Baccalaureate Will Be Sunday at Flomot

Baccalaureate service for Flomot High School seniors will be delivered by Rev. C. G. Sewell, pastor of First Baptist Church, Philipps, Texas, Sunday morning, May 20 at the Flomot Baptist church, with graduation exercises announced for Thursday evening, May 24.

The nineteen graduates of the class are: Vernon Brogdon, Joyce Lanell Cloyd, Keith Cloyd, Trula Dell Gilbert, Raymond Gunn, Joe Wendell Jacobs, Ruth Logan, Nola Pearl Moseley, Dacia Merritt, Weldon B. Merritt, Jack Pigg, Cecil Slover, Bessie Bell Smith, Geneva Tanner, Bettye Hicks Tanner, Richard Turner, Lowell Webb, J. A. Welch and Jacquelyn Martin Kendall.

Two of the boys, Turner and Gunn, are already in the armed forces. Each lacked less than one semester finishing before this year and are graduating under the plan which allows the school to evaluate their military services and on work which they have completed since going into the army. Six other boys in the class have reached the draft age and some of them expect to enter the armed forces as soon as school is out.

Miss Kendall has also completed a fraction of a term's work which she needed for graduation and is now employed in Fort Worth. Practically all of the girls in the class are planning to enter college next year.

Help Is Needed To Pack Used Clothes

Packing was begun Monday night, of clothing donated in the Used Clothing Drive for the needy of war-torn countries, W. F. Jacobs, chairman of the drive here announced at Lions meeting Tuesday.

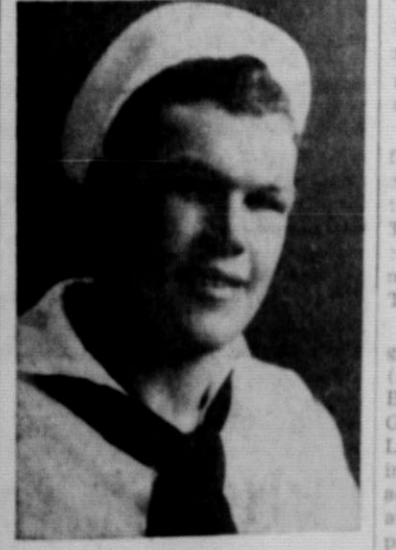

The work is being done by volunteers, and additional help is needed to complete the packing, weighing, typing and labeling of the boxes.

Additional contributions of used clothing will also be accepted, Mr. Jacobs said, as the county, as well as national quota, is still short of being met.

Court Of Honor To Be Held Tues.

District Court of Honor for Boy Scouts will be held Tuesday evening, May 22, at Quitaque, it is announced by Scoutmaster Tom Hamilton.

AT IWO JIMA

JOE SHIRLEY, F. 1/c. Joe Wilburn Shirley, 23, fireman, first class, USNR, son of Mr. and Mrs. J. V. Shirley of Roaring Springs, Texas, was aboard the new USS LITTLE when she had her first engagement with the enemy, according to a special release to the Tribune.

It was February 19, 1945 — D-day at Iwo Jima. The LITTLE under fire, went to within 800 yards of the beach to shell Jap caves and mortar positions, retiring only when most of her ammunition was expended.

He had been within the LITTLE since she received her commissioning pennant in Seattle, and had been with her during six months of sea duty. He was at his battle station for over 24 hours helping his ship through her first real test. The test was a successful one; the LITTLE came through with no loss.

GLADYS SPRINGER
Valedictorian

JACKY SIMPSON
Salutatorian

Highest honors for the Matador High School seniors go this year to Miss Gladys Marie Springer, Valedictorian, daughter of Mrs. Margaret Springer and the late George Springer, and to Jacky Simpson, Salutatorian, son of Mr. and Mrs. A. B. Simpson of Northfield and Matador. Miss Imogene Archer, daughter of Mrs. Lizzie Archer, ranked third. Highest class averages were made by Miss Aylene Dees, daughter of Mr. and Mrs. George Dees, and Harry Louis Willett, son of Mr. and Mrs. Harry Willett. Credits received in other schools during the past two years disqualified them to place as valedictorian and salutatorian.

