Packer-Saint Tilt Sunday Afternoon

Mr. and Mrs. R.E. Jackson, who will be celebrating their 33rd wedding anniversary Sunday, will have all four of their children home for the day.

The children are Mr. and Mrs. Don Chandler, Treana Don and Dennis Ray of Muleshoe; Mr. and Mrs. Ray Jackson, Liberal, Kan., Mr. and Mrs. Thomas Dearing, Keith Allen and Rebecca Diane, Dallas and Viola of the home.

Dave Sudduth, reporter for the Muleshoe Lions Club, said the annual Lions Club broom sale will be held on September 15-16. He said members of the Lions Club will be working in the residential and business areas for these two days only.

Available will be brooms, whisk brooms, mops and other cleaning supplies. He said the products are made by the Lighthouse for the Blind and all proceeds will be used for various local Lions Club projects.

Muleshoe Chamber of Commerce manager Jerry Hutton said the government has released a preliminary census for Muleshoe. The preliminary count is 4,414.

This is up from slightly over 2,000 in 1950 and a little more than 3,000 in 1960.

Final count will be released during the fall.

Mrs. Doyle Henry and children Bobby, Mike, Kristi and Kacy and Jana Grogson have returned to their home in Newcastle, Wyoming after visiting in the area. They were accompanied by Mr. and Mrs. Kenneth Henry, Sherry and Sharla, Sharon Martin and Robert Martin to visit Mr. and Mrs. Clyde Henry and other relatives in Austin. They went sightseeing in Galveston.

Mrs. Selma Redwine's children were all present for a family dinner on Sunday, August 23. Those attending were Mrs. Doyle Henry and children of Wyoming, the J.L. Redwine, Jr. family of Hale Center, the Jackie Redwine family of Hereford, the Robert Hunt family and the Elmer Downing family of Muleshoe. Also, Mrs. Minnie Redwine of Muleshoe, Mr. and Mrs. Tommy Yelvington and children of Lubbock and Mr. and Mrs. Leon Pharr of Kingsland.

Muleshoe Athletic Boosters Club will meet Monday night, 8 p.m., at the MHS cafeteria to view the scrimmage game films of the Mules vs Littlefield. Homemade ice-cream will be served.

A large delegation from Muleshoe cheered the varsity-sophomore Mules Friday night at their football scrimmage in Littlefield. The comment was that "We all were kept in the dark (or sun earlier)" as the electrician had wired up the field lights, and it was rather hard to see the game after the sun went down.

Bill Turner, owner of Littlefield Leader News, said that only one gate was used for the game "in order to keep unwelcome scouts from other towns out of the game, and not meant to be an inconvenience to Muleshoe neighbors". He didn't know about the field light situation however. The Mules played well! That last touchdown of ours surely looked good to most of the Muleshoe fans - but they say it didn't count. It will next time, those stubborn Mules added.

Saturday night, the first game between the teams practicing in Youth Football was scheduled in the Babe Ruth Park. The Cowboys met the Chiefs in the park at 8 p.m. Sunday afternoon (today) at 2:30 the Packers will dig in to play the Saints at the ball park.

These two games will officially kick off the football season in the Muleshoe area. Youth football is for fifth and sixth grade boys who were not 13 years of age before September 1 of this year, and is a new innovation in the Muleshoe sports picture.

Marlin Mills is head coach of the Chiefs and assistant coaches are Bob Stovall, Carl White and Jerry Stover. Team members include Nicky Bamert, Linnie Davis, John Davis, Lee Elder, Douglas Fowler, David Gutierrez, Ricky Hayes, Jeff Johnson, David Macha, David Ray, Mark Slayden, David Stevens, Trey Stoneham, Edwin Watson, Danny Wilson and Bob Young.

For the Cowboys, Bob Donaldson is head coach and is assisted by Dick Johnson and Doyce Turner. Cowboy team members include Royce Clay, Junior Davenport, Larry Free, Ken Helker, Leland Lambert, Martin Lopez, Darrell McDaniel, Terry Mick, Joe Don Prather, Leroy Rojas, Kent Smith, Kevin Smith, Johnny Vaughn and Tony Vela.

Cleve Bland is head coach for the Packers and assistant coaches are Curtis Walker and Duane Seay. Packer team members are Tony Alford, Billy Barry, Max Dubose, Ross Feagley, Mike Griffin, David Head, Kirk Lewis, Willie Ray Wolfe, Tommy Ray Marlow, Robert Martin, Dwayne Mullins, Martin Nowlin, Matt Phelps, Richard Rodriguez, Randy Whelan and David Rusk.

Derrill Oliver will be heading out the Saints as head coach and will be assisted by Bob Graves and Scott Oliver, Saints Cont'd. on Page 3, Col. 3

Neal Dillman Guest Speaker For Jaycees

Neal Dillman, superintendent of the Muleshoe School System, was special guest speaker at the noon meeting Monday, of the Muleshoe Jaycees. He spoke on the 1970-1971 school budget. He said that last year the budget was only \$1,000 over the actual expenditures and stated that this was cutting it too close.

Derrill Oliver, president of the Jaycees, presided over the general meeting. He discussed a regional visitation which is planned for September 19 at 8 p.m. at the Muleshoe Country Club.

