Good News For Home Decorators

It is little wonder that so many homemakers are doing their own decorating in these days of soaring living costs. So much is being done to improve materials and methods that it is no longer the burdensome chore of grandmother's day. One of the most recent developments is a new paint which anyone can apply easily. It is known as Wallhide Rubbertized paint, a non-porous finish that resists grime and stains. It can be washed and even scrubbed. This paint has a latex base, which gives it rubbery, long-wearing qualities. Grease stains, crayon, lipstick and ink spots tend to remain on the surface and can easily be washed away. It is claimed to resist even such nasty stains as mercurchrome, tincture of mercuriolate and iodine, and, unlike most paints, will not leave a shine where local areas are washed. Because it dries very rapidly, rooms can be occupied the same day they are painted. Curtains and pictures can be hung shortly after the paint is dry, and there is no objectionable odor while painting or after the job is done. Cleaning up is simple, too, for hands, brushes and spatter spots can be washed clean with soap and water.

The Test
Of Greatness

THREE of this nation's greatest benefactors, Washington, Lincoln and Edison, were born in February. The test of their greatness is that we honor with deepest sincerity, the memory of their eternal service to our country and to mankind. They were great, honorable men who placed service above their personal benefits.

They dedicated their lives to causes which sought to improve the world for good. The lives of countless millions have been improved because of these great Americans, and the influence which they created continues to increase altho they are no longer numbered among the living. The test of their greatness is the enduring quality of their works founded on honorable characters.

As we celebrate Youth Week it is fitting that the lives of Washington, Lincoln and Edison serve as symbols of inspiration, courage and vision. Theirs were the lives that have met the test of greatness.

SCHOOL HELPS WITH POLIO FUND DRIVE

Matador High school raised a total of \$124.30 in the annual polio drive of 1952. These funds were raised by selling tickets to "County Fair" a movie for the

benefit of the drive, which was shown Tuesday and Wednesday, January 29 and 30.

The Seniors led the classes with \$53.10 raised, the Sophomores raised \$46.35, the Freshmen \$17.50 and the Juniors came in last with \$7.50.

We would like to express our appreciation to Amos Page, local theatre manager, for his cooperation in this effort.

Three Republicans And Six Democrats Elected To Office

The election for public offices in high school has been held. Campaign speeches were given by campaign managers and candidates in the high school auditorium.

Monday 28 was election day. The election was held by secret ballot with fifty-five voters. The sophomore class counted the votes and found that it was won by six Democrats and three Republicans.

The winners were: Pat Reeves, (D), for County Judge, won 30-

From where I sit... by Joe Marsh

Happy Miller's back from visitations and tells about a big storm that knocked out the electric power for miles around. Naturally, the local power company was doing everything possible to restore service but folks calling in and one woman them a new twist.

From where I sit, it's only too easy to forget how to do something—even as simple as milking a cow—if we don't keep at it. And that goes for practicing tolerance, too. Like forgetting our neighbor has a right to decide for himself whether or not to enjoy a temperate glass of beer. If we don't keep the other fellow's point of view in mind we're all liable to get "snowed under" by intolerance.

don't mind not having cows in my barn and they are to be milked by machine. My cow here knows how to do a cow by hand any more."

Feature Of Vaughn Golden Anniversary Includes Special Services At Church

Special services Sunday morning at the Methodist Church, in which Rev. W. B. Vaughn preached, was a feature of the Golden Wedding anniversary which he and Mrs. Vaughn observed with open house at their home during the afternoon.

Included in the services was the christening of Laura Loretta Jacobs, infant daughter of Mr. and Mrs. W. F. Jacobs, who were married by Rev. Vaughn during his pastorate of the local church. Rev. Marvin Brotherton, present pastor, assisted with the christening.

Despite inclement weather which prevailed all day, a large number of friends, including many from out-of-town, called during the afternoon to pay tribute to the venerable couple. A granddaughter, Miss Nancy Vaughn of Lubbock, presided at the guest register, and two daughters-in-law, Mrs. Marvin Vaughn of Lubbock and Mrs. Wayne Vaughn of Mt. Pleasant, Texas, presided at the crystal punch bowl. Dainty wedding ring cookies were served with the punch.

