

TRAIL DUST

By DOUGLAS MEADOR

Raw and brittle as a lance of steel, the voice cut its way through the crowded room...

Beneath the debris of threadbare dreams, the rusting tips that once held bright ambition...

No man has yet become so wealthy that he can afford to lose a friend, nor will a friend ever become so poor that his value is impaired.

Perhaps a rolling stone gathers no moss but its existence is sufficiently interesting to offset the lack of accumulation.

Robertson is New Lt. Col.

Bob Robertson, Matador businessman, and long-time friend of Lt. Gov. John Lee Smith...

The appointment was made on October 10 by Smith, who recently was Texas' acting governor for 10 days when Gov. Coke Stevenson was on an out-of-state deer hunt.

LAST RITES HELD FOR PATTON CHILD

Last rites were held for Dorothy Maydean Patton, small daughter of Mr. and Mrs. U. D. Patton, Saturday afternoon at 3 o'clock at First Baptist Church...

Victim of a kidney tumor which developed several months ago, the child had been under observation and had received treatment at several prominent west Texas hospitals...

CASH FOR POOLED COTTON ARRIVING

Matley cotton producers who pooled their cotton with Commodity Credit Corporation during the war years are receiving payments for their bales...

SPRINGS FIRE HALL STARTED

Work started this week on the construction of Roaring Springs fire hall building to house the city's fire fighting equipment...

Exservicemen on Committees For USO Drive

Returned veterans of the war are assuming places on many county committees to secure a quota of \$450 for the 'last USO drive'...

Community chairman Gordon Turner of Flomot, returned serviceman, received a letter this week from his brother, Pvt. Ray B. Turner, written on USO stationery...

Funeral Rites In Arizona for Local Pioneer

R. E. Meador, 82, former pioneer Matley County resident and father of Mrs. Jerry Birchfield of the TeePee Flat community, died in Phoenix, Arizona, Friday, October 11...

Mr. Meador moved to Matley county about 1898 and made this his home until about 1919 when he moved to Arizona for his health. His wife and a daughter are buried in the old Whiteflat cemetery...

Grade School Team Arranging Contests

A tentative playing schedule has been worked out by the Matador grade school football team, according to George Mills, superintendent and coach of the group...

Game With Buffaloes to Be at 7:45

Coach Brady Thomas sent his Matadors into a pattern of intensive drills on blocking and tackling this week in preparation for the contest with Petersburg's Golden Buffaloes...

Floydada smothered Petersburg 44-0 last Friday, and Spur, a team of the Floydada class, rolled over Matador 31-0. (See account of Matador-Spur game printed elsewhere in this issue of the Tribune.)

New Car Arrives; To Be Given Away

A 1947 Chevrolet, scheduled to be awarded by the Motley County VFW during Matador's Armistice Day observance on November 11, arrived this week, according to Furman Vinson, post commander.

Plans Completed For County Singing Convention Sunday

Plans are completed for the semi-annual meeting of Motley County Singing Convention which will be held Sunday, October 20, at Roaring Springs Methodist Church.

Ginning Report Up Over Last Year

Census reports shows that 136 bales of cotton were ginned in Matley county from the crop of 1946 prior to October 1, as compared with 81 bales for the crop of 1945...

Lions Speaker Tells How To Train A Horse

Horse-conscious members of the Matador Lions Club enjoyed an interesting address on the breaking and training of the four cardinal types of horses by Roy Deaver, Minister of Spur Church of Christ...

Farm Bureau Gives Nod To Road Plan

The Texas Farm Bureau Federation today announced adoption of a resolution supporting the Good Roads Constitutional Amendment...

CITY BAKERY CUTS DOWN ON PASTRIES

Cakes, cookies and other pastries have been absent from the City Bakery's shelves for the past week because of a shortage of sugar, according to Roy Smith, owner and manager of the bakery.