Seniors Offered Changing World

"We are handing over to you the biggest mess possible to imagine, and it will be your job to set aright, something that is drastically wrong", Rev. L. B. Reavis, pastor of First Baptist Church, Plainview, admonished graduates of Matador High School in Baccalaureate service Sunday evening at the Baptist Church here.

"This is a world of drastic changes, shifting from peace to war, and before very long, another change from war to peace.

SUFFICIENT TIME TO APPLY FOR CANNING SUGAR

There will be ample time to secure canning sugar, after determining individual needs, as no dead-line has been set with regard to issuance of application blanks for this purpose, the local price and ration board has announced.

Much confusion has been caused through an erroneous rumor which circulated recently, that applications for canning sugar should be made early.

The local ration board has been instructed to issue only up to 70 percent as much sugar for home canning as they issued last year, and to limit the amounts per individual to a maximum of 15 lbs., as compared to 20 pounds minimum last year. However, it was also stated that the maximum amount will not be issued at one time, and that anticipated needs will determine the quantity issued.

Application blanks are available at the ration board office, and will be mailed to the applicant upon request. After the blanks are filled in and returned to the office, the sugar coupons for canning will be issued on the basis of how much canning was put up last year and how much the applicant intends to put up this year.

Sugar stamp 36 which became valid May 1 will stretch over a four-month period and no additional stamp will be validated prior to September 1, it was further announced.

This is a world torn asunder and soaked in blood—a world that has been forced to accept as a slogan, murder; yet, "...who knoweth whether thou art come into the world for such a time as this?" Rev. Reavis declared as he gave his scripture text from the fourth chapter of Esther.

Changes however, are inevitable, Rev. Reavis told his listeners, citing languages, customs, science and medicine, and stressing especially changes in standards and attitudes toward forces of evil.

Only God Unchanged

"Only God is unchanged... he is the same God of love and compassion", Rev. Reavis asserted. "Cling tenaciously to God-given principles — they do not change, even though standards might change... in the words of the Apostle Paul, 'Prove all things and hold fast to that which is good'—I could not give you better advice in this changing world, than this, unless it would be to give yourself in unselfish service to the world, in the name of Christ."

Rev. Reavis was introduced by Rev. H. G. Verner, pastor of Matador Baptist Church, following the preliminary numbers on the program which included Invocation by Minister H. Blevins of the Church of Christ, opening hymn and special music by the choir. Benediction was by Rev. Geo. E. Turrentine. Processional and Recessional was by Miss Jolene Bloodworth, with Miss Rachel Patton as choir accompanist.

Wounded Veteran Appreciates Paper

Although he did not receive a copy of the Matador Tribune during his 100 days spent overseas this spring, Pvt. Horace Jameson dropped by the office to express his appreciation in person, for being on the mailing list, and expressed confidence that his papers would eventually catch up with him there.

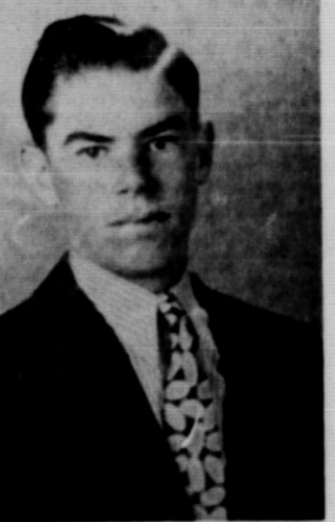

Pvt. Jameson, son of Mr. and Mrs. Jim Jameson of Hale Center formerly of Whiteflat, is visiting here this week with his sister, Miss Viola Jameson. He was returned to the states April 19 for a convalescent period, having been wounded in action in his first enemy encounter upon arriving in the European theatre of operations.

Pvt. Jameson went overseas in January, after training at Camp Hood. He wears a campaign ribbon with one combat star, and Expert Infantryman Badge.

Sincere appreciation is expressed for the following unsolicited contributions to aid in sending the Tribune to men and women in uniform: E. D. Hutson \$1, Chas. Brooks (Roaring Springs) \$3, Mr. and Mrs. Cliff Stephens \$1, Mrs. C. S. Washington (Flomot) \$1.

