R. Cammack, T. B. Edmondson, Geo. Birchfield, Roy Bishop, Rev. G. E. Turrentine and R. E. Campbell Sr.

Responsibility of completing the organization is practically left up to Hardiman county and a meeting will be called in Paducah in the near future at which time definite and advanced plans will be made.

### Scouts Practice First Aid During Tuesday Meeting

Practice of first aid was a feature of the regular meeting of the Matador Boy Scout Troop No. 60, meeting at the scout hut, Tuesday evening. Use of the triangle bandage and the use of splints for first aid for broken bones were explained.

Charlie Keith was a visitor at the meeting. The subject of a Scout hike was discussed, which will enable some members to practice signaling, in their training for advancement.

Miss Mallie Lee of Lubbock, visited here Tuesday and Wednesday with her parents, Mr. and Mrs. J. L. Lee.

### MOTHER'S DAY TO BE OBSERVED IN SPECIAL SERVICES

Mother's Day, May 14, will be observed in Matador, in special services which have been announced by the various churches of the town.

Families having sons, husbands or fathers in the armed forces, are extended special invitations to attend the services, which will contain more significance this year than ever before.

"A cordial invitation is extended everyone to attend our services," Rev. H. G. Verner, pastor of the Baptist church said. "Appropriate music has been rehearsed by the choir, and a message in keeping with the occasion will be delivered by the pastor. Come early for Sunday School, which begins at 10 o'clock and remain for the worship hour at 11 o'clock."

**Methodist Program Announced**  
Included in the program announced by the Methodist church, will be special songs and message by the pastor, Rev. G. E. Turrentine, and a program by the Young People's Department which will be given preceding the evening church service.

### \$18 Millions Sent To Relieve China

Since its organization in 1941 the United China Relief, Inc., has sent a total of \$18,666,717, exclusive of administrative expense in this county, according to an announcement by Henry Pipkin, county chairman.

In 1941 \$1,623,511 was sent to China, in 1942 the amount sent was \$5,096,360 and in 1943, when U.C.R. became an agency of the National War Fund, \$8,612,155 was sent to China.

Funds are spent in China by participating agencies for many projects, including medical aid, orphan care, child welfare, hospitals, education, refugee relief, industrial cooperatives, transportation of drugs and training of medical workers.

### SENIOR CLASS HAS BUSK WEEK PACKED WITH ACTIVITIES

The past week has been packed with activities for the senior class of Matador High School, beginning with the class play which was presented with great success, last Monday night.

Entertainment for the graduates included a weiner roast held Wednesday night in the Virginia Walden White roadside park south of town, given by Mrs. Elbert Reeves, Mrs. Gertrude Nelson and Mrs. D. P. Keith, class mothers, which was followed by a theatre party with Supt. and Mrs. B. F. Tunnell as hosts.

Friday, which was senior day, the class spent the day in Lubbock enjoying various forms of entertainment. Lunch was eaten in McKenzie State Park, and supper at the Mexican Inn. The group attended a picture show at Lindsay Theatre, and followed with several rounds of skating before leaving to return home.

Class members who enjoyed the day's outing included: Math Barkley, Alene Bloodworth, Frances Bostick, Maurice Cain, Juanita Cartwright, Dorothy Jean Casey, George Doss, Dorothy Lou Hill, Skeet Jameson, Don Paul Keith, Kathryn Martin, Brown Morris, Dorothy Nelson, Glenda Nelson, Joyce Norrid, Bernice Ruth Patton, Paula Patton, Charles Price, Donald Reeves, Frances Seigler, Elmer Leon Smallwood, Herbert Smallwood, Barbara Springer, Lee Thomas, Grace Laverne Tilson, Ruby Tunnell, Billy Wason and David Yandell.

Friday morning of this week, Mrs. Cecil Godfrey, who taught most of the members when they were in the third grade, will be hostess at a breakfast in the park.

### Week-End Meeting Will Start Friday

A week-end meeting will start at the Roaring Springs Church of Christ tomorrow and continue through Sunday night, according to an announcement made by Minister M. E. Tisdell. A cordial invitation is extended the public to attend the services.

Mr. and Mrs. B. D. Hobbs and children of Carlsbad, N. M., were recent visitors here in the Ed Jameson home.