Boll Weevils Infesting Motley County Cotton

No Run Away Beef Prices Seen Here

Pork will probably reach the highest price peak now that the OPA ceilings on meats have been cancelled, according to marketmen of Matador. There is more beef than anything else in this portion of the country...

Damage Found at Roaring Springs

Boll weevils are playing havoc with Roaring Springs Cotton, Rufus Emmons, county agent, declared this week. Emmons said that a spot examination on one Roaring Springs farm revealed that approximately three-fourths of the late cotton was weevil infested but that no other reports of weevil damage had come in from other parts of the county.

Roaring Springs To Vote on New School

Roaring Springs school district qualified voters (those who have rendered property for taxation) will go to the polls Monday, (October 21) to decide a three-proposition election...

RELATIVES ATTEND RITES FOR CHILD

Several relatives from Matador went to Stillwater, Oklahoma, Monday to attend funeral services for Barbara Jean Nuss, six-weeks old daughter of Mr. and Mrs. W. A. Nuss...

No Speaker Chosen For Armistice Day

No speaker has yet been chosen for the American Legion's Armistice Day observance scheduled for November 11 in Matador, according to E. C. Stearns, member of the post's speaker committee.

Father Refuses to Accept Body of Pauper Son

"Mine eyes have seen the glory of the coming of the Lord; He is tramping out the vintage where the grapes of wrath are stored; 'as ye deal with my contemners, so you my grace shall deal'..." Battle Hymn of the Republic.

Draft Board Halts Induction Calls

Orders to cease pre-induction and induction calls until January have been received by Matley County Board No. 1, according to Mrs. Edith Sanders, clerk. The new order went into effect at midnight last Tuesday...

RETURN FROM VISIT

Mr. and Mrs. C. E. Harris returned home Monday from a trip which included a visit with the friends and relatives in Dallas, Shreveport, Orange, Houston, Galveston, Austin, Garrett, Ennis and Merritt White in Dallas...

Mr. and Mrs. Dogie Leonard

Mr. and Mrs. Dogie Leonard left recently for a trip to Hot Springs, Arkansas.

From where I sit... by Joe Marsh

**Want a Vacation
from Marriage?**

Alvin Blake went south on his vacation for some fishing, and left his wife to enjoy a vacation from the tub pipe, clothes in a heap, and the harmonica.

After a few days, Martha enjoyed a house neat and quiet, top back toothpaste, no morning mess—Alvin's midnight snacks (Al's habit to a bit of cheese and beer bedtime).

At the end of the week, she found Alvin couldn't even read (Alvin, it looked so unamused: Al had any appetite with no-

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

Joe Marsh

FLOMOT LONGHORNS' EL MATADOR
(Delayed)

A new grading system, year-books and sports were the topics of conversation this week at Flomot High School.

First, school officials have decreed that numerals, rather than letters of the alphabet, will adorn future report cards of Flomot's students.

Anything below 70 will be a failing grade, and the numerals above 70 will be equivalent to the A's, B's and C's of past report cards.

Meanwhile, Longhorn seniors have been looking at samples of year books in hopes of choosing an attractive cover for the 1946-47 edition. Pictures will be made sometime in January, a decision made in hopes that those boys who had their hair clipped recently will be able to face the camera without looking like convicts.

In the sporting line, everyone here is concerned about the game with the Quitaque Panthers which is scheduled for October 25 at 2:30 p. m. at Flomot.

And the girls' basketball team is trying to schedule games for every Tuesday night in the gym. There will be no admission charged for these contests.

Senior Snooper

Frankie can't get over it not being "Dove" season, he's got that Turkey fever.

Deaux (he wouldn't stand up a girl—or would he?) knows how to manage. Isn't Nita a pal?

Cagle, why didn't you go on over there? Were you afraid of a certain ex-senior?

Junior Gossip

Walter, we want to sit by you in geometry. How about that English, John?