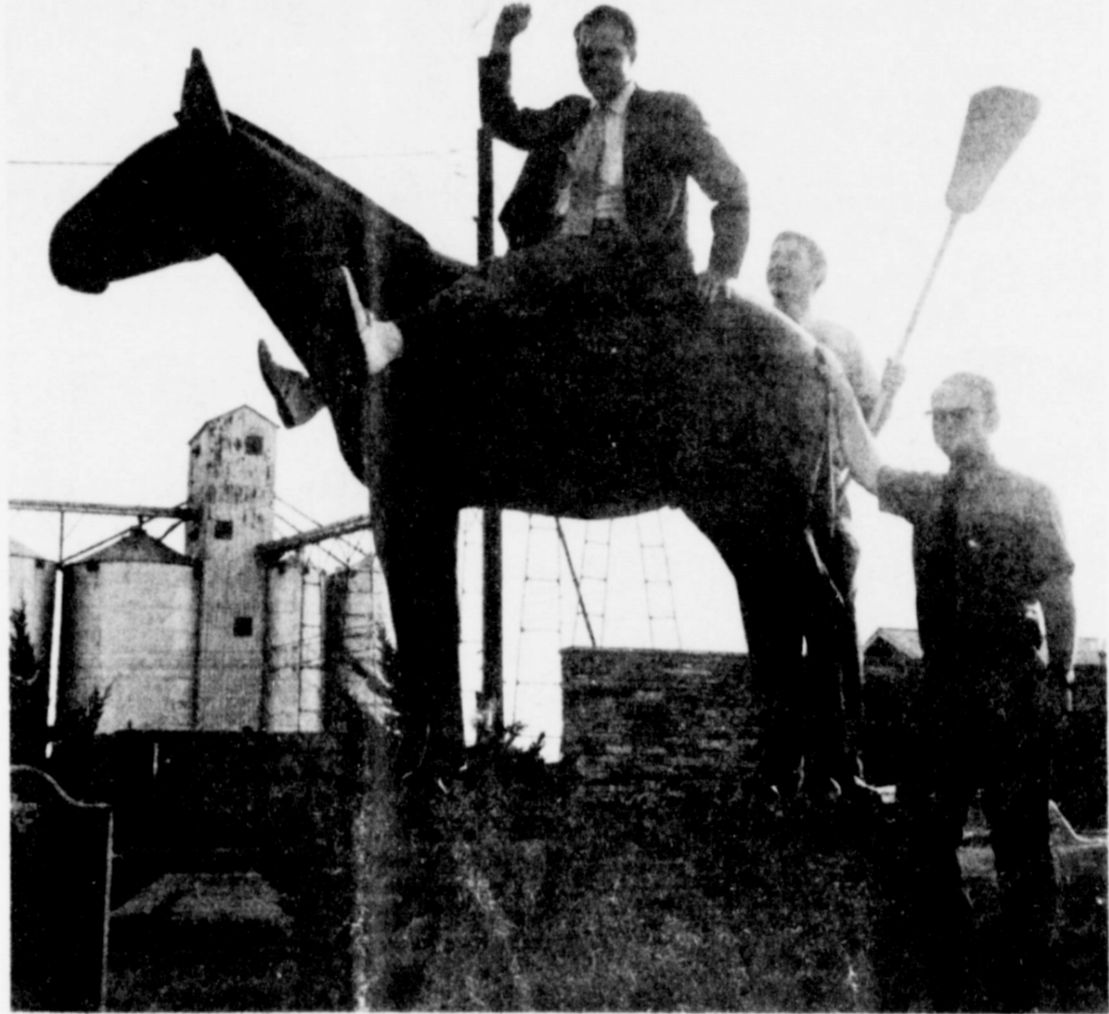

Also discussed was the Donkey Softball Game which will be held in Roger Miller Park on Thursday, September 10 at 8 p.m. Jerry Hutton is chairman of the game.

Special guest other than the school superintendent was B.E. Blair, manager of the Muleshoe National Wildlife Refuge. Members at the meeting included Derrill Oliver, Charles Smith, Glen Watkins, Donald Shanks, Max King, Cecil Campbell, Jeff Smith, Marlin Mills, Marshall Lee, Dick Johnson, Ken Henry, Bob Stovall, Bill Dale, Jerry Hutton, Gary Shipman, Doyce Turner, Duane Seay, Curtis Walker, Leon Wilson, John Blackwell, Leroy Maxwell, Ronnie Spies and Roger Gorrell.

The game will take approximately one-and one half hours and the Jaycees-ettes will have the concession stand open for refreshments during gametime. There will be a trick donkey to entertain during the hilarious game, and the donkeys have been especially trained for the sport.

According to the rules, the batter will be the only player unmounted. However, when (and if) he hits the ball, he must ride the donkey around the bases. As he approaches a base, he is required to get off the donkey, and lead the donkey to the base and touch it with his foot. The pitcher may have a slight problem as he is required to pitch from a donkey. The fielders and basemen may be mounted, although they may dismount in order to pick up

WISHFUL THINKING . . . OR ADVANCE PRACTICE--Practicing diligently for the Jaycee softball game next Thursday night are these three enterprising young Jaycees. Although the donkeys they will be riding won't be as docile as 'Old Pete', Jerry Hutton, on the mule; Duane Seay, with the broom and Leroy Maxwell, patting Pete, won't have a lot of trouble as they provide a load of entertainment in the evening game against Muleshoe's Lumberjacks. Gametime is 8 p.m. and tickets are \$1 for adults and 50 cents for children. The game will be played in Roger Miller Park.

Donkey Ball Game Slated Thursday

For fun and excitement, spills, thrills and chills, the Jaycees are sponsoring a donkey softball game Thursday night.

Members of the Jaycees will battle it out on the baseball field with the Lumberjacks, a local softball team. And . . . the entire game will be played on donkeys.

Jerry Hutton said plenty of laughter and excitement is promised for everyone who attends the game which will be played at 8 p.m. in Roger Miller Little League Park. The game will take approximately one-and one half hours and the Jaycees-ettes will have the concession stand open for refreshments during gametime.

There will be a trick donkey to entertain during the hilarious game, and the donkeys have been especially trained for the sport. According to the rules, the batter will be the only player unmounted. Offices Closing For Holiday

All local government offices, including the post office, city hall, courthouse, the banks and federal offices will be closed Monday, September 7, for Labor Day. A spot check with grocery stores and retail merchants indicated that most general businesses in the Muleshoe area will be open for business as usual. School will be held all day on the holiday which is celebrated predominantly by government offices.

