

# Zero Weather Sweeping Panhandle Area

**THE MERCURY** stood at 22 degrees below zero in Denver, Colorado at midnight last night. It was warmer, however, in Amarillo. Mercury there was only five degrees below zero with lower temperatures expected before this morning.

In Matador the unofficial temperature reading at midnight

was three degrees above zero, while the most severe blizzard of the winter swept the nation. One Chicago newscaster said last night that the present "deep freeze" weather had presented in one storm, more cold weather than the nation usually experiences in an entire winter season.

The storm struck here Saturday causing thermometers to plummet rapidly as the arctic air drove out the near summer warmth. The cold front moved slowly southward across the state, accompanied by freezing rain and sleet from Abilene southward. Intermittent snow squalls deposited a trace of need-

ed moisture here yesterday, however. Amarillo had over three inches of snow, according to reports.

The cold weather reached across the entire state from Texline to the Rio Grande Valley where the greatest damage was reported to the multi-million-dollar citrus fruit crop.

Damage in this area has been extremely light and confined in most cases to frozen water pipes, automobile and tractor engines. Unless the storm continues for several days, no loss in livestock is expected. Most small ranches have facilities for feeding their livestock. The Matador ranch has excellent prairie grass which

is available in most "windbreak" areas where cattle will drift when a blizzard strikes.

The Chicago newscaster last night declared no relief is in sight. Denver weather man said Thursday and Friday would have clearing skies and slowly rising temperatures.

The freak winter storm has

brought much suffering to northern states and rolled up a large toll of deaths, most from automobile accidents on slippery highways. Lowest temperature reached here last night was one-half degree below zero as reported by Water Superintendent Herman Stanfield.

## TRAIL DUST

By **DOUGLAS MEADOR**

Every loyal Texan must feel an ardent pride when he looks upon the noble mass of red granite that rises from the most important hill in Austin. Placed in majestic arrangement more than three score years ago, the stone is steeped in the dramatic and colorful history of the Lone Star State. It is like an inspiring lake, cool and serene while the fires of progress eat to its shores. When evening shadows are long and the great building is silent, the old walls whisper the rich voices of vanished statesmen; noble men who believed ardently in the destiny of Texas. Here they spoke, pleaded and perhaps prayed; here they failed and tried again. Workmen have recently filled the worn steps with new concrete, but all the men who have entered the great entrance arch through the long and turbulent years have not been friends of Texas. The boots of traitors and friends wear equally, and their voices possess an identical cadence. Dreamers and mad men, the greedy, pettifoggers, mendicants, demagogues and remonstrants have been as or dumped into the hopper and smeltered over the steady fires of public opinion. Here is the crucible from which little men have been skimmed like dross and their memory dumped on the slag heap of public mistakes; here statesmen have become eternal. A brilliant and capable leader is in the governor's chair. He seeks and needs nothing more than the faith of the people to write a splendid record of achievement for the archives of the sedate statehouse.

The Driskill hotel is a museum with bell hops. It is a monument to an era of forgotten splendor. There is a feeling of strength and a quality of strange beauty in the round iron pillars that push their way from the lobby floor through the building. The hotel (the old and original section) has fallen into melancholy decay, like an old man content with his memories. Texas' greatest names are written on the old registers; the mighty and the humble for generations have contributed to its traditions. It is told of the Maximilian room that the mighty ornate mirrors once belonged to the ill-fated emperor of Mexico. They were made for his palace in Mexico City but after destiny crushed the former Austrian Archduke's dreams, the mirrors were stored and later procured by Driskill. The mirrors are reputed to have been hauled to Austin from Mexico by ox-wagon. In the center of each mirror frame is a small bust of the beautiful Charlotte, who later went mad in a vain attempt to aid her youthful and ambitious husband. Maximilian died before a firing squad in Queretaro, Mexico on 19 June 1867.

Rare indeed is the journey which affords a sight more enchanting than the lights of home.

Words don't fit it too well but the core of every Texan's pride is wrapped with his heartstrings.

My vote for the most interesting single feature of the Texas Capitol building would go to the door hinges. They were especially cast for the purpose and have grown richer with age. At present they are being removed and refurbished to look like new and still retain their original dignity.

## Service To Initiate Boys Week

Local observance of Boys' Week in America will be initiated in the annual Union Youth service scheduled for Sunday evening, Feb. 4 at the Matador Methodist Church. Rev. Marvin Brotherton, pastor, will deliver the message.

Inspirational singing by the Matador High School A Cappella choir under the direction of Mrs. L. D. Wilkerson will be a feature of the religious program.

Outstanding community events honoring the young people will be the thirteenth annual Mother-Daughter banquet Tuesday evening, Feb. 6, and the fourteenth annual Father-Son banquet Thursday evening, Feb. 8, both affairs to be held at the Matador Baptist Church.

Elbert Reeves, General Chairman for the Father-Son banquet said yesterday that all details have been completed and that interest indicates one of the most successful father-son affairs since it was organized by Lt. Paul Eubank, who lost his life in service during World War II.

