Smith will Speak here at Memorial

SERVICE WINDOW TO BE DISMANTLED

The window in the courthouse containing photographs of men in the armed forces will be dismantled in the near future, it was announced this week by Matador Hardware Company, who had sponsored the window display.

All families and friends who had contributed photos for the display, are requested to claim them as soon as possible, in order that the space might be cleared.

Bob Murrell Is Victim Of Accident

R. L. (Bob) Murrell, 56, died Tuesday night from injuries received about noon in an automobile accident which occurred between Burnett and Marble Falls, Texas.

The body was shipped to Lubbock Wednesday, where McDonald Funeral Home took charge, bringing it here today.

Funeral services will be held at the Baptist Church Friday afternoon at 3 o'clock. Pallbearers will be nephews of the deceased, with members of Fleming Post American Legion, serving as honorary pallbearers. Mr. Murrell was a member of the Roosevelt Legion Post of Houston, Texas. His nieces will serve as flower girls.

Mrs. J. H. Sample and Mrs. E. E. Campbell, sisters of Mr. Murrell residing here, were accompanied to Burnett by Bill Rushing, upon receiving word of the tragedy.

Facts Not Known

Few actual facts of the accident are known, as his car had crashed into a tree, completely demolishing it, when he was found and conveyed to a hospital at Burnett. The accident happened about noon and he died about 12:30 that night. Both legs were broken, and amputation of the right limb at the hip was necessary. Apparently loss of blood caused his death.

In ill health for some time, it is believed that he had been seized with a coughing spell and was pulling off the road to recover, when he lost control of the car, crashing into the tree.

Born In Mississippi

Robert Lee Murrell was born in Scott County, Mississippi, November 7, 1898, and died April 10, 1946 at the age of 56 years, 5 months, 3 days.

He is survived by his wife, Mrs. Louise Murrell of Houston, Texas, a son, E. G. Cathey of Houston, Texas, two brothers, H. C. of Santa Anna, Texas, and Roy W. Murrell of Tuscon, Arizona; and three sisters, Mrs. J. H. Horner of Houston, and Mrs. J. H. Sample and Mrs. E. E. Campbell of Matador.

He had made his home here for the past several years and had been managing the Mission Service Station until a few months ago.

Play To Be Given By Two Classes At Roaring Springs

The Junior-Senior classes of the Roaring Springs high school will present the play, "Here Comes The Bride", Friday night, April 19, at 8:15, it was announced this week.

Admission will be 20 and 35 cents and proceeds will be used to finance the annual senior class trip.

Miss Bessie Medlin, senior sponsor is directing the play, which has the following cast of characters:

"Uncle Dan Took", Grady Glenn; "Jimmy Took", Norton Dye; "Bill Thompson", Robert Duran; "Aunt Ellen", Bessie Clifton; "Madge Burns", Betty Sanders; "Mr. Oswald", J. C. Smiley; "Peg Westfield", Joan Green; "Mrs. Duvall Smith", Loraine Hodgin; "Bubbles Bulvalle", Thelma Dillard; "Lady Macbeth", Wilda Boling; "McDaniel", Billie Jo Thomas.

Mr. and Mrs. D. C. Bradley and son Don, visited in Jayton Sunday.

Lubbock Furnishes Program At Smoker

Lieutenant Governor John Lee Smith has accepted an invitation extended him by Fleming Post American Legion, to speak at Memorial Day services here, it was announced Tuesday night at the smoker for veterans held at the school gymnasium.

The lieutenant governor is no stranger to Motley County citizens, having appeared here on previous occasions. He is well-known for his forceful oratory and will be well remembered for his sincere and heart-warming address in an Armistice Day program in 1944, when the Motley County honor roll of men in service was dedicated.

Enjoyable Program

Part of the enjoyable program at the smoker was furnished by a group of Lubbock Legionnaires, headed by Ralph Brook. Accompanying Brook were Floyd Lebow, adjutant of the Lubbock post and a former Matador resident, and Jack Hill Legion service officer of Lubbock, who outlined some of the services to be offered by the regional Veterans administration office being established there.

Entertainment included Negro spirituals by a trio of colored women, and solos by vocalist Lou Ann Williamson, all of Lubbock. Dr. Broome, Lubbock magician who was scheduled to present an act, was unable to be present.

Members of the Legion Auxiliary served refreshments of coffee and doughnuts at the conclusion of the program. Attendance was estimated at 90 veterans and guests.

Lions To Sponsor Auction Sales At Roaring Springs

Much interest is being taken in the auction sales which the Roaring Springs Lions Club is sponsoring every two weeks.

One of the items to be auctioned off at the sale on Saturday, April 13, will be a silk quilt made by ladies of the Methodist Missionary Society. Date of the next sale will be April 27.

The sales are held on lots located between Super Service Station and Roaring Springs Hotel. E. D. Hutson is auctioneer and 5% commission is charged on household goods and farm tools, and 2% on livestock.

Those having items to sell at auction are invited to bring them to the auction lot.

JUNIOR PLAY IS DECLARED SUCCESS

The junior class play, "Your Face is Familiar," presented last Friday evening, was declared a hilarious success by the audience as the comedy plot unfolded, revealing unusual talent in the cast of characters.

In the neighborhood of \$70.00 was cleared, which will be used by the juniors in entertaining the seniors at the annual banquet.

Miss Irene Fuessell directed the play, with the following in the cast: Mickey Roberts, John Irwin, Chareen Ketchersid, June Black, James Price, Hal Courtney, Thomas Sanders, Ernestine McWilliams, Yvonna Simpson, and Charles Ray Cox.

Bulane Agency In New Quarters

The Butane Department of Matador Hardware and Furniture Company is now located in the Graham building on the highway, just east of Phillips 66 station.

Albert Rattan and Curtis King are in charge of the Butane department, the latter having recently purchased the interest of John Irwin in the business.

Miss Lillian Chapman of Lubbock, spent the week end here as guest in the home of her uncle and family, Mr. and Mrs. W. W. Clements.

Mrs. Tom King returned home Friday from Marlin, Texas, where she spent three weeks. She was accompanied by her daughter and husband, Mr. and Mrs. Tom Speers of Flomot.

TEXAS MONUMENT TO FRANKLIN D. ROOSEVELT

Plans for the erection of a cenotaph on the State Capitol grounds to the late President, representing the four freedoms, is announced by the Franklin D. Roosevelt Memorial Foundation of Austin, Texas.