### Ed New's Condition Critical

Ed New, suffering from a form of Anemia, in a Quanah hospital, is in a critical condition, and late reports yesterday declared that little hope was held that he could survive until morning.

Mr. New was placed in an oxygen tent at 3 a. m. Wednesday morning. He has received three blood transfusions but much difficulty has been encountered in being able to type his blood with that of volunteers.

Mr. New has been engaged as a transport truck driver for the Phillips Petroleum Company and worked until about two weeks ago. He went to Quanah for physical examination and later went to a Ft. Worth specialist, who advised him to return to Quanah. Several groups of local men have gone to Quanah to offer blood for transfusions.

### PREMATURE CALF LOSS BLAMED IN FUNGUS DISEASES

Blood tests of cows and other investigations point to fungus diseases or smut in stalk fields and grasses as the contributing factor in considerable recent losses to Motley county stockmen. The losses result from cows prematurely calving. County agent J. R. Emmons declares that if the cause is correctly traced to fungus diseases, farmers can easily and economically solve the problem by chemically treating planting seed.

Besides giving protection against seed-borne diseases which cause poor stands and lower yields, Mr. Emmons declares the treatment also provides added protection against molds and fungi in the soil and makes for better germination.

Demonstrations show that treatment will increase cotton yield considerably at a cost of 10¢ to 15¢ per acre. Plans for a proper mixer and amounts of Ceresan recommended may be obtained at the county agent's office. Mr. Emmons declares the treatment will also produce a certain amount of seeding vigor.

**Sorghums Affected By Smut**  
Grain and sweet sorghums are often affected by a disease called "kernel smut," Mr. Emmons declared. Evidence of the disease is kernels filled with smut spores instead of sound seed. Planting seed not treated to destroy the spores will transmit the smut to the next crop. Treatment consists of either two ounces of 50% copper carbonate, or ½ ounce of 5% ceresan per bushel.

Warning is issued by Mr. Emmons with regard to the use of ceresan. It must be used strictly according to directions as too much or poor distribution may injure the seed. Finely ground dusting sulphur has also been found effective against smut. Seed must be well-covered with the sulphur dust.

### CLYDE SMALLWOOD IS WOUNDED IN BOUGAINVILLE

Another Motley county soldier has been wounded in action. The following telegram, dated Washington, May 5th, was received Thursday by Mr. and Mrs. Everett W. Smallwood: "Regret to inform you your son, Private Clyde A. Smallwood was on twenty April, slightly wounded in action in Bougainville. You will be advised as reports of condition are received. Dunlop, acting the Adjutant General."

A letter from Pvt. Smallwood was received by his parents on the same day the telegram arrived, in which he explained that his injury was not serious.

### Three Begin Service At Fort Sill

Three Motley county selectees who had passed preinduction examinations, left for Ft. Still, Oklahoma, Monday morning to begin army service, according to Mrs. Edith Sanders, clerk for the Local Board. Those leaving for induction were: No. 62 Herman Walter Ellithorp, No. 21 Edward Dale King (Roaring Springs) and No. 10,447 John Merwyn Russell.

### 'Welcomed Paper' Reaches England

Somewhere in England S-Sgt. Clyde Clifton writes the following letter, dated April 26, 1944:

"Just received one of the most welcomed papers ever to reach England. No doubt but that all the boys await the arrival of the Tribune, and read it a couple of times to make sure they have not missed anything.

"...friends, we boys miss everyone of you and realize that you are doing all you can in the war effort. Without you folks, the boys here and elsewhere could do nothing. We greatly appreciate what you are doing...."

The Tribune expresses profound appreciation for the continued support of its policy of sending the home newspaper to every Motley county man in uniform. The following unsolicited contributions have been received since last publication: Hugh Vinson (Whiteflat) \$2, Wilson's Cafe \$2, P. L. Marshall \$1, J. D. Craven \$2, R. L. Brandon \$1, Frank Edwards \$1, Mr. and Mrs. Fred Simpson \$1, Mrs. Foster Fuller \$1.

### T. G. Duncan Suffers Stroke

T. G. Duncan of Fort Worth, early-day resident of this community, suffered a stroke of paralysis about three weeks ago and was conveyed to St. Joseph's Hospital for treatment, and was later removed to a nursing home. Mrs. Leonora Luckett and daughter, Mrs. Rowe Sams, visited him last week-end when they made a trip to Fort Worth.

