PRICE 5¢

TRAIL DUST

By DOUGLAS MEADOR

Decit is a monitor for the iniquitous heart, bearing its blonious cloak down crowded aisles of trusting contemporaries. Without compunction it will ferry impressions across the lagoon of daily relationships to geymander and profane the lives and works of the humble. Falsehoods are like the storm cloud gathering in the night, until truth, as a flash of lightning, betrays its position and structure.

Nothing is irrelevant, except the promises of politicians and the mollifying words spoken by lovers whose nocturnal embraces have destroyed the dikes against the sea of perfidy.

Another potsherd consigned to the dumpgrounds of shattered assumptions is the old belief that the human anatomy may suffer distortion through prolonged sitting. The cowboy who remains in the stirred chair of his saddle from dawn until the sun is low, is not affected except to achieve the envy of girls, advertising disciples.

Like a golden gondola freighted with the cares, tears, secrets and prayers of another day, the sun follows a purple canal in the twilight to oblivion's silent, melancholy sea; a boat covers its trail as it passes. Somewhere along the shores of night are the unspoken words, the trifling deeds and the unsung songs that hold tickets for a passage which never again will be honored. There is more time in the present than the future.

Before he quit thrashing mesquites with his saddle fenders and tossing white manila over the heads of bald-faced yearlings, he used to interlard his conversation with a grade of profanity that would cut the galvanizing off a windmill wheel. Mothers used to warn their little sons to keep a lariat's distance from the contamination of his words. He laughed and drank his way through a dozen reckless years and then one day stood speechless, scraping the sole of his boot in the sand, before the preacher's black-haired daughter. He became a marionette that lifted a sweat-stained Stetson when she moved a tiny finger. He learned a new language which permeated the framing in his heart. Cupid shot his entire rounds of arrows into the cowboy's breast and then beat him over the head with the empty quiver. Their love is a bright thing when they stand and sing together in the choir, and his voice, like property tempered metal, rings true from the depth of his soul. Perhaps the effect is a by-product from the miracle of domestication but his singing has a quality that resembles the tintinnabulation of spurs on a frosty morning; the laughter of a riding man drinking the sweetness of the wind.

Our friends are obliged to judge us by the samples of character which we serve them in the frequently stale crackers of our thoughts.

Time is a spring whose abundance immediately falls into the deep caverns of oblivion.

When love will not redeem a man it is better to leave him as fodder for the mills of fate and seek more pliant material.

When I look at my right hand and remember it once shook the hand of a man who was later to become president, I am less impressed than with the gratification associated with the handshake of a poor, uneducated boy who was once allowed to speak of his faith in me.

Mrs. H. H. Courtney accompanied Mrs. Emmett Jackson of Amarillo, to Paducah Sunday, where they were guests in the home of the latter's aunt and niece, Mr. and Mrs. Joe Meador.

County Reduces Tax Rate, State Takes Up The Slack

YOUR TAXES not only seem higher, they are higher, by 11¢. But don't load your shot gun with rock salt and start after Motley county officials. They didn't do it. They looked at their figures and whittled 24¢ off the 1946 \$100 levy but the bright-eyed boys at Austin with visions of the more abundant life, raised their levy 35¢. Net loss in money to you-know-who, 11¢. Motley county's levy for 1946, according to County Judge Wm. R. Cammack was 95¢ for all county purposes and 55¢ for the sinking fund, making a total of \$1.50 county tax. The state tax last year was 37¢. Thus the total state and county tax rate was \$1.87 for 1946.

Matadors Drop Tilt

Up a tree with the Spur Bulldogs baying and snapping at their gear, the Matador Matadors dropped their first conference tilt at Spur Friday night with a score of 33 to 13. Spur had chalked up 20 first downs to the Mats' 10 when the 60 minutes of play had ended.

The Bulldogs had run three touchdowns when Albert Marshall made the first score for the Matadors in the third stanza, which included the extra point. Bonner Nelson made the second score in the fourth quarter.

Spur scored one touchdown in the first quarter, two in the second and two in the third, and added three extra points from the five visits to pay dirt.

Matadors are off Friday for their second conference tilt with the Ralls Jackrabbits, under the lights at Ralls, Coach Amonett declined to make any prediction on the game but feels that his charges will be in condition for the contest, following a week of intensive training.

GOAL OF 500 NEW MEMBERS IS SET BY FARM BUREAU

Motley County Farm Bureau solicitors and team captains will meet at the court house at 7:30 p. m. Thursday evening, October 23, for the kick-off meeting which will launch the Farm Bureau membership drive for 500 members in this county during state-wide Farm Organization Week, October 23-30. L. A. Carlisle, membership chairman of the county organization, has announced.

Two radios will be in readiness to bring workers the network address of J. Walter Hammond, president of the Texas Farm Bureau Federation, which will be heard over the Texas Quality Network from 8:30 to 9:00 p. m. President Hammond will speak to some 7,500 workers assembled in approximately 150 Texas counties who will participate in the state-wide drive for members during Farm Organization Week. Motley County's goal is 500 members. The state goal is 40,000 members.

"Farm Bureau is an organization of, by and for farmers," Mr. Carlisle said, "and its chief job is to maintain farm prices. To accomplish this, farmers must have an organization strong enough today to adopt and maintain an agricultural program that will stabilize the prices of farm products, which will in turn stabilize business and industry."

Joe B. Meador Heads Tech Veterans Group

Motley county exserviceman Joe B. Meador, son of Mr. and Mrs. Joe Meador of Matador, was recently elected commander of the Texas Technological College (Lubbock) War Veterans Association, according to a release received this week by the Tribune.

Commander Meador, associated with the Tribune before his entry to four years armed forces service, has been active in veteran activities since entering the college in September 1945.

Mr. and Mrs. M. L. Patton, accompanied by their daughters, Miss Rachel Patton and Mesdames L. J. Barkley and Alvin Stearns, visited in Hale Center, Sunday in the home of Mr. and Mrs. Tom Patton.

Remains Of Hero Back In Texas

After four years the remains of one of Motley county's first youths to die in combat, Eugene Sutton, 19, have been returned to the soil of Texas. Final resting place will be the national cemetery at Ft. Bliss according to information received by the Tribune from American Graves Registration Division, San Antonio.

The remains of Pvt. Sutton (U. S. Marine Corps) were returned last week aboard the army transport Honda Knot.

Date and time of services in the Ft. Bliss cemetery will be communicated to Alvie P. Sutton, former Matador resident, who now lives near Dougherty, father of the Marine who lost his life in the Southwest Pacific in the summer of 1943. Other relatives according to Tribune files, included three sisters, Mrs. Taylor Ross of Sherman, Mrs. Glen Kenney (then of Matador) and Mary Sutton and one brother Junior Sutton.

The Suttons moved here from Denison during the fall of 1941, about six months before Eugene Sutton enlisted in the Marines. Mr. Sutton was employed on the Walter Carpenter farm.

When the funeral ship Honda Knot bearing the bodies of 3,028 who fell in the Pacific, arrived in San Francisco, the United States paid its highest military salute and thousands lined the quay in mourning.