Tribune Force To Press Convention

First meeting of the Panhandle Press Association in two years will open in the Herring hotel, Amarillo, Friday morning and the Tribune force will be among those present. News paper people from over most of the state will be represented and the Panhandle group from 'no-man's land' Oklahoma to as far south as Post, will attend. One Panhandle newspaper, the Ochiltree County Herald at Perryton, operated by Van W. Steward, will have 21 at the convention, which will include returned servicemen employees and their wives. Most of the papers will close shop for the two-day convention.

The Tribune will be represented by Mr. and Mrs. Burrill Tipton, Mr. and Mrs. Douglas Meador, Editor Meador is president of the association.

Panhandle Press Association is one of the largest and oldest regional press groups in the entire country. Friday and Saturday will be the 37th annual convention.

EASTER SERVICE PLANNED

Although no arrangements have been made to hold a union Easter service this year, services are being planned by the churches of the city for the occasion, on April 21, and rehearsal of special music is underway in preparation.

The evening worship hour at the Methodist Church on Easter will be devoted entirely to music, with Mrs. G. E. Hamilton directing the program, it was announced this week.

Algie Lee Durbin Awarded Air Medal

DALLAS, April 11, (Special to the Tribune) Algie Lee Durbin, Box 517, Matador, Texas, who was recently discharged from the United States Navy, has been awarded the Air Medal, the Navy Department has announced. Durbin, who was an Aviation Radioman 3rd Class, was awarded the Air Medal "For meritorious achievement in aerial flight as a member of the crew of a seaplane engaged in a rescue mission on April 4, 1945, near the north Ryukyu Islands."

The citation, signed by Admiral R. K. Turner, USN, Commander, Amphibious Forces, United States Pacific Fleet, reads:

"After landing in an area dangerously close to enemy held territory, he courageously and skillfully and in the face of continuous enemy fire from anti-aircraft guns and shore batteries assisted in effecting the rescue of a survivor of a downed friendly plane. He also aided in an extensive search of the area for other survivors during which time the plane was subjected to continuous hostile fire. This valiant mission carried out under conditions of great personal risk, contributed materially to the saving of the life of a flyer. His skill, courageous conduct, and leadership caused this action to be performed with distinction."

Legion Exceeds Double Quota

Texas Legion News, monthly magazine of the American Legion, shows the Motley county Fleming Post to have more than double its quota of new members during February, according to Commander D. C. Bradley.

The magazine showed the post with a quota of 45, while 93 new members were registered in the period and others were secured but not officially signed when the report was made.

DISTRICT PTA CONFERENCE IS HELD AT PADUCAH

(By Mrs. Robert Darsey)

The Eighteenth Annual Conference, Fourteenth District, Texas Congress of Parents and Teachers, was held April 3-4 at Paducah, with twenty-five district and state officers and ninety-four visitors registered, with voting strength nearing the 200 mark.

"The Family Builds the Future" was the theme of the conference, with the program Wednesday dedicated to the parents, and to the educators on Thursday.

Mrs. J. L. Adams of Crosbyton, president of district 14, presided at the conference, which was lectured by many speakers well versed in P. T. A. work, including Mrs. A. N. Dahl, state P.T.A. representative, who addressed the group on, "I am a Local Unit President." Other outstanding features of the program Wednesday included a humorous skit, "Traveling via bus from a State Convention," by Lubbock City Council, a Youth Panel discussion by a group of Crosby High School students, and "Dr. P.T.A., The Mental Banker."

A courtesy tea was given at the Coca Cola Club house for the delegates. Matador delegates attending the conference and tea were: Mesdames Chas. Keth, Joe Bloodworth, R. E. Donovan, Clay Gilbert, J. G. Kethersid, Ruby Webb and Robert Darsey.

Mrs. J. W. Johnson and children of Elbert, Texas, are visiting here with her parents, Rev. and Mrs. H. G. Verner.

Mild Interest In Trustee Election

Only mild interest was shown in trustee elections in Motley county Saturday as a scattering of voters in each district exercised their polling rights. Although the voting was only a fraction of each district's potential vote, in comparison with other much larger populated counties, the voting in Motley county indicated a lead in interest over most of the area.

Results of the election canvass, as received from County Judge and ex-officio county superintendent Wm. R. Cammack, follow:

District No. 6, Matador Independent School District, 3 elected: L. C. Hafp, 47; C. W. Giesecke, 69; Vernon Doss, 69; all on ballot; following were write-ins: W. F. Jacobs, 2; O. V. Johnson, 3; W. I. Rushing, 8; L. J. Barkley, 1; Mrs. Elmer Stearns, 2.

District No. 10, Roaring Springs Rural High School, 2 elected: M. S. Thacker, 32; Otis Smith, 18; C. R. Brandon, 16; W. M. Byars, 1; Fred Dawson, 1.

District No. 8, Flomot, 2 elected: Dick Washington, 18; Harley Gunn, 17; Sam Ross, 16; Harrison George, 7; Van Martin, 6; G. D. Pope, 6; L. A. Washington, 6; Alfred Martin, 4; Austin Tanner, 3.

District No. 9, Northfield, 1 elected: Freeman Featherstone, 13; A. B. Simpson, 8; E. M. Timmons, 4; Allan Thomas, 1.

District No. 7, Whiteflat, 2 elected: Alfred Watson, 10; Lonzo Lynn, 5; Varner McWilliams, 5; Ernest McWilliams, 2.

District No. 4, Barton, 2 elected: Curtis Graham, 10; Ed Whitaker, 9; John Irwin, 3.

County trustees were elected in Commissioners Precinct No. 3 and No. 4, as follows: Precinct No. 3, Delmont Hays, 20; C. M. McDonald, 6; Precinct No. 4, E. E. Moss, 25; Foy Moore, 1.

White Skies Continue In Panhandle

Motley county farmers, stockmen and businessmen continue to look hopefully at white (dry weather) skies which have prevailed over West Texas for the past week during pre-seasonal heat that has driven the mercury to mid-summer points.

While still in advance of the critical planting season, lack of rain is having devastating results on wheat in the county and wheat in the Plains area is showing greater deterioration because of dry weather.

Air conditions have been in use over most of the Panhandle for several days as the heat wave continued.

RAIN IN EAST

According to reports, rain and hail fell in some sections of Texas Tuesday as temperatures over the state hovered in the upper brackets.

Downtown Dallas got 10 minutes of hail in the afternoon and some additional rain. Hillsboro reported a windstorm and 30 minutes of rain and hail. There was rain at Abilene, San Antonio and Waco.

As for temperatures, Lardo was the Texas hotspot again with a melting 98. Other readings included: Abilene, 83; Amarillo, 75; Big Spring, 87; Brownsville, 87; Houston, 68; San Antonio, 92; Dallas, 83; Ft. Worth, 80; Tyler, 86; Waco, 87; and Brady, 90.

