DOROTHY McMAHAN HEADS PRESS CLUB

The M. H. S. press club met Monday and elected officers. The officers were as follows: Dorothy McMahan, president; Joe Fair, vice-president; Frank Traweck, secretary-treasurer; Barbara Waybourn, reporter; Jimmy Watson, sergeant-at-arms; Joanne Darsey, Tom Hamilton, Dean Martin and Lucretia Edwards, social chairman. Joe Fair, Dean Martin and Anne Lee are to be proof readers.

The dues were set at fifty cents each semester. The club is sponsored by Mrs. Quinn Martin.

M. G. S. Building Newly Decorated

By Lucretia Edwards
You wouldn't recognize it! What's that you're talking about? Why, the Matador Grade School, all dressed up with coats of paint and new fixtures.

The gymnasium is now done in shades of brown and green, and the different class rooms are in pastel shades of green, yellow, pink, blue and aqua. Also fluorescent lights have been installed throughout the building.

Sound proof paneling, now in the halls, cuts out from the class rooms most of the noise from the gym and halls.

M. G. S. Elects Cheerleaders

Patti Craven was elected head cheerleader of Matador Grade School last week. Charlotte Campbell, Peggy Welling and Rosemary Shanks were elected to be her assistants. All of the girls are in the eighth grade.

QUESTION OF THE WEEK?

What would you do with a nyapaw?
Joe Fair—I'd sell it.
Tom Hamilton—I'd eat it, I guess.
Anne Lee—I'd cut its throat and hang it up by its toes until it was dead.
"Cissy" Waybourn—I'd drown it.
Curtis Baker—I'd kick it.
Stanley Neighbors—Choke it to death.
Karan Burns—Hit it till it hollered.
Alice Faye Martin—I'd go with it.
Kenneth Baker—Take it home to play with.
Kay Norman—I'd kill it.
Answer: Indian silk worm.

Gamma Eta Chapter In Called Meeting

The National Convention of Delta Kappa Gamma, honorary society for women educators, was highlighted by Mrs. John P. Ward of Aspermont at a called meeting of Gamma Eta chapter in Spur, Oct. 2. The meeting was called for the purpose of completing plans for the Regional meeting to be held at Aspermont, October 23, and to hear a report of the National meeting held in Boston in August.

One hundred Texas teachers attended the Silver Anniversary celebration. Fifty-three \$1300 scholarships were awarded to so many chapters, one in each state, one in Hawaii and the others in

Canada. This carries out one of the purposes of Delta Kappa Gamma, to endow scholarships and honor women who have given distinctive service in the field of education.

Another important outcome of the convention was the decision to build a new headquarters building, to be built in Texas, the site to be chosen later. Texas is the mother state, twelve Texas teachers having founded Delta Kappa Gamma. Today, there are chapters in all states, Hawaii, and Canada, 101 chapters in Texas alone.

Besides the speaker and the hostesses, Mrs. E. B. Blumberg and Miss Eula Whitaker, the following were present: Mrs. John Belaska, Glenn, Mrs. Clark Forbes, Afton, Miss Margaret Elliot, Mrs. Lucretia Brooks and Mrs.

Louis G. Williams, Spur; Mrs. W. C. King, Roaring Springs; Mrs. John Heard, and Mrs. D. E. Wells of Falls, who is the chapter president.

South Plains Scouts Place Development Of Camp Haynes As Major Goal For 1955

On the outcome of the annual campaign for funds in the 2-county area of the South Plains Boy Scout Council will depend whether the Council develops Camp Haynes northeast of Silverton the ensuing year, reports J. M. Wilson, Jr. of Floydada, vice president of the council.

The council has the plans all made to develop the 80-acre tract, just awaiting the funds to carry on the project.

The tract was given to the Council by the late John Haynes in memory of his mother in 1942. The camp is located in a huge canyon area, beautiful because of the roughness of the terrain and because of the contrasting coloring of trees and rocks. The Little Red River runs through the canyon and the Scout Council has a fine dam which has created an excellent water area for fishing and boating.

The camp will serve the boys of the Council as an advanced short term, overnight and weekend camping area. The plans for development call for three de-

veloped troop campsites, each capable of handling 36 Scouts and leaders at a time.

Campaign Goal Is \$100,000

But the development will depend on the success of the annual campaign for operating funds in the 20-county area in October and November. The total construction cost is estimated conservatively at \$7,000 at the campsite. This figure will be included in the Council's campaign for its regular operating budget this fall. Total campaign goal, according to Joe T. Salem, president of the South Plains Council, is \$100,000.

W. R. Sewell of Lubbock is chairman of the Council's finance committee; and Ray Mowery of Texas Tech is chairman of the overall operating and capital development part of the entire program.