### LT. HOBERT C. SMITH, ROARING SPRINGS RIDES BAREBACK IN BEACHHEAD RODEO

Three Panhandle-South Plains boys, including Lt. Hobert C. Smith of Roaring Springs were star performers in a rodeo staged Sunday on the Anzio Beachhead as the enemy looked down from the Alban Hills, according to the following AP story released May 8, which appeared in daily newspapers over the country:

"Drowning out the rumbling shell-fire with cheers, GI performers and broncho busters put on Anzio's first roottin', tootin' rodeo Sunday.

"Pvt. Frank Rosenfeld of 807 Asquith Street, Baltimore, Md. who used to sell papers at Pimlico, kept the microphone hot with warnings to the audience to get their bets in early with the ration box parimutuel before 'late wagers from those Krauts up there in the observation posts cause an unfortunate fluctuation in the odds.'"

"On the 200-yard track at the edge of a grassy meadow a series of donkey and horse races made good the rodeo promoter's advertisement.

### Soil District Plan Given Green Light

GREEN LIGHT was given to the petition for a proposed Upper Pease Soil district, to include Motley and Cottle counties, with favorable action by the State Soil Conservation board in regular meeting April 20.

Next step in creation of the district, according to county agent J. R. Emmons, is for interested land-owners, members of Victory committees, representatives of various state and federal agencies and individuals to determine a date for holding the election. A polling superintendent must be selected during the formative period of the district and the district must be subdivided into voting precincts. Voting boxes must be named and election judges appointed for the various boxes. It is necessary that two-thirds of the ballots shall favor creation of the district.

A number of interested land-owners advocate postponement of election until after the busy season, in order that a truly representative poll of eligible voters make be taken.

**Tax Question Is Answered**  
A self-explanatory letter from Governor Stevenson's office, follows: "Dear Mr. Emmons: Governor Stevenson has requested me to acknowledge receipt of your letter of April 22, in which you seek information as to whether or not taxes or bonds are levied on land composing Soil Conservation District.

"The writer is informed that Soil Conservation Districts are organized under the supervision of Article 1654-A, Vernon's Annotated Civil Statutes. In Section 7 (10) of this statute provides: 'The supervisors shall have no power to levy taxes, and no debt incurred in the name of the district shall create a lien on lands of land-owners or land occupied by the district.' This statute was passed by the 47th Legislature in its regular session and I believe answers your question completely. Sincerely yours, Maurice E. Turner, Secretary to the Governor."

### Shower Falling

Showers were falling in the Panhandle at sundown yesterday, with reports of rain at Lubbock and other points. Enough rain to "wet a man in his shirt sleeves" had fallen here by nightfall, however, continued cloudiness promised more precipitation.

While vegetation has shown remarkable growth since the last rainfall, considerable more rain is needed to restore farm and range lands to favorable condition at this crucial planting season.

### FORMBY NOT A CANDIDATE

From his Army post "somewhere in England" Lt. Marshall Formby, State Senator of this District, has announced that he will not be a candidate for re-election in the 1944 elections. Senator Formby was elected to the State Senate in 1940. He enlisted in the Army as a private in 1942, and is now serving as a Lieutenant in the U. S. Corps of Engineers in England. His announcement that he will not seek re-election was sent to his secretary in Austin, who submitted it to this newspaper. Senator Formby issued the following statement:

"I can not give full attention to the duties of State Senator while serving in the Army on foreign soil. Since my first duties to my country is as a soldier, I am not seeking re-election to the State Senate.

"Naturally, it is with deep regret that I decide not to run again for my service in the Senate was an enjoyable experience. However, I feel that our District will need someone present in Austin throughout the Session in 1945. I feel that it will be far better to elect someone who can be present at all times for the 1945 session, and I am asking that my name not be submitted as a candidate for re-election for a second term. The winning of this war is by far the most important job for all of us to do right now—most everything else is very unimportant—and all of us must do our part, whatever that part is. My prayer is that Divine Providence will guide us to a quick victory, with the loss of as little life, and with as little suffering as possible."

The Statue of Liberty has stood in New York Harbor since 1886.

