

4 Die in Wake of Head-on Crash

Matador Tribune

VOL. 57, NO. 16

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, JULY 5, 1951

PRICE FIVE CENTS

Five Automobiles Wrecked, 16 Involved in Accidents

DEATH KEPT AN APPOINTMENT on U. S. Highway 70, Saturday night with a life-crushing impact between two automobiles in the "Hills of Eternity" about five miles west of town. Twisted wreckage and broken and torn bodies were scattered in the eerie silence that followed. Two were dead, one dying, and five injured, one fatally, in Matley county's worst automobile accident.

Harlon E. Grissom, 20, and Raymond L. Hanson, 20, both of Lamesa were believed to have been killed instantly. Miss Annette Lovelady, 18, also of Lamesa who accompanied them died in the Eudy Seale ambulance enroute to Matador. The ambulance made four trips to the scene of the tragedy. Five Camp Carson, Colorado soldiers enroute to the San Angelo area were in the other car which collided with the Grissom automobile. Four were rendered unconscious by the impact, and James F. Taylor, 26, of Barnhart, Texas died in Stanley Hospital-Clinic early Tuesday morning, bringing the death toll to four. Two new Ford automobiles involved in the crash were reduced to objects of twisted metal.

While funeral services were being arranged for three victims, County Attorney Howard Traweck filed three charges of negligent homicide against a man believed to have been the driver of automobile in which the soldiers were riding. Investigating highway patrolmen said the soldiers' car driven by Wilton D. Moore, 20, of Christoval, was following a semi-truck driven by L. H. Richardson of Lubbock, immediately before the accident occurred. The car belonged to Marvin Strube, 21, of Wall, Texas. Other soldiers in the automobile were Elbert E. Strickland, 20, of San Angelo, who suffered lacerations, and Reginald Morales of Knickerbocker who received lacerations. Moore received a dislocated jaw. Strickland, Moore and Morales Monday were removed to Reese Air Force base hospital at Lubbock.

Former Resident Is Buried Here

Graveside rites were held here at 10 a. m. Saturday, June 30, in Matador East Mound cemetery for Mrs. Florence A. Owens, 85, former resident of this community, from 1899 to 1909.

Mrs. Owens was born at Cleveland, Tenn., February 24, 1866 and died June 26, 1951, at Henrietta, Texas, where she had made her home for a number of years. Funeral services were held there Friday, at 3 p. m.

Rev. Marvin Brotherton, pastor of First Methodist Church of Matador, conducted the graveside rites here, and Eudy Seale Funeral home was in charge of arrangements and interment.

Survivors are, 4 daughters, Mrs. C. F. Adams and Mrs. J. C. Baker both of Arizona, Mrs. J. H. Hard of Ft. Worth, and Miss Carrie Owens of Henrietta; 2 sons, Solon of Turkey, and Matthew, of Quitaque; 8 grandchildren and 1 great-grandchild.

Lions 'Yo-Yo' Group Schedule Park Meet

Membership in Matador Lions Club's "exclusive yo-yo fraternity" is available to any public spirited citizen. All that is required is a good, sharp yo-yo (swinging weed cutter) and a willingness to help improve the collection of money in each block or series of blocks.

If orders for additional blocks continue Matador will double its amount of present all-weather streets.

PLANTING OF PEAS ON "HAILED-OUT" FARMS SUGGESTED

In a letter addressed to the First State Bank of Matador, Ashley Mixon, President of the Plains Food, Inc., Plainview canning firm, extends his sympathy to farmers who have had the misfortune to lose their crops through destruction by hail or other causes.

Mr. Mixon also brings tidings of encouragement. His canning firm offers an unlimited outlet for pinto beans, blackeye, cream and brown crowder peas in both the green and mature stages. The firm handles seed on a cost basis to encourage more acreage.

Starting in 1942 with a five car load tomato pack (120,000 No. 2 cans) the firm last year canned more than 100 carloads of blackeye peas or more than 2 1/2 million cans.

An excerpt from Mr. Mixon's letter is as follows: "The farmers who have lost their cotton, in our opinion, cannot plant a better cash crop at this time than peas, as they are one of the best legumes to be found and it is by far the cheapest method of rebuilding land. Peas can be harvested 60 days from planting."

Any farmer interested in the possibilities of planting blackeye peas, may contact the bank, county agent's office or AAA office.

DEATH WAS A PASSENGER in this automobile which carried three persons to eternity Saturday night, five miles west of Matador on US Highway 70. Sheriff John Stotts (in white hat center of picture) is aiding in removal of the last victim. All three Lamesa passengers in this automobile were killed and one of the five Camp Carson soldiers in the other car, died later. A truck driver who was first to reach the scene said bodies were scattered about on the highway.—Photo by Douglas Meador.

Hail Destroys Crops

County Soaked By General Rainfall

Devastating hail struck the Flomot community late Friday and left thousands of acres of cotton and other row crops in waste. Extent of the hail storm included a strip about two miles wide and approximately 30 miles in length, extending from Floyd and Briscoe counties.

Some of the finest farming land in the county was laid to waste after the cloud had passed. No estimate of the loss is available. Last year Flomot community was in the path of floods which destroyed thousands of acres of crops. The cloud, which from Matador, did not appear to be more than heavy showers with late sunshine in the background, followed an easterly course and later turned south.