While the Presidio, Sixth Army Headquarters (San Francisco), fired the 21-gun salute, Secretary of the Navy John L. Sullivan told the hushed audience gathered in the Marine Green:

"Today, in sorrow and yet with pride, America repatriates the mortal remains of those who fell in the hours and months of war.

"Some of these men were ambushed at Pearl Harbor. Some died in the first counterattacks avenging that day of infamy. Wherever and whenever they fell they died to safeguard the destiny of man.

"Today they impose on us, the living, the sacred trust of their final hours, their last thoughts, their common dream of the safety and welfare of America, and an enduring peace for the world."

The funeral ship arrived in San Francisco October 10.

FRIVOLITY REIGNS AT LEGION PARTY

Fun and frivolity reached a pleasant level Tuesday night at the Fleming Post American Legion and Auxiliary box-supper and party held at the Legion hut.

Officials said attendance was less than earlier estimates but that between 20 and 30 couples attended. Auctioning of food boxes and pies reached a lively pace, adding a tidy sum to the organization's coffers. The "house-warming" box supper celebrated renovating a and changes made by Legionnaires in the Legion hut.

Without exception all members and their wives attending report a highly entertaining evening.

Mrs. Chas. Guy Is Hospital Patient

Condition of Mrs. Chas. A. Guy, 2610 Twentieth St., Lubbock, has been described by an attending physician as "satisfactory", following an emergency operation Monday afternoon. Mrs. Guy, wife of the editor of the Lubbock Avalanche-Journal newspapers, became ill Sunday evening while attending an open house of the Silver Key club of Texas Tech and was taken home in a comatose condition, suffering from an abdominal block.

Mrs. Guy is known here as the former Grace Moore, daughter of Mr. and Mrs. J. R. Moore of this city.

Mrs. Buddy Gambrell and small son, Guy Richard of Hartley, Texas, are visiting with her parents Mr. and Mrs. Guy Kimbell this week.

Dick Groves Fills New Position In Local Post Office

Dick Groves, former flying ace with four years in the Army Air Corps before his discharge, has been employed as a full-time clerk by the Matador post office through Civil Service ex-serviceman preference system, according to a statement made last week by postmaster E. F. Springer. He had previously been employed for about one year in the Matador Auto Company parts department. He will begin his duties today.

Groves will replace Mrs. D. E. Pitts part-time clerk who has been employed in the post office since April, 1944. The new place was made possible July 1 when the postal department allowed the local post office an additional full-time clerk, Mr. Springer declared. Other member of the staff here in addition to Springer is ex-serviceman Pete Knight.

The following news release regarding Groves was received from San Antonio this week: "Capt. Dick Groves of Matador, Texas, has completed his 15 days active duty training with the 10th Air Force summer encampment at Brooks Field according to announcement by Col. John W. Egan, commanding officer.

"Groves was commissioned as a pilot in October 1942 and served overseas in the European-African-Middle Eastern theatre of operations, also in the China-Burma-India theatre. In January 1946 Capt. Groves was relieved from active duty and returned to civilian life."

Capt. and Mrs. Groves and small daughter, Mary Lei, returned from San Antonio Saturday to their home in Matador.

W. A. KIRKLAND IS PATIENT IN CLINIC

W. A. Kirkland, 76, pioneer resident of Flomot community, was brought to Stanley Clinic last Thursday following a stroke which he sustained at the home of his daughter, Mrs. Barney Martin, with whom he makes his home. His condition is considered grave.

At his bedside have been his son and wife, Mr. and Mrs. Roy Kirkland of Sacramento, Calif., and a daughter, Mrs. Henry Meyer of Sudan, in addition to other relatives residing in the county.

Matador Has Many Post-War Father-Son business Partnerships

FIRST OF A SERIES of articles on father-son business partnerships in Matador, above picture of Glenn Woodruff and his father, J. L. Woodruff, shows office of Matador Auto Company, Motley County Ford agency.

Father Woodruff is taking a back seat in management after son Glenn entered the business following his graduation from Texas Technological college, Lubbock, June 1947. Young Woodruff was in the armed services for 32 months, spending six months overseas. He returned last week from Dallas where he was a guest at Dallas dealer Ed Maher's celebration honoring his son's entry in the Ford dealership business.

Woodruff will leave Lubbock via Braniff Airlines Saturday night for Detroit where he will attend a special Ford Motor Company merchandising school for sons of Ford dealers. His father is a partner in the Matador Auto Company.

The class will be made up of approximately 33 young men from all parts of the United States who are undergoing special training so they can step in their fathers' shoes as dealers when retirement time arrives. Course of instruction will be six weeks. It will include discussion of the history and the present organization of the Ford company, automotive merchandising methods, dealer accounting procedures, business management controls, advertising, public relations, retail sales management and used car and truck merchandising, finance and credits and parts and service.

Dallas district Ford manager A. E. Klemmenson announced that Woodruff was the fifth young man selected to attend the school from the district of 118 counties.

Many father-son business partnerships have been established in Matador since the war and the Tribune is running a series of pictures and articles on the firms, of which this is the first. Others will be published in following issues.

HARVEST REVEALS FRUITFUL FIELDS

TRADITION SAYS we lose every crop in Motley county from two to five times during the growing season and 30 days of the 1947 cotton harvest verifies the saying. Due to the prolonged drought it was believed by many optimistic farmers, ginners and businessmen that the county's cotton crop was almost a total failure. Those with a darker outlook saw a bleak harvest with many fields which would not yield enough cotton to pay for the picking. The picture is changed today.

Little groups of farmers and businessmen were gathered Monday on the streets with almost the same degree of excitement as if gold in paying quantities or oil had been discovered. The county's 50,000-acre cotton crop was turning out better than had been expected. Almost without exception farmers were harvesting more cotton on the "first-going-over" than had been expected from the entire crop. Original estimates had placed the average at one-fourth bale per acre or less. Now the estimate is being raised. Although the staple is in some instances, shorter than top years, the sample is better than average because the lint is not stained.

One farmer who hoped to harvest 1/4 bale per acre from 25 acres, gathered 11 bales "the first-time-over". Other phenomenal yields are being reported. More Mexican harvest hands are arriving because they prefer the shorter cotton to the tall irrigated fields on the plains. The picker situation is still critical, however, according to county agent J. R. Emmons.

MOTLEY SINGERS TO MEET SUNDAY

Motley County Singing Convention will be held Sunday, October 19, at the Methodist Church, Flomot, it was announced this week by F. M. Casey, president of the county's oldest organization.

The meeting will begin at 11 o'clock, Mr. Casey said, and dinner will be served "on the grounds", with those attending bringing basket lunches.

Several good "name" quartettes are expected for the semi-annual meet, Mr. Casey also stated.

All singers and people interested in good singing are invited.

L. L. Russell Home Destroyed By Fire

Fire of undetermined origin Monday evening, destroyed the L. L. (Chick) Russell home about one mile west of Matador. The home and entire contents were declared a total loss. Matador volunteer Fire Department responded to the call but was unable to fight the blaze since no water was available. Attempt was made to procure water from a shallow surface tank but mud choked the suction hose almost instantly.