### "Drive" Candidate

### Wink Lion Enters Race For District 2-T Governorship

Lee "Drive" Johnson, superintendent of Wink Public Schools, and active in Lions Club work in West Texas for a number of years is a candidate for Governor of District 2-T, subject to the election which will be held during the Lions district convention at Plainview, May 14-15.

Lion Johnson is actively supported by his home club, which he has now been serving as president for the past 30 months, and by Region IV clubs, which he is now serving as Deputy District Governor.

He is a charter member of the Wink club and since he has been president, he has more than doubled its membership.

**Power In His "Drive"**  
Lion "Drive" Johnson earned his nickname through his remarkable ability to organize and carry through any civic or patriotic campaign. Through his leadership, Wink oversubscribed its quota in the recent Red Cross drive in less than 30 minutes. He has been chairman of all county War Loan drives and all quotas have been oversubscribed, one almost 200 percent. When any drive is to be made in Wink or Winkler county, "Drive" Johnson is drafted to steer it through and he has yet to fail in making one successful.

Lion Johnson is a member of the Baptist church, a 32nd Degree Mason, and a Shriner. He teaches a Sunday School class of Wink young people. He has spent 12 years in the coaching field, ten years as coach of the Wink Wildcats. He is well known for his public speaking ability.

### Masonic War Bond Drive Ends May 22

Masonic War Bond drive will end on May 22, according to Geo. Springer, Potentate's Aid for Amarillo Khiva Temple and Masonic chairman for the drive in Motley county.

War Bonds purchased by Mason, Masonic Lodges, R. A. M. chapters, Commanderies, Order of Eastern Star, Rainbow Assembly for Girls and Order of DeMolay must be reported. It is only necessary to report the name, amount and number of each bond.

Bonds purchased by individuals, families, firms and organizations may be reported for this drive, provided they are not credited to other drives and are not a part of a pay roll deduction plan. The May quota is one million dollars. It was exceeded in 1943.

### MRS. D. E. PITTS ACCEPTS POSTOFFICE POSITION

Mrs. D. E. Pitts has accepted the position as assistant to Postmaster E. F. Springer in the local post office, recently made vacant by the resignation of Mrs. Edith Sanders. Mrs. Pitts assumed her new duties Monday.

Mrs. Mutt Berryman will be employed as extra help as needed and is receiving instructions and training for that purpose.

sacrificed in the present war, were returned home for burial. Back to the rolling prairies of West Texas; back to the streets where as a boy, his bare feet trod; back home to high, blue skies, to friends, eternal peace.

Lt. Simpson died in the line of duty on a training flight. Nature of the accident is not known. Lt. Bobby John Aderhold of Dallas, lost his life with Lt. Simpson. The two flyers had been assigned to routine flight. Both of them were expert pilots and equally capable of flying and landing the dual-control plane in the case of engine trouble or in the event of either of them becoming ill while flying. Probable explanation is that some defect developed in the control of the plane, according to Lt. Smelson. Lt. Simpson was as popular with his comrades as he was with those who knew him at home. He had been selected as flight leader by the five other men of his flight group.

Tribute to him memory was paid by Lt. Smelson in a brief, impressive address during the ceremony.

### Born In Matador

John Kenneth Simpson was born in Matador, August 11, 1922, where he entered grade school and finished high school with 16 other members of his class of 1940 who had remained together throughout their entire public school careers. The class of 1940 had a roster of 40 graduates. He played football during his four years of high school and was selected captain of Matador Matadors through 1938 and 1939 seasons. He was a member of the dramatic club, had a part in the Senior play and was business manager of annual "La Arena."

Pall bearers were all in uniform. They were: Lt. Maurice Reilly, A-c. Bert Schweitzer, Sgt. Howard Edmondson, Pvt. Franklin Price, T-5 W. H. Plemons, Pfc. W. T. Marshall, J. D. Simpson of the U. S. Navy, a cousin of Dallas, and Pvt. A. J. Perkins.

Out-of-town relatives included R. D. Simpson of West Columbia, Texas, Mrs. Mary Simpson of Dallas, Mrs. Carrie Reynolds and Miss Florence Reynolds, both of Waxahachie and Joe Wason of Hot Springs, N. M.; Mr. and Mrs. Arthur Coiper and children of Floydada and Mr. and Mrs. Don T. Martin and baby of Ranger.

port might have contained, had not the delegate's wives accompanied them. Except for the watchful eye of Lions state secretary R. Roy Keaton, who was aboard the same train, the incident of "Tana" a beautiful Mexican movie actress, might have remained a secret. Eager to be of service, Lions Keaton and Stearns crushed the budding romance between Lion Harp and the beautiful actress. They quickly informed her that he was not a rich bachelor cattleman. Lion Stearns seems to have acted merely as a witness, since Lion Keaton quickly convinced the charming girl that his main mission in life was to help aspiring actresses to stardom.