The golden anniversary motif was featured in table appointments, and included a tiered wedding cake decorated with

yellow rosebuds, and encircled with fern and yellow carnations. At the base of the cake was a miniature bridal bouquet, to which two gold wedding bands were attached, and decorating it on top was a miniature colonial couple. A striking vase of yellow mums and carnations decorated the buffet, and vases of yellow roses were used throughout the house.

Approximately one hundred and fifty friends called in person, and cards, phone calls and telegrams poured in throughout the day, and continued for several days following.

Two sons and their families were present for the event: Mr. and Mrs. Wayne Vaughn and children, Wayne, Jr., Cynthia and Julia Jo of Mt. Pleasant, and Mr. and Mrs. Marvin Vaughn and children, Nancy and Key, of Lubbock. Their other son, George Vaughn of Afton, Okla., and his family were unable to attend.

Others from out-of-town, who registered, were: Mrs. W. V. Pirtle and Mrs. Francis McClellan of Dalhart; Mr. and Mrs. W. E. McMillen, Perryton; Rev. and Mrs. Wayne Cook, Mr. and Mrs. Arch Harper, Mr. and Mrs. Odell Hughett, Mr. and Mrs. A.

Tired looking kitchens can be given an inexpensive face lifting by such economical tricks as fresh paint or wallpaper, and clever new curtains. Add to these a sparkling new dining table with comfy chairs, and family breakfasts and guest snacks become perkier affairs, to say nothing of your own happier hours in such a cheerful room. Just right as the focal point for such a simple kitchen face lifting scheme is a kidney shaped Daystrom chrome table with plastic top that resists heat, stains and scars. The table, which extends to seat six to eight comfortably, is available in a wide variety of gay top colors in pearl or woodgrain finish. Chairs, available in a choice of six styles, are upholstered in attractive, washable plastic in mix or match colors.

BIRTHDAY DINNER

Mrs. Mary Sampson of Roaring Springs was honored Sunday with a birthday dinner, hostesses being her daughters, Mesdames Charlie Brooks and H. D. Marshall and her granddaughters.

A delicious dinner was served to about 30 relatives and friends including her brothers and wives, Mr. and Mrs. C. C. Haile of Afton; Mr. and Mrs. Hodges Haile and Mrs. Irene Haile of Amarillo; and a son and daughter-in-law, Mr. and Mrs. W. J. Sampson of San Antonio.

Among out-of-town friends present were Mr. and Mrs. J. T. Haile of Amarillo. A number of local friends called during the afternoon.

Mrs. Billy Thomas Is Club Hostess

The Toreador Home Demonstration club met Friday, Jan. 25 in the home of Mrs. Billy Dan Thomas for a business meeting and a demonstration on selecting dress patterns, by Miss Marie Rea, home demonstration agent.

Mrs. Mutt Berryman conducted a business session, in which the club voted to contribute \$10 to "Mother's March on Polio". The members also voted as their project for the year, improvement of Matador City park.

Upon resignation of Mrs. Berryman as president, Mrs. Bill Seale was elected to fill the 1952 term of office.

In her demonstration of people should be notified that the county would be in April.

Mrs. Thomas' demonstrations of sandwiches, olives, cup cakes, the following: Mrs. Man Vinson, Horton, Campbell, Be Horton, Mutt Berryman, Hurst, Givens, Seale, Ed Hurst, Priddy.

Next meeting will be February 8, Mrs. Hurst.

TIDELANDS MONTH PROCLAIMED—Texas' Governor Allan Shivers is shown here as he signs the official proclamation setting the month of February as "Tidelands' Month in Texas." "Naturally," says Shivers, "Texans would pick the biggest February in years (29 days this year) to stage their fight to retain the Tidelands." The campaign which opens February 1 will be made to solicit funds from Texans to finance the people's fight to retain the land which the federal government is trying to take away from the state and the school children of Texas. The slogan "Remember the Alamo" is now "Remember the Tidelands." Witnessing Shivers' signature is M. K. Weitzel, secretary of the Statewide Tidelands Committee, which organization is leading the fight, backed by some 20 other state groups and associations.