Mr. and Mrs. Russell have been away from home for some time and unconfirmed reports declared they are employed somewhere on the Plains. Information regarding possible insurance on the loss was not available.

For Sale: Registered Poland-China sow and seven pigs, Homer Kingery. 2tp. 10-23

COUNTY DEMO. CLUBS TO STAGE EXHIBITS

Combined exhibit and style show of all Motley county home demonstration clubs will be held at the Matador high school auditorium and homemaking department Saturday, October 18. The meeting of all clubs in the county will start promptly at 10 a. m., but will not be open to the public until 2 p. m. Every club member in the county is invited to attend and bring a covered dish of food for the luncheon.

Prizes will be awarded for the best exhibits including the garments displayed.

Mr. and Mrs. Thomas Bourland of Canyon, visited here Wednesday with his parents, Mr. and Mrs. Fred Bourland.

Mr. and Mrs. Arthur Fulker-son and family, Mr. and Mrs. Evelyn, to Sanatorium, Texas, last week end and returned by Odessa, where they visited their

THREAT...

(Continued From Page 1)
the ground is softened by rain.

Reserve Is Used

The city had a reserve of approximately \$15,000 in bonds and money a few years ago but a series of emergencies required its spending. About \$2,000 was spent on the replacement of the bridge on north Main street, and \$3,300 spent to re-top the streets in 1945, the fire truck needed \$2,000 in new engine (after courthouse fire) and new hose, a new pick-up cost \$1,100 (old one was 1936 model) and an auxiliary booster pump at the city wells (in event of emergency) cost another \$1,000. The city has spent approximately \$10,000 on wells in the past three years according to alderman E. B. Jinkins. Included in the investment are three dry holes. At present the city operates three wells with adequate water supply for the needs (including expansion) under even extreme conditions. Recent tests by state water department show Matador wells strong. Regular tests each month provide the city with state approved water. Matador's valuation is \$750,000 but an additional \$200,000 has been added altho it will not bring revenue until next year.

Regular Clean-up

It was suggested that the city employ a full time man (and truck) to keep the town clean, including removal of trash and garbage from the residential section twice each month and from the business section daily. It was estimated that it would cost \$200 or more per month to employ a man for the work. It was suggested that he could sweep the pavement "when he wasn't busy."

Various means of raising funds were suggested including a fee of 50c per month from each residence and perhaps \$1 or more from business places according to their need for the services. The fee would be included on the water bill. No action was taken.

The city council approved bills presented for payment. No action was taken on the plea of the home-owners that owners

of open sewers be forced either to connect with the sewer system or provide some sanitary disposal of the waste being run on the ground. The home-owners went home at the beginning of the council's business session.

SUNDAY SCHOOL CLASS ENJOYS PARTY TUESDAY

The Winsome Class of the Baptist Sunday School met Tuesday evening at the church for regular monthly meeting.

Hallow'en motif was used in decorations and games, and the guests were met at the door by a spook and received an icy hand shake.

After a number of Hallow'en games were played, refreshments of brownies and coffee were served, with pumpkin plate favors.

Those present were: Mesdames McElton Skaggs, Harold Allen, Bill McCaghen, Johnnie Stevens, J. Farris Fish, R. E. Campbell, Jr., Forrest Campbell, Herman Ellithorp, H. H. Courtney and Howe Hines.

WINTER Poultry Suggestions

With feed prices extremely high and anticipated egg prices also high, basic poultry management practices will pay more than ever before.

1. DON'T OVERCROWD. Make certain that leghorns have at least 3 1/2 sq. ft. and that heavy breeds have 4 sq. ft. per bird. Crowding will result in a drop in egg production and increased cannibalism.
2. Provide 24ft. of hopper space and a 4 to 5 gallon water container for each one-hundred birds.
3. See that birds have adequate and proper ventilation and lights.
4. Adopt a "Free Choice" system of feeding to save labor and secure maximum returns from feed fed.
5. Cull older birds closely. Hens lay 20 to 25% less eggs the second year than they do the first year.
6. Increase labor efficiency by having water piped into the poultry house and having both mash and grain stored somewhere in the house.

ANNUAL BANQUET MARKS FORTY-SEVENTH ANNIVERSARY FOR EASTERN STAR LODGE

Forty-seventh anniversary of Order of Eastern Star, Matador chapter was observed on Oct. 2, with an annual banquet held in the Masonic hall.

Toastmistress for the occasion was Mrs. Opal Pipkin. Invocation was by G. E. Hamilton and group singing was led by Mrs. Maggie Hagilton at the piano. In a charming manner, the toastmistress gave the welcome address and presented Mrs. Fannie Jenkins, only living Charter Member of the Chapter, a beautiful corsage.

Other features of the program included a duet, "Happy Birthday" by Mrs. Marguerite Edwards and Mrs. Grace Campbell accompanied at the piano by Miss Rachel Patton; a clever and entertaining reading by Mrs. Wynona Gilbreath; an interesting history of Matador Chapter by Mrs. Virginia Willie; quartette, "Star of the East" by Mesdames Vivian Jacobs, Margaret Springer, Margaret Whitworth and Lucretia Campbell, with piano accompaniment by Mrs. Maggie Hamilton. Benediction was pronounced by W. F. Jacobs.

Center of attraction at the banquet table was the large birthday cake bearing 47 candles. Other lighted candles of various colors in crystal holders further enhanced the table, and place cards were hand-colored and designed as birthday cakes. The menu consisted of tomato juice cocktail, fried chicken, gravy, peas, corn, potato salad, hot rolls, banana nut cake and coffee. The banquet was served by the Home Demonstration Council.

Other members besides those in the program, who were present included: Mesdames Lucy Ford, Mary Irvin, Etoile Stanley, Erma Edwards, Vinie Keltz, Geraldine Campbell, Earline Vaughn, Judine McCaghen.

Jessie Mae Pritchett, Molly Jameson, Bessie McWilliams, Maud Dean, Sallie Bishop, Connie Ross Browning, Ella Ruth Carlisle, Allie Cox, Winifred Darsey, Raulita Kifer, Bernice Knight, Hettie Patton, Ethel Sheridan, Beverly Vinson, Miss Annie Mae Jackson, and Messrs. Henry Ford, R. E. Campbell, Jr., W. L. McWilliams, Harold Campbell, Robert Darsey, W. N. Pipkin, Pat Sheridan, Furman Vinson, J. R. Whitworth, Ben Edwards, J. W. Pritchett and W. F. McCaghen. Guests included Mesdames J. M. Jackson and Ada Ford; Messrs. Ben Keltz, Forrest Campbell, Jay Browning, Bennie Cox, Vance Gilbreath, W. T. Patton and L. A. Carlisle.

SUNDAY SCHOOL CLASS HAS MEETING THURSDAY

The Fidelis Sunday School Class of the Baptist Church met last Thursday night at the Motley Hotel with Mrs. Tommie Newman as hostess, to elect officers for the coming year.