Salutatorian

John Ray Hunter, son of Mr. and Mrs. S. D. Hunter is Valedictorian of Roaring Springs High School class of 1945, with Miss Darnelle Morrison, daughter of Mr. and Mrs. W. C. King, as Salutatorian. Miss Dora Bannister daughter of Mr. and Mrs. W. S. Bannister, was third highest.

Students Entertain Lions Club

Ann Harp and Patti Pipkin, eighth grade honor students, and Rosemary Bloodworth, also of the eighth grade, were guest entertainers at regular luncheon meeting of the Lions Club Tuesday in the basement of the Methodist Church.

Following an appetizing meal of barbecue, vegetables and fresh pineapple, prepared by Chef Henry Pipkin and aides, P. Y. Springer and Elbert Reeves, Miss Bloodworth played an accordion solo which was followed by humorous readings by Misses Harp and Pipkin.

Besides the young ladies, other guests present were L. A. Stearns, Pvt. Mack Jacobs and S/Sgt. James R. Neblett.

Sgt. Neblett, recently returned from the European theatre of operations, made a brief talk, followed by a discussion of questions asked by the members. Asked what his most exciting mission was, he replied "Berlin". This was the 34th of the required 35 missions over enemy territory. "I was so excited that I forgot my life preserver", the youthful sergeant tall-gunner confessed. The preserver is part of the required equipment in event the planes are forced to make a water landing. His first mission was referred to as the "milk route" because of comparatively less dangerous than others.

Sgt. Neblett wears, besides his campaign ribbon, the Air Medal with 4 oak leaf clusters.

A report was made by Boss Lion D. E. Pitts, on business discussed at director's breakfast Monday morning, also by Lion W. F. Jacobs on the progress of packing clothing donations for United Relief, Lion Elmer Stearns on sale of E bonds in the seventh war loan drive, and Lion Henry Pipkin on a B-26 Marauder bomber.

COLORED SCOUT TROOP ORGANIZED

Organization has been perfected and a charter applied for one of the few Boy Scout Troops for colored boys in this section of the country, it was announced at regular Lions Club luncheon Tuesday by Boss Lion D. E. Pitts, who called for a report on the new organization by Scoutmaster Tom Hamilton.

Mr. Hamilton revealed that the new troop was organized at a meeting held Monday evening, May 7, with Charles Mangram, colored Scoutmaster, fourteen boys and three senior councilmen present. These were, C. C. Beck of Roaring Springs, Sam Price and Rual Phillips of Matador. The troop is sponsored by Macedonia Baptist Church.

The idea of a Boy Scout movement was first advanced for colored boys, Mr. Hamilton advised the club, by Sir Bayden Powell as he worked with natives of South Africa. The movement proved so successful there, that upon his return to England, Sir Powell started the movement for white boys.

Mr. Hamilton stated that so far as he had been advised, nearest places in this area having colored scout troops were Lubbock and Wichita Falls.

MATADOR, TEXAS

Met a man a while back who said that Jim Farley's wonderful memory for names and faces is largely a myth. This informant, who lives in a western state, said he was a member of committee that traveled with the former Postmaster General all day and at the last three stops, the committee member—just for the fun of it—got into line, as though he were a local citizen and filed by genial Jim. Each time, the citizen gave his name and each time (so he said) Farley shook hands with him and expressed pleasure at meeting him.

George Washington gave 16 years to serving our nation, gloriously and unselfishly, as commander of the Revolutionary army that won independence and as the first President. Yet when Washington retired from the Presidency a Philadelphia editor wrote: "Every heart in unison with the freedom and happiness of the people ought to beat high with exaltation that the name of Washington from this day ceases to give currency to political iniquity and to legalized corruption. It is a subject of the greatest astonish-

MARRIAGE OF FORMER RESIDENT ANNOUNCED

Mrs. Annie A. Hamiter, El Centro, California, announces the marriage of her daughter, Georgia Blanche, to D. C. Fulcher, of Anthony, Kansas, son of Mr. and Mrs. J. T. Fulcher of Tipton, Oklahoma in a double ring ceremony which was performed in the Yuma Wedding Chapel, Yuma, Arizona, Monday night, April 16, 1945.

