Move Started to Aid Servicemen

Local Organizations Are United In Plan To Serve Returning Veterans

REMEMBERING the fickle attitude of the public that soon forgot their great sacrifices, veterans of World War I, many of them members of the Fleming-Post American Legion, and other county leaders, started plans last week to render a distinct service to returning servicemen from this area. The plan will include a united movement of four organizations, the American Red Cross, The Matador Lions Club, the American Legion and the Texas A&M Extension Service, working in connection with the Veteran's Bureau. Behind the entire movement is the GI Bill of Rights (a digest of which is published elsewhere in this issue of the Tribune). The organization will be known as the Veteran's Service Committee, and is being formed along plans outlined by the government. The Lions Inter-

More Men Inducted

Despite the favorable trend of war news and the victories being gained by the nation's fighting men in all war theatres, consistent inductions are being made through out the country. Motley county continues to send young men to the Dallas induction center for the various branches of armed service.

The following group left Matador by special bus for Dallas, Monday morning, September 18: No. V-10,415 James Troy Taylor, No. V-10,457 Eugene Talma Davis, No. 10,333 Jerrel Dean Osborn, No. 10,407 Berry Buford Barham, No. 10,408 Jerry Buren Barham, No. 10,414 Little Frank Davis, No. 10,420 Guin Newton Bailey, No. 10,421 James Arthur Simpson, No. 10,429 John Henry Bryan, No. 10,440 C. D. Garrison Jr., No. 10,442 Lonnie Milburn Cox, No. 10,444 Clell William Palmer, No. 10,449 Hodus Odell Marler, No. 10,452 Ward Clevon Wymack, No. 10,455 James Walter Marritt, No. 10,458 Delmar Nolan Osborn, No. 10,459 Therman Olan Osborn.

Mrs. D. A. Thomas Dies In Lubbock Hospital Monday

Mrs. Delwin A. Thomas, 23, wife of S/Sgt. Delbert A. Thomas, with American armed forces in Italy, and daughter of Mr. and Mrs. A. B. Aldrich of Matador, died in the West Texas Hospital, Lubbock, Monday night. Mrs. Thomas underwent surgery soon after being admitted to the hospital Sept. 11. The Lubbock Avalanche declared yesterday that funeral services were pending the arrival of relatives.

Mrs. Aldrich told a Tribune reporter Saturday that her mother, Mrs. Lillian Elliot of Lawton, Oklahoma, was also critically ill, and that her daughter was preparing to undergo a serious operation.

BOND BUYING IS FALLING SHORT

Monthly bond sales are falling far short of the quotas assigned to 46 Texas counties in this region, according to Elmer Stearns, chairman of the county War Finance committee. Only nine of the 46 counties made their quotas during the month of August, which was attributed in some measure to the severe drought that held most of this section of the state.

Mr. Stearns said that Motley county is falling far short of its September quota as indicated by purchases to date. The quota is \$14,200 and sales are only about \$1,000. With the start of cotton harvesting it is believed that sales may be expected to increase within the next two weeks. Regarding the need for increased buying of bonds, Mr. Stearns declared, "our armies have now reached the state where they must fight harder than they ever have before. I think it is only fitting that we at home here, should not neglect to do our part."

Lt. Baumgardner Is Awarded Air Medal

Lt. Haynes M. Baumgardner, husband of Mrs. Myrnavae Baumgardner, has recently been awarded the Air Medal with two oak leaf clusters, according to a special news release from an Eighth Air Force Liberator Station in England.

The citation was for "Meritorious achievement in accomplishing with distinction, aerial operational missions over enemy occupied continental Europe. Lt. Baumgardner's actions reflect great credit upon himself and the armed forces of the United States."

Lt. Baumgardner, at the time the item was released, had flown eleven missions over the continent participating in attacks on Munich, Ascherleben, Saabruken, Bremen, St. Lo, and the "robot bomb" lairs on the coast of France. He is now serving as a first pilot on a B-24 "Liberator" bomber. He is the son of Mr. and Mrs. Joe Baumgardner of Wellington, Texas. He has been in the army two years, receiving his wings and commission at Waco, Texas.

BROTHER OF RESIDENT IS PRISONER OF WAR

Mrs. L. L. Russell has learned that her brother, Gordon V. Stoddard is interned at Prisoners Camp Moulmein, Burma, in the first news of his welfare in over 18 months, when his parents, Mr. and Mrs. A. M. (John) Stoddard of Plainview, were first notified by the government that he was a prisoner of war of the Imperial Japanese government.