A light shower here early Sunday was followed about 2 a. m. Monday by general rains. Reports indicate that almost every section of the county received a good soaking.

Rainfall at the city wells registered 1.76 inches, while D. I. W. Birnie on the west edge of town registered 1.94 inches with an approved gauge. The rainfall was much heavier south of Matador. Roaring Springs had in the neighborhood of 2 1/2 inches, while some farmers southeast reported about 3 1/2 inches. Despite some electrical display, the rain was not accompanied by wind and hail.

Total rainfall for 1951 to date is 13.83 inches. By months the rain fell as follows: January 55 February 58, March 87, April 1.60, May 3.95, June 4.36 and July 1.92.

More property-owners are forming block combines and ordering their streets paved. Sheppard & Luce, contractors, City Councilman O. V. Johnson said late yesterday that it is probable 20 blocks will be paved. Through cooperation of school board officials the street back of the school plant on which Burleson Field fronts, is now in process of being paved from south of the H. H. Campbell home, north to Highway 70 at the Matador Church of Christ.

The city is in no way connected with the new paving project except to sponsor the work and pay for intersections after property owners order the improvement. The city employed Sheppard & Luce to apply a sealcoat on existing paving. The contracting firm which builds a great amount of farm-to-market roads for the Highway Department, builds strip paving in small towns during periods when they are not employed by the state agency. In Vernon alone Sheppard & Luce built more than 250 city blocks of the same type paving being constructed here. Quannah citizens have materials waiting for an extensive program.

The cost is 60¢ per running property front foot (a 25-foot lot posts \$15) all residents on a block must agree to pave. One person must be responsible for

MRS. JEFFERS ON TRIP TO TENNESSEE
Mrs. Claud Jeffers left Tuesday morning for a trip to Tennessee, where she will visit two sisters for the first time since leaving that state 54 years ago. They are, Mrs. Walter Hunter of Knoxville, and Mrs. Sam Holiday of Tellico Plains, near Madisonville. She will also visit at Chattanooga and other places during the trip.

Mrs. Jeffers accompanied her son and family, Mr. and Mrs. Jim Ward Jeffers and son, Freddie, of Lamesa, whose destination is Lewisburg, Ky.

DIRICKSONS LEAVE ON TRIP TO CANADA
Mr. and Mrs. L. H. Dirickson, accompanied by her parents, Mr. and Mrs. Lem Guthrie of Eden, Texas, left Sunday for a tour through northwestern states, with Calgary, Canada, as their destination, where they will attend the Calgary Stampede.

During the Dirickson's absence her sister, Mrs. Lillie Edmondson of Tipton, Okla., will be in charge of the Rogue Theatre here.

JOHNNY BERT EZZELL HOME UNTIL OCTOBER
Johnny Bert Ezzell has been dismissed from Scottish Rites Hospital in Dallas, until October 3, and returned home with his parents and brother, Mr. and Mrs. Bert Ezzell and Charles, Monday night.

He will receive home therapeutic treatments until fall, when he will probably undergo further surgery in an effort to overcome results of polio.

TRAIL DUST FOURTH IS QUIET

By DOUGLAS MEADOR

Everything was quiet in Matador yesterday. The expected heavy traffic on highways did not develop. No report of any type of accident had been received at press time last night.

At times yesterday entire blocks of the business section were completely emptied of automobiles. With the exception of cafes and filling stations, business was at a standstill.

Flags were flown from the post office, Y.F.W. club house, courthouse and most places of business. Most observers declared the holiday was about like a quiet Sunday.

Altho a number of Matador residents are away on vacation and trips, many family circles were complete. In most cases owners and employees of businesses were content to rest—and stay off the highways.

R. L. Holt Receives A&M Scholarship

COLLEGE STATION—Roscoe Lee Holt, son of Mr. and Mrs. R. R. Holt of Matador is one of fifty-three high school graduates who have been awarded four-year scholarships to Texas A and M college.

In addition to the 4-year scholarships, twelve 1-year awards were also announced by the Texas A. and M. College Development Fund in its 1951 Opportunity Awards notification. A special one-year award, made possible by gifts from the A and M student body, went to a student from Norway.

The awards were given to outstanding boys who could not attend college without financial assistance. Winners were selected on the basis of scholarship, leadership, character and need after an open competitive examination in which more than 400 Texas high school boys participated.

All will enter the A and M College of Texas in September with cash awards of \$200 to \$600 a year and the opportunity to earn the rest of their education at cost at student jobs. They will swell to a total of 240 the number of young men attending A and M College next year under the Opportunity Awards plan.

Starting in 1946 with 16 boys, the program has grown rapidly with the support of former students of the college, other interested of the state.

Young Holt graduated from Matador High school in the top quarter of his class ('51) as valedictorian. He was vice president in athletics. He plans to study Civil Engineering.

Man's resourcefulness is one of the most fascinating observations afforded on the mad star. A friend testifies that he recently witnessed a man moving a dug-out on a large truck. It was a concrete dug-out which had been pulled from the earth completely amazed at the massive object in transit but he would have appreciated knowing the method by which it was removed from the earth and loaded.