Roaring Springs Church of Christ To Hold Meeting

Announcement is made this week that the Roaring Springs Church of Christ will begin a spring revival meeting Tuesday night, April 23rd, to continue through Sunday night, April 28. Brother E. A. Sanders, Superintendent of Tipton's Orphan Home of Tipton, Oklahoma, will do the preaching.

Mr. Sanders is well-known in this vicinity, having served as superintendent of schools in Quanah for 14 years. In October, 1945 he resigned this position to become head of the children's home at Tipton. He has also spoken on a number of occasions at Matador.

Everyone is extended cordial invitation to attend these services.

Mr. and Mrs. C. W. Giesecke made a business trip to Wichita Falls and Dallas over the week end.

Producers Turn To Insurance

With Motley county as a "laboratory" for Federal Crop Insurance in 1945, when cotton producers were paid more than \$135,000 indemnities on policies, indications are that a larger number of contracts will be signed this year before the closing date of April 25 (or planting time), according to Marvin Allen local AAA Administrative Officer.

Plan for the insurance is that farmers can be certain of a crop return every year, from their labor and investments. All natural hazards are covered in the insurance, including hail, droughts, floods, insects, disease, wind, frost, snow, wild life, hurricane, tornado, lightning and fire. No payment is made against avoidable losses such as negligence, failure to prepare land, plant and cultivate according to good farming methods.

Cost is figured on past loss experiences for the county and is very reasonable for the protection provided. Insurance for 1946 may be secured at the local AAA office (south door State bank building) or from any of the five authorized FCIC sales agents in the county.

Gamble Is Removed

One contract, backed by the United States government, protects the producers crop against all natural losses. There is only one premium to pay and only one organization. The contract has only one purpose and that is protection on a nonprofit basis.

Cotton crop insurance removes the gamble from production. Its great value has been proved by Motley county farmers last season, and agricultural leaders believe that a far greater percentage of the 1946 crop will be protected before the closing date of April 25.

Malador Colored Team Wins League Meet At Lubbock

The Matador high school colored track team returned home Friday, April 5, from Lubbock, winners in a league meet in which 15 other schools were entered. The Matador team scored 69 points with six first places to their credit.

The first places were as follows: 100-yd. dash, 220-yd. dash, 220 low hurdles, 220 high hurdle, relay banner and art banner.

The boys and girls were coached by Prof. Richard C. Echols.

TO DENTAL MEET

Dr. J. G. Ketchersid will attend post-graduate classes at the Texas Dental Society meeting to be held in Dallas next week. His dental office here will be closed during the period.

STORE MANAGER AT REXALL CONVENTION

Mr. and Mrs. Kenneth Jeffers returned last week from the Rexall drug store convention held in Ft. Worth, April 2-3. He, Mr. Jeffers, manager of the Matador Drug here declared that his store is participating in the nationwide Rexall radio advertising program which is being released over major networks.

Ability to learn new facts is at a maximum in the late teens and early twenties.

TRAIL DUST

By DOUGLAS MEADOR

Life spins so rapidly when youth is with us that its design is blurred and then remains prone in the dust of years, too obvious to be interesting.

Warped fellows bulging from a rusting iron rim, the old wagon wheel lay in the borrow ditch beside the twisted disc of red metal from a modern automobile. Both had reached the common goal of their final mile and like pauper and king, awaited the deliberate action of time and the elements. Both wheels had known the weight of responsibility and been faithful to drivers over trackless roads. Perhaps the small wheel had traveled farther in a fortnight than the wagon wheel in an entire span of usefulness, but to no greater destinations. With a speed of the wind, the car wheel had travelled farther in an hour than the distance covered by the wagon wheel in two days, only to reach the same grisly shore of lost usefulness.

We leave no pain for others without keeping an equal amount for ourselves. The hurt of a word or deed plants a seed in two hearts. The thief steals a like amount from himself. We can keep only that which we give of good or evil, hate or a prayer, tears or a song.

If winged Mustangs break their night stunts on the lush prairies of Valhalla, and the sound of muffled hoofs and chiming spurs pour out of the sky range where old cowboys have watched star fires burn in endless night, there is cause for pandemonium. Some new hand in paradise has brought work that cowboy's shirts sell for as much as \$60 in the sage and mesquite land where work and wage used to be important.

Experience is not only a severe teacher, she is persistent to the extent of punishing us for the same mistake as often as necessary.

Dismal rain fell on the auction lot where many had stood to pay more than they could afford for objects they would not purchase in any other mart. Only two articles remained unwanted, a crude pulp and a pool table. Being merely an observer of life on this dangerous star, my mistakes are more frequent than the days, but I would not fall in my guess at the object which would have caused greater bidding, had the auction continued. Men would probably be more concerned about their souls if there was a way to avoid thought in the process.

Golden urns held the flames of clouds licking night's half-drawn curtains and the scent of rain was on spring's enchanting gown, swishing through the little valleys. It was a twilight to rouse old memories from their couches in corridors of the past, and like restless phantoms, trek thru the opened door. Each spring is cut from the pattern of thousands of others.

Tomorrow is an adventure upon a road that is unknown to me.

It would be interesting to know how the present housing situation has affected an enterprising real estate operator in Los Angeles who used to have as his slogan: "A lot means a house and a house means a lot."

Thoughts are easy to control until they reach the maturity of words and action.

When love perishes it is like a tree felled by the sharp blade of an ax. It does not wither at once.

FARM NEWS

BY MARVIN ALLEN
Motley County ACA
Administrative Officer

Cotton Crop Insurance Deadline

Final date for taking out cotton crop insurance is Thursday, April 25, in Motley County. According to FCIC regulations the application for insurance must be signed before the crop is planted and before the deadline. To date 89 applications covering 128 farms in the county have been filed. This represents over 20% of the cotton farms in the county. Indications are that the insurance coverage in the county this year will be even greater than it was last year when over 60% of the cotton farms in the county were covered by Federal Crop Insurance. Applications may be obtained either from the authorized sales agents, of whom there are five in the county, or at the county AAA office.

Will history repeat itself? Motley county insured cotton producers collected over \$135,000.00 in indemnity payments from the Federal Crop Insurance Corporation on cotton crop losses in 1945.

Dairy Payments
The AAA office reminds producers that milk and cream sales evidence on sales made during January, February and March, 1946, may now be submitted and applications signed for payment.

The first terraces put up in Texas were on a farm owned by Duke Howard in Newton county about 1882.

