MAVERICKS TO PLAY BREEZERS HERE THURSDAY

The Matador Mavericks will conclude this football season in a final game with the Floydada Breezers to be played here Thursday, November 15, at 2:30 o'clock.

Great interest has been shown in the progress of Matador's junior team, recognized as potential material for future high school championship.

The two teams are well-matched. The Mavericks defeated the Breezers with a score of 7-2 at the beginning of the season, and the Floydada boys came back to defeat Matador by a score of 19-0. Except for these 2 games neither team has suffered a defeat. Both teams are determined to win, so the public is promised an interesting and hard-fought game.

A small admission of ten, twenty and thirty cents will be charged, to help buy equipment and defray other expenses for both teams.

Matador should feel proud of these youngsters and their coach T. E. Wood, and should back them 100 percent by attending this game.

MRS. CERETHA FRANKLIN BUYS CAFE AT SLATON

Mrs. Ceretha Franklin has sold her interest in the Magnolia Cafe here, to her sister, Mrs. Isabel Muse, and has purchased the White House Cafe at Slaton, Texas.

With her two sons, Charles and Elmer Lee, she will move to Slaton in the immediate future. She expected to assume charge of her new business this week.

War Chest Drive To Go Through Nov.

The War Fund Campaign in Texas will continue through the month of November, Governor Coke R. Stevenson, honorary president, and Judge Ben Powell, president, notified Douglas Meador, county chairman, last week. The drive was due to end October 31.

Motley County has collected \$1,306.00 of the \$2,250 quota. "Failure of the National War Fund Campaign in Texas to raise more than 62 per cent of

Livestock Killed By Mad Wolves

Rabies-infected coyotes, or West Texas "wolves" have caused the loss of three hogs and two cows in the Northfield community, located in the extreme northeast corner of Motley county.

Boone Simpson noticed one of his hogs acting in an unusual manner last week and later shot the animal after he had decided it was going to die. While he was hauling the carcass away, two more hogs developed the same symptoms and died within a short time. He sent the head of one hog to the State Health Department at Austin, and received the following telegram: "Positive evidence of rabies."

One of Mr. Simpson's farm hands had found a coyote in the hog pen a few weeks previous and ran the animal away, since he had no gun at the farm.

Mr. Simpson said he had lost two cows from rabies-infected coyote bites.

Malcolm Reinhardt Arrives In States

Word was received here last week from Mr. and Mrs. M. T. Reinhardt of Denver City, former Matador residents advising that their son, Sgt. Malcolm Reinhardt, recently released prisoner of the Japs, had reached home. After a few days at San Antonio, he is to return to Denver City.

Since his return home, he has married, and with his wife and parents, expects to visit in Matador in the near future. They will go to Crowell to visit the grave of Gene Reinhardt, youngest brother of the sergeant who died last year.

Mr. and Mrs. Bill Conroe, accompanied by Mrs. C. E. Woolery, and Misses Billye Joe Archer and Mary Ruth Muse, all of Lubbock, spent the week-end visiting relatives here.

Immediate Building Of New Courthouse Not Being Advanced

Present building conditions would make the actual immediate construction of a new courthouse impractical, if not impossible, according to civil leaders favoring the \$175,000 bond issue set for Saturday, November 17. It was declared Tuesday that no member of the Commissioners' Court had advocated the immediate construction of the building.

The issue is the "saving to posterity" of an amount in the neighborhood of \$100,000 on needless interest costs provided the county votes and sells bonds in the near future. After the first of January financial leaders believe long-term money will advance to 4% or more. The county has an option to sell its bonds before the first of 1946 for approximately 2 1/2% interest. The saving on the sum estimated as needed for the improvement would be about \$100,000 in interest over a period of 40 years.

Old Bonds Never Sold

Rumors have been circulated to the effect that the county voted \$80,000 in bonds for a courthouse in 1938 and that the money was used for other purposes. There is no foundation to the statement. The bonds were voted but they were never sold and no levy was set to retire them. Had the money been received, it could not have been used for any purpose except that for which it was voted.

The 1938 bond issue was voted so late. The county delayed voting so long that the govern-

Li. C. M. Jackson Reported Missing

A message was received by relatives here last week, advising that Lt. Charles M. Jackson, of the U. S. Marine Corps was reported missing October 22. The lieutenant, pilot of the plane, was on a mission between Luzon and Okinawa, and the telegram advised that he was "Missing in line of performance to his country." No further information has been supplied by the government.

Lt. Jackson is the youngest son of Mr. and Mrs. John Jackson of Matador. His wife and young son, David Gordon, live in Pasadena, California.

Cook Rites Held Sunday

Last rites were held here Sunday afternoon for H. L. Cook, 63, who died of a heart attack Tuesday of last week.

Services were conducted from the Church of Christ, with Ministers T. E. Wood and H. Blevins in charge, and members of the Masonic Lodge serving as pallbearers. They were: Jay Brown, Harold Campbell, Vernon Doss, B. H. Hobbs, Robert Darsey and Alvin Stearns. Special Masonic rites were conducted at East Mound cemetery, where the body was laid to rest, with Henry Ford as Master of Ceremonies, assisted by Robert Darsey and Harold Campbell. Harmon Funeral Home of Floydada was in charge of the burial.

Assisting Mrs. L. R. Bishop with the floral offering were Messdames Virgil Rattan, Everett Smallwood, H. Blevins and Jim Edmondson.

County Applies For Advanced Payment On Transportation

An application for advanced payment of transportation has been filed with the State Department of Education, through the office of the County Superintendent and the County School Board.

Estimated earnings for 1945-46 are \$11,114, according to Mrs. C. Warren, Assistant County Superintendent, who says that the State Department of Education is authorized under the equalization law to make an advanced payment when such reports are submitted. If the money is granted, it will be used for the payment of operating costs of bus transportation, and for paying the salaries of bus drivers in the county.

On October 20, a bus drivers' Institute was held in the courthouse at Matador, with all bus drivers and a number of school superintendents and trustees attending. The purpose of the meeting was to teach safety, first aid, and economy in the care of school buses. Highway Patrolman Sam J. Gardner of Childress gave a lengthy discussion on the bus driver's responsibility and laws relating to the operation of school buses. He also gave a first-aid demonstration.

Most of the bus drivers have received their certificates, showing that they and their buses have passed state requirements for transportation aid.

Born In Tennessee

Huey Lee Cook was born in Small, Tennessee, January 11, 1882 and passed away at Matador, Texas, October 30, 1945, at the age of 63 years, 9 months and 19 days. He was married to Miss Margaret T. M. Spurling, in Matador on August 8, 1912.

He was two years of age when his parents moved to Anson, Texas, and he came to Motley county in 1911, making this his home since that time. He was a member of the Masonic and Woodman of the World lodges.

Survivors are his wife, one daughter, Mrs. Tutt Garnett, three sons, Wilson, Elmer and Nevada Cook; one granddaughter, Anna Lois Garnett; his mother, Mrs. John M. Cook of Noodle, Texas; five brothers and two sisters.

W. M. U. TO PACK BOX FOR ORPHANS

The Baptist W. M. U. will pack a box for Buckner Orphans Home, at the church next Monday, November 12, it was announced this week. Plans were to accept donations this week, but due to lack of information concerning the work, few responded.

All women of the church are requested to bring donations of good, used clothing, also cookies to the church next Monday, at 3 o'clock.

POPPIES TO BE SOLD SATURDAY

Poppies will be sold over the county Saturday, with the American Legion Auxiliary in charge, it was announced this week by Mrs. M. S. Patton, president of the organization. The Poppy Committee is composed of Mrs. D. P. Keith, chairman, Mrs. Ethel Payne and Mrs. Clarence Kifer.

Sales were started in Flomot earlier in the week, that community having requested 500 to sell. The remainder of the shipment of 1000 poppies have been distributed among the other communities in the county.