The sale of tickets and assignments of boys to fathers and "adopted" dads for the banquet, has been completed. Mr. Reeves declared. The Father-Son banquet is sponsored by the Matador Lions Club, while the Parent-Teacher Association sponsors the Mother-Daughter affair.

Termination of the Boys' Week activities is scheduled for Saturday, Feb. 10, when Boy Scouts will have control of county and municipal government for the day. "Fines" collected by the Scouts will be used to augment the troop's general fund.

All members of the Matador Lions Club are urged and requested to attend the union service at the Methodist Church Sunday evening. The service will open at 7 p. m.

## F. A. Bird Dies In Midland Hospital

Freeman A. Bird, 57, widely-known Midland ranchman, and son of Matador resident C. D. Bird, died early Saturday in the Midland Hospital after a lengthy illness.

Born at Dickens, he had been in the cattle business all his life. He moved to Midland from Clayton, N. M. in 1928 to operate a ranch 30 miles north of Midland in Andrews and Martin counties. He also had ranch holdings in Upton and Dickens counties, and had been a partner in business with his father.

Bird was a director of the Midland Fair, Inc., and a member of the Rotary Club.

Survivors include his wife, son, Charles of Midland; father, C. D. Bird of Matador; four brothers, Carl and Gus of Matador, Cliff of Spur and Glenn Bird of Weatherford, and one sister, Mrs. John Moore of Bethesda, Md.

Funeral services, held Sunday afternoon at 3:30 at the First Baptist Church of Midland, were attended by the following from Matador: C. D. Bird, Mr. and Mrs. Gus Bird, Mrs. Charlie Morris, Mr. and Mrs. Carl Bird, Mr. and Mrs. Jack Bearden and sons, Mr. and Mrs. E. F. Springer, Walker Williams, J. C. Burleson and John Russell.

Most of the greener pastures that have attracted my attention are overstocked.

A quotation from this column may be found in the February issue of Cosmopolitan magazine under the heading, "Main Street."

**MATADOR QUIZDOWN TEAM** composed of nine grade school students, Saturday was runner-up in the Amarillo radio station KQNC contest. The program was broadcast at 5 p. m. Matador's team received 900 points as compared with first-place Claude's 1200 points. The 900 points made by the Matador team was declared the largest runner-up score since the contest was originated and higher than several first place teams in previous contests. Matador fourth grade pupils, Charlotte Campbell, Pat Seigler and alternate Mike Groves, made 500 of the 900 point total.

The Tribune is indebted to the Amarillo Globe-News, sponsors of the contest, for the use of the above picture of the Matador team, which appeared in their Wednesday edition. Reading left to right they are: Pat Groves, Pat Seigler, Roger Scaff, Charlotte Campbell, Joanne Darsey, Anne Lee, Patricia Smelser, Mike Groves, and Glynda McWilliams.

## Son-In-Law Of Residents Is Accident Victim

Wayne Bagley of Waco, son-in-law of local residents, Judge and Mrs. C. W. Giesecke, is in a critical condition in a Waco hospital as a result of injuries received in an automobile accident last Friday night.

Bagley was thrown from his car and landed beneath it as it overturned in a collision with another vehicle. The gas tank burst and gas was pouring over him when he was found, unconscious. He suffered 3 fractured ribs, a cracked spine and lacerations about the face.

Mr. and Mrs. Giesecke, their daughter, Ann, and son, R. C. went to Waco Sunday, as they were accompanying the latter back to A. & M. College after a mid-term visit at home. They also visited relatives at Hico before their return to Matador Monday.

## Fire Destroys 7 Bales Of Cotton

Fire of unknown origin shortly after midnight Friday morning destroyed seven bales of cotton on the West Texas Gin company yard in Matador. The fire was discovered by a colored man preparing to go to bed. He hurried to the fire department but could not find the alarm switch and secured the aid of Nightwatchman A. L. Calk who sounded the alarm.

Joe Gaines, manager of the gin, declared he had no idea as to the origin of the fire, but said he believed it might have been smoldering since Thursday afternoon. Response of the Matador Volunteer Fire Department probably saved other cotton on the yard and possible spread of the burning lint to buildings. The seven bales of cotton were almost destroyed when the fire was discovered.

Claud Stearns of Waco, visited here during the week-end with his father, L. A. Stearns and two brothers, Elmer and Alvin Stearns.

Mrs. Roland Hurst and twin sons of Abernathy spent last week here visiting her parents, Mr. and Mrs. Kim Wilkinson.

## Childress Struck By Million-Dollar Fire

Fire of unknown origin in the Prather-Williams Drug Store in Childress early Tuesday morning swept through five other buildings, including the First State Bank, before it was finally brought under control. The blaze was confined to about one quarter of a block on the east side of Commerce street at the intersection of Avenue B. A series of explosions in the drug store hampered firemen who battled the blaze in 10 above zero weather. Destroyed were the bank, drug store, Western Auto Store and Gem Theatre, all on Commerce, and Hoods News Stand and the Fashion Shoppe on Avenue B.

An Alley dividing the block is credited with keeping the flames from spreading to the eastern half of the block.