The lowest average rainfall record for the state was 16.21 inches in 1917, while 23.11 in fell during a 24 hour period.

Bridge Party Buffet

If a bridge date at your house looms soon, and you're wondering what to serve, try TUNA-MATO LOAF and coffee. We guarantee this novelty is as new and taste-appealing as it is picturesque.

A sandwich loaf, hollowed out and toasted, forms the outer shell. The inner filling is a medley of tender tuna, gleaming hard-cooked egg, crisp celery and seasonings. But the touch of genius that weaves these foods with harmony is soup—canned, condensed cream of tomato soup, that serves as binder and as sauce.

Tuna-Mato Sandwich Loaf

Remove crusts from—

- 1 medium-sized loaf bread.
- Cut 1 slice lengthwise about 1/2-inch thick. Follow out center of loaf, leaving the side walls and bottom about 1/2-inch thick. Cut cubes of bread out of center part. Toast.

Combine with—

- 1 6-oz. can tuna fish or salmon, drained and flaked
- 3 hard-cooked eggs, chopped
- 1/2 teaspoon celery salt
- 1 teaspoon grated onion
- 1/4 teaspoon pepper.

Moisten with—

- 1/2 cup condensed cream of tomato soup, undiluted.

Mix well. Fill center of loaf with mixture. Top loaf with lengthwise slice. Brush top and sides with melted butter. Bake in a moderately hot oven (375°F) for 20 minutes or until lightly browned. Serve sauce (recipe below) over baked sandwich loaf. Serves 6.

Sauce

- Melt in saucepan—
- 2 tablespoons butter or margarine.

Remove from heat.

Add, then blend—

- 2 tablespoons flour.

Add—

- 1 cup milk
- 1/4 cup condensed cream of tomato soup, undiluted.

Gradually bring to a boil, stirring constantly. Serve hot over baked sandwich loaf.

1944 Loan Cotton Equities

The Department of Agriculture announced on February 4, 1946, that all 1944 crop cotton remaining under loan on July 1, 1946, will be pooled for producers' accounts by Commodity Credit Corporation. It is felt that, on the basis of current prices, farmers should be able to dispose of a substantial amount of this cotton to net them fair-sized profits above the loan and charges. Producers may dispose of this cotton either by redeeming it and selling in the open market or selling their equities. We can figure the approximate value of 1944 cotton loan equities if producers will bring their loan papers to the office. We will be glad to render this service and give this information.

1946 Farm Plan Sheets
Producers who have not already signed their 1946 Farm

Clean-Up Time for Nancy

"It might as well be Spring" warbles Nancy Martin, nationally known radio singer, as she adds the final important touch to her Spring cleaning by purifying every "nook and corner" of her home with the aid of the new postwar Lowell electric Thoro-Spray. Strapping the handy portable motor over her shoulder, she is able to cover each room with speed and ease. The spray can also be used for painting, moth-proofing and many other uses around the home.

Plan Sheet are urged to drop in the AAA office on their next visit to Matador for this purpose. 1945 cotton and wheat production as well as 1946 intentions in regard to acreage of crops and number of livestock on the farm will be permanently recorded for future reference.

Some think a world food plan is impracticable. I suggest that a plan which will open up great new markets for agricultural and industrial products and bring about a great expansion of trade is common sense and economic wisdom. If a plan does this, and at the same time banishes hunger and malnutrition from the world and gets the Nations to cooperate with each other instead of fighting each other, if this is idealism, then I say the world will be the better for a good stiff dose of idealism.

Look VISIONLINED

MM Tractors Are Built for Economy and Dependability
MM Tractors are visionlined for safe, easy and comfortable operation on any farm power job the year around. Visionlining assures better work because the operator can always see what he is doing, and the seat is comfortably low to the rear of the drive wheels for additional safety at all times. "Visionlining" of tractors was introduced by Minneapolis-Moline many years ago and is basically an exclusive MM feature which does much to ease the normal strain on any tractor operator and, thus assure better work and perhaps even more work under many conditions. STAMINA . . . the ability to "take it" for long periods of tough going . . . doesn't come as an accessory to tractors or farm machinery. You can't buy it as an EXTRA. It's either designed and built into every part of the machine or it isn't there at all. MM products are famous for stamina—year after year, owners report records of long, low-cost efficient service and the fact that MM products stay MODERN.

JAMESON MACHINERY CO.

MATADOR, TEXAS

Mr. Farmer! Make Your Cotton Planting Seed Go Farther. . .

HERE IS HOW . . .

Let us delint your seed by the Kemgas Process then you can plant half as many seed and secure a better stand.

WHY IS THIS TRUE?

The Kemgas Process removes ALL the lint, then recleans, grades, and treats the delinted seed with cerasan. Seed processed in this manner will germinate 3 to 5 days quicker than fuzzy seeds. Tractors plant 25% seed land in a day because there is no lint to choke planter boxes, and one filling of the plant box will run 3 to 4 hours.

PLANTING ATTACHMENTS

No special planting attachments are required—just an ordinary corn plate will plant these seed.

PLANTING SEED SCARCE . . .

Good planting seed is scarce this year. Get the most out of your seed by letting us process them. We are equipped to do a first class job.

We are able to supply a limited amount of Kemgas Delinted seed in the following varieties:

- HI-BRED
- NORTHERN STAR
- MACHA (STORM-PROOF)
- WESTERN PROLIFIC
- D. and P. L.
- LOCKETT 140

All of these seed are first year from originator and are \$10.50 per hundred. Remember, the cheapest seed are the best seed.

Bug-ology

By Dr. H. C. Deahee

"I'LL TAKE ON ANY ONE OF YOU MONKS BUT DON'T GIVE UP ON ME."

(IT'S COMBINATIONS OF KILLING AGENTS THAT DO THE TRICK.)

ROACHES ARE THE OLDEST AND MOST PRIMITIVE OF ALL WINGED INSECTS. THERE ARE OVER 1000 KNOWN SPECIES.

BECAUSE OF ITS SIZE AND ADAPTABILITY THE ROACH HAS BEEN ADOPTED BY PETERMAN LABORATORIES AND NUMEROUS SCHOOLS AS THE FIRST GUINIA PIG FOR THE SCIENTIFIC STUDY OF INSECTS.

ORIGINALLY NORTH AFRICAN, MANY SPECIES OF ROACHES FOLLOWED EARLY TRADE ROUTES 1500 YEARS AGO—ARE FOUND TODAY IN MOST PARTS OF THE GLOBE.