Housing Authority Discussed Briefly

Tax Rate Down From \$1.57; Road Bonds Cause Reduction

Meeting in special session Wednesday, September 2, the Bailey County Commissioners Court lowered county taxes for the coming year. Because of two road bonds being paid, the tax rate was reduced from \$1.57 to \$1.25.

Paid off were the Highway 84 tax of .20 and Road District 1A tax of .12.

With a motion by W.H. Eubanks Commissioner of Precinct Three and a second by Precinct Two Commissioner Loyd Stephens, the commissioners voted unanimously to leave the basic tax structure unchanged for 1971.

The county tax is broken down as follows: Jury, .04; Road and Bridge, .06; General Fund, .58; Permanent Improvements, .12; Public Road Maintenance, .15 and Special Road Tax, .30. This is a total of \$1.25.

In other action the county commissioners approved payment of regular monthly bills; approved Barbara McCamish as a Deputy County Clerk and voted to use the Ranchhouse Cafe to provide meals for prisoners for the next year at a cost of 85 cents per plate.

Also briefly under discussion was the possibility of Regional Housing Authority. Last month, an organizational meeting was held in the Levelland State Bank. Several county representatives, and state personnel attended the meeting. County Judge Don Cihak said the representatives from Bailey County were unable to attend the meeting although they had been invited.

Dr. Roy Dugger, President of Texas State Tech at Waco was special speaker who outlined the proposed housing authority. Basically, Dr. Dugger said that a local Regional Housing Authority would eliminate sub-standard housing through long term non-risk financing and would enable persons who now pay rent for the sub-standard housing to have the pride of home ownership.

Dr. Dugger said that a local Regional Housing Authority is intended to do for rural areas what is currently being done in the cities. According to him, the sale price of most houses built would be from \$11,800 to \$12,000. They would be of brick veneer construction with two and three bedrooms. He advised that the housing should not be concentrated in one block or one area, but scattered throughout the eight-county area.

The eight counties would include Bailey, Lamb, Lynn, Yoakum, Terry, Hockley, Cochran and Garza Counties.

It was his opinion that low cost rental was not the answer to longrange housing problems. He felt ownership should be the main objective. He said this could be accomplished through the interest subsidy programs, rental purchase and other federal programs.

MAIF Praised Rainbow Girls For Activities

Chairman of the Muleshoe Area Industrial Foundation, Harmon Elliott, praised the Order of Rainbow for Girls who manned a refreshment stand and information center at the Mule Memorial Site this summer.

He said the girls opened the stand on June 22 and kept it open weekdays through August 16. During the 56 days the stand was open, 338 people signed the guest register, were served refreshments and told the Muleshoe story, said Elliott.

The girls dispensed cold drinks and informational brochures about the area to guests from Paris, France; Fagestra, Sweden; Munich, Germany; Phillippine Islands; Honolulu, Hawaii; Zurich, Switzerland; Berlin, Germany and the state of Maryland, New Jersey, Connecticut, Michigan, Oregon, No-

Band Magazine Sales To Begin September 18

By Cynthia Wrinkle, Band Reporter

The Muleshoe Mighty M Band will begin their yearly magazine sales on September 18. Students sell at regular subscription rates and may also accept a good number of special offers sent out by publishers. Since these magazines are sold at the lowest prices there is absolutely no additional cost, purchasing through the school. Student participation in such a program affords the people in the Muleshoe area the opportunity to purchase subscriptions through a known local source. Delivery on all magazines sold is guaranteed by the publisher.

Band students will also be selling new subscriptions and renewals to The Muleshoe and Bailey County Journals.

The Band's Fall subscription program is planned for about the same time as last year. Therefore, renewals will continue any subscriptions taken during last year's campaign, without loss of copies.

They hope everyone will save their subscriptions, new or renewal, for their Magazine Subscription Campaign this fall. The Muleshoe Mighty M Band plans on going to the Six Flags Band Festival this year. The band members must raise all the funds for this trip themselves.

'70 Registration Nears 1,900 In Four Schools

Edging closer to the 2,000 mark, the registration for the four schools in Muleshoe was 1,884 Friday. This is not including the preschool migrant children who push the total to 1,920 as of this year.

At the same time last year, the total, less the pre-school migrant students was 1,962 and total enrollment was 1,981, for a loss of 61 students.

The peak enrollment for the Muleshoe schools in 1969 occurred on September 19 when 2,013 students were enrolled and this levelled off to 2,010 on September 26.

Total enrollment for the four schools breaks down as follows: Muleshoe High School, 551. This represents a loss of 30 students from the 581 registered at this time last year. Muleshoe Junior High School has 474 students, down 22 students from the 496 registered on the same day last year. DeShazo Elementary shows 457 students, down eleven students from the 468 last year and Richard Hills Elementary is down 15 students, with 402 registered this year, compared to 417 at this time last year.

Superintendent Neal Dillman said peak enrollment should occur in approximately the third week of school if the school follows trends set in prior years.

Hospital District Board Discusses New Appointment

Seven of the eight members of the Bailey County Hospital District Board were present at their regular September session of the board on Tuesday night. Dr. Charles Lewis, chairman, Mrs. J. G. Arnn, Mrs. Arlene Phelps, Neal Dillman, Sam Damron, Freddie Parkman and D.O. Burelsmith, met in the hospital conference room at West Plains Memorial Hospital.

The board discussed past court action and pending and future possible legal procedures.

"A motion was passed by the board, that we will have a meeting, special if necessary, to fill the vacancy left by Don Harmon who resigned," said Dr. Lewis.

Board Secretary, Mrs. Bernard Phelps, said that a report will be given by Robert Blackwood at the next meeting. He is heading a drive, said Mrs. Phelps, to collect funds to help pay for expenses incurred in the May 16 election.