The poppies are made by disabled veterans in government hospitals over the nation, and the worthwhile movement of selling them is sponsored each year by Legion auxiliaries on the Saturday preceding Armistice Day.

Veterans On Lions Program

Two veterans of World War 2, ex-Lieutenant Albert Rattan and Capt. George D. Stapleton, highlighted the program of the Matador Lions Club in regular luncheon meeting in the Methodist church basement, Tuesday at 12:30 p. m.

Mr. Rattan, who landed in Japan 20 minutes after the peace terms were signed, outlined some of his impressions of lands and people during more than two years spent in the Pacific.

He said the people of Australia were greatly interested in the United States and were eager to adopt American methods of business and American customs, which they preferred to the British. He landed at Port Moresby, New Guinea on Christmas day, 1943.

RECENT VISITORS

Recent visitors in the home of Mr. and Mrs. V. A. Rattan were their daughter and husband, Mr. and Mrs. Lewis Mullins, who went to Dallas from here, and expects to make their home there. Also their daughter-in-law, Mrs. Truett Rattan, who had been visiting in Amarillo and was enroute to Cleburne where Mr. Rattan is athletic coach in the schools, having recently been discharged from the Navy.

RETURNING HOME

Sgt. William T. Harmon, veteran of the Pacific theatre of warfare, has arrived home and is visiting his parents, Mr. and Mrs. L. W. Harmon of Roaring Springs. He enlisted in the armed forces March 15, 1942, and spent a furlough here this spring after 32 months of warfare, after which he was again sent overseas.

Gloom On Hopes For Bond Quota

Less Than Half Of "E's" Sold After Workers Finish First Intensive Week

PALL of gloom has settled over workers and leaders in Motley county's Victory Loan drive with a quota pegged at \$50,000. Chairman Elmer Stearns said at the Lions meeting Tuesday that the first week of intensive work netted less than half of the quota and that the high hopes of workers had been cooled with the realization that the quota may not be attained in this, the last loan drive. Mr. Stearns said that Matador has not yet attained its quota of \$15,000 in "E" bonds but that he believed it would be reached.

Elswhere in the county picture is vastly different. Response indicates that only the most intensive

Floydada To Play Here Fri.

Second game of the season to be played on the home field, will be in progress Friday night when the Floydada Whirlwinds meet the Matadors under lights here.

Great interest in the game is being displayed, as grand-stands and goal posts receive crepe paper decorations at the hand of students in advance preparation, today.

Only one other game will be played here this season, that being Thanksgiving game, when the Paducah Dragons will invade this territory.

Veterans Reminded Of Free Show Tues.

All Motley county ex-service men are reminded that they and their families are invited to attend a free picture show at the Rogue theatre here next Tuesday evening, November 13, as guests of Fleming Post, American Legion.

D. C. Bradley, Post Commander declares the film which will be shown, will be of special interest to those attending.

Flomot Luck Holds

The Flomot football team won its seventh victory Friday afternoon by defeating the Turkey high school team on the Turkey gridiron, to the tune of 34-2.

Playing without the services of Frank Fisher, half-back who was out with an infected arm, and away from home on a grassy field and meeting unexpectedly strong opposition, the Longhorns had a tough time of it in the early stages of the game, and were lucky to finish the first half with a 6-2 lead.

They "got going" shortly after the half however, and completely dominated the play the rest of the way.

Although Flomot had a distinct advantage in weight and experience, the Turkey lads put up a game fight and are to be commended for their fine teamwork and fighting spirit.

Flomot plays at Kress Friday, and at Silverton the following Friday. The Silverton game will go a long way toward deciding the district champion.

New Chevy On Display This Week

Next to the ending of the war in news value is the showing of new automobiles, for the display of 1946 models represents to the people of the nation that the rubber-tired wheels of peace are turning.

Another postwar automobile, the new 1946 Chevrolet was first shown in Matador, Saturday, November 3rd. Delay in delivery plans caused many agencies to fail to get demonstrators cars in time for the planned nationwide "C Day." R. E. Campbell, manager of the Campbell Chevrolet Company here, was notified by Oklahoma City that the car could not be delivered in time for display Saturday. Later and after advertising had been cancelled, he was advised that a car could be delivered. It is the first new model introduced by the Chevrolet division of General Motors since 1941.

The new Chevrolet has attracted large crowds since Saturday, despite the fact that little advertising of its arrival has been circulated.

The new car embodies traditional mechanical features that have distinguished Chevrolets from other cars of their price-class, such as six-cylinder valve-in-head engine, vacuum-power gearshift and diaphragm-spring clutch. In prewar days Chevrolet held the sales leadership of the automobile industry.

Mr. Campbell extends a cordial invitation to everyone to come in and inspect the new 1946 model.

Relatives Attend Funeral Wednesday

Mr. and Mrs. G. S. Craven, with other members of their family, attended funeral services at Wichita Falls last Wednesday, for Mrs. Craven's brother, W. L. Barclay, 63. Mr. Barclay died on Monday morning after a week's illness caused by brain hemorrhage, from which he had not regain consciousness. He was an old-time resident of Wichita Falls.

Survivors are his wife, a son and daughter, two grandchildren, 4 sisters and 1 brother.

Also attending the services were Mr. and Mrs. Arvil Craven of Portales, N. M., Vernon Craven of Bartlesville, Okla., and Mrs. J. D. Craven of Matador.

RETURNING SERVICEMEN EXPRESS APPRECIATION FOR HOMETOWN PAPER

Almost daily, returning servicemen stop by the Tribune office to express their personal appreciation for having received the home-town newspaper while in service.

Joining these men, and the many others who continue to write their thanks, the editors express appreciation to those who contribute toward the fund to send the paper to men and women in uniform. Recent contributions include the following: Mrs. Enmett Lawrence, \$1.; Mrs. Lucille Queen, \$1.; Mrs. Vernon Doss, \$2.; J. A. Tipton (Northfield) \$1.

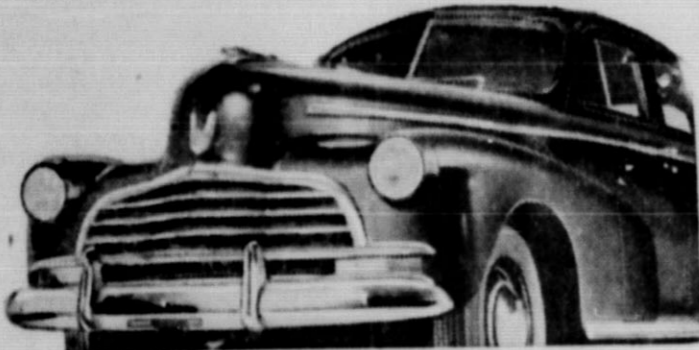

NEW 1946 MODEL CHEVROLET

The Stylemaster Sport Sedan

1946 model Chevrolet, a outstanding not leading design, but for materials and construction engineering, proved economy and depend-

and contour emphasis and lowness of from front to rear. The active radiator grille, the right, presents an gleaming chrome-plated bars, framed within a making. A model of ability, it tends to em- phasish as well as lowness.

Front-End Styling Accentuates Massive Low Lines

MATADOR

SCHOOL CARNIVAL

When Carnival sponsored by the Junior-Senior was declared successful. The total cleared approximately \$415.00, to be divided between classes. This money will help defray the expense of the Junior-Senior high school annual sponsored by the Senior. We wish to thank Mrs. Miss Fuesell for help in the carnival.

STUDENTS

There are a lot of customs in one of these customs a student who has the average in each class to the Lions Club. The students for the week term are: Freshman Harp; Sophomore, Wilkinson; Junior, Speck; Senior, Jolene.

MEET A SENIOR

Name—Gordon Russell
Age—17
Height—5' 7"
Color of Eyes—Green
Color of Hair—Brown
Favorite Food—Stolen water-melons
Favorite Movie Star—Bettye Hutton
Pet Hate—Two-faced people
Hobby—Girls
When he joined the '46 class, in the 1st Grade.
Ambition—to be a doctor, wife and 12 kids.