A SINGLE APPLICATION OF SPECIALTY POWDER HAS BEEN KNOWN TO KILL THOUSANDS OF ROACHES AFTER THEY CROSS THE POWDER LINE, AND MAY REMAIN EFFECTIVE FOR AS LONG AS 93 DAYS ACCORDING TO TESTS.

Wayland College Will Build New Men's Dormitory

A special called meeting of the Board of Trustees for Wayland Baptist College in Plainview, Texas, on April 2, 1946, authorized its building committee to award a contract for a dormitory for men. The building will house eighty-eight men and is to be constructed by Neill Singleton of Amarillo from plans drawn by architects Emmett F. and James F. Rittenberry of Amarillo.

The building will embody unique features in that each eight men will have complete living quarters, including rooms for each two with adequate storage closets, and living room for the group. The building will have eleven such units besides the reception rooms and living quarters for the matron.

This is the first of a group of buildings planned in the current enlargement campaign for

MRS. U. L. WILIE IS CONVENTION GUEST

Mrs. U. L. Wilie spent Wednesday, Thursday and Friday of last week in Abilene, as special guest of Sixth District, Texas Federation of Women's Clubs Convention.

Mrs. Wilie appeared on four of the programs and was shown many courtesies while there.

the college, and when the campaign is complete there will be adequate facilities for hundreds more students. The college has been in operation since 1910, being the oldest college now in operation in the great Plains-Panhandle country of Texas. Dr. John W. Cobb, dean of the college, is also chairman of the enlargement campaign.

Date for ground-breaking for this new dormitory will be announced as soon as priority permits and other arrangements can be made, and the contractor hopes to have it ready for use sometime during next school year.

New Vaccination Urged By State Health Officer

If you have not been vaccinated against typhoid fever within the last two or three years, Dr. Geo. W. Cox, State Health Officer, advises you to go to your doctor or to the nearest health officer and have him give you the three "shots" that will protect you against the disease.

The three shots that will protect against typhoid are given at intervals of one week apart," Dr. Cox stated. "As it takes some time for the protective treatment to be established throughout your system, it is wise not to delay in having it done. My advise is, have it done now so that immunization may be complete before summer arrives and vacation trips are taken."

This advise was addressed particularly to Boy Scouts, Girl Scouts, and other youngsters who are looking forward to spring and summer hikes and trips. It is, however, meant also for others, young or old, whose business or pleasure during the summer will take them to places where there may be doubt as to the purity or safety of the water supply, or as to the care with which food is handled.

The old adage that "an ounce of prevention is worth a pound of cure" is particularly applicable to this disease, which is so dangerous and debilitating when it does occur, and which can be prevented so easily thru immunization.

CARD OF THANKS

We wish to take this means of expressing our profound appreciation for the many acts of kindness, words of sympathy and beautiful floral offering tendered us by friends in our recent bereavement. May God's blessings rest on each of you.

N. T. S. C. To Hold Opera Premiere

DENTON, Tex.—The world premiere of two North Texas State College opera presentations, "The Stranger of Manzano" and "Hin und Zuruuek" will be presented at McFarlin auditorium in Dallas on May 1 under the sponsorship of the Variety Clubs of Texas. The premiere will be invitational and attended by music lovers and civic leaders of Dallas, according to Variety Club officials.

The operas, with a cast of North Texas State Teachers College music students, are produced by Miss Mary McCormick of the School of Music former star with the French and Italian Opera Companies, and directed by Dr. W. C. Bain, head of the NTSC School of Music. Home presentations will be at the college on May 6 and 7.

CORRESPONDENCE STUDY PROVIDED FOR VETERANS

International Correspondence Schools has completed arrangements for direct enrollment of veterans under the G. I. Bill of Rights, according to Ralph E. Weeks, I. C. S. president.

More than 400 courses of study are thus made available to ex-servicemen who are entitled to the educational benefits of that law, Mr. Weeks said. The majority of these courses are in the field of technical training for positions in business and industry although the list includes all the regular high school subjects.

"A veteran may now enroll in the usual way and bring his I. C. S. course under the provisions of the G. I. Bill by simply presenting a Certificate of Entitlement," Mr. Weeks said. "He can obtain the certificate from the nearest office of the Veterans Administration."

Construction will get underway within six weeks on a \$165,000 clinic and 30-bed hospital in Perryton. Drs. Roy K. and Herbert Sanford, who recently let the contract to a Muskogee, Okla., firm estimate the building will be completed in six or seven months.

The Lovington, N. M., chamber of Commerce has revived its annual banquets, discontinued during the war.

Clarendon's water situation should be eased somewhat this summer, according to the Don-

Fashions

Every woman who has ever taken a trip knows the joy of jersey which can be folded into nothing in a suitcase and later hung for a few minutes to rid it of wrinkles. Shown above as pictured in the April issue of Good Housekeeping magazine is a rayon-jersey dress for either spectator sports or dress-up occasions.

extensive calculations, said it was "virtually impossible" for two submarines, each 300 by 27 feet, and each equipped with ultra-modern safety and detection devices, ramming in an ocean with 68,634,000 square miles of surface.

The Ellis County (Okla.) American Legion Auxiliary, with headquarters at Shattuck, is sponsoring a "plant a tree" program as memorial to the county's Gold Star men and women of both World Wars. Each resident has been asked to set out a tree.

Don't Gamble with your Harvest!

Federal Crop Insurance Guarantees You A Crop Return

PROTECT YOUR INVESTMENTS WITH Cotton Crop Insurance

CLOSING DATE FOR CONTRACTS APRIL 25, OR BEFORE PLANTING---

Your crop may be destroyed by one or more of many natural hazards, including hail, droughts, flood, insects, wind, frost, snow, wild life, hurricane, tornado, winterkill, lightning and fire. **DON'T TAKE A CHANCE. Federal Crop Insurance Removes the Gamble** in farming. One contract, backed by the United States government, protects your crop against all natural hazards. You have only ONE premium to pay and one organization to deal with. The contract has ONE purpose; TO PROTECT YOU, at low, non-profit rates.

Last year Motley county cotton producers collect-

ed more than \$135,000 in indemnity payments from the Federal Crop Insurance Corporation for cotton crop losses in 1945.

YOU CAN'T PICK THE TIME!

If you knew exactly when you would lose your crop, plans could be made in advance for the loss, but no one knows in advance when disaster will strike. Even though you were advised in advance, could you withstand the loss without dipping into your bank account, without cashing bonds, or securing a loan? Why delay any longer. Secure a contract and sign it today. Quit gambling with your crop.