Alarm on the fire was flashed to the Childress Fire Department at about 3:50 a. m. Tuesday by a telephone operator in the Southwestern Bell office across the alley from the rear of the drug store.

Fire Chief John Ballew told the Childress Index that the blaze was well underway when the firemen arrived. "We were beating it down pretty well when the explosion occurred," he commented. It was declared the worst fire in Childress' history.

**School Destroyed**

Grade school classes are being held in Idalou churches as result of a fire Tuesday which destroyed the Idalou 14-room grade school building.

J. C. Penney company in Lubbock suffered an estimated \$100,000 loss from fire late Tuesday.

Radio newscasters yesterday reported a two million dollar fire raging in the heart of downtown Houston while more than 300 firemen battled to prevent its spreading.

**Warning Issued**

Matador Fire Chief Freddie Welling yesterday issued a warning to all residents to use precaution during the blizzard weather. He warned against overheated stoves and overloaded electric current lines.

**Residents Attend Fat Stock Show**

Mr. and Mrs. Elbert Reeves and son, Pat, drove to Ft. Worth during the week-end to attend the Fat Stock Show and Livestock Exposition. Unable to obtain tickets, they drove on to Dallas, where they viewed the show over television, in comfortable arm-chairs at the home of Mr. Reeves' sister and husband, Mr. and Mrs. R. C. Shilling.

Many others from this section attended the show, including Judge and Mrs. C. W. Giesecke and daughter, Ann; Misses Nell Webb and Elwanda Martin, DeWayne Martin and Jerry Edwards; Bill West, Joe Spray, Louis Blevins and Clayton Clifton all of Matador; Mr. and Mrs. W. A. Rattan, jr., Dade Barton, the Ralph Stapletons, C. B. Jones and others from Flomot.

## County Polio Fund Leaps Beyond Goal

### New Car Receives Rough Experience During Trial Run

Automobile wrecks are occurring every hour of the day and night but it is seldom that a brand new automobile is smashed. But that is what happened to C. M. Barton, jr. late Saturday while driving his new Pontiac. Only 72 miles were registered on the speedometer when the automobile was smashed against an iron bridge railing on Ballard creek only a short distance from Mr. Barton's home in the Teepee Flat community.

Taken to Stanley Clinic-Hospital here, Mr. Barton required more than a dozen stitches in his tongue which he "almost bit off" as result of the sudden impact.

Approaching home in the new automobile, he started to light a cigarette, when the lighter plug sprung free and landed in the seat. While attempting to recover the red-hot lighter he struck the bridge railing. Traveling at a slow rate of speed, the new car sustained a minimum amount of damage, estimated in the neighborhood of \$200.

### CHURCH OF CHRIST HAS NEW MINISTER

Matador Church of Christ has a new resident minister, Floyd Davis, who graduated from Abilene Christian College, Abilene at mid-term, and with his wife, came here to assume this charge. Minister Davis has been serving as supply preacher here since about the 15th of November.

Mr. and Mrs. Davis, are formerly of Norman, Oklahoma. They are making their home here in the Clements apartment at the Matador Hotel.

Minister Davis announces the following services which are held each week: Sunday, Bible Study, 10 a. m.; Worship service, 11 a. m.; evening worship, 7 p. m. Ladies Bible Class meets Wednesday afternoon at 3:00 o'clock at the church, and mid-week prayer services are held Wednesday night at 7:30 o'clock.

The public is extended a cordial invitation to attend any and all services.

### Poll Tax Payments Decline In County

Payment of poll taxes by Motley county residents has shown a marked decline over last year, according to Deputy Collector Miss Rachel Patton in the office of Sheriff John Stotts.

Last year (1949) poll taxes paid for voting privileges in 1950 the total was 1,166 as compared with 838 at 5 p. m. yesterday, deadline for payment of poll taxes (1950 poll taxes are paid for voting in 1951).

"Off Election Year" is attributed with the decline in poll tax payments. Miss Patton declared, however, it does not account for the decline over 1948 poll taxes (for voting in 1949, also an off election year). Total number of poll taxes paid this year is 86 less than in 1948 when a total of 924 receipts were issued.

Payment of poll taxes is optional with citizens and no longer required as in former years, before receipts for state, county and school taxes could be issued.

### A Reminder

Customers of the First State Bank are reminded that effective Saturday, February 10, the bank will close at noon on Saturdays, in order to better comply with existing wage and hour laws. Customers are asked to transact banking business in advance in order to avoid possible inconvenience.

Mr. and Mrs. Dick Wright of Mangum, Okla., visited here Monday night with the latter's grandmother, Mrs. J. S. Lambert, as they were enroute to El Paso to visit Mrs. Wright's parents, Mr. and Mrs. Tex Litteral.

### Porchlight Donors Make Additional \$250 Contribution

GOAL of \$2,000 in the Motley county 1951 drive for polio funds has been exceeded. County Chairman Jack Norman said late yesterday that a total of \$2,363.14 had been collected.

