YEAR—No. 26 MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, SEPTEMBER 4, 1958 PRICE SEVEN CENTS

LEADING THE PARADE—United States Senator Ralph Yarborough, Thursday, rode beside President John Stotts at the head of the parade which opened the three-day celebration of the 35th Reunion of Motley-Dickens Old Settlers Association, at Roaring Springs. Behind the senator is County Judge Vance Gilbreath.

Old Settlers Hear Senator

Robt. Reynolds Re-Elected President; 3-Day Celebration Program Commended

A UNITED STATES SENATOR, Thursday, for the first time in the 35-year history of Motley-Dickens Old Settlers Association, rode a horse at the head of the parade through the streets of Roaring Springs. Senator Ralph Yarborough riding beside Rodeo President John Stotts led the pioneer parade that opened the three-day celebration.

Two hours before, Sen. Yarborough had been in Dallas. He arrived by plane on Buzz

Field exactly on schedule (9:30 a. m.) and was met by County Judge Vance Gilbreath. He was presented with a pair of boots and a broad-brimmed black hat and was soon astride his horse at the head of the parade.

"There is something in the Great Plains country that lifts men," Sen. Yarborough said in a brief address following the memorial services at Pioneer pavilion, "and many of our nation's great reforms have originated in the Great Plains areas." He cited pioneer C. D. Bird of Matador who has lived in this area for 75 years, and remembers buffalo hunts and Indians, saying, "Here is a man who has witnessed a period that spans the time of the aborigines of this area to the earth satellite.

Officials Now Facing Problem of Rodeo Getting Too Big for Its Leather Leggings

MOVIE AND TELEVISION SHOWS may find it necessary to re-write their script. Old Settlers Rodeo did not follow the formula during three nights of performances last week.

A Lubbock mechanic, Bill James made a 58 seconds total average in roping four calves to win the hand made saddle top prize. His average time per calf was less than 15 seconds. James has formerly lived at Spur and the feel of a rope in his hands was familiar.

Susan Martin, age 7 years, of Aspermont won the ranch cutting horse contest against 35 other entries, some of them leather-faced cowboys who have been riding cutting horses for twice the small girl's age. She is the granddaughter of George Humphries.

Tom Standifer of Bledsoe former Cochran County Sheriff won the old men's roping contest. Polly Hollar of Lubbock won the bull riding contest.

Cathy Brakefield of Halls won the gold and silver trophy belt buckle in the sponsor's contest. Brenda Dalby of Aspermont won the silver mounted spurs in the junior boys and girls flag race. John Trimmier of Hale Center won the open cutting horse contest which had 16 entries.

Whitely Welch of Stamford won the (saddle) bronc riding contest.

Rodeo Is Too Big Rodeo officials are worried about the increasing magnitude of the three nights of rope and saddle events. President John Stotts says there is not enough time to take care of the increasing number of contestants.

Approximately 190 ropers registered to enter the contests exclusive of youngsters and ribbon ropers. Contests to eliminate the excess number required almost continuous roping.

In the riding contests only 81 could enter (nine broncs, nine bare-back broncs and nine bull rider each of the three nights) yet more than 20 riders were turned away.

The matter of seating also looms as a problem as does space for parking. The gate total for the three nights was estimated at 1,000.

Attend Funeral Services Attending the funeral services were Tom King, and his daughter and husband, Mr. and Mrs. Tom Speers of Flomot, who were accompanied by Mrs. C. P. Waybourn, long-time friend of the family Mrs. King was unable to make the trip.

City Makes Changes In Tank Water Sales

A change in the place and method of selling water to tank customers has been made by the City of Matador. The loading hydrant which was formerly located at the city wells has been moved to the corner of Eubank and Dundee streets, only a few steps from the City Hall.

The key to the hydrant is kept by City Secretary Miss Nell Webb and payment for water must be made at the time it is purchased.

Water may be purchased between the hours of 9 a. m. until noon and 1 p. m. until 5 p. m. on week days and from 9 a. m. until noon on Saturdays. These are the hours which Miss Webb is on duty.

Price of water is as follows: up to 500 gallon tanks, 25c; 500 gallons to 1,000 gallons 50c and over 1,000 gallons 50c per thousand. No exception to these rules set up by the council will be made.

For approximately 30 years since Matador installed its present water system the city has sold water to tank customers as a courtesy and convenience.