Local Residents Attend Stock Show

A number of local residents attended the Fat Stock Show and Exposition in Fort Worth during last week. COME TO CHURCH SUNDAY

Social Security Representative To Be Here Wed.

A representative of the Lubbock Social Security office will be in Matador at the First State Bank on Wednesday, Feb. 13th at 11:00 to assist persons in social security matters.

"Every self-employed person should know that coverage under the new social security program is compulsory, that taxes on self-employment income earned in 1951 will be due on or before March 15, 1952 that the amount of social security tax will range from \$9 to \$81 and that each self-employed person reporting must have a social security number," John G. Hutton, manager of the Lubbock

social security office, said today. Hutton continued, "Many self-employed people seem to think coverage under the program is voluntary. This is not true. With the exception of a few groups such as doctors, lawyers, public accountants, farmers, and funeral directors, every person who is a sole owner or a partner in a trade or business and has self-employment net earnings of \$400 or more during 1951, the law requires that he must report his earnings and pay the social security tax on or before March 15 of this year." Only self-employment earnings up to \$3600 a year count towards old-age and survivors insurance. The Federal income tax form will have a special section for making this report. "Equally important," Hutton added, "is the protection now afforded the self-employed and members of their families. Retirement benefits for them, their

wives, and their children under age 18 are provided, as are survivors' benefits to aged widows, widows of any age with young children of the deceased in their care, children under age 18, and in some cases, to dependent parents and dependent widowers. In all death cases of an insured worker a lump sum is paid.

Hutton advises all self-employed persons to ask at the Lubbock social security office for a copy of **Do You Work For Yourself?**, a free booklet that explains their rights and obligations under social security.

W. F. McCAGHREN ON WT HONOR ROLL

W. F. McCaghren, jr., son of Mr. and Mrs. W. F. (Bill) McCaghren, of Matador is listed on the honor roll of West Texas State College, Canyon, for the fall semester, 1951.

Of an enrollment of 1475, only 54 names appear on the honor roll. Highest grade point average of the group was 3.00 and lowest 2.53. McCaghren's average was 2.75. A senior, he will receive his B.B.A. degree from the college this spring.

Also on the honor roll was Miss Bonnie Hughes, sophomore of Hale Center, formerly of Matador, whose average grade was 2.56.

DID YOU KNOW?

- 1 That the last dollar of government capital in the Memphis Production Credit Association was paid off on December 31, 1948, and is now completely owned and operated by farmers and ranchers?
- 2 That this association now pays Federal income and other taxes just like other privately owned businesses?
- 3 That we do not and never have loaned government money?
- 4 That we get our money from the Intermediate Credit Bank of Houston which in turn gets it from private investors in all parts of the country?
- 5 That in the past two years we brought about \$5,000,000 of this money into Texas communities to the benefit not only of farmers and ranchers but of people in all other lines of business?
- 6 That we have five branch offices located at Wellington, Quanah, Matador, Paducah and Turkey and that each office makes crop, livestock and dairy loans?

"That's the Smartest Million Dollars BUICK Ever Spent"

WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash.

A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.

A million dollars and more was the price paid to work out control of end-way and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the

frame—to cushion body and engine—and to silk out the whole operation with Dynaflo Drive.*

You may not care how the job was done, or what it cost. But we'll lay you this: You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.

Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.

All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.

Never before have style and stamina—comfort and character—power, performance and price been brought together with such satisfying skill.

The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

ENOS T. JONES . . .

(continued from page one)
geant, he was called by an army newspaper "one of the youngest Post Sergeant Majors in the army."

Jones is married to the former Betty Langford of Dickens county, and they have two young sons, John, age 5, and Philip, age 3. Betty is the daughter of a pioneer rancher who settled near Girard soon after the turn of the century, and Betty's par-

ents, Mr. and Mrs. John W. Langford still reside on the same ranch Southeast of Spur.

A graduate of Baylor university law school with an LL.B. degree, Jones is justly proud of the legal and the Christian training received at that 105-year old institution, and he points with pride to a statement by Dean Abner V. McCall of the law school that "Each graduate of Baylor represents a considerable investment by Baylor, its faculty, and its friends. The return hoped for is that the graduate, through a successful application

of his training, will make a greater contribution to our society."