Discharges Placed On Record Recently

Discharges which have re-
cently been placed on record in
the office of County Clerk R. A.
Seay include the following:
L. H. (Jack) Barton, S 1-c, dis-
charged February 11, at San
Pedro, Calif., was in service 10
months, 16 days, and received
the victory medal, American
area citation and Asiatic-Pac-
ific area ribbon.
S-Sgt. Thomas A. Marshall
was discharged March 16, at Ft.
Bliss, Texas, after 2 years, 8
months, 17 days in service. He
was overseas 8 months, 19 days,
and received the following citi-
zations: American theatre,
Asiatic-Pacific theatre, victory
medal, and good conduct medal.
Pfc. Raymond Barron was
discharged March 9, at Ft.
Leavenworth, Kansas. He was
in service 2 years, 11 months,
16 days, and received American
theatre, good conduct and Meri-
torious Unit awards and the
victory ribbon.
T-5 Edward D. King was dis-

charged at Ft. Bliss, on March
23. He was in the South Philip-
pines and on Luzon, and has
the Asiatic-Pacific theatre, Phil-
ippine Liberation, good conduct
and victory medals.

Pfc. Mary Hess Cox of the
Women's Marine Corps., filed
her discharge here, which was
issued at Camp J. H. Pendleton
Oceanside, Calif., on November
27, 1945.
Clyde N. Williams, SM 3-c
was discharged March 22, at
San Pedro, Calif., according to
a release to the Tribune from
the Separation center there. He
enlisted in the U. S. Navy on
February 18, 1944, and was
overseas 8 months. He received
the Asiatic-Pacific, American,
Victory medal and Philippine
Liberation ribbon. Names of his
ships were U.S.S. Fuller, U.S.S.
Ata, and U.S.S. Piedmont. His
wife is the former Nona Helen
Kinery, and they are making
their home at Clovis, N. M.

POSTAL EMPLOYEES MAY GET NEW WAGE BOOST

The House, Tuesday, passed
by a 368 to 1 roll call vote a
bill giving most postal em-
ployees a wage boost of \$400 a
year.
The measure, which now goes
to the Senate, grants the in-
crease to all workers whose pay
rates are fixed by the postal
service salary act. Part time em-
ployees would get a 20-cent-an-
hour increase and fourth class
post-masters a 20 per cent boost
in their basic compensation.

All eligible ex-service men are invited to attend.

MOTLEY VETERANS ENROLLED AT TECH

LUBBOCK (Special) Of the
more than one thousand veter-
ans enrolled in Texas Techno-
logical College this semester,
the following four are from
Matador.
Jimmie Joe Latimer, son of
Mr. and Mrs. O. V. Latimer,
freshman petroleum engineering
major; Joe B. Meador, son of
Mr. and Mrs. Joe Meador, fresh-
man journalism major; Edmond
Pat Sheridan, son of Mr. and
Mrs. Pat Sheridan, freshman
animal husbandry major; and
Glenn L. Woodruff, son of Mr.
and Mrs. J. L. Woodruff,
junior business management
major.

Two other veterans are en-
rolled this semester at Tech
from Motley County. Fred G.
Simpson Jr., son of Mr. and
Mrs. Fred G. Simpson, junior
government major; and Earl
Elvis Vaughn, son of Mr. and
Mrs. W. M. Vaughn, freshman
animal husbandry major, both
of whom live in Roaring
Springs.

Other veterans who are also
enrolled in other schools include
LeRoy Nelson, who is studying
medicine at Baylor University,
Vernon Chambliss and Norris
Fulfer, ministerial students,
who are attending Hardin-Sim-
mons, Abilene.

The second largest meteor
crater in the United States is
ten miles southwest of Odessa.
It measures approximately 600
feet in diameter.

Directors of Santa Rosa
Roundup and Livestock Ex-
position to be inaugurated in
Vernon, Tex., May 29, met there
last week to discuss organiza-
tion plans to make this an out-
standing southwestern attrac-
tion. E. Paul Waggoner was
host to the directors.

Joe B. Meador Is Active On Campus

"That Freshman Who Does
Things" when used on the cam-
pus of Texas Tech, Lubbock, re-
fers these days to Joe B. Meador.

One of the first things Meador
did after enrolling at Tech,
was to take an active part in or-
ganizing and giving publicity to
the V. F. W. His latest is to as-
sist in preparations for an all-
college rodeo, sponsored by
Texas Tech's Block and Bridle
club, which will be held April
12-13 at Lubbock fair grounds.
Meador has been named on the
publicity staff.

In between these, he has acted
as toastmaster at one of the
principal spring social functions
of the college, and has written
script for the Varsity Show, in
collaboration with Miss Bea
Green, editor of El Toreador,
Tech's newspaper.

TEXAS TECH TO STAGE TWO-DAY RODEO THIS WEEK

A rip-roaring all-student ro-
deo will be presented as the
highlight attraction of "round-
up" days on the Texas Techno-
logical College campus April
12 and 13. Rodeo fans of West
Texas are invited to attend the
student round-up, according to
Roy Boone of Seymour, rodeo
manager.

Troy Ford and James Kenney
both professional stars, will be
presented in a match roping
contest as the feature event of
the rodeo. Kenny placed first
in the Southwestern Exposition
and Fat Stock Show contest
and Ford received second honors
this year.

A dawn street dance and an
early morning chuck wagon
breakfast will open the Western
festivities Friday morning April
12. Friday afternoon a parade
in downtown Lubbock will fea-
ture the champion horse of
Tech student riders.

Rodeo performances will be
staged Friday night and Satur-
day afternoon at the Lubbock
fair grounds. Tech students will
participate in the events which
will include saddle bronc riding,
bareback riding, bull riding,
ribbon roping, calf roping and
a sponsor contest for the
women.

All Tech students and faculty
members will be required to
dress in Western attire during
the two-day festivities or be
subject to arrest by Sheriff Tom
Douglas of Corpus Christi. The

PLAINVIEW PLANS FOR DAIRY SHOW

Plans are rapidly shaping up
for the nineteenth annual Pan-
handle Plains Dairy Show
scheduled at Plainview April
13-19. The largest entry list in
the history of the show is fore-
cast by C. B. Martin, general
superintendent.

Judges have been designated,
superintendents of the various
departments selected, all ac-
tivities dated, and arrangements
made for the round of enter-
tainment during the almost one
week of the show.

Preliminary tests in the pro-
duction contest at 6 p. m. Satur-
day, April 13, will launch the
program. From that hour until
the Milking Shorthorn auction
at 1 o'clock Friday afternoon
some of the finest dairy cattle in
the country will be on exhibit
and day and night calendars of
activities will unfold events of
general public interest.