It was also voted to retain the hospital conference room at West Plains Memorial Hospital as the official meeting room for the Bailey County Hospital District Board. Dr. Lewis said they would continue to post notices on the door of the hospital and at the courthouse prior to meetings as prescribed by law.

Attending the Bailey County Hospital District Board meeting other than the board members were Marshall Cook, administrator, West Plains Memorial Hospital; Richard, Black, Nolan Harlan and Cecil Jones of Bula; Barry Lewis of Muleshoe and an unidentified man and woman.

United States Senate
COMMITTEE ON ARMED SERVICES

TOWARDS A VOLUNTEER ARMY

This past week the Senate had an opportunity to approve implementation of a proposed all-volunteer armed force as an amendment to the Military Procurement Act which is still the Senate's pending business. Most of my colleagues, I believe quite wisely, voted against the amendment even though I think a large majority of Senators, including myself, support the all-volunteer armed force concept.

I voted against the amendment with a sense of great reluctance, even though I support the concept of an all-volunteer army. In my opinion, the arguments in favor of moving toward an all-volunteer system far outweigh the arguments against taking such action.

But I know that the timing for implementation of an all-volunteer system is critically important. We must insure, as we move away from the draft, that our military manpower ne-

eds are continually met.

The Army is now receiving 500 volunteers a month for infantry duty. The Defense Department estimates that our current manpower need for general infantry duty is 3600 men a month. It thus seems apparent that it is the draft, and the draft alone, which is filling what would otherwise be a void in infantry manpower.

The amendment which was voted down in the Senate would have established an all-volunteer system by July 1st of next year. I have serious reservations as to whether by that time, our manpower needs will have diminished sufficiently to be met by an all-volunteer armed force.

There are numerous and complex considerations to be evaluated before we determine that an all-volunteer armed force is feasible and I believe the Congress must give serious attention to these considerations before taking any positive action.

That is the main reason for my opposition to the amendment this past week. I believe the Armed Services Committees of both houses of Congress should analyze in detail all the possibilities and consequences of implementation of an all-volunteer system.

For one thing, we must carefully consider the costs involved. In order to make military service sufficiently attractive to meet our manpower needs, we will have to raise military pay scales, and we may have to provide additional incentives which would cost additional taxpayer dollars.

It is essential that members of the Armed Services receive compensation which would compare favorably with that which they would otherwise receive had remained in the civilian sector.

I am a strong believer in the rights of the individual to remain aloof from control by a central government. I will therefore welcome the institution of an all-volunteer armed force as soon as it becomes feasible.

However, under present circumstances, when this nation is involved in military commitments in Southeast Asia, in Korea and in Western Europe, I must take the view that an all-volunteer armed force might jeopardize the overall

objectives of our nation in seeking and maintain lasting world peace.

During the Senate debate on the amendment this past week, the chairman of the Senate Armed Services Committee stated that once the Senate finished its business on the Military Procurement Bill itself, the Committee would take up the matter of extending the transition to an all-volunteer army. I am looking forward to an extensive review of this nation's overall military manpower needs and the best way to achieve those needs.

We will have to consider the costs of an all-voluntary system which will fulfill our manpower needs. We will have to consider to what degree abolishment of the draft will affect the current volunteer rate. I am sure that some young men who volunteer for military duty would not do so were it not for the fact that they would otherwise be vulnerable to the draft.

I am encouraged that the Administration is also striving toward an all-volunteer armed force. The Administration is implementing policy which are carrying us gradually and responsibly away from the draft, and which will eventually enable an all-volunteer system to become feasible. These efforts include decreased draft calls, a lottery system providing an increased degree of fairness,

and a foreign policy which is likely to require fewer troops overseas in future years.

It may be that even when we begin an all-volunteer system that we shall have to maintain some sort of standby draft system. This would provide our nation with the means to continue to meet manpower needs in unexpected circumstances. Another factor may be that an improved military reserve system might be necessary to support an all-voluntary system.

We are however, working toward an effective voluntary system and I view this as encouraging to our national way of life.

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

Austin, Tex.-- Top-flight business and industrial executives are getting an invitation to study the administration of state agencies and tell them how to do a better job, hopefully for less money.

House Committee on Efficiency and Economy urged Speaker Gus Mutscher to take the initiative in setting up an outside committee of experts. Proposal actually originated with a Chicago consultant's preliminary review of 12 selected agencies. Consultant called for seven study teams of experts to do in-depth surveys.

Chairman, Rep. Russell Cummings of Houston, said nearly everyone advocates "economy in the abstract," but "seldom is a studied, rational set of specifics advanced as a plan for saving tax dollars."

Committee is under no illusions that additional state spending will not be required as the state grows.

"The citizens are entitled to know that every tax dollar is being spent with maximum attention to efficiency and economy," said Cummings. "I feel that most of state government is being operated efficiently, but I am also convinced that additional savings can be pinpointed by experts from private enterprise organizations, studying operations within their own expertise."

JUNIOR COLLEGE SHIFT ADVISED

A far-reaching recommendation to discontinue financing junior colleges through local property taxes and turn the job over to the state has been offered by the Texas Research League.

During the next biennium, if this proposal were adopted, local taxpayers would be relieved of \$72.9 million. State taxes of that amount would have to be provided. An alternative League recommendation is for the state to pay the operating costs and cost of future construction but to leave existing bonded indebtedness as the obligation of local property taxpayers. This would reduce the local-to-state tax transfer to \$56 million, instead of \$72.9 million.

League recommends a \$200 million bond issue for 1971 and a \$200 million issue for 1975 to pay for construction at all state colleges. Community

colleges, League claimed, should be operated through locally-elected regional boards which might supervise several campuses.