It is not easy to radiate sunshine when you find your world shaded by a cloud of apprehension.

Some characters seem to be downright disappointed when the worst fails to happen.

Of all the modern contrivances we could do without, radio heads the list.

Pied Pipers
BY MR. S. M.

A bride of 22 years (of marriage) on June 22, wore an orchid corsage, the gift of her husband. It was her first.

For many years, ever since we have been reading and writing wedding stories in which the bride wore an orchid, we have coveted an orchid, think we were among the few who were in Matador who had not when we discovered as we daily displayed our corsage, we had slipped from the party to the minority group!

Reason must be that orchids brides came into custom during the past decade or so.

We were happy that ours was brown nor white, but an orchid.

We were disappointed that Carl Englands, who publish Matador Tribune, could not get our guests for the occasion, named. Instead, they sent a bouquet of lilies along with their card of regrets.

In decorating our quarters a dozen gladioli in an array of colors, from Elmer to the beautiful home-grown ones with his many friends; a dozen lovely red rosebuds; a Salie Bishop, (a delayed gift, she explained).

Friends are so nice to have, sometimes even husbands.

Social Security Numbers Required By Farm Workers

Are you a regularly employed farm worker? Are you working as much as two days every week for someone in their home? If you are, your employer is required to make a report of your wages and turn in the Social Security tax on what has been paid to you. The second report is due during July.

John G. Hutton, Manager of the Lubbock Social Security Office said today that all farm and household workers who come under Social Security must have Social Security account numbers for their Social Security tax report. Everyone who already has a Social Security account number card should show it to his employer so that he will be sure he has the correct name and account number for his report.

Those who have never had an account number should apply immediately. An application form may be obtained from any Post Office or the Lubbock social security office. Those who have had a card and lost it should immediately apply for a new card with the account number they had before. The application form mentioned above can also be used for getting a lost card replaced, Hutton said.

It is important that these employees have their account number cards soon, so that their employers can have correct information for their regular quarterly report, due in the month of July.

A representative of the Social Security Administration Field Office will be in Matador on

Tribune, Matador, Motley County, Texas, Thursday, July 5, 1951

DALLAS (Special).—For 13 years, Earl Harvey, Sr., of Dallas has contributed blood to the Texas Scottish Rite Hospital for Crippled Children. Mr. Harvey estimates that he has donated more than twelve gallons in surgery cases where blood transfusions are needed. In the picture with Mr. Harvey is one of the SRH Nurse's Aids with one of her grateful little patients. Parkland Hospital, blood bank for Scottish Rite Hospital, is currently appealing for more blood to replace an acute shortage of the life fluid.

Wednesday, July 11, at 11:00 at First State Bank to assist persons in Social Security matters.

Ladies Home Journal To Use Henry Feature

A feature by John M. Henry will begin in Ladies' Home Journal in the near future, which will include current wit and excerpts from columns appearing in weekly newspapers.

Main Street, Henry's column devoted to the sayings of newspaper columnists in America's small towns, which has been running in Cosmopolitan magazine has been discontinued by that publication.

Mr. Henry, who is with the Register & Tribune, Des Moines, Iowa, submitted a number of excerpts from Trail Dust (Matador Tribune) to Cosmopolitan magazine, two of which were accepted for publication by the editors.

Locals

Mr. and Mrs. Algine Groves and sons, Pat and Mike spent Saturday night and Sunday in Quanah, visiting her brother and wife, Mr. and Mrs. C. M. Nichols.

Visitors in the home of Mr. and Mrs. R. H. Bearden during the week-end were his brother and family, Mr. and Mrs. J. W. Bearden and son, Ronnie of Big Lake and a sister, Mrs. Roscoe Snell and son, Charles of O'Donnell.

Mr. and Mrs. Bobby Thompson of Hugoton, Kansas were week-end visitors in the home of his parents, Mr. and Mrs. Earl Thompson.

Mr. and Mrs. Kenneth Kell of Tulsa, were visitors here Sunday with her parents, Mr. and Mrs. V. A. Rattan.

nouncing the arrival of a girl, Vicky Dean, at Traweck Hospital, Saturday, June 30 at 10 p. m. She weighed 7 pounds, 7 ounces.

Mrs. Jacobs Is Hostess at Tea

Mrs. W. F. Jacobs entertained at tea Thursday afternoon from 4 to 6 o'clock, assisted by her sisters, Mesdames W. N. Pipkin, R. E. Campbell, Jr., and Robert Darsey.

Arrangements of gladioli decorated the living room, and sweetpeas and other summer flowers were used in the dining room, where the table was laid with a lace cloth and centered with pink candles in floral holders. Pink and blue paraffin mint cups also decorated the table. Cake squares were served with punch and coffee, with Mrs. Pipkin and Mrs. Harry Willett presiding at the services. Approximately 45 guests were registered by Mrs. Campbell.

Killing Flies Held Better Than Spraying In Preventing Polio

HOUSTON, June 28—A young doctor, crippled by polio and now head of the Baylor university of medicine, said today that attacking the breeding places of flies is a better way to fight than by citywide spraying.