MEET A SENIOR

Name, Virginia Moore; Age 16; Height, 5' 4 1/2"; Color of Hair Brown; Color of Eyes, Hazel; Favorite food, Fried Chicken; Favorite Song, "Five Minutes More"; Favorite Movie Actor, Dick Haymes; Favorite Sport, Basket Ball; Pet Like, Talking; Pet Dislike, Conceited People; Past time, Sports; Ambition, Secretary; When joined '47

That Friday night get-together over at Ava Nell and Calvin's entertained most of the high school's students. We were all kinda tired, but we had a swell time anyway.

Soph Gab

Say, Betty Jo Stoner, what about this Matador heart thro? What happened to Flomot? And what about Turkey, Jack McGann? Is Flomot slipping?

Who is this Georgia Martin, Donnie?

Freshman Talk

Even the "Fish" won't stay put in Flomot. Bo Bo and Punk still hear the call of Quitaque, but Jack is the one who makes the most trips there. And Veda Mae wants to see Tyler once again, and Duane's trips to Matador are becoming frequent.

**Leadership
Is NOT An
Accident!**

We are grateful to our customers for their patronage during the past years. We appreciate the many friendships that have resulted through business transactions but we are aware that patronage is not entirely a matter of friendship. Business is built upon service; it is not an accident.

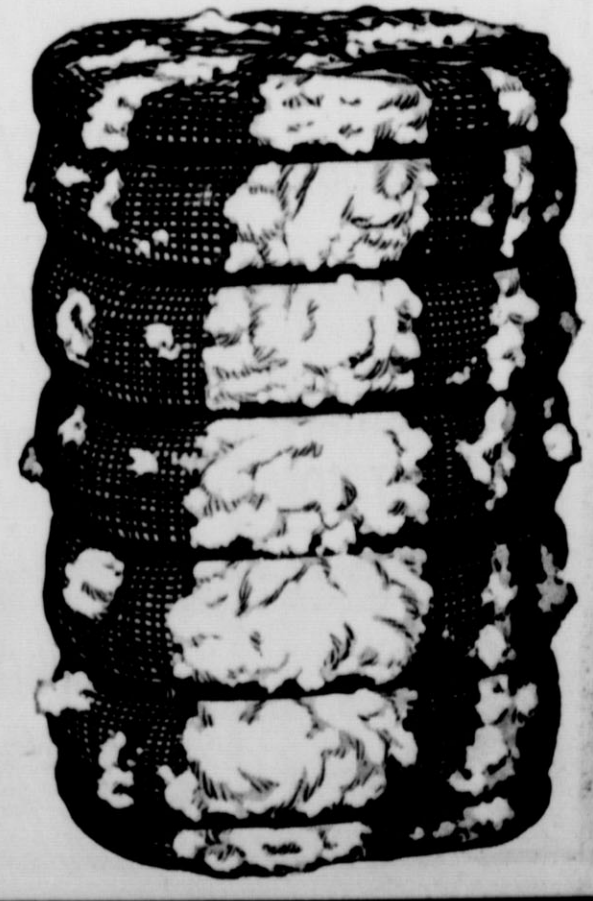

Trade goes where it is best served. We have constantly sought to improve our ginning equipment and methods to provide our customers with the greatest possible profit from their cotton harvest.

We are aware that you will gin your cotton at the plant which produces the greatest profit for you. We believe this to be the most important factor in our business and we believe friendship is the result of continuous satisfaction.

Get The Most From Your Cotton

COTTON IS MORE VALUABLE THAN IT HAS BEEN IN 25 YEARS. YOU WILL WANT TO SAVE EVERY POUND AND RECEIVE THE BEST SAMPLE POSSIBLE. IF YOU ARE NOT ALREADY A CUSTOMER WE URGE YOU TO GIVE US A TRIAL.