League Director James W. McGrew said appropriations for community colleges, which will enroll two out of three freshmen and sophomores in state schools by the end of this decade, should be handled through the Coordinating Board, Texas College and University System, LABOR DAY TOLL WEIGHED

Forty-nine persons will be killed in Texas traffic crashes during the 78-hour Labor Day holiday weekend (September 4-7), Texas Department of Public Safety forecasts.

DPS will undertake activities to hold down holiday tragedies on streets and highways, but noted that drivers themselves have the only real solution.

Most fatal accidents, DPS Director Wilson E. (Pat) Speir states, are due to general carelessness, excessive speed for conditions, failure to yield or stop, drinking drivers or drinking pedestrians. Most of these accidents, records show, involved only one vehicle.

Drivers were urged to be alert for developing dangerous situations and to be sure their vehicles are well maintained.

MARCH RECALLED

Mexican-American group leaders announced in advance they plan to issue a Labor Day proclamation "of vast political consequences," on the fourth anniversary of the 1966 minimum wage march.

Ceremonies (dedication of a monument to marchers and issuing the proclamation) will be held in New Braunfels where former Gov. John Connally confronted the 1966 group in a meeting which had long-lasting political repercussions.

Three to five thousand will participate in the September 7 events, a spokesman said. He declined to reveal if the proclamation will be an endorsement of candidates.

CITY REPRIMANDED

City of San Antonio drew a sharp reprimand from the Texas Water Quality Board for dumping 12 million gallons of raw sewage into the San Antonio River on August 3 (in anticipation of a heavy rain).

Board sent the matter to the attorney general to determine if a penalty suit should be filed and handed down an order threatening an injunction if the violation ever happens again. Dissatisfied with the city's lack of an emergency corrective plan, Board directed its own staff to come up with something to give San Antonians in certain area relief from overcrowded sewage facilities pending passage of a bond issue for vast new lines.

Dear Editor:

Dear Editor:
I had another subject for this week, but after attending the Hospital Board meeting Tuesday night I will save it until next week.
Mrs. Phelps made the statement at this meeting that "It is the purpose of the board to build this hospital". This statement is not entirely true. The purpose of the board should be to reflect the desires of the District and I don't think that the desires of the district can be learned in an election which only has two boxes for 3,076 voters, some driving more than 30 miles. Had all eligible voters come to the polls they couldn't have voted by noon Sunday (May 17). Let us have another election with seven boxes and ample time to present our side and the proposal will be defeated two to one.

A replacement for the member who resigned was discussed. He or she should be from the south side of the county since we have no representation on the board. Sam Damron stated that he couldn't vote for anyone who was not in favor of the hospital. Talk about a closed mind! The Needmore box voted more than four to one against the formation of the district and even though this box represents approximately two thirds of the land area of the county, we are refused a representative on the board. We have no one to express our views and to protect our interests. Is this fair?
Dr. Charles Lewis is in for a surprise should the hospital be built. He thinks that the board can decide who qualifies for charity treatment but that decision has already been made. Any inhabitant of the district MUST be treated. Had the doctors decided that a kidney transplant was in order and could have arranged it for Mr. Dalglish (the man from McCamey) the McCamey Hospital District would have had no choice but to pay. Ask your hospital administrator if you don't believe me but please consider this carefully. This could break Bailey County. Is this what you want?

The summer activity, explained the MAIF chairman, keeps the girls busy and builds poise and self-confidence as they learn to meet the public. The girls are friendly, clean, knowledgeable and display much knowledge about this area which has certainly impressed tourists who visit here, or stop on the way through, added Elliott.
"How many towns do you go to where you are greeted with a smile by a friendly girl, who dispenses free drinks and information," he concluded.

erally assisted programs. He stated, in order to maintain the homes, classes through the South Plains College could be originated to teach proper home ownership pride and to train each resident in a vocational field, if necessary, to make their economic level capable of making payments.
Dr. Dugger stated that local capital from local banks and savings and loan associations could be used if these institutions so desired.
He stated a local Housing Board would be formed with nine members, one member from each county and one member elected at large from the eight-county area in order to have an odd number on the Board as required by law.
He stressed that the counties involved would not in any way obligate their county financially and all capital needed could be raised through tax free revenue bonds which would be federally guaranteed.
He added that the purpose of the Commissioners' Court would be to determine if housing is needed and then organize a housing board who in turn would enter a cooperative agreement with a non-profit corporation for building.
There will be a public meeting in the near future in Bailey County to establish whether or not there is a need for such housing in this county.

LIBRARY HAS RECORD CIRCULATION FOR THREE SUMMER MONTHS
For the three summer months, the library had a record circulation of 13,123--the highest number in its history. This compares with the 1969 total of 12,666. The Childrens Summer Reading Club Program was very successful with 300 young people participating--of this number there have been 130 completed reading lists returned to the library. These readers will be honored and receive their Texas Reading certificates at assembly programs at the schools. In addition to the certificates, award ribbons--187 in all will be given; and the highest reader from each school

Youth Football, Inc. was instituted in Muleshoe by members of the Muleshoe Jaycees who decided younger boys would be more interested in the sport if such a program could begin here. Following an intensive campaign, the program was initiated, through the assistance of many individuals and business personnel, and uniforms and equipment were acquired. The boys had physicals and have been issued equipment which is approved for official football use.
Intensive work has been done in preparing the young boys for their first season in Youth Football and the Jaycees urge all parents and sports fans to attend the games.

will be honored. The library wishes to thank the AAUW organization for the volunteer work they did at the library. The great number of circulation could not have been handled as efficiently without their help.
Due to the Texas State Grant fund, enough good childrens books were added that the book shelves were never really low, even at the peak of the season, when between 200 and 300 books were going out daily. Four hundred forty-five books were checked out June list.
New Fall books are being selected and ordered now-so that if anyone has requests, or suggestions--they should call 272-4707; and the library will try to obtain the material.
A memorial gift to the library has been received--given in memory of Mrs. Celia Mathieson; and given by Mr. and Mrs. Pat Bobo.
The library will be closed Monday-for Labor Day.