Dr. Charles Boyd, who is confined to wheel chair after an attack of polio, said that medical research has shown no actual benefits came from spraying in polio abatement. He gave his views as county and city health officers and members of civic groups prepared to meet tonight to discuss ways and means to fight polio. Citywide spraying has been the most talked about way to combat the rising polio increase.

Dr. Boyd said that flies are the only insects known to carry polio than by citywide spraying won't kill them. S. C. Wilson, state representative for the National Foundation of Infantile Paralysis, said there was a shortage of polio nurses in Houston. He urged recruitment of retired nurses for this job.

"We don't feel polio here has reached an epidemic stage," he said. "But I would term the increase in Corpus Christi, where they had 14 cases in 24 hours last week, alarming."

So far this year there have been 55 city cases and two deaths as compared to 53 cases and two deaths in the same period last year. Last year was Houston's worst polio year with 216 cases reported.

RECENT VISITORS

Miss Eliza Graham and her brother, Spencer Graham of Lovington, N. M., accompanied by Miss Rebecca Graham of Santa Fe, N. M., left Friday to

return to their homes after visiting here at the bedside of their cousin, W. M. Graham.

MISS SUE GLENN DISCUSSES CONTINUING PRICE OF FREEDOM FOR BAPTIST W. M. U.

"The early history of the land of the free and the home of the brave" was the title of the address given by Miss Sue Glenn...

"We might have started on the wrong foot had not a few people decided there was something besides gold in the New World. To the Pilgrims who came to this country seeking freedom of worship, we owe a debt of gratitude."

In her discussion of the fight for freedom that began in the revolt against the church and the feudal power of England, Miss Glenn stated and commented on a number of things to be necessary in these days...

Roaring Springs NEWS

By Mrs. L. E. Cooper

Mr. and Mrs. S. D. Hunter and son, John, were Wichita Falls visitors Sunday, with another son and family Mr. and Mrs. Sam Hunter, who are announcing the birth of a daughter, recently.

Misses Kelly Ann Green and Jane Lewis spent several days in Archer City visiting with friends and attending the school. Mr. and Mrs. Sewer Watson and daughter and Mr. and Mrs. J. M. Carpenter and son of Sweetwater spent the week-end here with relatives.

Mrs. Hart Harris of Ft. Worth visited here recently with her niece, Mrs. W. E. Brown.

Mrs. Jerry Cooper and son, Tommy and Betty of Henry, Okla. are here visiting with her parents-in-law, Mr. and Mrs. L. E. Cooper, and other relatives.

Mr. and Mrs. V. M. Chalk and daughter, Mrs. Joel Sandus of Dallas, were here recently looking after their farms, and visiting friends.

Mr. and Mrs. Ernest Havin and daughter, Carolyn and Barbara, and Mr. and Mrs. M. D. Freeman spent the week-end in Sulphur Springs. Miss Sue Marie returned with the Havin family for a 10-day visit. She formerly lived here.

Mr. and Mrs. Jess Hardin and daughter, Mollie E. of Corpus Christi, and daughter-in-law, Mrs. Bobbie Hardin and baby of Freewest, are here visiting with their parents, Mr. and Mrs. M. D. Hardin and Mr. and Mrs. Horace Hedd. Another son, Oscar Hardin of Calif., arrived here Friday to visit his parents and accompany his wife and baby back to their home.

Mrs. Iva Meason returned Friday from a visit in Brownfield with her daughter and son-in-law, Mr. and Mrs. Harold Criles.

Mr. and Mrs. S. J. Braselton and children spent Sunday in Quanah, visiting relatives.

Mr. and Mrs. E. E. Moss returned Sunday from a business trip to points in Louisiana.

Mr. and Mrs. Willard Sampson of San Antonio, spent the week-end here with his mother and sister, Mrs. Mary Sampson and Miss Jewel Sampson.

Mr. and Mrs. J. H. Shirley and daughter, Mrs. S. J. Braselton and daughter, Sandra, returned Friday from a visit in Odessa with their son and brother, and family, Mr. and Mrs. Joe Shirley.

Mrs. Frank Forbes and daughter, Ronda, accompanied Miss June Mackay to her home in

BONNIE CRAFT ATTENDES LURBOCK MUSIC SCHOOL

Miss Bonnie Craft of Roaring Springs left Sunday, July 1, for Lubbock, where she will attend a three-week music school. She will take piano from Lawrence Levy and voice lessons from Oulu Echols, Sr.

Donald Martin of Matador is also attending the music school. Mr. and Mrs. W. L. Craft accompanied them to Lubbock, and they all attended a singing at Faith Temple Church at 6th and Avenue L.

Mrs. Arch Black returned home Monday afternoon from Quanah, where she had been for a checkup and treatment at Quamiah Hospital. Mr. Black accompanied her there last Friday and returned for her Monday.

Mrs. J. E. Emmons visited in Ft. Worth last week with her mother, Mrs. O. F. Bates, while Mr. Emmons attended a conference for county agents at College Station.

Post, Wednesday, after she had visited here for two weeks.

Mr. and Mrs. Clifford Lawrence and baby of Amarillo, spent the week-end here with her sister and family, Mr. and Mrs. Buzz Thacker and other relatives.

Geo. Morrison of Mckinzie was here Monday looking after business.