**Reports Have Tone of Conflict**  
In his graphic report of the trip, Lion Harp accused his fellow Lions, Keaton and Stearns of conspiracy to turn "Tana" away from him. In fact the two reports began to take on the aspect of a chapter from "Advice to the Lovelorn."

When Lion Stearns took the floor it was in the form of rebuttal to what Lion Harp had said. He denied any responsibility for Harp's conduct and especially the

incident of the parcel left in the Pullman at San Antonio when the group rushed to make train connection. Lion Harp had the responsibility of bringing the parcel which he said contained hot tamales which Lion Stearns had purchased in Mexico. Tailwister Courtney collected fines at intervals from the delegates as they related the incidents of the trip.

Digressing from levity, Lions Stearns and Harp brought back interesting facts regarding the great, friendly republic below the Rio Grande. They were especially impressed with the true culture of the Mexican people, the genteel manner in which they were received and the richness of Mexico's history.

## A Lot for a Penny

The decision of a lifetime... this wide-eyed little girl wants something that will last a long time, taste good, and still cost only one penny. From toddling days, through the years of maturity, human reactions change very little. Millions of the adult population also have their "noses to the window"—making mental note of the electrical conveniences they will buy when the end of the war comes. They, too, will look for durability, enjoyment, and a lot for every penny! The new improvements will have to wait—but when it comes to electricity, those three good qualities have not gone off to war and they are not rationed.

**Pfc. Baseomb H. Murphy** of the U. S. Marine Corps, participated in the recent Cape Gloucester campaign in the south Pacific. In a recent letter he says, "Want to thank you for the paper and let you know that I really appreciate it. Just like a letter from home, and I'm sure all the boys overseas feel the same way. My mail hasn't caught up with me yet. One thing I can tell you is that I participated in the Cape Gloucester campaign. That's all I'm allowed to say."

**Lt. Dick Groves** writes from his base in India, "I received four copies of the Tribune today and I was sure happy to receive them. They were March 16th through April 6. It sure means a lot to me to get them regular like I have the last couple of months, and without a long delay. My mail is beginning to get regulated again I think. It means that I can keep up with Matador and not feel like a stranger.

"I sure hated to read of Long's and Gilbert's misfortunes. I saw some action back where I was and I've seen some here. I had a nice rest in between, but am back at it again.

I guess the Monsoons will start next month and make things a little wet for a few months. I don't care for the jungles either.

"Ben I want to thank you again for everything you have done. You are really doing a good job. Sincerely yours, Dick."

**H. C. (Clay) Gilbert, SK 2-c**, writes on April 21, to advise a change in his address and also that he is no longer a Seabee. "I have volunteered for and have been accepted in the regular Navy" he writes. "I have certainly enjoyed the paper and always look forward to the next issue. I might add, however, that I have been deeply grieved at some of the news, especially the death of Paul Eubank and Mr. J. S. Lambert. Best regards to everyone at Matador and to all the boys elsewhere.

**Lt. (J.G.) Brady Thomas**, who has been stationed at Ames, Iowa, visited friends here Wednesday. He is enroute to Phoenix, Arizona where he will report for duty and is accompanied by his wife and baby, and visiting relatives at Roaring Springs.

**James P. (Jim) Smith, CM 1-c** of the Seabees, is located at Hawaii, according to information received this week by his family here.

**Lt. Maurice Reilly** and Mrs. Reilly left Wednesday for Eagle Pass, Texas, where he is stationed as instructor, after a visit here with his parents, Mr. and Mrs. M. J. Reilly, and at Boulder, Colo., with her mother.

**Pvt. Raymond Smallwood**, who has been stationed in the Aleutian Islands, arrived home last week from Seattle, Washington to spend a furlough visit with his parents, Mr. and Mrs. Albert Smallwood and other relatives.