Each of the three developed troop campsites will include a troop cabin 12 by 14 feet with cement floor, provisions for cooking and small meetings. The troop cabins will be built in a

rustic style out of quarter logs, which will blend with the rugged environment.

Quarter Log Shelters

An adirondack shelter 9 by 14 feet for winter camping purposes will be included on each troop campsite. They will have concrete floors and will be constructed with quarter logs. Fireplaces for cooking and reflector heating will be on the open side of the shelter.

Troop washing and bathing and toilet facilities will be erected on each troop campsite. The troops will add, later on, flag poles and council fire swings.

A large spring under a big cottonwood tree northeast of the dam has been boxed in cement. Water will be piped to an overhead storage tank to be chlorinated for drinking purposes. Pipes then will carry water to each troop campsite. Water from the springs will also be diverted through a pipe to the new concrete swimming pool. The swimming pool will be 20 by 50 feet with water flowing through it continuously. A four-foot apron of cement will form a walk completely around the pool. A two-rail cement fence will surround the wall thus enclosing the pool.

A 10 by 10 foot-bath house for dressing and showering will be located on one corner of the pool at the shallow end. The bath house will be of concrete block construction. The depth will range from 3 to 7 feet. An 8-inch drain will provide the necessary drainage so that the floor and sides can be cleaned regularly.

An outdoor shelter 16 by 32 feet will provide an assembling area in case of a rain or for larger gatherings and demonstrations. It will have a concrete floor and a pitched roof supported by five poles on each side. Provisions will also be made for an up-to-date rifle range with 8 shooting stands and a field archery course.

PATTON SPRINGS SCHOOL NEWS

Good Citizenship Club Organized

Ronnie Mullins, son of Mr. and Mrs. Ray Dell Mullins of Patton was elected president of the

Good Citizenship Club organized Thursday September 23, by the fifth and sixth grade room of Patton Springs School. Other officers elected were: vice-president, Bertha Willmon; secretary, Martha Sue Goodwin; and sergeant-at-arms, Junior Gregory.

The purposes of the club are to develop and train those qualities and characteristics which go to make up a good citizen.

Good Citizens For Week Are Selected

Anita Faye Martin and Kenneth Lee Brendle were chosen best citizens of the week at the meeting of the Good Citizenship Club held September 30 in the fifth and sixth grade room. Anita Faye is the daughter of Mr. and Mrs. Dee Sharp and Kenneth Lee is the son of Mr. and Mrs. Wilburn Brendle.

A skit written by Bertha Willmon showing "What Not to Do" was given by Bertha Willmon, Junior Gregory, Jerry Gage, Sharon Ragland, Martha Sue Goodwin, Donald Moler and Connie Gage. Poems were read by Jerry Gage and Sharon Ragland.

PATTON'S PRATTLE

"Friends, Romans, Countrymen, lend me your ears. I come to bury Caesar," etc. etc. The sophomores are quoting Shakespeare on every corner. But the seniors have also met the great

bard. "Is this a dagger you see before you?" It is "MacBeth" that is occupying their study periods.

The freshmen are literary minded, also. They have recently joined a book club and are eagerly awaiting the arrival of their first books.

The F. F. A. boys and F. H. A. girls have made plans for the future. They have only two more weeks to wait before they are off to the Dallas Fair.

The junior class are ready to roll up their sleeves and set out bright and early Saturday morning. It's their Hobo Day. They will be after all the odd jobs of the community, promising good work, with the employer determining the pay. They are looking to the future also. It is the Junior-Senior banquet that they are already thinking of and getting ready for.

Time To Fertilize Lawns, Home Owner Advised By Agent

Lawns will enter the winter in a more vigorous condition if fertilized now, advises County Agent Bill Pallmeyer. This added vigor will keep lawns green longer into the fall and winter

and will lead to faster earlier growth next spring.

To apply a complete fertilizer with a 2-1-1 or 1-1-1 ratio at the rate to supply two pounds of actual nitrogen for each 1,000 sq. feet of lawn area, says Pallmeyer. This is the quantity of nitrogen in 20 pounds of 10-5-5 or 10-10-10, or in 25 pounds of 8-8-8.

To assure even distribution, the County Agent recommends dividing the fertilizer into two equal lots. Broadcast one and then the remaining portion in a second application, but at right angles to the first.

Ground Should Be Soaked

"Grass can't use fertilizer without water," Pallmeyer warned. "In most areas yards will need a 'good soaking' after the plant food has been added. Soak the soil to a depth of six inches or more. This allows the

fertilizer to go into soil and become available for plant application, plant food added one month prior to the summer grasses are into lush growth by late fall, some may be lost of freezing temperatures.