Upon the recommendation of a nomination committee, the following officers were elected: President, Mrs. Tommie Newman; first vice-president, Mrs. E. F. Springer; second vice-president, Miss Thersia Godfrey; third vice-president, Mrs. J. L. Woodruff; secretary, Mrs. Raymond Steffey. Group-captains elected were Mrs. Lois Smart and Miss Verlin Reeves. Mrs. D. C. Bradley has accepted the position as class teacher, following the resignation of Mrs. J. R. Moore. Mrs. Ben Keltz is assistant teacher.

Following the business session, several games were played and refreshments served to Mesdames D. C. Bradley, Ben Keltz, J. R. Moore, T. J. Daffern, A. B. Simpson and Miss Thersia Godfrey.

New Term For El Progreso Study Club Ushered In By President's Day Program

New 1947-48 term for El Progreso Study Club was ushered in Thursday afternoon, October 9, at the home of Mrs. U. L. Willie, with officers of the club forming the receiving line.

Annual "President's Day" was observed in the program, with the president, Mrs. A. J. Daffern acting as leasurist. Humor and dignity combined to make Mrs. Daffern's address of welcome one of enjoyment. Special music, provided by Mrs. Marvin Vaughn, was furnished by a number of records played throughout the afternoon.

Upon adjournment of the meeting, coffee was poured by Mrs. J. R. Moore and served with cake squares decorated with the club flower and initials. The exquisitely appointed dining table was centered with a bowl of Crimson Glory and Zula Queen roses. Vase and bowl arrangements of other

varieties of roses from Mrs. Willie's garden were also used in the living room.

New officers for the year are: President, Mrs. A. J. Daffern; first vice-president, Mrs. J. Frank Pohl; second vice-president, Mrs. G. E. Hamilton; secretary, Mrs. U. L. Willie; treasurer, Mrs. Willis Cooper; parliamentarian, Mrs. J. Farris Fish; press reporter, Mrs. Ben Meador; Federation News reporter, Mrs. Marvin Vaughn; and youth conservation, Mrs. Rufus Emmons.

Serving on the tea committee were: Mrs. Ben Keltz, Mrs. Harry Willett, Mrs. L. C. Harp and Mrs. J. R. Moore. Others present were: Mesdames Harold Campbell, J. E. Edwards, John Hamilton, A. B. Simpson, John Stevens, H. H. Schweitzer, Ralph Stapleton, J. R. Whitworth, J. L. Woodruff, L. B. Campbell, and Miss Amy Glenn and Miss Mary Keith.

LOUISE RIGSBY OF ROARING SPRINGS IS BRIDE OF ROBERT L. BRITAIN

Mr. and Mrs. W. H. Rigby of Roaring Springs announce the marriage of their daughter, Louise, to Robert L. Britain on Saturday, October 4, at 2 p. m. The ceremony was solemnized in the home of the bride's parents.

The bride, given in marriage by her father, wore a blue crepe dress with black accessories and white gloves. Her corsage was of baby orchids. For something old and borrowed, she carried a white linen handkerchief belonging to Mrs. L. M. Miller, her first school teacher. Mrs. Lena Davis of Fabens, Texas, attended her sister as Matron of Honor.

Mrs. Britain is a graduate of Paton Springs High School and Hendrick Memorial Hospital School of Nursing of Abilene, and served with the Army Nurse Corps during World War II. The bridegroom is a graduate of Palestine High School and attended Sam Houston College. He served with the 36th Division for five years.

The couple was honored with a dinner Saturday night at the Lubbock Supper Club by Mr. and Mrs. M. L. Young.

They will be at home in Houston, Texas, where Mr. Britain is with the Chemical department of Shell Oil Company.

Shower Honoree
Mrs. Britain was complimented with a bridal shower Thursday evening, October 9, in the home of Mrs. Martin Smith of the Duncan Flat community. Assisting hostesses were Mrs. Coy Guthry, Mrs. Frank Ragland and Mrs. J. H. Gibson.

Fall flowers decorated the reception rooms. Guests called between 2 and 4 o'clock and were registered in the bride's book by Mrs. Ragland. Refreshments of dainty cookies and punch were served by Mesdames Guthry and Gibson.

Those attending were: Mesdames Clark Forbis, O. E. Rigby, W. A. Ligon, Joe Rose, Bud Smiley, N. E. Mobley, L. C. Flowers, W. J. Hamm, Jr., W. H. Rigby, J. P. Johnson, D. W. Hughes, M. E. Keahey, O. D. McDonald, John Smith, F. F. Henry and Will Smiley. Out-of-town guests included Mrs. Kathryn Young and Mrs. Lester Arnold of Lubbock and Mrs. Aubrey Davis of El Paso.

Many gifts were sent by friends unable to attend in person.

MISS WILDA MARR AND GLEA MOSELEY MARRY RECENTLY

In a ceremony performed on October 3, at 8:00 p. m. by the Church of Christ minister at Dickens, Miss Wilda Marr of Matador became the bride of Glea Moseley of Whiteflat.

The bride wore a brown suit with matching accessories and for something old, she wore a pin which had belonged to Mrs. C. P. Wayburn's great-grandmother. Something new were gold earrings, and something borrowed, a necklace belonging to Mrs. Juanita Gunter. She also wore a penny in her shoe for good luck.

Miss Bessie Clifton attended the bride, and wore a blue suit. Raby Webb served the bridegroom as best man. Other attendants were Nellie and Joan Florence, sisters of the bride.

Mrs. Moseley has been employed as receptionist at Stanley Clinic since her graduation from Matador High School with the class of '46. She is the daughter of Mr. and Mrs. R. E. Florence of Matador.

Following a wedding trip to Amarillo, the couple is at home at Whiteflat, where Mr. Moseley is employed as a mechanic.

BAPTIST CIRCLES MET ON MONDAY

The Henrietta Shuck Circle of the Baptist W. M. S. met Monday night in the home of Mrs. Bill McCaghen. A business meeting was conducted and new officers were elected.

Refreshments of coffee and cookies were served to: Mesdames Cecil Shelton, Howe Hines, R. E. Campbell, Jr., Vernon Doss, Forrest Campbell, Joe E. Campbell and Burrell Tipton.

The W. M. S. Burleson Circle enjoyed a book review given by Mrs. Jake Edwards at their meeting which was held in the home of Mrs. R. E. Campbell. Sr. Others present were: Mesdames Ed Cammack, J. L. Woodruff and Elbert Reeves.

Mr. and Mrs. Ted Woolery and Joe B. Meador of Lubbock, were week end visitors here in the home of their parents, Mr. and Mrs. Joe Meador.

Spring Fashions To Be Shown In Dallas

Drawing attendance of more than 4000 visitors from 16 states and Mexico, the American Fashion Association will stage the first showing in the Dallas market of 1948 spring fashions, at the meeting in Dallas October 20 to 24.

Although the association's quarterly showings were continued on a curtailed basis during and since the war, this will be the first able to splurge in pre-Pearl Harbor custom with a gala style show, dinner dance to fetter the visitors and other special events. Miss Hucie Houston, association manager, announced.