WE WILL ALWAYS PAY AS HIGH PRICES FOR COTTON AS YOU CAN OBTAIN ELSEWHERE. WE WILL BUY STRICTLY ON COMPRESS WEIGHTS. THE FARMERS COOPERATIVE GIN IS A HOME-OWNED INSTITUTION. ITS PROFITS COME BACK TO ITS CUSTOMERS. ITS GROWTH IS A TRIBUTE TO THE PROGRESSIVE SPIRIT OF MEMBERS AND CUSTOMERS. WE ALWAYS APPRECIATE YOUR PATRONAGE.

EL PROGRESO CLUB BEGINS NEW YEAR WITH TEA IN HOME OF MRS. WILLETT

A new club year began for members of El Progreso Study Club, Thursday, October 10, with a tea at the home of Mrs. Harry Willett. Officers of the club formed the receiving line.

Being the first meeting of the year, it was designated as "President's Day" with Mrs. A. J. Daffern, club president, addressing the club. Mrs. Margaret Springer, Mrs. John Hamilton, and Mrs. J. R. Whitworth comprised a trio who sang "The Bells of St. Mary's" and "Mighty Lak A Rose," accompanied at the piano

by Mrs. G. E. Hamilton. A brief parliamentary drill was conducted by Mrs. Harry Willett, club parliamentarian.

A social hour was enjoyed following the program.

The tea table was laid with a lace cloth, and the Club's color scheme of green, red and white, was carried out in decorations and refreshments. A center piece of red flowers was flanked by white tapers, and the tea cakes were decorated with the name of the club in red frosting, and the year dates, in green.

Mrs. A. J. Daffern presided at the table, assisted by Mrs. Willett, Mrs. Willis Cooper and Mrs. J. Farris Fish.

Other members present included: Mesdames Leonora Luckett, L. C. Harp, U. L. Willie Ben Keltz, Frank Pohl, J. L.

Maureen Plumlee Given Birthday Party Friday

(Delayed)

Maureen Plumlee was honored at a party given by her mother, Mrs. J. M. Plumlee, Friday evening, October 4, from 7 until 9:30, on the occasion of her eleventh birthday.

Several games were played, and refreshments of punch and sandwiches were served with the decorated birthday cake. Pink and white candles and pink, white and blue frosting were used for cake decorations.

The hostess was assisted by her house-guests, Turk Plumlee and Mr. and Mrs. Gearld Foster of Amarillo, and also Mrs. V. A. Rattan, who was present.

Guests present were: Charles Wood, Dean Stotts, Teddy Green, Cecil Wayne Shelton, Earlene Briscoe, Barbara Neighbors, Hoyet Noel Burnam, Jerry Swearingen, Reba Faye Bain, Lois Blevins, Raynita Dunning, Carlene Lynn, Marlene Bailey, Kenneth Dunning, Gary Laughlin, Doris Ann Doss, Pat Reeves, Letress Simpson, Neal Pipkin, Lonnie Winfield, Francis Tra-week, Roma Jolene Fulkerson, Barbara Ann Spray, Jean Hines, Dorothy Rattan, Betty Ruth Smalley, Dwayne Martin, Daisy Mae Bird, Bill Jameson, and Allie Burkes.

Woodruff, J. G. Ketchersid, Jake Edwards, Harold Campbell, Roy Reeves, Clay Gilbert and Joe Bloodworth, and Misses Amy Glenn and Mary K. Cook.

Couple United In Ceremony Saturday

A simple ceremony read Saturday night in the Methodist parsonage by Rev. G. E. Turrentine, united in marriage, Mrs. Gertrude Nelson and L. R. Smith, both of Matador.

Both are well-known here in business and professional groups. Mrs. Smith is treasurer-elect for Motley County and will assume duties of her office the first of the year. Mr. Smith is owner of the City Bakery, having re-purchased the business upon receiving his discharge from the U. S. Navy. He had previously owned it before his entry into the armed forces.

