

Quota Is Eclipsed In County Polio Drive

Generous Attitude Of People Shown As Campaign Ends

GENEROUS HEARTS of the people of Motley county are reflected in totals computed Tuesday in a drive to raise a \$1,750 quota in the National Foundation for Infantile Paralysis campaign for funds. Yesterday the county total was in excess of \$2,500 with the Northfield community still unreported.

County Chapter Chairman Vance Gilbreath expressed deep appreciation for the response of citizens and the efforts of workers. "Words fail me when I attempt to convey to the people my gratitude," he declared, "and I trust everyone who contributed in any measure to the success of the drive, will accept this personal message of appreciation."

"It is difficult to explain the readiness with which the citizenship opened its purse. One man gave me 25¢ although I attempted to pass him while soliciting funds. I am convinced the 25¢ was all the money he possessed but he gave it with a willingness that was a pleasure to behold. The county had approximately 30 contributors who each donated \$25."

"The response was the same everywhere almost without exception. Collections in the Flo-mot community under the leadership of Mrs. Rose Turner were between \$500 and \$600. Matador's contributions were in the neighborhood of \$1,300, while Roaring Springs workers secured approximately \$300 and about \$250 was subscribed to the drive in the Whiteflat community. I am sure everyone in the county shares my pride in the fact that the quota was over-subscribed approximately \$750."

Mr. Gilbreath said almost total credit for the success of the drive in Matador was due U. L. Willie who worked tirelessly in this community. Half of the amount collected will remain in the county.

School Students Vote Democratic Landslide

"As the twig is bent so is the tree inclined" may indicate future party affiliations of Matador as evidenced in a recent high school senior class election held here. It is hardly possible that the Republicans could pin any hopes of victory to the vote tally sheet. The youthful Democratic candidates scored a landslide in all offices. The following report of the election was included with this week's "Matador Brand" copy:

Famous Writer

LEWIS NORDYKE TO SPEAK HERE

Lewis Nordyke, author and editorial writer for the Amarillo News-Globe, who was appointed by Gov. Shivers to the Texas Youth Development Council last July, will be guest speaker here Thursday afternoon, February 9 at regular meeting of El Progreso Study Club for a program on "Youth Conservation".

The program will be open to the public and will be held in the American Legion hut. Men, as well as women of this and adjoining communities are invited and urged to attend the meeting, which will begin at 3:30 o'clock. Mr. Nordyke will speak on the work of the six-man Youth Council, established by a bill passed by the 51st Legislature. Its purpose is to act in an advisory and supervisory capacity in all matters regarding Texas youth, and to carry on continuing and constructive development programs for all children throughout the state.

Mr. Nordyke, author of one of last year's best sellers, "Cattle Empire", is a native West Texan. In addition to his book, he is also author of a number of articles which have appeared in Reader's Digest, Saturday Evening Post and other national magazines.

He was born in Callahan county. He attended John Tarleton College, Stephenville, Texas, and the University of Missouri, graduating in 1933. After working three years on the staff of the Associated Press, he resigned to accept a place with the News-Globe in 1937. He has been there since that time, except for 1944 when he spent a year in Philadelphia as associate editor of Country Gentleman. He is married and has two young daughters.

Mrs. Nordyke will accompany her husband here and they will be guests of Mr. and Mrs. Douglas Meador.

SCOUTS IN OFFICE; UNION SERVICES AND 2 BANQUETS WILL FEATURE YOUTH WEEK

Observance of National Boy Scout Week (Feb. 6-12) will be inaugurated here Saturday when Matador Boy Scouts will conduct the affairs of city and county with revenue from the "fee system" going to the Scouts fund. Scoutmaster Dennis Bryant announced this week.

County and city officials which will be filled by youths are as follows: Sheriff, Joaquin Hays; Deputy Sheriff, Jerry Edwards;

County Judge, Kenneth Dunning; Mayor, Roy Taylor; Health Officers, Sam Hines and Neal Pipkin; and Fire Commissioner, Stanley Neighbors.