Exhibits will be set up in the Baker and Adolphus hotels by 265 association members representing 650 national designers of women's and children's ready-to-wear and accessories.

Highlight of the five-day show will be a breakfast fashion clinic sponsored by the association Tuesday morning, October 21, at 7:30 a. m., in the Baker Hotel crystal ballroom. Models will parade the advance spring fashions, with Mrs. Connie Baughman, of Dallas, as commentator. The dinner dance will be held Wednesday evening at 7:30 p. m. in the Hotel Adolphus Grand Ballroom, with the association as host.

An express bus will be operated complimentary between Dallas and Fort Worth, making seven trips daily, so that the visitors may attend showings in both cities.

BIRTHDAY PARTY

Maureen Plumlee was honored on the occasion of her twelfth birthday, with a party given by her mother, Mrs. Babe Plumlee, Friday night, October 3.

After a number of games were played, refreshments of decorated birthday cake and punch were served to the following guests: Dwayne Martin, Barbara Ann Spray, Wayne Shelton, Nelda Faye Spray, Marlene Bailey, James Ketchersid, Ruth Marie Stanley, Martha Jones, Nancy Vaughn, Wanda Fox, Jeanne Hines, Frances Traweck, Elwanda Green, Bill Ward, Sam Hines and Zola Frances Sinclair.

IN APPRECIATION

To the many neighbors and friends who came to me in an hour of need, I wish to express my most sincere appreciation. It is my wish that God will bless you for your generosity.

Jackie Jackson

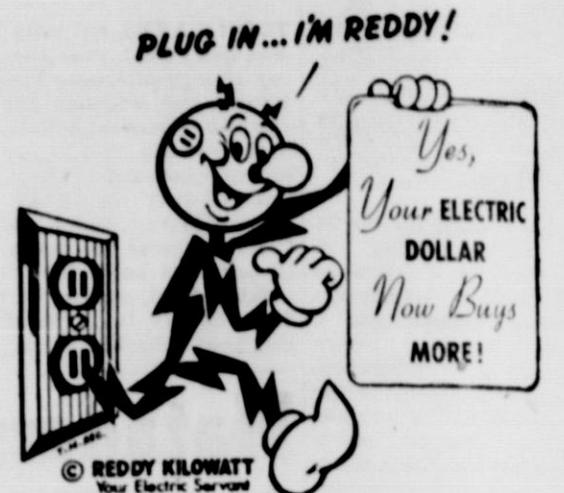

RETURNS HOME

Mrs. V. A. Rattan returned home recently from El Paso where she spent several weeks

with her daughter and family, Mr. and Mrs. Lewis Mullins, to whom a baby daughter was born September 23. She was named Lou Ann and weighed 6 pounds, 10 ounces.

RETURNS TO MATADOR

Mrs. Annie Tudor, who has been making her home in San Antonio, has returned to Matador and will make this her home.

REDDY KILOWATT Your Electric Servant

If the cost of electricity had increased the same as the cost of living, your electric service bill would be almost twice what it is today.

Actually, the average price of a kilowatt hour of electric service to residential users is down 32.6 per cent since 1933.

HERE IS A 4-UNIT DIESEL FREIGHT LOCOMOTIVE NOW OPERATED BY 2 MEN (1 ENGINEER AND 1 FIREMAN)

2 BRAKEMEN AND 1 CONDUCTOR COMPLETE THE CREW OF THIS TRAIN [One brakeman usually rides in the locomotive in freight service]

—BUT THE UNION LEADERS WANT 15 EXTRA "SITTERS" ON THIS TRAIN... 3 ENGINEERS, 3 FIREMEN, 6 BRAKEMEN AND 3 CONDUCTORS... TO GO ALONG FOR THE RIDE AT FULL PAY!

It's to your interest to know about this proposed **feather-bedding!**

For sheer feather-bedding, this mock work proposal takes the cake. But it is only one of 44 "rules" demands filed by the leaders of the operating unions. If all these demands were granted, they would cost the railroads an added BILLION DOLLARS A YEAR.

Increased Wages, Too

On top of these "rules" changes, the leaders of the operating unions have filed an additional demand for a wage increase of over 30 per cent. If granted, this would be an added cost to the railroads of \$400,000,000 a year.

\$468,000,000 To Non-Operating Employees

In addition to this, an Arbitration Board has just granted a wage increase of 15 1/2 cents an hour to the million employees represented by the 17 non-operating unions. This will cost the railroads \$468,000,000 a year.

Where Will The Money Come From?

Where will all the money come from to pay these increases? They total several times as much as the railroads made in 1946 or will make in 1947.

In July, the railroads filed an application for increased freight rates to close the gap which then existed between wage and material costs, and railroad revenues. Since then it has been necessary, because of further increases in wages and material costs, to supplement that petition and to ask for an additional freight rate

increase. No other course is open.

Railroads Do Not Run For Employees Alone

Railroads are operated for the benefit of not one, but several groups—shippers, passengers, employees, stockholders, and the general public. The interest of all must be served—and that cannot be done unless the railroads can operate efficiently and economically, and unless they are allowed to earn sufficient revenue to provide the kind of transportation service this country MUST HAVE.

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

CANYON MUSEUM SEEKS \$50,000 FOR BUILDING

All directors of the Panhandle Plains Historical Society have been mailed a new bulletin by Boone McClure, director of the Museum. The bulletin was written by H. C. Pipkin, Amarillo, chairman of the building committee, which sponsors the campaign for \$50,000 in order to complete the second unit of the museum.

According to information received by Dr. L. F. Sheffy, secretary of the Historical Society, the campaign for funds will get underway in all of the 26 counties of the Panhandle at once. It is hoped that funds will be raised rapidly, and that the bulk of the money will be in by December 1.

The campaign will be open to every citizen of Motley county. While many citizens have made contributions in the past, this drive is for additional money in order that the second unit of the building may be completed. C. D. Bird and Douglas Meador are members of the Board of Directors and will receive contributions in Matador.

When the second unit of the museum is ready for use, it will mark the completion of a project that was begun in 1932, when the museum was first erected. This unit of the museum is enclosed but no work has been done to complete the finishing on the inside. Plastering, floors, installation of lights and heat are needed to complete the unit.

During the summer months attendance soared to an all time high, with 5,113 persons visiting in July and 6,336 in August. This brought the total of visitors since the museum opened to 489,160. The total for the year is 35,000.

Dr. William Thornton, a versatile physician of the West Indies, was the architect on the original National Capitol building at Washington, D. C.

The territory now comprising the state of Washington was separated from the state of Oregon in 1853.

'Life With Father' Coming Attraction At Spring Theatre

'Life With Father' one of the most recent films to be released, will be shown at the Spring Theatre sometime during November, according to an announcement made this week by the management.

The film version of Clarence Day's stage hit is in Technicolor and stars William Powell as Father and Irene Dunn as Mother.

Since such major productions as 'Life With Father' are usually shown first in cities, the Spring Theatre management is to be commended on being able to obtain this film at such an early date following its release.