KAMPUS KLATTER

Well, I'm sure everyone will agree that Mary Jaunice and Elwyn make a cute couple, but what did Billy Joe say????

We had heard that Gordon and Earlyne weren't on the best of terms, but you surely couldn't tell it Sunday!!!
It seems that Roaring Springs is still popular, at least it was Sunday afternoon.

Elwyn didn't even break Betty's heart—at least she and Duck are still making the rounds.

Marines To Enlist Thirty This Month

During the month of November, thirty men will be enlisted into the ranks of the Marines out of West Texas.

Men 17 through 25 are eligible and are now being interviewed by recruiting officers throughout the country. These men will serve with the colorful peace-time Marine Corps, according to S/Sgt. Daniel N. Pope, Recruiter, whose headquarters are in Lubbock, Texas.

The Sergeant stated that only the best of applicants are accepted. This is due to the fact that sound physical condition and the equivalent of 8 years schooling are absolutely essential in order for a young man to become a Leatherneck.

Those interested should write or apply to U. S. Marine Corps, Box 1142, Lubbock.

Duck will learn to dance before long, won't you Duck????

There are really some "swoonerful" boys at Ralls. Billye Frank and Jonita will be sure to agree. They even came to see the girls Tuesday night!!!

Are the Freshmen girls bashful??? We know they couldn't be—maybe they're men-haters!!!

Why does Frances S. go to Floydada so often? We are beginning to get suspicious!
Charles looked lonesome after Earlyne's party, but he and Punk got along very nicely Saturday night.

Notice!!! It looks like someone has hooked Don Wason at last. Pretty good fishing, Mary Sutton.

Everyone reported a jolly good time at Earlyne's party. Those evening gowns really looked snazzy!!!

"Dark Eyes" must have been written for that flirty little freshman—H. A. Stephens!
R. C. can't you even take a hint???

Ann, you'd better watch these girls from Turkey—Jimmy Guest seems to be getting around pretty fast!!!

Wonder why Wanda S. doesn't notice these Matador males???

Could it be Tom Fish from Flo-mot???

What's this we heard about John K. and Ernestine???

Keep track of this new affair!!!
Several Matador kids haunted Floydada Halloween night. Matador wasn't exactly quiet either!

It's a wonder the merchants could even find their place of business through the maze of jumbled signs and this and that. What a coincidence! All business men decided to wash their windows Thursday morning!

Ernestine, Mary, Jerry and Micky had their fortunes told not long ago! "I see a bright future for all of them!"
Evelyn, Wilma, Earlyne, Bugs and June were getting excited about the crazy house Tuesday night! Maybe hoping that a few of those nuts would get cracked up!

Say James W.—we like your new name. "Frankie Philip." Truth!! Oh, maybe that was James P!!
Bonner—"Hap" better known as: what's next???

Found: Lime green socks in Crazy House Tuesday night.
A corsage which we think is Billy Frank Skaggs's.

Ideal Couple of Week: Margaret Sanders and Walter W. Spray. Nice going kiddoes!!!
Lou, Elwyn and Murrell seem to make the steady threesome. Close our dictionaries, we're speechless!!!

Gordon and John are deserting the Matador girls for two cute Floydada chicks! What is the world coming to???

NOV. 21, 1945

AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

- Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)
- Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 1, 1945, who reenlist before Nov. 21, 1945.
- An increase in the reenlistment bonus to \$50 for each year of active service since the bonus was last paid, or since last entry into service.
- 20% extra pay when overseas.
- Paid furlough, up to 90 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.
- Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
- Option to retire at half pay for the rest of your life after 20 years' service—or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.
- Benefits of GI Bill of Rights.
- Family allowances for dependents of men who enlist or reenlist before July 1, 1946.
- Choice of branch of service and overseas theater in Air, Ground or Service Forces on 3-year enlistments.

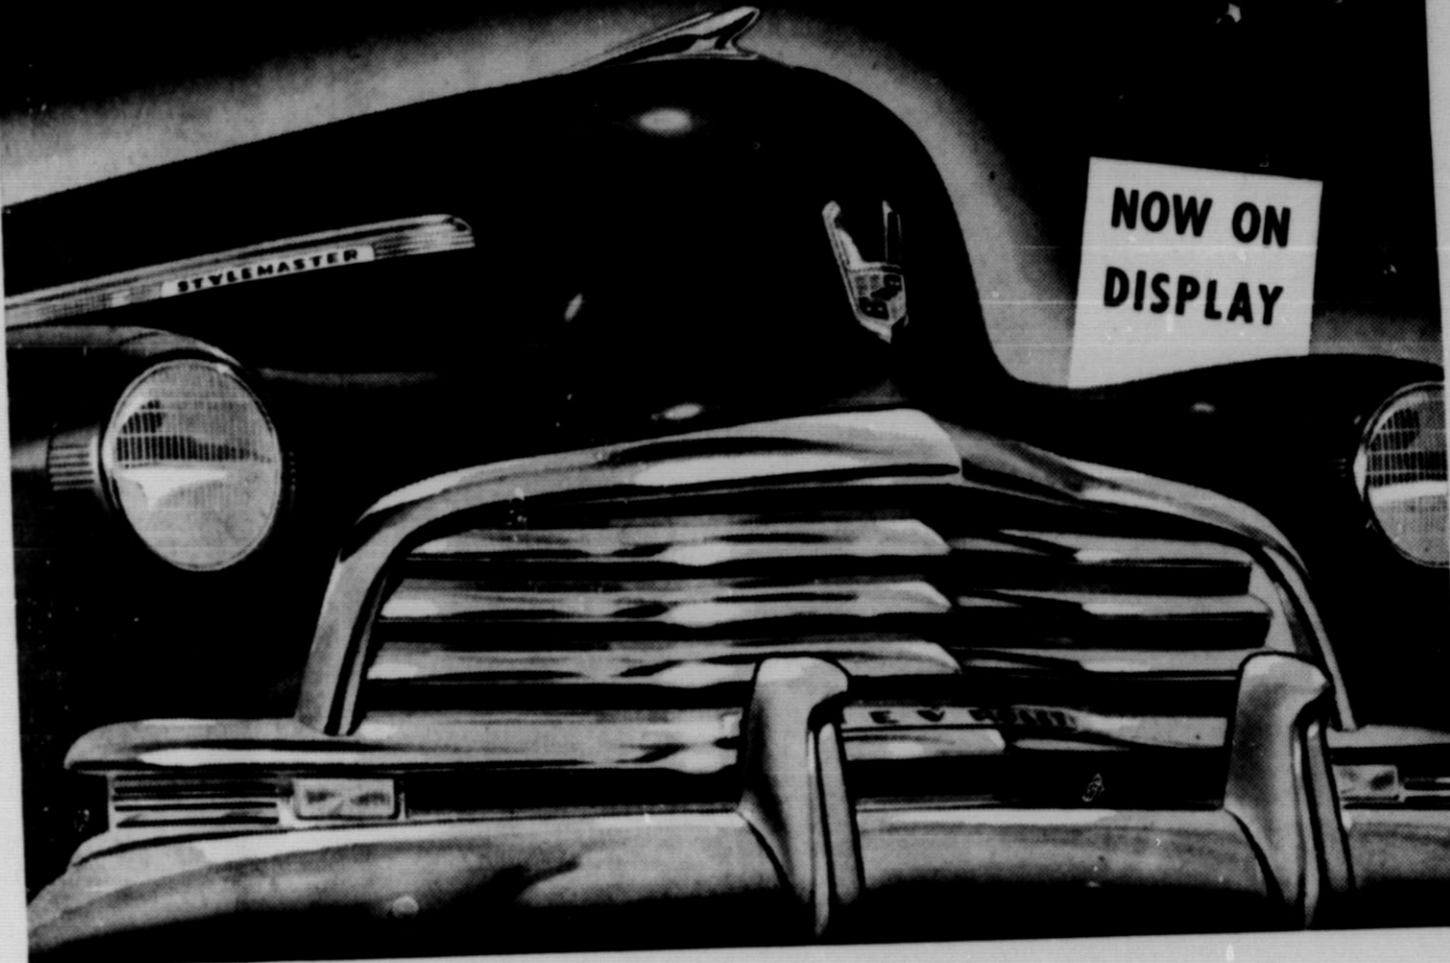

PER MONTH—ENLISTED MEN

Starting Base Pay Per Month	MONTHLY RETIREMENT INCOME AFTER:	
	20 Years' Service	30 Years' Service
Master Sergeant	\$89.70	\$155.25
or First Sergeant	74.10	128.25
Technical Sergeant	62.40	108.00
Staff Sergeant	50.70	87.75
Sergeant	42.90	74.25
Corporal	35.10	60.75
Private First Class	32.50	56.25
Private	32.50	56.25