FLOMOT GROCERY HIT BY ROBBERS

Burglars broke into Webb's Grocery Flomot sometime early Saturday morning and robbed the cash register of about \$10 in small change, according to Sheriff Jinks Wilson.

Entrance was gained by breaking glass in the front door and opening the lock from the inside.

The same thieves, according to corresponding automobile tracks, broke into a lumber yard and drive-in theatre at Quitaque, and went to Estelline where a lumber yard and filling station were entered.

Peace officers in the counties affected have been working on the case but so far no arrests have been made in connection with the thefts.

Church Schedules Billy Graham Film; Sets Revival Date

Latest release of the Billy Graham Evangelistic Film Association, "The Heart is a Rebel," will be shown here in the auditorium of the First Baptist Church, Monday night, September 8. The pastor, Rev. Gene Hawkins announced.

"This is actually a premiere for this area, the film not having been shown in the vicinity prior to this time," Rev. Hawkins said in making the announcement.

The show will begin promptly at 8 o'clock and there will be no admission charges. The public is extended a cordial invitation and urged to attend.

Revival Date set Another forthcoming event scheduled by the church is the annual fall revival, dates for which are set for September 21-28.

Rev. Gaston Green, pastor of the First Baptist Church, Sunday down will serve as Evangelist. Song leader will be Don Taylor, of O'Brien.

RETURN HOME

Mr. and Mrs. Everett Smallwood returned home last week from Edinburg, in the valley, where he was employed during the summer. They also visited at Pharr, with their daughter and family, Mr. and Mrs. A. R. Robinson before returning home.

Mr. and Mrs. Alvin Garrison and children, Beverly, Becky and Jimmy Bob of Kermit visited last week with his mother, Mrs. Bertha Garrison and other relatives.

Problems Are Different

Mayor McNeil said the problems of the present generation has seen a great change since the days of the Old Settlers. He cited the problem of fuel.

"Today when the butane is low we call the dealer who calls his tank truck by radio. The delivery is frequently made within a short time," McNeil said.

When the pioneer was cutting wood and broke an ax handle he faced a serious problem, which meant that he might spend an entire day going to town for the small, important item. The same problem faced the pioneer when his windmill was out of order—many things have changed," the mayor said, "and as I remember there were no radar speed traps for wagons and buggies."

Rev. Gene Hawkins, pastor of the First Baptist Church of Matador made the principal address honoring the 72 deceased pioneers from the two counties in the past year.

Pioneers Honored

"The pioneers established churches as they established homes," Rev. Hawkins said, "and they established a way of life that has become a foundation for the progress we enjoy today. I am reminded that there is a New Settlers Reunion being held in heaven where these departed pioneers join their friends to visit time without end."

Musical features on the Thursday afternoon program included the "Queen Teens", Misses Charlotte Campbell, Frances McMan and Kay Norman, accompanied at the piano by Mike Groves, and the "Three Notes", Robin Brown, David Rattan and Robert Brandon, who entertained with guitars and drums, as they sang The boys were directed by Mrs. G. E. Hamilton. Both groups were from Matador. Other musical selections included a solo by Mrs. Bob Nunley, and a duet by Mrs. Nunley and Mrs. Jack Moore, both of Spur.

A square dance team under the direction of Mrs. Seth Sager of Matador performed to conclude the program before the late afternoon dancing.

Two Arrested After Pilferage Of Church

LUCK played out here late Friday for Helen Anderson Belcher, 30, who ransacked the pastor's study in the Methodist Church, apparently seeking money. The woman was seen entering the church by E. W. Hollar, sheriff of King County.

A short wave radio call was out on the woman and her husband, E. W. Belcher, about 50. The number of their automobile license was known to peace officers.

Since Sheriff Hollar is without jurisdiction in Motley county, he called State Highway Patrolman Sgt. Dan Dalby of Childress, who was here aiding in handling the Old Settlers traffic. Sgt. Dalby made the arrest and Sheriff Jinks Wilson placed the pair in jail.

The man and woman were wanted in Quanah for breaking into two churches and taking pennies and postage stamps, and also they were charged with the same offence in Paducah after two churches had also been entered. Quanah officers came here for the prisoners after they had been arrested.

A picture of the woman appeared in the bulletin of wanted persons circulated to officers, for parole violation. The bulletin said she had been in Huntsville where she served three years for forgery. The couple gave their home address as Longview.