The bride wore a dress of light blue with black accessories. Mrs. Kenneth Randolph served as bridesmaid and wore a sailor type dress to match the attire of her husband, Mr. Randolph of the U. S. Navy, who served as best man.

The bride is well known in Matador, having finished elementary school here before moving to California with her mother in January, 1943.

The couple will make their home in San Francisco where Mr. Fulcher recently secured employment.

CITATION BY PUBLICATION

The State of Texas:

TO: J. C. Clay Defendant;

GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 11th day of June, A. D., 1945, at or before 10 o'clock A. M., before the Honorable District Court of Motley County, at the Court House in Matador, Texas.

Said plaintiff's petition was filed on the 27th day of April, 1945. The file number of said suit being 1187. The names of the parties in said suit are:

Christine Clay, as Plaintiff, and J. C. Clay, as Defendant. The nature of said suit being substantially as follows, to wit:

A suit for divorce and the restoration to plaintiff of her maiden name, Christine Jacobs.

The plaintiff alleging that she and defendant married on the 12 day of March, 1944, and separated

on the 9th day of October, 1944. That soon after said marriage defendant assumed toward plaintiff a coarse and complaining attitude and often cursed her and called her vile and vulgar names, frequently flying into fits of anger at her.

That in the month of September, 1944, defendant was sued by a woman, who claimed to be his lawful wife, for divorce and support of herself and his seven children, who claimed to reside in Nacogdoches county, Texas, and although defendant denied to plaintiff that he had ever married said woman, but finally did admit that he had lived with her for eleven years, as his wife, upon learning which fact, plaintiff asked defendant to take her back to her parents, telling him that she could live with him no longer.

That he flew into a rage and struck plaintiff with his fist and told her that if she went back to

her folks she would be carried in a coffin. That she did not know he had ever lived with said woman, and on account of such cruel treatment, she abandoned plaintiff and has not lived with him since, and asks for divorce.

Issued this the 27th day of April, A. D., 1945. Given under my hand and seal of said Court, at office in Matador, Texas, this the 27th day of April, A. D., 1945.

WE CAN NOW ACCEPT YOUR ORDER FOR

New Royal TYPEWRITERS

The limitation order restricting the sale of new Royal Typewriters since March, 1942, has been revoked, and it is no longer necessary to secure authority from the War Production Board to purchase a new Royal Typewriter.

The demand for new typewriters is expected to exceed the ability of the factory to supply them for many months, because of manpower and material restriction. Deliveries on new Royals will be made as rapidly as production permits, and of course the earlier you place your order, the earlier you'll get delivery.

If you need a new typewriter, place your order with us now for the new World's No. 1 Royal. We will be glad to furnish you with full particulars. Call or write

Year-Round Care Is Necessary For Healthy Shrubs

It is well for home-owners interested in the landscaping problems of their homes to bear in mind that keeping their shrubs healthy and attractive is a year-round job. Mrs. Lois Jo Krause, county home demonstration agent advises. Though winter is the time to give the shrubbery a general pruning, several prunings may also be needed during the growing season. After shrubs bloom early in the spring they should be cut back immediately so that they may begin to form flower buds for the next spring.

"Shrubs and trees neglected during the winter may be pruned until the middle of July, Mrs. Krause said. However, heavy pruning in the summer, which produces an abundance of new growth later in the year, is dangerous. Suckers on tree trunks should be cut off, and if a second crop of flowers is desired from crape myrtle, vitex and other late blooming plants, the flower tips should be removed before seeds are formed. When summer flowers such as petunias grow into unattractive forms they may be cut back. New growth will bloom before frost. Some kinds of pruning may be done any time during the year. Dead limbs, diseased limbs, limbs that rub and injure each other should be removed regard-

less of season." Several rules should be kept in mind when pruning Mrs. Krause pointed out. For example; plan all large cuts before taking off any small limbs, use sharp tools, and leave no stubs as all cuts should be sharp and clean. Cut all dead, dying, diseased limbs first. Prune roots with a spade, by thrusting the spade into the ground to a depth of 8 or 14 inches. Clip the roots, and repack the soil.