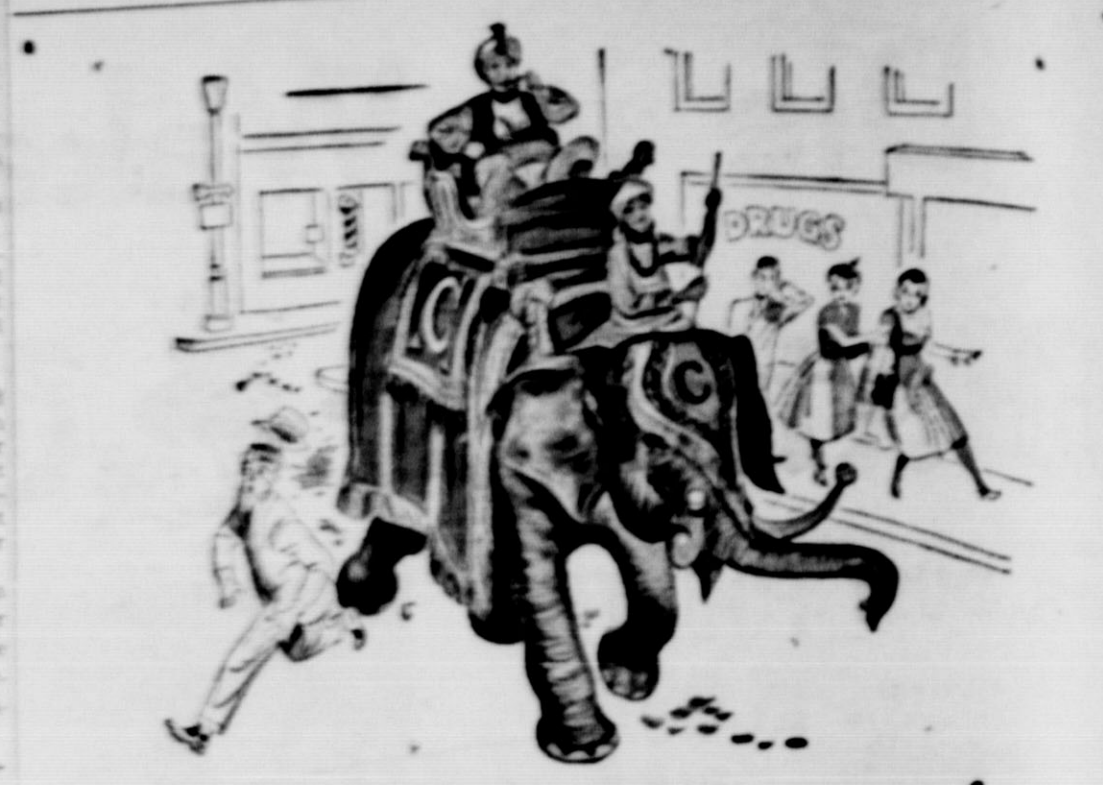

Mr. and Mrs. Clyde Mitchell of Amarillo, were week-end visitors here with her mother, Mrs. Sally Phippe.

Mr. and Mrs. Paul Nichols and baby, and Mr. and Mrs. Billy Nichols and son of Amarillo, spent the week-end here with their parents, Mr. and Mrs. W. H. Nichols. Mr. Nichols returned home with them for a visit.

Drexel Yandell of Ft. Worth, with his mother, Mrs. I. Yandell and daughter of Quanah, visited recently with her sister and family, Mr. and Mrs. Fred Dawson.

Mrs. Joe Duran and Mrs. Jack Davis and son, Rouse, are visiting relatives in Houston and Pearre.

How to make Wise Tracks to a Beauty

How do you buy a new car? Are you one of those people who buy on love at first sight? Or do you check cars feature for feature, price for price—then pick the one that gives you the most for your money?

Whichever you are, we'd like to suggest that you come in and see our 1951 Buicks. It's a sure bet you'll go for the swift, smart look of a SPECIAL, SUPER or ROADMASTER—fall seriously in love with the pace and power of its bonnet-filling engine. And it's a cinch you'll go for the room and richness of those Buick interiors—the serene smoothness of Dynaflo Drive* and all-coil springing. But don't let your emotion be the only

judge—get the practical picture too. Note that the power that gives you such a big kick here comes from Buick's famed valve-in-head Fireball Engine—which means you get a lot of miles from each gallon of gas you buy. Note that the silken ease you enjoy with Dynaflo* goes hand in hand with real money savings in maintenance costs. Above all, note what a Buick's price tag includes—how much more sheer automobile you get in a Buick than the same money would buy elsewhere. How about making tracks to our showroom right soon—checking thoroughly into the matter—and see if you don't fall in love with a smart-buy Buick?