Prize money for this year's
show totals \$3,035, the largest

sheriff and his deputies will en-
force law and order during the
"round-up" days and corral the
law breakers.

Tech's Rodeo Queen, selected
from contestants sponsored by
various campus organizations,
will be presented at the all-col-
leg Western dance Saturday
night, climaxing the two "all-
Western" days.

Horman G. Nami

RODEO MONIES OFFERED IN VERNON ROUNDUP

Rodeo prize monies totaling \$3,960 will be awarded competing cowboys at the first Semi-annual Santa Rosa Roundup and Livestock Exposition to be held in Vernon, Texas, May 29 thru June 2. Contest events will include bare-back bronc riding, calf roping, saddle bronc riding, steer wrestling, team tying, a wild horse race, and brahma bull riding.

E. Paul Waggoner, president and sponsor of the Santa Rosa Roundup and Livestock Exposition, in making this announcement also stated that six rodeo performances, May 29-30-31, and June 1, and matinee shows Memorial day, May 30, and Sunday June 2.

Stock for the Rodeo is being furnished by Earl and Jack Sellers of Del Rio, Texas, who will also produce the show. Outstanding specialty acts have been contracted, including clowns, trick riders and ropers and many other feature attractions.

I sneezed a sneeze into the air, It fell to ground, I know not where. But hard and cold were the looks of those. In whose vicinity I sneeze.

Joint sessions of the Legion and Auxiliary will be held at the Childress High School Auditorium starting at 9 A. M. Sunday morning. A feature of this meeting will be a mass initiation of new Legionnaires to be conducted by the Degree Team of Volture No. 669, Amarillo, of the 40 and 8. Sid A. Lowery, Austin, Department Service Officer, will also conduct a school during the morning for County Service Officers in Commander Field's District.

Department Commander Horman G. Nami, of San Antonio and the Department Auxiliary President, Mrs. Kelly Farrar of Breckenridge, are expected to attend the convention and speak Sunday morning. In the afternoon there will be separate meetings of the Legion and the Auxiliary.

A District Commander and District Vice-Commander, delegates and alternates to the National Convention to be held in San Francisco next fall, are to be elected.

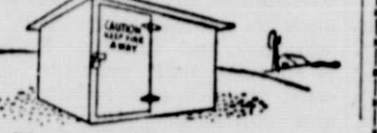

Under Comander Field's dynamic leadership the past year the 18th District has achieved one of the largest memberships of any of the twenty two districts. With a quota of 2735 for 1946, the district has already enrolled 7245 members for this new Legion year which practically trebles the quota.

Fixing Up the Farm by BURTON WILLIAMS

Storing Combustible Liquids FIRE! Fire! That's a dreaded cry on any farm. It often means buildings lost, equipment gone, crops destroyed or homes burned. And all too frequently it means misery and suffering for the family.

Records show the most common cause of fatal burns on farms is the improper use and storage of combustible liquids. Fires thus caused cost over \$9,000,000 last year. So, it's clear that more care is needed in handling such liquids as gasoline, kerosene, oil and naphtha.

Every farmer has almost daily use for these liquids. To protect your property, you can build simple, inexpensive storage facilities, which require little or no critical materials, by using asbestos cement board and asbestos shingles.

The best plan is to store your combustible liquids in an outside shed, such as the one shown. This is the only safe way if you store considerable quantities.

If you keep less than 30 gallons on hand, it may be stored inside in a suitable cabinet. A good cabinet consists of a frame constructed of 2 x 2's with double walls of asbestos board. The door or lid should also be of double construction, with at least a 1 1/2-inch air space. The door sill should be raised about two inches above the bottom of the cabinet.

All storage space and individual containers should be clearly marked: "Combustible - Keep Fire Away," and every member of the family should be instructed in the use of dangerous liquids.

KEEP PRICES DOWN

Inflation is so easy to start and so very difficult to stop! It starts with little things like small price rises in everyday commodities, a few pennies here, a few pennies there. It's hardly noticeable, at first.

But then the everyday commodities get scarcer, and the prices get higher, and people are discovering that their money doesn't go as far as it used to, so they demand higher wages. The more money they get, the more they will pay for the rapidly disappearing commodities. You see how it works?

The government has laid out a program for price control, but because our government is a democracy, it must depend on individuals—all of us! Stick by the ceiling prices...

Our Mail Order Catalogues Old American Institution

In the midst of visionary predictions of a plush push button era, there remains rock-like in our swiftly changing world an old American institution—the mail order catalogue. While starry-eyed dreamers talk of 15-minute transcontinental plane trips and rocket ships to the moon, 14,000,000 families in the United States still swear by the voluminous catalogues issued semi-annually by the large mail order companies with equinoctial regularity.

"The mail order catalogue has had an effect on American culture comparable to that of the cotton gin, the six shooter, the model T flivver and the million dollar movie," an article in the April issue of Good Housekeeping magazine states in part.

While the motion pictures are generally considered to have exercised the most profound influence on American living, the mail order catalogue pioneered in that regard two generations before motion pictures existed.

Just how much effect the mail order catalogues have had on elevating the standards of American living would be hard to appraise, but there is no doubt that the attractively gotten up catalogues brought visions of better living to millions of persons and provided

the incentive for the acquisition of articles offered for sale.

Some idea of the grip which the mail order catalogue has on the American buying public is seen in the fact that in 1941 the financial statement of Sears, Roebuck Company showed sales totalling \$900,000,000.

And the incidence of error in handling this tremendous volume of business is unusually small, although occasionally ludicrous mistakes do occur because of faultily written designations by the customers of the article desired. One such instance concerned the farmer who, in ordering a toupee which was number one in the catalogue, made the numeral one like a seven. Consequently instead of a toupee he received a bust developer.

Roaring Springs NEWS

By LULA M. SWIM

Mrs. Sam Lesley and daughter, Mrs. Ruby Lee Vaughn of Post, visited here last Wednesday.

Joe Jimmie Keahey of Texas Tech, Lubbock, visited here over the week end with his mother, Mrs. Walter Keahey.

Visiting in the home of Mr. and Mrs. A. Freeman this week

are their two sons and families Mr. and Mrs. A. H. Freeman and daughter of Hamilton, and Mr. and Mrs. Harold Freeman and son of Grand Prairie. Their father has been ill the past week.

Mr. and Mrs. Clarence Keller and family of Roswell, N. M., visited here over the week end.

Lewis Hodgins of Canyon visited here over the week end with his parents Mr. and Mrs. Lewis Hodgins.