Farmers Urged To Leave Vegetation

Farmers should leave all possible vegetation on the surface of the soil to serve as a windbreak and prevent soil erosion by blowing, according to J. R. Emmons, County Agricultural Agent.

Plows of the Hoeme type that work soil underneath the surface without pulverizing topsoil are highly desirable as further protection against wind erosion, he suggested. When the soil is dry the chisel points should be set deep, but if moisture is present to be conserved, sweeps should be set for shallow cultivation.

Mr. Emmons sees little prospect for a dustbowl in the immediate vicinity of Matador because sufficient vegetation is now on most of the land to hold it if it is not grazed too closely and if farmers do not destroy all vegetation in their fields by improper plowing.

Much acreage in other sections, however, that has been broken for cultivation should be seeded back to pasture immediately, he warned, pointing

FFA Members Begin Subscription Sales

Matador chapter of Future Farmers of America has voted to take subscriptions for the Southwestern Crop & Stock magazine, a rural publication for farmers and ranchers of this immediate area. The magazine is published in Lubbock.

The FFA will receive 65¢ on each \$1 in subscriptions taken. The money received will go to the Future Farmer fund. "We believe that subscribers will be numerous," chapter president Bobby Thompson said, "as the rates are very reasonable; only \$1.00 per year, \$1.75 for two years, and the magazine is especially adapted to agricultural practices in this area."

BIRTHDAY PARTY

Gene Bruce, son of Rev. and Mrs. Oscar Bruce was honored on Thursday, October 9, with a party on the occasion of his 8th birthday.

A Hallowe'en motif was used in favors, and refreshments of soda pop and cake were served to the following guests: Grant Cooper, Dayton Graham, Larry Allen, Billy Parkris, Ronnie and Mickey Steen, Roger and Tommy Scaff, Johnny and Rita Roberts, Frances McMahan, Ida Mae Simpson, Shelby Jackson, Harry Hamilton, Gerald Pipkin, Frances Lancaster, Pat Groves, Jimmy Jameson, Carolyn Pohl, Joe and Carolyn Bruce and the honoree, Gene Bruce.

APPENDECTOMY

Miss Ruby Jewel Bostick underwent appendectomy at Traweek hospital, Thursday of last week.

Care Required To Escape Pneumonia

AUSTIN, Oct. 7.—According to Dr. Geo. W. Cox, State Health Officer, pneumonia caused approximately 2,460 deaths during the past year in Texas, a total which is entirely too high. This disease is most prevalent during the winter and spring seasons.

Pneumonia is caused by a germ called the pneumococcus, which many of us have lurking

in our throats ready to start trouble, when our resistance to it is lowered. We can keep up our resistance by avoiding undue fatigue and unnecessary exposure to extreme weather conditions.

When we go outside in cold weather sufficient wraps should be worn to protect us. Keeping the temperature of our homes as low as is consistent with comfort will greatly lessen the difficulties encountered in adjusting ourselves to the cold when we leave the house.

Another method of prevention in pneumonia is not to neglect a cold, for the common cold often results in pneumonia when neglected. A person with a severe cold should stay at home, and call his physician for advice if temperature persists or the cold lingers on. He should follow his physician's advice until the cold has disappeared. A patient may really have beginning pneumonia when he thinks it is only a cold. If the physician's advice is sought, he will have an opportunity to start treatment early if pneumonia is present, or develops in such cases.

The House and Senate wings of the present United States capitol building were commenced on July 4, 1851, when the occasion of laying the corner stone was celebrated and an oration delivered by Daniel Webster.

KIFERS RETURN FROM BROTHER'S BEDSIDE
 Mr. and Mrs. Clarence Kifer returned home Monday evening from Madison, Wisconsin, where they have been at the bedside of her brother, James S. Boshears, 54, who was injured recently in an accident. Mr. Boshears received head injuries and a fractured hip when the taxi he was driving collided with a train.

Mr. and Mrs. Kifer were accompanied by the latter's mother, Mrs. L. E. Boshears, who remained in Madison at her son's bedside.

Mexican Supper To Be Feature Of WMS Meeting Tuesday

A program on Mexico will follow a supper of Mexican foods which will be served in the Baptist church basement next Tuesday evening at 7:30 at general meeting of the W. M. S. it was announced this week by Mrs. J. L. Woodruff, president.

Members of the Girl's Auxiliary will present the program,

which will feature an all-Mexican theme.

All ladies of the church are invited and urged to attend the meeting, and since all arrangements for the meal will be made in advance, and individual dishes will not be required, a good attendance is requested and will be expected. "Please do not disappoint us by your failure to attend this meeting" Mrs. Woodruff urged.

EL MATADOR

NORMAN SPRAY EDITOR
PATTIE PIPKIN ASST. EDITOR

ANNUAL STAFF COMPLETED

Through the editor and business manager for the 1947-48 El Matador, the staff has been selected and is as follows: Editor-in-Chief, Gwendolyn Wilkin; Business Manager, Stanfield; Art Editor, Audrey Ketchersid; Editor, Frank Skages; Society Editor, Ruby Bostick; Sports Editor, Truman Springer and Editors, Sarah Travek; Assistant Business Managers, Rosemary Travek, Ann Harp; Sophomore Business Manager, Ollie Sue Lancaster; Editor, Doris Ann Freshman Business Manager, Dolly Smallwood.

Some planning and art work was done during the summer since then, class and senior sales have been made as well as quite a number of snapshots.

Assistant editors, business managers, sports editors, snapshots and society editor will help in the work to prepare the annual for publication.

It is our aim to publish a yearbook that will be interesting as well as entertaining to every El Matador. Gwendolyn Wilkin said Monday.

According to Business Manager, Dorothy Stanfield, any other students or outsiders, interested in buying a book, should see her soon and place an order.

Senior Class Is Holding Rummage Sales Saturday

Starting last Saturday, the senior class is sponsoring a series of rummage sales which will continue for perhaps three Saturdays, provided sufficient clothing can be acquired.

Approximately \$46, was netted Saturday, and it is expected that this week's sales will exceed that amount since the class is planning to operate a stand in some neighboring town as well as in Matador.

According to class secretary Gwendolyn Wilkinson however, more clothing is needed for the sales. Practically all men's clothing was sold last Saturday and little has been accumulated for the next sale, she said. "If anyone has any clothes of any kind, especially men's trousers and suits which they wish to donate, please call 179J and we will be around to pick them up at any time specified as convenient," she said.

Also for sale at the rummage stand are a few Matador Matadors automobile tags which are still in the hands of the seniors. These tags sell for \$1.00 and it is hoped that every Matador fan will purchase one.

All proceeds from the rummage sale go to the senior class fund to improve the high school auditorium stage, which has been chosen as the senior project for the year.

—M. H. S.—
Mother: Why did you spank Junior?
Father: He gets his report card tomorrow and I'll be out of town.

Girls Team Begins Basketball Practice

According to Miss June Coleman, Matador girls basketball coach, team candidates have been working out for about two weeks and will probably continue the practice thru October, when work will stop for three weeks before being resumed in November.