Rye grass, sometimes seeded on Bermuda grass lawns, is not recommended. Established lawns of grasses. Its value in Bermuda grass is doubtful, says Pallmeyer. The rye grass usually kills the Bermuda grass in the spring when it should start and give the growth light, moisture and food.

Conoco Super Gasoline with TCP

Now let these five "full-year-users" tell you what they have discovered about

The Greatest Gasoline Development in 31 Years

Little more than a year ago, we introduced Conoco Super Gasoline with TCP. At that time, we promised owners of new cars and old that TCP would:

- Boost engine power as much as 15%.
- Give you extra gas mileage.
- Be just like an engine tune-up.
- Increase spark-plug life up to 150%.
- Let you enjoy all the extra performance of Conoco Super's higher-octane rating.

Now, one year later, here's what TCP customers are telling us about Conoco Super Gasoline with TCP, the greatest gasoline development in 31 years:

1 "I use this 1951 Plymouth, and my wife, our 1949 DeSoto. Since using Conoco Super with TCP, they run almost like new. The engines sound better. We're sold on Conoco Super with TCP."

Mr. Shiri R. Thomas, Grocer, 280 South 10th West, Salt Lake City, Utah

2 "Spark plugs used to go at 10,000 miles, but with Conoco Super haven't changed plugs in 10,000 miles. I'm getting new car power from my 1951 Buick. Conoco Super with TCP is 100%."

Mr. Ulmer J. Newman, Insurance Operator, 2502 West Jefferson Blvd., Dallas, Texas

3 "What I like about Conoco Super with TCP has been the ease of starting. I use it in my trucks because it's important to be on time. In my '52 Cadillac, I get better mileage."

Mr. Robert M. Rowland, Builder, 1185 Emporia Street, Aurora, Colorado

4 "For one year, we've used Conoco Super Gasoline with TCP in 12 trucks and 5 cars, besides this 1953 Oldsmobile. It boosts engine power and gets more miles out of each gallon."

Mr. F. F. Williams, Jr., Vice-President, Williams Oil Equipment Enterprises, 308 East 6th Street, Broken, Oklahoma

5 "Driving with my children in my car, it's important to have a smooth ride. Conoco Super with TCP there's no engine chatter at all. We're most impressed."

Mrs. James T. Cox, Housewife, 4808 Holly Street, Dallas, Texas

After one full year, there's still no substitute for

 and Thursday, October 28, (8:30 a. m. to 1 p. m.).
 Statistics show that the largest percentage of tubercular cases are found among members of the Negro race. Latin Americans rank in second place.
 Every person over the age of 15 years in the area is urged to be X-rayed (it is not necessary to be a resident of the county to receive this free health service).
 State health department officials believe that it may be possible to eliminate tuberculosis from Texas within five years through the mass X-ray project—provided the outstanding support of the citizens is continued.

Other Volunteers Named

Completing the list of volunteer panels in the area, Mr. Stanley has named the following public-spirited citizens to aid with the program.
 Roaring Springs: Chas. Long, chairman; S. J. Braseton, chairman of the Roaring Springs Lions committee; Homer Kingery, Charlie Posey and Marvin Webb.
 Whiteflat: Mrs. J. W. Pritchett, chairman; Mrs. Bill Smith, Mrs. Jack Spray and Mrs. M. D. Morris.

Sanders and accompanied them on a trip to Denver and Colorado Springs, Colo. Returning by Hereford, she visited another daughter, Mrs. Don Martin and family. Mr. Simpson met his wife at Plainview and accompanied her home.

Reeves To Speak At P-TA Workshop

One hundred and fifty Parent-Teacher leaders and school administrators from 20 West Texas counties are expected to participate in an "Education in Legislation" workshop at Spur, Saturday, Oct. 9, under sponsorship of the fourteenth district, Texas Congress of Parents and Teachers.

Participating in the program will be Rep. Elbert Reeves, Matador; Rep. Waggoner Carr, Lubbock; Senator Harley Sadler of Abilene, and other prominent legislators and educators in the area.

Fourteenth District comprises 20 West Texas counties, as follows: Bailey, Cochran, Cottle, Crosby, Dickens, Fisher, Floyd, Graza, Hale, Hockley, Jones, Kent, King, Lamb, Lubbock, Lynn, Motley, Stonewall, Terry, and Yoakum.

Attend Annual PMA Picnic Meeting

Mr. and Mrs. Tommie Moore and Mr. and Mrs. Ben Edwards attended annual picnic meeting of Production and Marketing Administration held Friday at Lake Kemp.

An all-day program included reports from county committees from each county in the district, and a resume of the year's work. Fred Reynolds, Performance Supervisor of College Station was principal speaker.
 A picnic supper concluded the day's activities.