NO OTHER CAR PROVIDES ALL THIS

DYNAFLOW DRIVE* • FIREBALL ENGINE • WHEEL COIL SPRINGING • DUAL VENTILATION • PUSH BAR FRONTEND • TORQUE-TUBE DRIVE • WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING • BODY BY FISHER

WHEN BETTER AUTOMOBILES ARE BUILT NONE WILL BUILD THEM

ROARING SPRINGS HIGH SCHOOL graduates of 1930 and 1931 and their families, attending a recent reunion at the springs. Standing (left to right): Mesdames Roy Forkner, Tom Herod, Mike Hoyle and Algie Groves; Miss Bessie L. Medlen (sponsored by Mr. and Mrs. Clifton Cummings, Gordon Mills, Mrs. H. C. Lewis, Mrs. Gordon Mills, Mrs. W. H. Marshall, Lane Ligon, W. Marshall, Mrs. W. A. Ligon, Barbara Kay Bigham, W. A. Ligon, Mrs. Croft Bigham, Croft Bigham, Maurice Goodwin and Kayes Long. Sitting: Mike Hoyle, Algie Groves, Jimmie and Sammie Cummings, Walton and Araleene Bagley of Canyon, nephew and niece visiting Miss Medlen, Kay Mills, Rodney and Boyd Long, Sharon Mills, Billy, Jane Ann and Martha Sue Goodwin, Mary Lynn Bigham, Mrs. Maurice Goodwin and Mrs. Charles Long. Several children were in the springs swimming at the time the picture was made.

ROARING SPRINGS SCHOOL CLASSES HOLD RE-UNION

Members of Roaring Springs High School graduating class of 1930 and 1931, with several members of the class of '31, for a re-union picnic. Bessie L. Medlen, class of '31, now retired from the faculty, met with her former pupils and their families. The seventeen members of the class of '31 were present. Two were deceased. Those present were: Mrs. H. C. Goodwin, Mr. Elaine Goodwin, Mr. Croft Bigham and Mrs. Barbara Kay and Lynn, Mrs. Roy Forkner (Goodwin) Mr. and Mrs. Lane Mills (Nellie Bridge) children, Sharon and Kay, Mr. and Mrs. Clifton H. Cummings (Hazel Hughes) and Jimmy and Sammie, all of Rock, Mr. and Mrs. Maurice Goodwin and children, Billy Sue and Jane Ann, of Madge Rose) and Lane, of Mr. and Mrs. Charles Long and children, Treve,

Matador IOOF Lodge
Meets every Friday night. Charlie Meador, Noble Grand, Bruce Martin, Secretary. All visitors brothers welcome.

Charlie, Carl, Boyd and Rodney, and Mr. and Mrs. W. H. Marshall (Bessie Mae Smiley) and Ruth Ann, of Roaring Springs. Other members of the class of '31 were: Percy Godfrey and Woodrow Haney, both deceased; Wesley Green, Harlin Williams, R. J. Davis, J. B. LeFevre, Alta Denison and Milton Williams. Of the class of '30, those present were Mr. and Mrs. Mike Hoyle and son Larry, and Mr. and Mrs. Algie Groves (Rita Nichols) and sons, Pat and Mike, all of Matador; and Mrs. Tom Herod (Florence Cooley) of Lubbock. Two sets of twin boys were present, being Jimmy and Sammie Cummings of Lubbock and Charlie and Carl Long of Roaring Springs.

MRS. C. C. RENFRO HONORED RECENTLY

Mrs. C. C. Renfro was honored recently on the occasion of her birthday, June 17, at a surprise party held at the home of her daughter, Mrs. A. A. Harp, with two other daughters, Mrs. A. B. McCaghen of Matador and Mrs. Carl Tardy of Roaring Springs, as co-hostesses. The party was held on Friday, June 15, and guests were members of Mrs. Renfro's Sunday School class. Refreshments of ice cream and cake were served following a social hour. Those present were: Mesdames H. S. Watson, T. E. Long, A. A. Tipton, Myrtle A. Campbell, Harry Carter, Bertha Garrison, L. Rattan, H. D. Marshall, Margaret Newman, C. W. Giesecke and James Renfro. Don Tardy and Ann Giesecke. Several who were unable to attend sent gifts.

LAYETTE SHOWERS GIVEN RECENTLY

Mrs. Bill Jameson and Mrs. Bobby Jameson, sisters-in-law were honorees recently at separate layette showers given by friends.

The home of Mrs. Mae Plumlee was the scene for the shower honoring Mrs. Bill Jameson on Wednesday, July 20, from 2:30 until 4:00 p. m. Hostesses were Mesdames Mildred Leonard, Ruth Benson, Bill Slover and Billie Slover.

Punch was served with pink and white cake squares, decorated with safety-pin and pink and blue ribbon storks. Blue napkins with storks were also used. Games were played, with the honoree winning the prize.

Mesdames Givens Lawrence, Willard Young, Cecil Shelton and Clyde Gilbert were hostesses for the shower honoring Mrs. Bobby Jameson, in the Gilbert home Friday, June 29, from 3 until 6 p. m.

After gifts were opened by the honoree, refreshments of cake squares and punch were served, featuring traditional pink and blue colors. A tiny "triangle" attached to the top of a toothpick, decorated each square of cake.

Mr. and Mrs. J. N. House and small daughter, Anna Belle, left Tuesday for a visit at their former home, Paris, Texas.

Mrs. A. L. Fryar of Plainview visited here during the weekend as guest of Mrs. Claude Harp.

TO ARKANSAS
Mr. and Mrs. R. E. Donovan left this morning for Little Rock, Ark., where they will visit his brother and wife, Mr. and Mrs. David Donovan. En-

route, they will stop at Bridgeport, Texas for their daughter, Rose Carolyn, who has been visiting Mrs. George Parkhill, and who will accompany them on the trip.