The girls are looking forward to the Matador invitation tournament, which will be some time in early December, she said. "The team has not been chosen yet, and competition for positions is strong," she reported.

FIRST SIX WEEKS TESTS COMPLETED

Students of the Matador public schools are breathing easy again, as the first six weeks semester tests are over. According to various teachers, the first semester grades on the whole are good, and teachers are satisfied with the averages.

As a matter of fact student cooperation is excellent this year, according to Supt. Bert Ezzell, and it is hoped that Matador schools will turn out more honor students than ever before.

Donkey Basketball Coming Attraction

Among other programs being planned for this year, the seniors have set the date for a Donkey Basketball game which will be played in the gym December 2, at 7:00.

The game will feature Ralph Godfrey's Panhandle Donkeys. The seniors will supply both teams (not decided yet, but these teams will probably come from Matador's businessmen) and these teams must ride the donkeys for the length of a regulation basketball game.

All passes must be made while a player is on his donkey as well as all shots at the goals. There are no boundaries and other than these provisions, regular basketball rules apply. There will be more about Donkey Basketball in the future but at the present it is something to look forward to, as Donkey Basketball has been classified as "America's Funniest Game."

—M. H. S.—
GIRLS ATTENTION: Would you intentionally throw a man out of work? Would you intentionally make him lose his job? His only source of income? No! Then stop wearing such long dresses. Our janitor is doing an excellent job keeping our floors clean, but if you persist to sweep them with your dresses, we fear our school board may see no need for him.

School Bus Drivers Responsible For Conduct of Students

Meeting in the typing room Wednesday, October 8, with all high school students who are transported to and from school by busses, school Supt. Bert Ezzell, read and explained rules made by the state for bus riders to observe.

It was especially stressed that the driver has full charge of students from the time they enter the bus until they are delivered home or at school, and that good conduct must definitely be observed.

According to state law, no student is allowed to ride with any part of his body extending from the window of a bus, and if caught by the highway patrol doing so, the bus will be stopped, the driver reprimanded, and the student can be made to give up his right to state transportation. For any offense reported from the driver to school officials, any individual may be deprived of his right to ride the bus for two months. If after this term, he commits another offense, he may be suspended permanently.

Mr. Ezzell also asked all students to warn their parents about passing a bus which is stopped. It is violation of the law to pass any bus which is stopped to pick up or discharge school children. The car driver may lose his license if he is reported to the Texas Highway Department by the driver or even by a student on the bus. All identification that is necessary is the license number of any vehicle committing such an act.

Student monitors for busses were appointed and it was explained that these monitors had as much authority as the driver in promoting good conduct.

Monitors for the Fairview, Barton and Whiteflat busses are Lewis Blevins, Billy Jo Whitaker, and Norman Spray, respectively. "So far," Mr. Ezzell stated, "we have been more than pleased with bus conduct and cooperation given the drivers as a whole, and as long as students are as considerate as you have been in the past, nothing more will be said."

FFA GROUP ENJOYS TRIP TO LUBBOCK

By Mrs. Loyd Lanmer
After some time to hopeful planning, arrangements for the FFA trip to Lubbock were completed. Many anxious girls were waiting at the high school by 7:00 Sat. morning Oct. 4. The merry group departed from Matador at 7:30 and voices declined in volume as the miles added upon the bus speedometer. If only we could all whistle like Joyce after our voices play out though! On the other hand, who wouldn't when there's a man and a convertible like we saw.

Together we entered the fair grounds. The girls were hesitant about seeing the livestock, but seemed to enjoy the boys' exhibits. Didn't we Norma? The rabbits were very interesting. The varieties were numerous, some looked like tiny lambs, others were black with white stripes down their backs, resembling skunks.

The group continued on to the building of business exhibitions and the girls got a thrill out of having their Victory Song recorded and given to them. The boys who were there with the FFA made a good audience, too.

It was exasperating to talk to a little seven year old who could really sing and find that she and her daddy were leaving the following day in her convertible for Hollywood where she had a contract to sing with Al Jolson. Much persuasion was needed in order to get the girls to the other exhibits.

Noticeable to the girls was the fact that the simple, plain, and practical articles in the domestic arts building were outstanding and given the places.

A picture made of chewing gum, baked products . . . which to us did not look very good . . . and beautiful canning were also impressive to see.

By this time, a watch was not necessary to tell us it was time to eat. We parted then and agreed to meet again at the fair grounds at 5:30. Cooperation was splendid and the conduct throughout was commendable.

Some heard the Drug Store Cowboys at Mark Halsey's then shopped, others went to shows, skated, found entertainment at

Tribune, Matador, Motley County, Texas, Thursday, October 16, 1947

the fair grounds, and those lucky enough to get tickets went to the Tech versus Canyon football game. Nevertheless the evening was soon history and again we found each other at the fair ground gates.

One thing sure is that Kress is not overstocked now with diamond rings—not the dime ones.

Wanda and Rip seemed to have had a very lovely time that night. Carlene wasn't lone some though! Watson seemed well entertained just to stand in front of the 'Honeymoon House' and watch the girls as they came out.

Mr. Thompson, the bus driver and Glyn had fun seeing the Midget Auto Races, and they managed it free too!

We had lots of dizzy kids around that night and some who wished they were dizzy. Isn't that right Sybil and June?? Then some we know of were not in their right mind after they got home. Ask Bodie about that. Of course he only knows that he was caught walking in his sleep and seeing blue sun visors.

All in all it was a wonderful day . . . one which we shall all remember.

Kampus Klatter

Greetings kids!! How ya doing?? We've had a pretty exciting week and are expectin' another one next week!!

Now-w Fud, this week it was Joyce Reynolds and last week it was Bernice Doss. What're we gonna do about this, huh? Billie Taylor seems to really like these boys! She was seen Tuesday nite with Duane Markham and seemed to be enjoying the show Thursday also. Now Leo . . .

Annette and Bonner looked like they were having fun also! Heavy, where did that new name come from, Baby Doll?

Truman and Mary Helen Green and Don W. and Melba Read were kids seen together Sunday afternoon with Shirley Estes and Mary Helen Stephens.

Ollie Sue and Bonner were seen at R. S. Saturday nite.

Bob's Cook Shack looked mighty lonesome last Friday nite without anyone but the pep squad girls there, after the game but that Spur game made 'em more determined to yell a little louder next time and win!

Love, Miss El Matador
—M. H. S.—
COME TO CHURCH SUNDAY

From where I sit... by Joe Marsh

Mystery of the Missing Farms

Yep, the number of farms in America is shrinking (by a quarter-million in the last five years!). What's happened to the missing farms? The land has been taken in by other farms, increasing the average size by twenty acres!

Does this growth mean farming's no longer a family enterprise? Just the opposite! More families own farms today than ever—only with labor-saving equipment they can handle more land, more work.

That's as it should be. The family farm is a fortress of democracy—

Joe Marsh

Many homes here are now wired for electricity, and the community is anxiously awaiting installation of R. E. A.