Rev. L. W. Tucker pastor of the Methodist Church told Sheriff Wilson that he could not determine anything missing from his study, although the room had been disarranged in the apparent search for valuables.

Coach Bradshaw Sees Favorable Prospects

PROSPECTS are favorable for the Matador Matadors to have a successful season on the gridiron according to Coach Clifford Bradshaw who Tuesday made the principal address at the regular luncheon meeting of the Lions club.

Bradshaw, sharing his crystal with the Lions said that despite the fact the Matadors lost eight men last season, 22 boys had made the "A" string and that he would have the heaviest line on the field since he has

been the Matadors' coach. He said the boys were "hustling and trying" and that they possessed the winning spirit. Bradshaw urged the Lions to support the team and help maintain the spirit which the club now possesses.

He spoke of the Silverton Ows with reservations and apparently considers the team as the strongest opponents in the new district. Coach Bradshaw said, however, that by the fifth game he believes the Matadors will be as good as last season.

Lion Jody Graham, chairman of a committee to sell the 3-year reserve seats, reported that 145 seats have been sold and that he is confident the entire section will be sold.

Visitors Tuesday included Mrs. B. E. Shaw Jr., a guest of her father, Lion Elmer Stearns, Neal Pipkin, a guest of his father, Lion Bill Pipkin, and two members of the Matador squad, Gerald Pipkin and Ros Bearden, guests of the club.

Many Visit Here For Old Settlers

Many old-timers returned to Matador last week end to visit relatives and to attend the 35th Annual Old Settlers Reunion at Roaring Springs Pioneer Park.

Mr. and Mrs. G. C. Keith of Whiteface visited his brother D. P. Keith and other relatives during the reunion. Also visiting Keith relatives was Miss Ella Garner who stayed in the home of Miss Mary Keith, a cousin.

Another group of early-day residents who were together during Old Settlers were sons and daughters of pioneers, Mr. and Mrs. T. N. Cammack. They were Dr. Bragg C. Cammack of Hollywood, Calif., Web Cammack of Lubbock, Mrs. Vashti Teal, Dallas, Mrs. Wesley Klein, Schmidt, Canyon, and Mrs. Vera Rhodes of Houston, visiting here with their brother, T. E. (Ed) Cammack and family. Another brother, Mack Cammack lives in Denver, but was unable to join his family on this occasion.

Mrs. Zada Curd of Midland, daughter of the late Mr. and Mrs. W. R. Stafford, pioneers of Anton, was among the visitors attending the Reunion on Thursday. She joined her uncle, Fred I. Hale, of Amarillo, early-day cowboy on the Matador Ranch who came to attend the Reunion.

Plainview To Host District VFW Meet

The officers and members of the local post of the Veterans of Foreign Wars and its Auxiliary will convene, together with representative groups from a wide area of West Texas, in Plainview on Saturday and Sunday, September 6 and 7. The meeting is the annual fall area meeting called for formulation of plans of the organization for 1959 throughout the district.

Brothers Post No. 5399 in Plainview will host the meeting. They planned entertainment for Friday afternoon and evening and the business session scheduled for Sunday morning at 9 o'clock followed by church and luncheon at noon.

Members of the VFW districts will be represented at the meeting. Distinguished guests to be in attendance include E. R. Driggers, of Fort Worth, Department Inspector of Texas, and Mrs. Jane Waters, also of Fort Worth, President of the Department of Texas of the VFW Auxiliary to the organization.

Mrs. Dick Wright of Pampa, spent last week end visiting her aunt, Mrs. Mary Ford.

Mrs. Robert Birch and sons, Bob and Bill of Lubbock, visited here last week with their parents, the C. Markhams and the Jerry Markhams, and also attended the Settlers Reunion.

About Your Health

A weekly public service feature from the Texas State Department of Health.

Henry A. Holte, M. D., Commissioner

Producers of 95 percent of all milk produced in Texas will be affected by the new brucellosis control regulations which become effective September 1.

By that date, dairymen operating under Grade A permits must have adopted one of two carefully described plans of herd management, each aimed at eradicating brucellosis from dairy cattle.

Under both plans all breeder cattle over six months of age must be blood tested. Plan A requires the slaughter of reactor animals within 15 days, but does not insist on calfhood vaccination as a protection against infection. Plan B permits retention of branded reactors for three years, and makes calfhood vaccination mandatory.