Styled to lead in Beauty

Engineered to lead in Performance

Built to lead in Economy

Outstanding appearance features of the new 1946 Chevrolet include: new Beauty-Leader Styling; luxurious Body by Fisher; new Wide-Wing radiator grille; new hood ornamentation; new two-tone color harmonies; distinctive new instrument panel; and massive new "Car-Saver" bumpers, both front and rear.

Notable engineering features include: Chevrolet's proved Valve-in-Head Thrift-Master Engine for performance with economy; the famous Unitized Knee-Action Ride for comfort; Extra-Easy Vacuum-Power Shift and Shockproof Steering for driving ease; and Positive-Action Hydraulic Brakes for smooth, safe, positive stops.

For years, Chevrolet has been the most economical of all largest-selling low-priced cars, from the all-round standpoint of gas, oil, tires and upkeep; and the new Chevrolet for 1946 is designed and built to maintain this reputation for highest quality at low cost. Be sure to see this beautiful new car at your Chevrolet dealer's.

R. E. CAMPBELL, Manager

MISS JANELLE JACKSON BECOMES BRIDE OF JOE SHIRLEY IN CHAPEL CEREMONY

A candlelight ceremony, performed on Thursday, October 13 at 6 p. m. (1800 Navy time) before the flower banked altar of the Navy chapel at Bremerton, Washington, united in marriage, Miss Janelle Jackson, daughter of Mr. and Mrs. J. A. Jackson of Matador, and Joe W. Shirley, P 1/c, son of Mr. and Mrs. J. V. Shirley, Roaring Springs, Texas.

The double-ring ceremony was performed by Chaplain Lt. (j.g.) Philip P. Young, as the organist played favorite nuptial selections, including "O Promise Me" and the wedding march from Lohengrin.

The bride wore a two-piece light blue wool dress, with black shoes and purse, and winter white hat and gloves. Her corsage was of white gardenias with broken carnations. She also wore a pearl necklace and matching ear screws, a gift of the bridegroom, and for "something borrowed", she carried a handkerchief belonging to her attendant, Mrs. Robert Meason. Mrs. Meason wore a pale green suit with brown accessories, and a corsage of pink carnations.

Robert Meason, W/O, cousin of the bridegroom, acted as best man. Also in attendance was Chaplain Edward R. DeLair, of the Bremerton Naval Base.

Mrs. Shirley was reared in Matador, and is a graduate of this high school. She was active in school athletics, being a member of the girls champion basketball team, and was also editor of the school news during her senior year. Following graduation, she was employed by Western Union of Odessa, Texas and upon her return here, was clerk in the local OPA office. She resigned her position there last year to accept a position in the office of Sheriff and Tax Collector H. H. Courtney, which position she held at the time of her marriage.

The bridegroom is a graduate of Roaring Springs High School, having been reared in that community. He returned home in the early part of June after 10 months service at sea, and wearing 3 combat stars on his campaign ribbon. He was aboard the ill-fated destroyer USS Little at Iwo Jima, during the ship's first engagement with the enemy. The Little was later reported lost in the Okinawa area.

The young couple are making their home at 816 Warren, Bremerton, where Fireman Shirley has been based for the past four months.

Reinhardt-Weaver Rites Announced

Announcement is made of the marriage of Miss Dean Weaver of Abilene, Texas, to Sgt. Malcolm Reinhardt, in a simple military ceremony performed Sunday night, October 28, at 9:15, in the home of Lt. and Mrs. Toney Wheeler of Seagraves, Texas.

Attendants to the bridegroom wore army uniforms. Officiating was Rev. Clayton, Baptist pastor of Seagraves.

Present were: Lt. and Mrs. Tony Wheeler, Pfc. and Mrs. Geron Wheeler, Pfc. and Mrs. R. C. Willingham, and Mr. and Mrs. M. T. Reinhardt, parents of the bridegroom.

Lt. Wheeler, a special friend of Sgt. Reinhardt, was a companion of his through the fall of the Philippines, and through their imprisonment in Cabanatuan Camp No. 1, where the lieutenant was liberated in January. Sgt. Reinhardt was then sent on to Japan last December 13, and was liberated at Camp Jensen, Korea, Sept. 7, 1945.

Parents-Teachers To Meet Wednesday

The Matador Parent-Teachers Association will hold its regular meeting Wednesday afternoon, November 14, at 3:30 in the library of the grade building.

The program will be a forum discussion on the subject, "What the teacher expects of the home" and "What the parent expects of the school". Mrs. Elbert Reeves will lead with Mrs. Mae McKenzie and Mrs. Curtis Graham participating.

A cordial invitation is extended to the public to attend.

Scarlet Fever Shows Dangerous Advance In State

Scarlet fever, now nearly three and one-half times higher than the seven-year median in Texas, is one of the most disabling and dangerous diseases usually associated with childhood, although actually it is confined to no age limit, according to Dr. Geo. W. Cox, State Health Officer. One hundred nineteen cases were reported in the state during the week ending October 20, bringing the year's total to 3,443.

The doctor described scarlet fever as an acute infectious disease, the onset of which is sudden. The first symptoms including sore throat, vomiting, fever, and headache, may appear in three to five days after exposure. These are followed by the distinctive red rash which gives this disease its name, Dr. Cox stated.

Complications may cause prolonged disability or death. Children suffering with scarlet fever may develop sinusitis and middle-ear infections which can lead to mastoiditis. As the germs spread through the child's system, the joints, kidneys, and heart may become involved, causing life-long invalidism or crippling.

"A child with any kind of a sore throat should be seen by the family physician promptly", Dr. Cox asserted. "If scarlet fever is present, the treatment recommended will do much to alleviate discomfort and reduce the possibility of serious complications."

Clyde Smallwood Back From Pacific

Pfc. Clyde Smallwood arrived home on October 27 for a visit with his parents, Mr. and Mrs. Everett Smallwood, after spending the past 25 months in the Pacific area of warfare.

He reached the states October 3, and had been retained at McCloskey General Hospital, Temple before coming here, and will report back there when his 30-day furlough is up.

Smallwood has 2 combat stars on his Asiatic-Pacific campaign ribbon, the Philippine Liberation ribbon and Combat Infantryman Badge. He also has the Purple Heart award for wounds received at Bougainville when he received mortar fragment wounds in the right leg when trapped in a Japanese ambush nine miles beyond his own lines, and from which he effected a spectacular escape after waiting 11 hours for nightfall and darkness.

Social Security Benefits Increase

Sam Leifeste, manager of the Lubbock office of the Social Security Board, today released the current figures on the Social Security Program for this area.

On September 30, 1945 there were 828 monthly benefits in force in the Lubbock field office area, comprising nineteen counties. Of this number 209 are retired workers over sixty-five years of age who are receiving monthly payments and 53 wives who are sixty-five years of age. There are 396 children of retired and deceased workers receiving monthly checks as well as 144 widows who have children in their care, 15 aged widows and 3 dependent parents over sixty-five years of age. The total monthly payments to these beneficiaries is \$11,159.50, an increase of approximately 69% over the figures of May 20, '44.