Cullison-Russell Rites Are Read At Methodist Church

In a ceremony read Monday, October 14, at 2:30 p. m. in the First Methodist Church, Miss Leatrice Russell, daughter of Mr. and Mrs. L. L. Russell Sr., of Matador, became the bride of Louis M. Cullison, son of Mr. and Mrs. J. C. Cullison Sr., of Highlands, Texas.

Rev. E. N. Goode, pastor of the Whiteflat Methodist Church, officiated, and traditional wedding music was played by Miss Billie Frank Skaggs.

The bride, given in marriage by her father, wore a two-piece white wool flannel dress with black accessories, and a corsage of pink carnations. She was attended by her sister, Mrs. Earnest E. Cullison, who wore a two-piece Navy blue dress and a corsage of white carnations. Earnest Cullison attended his brother as best man.

Following the ceremony, a reception was held at the home of the bride's parents, for the wedding party which included the immediate family and a few friends.

The couple left for a few days visit in Plainview, Texas before going to Highlands, where they will make their home. For the trip, Mrs. Cullison wore a royal blue suit with her corsage of carnations.

The bride was born and reared here, and attended the local schools. At the time of her marriage she was a student in high school, and during the past summer she was employed by the Rogue Theatre.

Mr. Cullison attended schools in Alvin and West Columbia, Texas. He is employed by a construction company in Houston, as a carpenter. He spent five years and ten months in the Army Air Forces and received his discharge October 12 of last year. He served 2 1/2 years in the Canal Zone and eleven months on Saipan. He has the Good Conduct medal and the pre-Pearl Harbor ribbon.

Mr. and Mrs. Norman Priest had as week end visitors, his father, O. F. Priest, and a brother and sister-in-law, Mr. and Mrs. O. F. Priest, Jr., all of Big Spring.

P. T. A. MEETING IS WELL ATTENDED

"Building Firm Foundations" was the theme of the program presented to Matador parents and teachers Wednesday, Oct. 9, in the grade school library. The regular monthly meeting of the Parent-Teacher Association was well attended, with approximately 40 patrons present.

Miss Thressia Godfrey had charge of the program which included a solo by Barbara Ketchersid, who sang, "And a Little Child Shall Lead Them," accompanied at the piano by Mrs. G. E. Hamilton, and a panel discussion by Mrs. Raby Webb, Mrs. Tom Tilson and George Mills, grade school principal.

Mrs. Webb discussed building foundations in the home and said, "Every child has the right to be fed, clothed, to be happy and to be loved." In her talk, Mrs. Tilson pointed out that "The home is the center of family life and based on its spiritual teachings." Mr. Mills in discussing building firm foundations in the school, stated that "The foundation for school citizenship is laid in the first four grades."

Mrs. Elbert Reeves spoke on the Parent-Teacher Congress and Founders Day.

At the conclusion of the program a business meeting was held in which Mrs. R. E. Donovan was elected president to fill the vacancy made by the resignation of Mrs. Clay Gilbert. Mrs. Raby Webb was elected vice-president.

Refreshments of cake and coffee were served to those present by Mesdames John Hamilton and Ben Edwards. Cakes were baked by Mesdames Joe Bloodworth, Ben Edwards and R. E. Donovan.

General Meeting Of Baptist W. M. U. Is Held Tuesday

General meeting of Baptist W. M. U. was held Tuesday night in the church basement following a covered dish supper.

A Royal Service program was given on the topic for the month "World Investments for Southern Baptists," by the Burleson Circle, led by Mrs. J. C. Rattan.

Scripture readings were given by Mrs. H. S. Watson. Mrs. Ben Keltz conducted an interesting survey of the Cooperative program, aided by Mesdames J. A. Groves, Bill McCaghen, Velma Fulfer, J. L. Woodruff, Farris Fish, Cecil Shelton and H. S. Watson, each lady contributing an explanation of one phase of the cooperative plan. These in-

Bulldogs Chew Matadors In 31-0 Defeat; Spur's Dyess Is Fatal Dose

Petersburg Is Next Conference Contest

A clickable Spur eleven defeated Matador High School's footballers 31-0 last Friday night at Burleson Field.

made their first tally on the seventh play of the game and scored in every other quarter, including two touchdowns which were but three plays apart in the final period of the game.