A special message for youth will be delivered in a union service Sunday night, February 5, at the Baptist Church. Speaker for the occasion will be Rev. Clifford Potts, pastor of the church.

Other features of the service will be Scripture reading by Rev. Marvin Brotherton, pastor of the Methodist Church and special music by Matador High school a cappella choir, directed by Mrs. L. D. Wilkerson.

Victim Of New Mexico Car Accident Is Buried Here

Injuries sustained in a car accident early last week near Las Vegas, New Mexico, resulted in the death Saturday of Mrs. Jim Edmondson, 55, resident of this community for over forty years.

VOTING POWER SHOWS DECLINE

Motley county's voting power is on the decline according to the number of poll taxes paid at a late hour Tuesday to the office of Sheriff and Tax Collector John Stotts. Miss Rachel Patton office deputy declared the total number of 1949 poll taxes paid (for voting in 1950) was 1195 as compared with 1358 in 1947 (for voting in 1948).

Number of 1948 poll taxes paid (for voting in 1949, off election-year), was 960. Full voting strength of the county is not shown in the number of poll taxes paid, Miss Patton declared, since "overs" account for a large number of votes.

Young People Are Reminded Of Rally

Young people of this and adjoining communities are reminded of the Youth Rally which will be held at the Matador Baptist church, Saturday night. Announcement of the affair was made last week by the pastor, Rev. Clifford Potts.

Young people are expected from Roaring Springs, Whiteflat, Flo-mot and Northfield. All young people of these communities are invited to attend, and the youth of the Baptist Church are especially urged to lend their cooperation to the success of the meeting by their presence.

FLOYDADA MAN IS EMPLOYED HERE

R. N. Reeves of Floydada last week accepted a place as manager of the meat department in Charlie's Grocery. He was previously employed in the meat department at Patterson's Grocery, Floydada. Mr. Reeves will move his family to Matador to make this his future home as soon as he is able to secure housing facilities.

RETURN HOME

Mr. and Mrs. W. F. Jacobs returned home Thursday night of last week, from a visit in Harrison, Ark., with his sister and family. They also attended spring market in Dallas before returning home.

WHITWORTH RITES ATTENDED BY MANY FRIENDS, RELATIVES

Friends from a wide area attended funeral services here last Thursday for W. J. Whitworth, beloved pioneer of the county. Many former Motley county residents were noted in the congregation, who came from Spur, Crosbyton, Floydada, Plainview, Brownfield, Turkey, Quitaque, Silverton, Bovina, Tulia, Memphis, Amarillo, and other places to pay their respects to his memory.

The Tribune inadvertently omitted the names of his two sisters in listing the survivors in last week's issue. They are, Mrs. Fannie Dyer and Mrs. Lucinda Reagan, both of Gleason, Tenn. Mr. Whitworth's birth place. However, neither was able to attend the funeral, due to infirm health.

Relatives who were present from out-of-town, were Mr. and Mrs. J. W. Whitworth of Pasadena; Mr. and Mrs. N. N. Whitworth, Amarillo; Mr. and Mrs. E. R. Surles and Mr. and Mrs. Bill Gruber all of Austin; and Mr. and Mrs. Russell Surles, Jr., and children, Billy and David, of Dallas.

Mr. and Mrs. V. A. Rattan and daughter, Dorothy visited in Laveland, Sunday in the home of their son and family, Mr. and Mrs. Truett Rattan.

Funeral Services Held

Funeral services were held at the Matador Methodist Church Tuesday afternoon at 3:30 p. m. by Rev. W. B. Vaughn, assisted by the pastor, Rev. Marvin Brotherton.

Pallbearers were: Pat Sheridan, Henry Pipkin, Randall Whitworth, Clyde Gilbert and Henry Ford of Matador, and Bill Vivian of Chaperito, N. M. Interment was made in Matador East Mound cemetery, under direction of McDonald Funeral Home.