Entering the service two years before Pearl Harbor, he had completed his aviation course when the Japs launched their undeclared war on the United States and had advised his parents that he had earned his wings and a lieutenant's commission in the navy air force. Stationed in Manila, he served there until that Pacific Bastion fell.

Bill Tilson Speaker at Lions Club

Despite his battle scarred uniform, S/Sgt. Bill Tilson, back from the grisly and unhappy fields of conflict, is rapidly becoming a civilian again. With 26 months of war behind him, the amiable youth declared privately Tuesday: "I have had enough of it I want to stay here. I'll do anything they say.... I'll pay taxes.... I'll be a good citizen if they won't send me back."

Displaying what may be the largest collection of souvenirs any single Motley county serviceman will bring home from the war Sgt. Tilson was the featured speaker at the regular meeting of the Matador Lions Club, held in the Methodist church basement, Tuesday. He had attended the Lions directors meeting held at 6:30 p. m. Monday. "I was impressed with the consideration the servicemen are receiving from the people back home," he declared. "They are trying to do everything in their power for home boys after the war is over."

Sgt. Tilson made a graphic address. He traced his experiences through the various countries in which he saw action, coloring the talk with personal observations that kept his listeners intent.

The Matador have been in practice the past several weeks with Gordon Gatewood as coach, assisted by Freddie Welling in the capacity of technical coach. Wilson and coach Pharr of Paducah; Supt. D. O. Cook and high school principal Hays of Spur; Supt. I. T. Graves and coach Murry of Floydada; Supt. A. P. Clemons of Lockney and Supt. B. F. Lt. Sherwood Is Killed In Plane Crash

Funeral services were held in Dallas early Monday for Lt. (j.g.) John William Sherwood, 23, graduate of Roaring Springs high school class of '38, who was killed in a plane crash at Cherry Point, North Carolina on September 11. He had started a solo flight to Washington, D. C., to meet his wife when the accident occurred. The plane crashed at the field during the take-off. Mrs. Sherwood was enroute by train from her home in Dallas to Washington to meet her husband.

Lt. Sherwood moved to Roaring Springs with his parents, Mr. and Mrs. W. D. McLean in 1934, where most of his boyhood and early youth was spent. His parents operated the Traveler's Hotel there for a number of years. Following graduation, he attended S.M.U. and later Texas Technological college from which he enlisted in the Navy Air Corps in 1941. He received his training in Dallas and Corpus Christi and received his commission as ensign in January 1943. He was sent to New York and assigned to a scouting squadron. He received his Lt. (j.g.) rating in January 1944 and was transferred to a scouting squadron at Cherry Point about two months ago.

Married Two Years

Lt. Sherwood was married to Miss Mittie Batten of Dallas in May 1942. She accompanied him on a short visit to Roaring Springs after receiving his wings and later made her home in New York. (See LT. SHERWOOD page 4)

Tribune Brings A Touch Of Home To Men In Services

The Tribune brings a touch of home to men who can not be home according to Chaplain M. O. Johnson, somewhere in the South Pacific, in a letter dated September 6th. The letter in part follows: "Dear Ben—Everyone else seems to call you Ben so I hope you will excuse me for doing the same.... "Even though I am practically a stranger in Matador, I get a thrill from reading letters the men write from various parts of the globe. They help me understand the thoughts and attitudes of servicemen in general and therefore be better prepared to serve as a chaplain.

".... our battalion has been and is now operating a hospital, and here too, we get a picture of war that cannot be expressed in print. But in spite of the mess and horror, the majority keep their chins up and do their jobs in order to accomplish and fulfill their war aim: to be able to go home.... Again I wish to express my appreciation for what you and your paper are doing towards helping bring a touch of home to those men who cannot be home. Sincerely yours, Murry O. Johnson."

The Tribune wishes to express sincere appreciation for the following unsolicited contributions in support of its servicemen subscription policy, received since last publication: Pvt. William Joe Hall \$2, A. B. McCoghren \$2, J. B. Simpson \$1, Freddie Welling \$1, Mrs. L. E. Kinsey \$5, Mrs. Billy Koon \$1, Odell Latham (Fivebaugh, California) \$1, Mrs. J. W. Hicks \$1, Mr. and Mrs. Freeman Thacker \$1.50, Mr. and Mrs. Algie Groves \$1, J. Tom Hamilton \$2, Mr. and Mrs. Sterling Price \$2.

Vernon Doss was elected Post Commander to follow retiring post commander R. A. Seay. Other officers elected were: 1st vice-commander J. Tom Hamilton; 2nd vice-commander Walter W. Carpenter; 3rd vice-commander H. H. Schweitzer; chaplain A. A. Harp; post adjutant J. R. Whitworth; post historian S. D. Rattan; sergeant-at-arms Lawrence Cartwright; post finance officer L. B. Robertson, and service officers M. S. Patton and J. R. Whitworth.