Both plans are recommended in the milk code published by the U. S. Public Health Service, and have been approved by the U. S. Department of Agriculture.

Internationally-Famous Water Follies To be Attraction of Amarillo Tri-State Fair

Presenting a completely new program for fair enthusiasts that will mark the beginning of a new era for entertainment.

Free Attractions Numerous free attractions have been booked for each day and night throughout the Fair. These include an exact full-size model of the U. S. Navy's earth satellite, the 57 foot Regulus II, latest surface-to-surface missile now ready for use aboard submarines and cruisers, a three dimensional cutaway model of the first nuclear powered submarine, USS Nautilus, and various other nuclear power prop-

els. In addition to scores of the nation's prettiest girls, including world-champion swimmers and divers, the Follies presents crowd-pleasing stage acts by singing and dancing stars and comedians. The two-hour show is lavishly costumed, augmented by fairyland-like lighting effects and splendid orchestration, directed by William Clancy, former leading director for RKO Music Hall, New York City.

The nine performances of Water Follies will be presented in Fair Park Coliseum. There will be three matinee performances—Monday, Friday and Saturday—and performances each night of the Fair, Monday through Saturday.

Having enjoyed continuous growth each year since its inception, this year's fair, in the opinion of President Delbert Dalby, has every indication of greatly surpassing all others in attendance, varied entertainment, exhibits, and entries in livestock and all other major departments.

"The Golden Spread," said Dalby, "is approaching the finest harvest season it has experienced in many years, the region's population is increasing daily, and we have arranged a program for fair enthusiasts that will mark the beginning of a new era for entertainment."

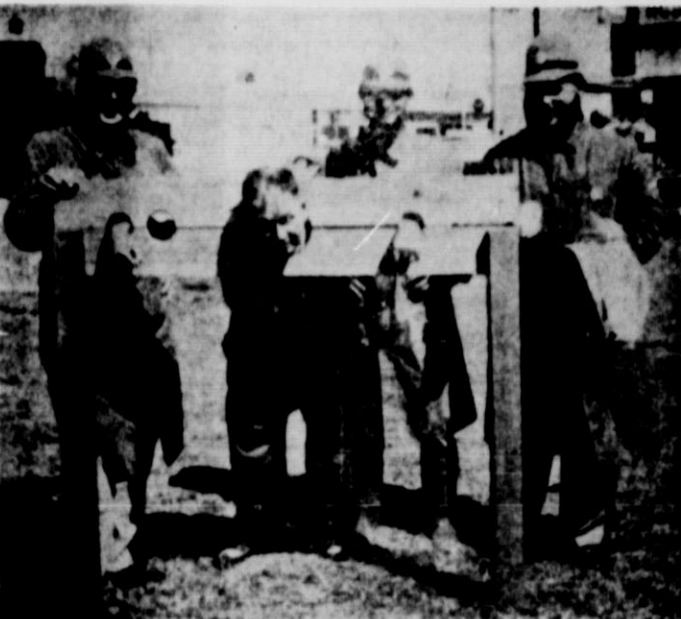

The extent of brucellosis infection in Texas is apparent in a May, 1958 report of the Animal Disease Eradication Division of the USDA. The report said that of 1,252 Texas herds (62,457 cattle) tested, 60.3 percent were found infected or suspect.

Recent interviews with Central Texas dairymen reveal that most milk producers agree that compliance with the regulations will make possible the ultimate eradication of milk-transmitted brucellosis.

Producers are also aware that brucellosis-free herds will mean greater profits for them. Cattle free of the disease produce up to 20 percent more milk, and produce healthier calves more frequently.

In order for producers to maintain their Grade A permits, they must be operating under either plan by September 1, and be able to prove it. No extension of time is being contemplated by the department.

Visitors Sunday in the home of Mr. and Mrs. Frank Pohl, were his father, F. J. Pohl of Lubbock, a brother and wife, Mr. and Mrs. Bill Pohl of Slaton, and a sister and family, Mr. and Mrs. L. T. Cullar and sons, Warren and Charles of Abilene.

Miss Janet Ruth Nance Becomes Bride of Jack Calvin Bradshaw in Rites at Kyle

The recent marriage of Miss Janet Ruth Nance of Kyle, and Jack Calvin Bradshaw of Bryan, last week, will be of interest here to many friends of the bridegroom's family.