LAZBUDDIE SCHOOLS' LONGHORN STAMPEDE

By Mike Casey

The first scrimmage game of the season for Lazbuddie's Longhorns took place August 28th. The Horn's opponents were the Lubbock Christian High School Eagles.
Lubbock Christian was defeated by the Horns 3 touchdowns to 0. The Longhorn defense proved to be exceptionally tough with Thomas Kirvin and Jimmy Noland leading the charges. Thomas and Jimmy were consistently spilling the LCHS plays before they could get anywhere. Thomas played at defensive end and Jim at middle linebacker.
Although the offense wasn't too sharp at times, at these early stages in the season the defense is nearly always ahead of the offense. The Horns scored on a pair of runs by Mike Casey; one from 60 yards away and the other from 80 yards away. The other score came on an 80 yard

pass completion from Charles Lee to Arthur Graves. Thomas Kirvin also played tackle on offense and proved to be a valuable addition to the team since it was his downfield blocking that greatly aided in Lazbuddie's two long runs.
The next scrimmage game for the Longhorns will be with the Ropesville Eagles. The contest will be held at Ropesville September 4 at 7:00 p.m., although not a great deal is known about the Eagles, it is known that they are coming off a 5-4-1 season which is below average by their standards. Their strongest attack will supposedly be taken through the airways. It will be a very rough test for the Longhorns, who have inexperienced personnel at some positions.
The FHA chapter of Lazbuddie sponsored a hayride after the scrimmage game with LCHS, Friday. The participants ventured to the sandhills east of Muleshoe and had a fun night roasting weiners, marshmallows, singing, and joke-telling. The Longhorn football team was saddened to hear that two of its players off last year's

team who received athletic scholarships were physically disabled recently. Derrell Matthews who is Tarleton State-bound was suffering from encephalitis. At this time he is reported as recovering sufficiently. It was also learned that Monte Barnes, now attending West Texas State was practicing with the Freshmen and received a broken collar bone. His satisfactory recovery is truly hoped for.

MR. AND MRS. BRIAN NOBLE

Miss Clawson Marries Noble

Miss Iva Star Clawson became the bride of Brian Wayne Noble in an impressive ceremony August 16 at four p.m. at the Bula Methodist Church. Rev. Harvey Whittenburg of Welch performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Ivan L. Clawson of Bula and Mr. and Mrs. R.B. Noble of Littlefield.

The couple stood in front of the altar with baskets of white carnations on either side and garlands strung along the altar.

The bride, given in marriage by her parents and escorted to the altar by her father, wore a floor length gown of peau de soie, fashioned with a lace bodice and long tapered sleeves, set off by a flowing train that was attached at the waist line in the back. Her headpiece was a shoulder length veil of tulle and attached to a cluster of roses. She carried a bridal bouquet of white carnations with streamers and a detachable corsage.

For something old she wore her grandmother Clawson's wedding band, something blue was her garter and the traditional pennies with the dates of their births were in her shoe.

Maid of honor was Miss Judy Snitker of Enochs with Miss Carolyn Turney of Enochs serving as bridesmaid. Miss Snitker wore a sleeveless street length dress made of blue dacron and Miss Turney's dress was a sleeveless street length dress made of green dacron. Each carried a single stem white carnation with blue and green streamers.

Bob Armistead, Littlefield, served as best man, Larry Clawson, brother of the bride was groomsmen. Ushers were Edward Clawson, brother of the bride and Tom Newton of Enochs.

The mother of the bride wore a two piece blue dress with bone accessories and a white carnation corsage. The groom's mother wore a blue dress with white accessories and a corsage of white carnations.

Musical selections, "More" and "Twelfth of Never" were given by Miss Sharron Turney of Enochs and Miss Donna Crume of Bula. Margaret Richardson was at the piano.

The reception honoring the couple was held in the fellowship hall of the church, with Mrs. Allen Jones, sister of the bride and Miss Carol Noble, sister of the groom, assisting in serving the bridal cake and punch.

Guests were registered by Mrs. Allen Jones at the wedding.

For a short wedding tip to Colorado, the bride wore a two piece green knit suit and the corsage lifted from the bridal bouquet.

The bride is a 1970 graduate of Bula High School and the groom is a 1969 graduate of Littlefield High School and is presently serving in the United States Army.

Out of town guests for the wedding were Mrs. Harvey Whittenburg of Welch, Mrs. Beverly Montgomery and children, Stephanie, Scott and Jeff of Lovington, New Mexico; Mrs. Brenda Brown and children Robyn and Russ of Hobbs; T.A. Lightfoot and Jackie of Jal, New Mexico; Mr. and Mrs. Coy Evans and children of Lubbock; and Mr. and Mrs. Allan Jones of Seymour.

Also Mrs. W.L. Clawson, Mr. and Mrs. L.J. Rice, Mr. and Mrs. Bob Pitman, Mr. and Mrs. J.W. Rice, Lillie Jarnagin, Mr. and Mrs. F.H. Armistead, Lola Lentz, Mr. and Mrs. Forrest Moore, Bruce Noble, and Curtis Timmons, all of Littlefield. REHEARSAL DINNER

The rehearsal dinner was given by the groom's parents in their home on Friday, August 14. Attending were Rev. and Mrs. H.L. Whittenburg, Sharon Turney, Judy Snitker, Donna Crume, Margaret Richardson, Bob Armistead, Carol Noble, Mr. and Mrs. L.L. Clawson, Larry, Edward and Michael, Mr. and Mrs. R.B. Noble and the honored couple, Iva Clawson and Brian Noble.

MR. AND MRS. JOE SAM DAMRON

Damrons Celebrate Fiftieth Anniversary

Mr. and Mrs. Joe Sam Damron, Muleshoe residents since 1932, were to celebrate their Fiftieth Wedding Anniversary Sunday, September 6, at a reception hosted by their children at the Fellowship Hall of the First United Methodist Church, from three to five.