Mrs. Edmondson, last June, went to Chaperito, N. M., to join her husband who was employed on the Conchas Ranch southeast of Las Vegas, former of which is Bill Vivian, former Matador resident.

Accompanying a ranch hand,

Hugh Cooper, to Las Vegas, last Tuesday, Mrs. Edmondson had talked by long distance, with a daughter in Amarillo. Leaving Las Vegas around noon, they had traveled about 4 miles, when Mr. Cooper lost control of the pick-up which he was driving, as it struck loose gravel in the road. The jolt apparently jarred the door open on Mrs. Edmondson's side and she was hurled about 40 feet into a barbed wire fence. She died in St. Anthony's Hospital in Las Vegas about 6:55 p. m. Saturday.

Born In Alabama

Addie Cleo Hutto was born in Dothan, Alabama, December 20, 1894, and died January 28, 1950 at the age of 55 years, 1 month and 8 days.

ROGERS TO SEEK SECOND TERM AS REPRESENTATIVE

A. J. Rogers has authorized the Tribune to announce his candidacy for re-election to State Representative, 121st district. His statement is as follows:

"I am unable to express in words my gratitude to the people of the 121st legislative district for electing me their state representative in 1948.

"This opportunity to serve in your state legislature has been the realization of a lifelong ambition of this young man. It is with utter humility and deepest sincerity that I seek re-election—for a second term, and further opportunity to serve you. During my first term I have made mistakes and will no doubt make others; all of these have been and will be honest mistakes.

"The last session of your legislature saw it indulge in unprecedented and unnecessary spending—never have Texas people had so much reason for honest criticism of its legislative government in Austin.

"I point with pride to my votes against all major spending bills except our farm-to-market road program.

"The governor of Texas has called for a special session of your legislature—for the sole purpose of raising taxes. Whatever monies these new taxes would raise would be used for a most worthy and necessary cause: that is, providing proper care and treatment for those unfortunate in our eleemosynary (continued on back page)

Roaring Springs Resident Succumbs On Visit In Calif.

(Delayed)

Funeral services were held Tuesday, January 17, at 2 p. m. in the First Christian Church, Roaring Springs for D. Holt, resident of this county since 1921. Mr. Holt was visiting his daughter, Mrs. G. W. Green in Los Angeles, Calif., when he became ill and passed away there on January 14.

Orval M. Holt, pastor of First Christian Church, Garber, Okla., a grandson of the deceased, conducted the service assisted by Rev. Reeves of Quanah.

Born in Tarrant county, August 11, 1862, Mr. Holt drifted westward to Shackelford county, near Albany, Texas. There

he was married to Miss Nettie Meyer in 1887, who preceded him in death Dec. 23, 1945. To this union were born six children, five of whom survive, a daughter having passed away in 1934.

Mr. Holt had the pleasure of seeing the fifth of his generation little Susan McDaniel, while in Los Angeles.

Surviving children are: Mrs. G. W. Green, Los Angeles, Calif.; Mrs. J. R. Agee of Meeker, Colo.; O. M. Holt, Quanah, Texas; D. D. Holt, Rio Linda, Calif., who was unable to attend the funeral and Mrs. M. D. Freeman, Roaring Springs, with whom Mr. Holt had made his home for the past four years.

Some \$131,000 will be spent on land utilization and retirement of sub-marginal lands.

In addition, increases in money to be spent for grass lands development have been recommended. A total of \$230,000 will be spent on this, some of which will be used in Texas and New Mexico. The exact amount has not yet been determined.

County Bond Sales Keep High Pace During Past Year

The people of Motley county invested \$94,151.00 in U. S. Savings Bonds during 1949, according to the annual sales report received today by Howard Tra-week, county Savings Bonds chairman, from Nathan Adams of Dallas, state chairman. This compares with sales of \$123,257.50 for 1948.