Coin containers in stores and places of business throughout the county are still to be counted, and the Roosevelt Birthday Ball to be conducted under the auspices of the Veterans of Foreign Wars is expected to add much to the present total.

The proceeds of the VFW party will be donated to the Polio Drive. A presale of tickets is being made and it is expected that many who will not attend the party will purchase tickets.

Outstanding feature of the 1951 drive was the "Mothers Porchlight Campaign" conducted Friday night through the sponsorship of the Matador Garden Club. Donors left porchlights burning between the hours of 7 and 8 p. m. as a signal that a contribution was waiting. Total collection on the porchlight campaign was \$249.85. (Floydada yesterday reported over \$800 collected Tuesday in a porchlight drive).

"Free Coffee" offered by cafes in Matador and Roaring Springs netted another \$168.08. Coffee drinkers could pay any amount with the payment going to the polio drive. The coffee was as follows: Roaring Springs—City Cafe \$3.54 and Smith's Cafe \$18.50; In Matador: Waybourns Cafe \$66.75, Stanley Pharmacy \$9.32, Bob's Oil Well Cafe \$15, Daniel's Drug Store \$20.05, Speedy's Cafe \$20 and Shorty's Cafe \$14.92.

**Communities Report**

All contributions received from residents of communities while in Matador or elsewhere, were credited to the communities in which contributors make their homes. Matador \$1,279.18, Roaring Springs \$94.70, Whiteflat \$102, Flomot \$389.10 and Northfield \$15.

Colored sections of Matador and Roaring Springs combined raised a total of \$25.10. A Matador high school basketball game netted \$40.13 for the fund. Every grade in Matador schools turned in contributions and the amount is included in the Matador total.

"We are extremely grateful to the people," Mr. Norman declared, "for the unusual response which members of the county committee and solicitors have received. It has been a pleasure to work amid people with so much willingness to aid such outstanding generosity. We are grateful for every contribution and for all the fine assistance we have received in making the drive a success. Altho I may be measured as a stranger in the county, I now feel that I am well acquainted with the spirit of the people and my capsule comment is: 'It's wonderful!'"

### Editors Attend Austin Meeting

Tribune editors Mr. and Mrs. Douglas Meador attended the mid-winter meeting of the Texas Press Association held Saturday in the Austin Driskill hotel.

They were accompanied by Mrs. Marvin Patton, who was the guest of Mr. and Mrs. Frank Patton, former Matador residents. The trio left here Friday forenoon and returned late Sunday.

Outstanding events of the well attended press meeting included a reception Saturday afternoon in the Governor's mansion, at which Governor and Mrs. Allan Shivers met the press representatives, and a dramatic address by former Congressman Martin Dies, Saturday night in the Driskill Crystal ballroom following a banquet which concluded the meeting.

# Social Activities

## Study Club Hears Discussion Of Art

A program on "Women in Art" with Mrs. Harry Willett as leader, was given before El Progreso Study Club meeting in regular session Thursday afternoon of last week in the home of Mrs. Frank Pohl.

In presenting facts on "How to Judge a Picture", Mrs. G. E. Hamilton was assisted by Mrs. Ben Keltz, guest at the meeting, who acted as commentator and critic of paintings which Mrs. Hamilton displayed on an easel. Others on the program were Mrs. A. C. Traweck, Jr., who spoke on "Outstanding American Women Artists", and Mrs. Fred Simpson, whose subject was "Ann Mary Robertson Moses", more commonly known as "Grandma Moses".

In a business session conducted by Mrs. Pohl, president, the

club voted to accept the names presented by the nominating committee to serve as officers for the coming club year, beginning with the last meeting in May, as follows: Mrs. G. E. Hamilton, president; Mrs. Harry Willett, first vice-president; Mrs. Bundy Campbell, second vice-president; Mrs. John Hamilton, secretary; and Mrs. Freeman Thacker, treasurer.

Miss Amy Glenn also gave a detailed report of the Federation of Women's Clubs convention held in Fort Worth last November. "I was amazed to find how much the Federated Clubs are doing in the fields of education, public affairs, International Relations, American homes, health, legislation, etc." Miss Glenn declared. Her report contained excerpts from speeches made by Dr. Taylor, president of Howard-Payne College at Brownwood, Mrs. E. N. Smith of Marshall, and others on the program, who stressed Americanism.

Tribune, Matador, Motley County, Texas, Thursday, February 1, 1951

MRS. U. L. WILIE in the Federation of Women's Clubs Headquarters building in Austin the evening she was installed State Treasurer. The sheaf of flowers was presented her by Seventh District officers.

## Mrs. U. L. Wilie Announces Candidacy For Western District Regional Vice-President

El Progreso Study Club of Matador is presenting Mrs. U. L. Wilie for the nomination for the Western District Regional Vice-president. This region will comprise almost all of Sixth and Seventh districts and all of Eighth district, approximately ninety-two counties, Texas Federation of Women's Clubs, election to be held in November 1951 at State Convention in San Antonio, Texas.