First Baptist Church in Kyle was the scene of the ceremony, read at 8 p. m. Tuesday, August 26.

The double ring rites were read by a former pastor of the church, Rev. Samuel E. Tullock, who is now pastor of the First Baptist Church of Taylor.

The bride is the daughter of Mr. and Mrs. Robert Gates Nance of Kyle. She graduated from the Kyle High School in the class of 1957 and attended Texas Technological College, Lubbock.

The bridegroom is the son of Mr. and Mrs. Jack O. Bradshaw of Bryan, formerly of Matador.

He is a senior student at Texas A. & M. College and a member of the Ross Volunteers.

Wedding music was played by Mrs. Laura Reynolds Parke, organist, of San Marcos.

The bride was given in marriage by her father. She wore a gown of silk bombazine and Chantilly lace. The fitted bodice featured a scoop neckline outlined with lace and opalescences. Long sleeves came to petal points over the hands. The bouffant skirt, encircled with lace medallion inserts, was shorter in front, falling to a touch train at the back.

Her fingertip veil of illusion fell from a lace cap trimmed with seed pearls and sequins.

She carried a bouquet of white carnations and stephanotis centered with a white orchid.

Miss Sarah Lee Story of Cotulla was maid of honor. Mrs. Alton Crumley of Kyle was matron of honor, and Miss Karen Sue Fife of La Salina, Venezuela, was bridesmaid. The three attendants are cousins of the bride.

They wore matching gowns of moss green silk organza and sat in, fashioned with scoop neck, full skirts and wattleau back. They carried bouquets of white gladioli and miniature English ivy.

Manley Wright Jones of Bryan served as best man.

Ushers were Robert Scott Nance, brother of the bride, and John David Sackett of Orange.

Reception is held following the ceremony, the

bride's parents were hosts at a reception at their home.

The bride's table was covered with a linen cloth belonging to her paternal great-grandmother.

The centerpiece was of white summer flowers arranged in a crystal epergne belonging to the bride's maternal great-grandmother.

For traveling attire the bride wore a green silk suit dress with black accessories, beige beaver hat and beige gloves.

Mr. and Mrs. Bradshaw are to reside at 4404 Aspen College Station.

Recent Marriage Announced Here

Announcement is being made here of the marriage of Mrs. Hazel Williams of Portales, N. M., and Earl Stephens of Matador, in a ceremony at 8 a. m. Sunday, August 24, at the Methodist Church, Rev. L. W. Tucker, pastor, officiated.

Wedding music was played by Mrs. G. E. Hamilton.

Attending the couple were Mr. and Mrs. Frank Latham of Portales, and others present included relatives and close friends of the couple.

Following the ceremony, a reception was held at the home of Mrs. Texana Weicher.

Joining Mr. and Mrs. Stephens in making her home here is Mrs. Stephens' daughter, Donna, a sophomore in high school, and visiting them the past weeks have been her two sons, Darwin Williams of Artesia, N. M., and Duane Williams, of the U. S. Navy, based at San Diego, Calif.

Old before its time?

Just like people, a tire can get old before its time. For example, the life of a tire may be shortened as much as 25% merely as a result of chronic under-inflation. Over-inflation is bad, too.

Best way to avoid premature aging of your tires is to let your Phillips 66 Dealer take care of them for you. He'll check them frequently, make sure they're properly inflated, and repair them if necessary. And, if a tire becomes unsafe, he can provide a new and dependable Phillips 66 Action-Tread Tubeless Tire.

Drive in at any station where you see the orange and black Phillips 66 Shield.

Mrs. Charlotte Hunsucker left Tuesday morning to return to her home in Corpus Christi, after a visit here with her parents, Mr. and Mrs. J. R. Moore. She was accompanied to Dallas by her aunt, Mrs. Margaret Newman, who will visit there with her daughter and family, Mr. and Mrs. Clyde Weaver.

C. T. Heller visited in Santa Anna last week with Mrs. Heller, who is in a hospital there. There is no improvement in his wife's condition he reported to friends here.

Top Roper . . .

(Continued from page 1) mated in the neighborhood of \$2100, with entry fees probably equal the amount. More ropers and riders apply for entrance each year and more people come to the box office to buy admission. The rodeo is getting too big for its leather britches.

Parade Awards Made The following awards were made at the conclusion of the parade which opened the celebration Thursday morning.