In addition to the monthly benefits in force, 52 lump sum payments have been made to claimants in the Lubbock area during the last six months totaling \$6,268.32.

METHODIST GROUP ATTENDS FLOYDADA ZONE MEETING

A group of delegates, representing the Women's Society of Christian Service of the Methodist Church, attended a Zone meeting at Floydada last Thursday.

Included on the day's program were musical selections by Mrs. G. E. Hamilton, and a vocal duet by Mesdames J. R. Whitworth and Fay Jacobs of Matador.

Others attending the meeting were: Mesdames Ethel Payne, Harry Willett, C. D. Pipkin, W. Y. Higgins, H. H. Schweitzer, G. E. Turrentine, Homer Sheats and Ted Steen, and the pastor, Rev. G. E. Turrentine.

Some "Dirty Thief" Gets Thief's Clothes

FORT WORTH, Nov. 3.—The theft of a clothing thief's clothes left him in jail clothesless today.

Apprehended by the 78-year-old owner of the suit he was wearing, a 48-year-old clothing thief admitted the theft to police and led them to the spot where he had hidden his suit when he donned the stolen one.

It wasn't there. Some "dirty thief" stole it.

LOCAL GIRL IS ELECTED HONOR SOCIETY OFFICER

CANYON, Texas, Nov. 8.—Charlene Giesecke of Matador and Roaring Springs has been elected secretary-treasurer of the Mary E. Hudspeth Honor Society here.

Miss Giesecke, sophomore at West Texas State College, became a member of the society by making the college honor roll. She is the daughter of Mr. and Mrs. C. W. Giesecke.

MOVE TO STEPHENVILLE

Mr. and Mrs. J. L. Bogus, residents of the Fairview community the past several years, plan to leave this week for Stephenville, Texas, where they have purchased a home and expect to make their future residence, that having been their home originally before coming to this section.

NEW ARRIVALS

Shirley Kaye was the name given an 8 1/2 pound daughter born to Mr. and Mrs. Loyd Stafford of Roaring Springs, on Sunday, November 4, at Stanley Clinic.

Mr. and Mrs. K. R. Smith of Elton, are parents of a girl born Sunday, October 4, at Stanley Clinic. She weighed 9 pounds, 15 ounces.

VISITORS HERE

Visitors here this week in the home of Mr. and Mrs. H. S. Watson, are two of her sisters, Mrs. M. P. Fulkerson of Lockney and Miss Ada Shands of Oakdale, California. Miss Shands accompanied Mrs. G. N. Fuller from California, who was called to the bedside of her father, R. F. Simpson of Roaring Springs.

Captain Kermit K. Beahan, Houston, Texas, dropped the atomic bomb on Nagasaki, Japan.

ROARING SPRINGS GIRL IS DORMITORY OFFICIAL

DENTON, Texas, (Special to the Tribune) In dormitory elections held recently on the campus of Texas State College for Women, Miss Marian Alice Mitchell of Roaring Springs was elected war activities chairman of Fitzgerald Hall.

In order to be a dormitory official, a student must have at least a C average in all college work, must have leadership ability, and must have a clear disciplinary record.

Miss Mitchell is a freshman student at TSCW, majoring in interior design. She is the daughter of Mr. and Mrs. J. D. Mitchell of Roaring Springs.

UNDERGOES SURGERY

Mrs. J. L. Peck of Afton, underwent major surgery at Stanley Clinic, November 5.

Cold Weather

Another winter is at hand and it is time to reequip your home to save fuel, and to make it more healthful and comfortable. You will find our stock as complete as the present market affords. If you are planning to build or repair, we will be glad to advise you and serve you in any way possible.

MOT SCHOOLS MAKE MUCH PROGRESS DURING FIRST TEN WEEKS SURVEY SHOWS

Flomot School system has completed ten weeks of successful operation during the current year and is making steady and substantial progress, according to a survey made the past week.

The school is operating with 100 students and 108 teachers. Ten teachers have been employed and all are cooperating with determination in this banner year in school history.

Superintendent of the schools is D. Rattan, who also is principal. He holds B. A. degree from Baylor University, and is teaching in the graduate work in the University of Chicago. He is serving his twenty-first year as a teacher and administrator in Texas schools.

Mr. Biggs, High School Principal, is a state permanent certified teacher serving his twenty-first year as a teacher and administrator. His home is in New, Texas.

Gela Sherman Stanley, school history teacher, holds a B. A. degree from West Texas State Teacher's College, and is teaching her first year. Her home is in Braden, Texas and she has had experience teaching in that state.

Bernice Griffin is high school English teacher. Her home is in Callahan County near Clyde, Texas. She holds a B.A. degree from Abilene Christian College, but has had no former public school teaching experience.

Mrs. H. V. Cromer, teacher of Home Economics, is a graduate of John Tarleton College at Stephenville and is teaching her third year. She also has some work in the upper grades of the grammar school.

Mrs. S. D. Rattan is serving as grade school principal and teaches in its upper grades. She has completed nearly four years of work in Mary Hardin Baylor College. This is her fourteenth full year to teach and her fifth year in Flomot school.

Mrs. Alla Gene Pepper, formerly Alla Gene Pritchett, teaches in the intermediate grades and assists Mr. Biggs in directing the choral club. Mrs. Pepper is a graduate of Matador High school and of West Texas State Teachers College, Canyon. She is an accomplished pianist and her playing adds much to the assemblies and other programs.

Miss Edna Ruth Bourland also teaches in the elementary grades and coaches girls athletics. She is a graduate of Flomot High school and of Wayland College and has completed some additional work in West Texas State College. She has been employed for the past two years in the Northfield school.

Mrs. George D. Pope, who teaches the second and third grades, is a graduate of Clarendon College and has credit for some additional work in McMurry College. This is her second year in her present position.

Mrs. Edna Mae Taylor, primary teacher, is the wife of Webb Taylor, who lives just over the county line in Floyd county. She has done college work in West Texas State College and this is her third year in her present position.

New School Busses

The school has been greatly aided by the purchase of some new school busses, two of which belong to Flomot School and one to the White Star School. These busses go within a reasonable distance of every home in the territory and provide children with a comfortable and safe way to attend school.

The lunch room is functioning satisfactorily under the direction of Mrs. Zula Payne, with Mrs. Thelma Moseley as assistant and Miss Juanita Reed as part-time employee. Mrs. Rattan and Mrs. Cromer also give valuable assistance in checking and keeping records for the lunch room.

W. E. Burleson and E. J. Hines have given the school invaluable assistance this year by rendering voluntary service as football coaches. Thus far their team is undefeated in seven starts.

Eighteen courses for credit are being taught in the high school department. The school holds affiliation in each of them. Nineteen diplomas were awarded to high school graduates last school year, and almost as many will be awarded at the close of the current year.

In the Armed Service

Flomot News

CHORAL CLUB GIVES PROGRAM THURSDAY

The Flomot School Choral Club, directed by J. E. Biggs and Mrs. Alla Gene Pepper gave its first public performance Thursday night. The program was well attended and enjoyed by the audience.

Proceeds will go to defraying the expenses of the football team, the pep squad and the choral club to Plainview on November 10, to visit places of interest there and to see the Plainview-Amarillo football game in the afternoon.

Mr. Pearl Tanner of Flomot and Mrs. Lucille Brackett of Amarillo, were married in Plainview on Friday afternoon, November 2nd. They arrived in Flomot Saturday, and plan to make this their home. The groom is a brother of R. H. and Austin Tanner of this place.

Mr. and Mrs. James Williams and daughter, Dorothy Helen, former Flomot residents now living in Lubbock, spent Sunday visiting in the home of Mrs. Mae McKenzie in Matador.

