Fear A Tool of the Devil

Can you imagine the courage displayed by Peter when he stepped over the side of the boat and began to walk on the water toward our Lord? But then came fear. When he saw the waves and the violence of the storm, he became afraid. And in his fear he began to sink. Our Lord saved him but rebuked him for allowing fear to overcome his faith (Matthew 14:31)

It was fear that kept ancient Israel from entering into the promised land. We can read of this in Numbers 13 and 14 in our Bibles. Their problem is referenced by the Hebrew writer in hebrews 3:19. Fear is one of the most effective tools that the Devil uses upon us. The Bible says that we "are to walk by faith" and if Satan can destroy our faith and replace it with fear, he has us.

The confidence of the Christian and our reason for it plainly revealed. "I can do all things through Christ which strengthens me: (Philippians 4:13). The Bible reveals to us that the Christian can live confidently in the assurance that our Lord is aware of us and is able to lift us up from the storms of life. When we live for Christ, refusing to give place for the Devil, then our confidence extends beyond the grave to the live beyond.

"We found out that electric cooperatives are the best kept secret in the country... or the city, for that matter."

Building your own home is a big step—and naturally, my husband and I were a little worried about moving out of town. Our builder told us that in this area, we would be members of an electric cooperative that offers rates, service and reliability second to none.

Anytime you build your own home, it's a challenge. We were amazed at how responsive the cooperative representative was in helping us design an energy-efficient home, complete with a heat pump.

I never thought I'd hear myself say it, but getting our power from the electric cooperative has been one of the most positive things about our move. I'd recommend the cooperative to anyone."

Jones County Deputy Sheriff Named TSCRA Field Inspector

Scott Williamson

Fort Worth, Texas -- Texas and Southwestern Cattle Raisers Association has appointed Scott Williamson 31, of Anson, Texas, to serve as field inspector for District 10, effective April 1, says Don C.King, TSCRA secretary-general manager.

Willaimson succeeds Inspector Manford Elliott of Seymour, Texas. Elliott is retiring after 28 years of TSCRA service.

TSCRA, a 118-year old livestock trade organization, employs 33 field inspectors, all certified peace officers carrying Special Ranger commissions, to assist cattle producers and conduct theft investigations in Texas and Oklahoma.

Williamson will be working with hunting and family life. TSCRA members, other cattle producers and law enforcement agencies in Motley, Haskell, Throckmorton, Knox, Baylor, old.

I want to thank everyone who came to my birthday party and all the beautiful cards I received. Hope you had a safe trip home and may God bless you

Louise Robbins

I would like to thank everyone who helped with our Little Dribblers Tournament this past week. A special thanks to all the Coaches for taking time from their hectic schedules to referee. Also to Billy Wayne Denison, Michael Clawson, Joe Campbell, Roy Estrada, Jarrod Brooks, Jeremy Smith, Billy Donaldson, Billy Green, Aaron Green, Larry Clifton, and Pat Smith for helping referee - a tough job to do - but they are always willing to help.

> Thanks again, Bettye Stevens

There are no words that really express thank you for the love we have felt as you wonderful people have extended your arms and wrapped them around us in many ways, through physical hugs, cards, calls, music, cleaning, food, and flowers during this time. Matthew 25:40 tells us when you have done it unto the least of these you have done it unto Jesus. So as you ministered to our needs we try to say thank you in a small way and pray for God's richest blessings to be upon you all.