Mrs. Damron was the former Robbie Tidwell of Duncan, Oklahoma and Damron was from Commanche, Oklahoma. They resided in Commanche from 1920 until 1926 where Damron was a drug clerk. They then moved to Amarillo where they lived from 1926 until 1932, during which time Damron became a pharmacist. In 1932, the Damrons moved to Muleshoe where they opened Damron Drug and have resided since then.

The Damrons are members of the First Baptist Church. He has held memberships in the Masonic Lodge, Chamber of Commerce and Tri-County Savings and Loan Company. Mrs. Damron's memberships include Eastern Star, the Friendship Club and several bridge clubs.

Cindi Short and Gary, Sam Damron and the former Elaine Jordan of Mason also have two children, Mrs. Terry Hutton and Dana. Jim Reese and his wife, the former Jayne Damron live in Odessa. They have three children, Greta, Rocky and Lori Jan.

Centering the entrance of the reception was a circular registration table covered with swags of yellow chiffon. Holding the swags were French nosegays and lovers knots. The circular cake table was covered with a silk illusion cloth with reem-broidered lace applique and seed pearls. The four foot con-sonade cake was decorated with roses and clusters of grapes in shades of gold.

The serving table for the coffee and punch was covered with a matching cloth of silk illusion. Centering the table was a brass candelabra holding a mass arrangement of chrysanthemums, Peruvian lilies and yellow roses. Gold appointments were used to serve the conalba punch and the coffee.

Mr. and Mrs. Joe Damron greeted their guests in front of an eight foot white lattice draped in similax.

Serving the punch were the

granddaughters of the Damrons. Others in the house party were sisters of Mr. Damron: Mrs. Vern Thompson of Fort Lauderdale, Florida; Mrs. Irving H. Faught and Mrs. Bill Flow both of Oklahoma City; Mrs. E.P. Johnson of Roswell; Mrs. I.G. Hawkins of Amarillo; and a sister of Mrs. Damron, Mrs. M.H. Roth of Phoenix; and a niece of Mrs. Damron, Mrs. A.J. Kendrick of Duncan, Oklahoma. Also in the house party were Mrs. Mary Graham, Bonnie Dunahoo, Jo V. Bingham, Hattie Rae Jones, Erma Ray, Evelyn Riley, Mary Pool, Joan Gaston, Pat Nickles, Jane Griffiths, Bettye Oliver, Mary Anna Bryant, Dorothy Wood, Dorothy Bogard, Midge Cole, Melzine Elliott, Janet Wagon and Mrs. William Ed Jones.

Artist Kenneth Wyatt Will Speak To Art Association

The Muleshoe Art Association will have their first meeting of the year Tuesday, September 8, at ten a.m. in the Community Meeting Room of the Muleshoe State Bank. Kenneth Wyatt, of Tulsa, one of the most outstanding artists of the west, will be the guest speaker.

Wyatt, evangelist for the Amarillo District Methodist Conference, and a long time Knife

and Fork Humorist, lives with his wife, Vera Mae, son Mark and daughter Jill at Tulsa, Born in Wichita Falls, and reared at Stephenville, his work has been concentrated in the West Texas area.

His interest in art, dating from childhood, became a serious part of his life only in recent years. Guidance resulted in this turning to West-

tern scenes. Throughout his work, Kenneth Wyatt shows a lot of boyhood humor, pranks and the lighter, happier side of ranch life. He is outstanding, in some respect a genius, as a man, public servant and as an artist. His bold style, his use of color, his awards and his superb draftsmanship shows the range of his abilities.

He is truly one of the great painters of the modern Quarter Horse and horse world. Among his many magazine cover paintings have been the "Quarter Horse Journal" and the "Southwest Heritage." Happiness, wholesome activity and deep reverence are Kenneth Wyatt Hallmarks.

All members and others are urged to attend to hear this outstanding humorist and speaker on art and Christian principles.

The couple will make their home in Muleshoe, where the bride is employed at Main Street Beauty Shop. The groom is employed at Missouri Beef Packers of Friona.

WSCS Holds Their Annual Fall Luncheon

The Executive Committee of Women's Society of Christian Service of the First United Methodist Church met Tuesday, September 1, at 10:30 a.m. with Grace Prater, president, presiding. Mrs. Prater opened with prayer; the roll was called and the treasurer's report given. The majority voted to have Executive and General meetings together unless there is a need for a special called meeting. Several members put their names on a list to help with babysitting for Joyce Hill Circle. It was decided that a filing cabinet would be useful in the library for storing W.S.C.S. material. A donation of stamp books was requested to purchase this.

Mrs. Prater announced that there was a sub-district meeting Friday, September 4, at Sudan. This was an officers training session.

A study conference will be held in Hale Center September 10, from seven to 9:30 p.m. This will be an introduction and outline of studies for the coming year. "The Americas" will be taught by Rev. James Holman and Mrs. H.R. Hughes, Rev. J.B. Fowler of Muleshoe United Methodist Church will teach the Psalms. "How the Word Gets Around" will be led by Rev. Lee Crouch and Mrs. Bill Needham. Presenting the youth study will be Rev. James Carter, Mrs. Fay Matthews, Peggie Holman and Mrs. Betty Sulser.

The council on Ministries of the Church will have a Seminar at Earth United Methodist Church Saturday, September 19. All work area chairmen are asked to bring a sack lunch and stay from 8:30 to 3:30.

The motion was made and carried to order 10 new W.S.C.S. handbooks.

The Executive meeting adjourned and the ladies gathered in Fellowship Hall for the annual fall salad luncheon. Grace Prater read a poem then recognized visitors, associated members and our Pastor, Rev. J.B. Fowler. Mrs. Prater informed us that those who now have an office in W.S.C.S. will remain there until December 1971 and a new slate of officers will begin in January instead of September each year.