Among those from Flomot who attended the funeral of Hugh Cook in Matador Sunday afternoon, were W. A. Rattan, J. L. Speer, R. H. Tanner, S. D. Rattan and Ernest Fisher.

Sgt. Delphia Jones, son of Sam Jones of Flomot has recently been discharged from the armed forces, and is now with relatives in Allen, Okla. Sgt. Jones served three years and 11 months in the armed forces. He was overseas approximately one year, during which time he served with Gen. Patton's third army and with Gen. Patch's seventh army.

Operation of the Flomot school has been suspended for two weeks to allow time for harvesting the cotton crop.

Mr. and Mrs. Joe Thomas and Mr. and Mrs. Glea Moseley and children were recent visitors in Childrens in the home of Mr. and Mrs. A. L. Clements.

4 overseas bars. He was in service 3 years, 9 months, 1 day, and overseas 1 year, 11 months, and 17 days.

Pfc. Eugene Lee, who was overseas for 42 months, returned to the states the 8th of October and received his discharge on the 17th. He was in the Mariannas, and Okinawa campaigns and has 2 combat stars on this P.O.A. campaign ribbon.

Discharged from the U. S. Navy are the following: Wayland Hoyt Scott, S 2/c, on November 1, at Camp Wallace, William Hollis Godfrey, ARM, 3/c, at Norman, Oklahoma, October 28, and Thurman Fraiser Watson, MM 2/c, at Camp Wallace, October 30. The files do not contain the service record of Navy personnel.

Many Advantages Are Offered By Army Enlistment

Many opportunities are offered by enlistment and re-enlistment in the Army, according to information furnished by headquarters of West Texas U. S. Army Recruiting District, Lubbock, Texas.

For the benefit of the many veterans who are not informed of these provisions, the following information is supplied:

Men enlisted prior to 1 February 1946, will be enlisted in the grades specified as follows:

(1) Men honorably discharged and enlisted within 20 days after the date of discharge, will be enlisted in the grade held at the time of such discharge, permanent or temporary, whichever is higher.

(2) Men honorably discharged on or after 12 May 1945, and before 1 November 1945, will be enlisted in the grade held at the time of discharge, permanent or temporary, whichever is higher, provided enlistment is effected prior to 21 November 1945.

(3) Men enlisted in the categories described in a (1) and (2) above will be given the same date of rank as that held at the time of discharge.

"The peacetime Army offers advantages that few jobs have," Major Robert G. Gibbons, in charge of recruiting for the West Texas US Army Recruiting district declared. "The work is much easier, you have an abundance of recreational facilities, excellent food and quarters, and pass and furlough privileges are more than generous, you have Wednesday and Saturday afternoons and Sunday to yourself, a three-day pass each month, as provided by Army regulations, 30 days' furlough each year, in addition to your re-enlistment furlough; and approximately one full day to yourself for every two days duty performed."

MARRIED

Miss Alice June Loftis and Murry Dennis Fairbairn of Cottle County, were united in marriage here, Monday, November 5, by Rev. Geo. E. Turrentine, pastor of the Matador Methodist church.

ENGLISH NEWSPAPER ALL BEFUZZLED IN REPORTING AMERICAN FOOTBALL

The following is a verbatim copy of an article appearing in the English newspaper Daily Express, Monday, November 13, 1944.

"Sixty thousand Americans and their girls swarmed into the White City Stadium, Shepherd Bush, yesterday to see the U. S. Army vs. the U. S. Navy in what General Doolittle described during the interval as a "real old fashioned American football game."

Girl cheer leaders from the services pranced in front of the crowd waving megaphones, exciting yells like 'A-R-M-Y, Army and N-A-V-Y, Navy.'

Meanwhile a free fight seemed to be going on in the center of the stadium. Twenty-two enormous young men in crash helmets were locked in a deadly struggle for an oval football.

They wore spiked—cleated is the word the Americans use—shoes, strange ginger shorts which cling closely to the thighs and end abruptly just below the knee, and padded jerseys, red and white for the Navy and navy blue for the Army. They needed those pads and the crash helmets too!

The object of the game seems to be to pass the ball to some unfortunate player, and then for everyone else to dive on him. One of the rules is that he must never let go of the ball, so he does down with a crash.

The only thing that moves play towards the goalposts seems to be the instinct of self preservation of the man with the ball. He runs as far as he can before he is either maimed or killed by the other players.

The program seemed sinister. It gave names of the eleven men of each team. It then gave the list of fifteen substitutes for each team. The "substitutes" sat swathed in blankets awaiting their call to battle. Many of them did not have long to wait.

First casualty went to the Navy. Horrified, I watched a G. I. scamper across the field with two buckets in his hands. But not, as I thought, to mop up the blood. He avoided the prostrate player and was besieged by the rest of the team. The buckets held towels and water for the players still left alive. Six times during the game the buckets are rushed out. If a team asks for them more often, it is penalized.

Casualties are dealt with by a doctor, who rushes out with a black bag. The umpires (splendid in white plus-fours and striped shirts) and stretcher bearers help if they are needed.

American football is played in four quarters, not two halves like ours. Each team has the ball for four "tries." If by that time they have not made the necessary yardage, they relinquish possession of the ball.

Before each "try," the team which has the ball goes into a huddle while the captain decides who shall be the next victim to receive the ball—and the subsequent assaults. You can assault your opponent any way at all except by "clipping" the back of his legs. That, an American beside me solemnly explained, is liable to break them.

Favorite method of attack yesterday seemed to be: (1) Springing like a tiger at the man's throat or, (2) Just shoving so that sheer weight bore him down. The attacker must keep one foot on the ground as he tackles. After the tackle he is usually all on the ground.

The Navy lost yesterday 20 points to nil. As the average weight of the Army was about

Boys In The Service

Sgt. Fred E. Brandon of Matador, who is training in Military Police duties at Buckley Field, Colo., was among the twenty-five volunteers tramping the snow in the Rockies in search of Mrs. Louise B. Standing who has been lost near New Castle, Colo., for the past week.

This Buckley searching party including a Commanding Officer who is skilled in forestry, two truck drivers, a medic, cook, photographer, and reporter, are fully equipped for mountaineering, and will collaborate with Forest Rangers, Sheriff's posse and Civil Air Patrol. Relatives and friends, frantic to find the woman still alive, have offered a reward of \$1,500.

Pvt. D. C. Cross of Camp Hood is spending a furlough here visiting his wife and parents.

A letter from Lt. Jack Robinson Jr., written at Steeple Mordean, England on October 22, says in part, "... I should have written you sooner to stop my Tribune, but I thought I would be in the U. S. before a letter would get there. We have had a little hard luck, and as a result have been waiting a month for ships. Three times we were assigned to a ship and each time something happened. The strikes in New York didn't help any either. We think now that we will sail November 4 on the Queen Mary, so shouldn't I go before I am back in Texas. I go to Fort Sam Houston at San Antonio and will be placed on the inactive list of the Reserve Corp. or receive a discharge.

"While waiting I have been to London a number of times so yesterday I went out to see Mary Ola's friends, Doris Eartrawl and family. I visited with them for about three hours and they are very nice, and especially glad to see someone from Matador. She asked lots of questions about all of Matador, the printing office, etc. She gave me three September copies of

16 stone, one felt sorry for the Navy, whose top weight was a mere 13 stone.

During the interval—end of the second quarter, as they say—Corporal Ruby Newell, who has been voted the prettiest girl in the U. S. Women's Forces, was presented to General Doolittle. Ruby is fair, but not blonde. Chosen seemed popular judging by the cheers.

Meanwhile the band played and the goat mascot of the Navy paraded with the donkey mascot of the Army. As the Navy did not have a band, the Army lent them one. The borrowed band put on white doughboy caps, but their playing suggested that they would rather have played in the Army band where they belonged.

On the Tube coming home, there was strange jargon all around. "He got smeared" seemed to mean literally that a player was rolled into the earth. "Bullet pass" also had a literal meaning. It meant that a ball was thrown so hard at a man that it knocked him out. It was a favorite pass.