Practice and study are necessary for satisfactory results in pruning, but mistakes for the beginner should not cause discouragement, as vigorous plants will soon cover them up, and the beginner will know how to do better next time.

Much Progress In AAA Work Revealed

Data secured from Elbert P. Reeves, Administrative Officer of the local AAA office reveals the following interesting facts concerning AAA work done in Motley County for the 1944 program year:

Dirt moved in the construction of 87 dams on 76 farms amounted to 200,468 cubic yards. An estimated 1060 acres were terraced to the extent of 216,269 feet on 9 farms, while diversion terraces were constructed on 5 farms, totaling 11,694 cubic yards. A total of 25 wells drilled on 23 farms totaling 2472 feet was reported.

Only 13 farms contour strip cropped 777.9 acres, while 43 farms reported 4248.0 acres non-contour strip cropped.

Operators on 65 farms summer fallowed 5769.5 acres, while 310 farms contour listed and farmed 41,776.7 acres.

Small grain was contour drilled on 2509.4 acres on 37 farms.

Stubble was left on the ground on 53,874.9 acres on 493 farms.

Mesquites were eradicated on 133.3 acres.

Only one farm reported green manure cover crops to the extent of 60.0 acres, while 8 farms reported small grain cover crops on 411.6 acres.

New Practice Introduced

A new practice last year, harvesting sudan for seed was carried out on 6 farms with a total of 116.0 acres reported.

Ranches deferred grassland on 9928.4 acres.

The report revealed that out of 602 worksheets in 1944, consisting of 117,882.5 acres, 555 farms, with 115,207.1 or 92% of the farms participated in the program, with 98% of the total land covered by work sheets.

In addition to AAA work, the local office handles special services in corporation with the War Board, Office of Defense Transportation, O.P.A., C.C.C. and Federal Insurance Corporation.

The local office helped 16 operators secure new trucks or pickups as well as processing over 100 certificates of war necessity.

Over \$4,000 was paid in subsidies to approximately 175 dairy producers in Motley County during 1944, through Commodity Credit Corporation.

Producers asked for and were given 11 loans on grain sorghums, under regulations issued by CCC.

Over 87,760 board feet of lumber was issued to producers for essential repairs and new structures.

Farmers requiring utility extension approval was granted for approximately 100 farms making possible R.E.A. service for 17 miles of high line energized about April 1, 1945.

An Open Letter To The Graduating Class of '45

Dear Seniors:

Graduation day marks a step forward in your life. The long hours spent in the class rooms have brought a fruitful reward, and we are proud of you. Proud, because to us graduation is a symbol. A symbol of a young life reaching toward self improvement, and it means that a community will be made better because of you. So go forth, Young Graduate, and carry with you all of our congratulations and Best Wishes, and feel secure in the knowledge that we trust you as citizens of tomorrow.

Sincerely,

Will you hold a FAT-SALVAGE BEE for your country?

HERE IN AMERICA, when a neighbor needs help, it has always been the custom for all the folks to pitch in and give him a hand. Many a harvest would have been lost without the help of a husking bee.

YOUR COUNTRY NEEDS a fat-salvage bee right now! Millions of tons of fat have been used up to supply the thousands of battlefields and home-front needs in the war. And there's still a lot of war ahead!

A PLEA TO EVERY WOMAN! Our country is calling on you, the women in small cities and towns and on the farms, to save every drop of used fat. Your used fats are desperately needed to meet our country's requirements.

So scrape all pans and roasters. Skim soups and gravies. Keep your used fats in a tin can—any kind will do. Save meat trimmings and plate scrapings in a bowl; melt them down and add the liquid fat to your can.

When the salvage can is full, take it to your butcher. He'll give you 2 red points and up to four cents for every pound. If you have any difficulty turning in your used fats, call your Home Demonstration or County Agent.