Mr. and Mrs. Robert Meason of Bremerton, Washington are

Mr. and Mrs. Henry Teague and family visited in Crowell over the week end and were accompanied home by Mr. and Mrs. Clyde Cobb, who visited in the Teague home until Wednesday.

EL MATADOR

Hi! Wonderin' what's cookin' this week? Smells like the odor of romance from the pot of love. At least, Virginia has taken interest in the male section (much to their relief). She and Thomas made a cute couple after the play Friday night.

Frances seems to like these Bell Bottom Trousers! She and Math have been seen several times together. Cute couple!

Bab and Earlene made a gruesome twosome at the play Friday night!

Bonner seems to have taken a sudden interest in tennis and red-heads. We can't blame you, Bonner, Sarah is cute!

It's about time we were holding an election for Dog-Catcher and Street cleaner, don't you think? All nominations will be accepted by the editor of this paper.

Two calves frisked up to a cow grazing in the field. Says one: "Mom, can Freddie stay for lunch?"

The Woman Listener

By Sally Welles

RADIO LISTENERS all over the country who depend on ABC's "Breakfast in Hollywood" for their daily entertainment, have a new treat in store. Tom Breneman, host and emcee, has just opened in a full length picture, sensibly enough, "Breakfast in Hollywood", which is released by United Artists.

Tom Breneman

He models hats with as much aplomb on the screen as he does on the air.

Chichi Hamilton, heroine of "Life Can Be Beautiful", heard over CBS, has been seeing life's unpleasant side since Magda Finch and her scheming father moved into the Slightly Road Bookshop, but she still maintains her own conviction: "When you have to fight for something you want, you come out in the open, roll up your sleeves and go to it with all you've got. If you crawl or sneak you don't have nearly as much fun winning the fight. The other way, even if you lose, you win; you and the person you're fighting with can shake hands and walk away smiling."

Sometimes not only the sins of the fathers but also their artistic abilities are visited upon the children. In the Rost clan daughter Elaine has inherited a sweet singing voice from Father, and sketching ability from Mother. But she takes the family talents one step farther in her own creative acting ability. Currently she is heard as Esther Moore in NBC's "Right To Happiness".

Jack Bailey accomplishes daily miracles on his Mutual program, "Queen For A Day", but recently he outdid even himself; he helped find an apartment for one of the Queen candidates, Mrs. Fanny Meeker, who needed an apartment. Mrs. Meeker, who needed an apartment, was followed to the mike by Mrs.

Fern Kragness, whose husband, a real estate agent, was present in the studio audience. No sooner was mention made of Mr. Kragness' business affiliation than he was called on stage by Jack, and promised to help Mrs. Meeker. The lady was delighted and assured Jack that she much preferred a roof to a crown, especially in these times.

Highlights on Charlotte Manson, who stars as Dr. Carson McVicker, in "Road Of Life", heard over both NBC and CBS: She photographs tall and willowy, but is really tiny and slender. At Hunter College she achieved also a B. S. Degree, and the distinction of being the first undergraduate to play leads with the Washington Square Players. Her hobbies are as varied as her radio roles—she plays tennis and backgammon, rides and swims equally well. She sketches Fifth Avenue models, and turns out wonderful copies of all the high fashions for herself.

Getting an audience laugh to a bright quip is one thing, but getting laughed at is another. Justifiably, Madeleine Pierce has devised a scheme to prevent just that sort of thing. Madeleine, radio's baby specialist who currently plays the part of three-year-old Jill on CBS's "Young Dr. Malone", insists upon being introduced to her audience. This is to prepare them for what follows when she takes her turn at the mike, because once when her audience undoubtedly expected some adult script reading, and only a couple of gurgles and a stream of goos came out behind the pillow which Madeleine used as a prop, there was a moment of shocked surprise followed by a burst of unexpressed giggles.

Contributions to the Infantile Paralysis Fund are still coming in to the "Truth Or Consequences" office addressed to "Janice", the little crippled girl who sang "Wah-lah" as her consequence on a recent program. At the last count, Ralph Edwards, m.c. of "Truth Or Consequences", announced that the total was \$15,750.

Ernestine on the telephone: "I'd love to go, but I feel I should help my father with my home-work".

Dates Are Set For Stamford Cowboy Reunion

Directors of the Texas Cowboy Reunion, Inc., confirmed the tentative dates of July 2nd 3rd, and 4th for the 17th Annual Texas Cowboy Reunion which were set at a meeting last fall. The annual affair, held in Stamford, Texas, exceeded all previous attendance records in 1945.

W. G. Swenson, president, presented a plan for a special calf roping event for servicemen and ex-servicemen which was accepted unanimously by the directors. Winner of the event will receive a hand-tooled saddle. The ten low roping servicemen and ex-servicemen in the previous two day ground will compete at the night performance on July 4th for the saddle. All servicemen and ex-servicemen of World War II will be admitted free except for government tax at that performance to witness their buddies successes and failures. Roping is an event that requires constant practice and a deft touch and split-second timing something the boys in service the past four years have missed.

Featured Vocalist Attended N. T. S. C.

DENTON — Twenty-one-year-old Mynell Allen, who began her career in the entertainment world in 1942 while a freshman at NTSC, has been signed as featured vocalist with sax-toot-in' maestro Sam Donahue's new orchestra in New York.

Starting as a dancer, the young student discovered she could sing while she was appearing in an intercollegiate variety show, "College Capers of 1942," which was staged by NTSC and later toured the Interstate Theatre chain.

Maynell is hoping that her work with the Donahue band will eventually land her in musical comedy or the movies. She'll be heard on the air-waves with the band this spring and summer in broadcasts from Frank Dailey's Meadowbrook in New Jersey, Hotel Pennsylvania in New York and Hotel Sherman in Chicago.

 L. C. Davis

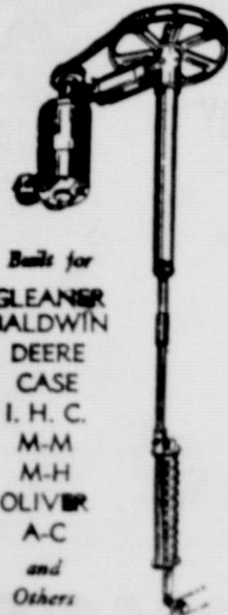

EYES ON TOMORROW!

It's so easy to have good light. It's important to your health and your children's health, too. Good light costs so little more than poor light—and your family's health and happiness depend on it. To correct direct glare, put shades on all lamps to diffuse the light. To insure sufficient light, keep bulbs and reflectors clean, try a larger bulb.