Mrs. Wilie is a charter member of El Progreso club, which was organized in 1927 and has served three full terms as president, and two terms as secretary treasurer. She has served on state and district boards continuously since 1935 and is the present treasurer of the state organization.

With an ambition to be of service to her community, district, state and nation, Mrs. Wilie, at her own expense has made five trips with the Texas Good-Neighbor groups to Central and South America, and visited fourteen European countries with the General Federation of Women's Clubs' "World Co-operation Tour" last fall. She also attended the West Indies Conference, sponsored by the General Federation, last spring at Kingston, Jamaica. She has numerous contacts and personal friends in all

### Matador IOOF Lodge

Meets every Friday night. Charlie Meador, Noble Grand. Bruce Martin, Secretary. All visitors and brothers welcome.

## Group Attends MYF Banquet At Vernon

A group of young people and their sponsors drove to Vernon Monday night, where they attended a banquet held for district Methodist Youth Fellowship.

Highlights of an interesting program included a talk by Yuri Nou, a displaced person from Estonia, and a solo by Byoung Kee Min, from Seoul, Korea, both of whom are attending McMurry College, Abilene, under sponsorship of the MYF.

Attending from Matador were: Mickey Steen, Elwanda Green, Ronald Hobbs, Jody Graham, W. E. Russell, Charles Robert Keith, Neal Pipkin, Bobby Coldiron, Rev. and Mrs. Marvin Brotherton, Mrs. Bill Willings, Mr. and Mrs. W. N. Pipkin and James Priddy.

## CLUBS DISCUSS AIMS AT COUNCIL MEETING

The Motley County Home Demonstration Council met January 20, 1951 in regular session with the President, Mrs. W. T. McGann, presiding and the Secretary, Mrs. Elden Reedy taking the minutes. When the roll was called eight answered with three presidents and two council delegates present, six clubs were represented and two visitors present.

Each club reported the hopes and plans they had for the new year of 1951. Northfield reported plans to repair their cemetery. Matador, the club that is two months old, plans to beautify this cemetery. Folley plans to help both 4-H club girls and boys. Whiteflat plans to continue work on their club room and make their kitchen more convenient.

A motion was made to adjourn until February 17, 1951.

## Crosbyton Member Is Recent Hostess At Chapter Meeting

Gama Eta Chapter of the Delta Kappa Gamma Society, a national society of women teachers, met in regular session at the home of Mrs. Taylor Lowrie in Crosbyton, Saturday, January 20. Guests were superintendents and principals of members.

Fred Cunningham, superintendent of Crosbyton schools, spoke on "New Trends in the Gilmer-Aiken Laws". A discussion period followed.

After a short business session, the meeting adjourned and refreshments were served by the hostess.

Members present from Motley and Dickens counties were: Mesdames John Balaska, A. W. Marshall, Roxie Lewis and John Heard, all of Roaring Springs; Mrs. Clark Forbis of Afton, and Mrs. L. G. Williams and Miss Margaret Elliott of Spur.

## Matador Girls In Wesley Productions

Two Matador girls, Gwendolyn Wilkinson and Patti Pipkin, have participated in recent productions of the Alpha Eta Chapter of the National Society of Wesley Players at Texas Technological College, Lubbock. The chapter produced six one-act plays during the fall semester, with Miss Wilkinson directing one, "The Other Shepherd".

Wesley Players, a religious drama organization, is sponsored by the Student Movement of the Methodist Church. The Alpha Eta Chapter is part of the Wesley Foundation at Texas Tech. Each semester a number of plays are presented with student directors, under the sponsorship of Rev. and Mrs. Cecil R. Matthews.

## RELATIVES ARE VISITORS

Visitors here Sunday in the home of Rev. and Mrs. Marvin Brotherton were a nephew and family, and a niece and family, being Mr. and Mrs. Myrl Cabe and son, Myrl Jr., of Electra, and Mr. and Mrs. Jay Ireland and family of Wichita Falls.

Mr. and Mrs. D. E. Pitts, Sr., visited in Amarillo last Wednesday at the bedside of his mother, Mrs. Nita B. Pitts.

the Railroads **RESPECT...**

What is the TRUTH?

the Labor Unions seek to **REPUDIATE** this agreement!

At various states in the present dispute with the brotherhoods of railroad operating employees... the railroads agreed to arbitrate. The union leaders refused. ... the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. ... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C. December 21, 1950

- Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
- Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
- Settle rules for 40 hour week and 6 day week.
- Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
- Settle following rules: Initial Terminal Delay (Conductors and Trainmen) Interdivisional Runs Fueling Caboose (Conductors and Trainmen) Reporting for Duty More than One Class of Service Switching Limits Air Hose (Conductors and Trainmen) Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
- Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
- Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

- Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.
- Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.
- Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.
- In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows: No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote, the employee representatives shall have one vote and the referee shall have one vote.

- If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

The foregoing will not debar management and committee on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

**Dental Health Day Is Set For Monday**

Progress being made in the prevention and control of dental disease through scientific and proper care daily of the teeth was described by Dr. Geo. W. Cox, State Health Officer, in urging the observance of Children's Dental Health Day, February 5.