Of the 1949 total, Series E, the so-called "people's bond" accounted for \$78,951.00, as compared with \$118,357.50 E bond sales in 1948. Series F and G sales were \$15,200.00 as compared with \$4,900.00 in 1948.

Total sales for the entire state were \$191,499,089, as compared with \$196,448,280 in 1948, Mr. Adams' report said. This is a decline of 2.5 per cent. However Mr. Adams declared that sales last year were highly satisfactory in view of economic trends and because of a 3.9 per cent increase in the sale of E bonds, from \$139,591,216 in 1948 to \$145,114,738 in 1949. Series F and G bonds accounted for \$46,384,351 of the state's sales total last year.

V. F. W., Motley County Memorial Post No. 6286, meets 1st Tuesday, 8 p. m. at the American Legion Hut, Matador, Texas. All eligible ex-service men are invited to attend.

Mr. Adams said that the people of Texas today hold more than \$1.5 billion in Saving Bonds, a substantial share of which are owned by citizens of this county. These savings, he added, give the community, as well as the individual owners, a high degree of financial stability.

Accident Kills Father Of Eudy, Turkey

M. Eudy, 60, resident of Matador for over 40 years, and his wife, Mrs. Eudy, met a tragic end on Friday, January 13, when their 10-year-old son, Lewis Eudy, was killed in a tractor accident.

The shocking discovery was made about 7 p. m. by his son, who had gone to investigate his father's failure to return home when Mr. Eudy's car was long over-due.

According to the Turkey Enquirer: "He found the lifeless body of his father in a deep ditch, the wheel of the overturned tractor resting on his back. He had been dead for several hours."

Mr. Eudy had been doing terracing and apparently had driven the tractor too close to the bank of the ditch, which was overgrown with weeds. The tractor dived into the stream.

Mr. Eudy was born March 29 at Center Point, Ark., and moved to Turkey in 1908. He fitted himself into the community and the people of its people. He was a successful and prosperous farmer and cattleman and had five land holdings. He was a contributor to the Methodist church building for their new church and helped financially in other constructions.

He is survived by his wife, Mrs. Eudy, eight grandchildren and one sister. Two of his sons died in infancy and one son, Dan, was killed in a car accident near Electra on April 16, 1941. Surviving children are Lewis, Bob, Hugh, Gus, Tom, Jay and Sam, all of Turkey; Mrs. Dennis Hillmer of San Antonio and Mrs. Bill Green of Slaton.

Funeral services were held at 2:30 p. m. for Robert Lee Littlefield, 87, who died in a local hospital on Saturday, the 14th. The services were held in the Dickens Baptist Church by Rev. Thomas Harris of Plainview and Rev. E. J. Keith of Afton.

McDonald Funeral Home had charge of all the arrangements.

Why New Telephone Rates Are Necessary At Matador

NO BUSINESS CAN long survive and charge less for its products and service than it costs to furnish them.

GREATLY INCREASED COSTS of furnishing telephone service make it necessary for the telephone company to place new rates into effect at Matador.

We are proud that in these past years we have been able to expand and improve our service without increasing rates. But the pyramiding effect of increased costs of operation — higher wages, taxes, materials and equipment — make new rates necessary despite the use of every possible economy consistent with sound business management.

EXPENSES ARE GREATER THAN INCOME
During and since the war, the demand for telephone service has been tremendous. While revenues have increased, the costs of furnishing service have increased much faster.

The cost of almost everything that goes to make good telephone service — and almost everything is needed — has increased sharply since 1940.

For illustration:
Payroll (wages), our biggest expense, is away up. Eight (8) general wage increases have been granted employees since 1940. Telephone poles cost 110 percent more than in 1940 — cable is up 119 percent — and manufactured items as much as 140 percent.