But the sixty thousand Yankees had had a good time. And so had I.

WORLD'S CHAMP COWBOY

Louis Brooks of Sweetwater, bareback riding champion of the world and named by the Rodeo Association of America as the United States' champion cowboy, will do his stuff at the International Championship Rodeo in Dallas, Nov. 9-18. Above, Cowboy Brooks loses his hat, but not his seat, as a tough bronc takes to the air.

the Tribune, and I have just finished reading them and enjoyed them very much. She also talked about June Seay a lot. I think June was the one she wrote all about the blitz of London, in letters which were published in the Tribune. I enjoyed the entire family a lot.

"Must close. Will drop in to see you the latter part of November."

Pfc. Leonard W. Crowell, who is with occupational forces in Germany, has a change in address as follows: 2nd Ren. Cavalry Hqs. Football Sq. Group A.P.O. 403 care Postmaster, New York.

Pfc. Frank W. Vinson has been transferred from Camp Swift, Texas to Ft. Sill, Okla., at this address: 1864th Service Command, POW Camp.

WITH THE 96th DIVISION IN THE PHILIPPINES: (Special to the Tribune) Cpl. James A. Jackson, Box 275, Matador, Texas, a machine-gunner assigned to Service Battery of the 361st Field Artillery Battalion will soon wear on his right sleeve the emblem which denotes that his unit has been awarded the Unit Service Plaque by the Army. It is the gold and yellow wreath awarded for meritorious achievement in the Leyte and Okinawa Campaigns.

Under the most severe terrain

Bigger Market Indicated For Peanut Crop

NEW YORK, N. Y., Nov. 8.—New markets for Texas peanut crop, estimated at 398,000,000 pounds this year, are forecast with an announcement from James A. Stewart, vice-president in charge of American Can Co. research and development division, that new canned peanut products are being tested.

Mr. Stewart said that his company's research department has canned experimentally peanut scrapple, peanut succotash, baked peanuts and soy beans in tomato sauce, peanut soup and chocolate pudding with peanuts. He added that results of this experimental canning indicate these products can be commercially packaged.

The high nutritive value of peanuts, one of the best sources of vitamin B1, together with the

and weather conditions, Corporal Jackson and his men stood by their guns, protecting their battery position against the enemy. In both operations the Battalion's hard-hitting 105mm howitzers played an important role in annihilating the Jap defenders.

GRAND MASTER OF TEXAS TO ATTEND MEMPHIS LODGE

MEMPHIS, Nov. 8.—One of the largest gatherings of Masons of the lower Panhandle in years is anticipated by the Memphis Lodge on Tuesday night, Nov. 13, when the Texas Grand Master, Bascom Giles of Austin, will be the honored guest at a zone meeting here.

"Masons of this area are indeed honored," said W. B. Hooser, worshipful master of the Memphis Lodge, "in having our Grand Master present and we hope every Mason in this area will take advantage of the opportunity and be present."

An invitation has been extended all Lodges in the lower and east Panhandle, from Vernon on the east to McLean on the north, to send as large delegations as possible and participate in the program honoring the Grand Master and hear his message.

P. L. Vardy, Jr. of Turkey, District deputy grand master, and N. W. Durham of Memphis, Grand Marshal of the Grand Lodge of Texas, are assisting Hooser in the arrangements for the zone meeting which is scheduled for 7:30 o'clock.

It is the grand master's only scheduled visit in this section and for that reason members of the Memphis Lodge are hopeful of a large attendance from Lodges throughout the area.

nut's widely popular flavor, should create an excellent market for such items, the can company official continued. As an indication of the importance of peanuts in the diet of the American soldier, he said that more than 62,000,000 cans of the nuts were supplied the government during the first six months of 1945. During the war the military forces used 100,000,000 cans of peanuts annually.

The can company is continuing its research on canning the peanut in various forms, he said further.

I have a few bulls of this type, ages, six months to 1 year old. Priced \$100.00 each.

GOTTA HAND IT TO YOU!
...grants SUPERMAN

He accelerates with the greatest of ease, and goes soaring like all the four winds put together... And that's just about the way you'll feel, using today's new gasoline... Conoco N-tane!

You'll get new-day high octane—with Peace for your ears.

Here is your heritage from our extremely anti-knock fuels that won their stratosphere battles...

- You'll be the "fair-haired boy" at traffic lights
- You'll have a tankful of confidence, for passing others
- You'll start right up cold, as if your engine had some sort of "de-foater"
- You'll make greater mileage than even the OPA seemed to think you got!

You cannot be sure of a new car yet, but you can sure get plenty of new-day action—and scarcity of ping! Tempt your accelerator too—today—with Conoco N-tane. Continental Oil Company

Scholastics Show Increase For Year

The scholastic population of Motley county for 1945-46 shows a slight increase of 26 over that of 1944-45, according to figures released by Assistant County Superintendent, Mrs. C. Warren.

Last year's school census revealed a total of 1087, while that of this year shows 1113. The greatest increase within the county was in the Roaring Springs Rural High School District. The teacher-pupil load shows 1138, due to transfers in from other counties.

Scholastics by districts are: White Star 29, transferred to Flomot by parents' application. Fairview 21, transferred by contract to Matador; Barton 14, 3 of whom transferred to Flomot, the remainder by contract to Matador; Whiteflat 91, with 23 transfers to Matador; Northfield 34; Roaring Springs 356; Folley 52, transferred to Flomot and Turkey; Montgomery 7, transferred to Turkey; Bird 5, and Matador 317, with 56 transfers in, making a total of 373; Flomot Ind. Dist. 180, with 108 transfers from within the county, and from Floyd, making a total of 288.

Based on the above scholastics, Whiteflat is eligible for 3 teachers; Northfield, 2; Roaring Springs, 12 white teachers and 1 colored; Flomot, 10 teachers; Matador, 13 white teachers and 2 colored teachers.

Mrs. Warren states that the salary and the number of teachers are determined by the equalization State Aid Law for those schools receiving salary-aid.

VETERANS...

(CONTINUED FROM PAGE ONE)

planes are being made obsolete before they can be manufactured, so rapid is the advance of aviation.

He predicted that within five years any point in the United States will be no more than two hours flying time and that a round-the-world trips will be routine in five days by jet plane.

He said the jet type engine is operated at about 5% of the cost of the conventional cylinder type engine, which will reduce air travel cost and the cost of air transportation.

Capt. Stapleton praised the progress being made in Motley county in the interest of flying, including a field and facilities. He said future of communities will be determined by the amount of support given to encourage air lines, feeder lines and private flying.

Paducah Lions Here
Three Paducah Lions, Al Chamber, Afton Willingham and Alton Farr, were guests of the club as a delegation to invite Matador Lions and their wives to attend a Ladies Night meeting to be held in Paducah, on the evening of December 6th. Jeff Williams, famous Oklahoma speaker who has appeared here, will be on the program.

Other visitors included Mr. and Mrs. B. F. Tunnell Jr., Mr. and Mrs. Burrell Tipton, Harry Morriss who provided piano music and the following honor students: Jolene Bloodworth, Ann Harp and Gwendolyn Wilkinson.

A report of the Lions directors meeting Monday morning by Boss Lion J. Rufus Emmons included various businesses of the club. Thursday, November 22, was selected as official Thanksgiving day for Matador.

COURTHOUSE...

(Continued from Page One)

ment grants with which public buildings were being constructed all over the nation, were recalled. The amount was not sufficient to build a courthouse without government aid.

Among those advocating the bond issue are many returned servicemen who feel that Motley county should build a modern courthouse to replace the antiquated structure which was destroyed by fire in 1944.

The average 1944 value for all cattle in Texas was \$50.00 per head.