Dr. Cox said it was with children that modern dentistry has had its greatest success in preventing tooth decay. He told of the research being done by the Division of Dental Health with sodium fluoride in preventing tooth decay—both by fluoridation of community water supplies and the application of sodium fluoride to surfaces of the teeth by dentists.

A control test showed that in one Texas city where the water supply was fluoridated, the rate of decayed, missing and filled teeth among six year old children dropped 47 per cent in 29 months. In a nearby city where no fluoride was added to the water supply the rate remained at eight decayed teeth per child.

The Texas State Health Department recommends that teeth be brushed after every meal to remove particles of food which may cause decay-producing acids. Brushing teeth a few minutes after eating candy is especially important because acid which attacks tooth enamel is formed by action of bacteria on carbohydrates, especially

sugar in a few minutes. Dr. Cox said children's 20 first teeth should be given the best of care to permit the children to chew properly, to promote facial development and to preserve the space for the 32 permanent teeth which will come in later. Children should pay their first visit to the dentist when all 20 first teeth are in and then see him each six months thereafter.

National Dental Health Day is a splendid time to resolve to do your utmost every day to see that children follow simple dental health rules and are given treatment as required for the preservation of their teeth.

Mrs. Annie Tudor of Mineral Wells, has been visiting here with her daughter and family, Mr. and Mrs. Forrest Campbell.

Mrs. V. A. Rattan spent last week-end in Amarillo, returning home Thursday.

**Nothing Better Than Good Food, Says Ohio Man**

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillot, 3414 E. 9th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B, B<sub>12</sub>, Niacin and Iron.

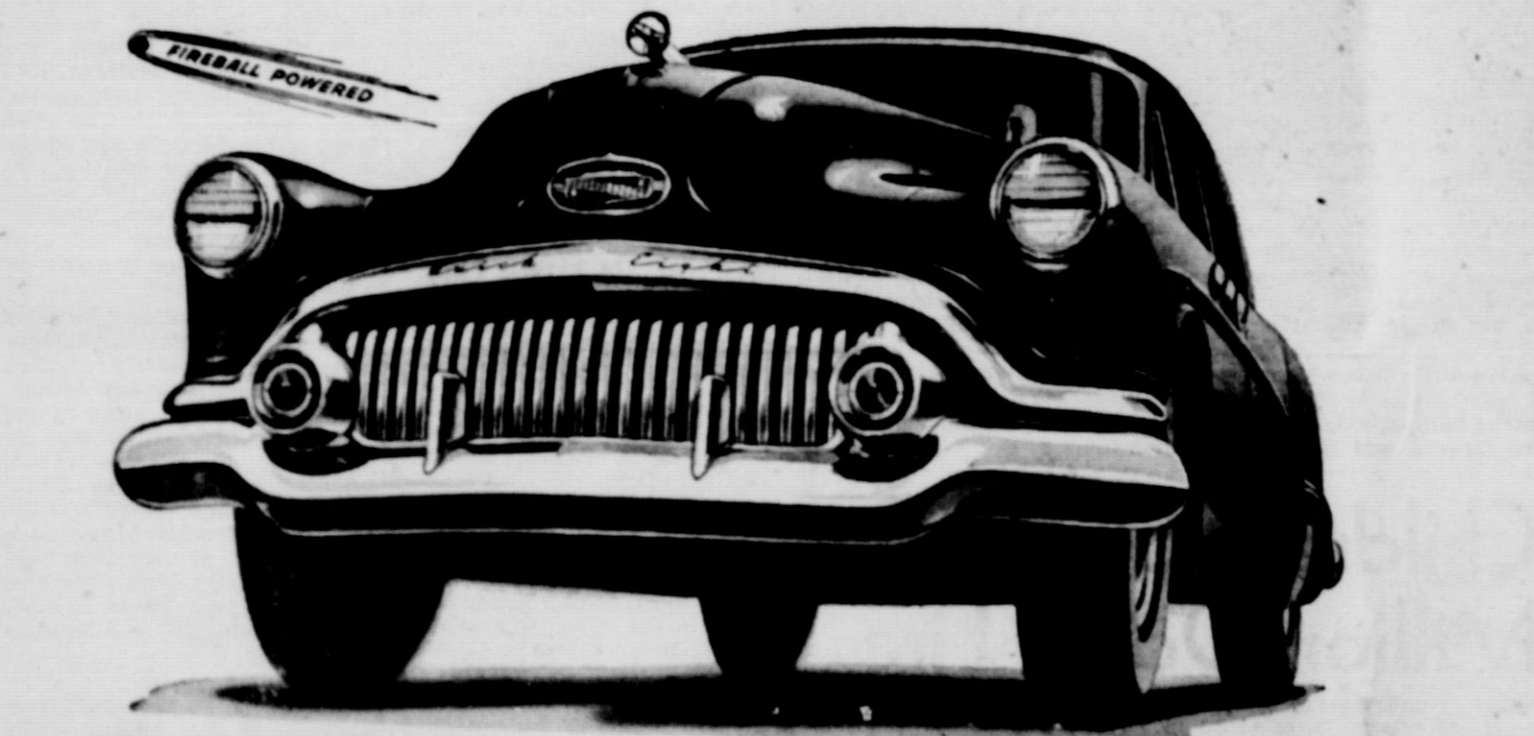

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at night. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at night. Thanks to HADACOL I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