40 New Chevrolets Offered For Free

Want a new Chevrolet absolutely free? Nothing to buy! No cars to name! No essays to write! Then watch for your Chevrolet "Treasure Chest" ticket in the advice of Forrest Campbell, manager of Campbell Chevrolet Company here. The tickets will be mailed about the first of the week.

Mr. Campbell said the Chevrolet company has prepared its own mailing list (he did not know the source from which the names were secured).
 Tickets must be deposited in a "Treasure Chest" box in the agency's showroom. The winner may designate his choice of cars (except Corvettes). A total of 40 new Chevrolets will be given away according to the advertisement appearing in this issue of the Tribune.

County Teachers Name John Wilmoth Association Head

Matley County Teacher's Association, Monday night in its initial meeting of the year, named John Wilmoth, Supt. of Flom schools, as president of the organization. Mr. Wilmoth succeeds Wilburn Martin, who has been called to military training.
 Supt. Paul Sweatt of Roaring Springs was acting chairman and presided at the business session which opened the meeting, held in the Roaring Springs gymnasium.

The program included a film, "Who Will Teach Your Child?", with Billy Tate of Roaring Springs in charge; musical numbers by Martha Sue, Jane Ann and Billy Goodwin, accompanied by their mother, Mrs. Maurice Goodwin; and songs by the Roaring Springs girl chorus, directed by Mrs. Lalar Wilkerson. Girls in the group included Oleta Richardson, Barbara Underwood, Joyce Ashley, Larue Hamm, Betty Stephens, Judy Murphy, Mary Watson, Kathy Warren, Leola Richardson, Mary Underwood, Lois Nolan, Bonita Lyles and Ada McDorman.

Refreshments of coffee, Cokes and muffins were served by the Roaring Springs faculty members.
 Officers of the association, in addition to Mr. Wilmoth, include Mrs. Paul Sweatt, Roaring Springs, 1st vice-president; N. L. (Bill) Moss, Matador, 2nd vice-president; Miss Freda Keahy, Roaring Springs, secretary; and Mrs. John Hamilton, Matador, treasurer.

The association will hold its next meeting early in December, when a Christmas program will be presented, it was announced.

Pled 'Pinions'

BY MRS. J. M.

Pardon, if our Pledge is showing. We are glowing from a closing paragraph in a letter from Mary Groves, out at Wilcox, Arizona. "If you ever want to move—this is your place—the local paper can't hold a candle to the Tribune."
 Other former residents who have changed addresses recently were Hettie and Raymond Davis who spent the summer at Ruidoso, N. M. and have now moved to Albuquerque. Their son and daughter-in-law (Don Carlos and Bobbie) were with them in Ruidoso, but are now in Norfolk, Va. Don received his Navy orders the 13th of Aug. to report the 27th. Hettie says, "... thanks for changing our address so we can receive the Tribune. We enjoy reading it very much and look forward each week for it to come."
 And from Lucy (Mrs. Joe)

Wason, this recent note, mailed from all places Embudo, N. M. —Here we are in The Land of Enchantment again. . . of course Joe is happy. He has always loved New Mexico. . . will you please send the Tribune to our address here. . . will appreciate it so much. . . The Wasons have been living at Fort Worth until recently, but due to a weed allergy from which Joe suffers, they were advised to return to a "dry climate".

RECENT VISITORS

Mr. and Mrs. B. C. Carithers and son, Edward of Oklahoma City, Okla., were visitors here last week in the home of her mother, Mrs. A. L. Curry and Mr. Curry.

AT LUBBOCK GAME

A number of local residents drove to Lubbock, Saturday night where they attended the Oklahoma A&M-Texas Tech football game. These included Howard Traweek, Vance Gilbreath, Jake Edwards, Ober Johnson, James Ed Russell, J. D. Payne, Louis Hodgin, Quinn Martin, Heavy Thomas, Harold Dean Martin, Lucretia Edwards, Mr. and Mrs. Mutt Berryman and Mr. and Mrs. John Stevens and daughters, Sandra, Sue and Shelly, who first attended the fair.

Recent mention of Betty Green's husband as a sergeant, was an error. He is Lieut. J. E. Everhart. (This also, for the records.)

While we're straightening up the records, might just as well correct ourselves about Col. and Mrs. O. G. Pitz. They live at Yorktown, Va., not Pa., as stated in the Tribune when they visited here in August. Mrs. Pitz is the former Blanche Newman and they visited her mother, Mrs. Margaret Newman, and brother, Tom and family. Blanche was the surprised honoree at a "come-as-you-are" coffee early one morning during her visit, which everyone enjoyed immensely.