As for Coach Brady Thomas' Matadors, the affair was their second conference game in as many weeks, and also their second conference defeat.

For some reason, the Matadors couldn't get rolling. In fact, they seemed somewhat sluggish, and at times uncertain—Center R. C. Giesecke being the only apparent exception.

The Bulldogs rocked along with everything under their leisurely control and taught their opponents that the names of Dyess, Watson, Sharp and Wilson are just other words for poison.

It was the first time this year that the Matadors went scoreless in a game, and another defeat will practically eliminate even the faintest hopes of seeing the gridmen get anywhere in the regional races.

The contest with Petersburg, Matador's third conference game is tentatively scheduled for 7:45 p. m. Friday at Burleson Field.

Fullback Billy Joe Stephens began the game with a kickoff to D. Watson, Spur's right halfback, who worked his way up to his 20 yard line before being stopped by Right Tackle Hal Courtney.

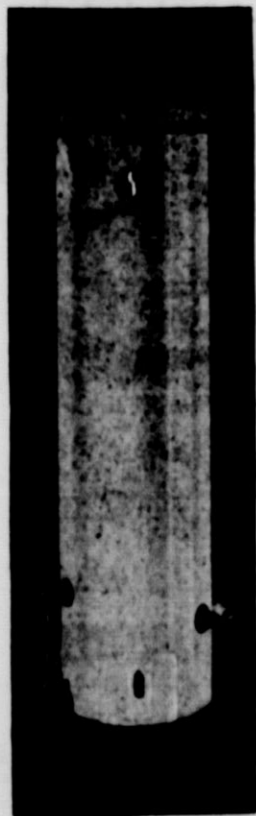

However, the play was called back and Matador was given a five yard penalty for being off side. Quarterback B. Dyess took Stephens' next kick off on his own 30 yard line and was stopped on his 45.

P. O. Box 333

From this point, Spur picked up a first down, and made their first score on the last down of their second series of downs. It was Left Halfback D. Watson who raced over the goal line in a right end run from Matador's 15 yard line. Center D. Wright's attempted place kick was no good.

Second Quarter
Spur's second touchdown came late in the second quarter following a punt return by Watson, who took Stephen's fourth down kick from the 30 yard marker to mid field.

Spur set up their second touchdown by making three consecutive first downs and winding up on Matador's six yard line. Fullback J. Sharp raced over the goal from this point, but the play was called back and Spur drew a five yard penalty.

Dyess passed to Left End B. Calvert on the next play, and the ball rested on Matador's two yard line when the whistle blew.

Fullback Sharp took the pigskin over for the second tally around left end on the next down. Again, Wright's place kick was no good.

The first half of the game ended six plays later with the ball in possession of Matador on the 50 yard marker.

Third Quarter
Spur kicked off to Matador to start the second half of play and Halfback Bonner Nelson returned the pigskin to Matadors' 35. Matador finally lacked one yard of having a first down on the fourth ball snap of the down series. Halfback Tom Rufus Edmondson attempted to gain the yardage but was stopped short by six inches on a left end run when he ran into his own interference.

Spur made a first down on their first attempt after gaining ball possession, and worked down to Matador's 21 yard line for another first down in the following series of downs.

Dyess passed to Right End H. Wilson from the 21 yard line and the play was good for a score. Wright's place kick was blocked, and the third quarter ended 15 plays later with the score 18-0.

Fourth Quarter
Matador had the ball on her own 18 yard line with four downs coming up on the first play of the fourth quarter. Edmondson picked up a first down on the third ball snap to bring the ball near his own 38 yard marker.