Needed this year: 100,000,000 more pounds of used fats

Approved by WFA and OPA. Paid for by Industry

The Bloodworth Piano Audition

Jolene Bloodworth, young daughter of Mr. and Mrs. Joe Bloodworth of Whiteflat, a Matador High School student, and a piano pupil of Mrs. Ohmer Kirk of Floydada, entered the annual Piano-playing Audition held recently in Lubbock. The Burg of Oklahoma City, was the judge. A group of sixteen pupils entered. Miss Bloodworth averaged 98%, a highly commendable rating, with a "Very Good" Achievement Level. The piano program is the same for a national winner. It includes five types of music: (a) Technic; (b) Bach; (c) (d) Romantic (Classic); Modern compositions.

Piano pupils are graded on the following points: Accuracy, continuity, phrasing, pedaling, dynamics, rhythm, tempo, tone, interpretation, style, and technic.

ARRIVAL ANNOUNCED

A/S Clyde Williams and Mrs. Williams are parents of a daughter born May 8, in St. Anthony Hospital, Amarillo. She weighed 7 pounds, 8 ounces and has been named Sandra Gale. Seaman Williams, who has been based at Lafayette, La., visited here this week with his grandfather, J. F. Williams, patient in Stanley Clinic, after visiting his family in Amarillo. He will report at Great Lakes Naval Training Station after leaving here. Mrs. Williams is the former Nona Helen Kingery.

Mrs. Henry Reed and small daughter arrived in Matador for a visit with relatives and friends.

Theme Is Hawaii At Junior-Senior Banquet On May 4

Grass skirts, low-hanging moon and flowers combined to form a proper Hawaii atmosphere for the annual banquet given by the junior class to honor the seniors, which was held Friday evening, May 4, in the basement of the Baptist Church.

The tables were decorated with runners of ivy entwined with artificial flowers. Miniature pipers, grass-skirted figures were used for favors, and sophomore girls who acted as waitresses, wore flower and lace costumes. Gordon Russell acted as toastmaster for the following program: Invocation, Supt. B. F. Tunnell; Welcome, Grace Evelyn Shelton; Response, Frank Williams, "Pagan Love Song", Earlene Laugh-

lin, accompanied at the piano by Frances Schweitzer; Introduction of Speaker, Jolene Bloodworth; Address, Prof. Vernon Doss; "Hawaiian Love Song", Jolene Bloodworth, Dorothy Woodruff and G. Simpson; Poem, Lou Marshall; "Aloha Oe", Frances Schweitzer, Mary Jaunice Wilkinson and Betty Price.

LOCAL MARINE IS INTERVIEWED BY SEATTLE REPORTER

While Pfc. Lonnie Russell, son of Mr. and Mrs. L. L. Russell of Matador, was in Seattle, Washington this spring, awaiting his discharge from the armed forces he was interviewed by a reporter

Pfc. Lonnie Russell (Post-Intelligencer Photo)

on the Seattle Post-Intelligencer, Seattle, Washington, which resulted in the following news release, used with the permission of that publication.

Four Medals Tell Story

"I gave so little in comparison." Pinned neatly to his deep gray marine corps blouse was the record, in three neat rows of medals, of what Pfc. Lonnie Russell, waiting in Seattle yesterday for his discharge, gave for his country.

But there is the more permanent record—a right leg that escaped near amputation on Saipan is shorter than the other, now. Yes, he limps a little. Not that you notice it much.

Not until you hear of the 21-year-old veteran's survival through 35 months of death-caked beachheads on Guadalcanal, Makin, Tarawa, Saipan. And see the vivid blues and reds and purples of his Navy Cross, the Purple Heart, the Bronze Star, the President citation.

He brought back the Jap flag that once infamously flew over Tarawa. He waits now to display it to his family in Los Angeles that he left four years ago. But the Service Men's Club of the War Chest has made Seattle "seem like home."

A surprise attack during the last four days of sleepless battle on Tarawa trapped Russell alone in his pillbox. They killed his buddy.

"The next morning they counted 150 dead Nips in front of me."

And awarded him the Navy Cross, the nation's second highest honor.

A grenade winged into his foxhole and Jap machine gun nests opened up around him on Saipan. Using his rifle for a crutch, he carried other wounded back for aid.

"I passed out and woke up on a hospital ship and tried to walk but found I couldn't move."

Since then it has been island to island and hospital to hospital and then Seattle.