Esther-Dorcas circle will have the party at the rest home this month.

Maureen Hooten, vice president, gave a brief outline of the studies and noted that the general program resource book is entitled "Risk and Reality". Mrs. Hooten then introduced the circle chairmen and asked their members to come forward to receive the new yearbooks. Mrs. Wanda Shafer is chairman of Esther-Dorcas; Mrs. Treva Taylor, Joyce Hill; Mrs. Myrtle Gregory, Mary Martha; and Mrs. Juanita Snow, Progress.

The new emblem for the W.S.C.S. and Wesleyan Service Guild combines the Cross and a flame symbolizing the Holy Spirit. Each evokes images of sacrifice, witness and service. A litany was read and Mrs. Prater closed the meeting with prayer.

P-T-A News

Mary DeShazo PTA will have a get-acquainted meeting for parents and teachers at four p.m. Monday, September 7, in the Mary DeShazo Cafeteria. A nursery will be provided.

Alpha Zeta Pi Begins Activities

To get the year started off in a big way, the Beginning Day Activities of Alpha Zeta Pi were enjoyed Tuesday, September 1, in the home of Mrs. Max King. A salad supper was first on the agenda followed by the outlining of the coming year, first by Mrs. Max King telling the chapter what was coming in the programs. Some of the titles of the programs were: "Her Crowning Glory", "The History of Dress" and "The Art of Living", taken from the program book Beauty.

Mrs. Doyce Turner told of socials that can be expected at least once a month for the coming year. Mrs. Benny Splawn proposed the Ways and Means project to be a doll made of money totaling \$100 to be given away December 12. Tickets will be available September 16 selling for one dollar each. The service was presented by Mrs. Wayne Gregory to have a drug lecture for the community and surrounding areas sometime in January. Due to vacancies, Mrs. Max King is the new vice-president

Two Local Couples Vacation In Canada

Dr. and Mrs. A.E. Lewis and Mr. and Mrs. Fred Hagaman of Amarillo have recently returned from a trip to the midwestern states and part of Canada. They motored through the midwestern states to Winnipeg, Canada. There they joined a group on an excursion train that took them 2250 miles into the Hudson Bay area and on to Churchill, Canada. After the return trip to Winnipeg, they drove east into Ontario, Canada - around the northern shore line to Lake Superior. They came back into the states at Sault Ste. Marie. From there they drove along the shore line of Lake Michigan and on into Wisconsin, through Minnesota, Iowa, part of Missouri, and

AAUW Will Have Salad Supper Monday

The American Association of University Women will begin its current year's activities Monday night at 7:30 when they meet in the First National Bank for a salad supper and preview of the interesting and exciting programs planned for the current year. The relationship of other countries and our own will be emphasized. Programs will be presented by those who have visited these countries which influence the direction of our own country so much. In addition, action activities

centered with a pink flower arrangement with a yellow stork standing at the side. Mrs. Nichols assisted in opening her gifts by her mother, Mrs. Donald Grusendorf. Mrs. Kay Abney assisted by writing her gifts in her baby book. Hostess gift was a diaper pail and diaper bag. Hostesses were Mrs. Bob Newton, Mrs. Ralph Beasley, Mrs. L.G. Fred, Mrs. W.B. Peterson, Mrs. C.R. Seagler, Mrs. C.H. Byars, Mrs. J.W. Layton and Mrs. R.P. McCall.

then into Kansas, the Oklahoma Panhandle and on home. They drove through the Black Hills of South Dakota and the Custer National Forest. They visited Mt. Rushmore National Shrine of the Statues of George Washington, Abraham Lincoln, Theodore Roosevelt and Thomas Jefferson. From there they drove through the Bad Lands of South Dakota before going into North Dakota. They reported seeing more fresh water than one can imagine--big lakes and rivers everywhere. From Thompson, Manitoba, Canada, there are no more highways north. Thompson is 400 miles north of Winnipeg and Churchill is several hundred miles north of Thompson.

for community opportunities and improvement are a part of the AAUW program. Last year's activities included assisting in the area library and the children's summer reading program, bringing the Amarillo Symphony Orchestra to Muleshoe and a senior tea. The purpose of AAUW is "...uniting the alumnae of different institutions for practical education work...to continue... intellectual growth," and to "... discharge its special responsibilities to society."

By Beulah Newton

Andy Blaylock was honored with a surprise birthday fellowship hour after services Sunday evening at the First United Methodist Church Fellowship hall.

A white cake with red boots, cowboys and horses for decorations was served, also coconut cake, cookies, coffee and punch. A birthday card with all the names of those present and a love offering of money was presented to Andy. We are proud of our Andy, he is enrolled in South Plains College at Levelland and will commute so he can work part time.

The Wesleyan Service Guild presented six Children's Bibles to children who were promoted to the junior department Sunday School, Sunday morning.

Herchel Hulcy was involved in a two vehicle accident Sunday afternoon. Herchel and son, Bryan were on their way to Plainview, taking Fred Meeks to the hospital. When they got to Olton a car with teenagers pulled out in front of the ambulance. Percy Parsons took the patient and his wife to Plainview. Mrs. Meeks sustained a leg injury in the wreck. The Earth ambulance was badly damaged. Fortunately no one else was injured except for bruises.

Mrs. Dave Buchert of Lamar, Colorado, died Friday evening from an injury she had received in a car accident a week earlier. Mrs. Buchert was the mother of Mrs. Bill Bryant.

The program committee of the Wesleyan Service Guild met at the Methodist church Monday evening and made the programs for the ensuing years work. This will be a long year, as it will continue until January 1, 1972. Those working were Mrs. Oliver Tunnell, Mrs. LaMoyn Matlock, Mrs. W.D. Martens and Beulah Newton.