Unable to pick up another series of downs, the ball was snapped to Stephens who sent a fourth down boot to Wright. Wright took the ball from his 35 to Matador's 20 yard line, a speedy 55 yard run, before Nelson overtook him from behind.

Dyess got to Matador's eight yard marker on the next play, and passed to Calvert to put the pigskin on Matador's one yard line on the second down. Dyess crashed over for another tally on the following down, and Wright's place kick boosted the score 25-0.

The game's final score was made three plays later, shortly after Edmondson's pass was intercepted by Dyess, who managed to reach Matador's 40 yard stripe before being stopped by Courtney and Left Tackle Norman Spray.

Spur drew a 15 yard clipping penalty on the play and began its series of downs on the Spur 45. On the first ball snap, Watson raced around right end and galloped 55 yards for a tally. The place kick was no good.

The game ended 13 plays later with the score 31-0.

Girl Scouts Hold Installation Meets

(Delayed)
Installation services for 13 Brownie Girl Scouts and nine Tenderfoot Girl Scouts were held Wednesday afternoon. Miss Ima Mae McClure, field representative from Childress attended the services.

Those receiving their Brownie pins in the yard of Mrs. Hazel Donovan, their leader, were Jo Anne Dorsy, Sue McCaghen, Linda Gilbert, Mickey Steen, Betty Neighbors, Charlotte Muse Sandra Follis, Rita Lou Roberts Lucretia Edwards, and Rose Carolyn Donovan. Others who were not present and who will receive their pins later are Ray Nita Dunning, Barbara Waybourn and Patsy McDonald.

In the candle light services held at the First Baptist Church, those receiving their pins were the ex-group leader, Mrs. Marion Boggus, the present leader, Mrs. David Campbell and Mrs. D. E. Pitts, Jr., and the new members, Virginia Rhea Gilbert, Ruth Marie Stanley, Frances Marie Traweck, Barbara Joyce Neighbors, Nancy Lou Vaughn and Rhea Faye Bain. Those who were not present and will receive their pins later are Gladys Maurine Plumlee, Betty Ruth Smalley and Georgia Jean Hines

FARM NEWS

BY MARVIN ALLEN
Motley County ACA
Administrative Officer

The above picture could have been taken on any of one of the twenty-eight farms in Motley County that have made phosphate applications to their soils in the past four to eight weeks. The Montgomery Brothers of the Flomot Community have applied 20,000 pounds of phosphate to cropland and have purchased 3,000 pounds of Austrian Winter Peas to plant on the acreage treated. Latest reports from Bill

and Paul visited in Amarillo over the week end.

Mrs. Margaret Hudson of Los Angeles, California is here visiting her mother, Mrs. H. Jackson. Mrs. Hudson and Mrs. Jackson visited in Dallas this past week.

Mrs. S. D. Hunter returned home Friday after visiting the past week in Wichita Falls.

Messrs Sam and John Ray Hunter of Wichita Falls visited here over the week end.

Mr. and Mrs. W. M. Barnett are visiting their son and daughter in Rock Springs, Wyoming, this month.

Mrs. H. W. Keahey and Joe Jimmy are visiting her mother and her brother and his family in Dublin this week.

S. N. Davis, J. N. Fletcher and Mrs. R. J. Harmon visited in Kileen Friday.

indicate that the peas have been planted and are up to a good stand. The Montgomerys have placed another order for an additional 20,000 pounds of phosphate.

Phosphate applications to the soils enables plants, animals and humans to obtain the phosphorus needed for their normal development.

Experts now generally agree that if life is to go on certain soil elements are necessary. While these elements are numerous, phosphorus, along with nitrogen potassium and calcium are needed in the larger quantities.