**Long-term Investment that pays daily dividends**

THESE days thoughtful people turn their minds to the durability of things they purchase. But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire. That's what's so marvelous about this '51 Buick. If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice. But make note of this: That gleaming new push-bar forefront, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection. Springs of stout spiraled steel on all four wheels let your wheels curtsy over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown. Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection

that comes only from years of experience with this basic design. Dynaflo Drive gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential. The road-steady gait of a Buick assures relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy. Better see your Buick dealer—soon.

## GIRLS WIN FIFTH CONFERENCE GAME

The Matador six are really on a winning streak! The Turkey team fell to the local team by a score of 33-24 at Turkey, January 22. The girls outscored the Turkey team three points the first half and six points the last half. The half-time score was 14-11.

Lois Blevins and Margie Timmons were outstanding players for the Matadors while McKay played outstanding ball for Turkey.

## Eighteen Wins, No Defeats For Girls

To win their eighteenth consecutive game, the Matador High girls edged over the Spur six by a narrow margin of three points after winning the game by a close score of 19-16. Matador remained in the lead until early in the third quarter when Spur took the lead and stayed ahead until the first of the fourth. Matador led at half time by only one point. This game was quite a test since both teams were exceptionally good on defense. Margie Timmons and Frances Traweck played outstanding ball for the Matadors while Williams and Pritchett were probably the best players from Spur.

Matador and Spur met earlier in the season during the Lions Invitational tournament and the local team won by a score of 16-8.

## COMING NEXT WEEK

In next weeks MATADOR BRAND you will find something that is different. Some of the larger newspapers select their All-American football players and basketball players. The Matador Brand staff is going to pick an Ideal Boy and Girl from the enrollment of Matador High School. Members of the staff will each cast their votes by secret ballot. If the outcome is a tie, some person will be selected to break the tie.

Be sure to look next week for the staff's Ideal Boy and Girl.

## Paducah And Spur Fall To Matador

The local grade school team defeated the boys teams from Paducah and Spur here last week, winning both games by large margins. Spur was defeated by a score of 30-18 and Paducah fell before the Mavericks to the tune of a 42-22 score.

In both games C. H. Murphy was high pointer scoring a total of thirty-four points. Wayne Cartwright racked up twenty-three points.

Harold Martin, C. H. Murphy, Wayne Cartwright, Stanley McDonough and Billy Mac Phillips make up the Maverick team.

## ROARING SPRINGS LOSE TO MATADOR

The Matador Grade School teams played the teams from Roaring Springs here Friday, January 19. The local teams suffered one defeat and took one win. The Grade School boys game was in favor of the local team 31-22. The girls' team suffered the defeat by a score of 14-12.

C. H. Murphy scored sixteen points for the boys' team in order to defeat the visitors. For the girls' team Dana Hughes scored nine points for the Matador team while Patricia Brooks scored eight for the visitors.

The Grade School Girls' team is composed of forwards Dana Hughes, Dorothy Plyler, and Nelda Spray; guards LaRoyce, Mitchell, Elwanda Green, Gail McWilliams and Lucretia Edwards.

## BULLDOGS DEFEAT LOCAL CAGE TEAM

The Spur Bulldogs defeated the Matador cagers here Tuesday night by a high score of 53-33 in a non-conference game. The half-time score was 24-13 in favor of the Bulldogs. Alpin of Spur was high pointer of the game with fifteen points while co-captain Kenneth Thompson of Matador was second high with

thirteen points. Watson Townsend and Kenneth Thompson together racked up twenty-three points for the home team.

Those playing for the Matadors were Bob Coldiron, Kenneth Dunning, Jody Graham, Ray Carman, Gary Laughlin, Watson Townsend and Kenneth Thompson. The Matador five are led by Captain Watson Townsend and Co-captain Kenneth Thompson.

## Most Beautiful And Most Popular Chosen

The Matador High school assembled in the study hall, Thursday, January 18, to select the most popular boy and girl and the most handsome boy and most beautiful girl. They were chosen by secret ballot and will be kept a secret until the presentation of La Arena, the High School Annual, in the latter part of May. All students in high school are eligible for this honor.

## Turkey Turks Take Matador Boys Team

The Turkey Turks defended their own court by defeating the Matador High boys 40-22 in a Turkey favored ball game. The Turks outscored the Matadors by four or five points. Matador defeated Turkey on the local court 25-13 earlier in the season. Both teams have suffered a two game loss in conference play, both losing to Quitaque.

Wylie scored sixteen points to lead the list as high pointer in the game. Wheeler and Townsend each scored nine points for the Turks and Matadors respectively.