NEW RATES ARE REASONABLE
The new rates are reasonable and are necessary to help pay the cost of furnishing telephone service. We do not seek big profits, only reasonable rates that will provide enough earnings to place the system on a sound financial basis, and which will enable us to expand and improve service.

ADEQUATE EARNINGS ARE ESSENTIAL
To carry out its expansion and improvement program, the company must spend many thousands of dollars for new plant and equipment. This money must come from the savings of people who want to invest in something that will bring them a reasonable, regular return. A sound financial business with reasonable earnings is essential to attract new money necessary to expand and improve telephone service.

Southwestern Associated Telephone Co.

RECENT MARRIAGE OF FORMER RESIDENT IS REVEALED IN ANNOUNCEMENT RECEIVED HERE

Of interest to friends here is the announcement of the recent marriage of former resident James Lee Day and Miss Dorine Holmesley, both of Oklahoma City, Oklahoma.

The ceremony was performed December 24, at Kingfisher, Okla., where the double ring service was read by Rev. Autry of the First Baptist Church, in the church parsonage.

The bridegroom is the son of former residents, Mrs. Lemmie Day of the Rogue Theatre, Tip, Okla., and O. J. Day of Dallas, and the bride is the daughter of Mr. and Mrs. A. L. Holmesley of Duncan, Okla.

For her wedding the bride wore a street-length dress of navy blue, with black bag and shoes, white hat and gloves and a white orchid corsage. She carried out the tradition of something old with a coin, a borrowed blue handkerchief and her new pearl necklace.

After a wedding trip to the historic city of San Antonio and a stop in Dallas to see the Rice-North Carolina football game, the couple returned to their respective positions in Oklahoma City, and are at home at 321 Harrison, Apt. 6.

Mrs. Day graduated from Duncan Senior High school, after which she attended Blackwood-Davis Business College in Oklahoma City and for the past four years she has held the position of receptionist at the Cities Service Gas Co., of that city.

Mr. Day is a graduate of Wetumka, Okla., High school, class of 1943. After serving an enlistment in the U. S. Navy, he entered Northwestern State College at Alva, Okla., where he majored in chemistry and biology, receiving his degree in May, 1947. He was a member of the Sigma Tau Gamma fraternity and served as reporter and publicity agent for that organization.

Stanley Clinic

Mr. and Mrs. James White of Girard are the proud parents of a son, Reginald Forrest, born Sunday, January 29. He weighed six pounds, 14 ounces.

Mrs. E. L. Perryman of Dickens underwent major surgery in the clinic Monday, January 30.

Jimmie Beth VanMeter of Quitaque underwent a tonsilectomy in the clinic, Sunday, January 29.

Mr. and Mrs. Curtis Ewell Martin are the proud parents of a son, Kenneth Lamar, born Tuesday, January 22. He weighed seven pounds.

A son, Lonny Alvis weighing seven pounds, eight ounces, was born to Mr. and Mrs. E. L. Perryman of Dickens, Sunday January 22.

He was a member of the Student Council, Little Theatre group, business manager for the 1947 Ranger yearbook, and did student assistant teaching in his senior year. After graduation he held the position of chemistry instructor at the Dallas Institute of Mortuary Science for seven months, which he resigned to take a bacteriologist post in the laboratory of the State Department of Public Health, in Oklahoma City where he has been employed for the past two years. The past spring, Day attended a special U. S. Public Health school in Cincinnati, Ohio and while there, was offered a place with the State Health Dept., at Bismark, North Dakota, which he declined.

Opportunities And Responsibilities Discussed At Club

With "Women" as general topic and the aim: "To acquaint us with our opportunities and responsibilities", El Progreso Club met in the home of Mrs. Harry Willett, January 26, with Mrs. Joe Bloodworth as program leader.

Three highly interesting talks were made on "Women's Opportunities and Responsibilities" as follows: "As Parents", Mrs. Forrest Campbell; "As Community Leaders", Mrs. John Hamilton; and "In National and International Affairs", Mrs. J. R. Emmons.