At the sight of Seattle's peaceful skyline, the 15 men left with Lonnie of the original 15,000, cried and shouted and kissed the deck of their ship.

"For us, the foxhole dreams came true."

Recruits Needed By Marine Corps

U. S. Marine Corps will enlist 45 seventeen year old recruits during May. These men will be enlisted in the Reserves and called to duty during July and August.

Applicants should write U. S. Marine Corps, P. O. Bldg., Lubbock, Texas, enclosing birth certificate.

Replacements are needed at once to take the place of Marines killed and wounded in our late battles in the Pacific, according to Charles W. Clark of the Marine Recruiting Station in Lubbock.

"Our physical examinations are rigid and only one out of five applicants are able to pass our tests" Sgt. Clarke stated. "Our quota for May is large and we need these recruits for the big job that lies ahead."

NEW RESIDENTS

Mr. and Mrs. M. E. Kifer have moved here from Holland, Missouri, and he will be in charge at Kifer's Service Station. The new-comer is a nephew of Clarence Kifer.

Dale P. Moseley Wounded In Hand

S. Marine Corps, who was in the D-day landing February 19, on Iwo Jima, was injured in the hand, he has written his parents, Mr. and Mrs. Harmon Moseley of Flomot.

In writing of the battle, he assured his parents that he was OK and still driving a bulldozer. "I won't ever attempt to tell you about the battle", he wrote, "because it would be impossible to do so. Maybe some day I can try to describe it, although I can never explain a thing like this and don't want to, for a guy

wants to forget about it as quick as possible."

Pfc. Moseley wrote the letter on Jap paper, but said the owner was "very much dead". He also stated that he hadn't had a chance to take a bath in the 25 days he had been on the island and had changed clothes only once and washed his face about two times. The letter was dated March 14.

LOSES TOE IN ACCIDENT

Harmon Mills of Lockney, formerly of Matador, had the misfortune recently of dropping a tractor wheel which he was unloading, on his left foot, mashing it so badly that amputation of the second toe was necessary.

Mr. and Mrs. Mills and young son Bobby, were visitors here

last week with her sister and family, Mr. and Mrs. J. P. Smith.

Resident's Mother Dies At Eastland

Mrs. Anna Aldrich, 74, mother of local resident, A. B. Aldrich, died at her home in Eastland, Tuesday of last week. She had been a resident of that place for a number of years.

Mr. and Mrs. Aldrich, who were called to the bedside on Saturday, May 5, remained for the funeral services which were held last Thursday.

THE SENIORS HAVE FUN

A bunch of "droopy-eyed" Seniors mounted a cattle truck hired to take them to Lake McClellan Friday, April 27. This group who had to meet at the school house at 8:00 a. m. were soon wide awake for how could one be sleepy with rain beating in one's face! After several sessions with our sponsor, Mrs. White, a decision was reached by a majority vote of going to Childress for the rest of the afternoon. After a recess of recreation at Childress the Seniors boarded the cattle truck for the second time and reached home about 3 p. m. In spite of the rain and wind the Seniors all

spent a never-to-be-forgotten day.

The Seniors were entertained with a sunrise breakfast by the B. F. Tunnell's in their back yard Monday. Sausage, eggs, fried potatoes, biscuits, (and oh, what biscuits!) pickled peaches, preserves and coffee completed a wonderful breakfast. After breakfast, the Seniors entered wholeheartedly in games of various sorts and returned to another day at school just in time to make the second period class.

KAMPUS KLATTER

Dorothy Woodruff didn't lose much time finding another boy friend did she John? My how these triangles form. Who is going to get Gordon, Mary J. or Wilma Faye??? Bobbie Lou spent the week-end in Lubbock and she returned home in all smiles. Colonel what about that! Joan seems to like a boy by the name of Robert and it isn't Robert Gatewood in this case. Wonder

where Joan gets that chewing gum? Tommy and Dizzy, Sleepy and Bugs, Jeanne and Jacky went rabbit hunting Sunday night, they had a good time from all reports, and they shot a lot of rabbits!! June Black and Murrell have started going together again. Mary M. and Charles B. were seen together Sunday and she was seen with Clyde Saturday, how Mary does get around?? Gwendolyn has been giving attention to Walter Wayne lately, has Thomas gone out of the picture? These Wilkinson girls, Mary J. went with Gene Morriss last week, Charles Bird, what happened to you Thursday night? Tommy did you have a good time at the Roaring Springs play??? Elwanda did!!

