Jack Barton, A/S, former manager of Western Dry Goods, arrived home Saturday from San Diego, California, where he finished Boot Camp and is visiting his wife and baby daughter and other relatives here. They will also visit in Spur during his leave.

Cpl. Thomas A. Marshall, who has been stationed at McCook, Nebraska, now has an overseas A. P. O. in care of the postmaster, San Francisco, Calif.

Lt. Dick Groves, who has been taking a course in San Antonio, the past 5 weeks, has returned to Pampa Army Air Field, Pampa.

Dallas, Texas, June 14 - (Special to the Tribune) William B. Morris, Seaman Second Class, son of Mr. and Mrs. Harry Lee Morris of Whiteflat, has recently completed Aviation Ordnance training at the Naval Air Technical Training Center, Norman, Oklahoma. He will now be transferred to a naval unit afloat or to another shore station for further instruction and work. He enlisted in the Navy on November 20, 1944.

Don Paul Keith, A/S left Matador Tuesday of last week for Dallas, and from there continued to San Diego, California, to enter boot camp for training in the U. S. Navy.

Sgt. Keith Patton spent a three day pass here last week visiting his parents, Mr. and Mrs. M. S. Patton, returning to Love Field, Dallas, Sunday, where he is stationed.

Dear Ben: Just a few lines to tell you that I'm getting the Tribune regularly and enjoying it very much. I'll buy a copy of the May 10th issue and by looking back, I can easily remember copies that were months slower, but no matter. They're all "hot off the press" to me and I think you've done a great deed for us.

Censorship has relaxed some as you probably noticed. I am of the air base seven kilometers from Kassel and must say it's the best one yet. The Krauts used it for gliders and "hunters" (fighter planes to us). All the big barracks are named after a Nazi big shot. We felt particularly lucky to get the Herman Goerring building.

Wish I had known Pfc. Deason was with the old 3rd Armored Spearhead Division when I was with them in April. The 6th of April I joined their Hdqrs. and drove along with them until the 10th. Maybe he knew the air support pilots I drove for - Lieuts. Wall, Cram, Zierkie and Gaylor. I left the front when we caught Task Force Richardson somewhere east of Norheim and Göttinger. We were off my map and that spearhead was running wild and when the artillery started dropping on our left, I was ready to ask General Collins if he was last too! Ah, them boys know their business! The 3rd Armored is very well thought of by this squadron.

Best regards to all of you in the Tribune and all of your friends. Yours, Dow (S/Sgt. Dow R. Thompson)

SENATE JOINT RESOLUTION No. 7 proposing an amendment to Article 6 of the Constitution of Texas providing that any person in the armed forces of the United States, or the Armed Force Reserve of the United States, or of any branch or component part thereof, or the United States Maritime Service, or the United States Merchant Marine, or who has been a member of same within eighteen months prior to the holding of any elect-

ion in this state authorized by law, and is otherwise a qualified voter, shall not be required to pay, or to hold a receipt for the payment of, a poll tax in order to vote at any such election, if same is held while the United States is at war or within a certain stated time thereafter; providing that members of the regular Army, Navy, or Marine Corps of the United States shall not be permitted to vote; providing that other members of the armed forces shall be entitled to vote under certain conditions, providing the form of the ballot for voting on said proposed amendment; fixing the time for holding an election; directing the Governor to issue the necessary proclamations; and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. There shall be submitted to the qualified voters of the State of Texas the matter of amending Article 6 of the Constitution of Texas, by adding thereto a new section which will modify the present restrictions concerning voting. This new section shall be inserted between Section 2 and Section 3 of said Article 6, and shall be known as Section 2a, and shall read as follows:

Section 2a. Nothing in this Constitution shall be construed to require any person, who at the time of the holding of an election hereinafter referred to is, or who within eighteen months immediately prior to the time of holding any such election was, a member of the armed forces of the United States or of the Armed Force Reserve of the United States, or any branch or component part of such armed forces or Armed Force Reserve, or the United States Maritime Service or the United States Merchant Marine, and who is otherwise a qualified voter under the laws and Constitution of this state, to pay a poll tax or to hold a receipt for any poll tax assessed against him, as a condition precedent to his right to vote in any election held under the authority of the laws of this state, during the time the United States is engaged in fighting a war, or within one year after the close of the calendar year in which said war is terminated.

Provided, however, that the foregoing provisions of this section do not confer the right to vote upon any person who is a member of the regular establishment of the United States Army, Navy, or Marine Corps, and provided further that all persons in the

armed forces of the United States, or the component branches thereof; not members of the regular establishment of the United States Army, Navy, or Marine Corps, are hereby declared not to be disqualified from voting by reason of any provision of sub-section "Fifth" of Section 1, of this Article.

Sec. 2. The foregoing Constitution member of same within eighteen months prior to the holding of any election in this state authorized by law, and is otherwise a qualified voter, shall be submitted to a vote of the qualified electors of this state on August 25, 1945, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the following:

"For the amendment to Article 6 of the Constitution of Texas, providing that any person in the armed forces of the United States, or the Armed Force Reserve of the United States, or of any branch or component part thereof, or of the United States Maritime Service, or the United States Merchant Marine, or who has been a member of same within eighteen months prior to the holding of any election in this state authorized by law, and is otherwise a qualified voter, shall not be required to pay, or to hold a receipt for the payment of, a poll tax in order to vote at any such election, if same is held while the United States is at war or within a certain stated time thereafter."

Those opposed to such amendment shall have written or printed on their ballots the following:

"Against the amendment to Article 6 of the Constitution of Texas, providing that any person in the armed forces of the United States, or the Armed Force Reserve of the United States, or of any branch or component part thereof, or of the United States Maritime Service, or the United States Merchant Marine, or who has been a voter, shall not be required to pay, or to hold a receipt for the payment of, a poll tax in order to vote at any such election, if same is held while the United States is at war or within a certain stated time thereafter."

Sec. 3. The Governor shall issue the necessary proclamations relating to the publication of the foregoing Resolution, in the various counties of the state, and shall cause the same to be published as required by the statutes and the Constitution in connection with the submission of proposed amendments to the Constitution, to the people for their action at

a statewide election. If it shall appear from the returns of the election at which the foregoing amendment to the Constitution is voted upon that a majority of the qualified voters have voted for said amendment, same shall then become a part of the Constitution of Texas.

Sec. 4. There is hereby appropriated out of the General Fund of the State of Texas, not otherwise appropriated, the sum of

seven thousand dollars (\$7,000.00) or so much thereof as may be necessary, to pay the expenses of advertising said Resolution in each county in the state and for all other purposes as may be necessary, or required by law, or the Constitution.