How many Independence Days have we left?

"We hold these truths to be self-evident; that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed..."

Immortal words from the Declaration of Independence, adopted on the first 4th of July, just 175 years ago.

THESE WORDS are the stones upon which man built history's greatest work—the United States of America. Remember them well!

"... all men are created equal..." That means you are as important in the eyes of God as any man ever brought into this world. You are made in His image and likeness. There is no "superior" man anywhere.

"... they are endowed by their Creator with certain unalienable rights..." Here is your birthright—the freedom to live, work, worship and vote as you choose. These are rights no government on earth may take from you.

"... That to secure these rights, governments are instituted among men..." Here is the reason for and the purpose of government. Government is but a servant—not a master—not a giver of anything.

"... deriving their just powers from the consent of the governed..." In America, the government may assume only the powers you allow it to have. It may assume no others.

From Concord to Korea, your kinsmen have fought and died for the principles of America's Declaration of Independence: belief in God... belief in the God-given rights of man... belief that man is more important than government... belief in the vital need for morality in all man does.

But on this Independence Day, as never before, these beliefs are in deadly peril. There are people in America who would deny your God-given rights, who prefer expediency to morality, and who would make government the master—not the servant—of man. These people are the advocates of an all-powerful, all-providing socialistic government to control your destiny from cradle to grave.

The time has come to answer them with your own "Declaration of Independence"...

Declare that government is responsible TO you—rather than FOR you.

Declare that freedom is more important to you than "security" or "survival."

Declare again that the rights God gave you may not be taken away by any government on any pretext.

Our founding fathers accepted the truths of America's Declaration on faith alone. Today, our nation is proof—absolute and irrevocable—that these truths work. They are the last great hope for the protection of human civilization.

FREEDOM NEEDS YOU

On this 175th anniversary of the Declaration of Independence, help give the day the spiritual, religious meaning it had to the founding fathers. Renew your faith and allegiance to the immortal truths stated in the Declaration. Make them an active part of your thinking, your acting, your voting. Pray for help in maintaining man's closeness to God, in preserving man's God-given rights and responsibilities against those who would make you dependent upon a socialistic, all-powerful government.

"... we need only to recall that the substance of (America's) formula is continuous, strict and closely guarded limitations upon the power of government. Neither the peril of war nor the promise of welfare must ever serve to relax any item of this formula..."

From "The Key to Peace" by Dean Clarence Manning.

MARRIAGE VOWS EXCHANGED AT WHITEFACE BY ELLA K. KEITH AND ROBERT ROWLAND

Miss Ella Katherine Keith, daughter of Mr. and Mrs. G. C. Keith of Whiteface, Texas and Robert Bradford Rowland of Stamford, Texas, exchanged wedding vows in a candle-light ceremony in the Methodist Church of Whiteface, June 20 at 8 p. m. Rev. Joe E. Boyd of Post, uncle of the groom, performed the double ring ceremony.

The bride, given in marriage by her father, wore an original gown of white nylon sheer. She wore a short veil of illusion and pearls, and carried a white Bible topped with white rose buds.

Mrs. Robert Burks of Levelland, matron of honor, wore a light blue gown of nylon sheer and carried a bouquet of yellow roses.

The bridegroom was attended by his father, Mr. V. B. Rowland of Stamford, as best man. Ushers were George Keith of Whiteface and Robert Burks of Levelland.

Preceding the ceremony, Mrs. John Brown of Lubbock sang a verse from "Moonlight Bay," "Because" and "The Lord's

Prayer." She was accompanied by Miss Dorothy Faye Terrell of Plainview, who also played the wedding marches.

Following the ceremony, a reception was held at the home of the bride's parents.

The young couple are at home temporarily at Fort Rucker, Ala., where the groom is with the Army Signal Corps.

Attend Wedding
Among the out-of-town guests attending the wedding were Mr. and Mrs. M. S. Patton and Miss Mary Keith of Matador, Mr. and Mrs. D. P. Keith of Lubbock, Mr. and Mrs. M. L. Jones of Morton and Mr. and Mrs. Luther Jones and children of Bledsoe, Texas.

Typhoid Is Menace To Summer Campers

AUSTIN—Now that summer has come to Texas it is time for people who expect to enjoy camping and swimming during the warm weather to be sure

Initial Copy Publication Laws Book Presented Price Daniel

TEXAS' ATTORNEY GENERAL PRICE DANIEL took time out on Father's Day to receive the first copy of his new book, "Texas Publication Laws", as a gift from his family. Gathered around the Attorney General are Mrs. Daniel and the four children—John, Price Jr., Houston, and Jeanie. In spite of a big job and a big family, Daniel found time to edit the law book on newspapers and public notices as a public service for the Texas Press Association.

that they are adequately protected against typhoid fever, according to Dr. Geo. W. Cox, State Health Officer. "Although the public health strides of recent decades have practically eliminated typhoid fever as a threat to persons living in communities with approved water supplies and good sanitation, the disease remains a real danger to those who swim, camp or picnic in remote rural areas," Dr. Cox pointed out.