To Observe Armistice

L. B. Robertson reported that the Motley county honor roll had been completed with approximately 640 names placed on the board, located on the southwest corner of the court house square. A county-wide observance of November 11 Armistice Day was approved with committees appointed to prepare programs for the various communities.

Particular stress was placed on the need for increased membership in the Legion, especially of returning World War 2 veterans. The following membership committees were appointed: Matador: Tutt Garnett, L. L. Russell and W. W. Clements; Roaring Springs: Frank Ferguson and C. R. Brandon; Whiteflat: C. E. Harris, Frank Edwards and W. E. Smith; Flomot: J. L. Speer, Ernest Fisher and S. D. Rattan; Northfield: A. B. Simpson.

Veterans of both wars were urged to give full cooperation to the Legion in order to secure the greatest possible advantages for returning servicemen in the post-war era.

Diphtheria Yields To Spectacular Science Conquest

Few conquests of science have been as spectacular and complete as those relating to diphtheria. Science has firmly established the value of serum treatment in both its preventive and curative phases. However toxin-antitoxin, or its successor toxoid for immunization and antitoxin for cure, are sera of which the general public is even yet not fully aware.

According to Dr. Geo. W. Cox, State Health Officer, toxoid is the immunizing or preventive agent now usually employed. However, three or four months are required for the body to develop immunity. At that time the Schick test can be applied to determine the results of the preventive treatment.

Dr. Cox urges that children receive diphtheria immunization as early as possible, preferably as soon as they are six months old. The necessity for this immunization is apparent when it is realized that two-thirds of all deaths from diphtheria occur in the age group under six years.

"It cannot be too strongly emphasized that to deprive children of this protection which science has made possible is to subject them to unwarranted and unnecessary hazards that can easily turn into a tragedy," Dr. Cox said. "Parental interest in immunization must be more widespread if the Texas death rate from this disease is to be eliminated as a cause of death."

"When a child has been stricken with diphtheria, antitoxin is the only treatment that will save his life. Also, to be effective, it must be given early in the illness and in large doses. Delay is usually caused by parents failing to realize that any sore throat may actually be diphtheria. It is always safer to immunize against the disease than to risk curing it."

Dear Ben:

I've been wanting to write you
 a few lines ever since I've been
 overseas, but it seems there was
 always something preventing it.
 Well, I've heard it's been pretty
 dry around Matador this summer.
 I sure would like to see some of
 that weather over here, fog and
 rain seem to always be present.

Ben, I received my first copy of
 the Tribune today and you should
 have seen the delight and pleas-
 ure I had in reading every printed
 line. You people back home can't
 imagine just how much a paper
 from home and letters do mean to
 a fellow overseas. I'd like to thank
 you and say I certainly appreciate
 it. I'm now at my permanent base
 and I am a gunner on a Liberator.
 We see action over enemy ter-
 ritory frequently, but I guess that
 is about all I can tell you.

Thanking you, I remain,
 Sincerely,
 Sgt. James R. Neblett

P. S. Tell all the good people of
 Matador hello for me.

A letter from Richard E. Camp-
 bell Jr., SK 3/c of Camp Peary,
 Va., and his wife, advise that they
 are enjoying the home-town pa-
 per very much. "We don't believe
 there is a single fellow in the ser-
 vice that appreciates the paper as
 much as we do—thanks a lot",
 they write.

An Eighth Air Force Bomber
 Station, England. (Special to the
 Tribune). An Oak Leaf Cluster to
 his Air Medal has been awarded
 to First Lieutenant Ernest I. Kelly
 26, pilot of an Eighth Air Force
 B-17 Flying Fortress, for "courage
 coolness and skill" while partici-
 pating in several bombing attacks
 upon Germany military and indus-
 trial targets. Prior to entering
 the Army Air Force in June 1942,
 Lt. Kelly was coach of football
 and basketball at Matador.

Albert E. Rattan has received
 his appointment as Warrant Of-
 ficer (J.G.) and is now Assistant
 Communications officer of his
 cavalry unit. W/o. Rattan is sta-
 tioned in the Admiralty Isle, and
 writes, in part, "Am dropping you
 a line to let you know of my
 change of address. Haven't re-
 ceived the paper for some time,
 but I usually get several at a time.
 I really hate to miss a copy, be-
 cause it is both a source of in-
 formation and an inspiration.
 Thanking you and the people of
 Matador for your kindness and
 cooperation, I remain,
 W.O. Albert E. Rattan."