Most typical cowboy, Johnny Durham; most typical cowgirl, Patsy Baker; most typical old-time cowboy, G. S. (Red) Payne; most typical old-time cowgirl, Mrs. Bundy Campbell; most typical junior cowboy, Don Cox (son of Mr. and Mrs. L. M. Cox of Matador); most typical junior cowgirl, Ann Garnett (daughter of Mr. and Mrs. Tutt Garnett of Matador). First place was awarded the Dickens Riding Club and the first place float prize went to the club's chuck wagon. First place band ribbon went to the Matador Toreadors (drum and bugle corps). A total of 179 horses and one mule entered the parade.

Old Settlers . . .

(Continued from page 1) re-elected for his second term as president of the two-county organization Ben Edwards of Matador was named vice-president.

Buck Marshall of Roaring Springs was re-elected as a director. Cliff Bird of Spur was elected as a new director and Johnny Koonsman, also of Spur, was elected as a new director. John V. Stevens of Matador was re-elected as director and Alvin Stearns of Matador was elected as a new director. John Meason of Roaring Springs was elected secretary-treasurer. Marvin Patton of Matador who had served as secretary-treasurer for five years had tendered his resignation previous to the election.

City Changes . . .

(Continued from page 1) rather than a source of revenue. The price was set low enough to make the purchase of water within the reach of everyone and still with enough revenue to pay pumping cost, and a small share of depreciation cost on the system. Of recent years some customers have failed to make payments for water over long periods. Since the hydrant was moved to the business section collections have increased many times. It was the position of the council that the water system was purchased at great cost to city users, through taxes and fixed metered charges each month. Its operation and maintenance

represent a large monthly expenditure. It is only fair that tank water users pay a share of the costs.

Former Residents Return to Florida

Mr. and Mrs. Raworth Tilson and sons, Bobby, Wesley and Steven left Friday to return to Jacksonville, Florida after their first visit with relatives and friends since their arrival in the states in February, from England. Mr. Tilson is with the OSI branch of military service.

They visited Mrs. Tilson's parents, Dr. and Mrs. J. G. Ketchersid in Hereford, before coming here. (Mrs. Tilson is the former Barbara Ketchersid.) While here they visited Mr. Tilson's parents, Mr. and Mrs. Tom Tilson, and attended Old Settlers Reunion on Thursday.

Mr. Tilson has served in the military since 15 months before Pearl Harbor, having enlisted in the Air Corps in September, 1940. After serving as Aerial Gunnery Instructor at Las Vegas, Nevada, he was sent overseas, where he completed 21 combat missions during World War II. After receiving his discharge, he completed 2 years college at Texas A&M, and McMurry, Abilene.

In July '47 he re-entered the Armed Forces with the Counter Intelligence Corps and served as Special Agent Investigator. In July 1950, while on duty with the Office of Special Investigations in England, he was joined by Miss Ketchersid and they were married in the small village of Clanfield near Oxford. His wife and children have accompanied him on his various assignments in the states and overseas.

While on their first furlough home their two older children, Robert Dewey, 6, and Wesley Burt, 4 1/2, were born in the states. Their third, Steven Wayne, 2, was born in England during their last 3-years assignment there.

THIS IS NEWS! it's 2 FOR 1 New FRIGIDAIRE Refrigerator-Freezer and it never needs DEFROSTING it's Frost-Proof New—a freezer compartment that never needs defrosting. No more dripping, dirty frost water—no more spill or mop-up. No more frost-laden packages and trays—because there will never be any frost to defrost—in this patented Frigidaire Frost-Proof Refrigerator-Freezer. How does Frigidaire do it? By an entirely new kind of cold that whisks away heat and moisture—out of the freezer forever—so frost can never form. Food flavors and vitamins are locked in by perpetual below-zero cold. And up in the refrigerator compartment, all foods are super-chilled with Frigidaire "Flowing Cold"—yet, here too, there's never any frost to defrost. In every detail, it's the world's finest food-keeper—from its new Sheer Look styling to its mammoth 133-pound freezer chest, with in-door ice factor that serves you sparkling-dry ice cubes by the side. See Frost-Proof Freezing at your Frigidaire dealer. So amazing you won't believe it until you see it. Special prices on all Frigidaires during this month. You will want to see this Frigidaire Refrigerator-Freezer that never needs defrosting. Come in soon! West Texas Utilities Company