In soils lacking phosphorus, the application of phosphates in various forms make it available to plants. These in turn make it available to animals and human beings. Not only does this practice improve the quality of crops grown, but it also increases the yield. An increase in yield will be obtained in 1947 on this acreage and by the farmers who are now making definite plans for 1947 operations by applying phosphate under the Austrian winter peas now being planted to be used as a cover crop during the winter and early spring and to be returned under as a green manure crop in late spring and followed by cotton or feed.

In recognition of the need for this element in human nutrition and because some soils lack phosphorus, assistance is given under the Agricultural Conservation Program to farmers who apply phosphate to their land. The AAA will pay \$15.00 per ton on the phosphate for farmers when the material is applied to certain crops.

Under the program farmers in Motley County have recently spread 200,000 pounds of 20% phosphate which is sufficient for 1,000 acres. Recent surveys and calculations indicate a need of over 63,000 tons more in this county to fill the phosphorus need of this soil.

This conservation measure can be successfully done this fall and all interested farmers should contact the County AAA office in Matador at once for full information.

Net Per Football Game Under \$100

Money taken in by the four home football games of Matador High School totals approximately \$317, but not yet deducted are several incidental expenses which may cut the known profit considerably, according to Bert Ezzell, superintendent.

Cleared in the Turkey game was \$160.54, the largest net of the four games. Last Friday's game with Spur brought out the largest crowd of spectators, but netted \$159.20. Financial records of the school reveal that higher taxes and higher fees for the game officials cut the Spur receipts.

Quitaque's game brought \$70.90, and the Crosbyton contest earned the high school \$108.22. The known debits are \$180, Ezzell said.

About the only known expenses of the games is the 50 per cent which goes to the visiting team after deductions, and the one-sixth of the total gate receipts which goes for taxes. Lighting expenses are paid by the home team, under inter-

scholastic league agreements. Not considered in the debit side of the ledger are other items which have not as yet been definitely determined, Ezzell declared. He said that the lights cost around \$10 per game and scrimmage, footballs for each game cost \$10.50, adhesive tape and minor repair work took \$12 per game and practice, and that \$40 will be the approximate cost for repair to the lighting system used during the four games.

Officials get between \$32.00 and \$54.60 per game, financial records of the school show. Also, league costs \$10, and awards to football players will boost the debt to around \$300 for the year, Ezzell declared.

Most of the football equipment, Ezzell said, has been paid for by the Lions Club, sponsors of the team.

THE ODDS ARE 49 TO 1 IN YOUR FAVOR

★ Recently, a study was made to determine the present state of health and well-being of 78 diabetics who had been placed on a diet and Insulin twenty years before. Previous to Dr. Banting's discovery of Insulin in 1922, their chance of survival for more than two or three years would have been slight. It was found that 77 of the 78, or 98 percent, were alive and living active, useful lives. Diabetes cannot be cured, but scientific management under the direction of a physician gives comfort and happiness to otherwise hopeless people. Do not be misled by claims for so-called diabetic cures. There is but one safe treatment, and it is thoroughly understood by your physician. We maintain complete stocks of diabetic supplies subject to your doctor's specifications.

So he's an electric eel, so watt?

All right, then, he eel-y isn't an eel at all, if you want to be technical. His name's Electrophorus (Gymnotus) Electricus—Jim for short. He's a South American cousin of the carp and catfish.

Maybe Jim does pack a wallop of 600 volts when he's hungry or annoyed (and he has a shocking temper)—BUT—

Can he wash 3 tubs of clothes?

Or tell the correct time for 4 days?

Or light a hundred-watt bulb for 3 hours— for a penny?

You bet he can't. He's not usefully eel-ctrified. Frankly, you'd better flip a switch if you want convenient, dependable electricity—all you need—at low cost.

And speaking of low cost—did you know that the average family is getting twice as much electricity for its money as it did 15 years ago? That's no accident—like Jim and his temperamental voltage. Folks in this company have done a good job under sound business management. That's why your electric service is lower in cost—and higher in efficiency—than ever before.