A past president of the Floydada Lions club, Jones is now serving as deputy governor, Lions International, working with Lions clubs in Hale, Swisher, Briscoe, Floyd and Motley counties. Jones is active in Scout work and feels that his work goes hand in hand with the business of making honorable, worth while and law abiding citizens of tomorrow.

Mr. and Mrs. Enos Jones are both members of the First Baptist Church in Floydada, and he is an assistant teacher of the young married people's class. A member of the American Legion District and County Attorney's Association of Texas and the State Bar of Texas, Jones passed the entire state bar examination on his first attempt just prior to the time he graduated from Baylor University.

Jones has an enviable record as prosecuting attorney during his tenure as Floyd County attorney, and is known for his cooperation with the Commissioners Court and the law enforcement officers, who all feel free and welcome to come to his office on all problems relating to law enforcement and county government.

Jones has participated in several hundred cases tried in the justice, county and district courts of both civil and criminal nature; he is likewise experienced in the practice before the Court of Criminal Appeals, the Court of Civil Appeals and the Supreme Court of the State of Texas. His wide experience in criminal trials and civil cases concerning county affairs backed up by a complete Texas Law Library are assets he lists in his application to the people for the job of district attorney.

In making his announcement, Jones said in Matador Monday, "I will always remember that the office of district attorney is a public office, and that it belongs to the people. I will make a district attorney for the entire district, and the job will be well attended; it will not be a side line. I will devote my time to the work, and will be available when needed."

A native of Red River County,

Jones is the son of Mr. and Mrs. Enos E. Jones of Avery. He is a graduate of Avery high school, and took his pre-law work at Paris Junior College and Southern Methodist University, where he was in school at the time he volunteered for the army.

youth; after all, 'the best things in life are free'... the girls learn from our own attitudes what to accept and reject. If we don't set the right examples, they can hardly be blamed for their shortcomings... we should challenge ourselves to be the way that we want our girls to be."

Theme Is Colonial

A colonial theme was used for the banquet, and included in the program was a minuet performed by Sue Daniels and Carolyn Pohl in costume, and several old-time favorites sung by a group of "Mother Singers", accompanied at the piano by Mrs. Johnny Stevens.

Mrs. Frank Pohl, president of Matador Parent-Teacher Association was toastmistress, and invocation was given by Mrs. Arthur Fair. Mrs. Lee Burns extended the welcome and her daughter, Karan, responded. The delicious banquet menu consisted of Virginia ham, Carolina potatoes, Louisiana slaw, Georgia peach pickles, Old Southern pie, bread, cocoa and coffee.

Table decorations featured the colonial motif and included Martha and George Washington figurines beneath arches entwined with sweetpeas. Colonial bouquets and sprays of sweetpeas decorated the table centers and pink candles burned in hurricane lamps. Miniature figurine

NEIGHBORHOOD JOBS
On their JOBS
A PARTNERSHIP which originated in Turkey, between Lewis Eudy and Bill (Billy Joe) Seale was formed by the purchase of the former McDonald Funeral Home in Matador and Turkey, December 2, 1950. The Eudy-Seale now operates six vehicles, including a new Cadillac, and a new Lincoln. The partnership is a most successful one. The funeral establishments between the two funeral establishments, Eudy-Seale Funeral Homes are members of the National Morticians, The National Funeral Directors Association, state and regional funeral directors organizations.

Lewis Eudy was born and reared in Turkey. He is a graduate of the Turkey high school. He married Mozelle Young in 1934 and they have one son, Ronnie, who is 15. Lewis manages the Turkey branch of the firm and he is a Mason, a Lion and president of the Turkey school board. He is an ardent sports fan. Mr. and Mrs. Eudy lived here in 1940-1944, when he operated the Phillips agencies here and in Turkey.

Bill (Billy Joe) Seale was born and reared in Matador where he graduated from high school. He was a drummer in the Vernon band. He was in the U.S. Navy for two years. He is a graduate of the Dallas Institute of Business Administration and State Board of Business Administration. He married Hightower in 1947. He has a daughter, who is two. Bill is a Lion and a staunch Motley enthusiast. He has a funeral home in Matador.