**GOVERNOR INVITED
TO WEST TEXAS
LEGION MEETING**

LUBBOCK, Oct. 14—West Texas Legionnaires will get a chance to show other Texans how old western styles can be carried out while honoring Gen. S. Berry as State Department Commander of the American Legion here October 18.
Gov. Beauford H. Jester and many other state officials and top officials of the Legion and Veterans of Foreign Wars thru-out the state will be invited to take part in the Texas American Legion Roundup at the "Jersey Lilly" in honor of Berry.
Barbecue, son-of-a-gun and sourdough biscuits will be served to World War I and II veterans from 5:30 to 10:30 p. m. at "Big Foot" Davis' near replica of Judge Roy Bean's establishment on the Pecos.
Those attending will have a chance to see the Texas Tech and Baylor football game in the afternoon. Transportation will be provided for all visitors from the football game or from downtown Lubbock.
Entertainment and appropriate speeches will be provided for the occasion.
Each Legionnaire in West Texas will not receive a personal invitation, but he will be included in the invitation to every Legion post in Texas.
It is important that all persons planning to attend make reservations through the Allen Bros. Post No. 148 in Lubbock. Price of each plate will be \$1.50.

plete landscaping and revision of the grounds. It is anticipated removing the asphalt driveway and hedges around the administration building and planting grass shrubbery all over the area except ground that is occupied by sidewalk and building space. The two block area of the campus proper will be landscaped and terraced into three levels and grass will be irrigated by an irrigation well soon to be put down on the forty-acre plot owned by the college located west of the Administration building. Sidewalks will be extended around the campus and all automobiles will park on streets surrounding the campus.
In addition to revamping the campus proper a truck farm will be established west of the campus. This area will be in charge of the college's newly

established agriculture department and products from the farm will be used in the dining hall. The project is being directed by C. A. Wimbush, head of the agriculture department. Wayland college is the only Baptist college in the world having an agriculture department, and plans are being made to make this department an outstanding contributor to the education.
V. F. W. Matador Post No. 6286, meets every Monday, Wednesday, Friday, and 3rd Tuesday of the month at the court house, Matador, Texas. All eligible ex-service men are invited to attend.

**Allotment Is Set
For Peanut Acreage**

Of special interest to the twenty-one peanut growers in Motley County, is announcement of the new acreage allotment which has been set at 562,626 acres for 1948, according to Howard T. Kingsbery, State chairman of the Production and Marketing Administration.
"Whether peanut acreage allotments and marketing quotas are in effect for the 1948, 1949, 1950 crops," the chairman said, "depends on a two-thirds favorable vote by the peanut-producing communities. Before the referendum, committeemen will apportion each county's share of the 1948 State allotment among individual farms and will notify farmers of their allotments."
Kingsbery gave the following explanation of why peanuts acreage allotments and marketing quotas are necessary:
"Peanut production expanded greatly during the war, and is still high, but the demand for edible peanuts has lessened, with the results that farmers are now growing more peanuts than can be sold on the open market at fair prices. Allotments and quotas provide the means whereby each farmer may receive his fair share of the available market; that is, the amount of peanuts which can be sold at prices fair and reasonable to the farmers and the customers."

**Wayland College To

LOCAL CHURCHES TO OBSERVE WORLD COMMUNITY DAY

Women of the First Baptist Church will join the Methodist ladies in observing "World Community Day" in a joint program to be held at the Methodist Church on November 7, it was announced this week by Mrs. W. F. Jacobs, president of the Methodist Women's Society of Christian Service.

The call this year is for 500,000 "boxes and bundles" for European school children, 6 to 12 years old, as well as an offering to be used to buy food and milk for them.

According to lists furnished Mrs. Jacobs, the clothing bundles should include the following: 2 suits or dresses (or materials) 1 coat, 1 sweater, 3 sets underwear, 2 sets night clothes, 3 pair socks, 1 cap, 1 pair mittens, 1 bright scarf or hair ribbon, 1 pair house shoes (soft soles only) 3 handkerchiefs, 2 towels, 2 washcloths, 1 blanket, and a short note with sender's name and address. Also attach tag marked G (girl) or B (boy) and age.

For a shoe and school box, the following items should be furnished: 1 pair shoes in good repair, polished; new laces; a shoe box, school supplies such as: Notebooks, pen, pencils, colored pencils (rather than crayons) pencil sharpener, star stickers, clips, gummed tape, calendar, comb, soap, a simple school-yard game, such as a ball jump rope, or jacks. A card with the sender's name and a short message.

Further instructions with regard to how to pack the bundles may be obtained from Mrs. Jacobs, and will also be published in a following issue of the Tribune.

RETURN FROM CARLSBAD

Fred Bourland drove to Carlsbad, New Mexico over the week end to accompany Mrs. Bourland home, she having been with their daughter and family, Mr. and Mrs. James P. McCarty for the past two weeks. Mr. and Mrs. McCarty are new parents of a son, Frederick Michael, who was born on September 23 at St. Frances Hospital in Carlsbad. The baby weighed 7 pounds 14 1/2 ounces.

UNDERGOES SURGERY

Mrs. Doug Meador is in Clovis, New Mexico, where she underwent surgery Wednesday of last week. After dismissal from the hospital, she was moved to the home of her daughter, Mrs. Elvis Lebow, of Clovis. Visiting at her bedside Sunday were her son and family, Mr. and Mrs. John Briscoe, and a daughter and son-in-law, Mr. and Mrs. E. E. Markham.

News Briefs

S/Sgt. W. R. Tilson of Brooks Field, Texas, accompanied by his wife and two children, left Wednesday to return there after a 15-day visit here with his parents, Mr. and Mrs. Tom Tilson.

Mr. and Mrs. Loyd Bouldin and baby daughter, Lillie Ann, of Mineral Wells, were visitors here from Thursday until Monday.

Mr. and Mrs. L. R. Bishop visited in the home of his sister, Mrs. R. F. Bush, at Dublin, Texas, Sunday. Enroute home, they spent Monday at Mason where they were guests of former Matador residents, Mr. and Mrs. C. A. Pitts.

Mr. and Mrs. Raymond Steffey were recent visitors in Childress. They were accompanied by Mr. and Mrs. Tom Berryman, who continued to Wellington, where they visited.

Mrs. Wilson Gunn and Mrs. Joe Cunningham of Sherman, Texas, and Mrs. Robert Feitz of Nashville, Tenn., visited in the home of Mrs. C. P. Waybourn last week end.

Week end visitors in the home of Mr. and Mrs. A. B. Aldrich last week were Mrs. Aldrich and son-in-law, Mr. and Mrs. Mack Hollis and children, Annie and Ruth, and other daughter, Ruth Herrington. Mrs. Aldrich also Mr. and Mrs. C. M. Tomerling of Floydada.

Mr. and Mrs. Allan Tomlinson and small son, Terry Allen, visited here over the week end in the home of Mrs. Tomlinson's brother and family, Mr. and Mrs. Dick Groves, also with Mr. Tomlinson's mother, Mrs. W. R. Cammack.

Mrs. A. B. Aldrich made a business trip to Amarillo last week.