## GRADE SCHOOL WIN TWO FROM TURKEY

Both teams from Turkey played Matador Grade School here Wednesday afternoon, January 24. The local five defeated the visitors 49-23 and the girls' team defeated the Turks 12-5. Harold Dean Martin racked twenty-three points for the Mavericks. Nelda Spray led the girls with seven points.

This game marked up the fifth consecutive win for the boys. For the girls, won two, lost three. The boys' team has suffered only one defeat this year.

## PERSONALITY SKETCH

May I introduce this personable and charming, seventeen year old brown-haired, green-eyed Junior, Margie Timmons, from Matador High School. Margie is five feet four and weighs some hundred and fifteen lbs. If you ask what her favorite pastime is, she would probably

reply, eating good ole southern fried chicken and going places, when she does some escort. He is her favorite. Nevada Cook, Marge's favorite sport is basketball in which she has had a very stellar career. M. H. S. She had been on numerous all-tournament teams and gives an outstanding performance anytime she plays. She probably likes "I Love You, Thousand Ways", her favorite song, for sentimental reasons. Margie is the daughter of Mr. and Mrs. E. M. Timmons of Matador.

Since coming to M. H. S. 1949, Margie has received quite a number of honors. Among many are Football Queen, F. A. Sweetheart, Most Beautiful Girl, Carnival Queen, National Class Officers, and Head Teacher. Now that you have met her, I think we can all agree she is a very valuable and charming asset to the M. H. S. campus.

**BUSINESS CLASSES FOR VETERANS TO BE ORGANIZED HERE**

A Veteran's Business class will be organized here in a meeting scheduled for Friday night, Feb. 2, at 7 p. m. in the barracks one block north of the High School, it was announced this week.

All veterans of the county, including those from each community, Roaring Springs, Flomot, Northfield and Whiteflat, interested in taking a business course are invited to attend the meeting. Plans are for the class to be held at night for the convenience of those already employed during the day. Night classes in agriculture and welding are already being conducted for veterans, and the new business class is being added for those interested in this subject.

Mrs. Mary Dell Majors, Coordinator of Vocational Schools in Cottle and Motley counties, and H. L. Todd, instructor, both of Paducah, will be present at the meeting Friday night, to outline the course.

Mr. and Mrs. Douglas Pitts, Jr. and son, Kenneth, visited in Austin during the week-end with his brother and wife, Mr. and Mrs. Norman Merle Pitts.

**Malador Wins Two From Flomot Here**

Both teams from Matador high school defeated the Longhorns of Flomot High here Friday night, Jan. 26, in a couple of breath-taking ball games. The girls winning their nineteenth consecutive victory defeated the Flomot six 33-25. The boys team coming from behind in the final quarter to win their victory by a score of 28-26. Both teams have defeated the Longhorns in a conference game earlier in the season.

Watson Townsend racked up 13 points to lead the Matadors scoring while Joe Webb scored eight for the visitors.

Carlene Lynn and Margie Timmons from Matador and Cora Gunn and Susie Shannon from Flomot played outstanding ball for their respective team.

Proceeds from this game went to the March of Dimes fund.

**New Resident Is Honored At Coffee**

Mrs. Albert Rattan entertained Wednesday afternoon with a coffee honoring her sister, Mrs. Ed Hughes, who recently moved here from Springfield, Colo.

Assisting Mrs. Rattan were Mrs. Bill Pope and Miss Dorothy Williams, who presided at the silver service. The dining table was laid with a linen cloth, and dainty tea cookies were served with the coffee.

Approximately sixty-five guests called between 3 and 6 o'clock. Mr. Hughes, who came here to take over the operation of the J. L. Woodruff farms and cattle, was formerly County Agriculture agent at Springfield. Both he and Mrs. Hughes are graduates of Texas Technological College, Lubbock. They are residing in the Vernon Brogdon home in southeast Matador.

**JERRY ED BISHOP JOINS FRATERNITY**

Jerry Ed Bishop, son of Mr. and Mrs. Ed Bishop of Dalhart, and grandson of Mrs. Harrison Williams of Matador, has been elected to Sigma Delta Chi, professional journalism fraternity at Texas University in Austin where he is a junior majoring in journalism.

Fraternity members are selected on the basis of scholarship standing in journalism courses, on journalistic work and on whether they intend to follow journalism as a career.

Young Bishop grew up in a newspaper office during the 10 years his father was publisher of the Dalhart Texan. Since his father left the Texan Jan. 1, 1947, young Bishop has worked at times for the Texan, writing sports and a weekly column. He is now reporter on The Guidon, Army ROTC paper at the University.—Amarillo Daily News.

**SCHOOL HEADS AT LUBBOCK MEETING**

Administrators of small high schools from over a wide area of West Texas were in Lubbock Tuesday to attend a meeting concerning study guides developed by the Texas Education Agency. The meeting was held in the 99th district courtroom of the new Lubbock county courthouse.

Among superintendents and other school administrative officials who attended from this county were: Motley County Supt. C. W. Giesecke, Jr., Bert Ezzell, Vance Gilbreath, and J. E. Edwards, Matador; and H. M. Allison, Flomot.

John Adams, who died at 90, lived longer than any other U. S. President.