Black smoke billows as the big guns of the venerable battleship USS TEXAS let loose with a broadside. One of the oldest battle wagons in the Navy, she nevertheless has one of the finest combat records. The TEXAS was the only American battleship that fought off three continents—Europe, Africa and Asia.

Procedure Revoked By SWPC To Assist Servicemen Obtain Surplus Materials

A new regulation has revoked the procedure in assisting SWPC in processing veteran's applications for surplus property to be used in agricultural enterprises, according to Elbert Reeves, AAA administrative officer for Motley county.

The new procedure received by the AAA office Tuesday, will relieve the AAA county committee of all responsibility in connection with the program, Mr. Reeves declared. He said all regulations which have been followed by the AAA county committee are no longer in effect.

With reference to the new procedure, SPA reg. 7, Mr. Reeves offered the following data for information purposes only:

Ex-service members who have been released from active service, but who have not been technically discharged, also have veteran's rights under the new regulation. A business, professional or agricultural enterprise means one in which more than 50% of the invested capital or net income is owned or accrues to a veteran. Also tools and equipment may be acquired by a veteran if he is an employee and is required by his employment to have his own tools or equipment. The \$2,500 limitation on purchases has been eliminated.

Veterans entering the retail business may buy an initial stock of surplus goods for resale to the public. After approval of application the veteran may deal directly with the disposal agency or have SWPC act as his agent. Credit may be extended to the veteran under terms and conditions established by the disposal agency. The veteran will be charged a fair price which is not to be greater than the lowest price which is offered to any trade level at the time of acquisition of the property. At present it is the desire of SWPC to have veterans file their applications at district offices in person.

ATTEND MEETING
Tom Moore, J. E. Payne and Fay Tipton of Northfield, attended the AAA meeting held here Tuesday night. Also in town Tuesday were J. A. Tipton and Mrs. Fay Tipton and children, J. W. and Gaynelle.

WAR CHEST....

(CONTINUED FROM PAGE ONE)

Lions Club, sponsors of the movement in this county, is urging workers of their sections to review their results carefully and plan for this final effort.

Givers were urged to bring in their donations if they have not been contacted or if they feel they wish to make an additional gift.

Other communities in the county that have made reports are: Flomot, with \$218.50 collected, and still working, and Whiteflat \$78.50.

IRON LUNG FUND

Contributions are also being solicited by War Fund workers, for an iron lung which has been purchased for county-wide use. \$843.00 has been donated toward this fund, with Flomot reporting contributions amounting to \$184. Mr. Emmons, who has also been named Iron Lung Chairman, urges continued support of this movement. Cost of the lung is something over \$1300.

CARD OF THANKS

We wish to take this means of expressing our profound appreciation for the many words and deeds of sympathy extended us in our loss of a son, husband and father. When the Will of God shall thus come to you, may your many kindnesses return to you a hundredfold.

Mrs. Hugh Cook, Mr. and Mrs. Tutt Garnett and daughter, Wilson, Elmer and Nevada Cook.

Mrs. J. M. Cook, Mr. and Mrs. George Cook and family, Mr. and Mrs. Sam Cook and family, Mr. and Mrs. Pete Cook and family, Mr. and Mrs. Buck Cook and daughter, Jim Cook, Mr. and Mrs. Roy Meeks and family, Mr. and Mrs. Archy Rose.

SCHOOL STARTS MONDAY

School will start Monday, for the second time this fall, at Northfield after a six-week's recess for cotton picking.

Mrs. Paul Fuller of Cee Vee, was a visitor in the home of Mr. and Mrs. Bill McCaghren, over the week-end.

LOCAL ITEMS

Mrs. Robert Catching of Lubbock, spent the week-end here visiting her parents, Rev. and Mrs. H. G. Verner.

Mrs. Hamp McCary of Littlefield, visited here last week with her son and family, Mr. and Mrs. Rhenard McCary. Mr. McCary joined her here over the week-end to accompany her home.

Mrs. J. D. Craven is visiting in Clovis, New Mexico this week with Mr. Craven, who is employed there. They plan to make that their home, and are "house-hunting".

NOTICE: We now have a tractor mechanic. Bring your Farmall tractors home for complete repair service. MATADOR HDWE. & FURN. CO.

Mr. and Mrs. Orville Latimer and daughter, Barbara Ann, of Amarillo have been visiting their respective parents here.

L. A. Stearns left Tuesday morning to return to Hot Springs, New Mexico, where he plans to remain during the next three months.

Mr. and Mrs. Dearl McBride of Dallas are visiting here this week with relatives and friends.

Texas leads the Southwest in acres devoted to actual crop land.

The Texas Supreme Court has become a nine judge court; the first time in its 100 years of existence.

SEVERAL FAMILIES MOVE TO NEWLY-OWNED HOMES

Mr. and Mrs. Oscar Vinson have moved to their recently-purchased property in Matador, being the home formerly owned by Mrs. Annie Tudor. Mrs. Tudor is located for the present, at the home of Mrs. I. F. Fish.

Mr. and Mrs. Ober Johnson, who have been renting the Tudor apartment, have taken temporary quarters with her parents, until they gain possession of the home they have purchased from Mrs. Nan Berry, in south Matador.

OVERTURNS TRUCK

B. F. Simpson of Northfield had the misfortune last week, of overturning a truck containing 16 calves which he was taking to loading pens. The accident occurred when he turned off the road, toward the pens, after crossing Bitter Lake creek. Emerging unhurt, Mr. Simpson succeeded in rounding up 10 of the calves. The truck was undamaged except for a broken end-gate.

Texas is the home of cowboys who drove hundreds of thousands of Longhorns up the trail despite Indians, prairie fires, rustlers, swollen rivers and stampedes; then when the herds had been delivered at Abilene, the cowboys took in the sights, perhaps shouting, "I'm wild an' woolly an' full o' fleas; ain't never been surried below my knees." Texas became a land whose insignia were high-heeled boots, jingling spurs, chaps, big hats, bright bandanas and blazing six-guns.

The history of Texas is one of French and Spanish explorers, of heroic priests who built missions in the wilderness, of Indian fighters, gold-seekers, Texas Rangers, cattle kings, pioneer physicians, school teachers, circuit-riders, pirates, outlaws, wildcatters with their gushers and boom towns, flamboyant politics, King Cotton, cabins in

the clearings, heroic whose prayers and toll helped to build a State and institutions and Bailey of whom it was a 20-mile ride on horseback adequately compensated to hear him say "My countrymen", Clyde and slayers, Albeney Johnston, hero of as Republic as a private Henry, genius of the million-acre King Amos Carter, greatest all time, and Jesse Lee, the miracle of sea 50 miles inland to Houston one of the ports of the world; the city of Texas with millions derived from under land that was virtually worthless; Lee, before the Civil war, the frontier, "listening tread of the millions of come"; the old settler when asked for the title land, simply pointed to beside the door; and who in his wild said: "Bury me standing facing west. I've never up at any man yet as I'm dead I don't want saying, 'Here lies old Bley.' So they buried his box standing up, his side and a jug at his feet.

In west Texas grass selling Johnson farm plainmen for reseeded. Texans of the lost marching through the to a hopeless battle and Eyes of Texas".

Let's tear your electric bill to pieces

GO AHEAD, lady—tear your electric bill apart and see what it's made up of.

This little piece lights all your lamps. This one plays your radio. This cools and keeps your food. This washes your clothes. This takes care of the cooking and ironing and cleaning. And so on.

That's a lot of different jobs to be covered by one small bill. And—hold on! You've paid for more than just electricity. About 25¢ of every dollar you pay for electric service goes in turn for taxes which benefit your community and help carry our heavy federal government expenditures.

Taxes UP... General cost of living UP... You'd think the cost of electric service would be up, too. But it isn't. The overall rate has even come down a little since the war began. Actually—

The average family gets about twice as much electricity for its money today as it did fifteen years ago!

This welcome fact comes from the careful planning and progressive spirit of America's business-managed, self-supporting, tax-paying electric companies.