**Pfc. John O. Jameson** of Ft. Ord California spent a furlough visit during the past week, with his parents, Mr. and Mrs. R. L. Jameson of Whiteflat and with relatives and friends here. He left Wednesday morning to return to the west coast.

**Pvt. Harvey Campbell**, who has been in the army hospital at Yuma Arizona, arrived home Saturday, after receiving a medical discharge.

**Ivy Duncan, S 2-c** is now located as follows: Stevedor Paul, N.C. T.C. Camp Endicott, Rhode Island having been transferred there recently from Norfolk, Va.

**A-S. A. B. Stephens** is in Co. 44-215, USNTS, San Diego, Calif., according to recent advice.

on the first Tuesday in June A. D. 1944, the same being the 6th day of said month, at the Court House door of said Motley County, in the City of Matador, Texas, between the hours of 2 o'clock p. m. and 4 o'clock p. m. on said day, proceed to sell for cash to the highest bidder all the right, title and interest of said defendant in and to the following described real estate levied upon as the property of said defendants, the same lying and being situated in the County of Motley and State of Texas, to-wit:

Lot number thirteen (13) in block ninety three (93) in Matador in Motley County, Texas, as shown by the official map or plan of said town of Matador and duly recorded in the deed Records of Motley County, Texas, or upon the written request of said defendant or attorney, a sufficient portion thereof to satisfy said judgment, interest, penalties and costs; subject, however, to the right of the plaintiff for any other or further taxes on or against said property that may not be included

herein, and the right of redemption, the defendant or any person having an interest therein, to redeem the said property, or their interest therein, at any time within two years from the date of sale in the manner provided by law, and subject to any other and further rights the defendant or anyone interested therein, may be entitled to, under the provisions of law. Said sale to be made by me to satisfy the above described judgment, together with interest, penalties and costs of suit, and the proceeds of said sale to be applied to the satisfaction thereof, and the remainder, if any, to be applied as the law directs.

Dated at Matador, Texas, this 9th day of May 1944.

# Mummy must've forgot to OIL IT

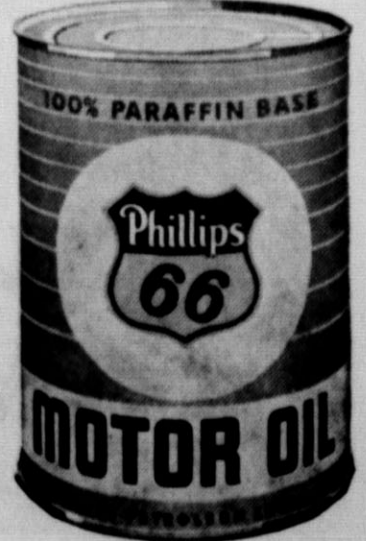

**American mechanical genius** shows itself at an early age. Youngsters are hardly out of their diapers before they know that today's world moves on a film of oil.

A few years more, and they have learned that the life of any mechanical device depends, in large part, on the quality of the lubricant. But even grown-up car owners are sometimes late in finding out a simple clue to choosing a quality motor oil.

It is contained in this plain, straightforward statement: If you want our best oil, remember we specify that **Phillips 66 Motor Oil** is our finest quality...the highest grade and greatest value...among all the oils we offer to average motorists.

Regular oil change has never before been so important, now that you must "Care For Your Car For Your Country." Authorities state that, with today's reduced driving, every two months is the safest change period. So get rid of winter-worn, contaminated lubricant... get quality, by asking for Phillips 66 Motor Oil.

## I'm bugs on cars.

I'd hardly think I'm a real American if I didn't always hanker after the latest thing in automobiles. Most everyone feels the same—wanting a new car. So even with Peace, is some new car with my number on it coming right off the assembly line? Who knows? I'm well off, though—still riding handsome—because I kept thinking of all the different oils to help a car. And I noticed ad after ad agreeing that your engine always forms acids inside... Risky... Bad danger of corrosion. But a station man showed me a can of Conoco N<sup>th</sup> motor oil, and it said that a modern synthetic in Conoco N<sup>th</sup> furnishes the working parts with OIL-PLATING—like a special surfacing to resist the acids; not letting them easily eat metal away. So you needn't fret too much for a new car, when a switch to Conoco N<sup>th</sup> oil will safely OIL-PLATE your engine right now. Let the future car improvements try beating that!