Announcement was made that next meeting of the club, February 9, would be an open meeting in the American Legion hut, with Lewis Nordyke of Amarillo as guest speaker. Mr. Nordyke is a member of the Texas Youth Development Council, appointed by Gov. Shivers, and the program subject for that date is "Youth Conservation".

candidate for the office of City Clerk and was elected without a dissenting vote.

County Offices
Thirty-five votes for Jimmie Lee Davis for County Judge defeated Republican Garland Rattan, who received a total of twenty-six votes.

In the race for sheriff the vote was the same as in the County Judge with Albert Morris coming out winner over Bonnie Hughes.

County Clerk Joyce Reynolds won her office by the vote of thirty-seven to twenty-four from the opposing Republican candidate Billy Paul Simpson.

Norman "Speedy" Neighbors and Joy Martin were elected as two County Commissioners over their opponents Melba Jane Kimbell and Gene Barley.

Commissioner Neighbors received forty-five votes and Commissioner Martin received a count of forty-eight. The Republican nominee Melba Jane Kimbell received eighteen votes while Gene Barley received 8.

The balloting definitely shows that the students of Matador High School believe in the Democratic party as a number of the ballots were marked 100

percent Democratic. Those victorious office holders will spend one day in the office of their election. They will go through the duties of the office with the duly elected City and County officials.

All this came as a result of study in Mr. Ezzell's Civic class. The party and candidates were decided on and the campaigning began. Posters, signs, slogans, and promises decorated the building as the candidates began to out do and out promise the other.

She moved to Texas 41 years ago, and was married to Jim Edmondson on December 21, 1916, and they had made their home here all of their married life, until last June when they moved to New Mexico. She had been a member of the Methodist Church since 1910.

To this union were born four children, all of whom survive. They are: Mrs. Helen Brown and Mrs. Orval Latimer, both of Amarillo; James Edmondson of Borger, and Cpl. Tom Rufus Edmondson of the U. S. Air Corps, stationed on Guam, who was unable to reach home in time to attend the funeral services. In addition to her husband and children, she is also survived by her mother, Mrs. D. M. Hutto; two brothers, J. O. and C. C. Hutto, and one sister, Mrs. Lonnie Price, all of Amarillo; also by three grandchildren.

institutions—the blind, deaf and insane.

BUT, the facts are that these necessary things can be provided by means other than adding more taxes to the already heavy load of the people of Texas. The means by which taxes can be avoided now is by the use of that over-worked and seldom applied word—ECONOMY.

"In this special session and for the future I pledge you, the people of the 121st Legislative District, my vote to seek a real and practical application of Economy to our state government; also to work at all times for a great Texas by making West Texas greater."

"For those who do not know me: I am native West Texan, a farmer and a veteran. I also have a college degree and legal training, befitting me for this job. I earnestly seek your support and favor in asking re-election for a SECOND TERM as your representative."

invitation of Lady Huggins, who will be their official hostess while there.

They then will visit Ciudad Trujillo, Dominican Republic, and San Juan, Puerto Rico. After a nineteen hour flight, they will land at Rio De Janeiro Brazil, where they will remain several days, then continue to Sao Paula, Brazil and from there to Montevideo, Uruguay. Subsequent stops will be made at Buenos Aires, Argentina; Santiago De Chili, Chili; Lima, Peru; Balboa, Panama; Guatemala City, Guatemala; Mexico City, Mexico and back in to San Antonio early in March.

The trip is expected to take about six weeks. In each country visited, the ladies will be received formally in each of the American Embassies and the Presidential Palaces as well as

entertained with many informal functions and sight seeing tours. Mrs. Willie is expecting to visit with Miss Joyce Dobkins and Mr. and Mrs. Glenn Dobkins while in Guatemala City. The Dobkins' formerly were Motley county residents.