Set Example For The Nation

TED R. GAMBLE, National Director of the Treasury's War Finance Division, and his son, Ted, Jr., exchange War Bond presents in honor of Father's Day, June 17. The Father's Day Committee is urging all fathers and sons to follow the example set by the Gambles.

Letter Cites Many Outstanding Deeds

In a letter to the editor, commenting on her successful entry in the "Sweetest Story Ever Told" radio contest read over the air recently, which paid tribute to local resident J. R. Whitworth, Mrs. Arthur Cooper writes, "...I am proud of my War Bond, and even prouder that I was instrumental in getting recognition for one of Motley County's outstanding good citizens.

"As listeners may have noticed, the text of my letter was not read but the narrator chose to emphasize Randall's letter-writing as his chief good deed. That is an outstanding contribution, as I know from experience. In my college days, several attacks of home-sickness were staved off by the arrival of those mirth-provoking little postcards, concerning events in the old home-town, and signed 'R.W.' And nowadays, Fred G.'s letters often include such comments as, 'Received a chatty letter from Randall today; according to him, things in Matador are really humming.'

"However, my letter to the radio contest also enumerated other of Randall's unselfish deeds which were not mentioned on the program. For instance, his regular contributions to the newspaper fund, his daily visits to shut-ins (of which I knew several personally), his help to high school boys in securing work and places to stay, back in the days when they were hard to find, and several other activities.

"Motley County has many extra good neighbors. I had previously written letters to other radio programs about not only Randall Whitworth, but also Ben and Lila Meador for their tremendous work in furnishing every serviceman with the home-town paper, and Henry Pipkin for his unselfish deeds for others. However, this was the first of my letters to be used. These and many other good citizens of Motley county are keeping it a home county of which our distant servicemen may well boast."

After the battle, brother!

War's stern needs, as you know, have far advanced the previous limits of gasoline performance. In all this progress our share has been great—especially because of our extensive research and process development. Whenever the same mature abilities can be focused on NEW-DAY CONOCO BRONZ-Z-Z GASOLINE, your car will get a strong "second wind." For there'll be new-day power in this high-octane fuel. And it will fire clean—to let your engine thrive. So then every latest gasoline feature will be yours—and you'll know it plainly—using NEW-DAY CONOCO BRONZ-Z-Z GASOLINE. Continental Oil Company

Your gasoline today

Get it at Your Mileage Merchant's Conoco station. Then you'll know it's made to be every bit as good as the regulations now permit. Just be sure of your Station Identification—that big red Conoco Triangle. Where you see it you can buy with confidence.

Old Settlers Are Asked To Support Camp Revival Move

A movement is being suggested by C. C. Haile of Afton, president of Motley-Dickens Counties Old Settlers Association, that an old-time revival camp meeting be sponsored by the organization and to become an annual affair to be held at the Old Settlers' pavilion at Roaring Springs.

In presenting the matter for public consideration, Mr. Haile declared it is not his idea to offer this as a suggestion to replace the annual reunion held by the Old Settlers in August, but that it might be held at a different date and as a separate feature which the organization might sponsor.

"Our boys will soon be coming home from the war, and we should have a better place and better environment for them as they come in", Mr. Haile stated. "I am thinking of an Old Settler's Revival, on the old camp meeting site, where all surrounding communities might gather and worship and where sinners may be convicted and converted. If you can endorse this and will help in any way, I would like for you to write me a card or letter, giving your ideas."

Directors To Meet
A meeting is called by Mr. Haile of the directors of the association, on Saturday, May 26, at the pavilion in Roaring Springs, when the matter of the revival will be further discussed, as well as plans advanced for the annual reunion later in the summer.

Everyone interested in the association is invited and urged to meet with the directors and offer any suggestions which they might have for either or both the revival meeting and annual reunion.