"Typhoid fever is transmitted from one person to another by means of water, food or milk that has been contaminated by discharge from a patient suffering with the disease or from an apparently well typhoid carrier.

"Spectacular reductions in typhoid fever cases and deaths as compared with those of a generation ago should not give the public a false sense of security. There has been 95 cases of typhoid and paratyphoid fever in Texas in 1951—in spite of community efforts to improve sanitation, isolate patients and supervise known carriers. This indicates that it is still highly desirable for individuals who may be exposed to unfavorable conditions to safeguard themselves by seeking protection at the beginning of the vacation season.

"Immunization is a simple and safe procedure. Since this

immunity lasts for only three years, anyone who has not been inoculated since 1948 should receive new protection this year. In addition, persons who have never in the past availed themselves of this preventive measure should by all means do so now if they plan to participate in outdoor pleasures. All persons who are due for immunization against typhoid fever in 1951 should go to their physicians without delay if they have not already received the recommended inoculations."

Lubbock Cerebral Palsy Treatment Clinic Announced

The Lubbock Cerebral Palsy Treatment Center will hold a clinic for the examination of cerebral palsied children on Monday, July 9. Dr. E. T. Driscoll, Midland, Dr. R. Q. Lewis, Lubbock, orthopedists; Dr. E. K. O'Loughlin, neuro-psychiatrist; Dr. T. M. Lunceford, pediatri-

cian; Dr. G. W. Wallace, eye specialist; Dr. J. M. Reynolds, dentist, will be present to examine children. Parents interested in bringing their children to the clinic are requested to register their child at the Center some time before the clinic date. Further information may be obtained by contacting Dr. Esther E. Snell, Director of the Treatment Center, 3502 Avenue N, or calling Lubbock, 6541.

ROARING SPRINGS, TEXAS FLOYDADA, TEXAS

ACCIDENTS—

(Continued from Page One)
 driven by Kenneth Christian of Arcadia, California.

The fourth accident in two days occurred Monday evening about 7 p. m. on U. S. highway 70 when a Mercury automobile driven by L. E. Tidwell, 49, of Muleshoe, overturned as the result of a blowout.

Mrs. C. F. Stegaulde, 28, Tidwell's daughter and his sister, Mrs. Ada Dennis, 80, were riding in the vehicle with Tidwell.

They all reside on a farm near Muleshoe.

Most seriously injured was Mrs. Dennis who suffered a double fracture of her left arm. Tidwell's left arm was broken and Mrs. Stegaulde suffered shock and lacerations. They were brought to Stanley Hospital-Clinic by a Eudy-Seale ambulance.

Rapidity of automobile wrecks shocked Matador citizenship. Ed Jameson, who operates a wrecker service, towed the wrecked automobiles to a vacant area back of his home in southeast Matador. All five cars are badly wrecked and the two Fords in the fatal accident are almost completely demolished. A steady stream of spectators have looked at the cars since they were lined up in grotesque array. Most interest has centered on the Ford driven by Grissom in which three people were killed. The speedometer was "frozen" at between 75 and

80 miles per hour. Mileage registered is 13,000 odd miles. The 1951 Ford in which the soldiers were riding registers about 6,000 miles.

AT STAMFORD REUNION

Among local residents who attended the Cowboy Reunion at Stamford, this week were Messrs. Joe and Jim Meador, who joined the latter's son, Joe R. Meador, at Paducah Monday morning, to make the trip.

STAR ROPERS TO HOLD CONTEST

Two stellar roping teams are scheduled to meet in the Roaring Springs Old Settlers arena Friday night, beginning at 8:30 p. m.

The two teams are Alvis Townley of Paducah and Morris Stevens of Silverton who will meet Harold Felts of Paducah and Bobby Thompson of Portwood Ranch. The two teams have met previously with only 4/10 of a second between their time.

Announcement of the match was made by Tatt Garnett, president of the Motley County Roping Club. The contest will be followed by jack-pot roping. Admission is free but a hat collection will be taken.

Soft Water Used in Washing Cars

An innovation in Matador is the use of soft water to wash automobiles. Advertising in the Tribune this week is Magnolia Service Station (B. C. Cox, manager) which announces the washing of automobiles in water processed through a water-softener.

With all mineral removed from city water, cars are declared to have a much more lustrous appearance. The new water-softener is declared to remove all minerals from the water which may harm the finish of automobiles.

Floyd Radioman Gets TV Shows

FLOYDADA—Television for West Texans may be right around the corner, if experience of B. K. Barker, Jr., is any indication.

Barker, who operates a radio shop at the rear of his home in south Floydada, often sees and hears the video programs in the early morning and late afternoons and evenings. Recently he watched an entire Arthur Godfrey program.

Using a rather inexpensive installation Barker has received programs from stations in Pittsburgh, Pa., Minneapolis, Minn., and Detroit, Mich.

ON VACATION

Mrs. J. W. Ford is taking her vacation from duties at Gabriel's Dry Goods, and is visiting at Moriarity, N. M., with two brothers, one of whom, J. H. Abrahams, came here last week to accompany her there, Sunday.

Mrs. Dub Drape of Lubbock spent July 4th holiday here visiting her parents, Mr and Mrs. J. E. Russell and other relatives.
