CITATION BY PUBLICATION
THE STATE OF TEXAS:
To the Sheriff or any Constable
of Motley county—Greetings:
You are hereby commanded to
summon Harry Miller, Grace
Young, Marshall Young, Earl
F. Walter, Receiver of the Fidelity
Land Credit Company, by
making publication of this Citation
once in each week for four
consecutive weeks previous to the
return day hereof, in some news-
paper published in your county, if
there be a newspaper published
therein, but if not, then in any
newspaper published in the 110th
Judicial District; but if there be
no newspaper published in said
Judicial District, then in a news-
paper published in the nearest
District to said 110th Judicial
District, to appear at the next
regular term of the District Court
of Motley County, to be held at
the Court House thereof, in Matador,
Texas, on the 1st Monday in
March, A. D. 1935, the same being
the 4th day of March, A. D.
1935, then and there to answer
a first amended original petition
filed in said Court on the 12th
day of January A. D. 1935, in a
suit, numbered on the docket of
said Court as No. 873, wherein
Federal Life Insurance Company
is Plaintiff, and Annie Miller,
Doll Miller, Honerhea Miller, My-
rie Miller, Loyd Miller, Lena Mc-
Cully, C. H. McCully, Fred Miller,
Frances Miller, Mary Miles, John-
nie Miles, Harry Miller, Grace
Young, Marshall Young, Earl F.
Walter, Receiver for the Fidelity
Land Credit Company, Will E.
Hendrick, J. W. Lee and C. B.
Whitten, are Defendants, and
said petition alleging
That on or about the 12th day
of March, 1924, Annie Miller and
husband, J. W. Miller, made, exe-
cuted and delivered to Fidelity
Land Credit Company, their cer-
tain promissory note in the sum
of \$3250.00, together with ten
interest coupon notes, bearing
date on the day and year afore-
said, said principal note due on
or about the 1st day of December,
1933, and said interest notes ma-
turing one each year, beginning
December 1st, 1925; that to se-
cure the payment of said notes,
said J. W. Miller and Annie Mil-

ler made, executed and delivered
to said Fidelity Land Credit Com-
pany a certain deed of Trust cov-
ering 210 acres of land out of
Survey No. 38, Block T. B. S. &
F., original grantee, in Motley
County, Texas, and being 100
acres out of the extreme North
side of the East one-half of said
Survey, and 110 acres out of the
East end of the South one-fourth
of said Survey.

That thereafter, to-wit, on or
about the 16th day of January,
1925, said Fidelity Land Credit
Company, for a valuable consid-
eration, sold and transferred said
note and deed of Trust to plain-
tiff, and it is now the owner and
holder thereof; that by the execu-
tion of said note and the transfer
thereof to plaintiff, said J. W.
Miller and Annie Miller became
bound and liable to pay and
promised to pay to plaintiff the
sums of money specified in said
notes; that said principal note and
the last two interest notes are now
long past due and unpaid, and
although plaintiff has often re-
quested payment of same, they are
still unpaid to its damage in the
sum of \$4500.00.

That J. W. Miller is dead, hav-
ing died intestate, and there is no
administration pending upon his
estate, and no necessity for any:

That defendants, Annie Miller,
Lena McCully, Fred Miller, Fran-
ces Miller, Doll Miller, Mary
Miles, Harry Miller, Grace Young,
Honerhea Miller, Myrie Miller
and Loyd Miller are all of the
surviving heirs and children of
said J. W. Miller.

That the lien created on said
lands by the execution of said
deed of trust is still a valid and
subsisting lien to secure the pay-
ment of said note;

That the other defendants here-
in are claiming some kind of in-
terest in said lands, the exact na-
ture of which is unknown to plain-
tiff, but all of which is inferior to
plaintiff's lien.

Plaintiff prays judgement for
its debt, interest, attorney's fees,
costs of suit, for foreclosure of
its lien on said lands, and for
general and special relief.

Herein Fail Not, and have be-
fore said Court, at its aforesaid
next regular term, this writ with
your return thereon, showing how
you have executed the same.

NOTICE

Notice is hereby given that the

HANDLE AND HIS INSTRUMENTS

(Following is an essay written
by Dortha Nell Jameson of the
5th grade English class.)

My parents did not approve of
my brother Handel's musical am-
bitions. Handel was determined
to become a musician. He hid
some instruments in the attic.

When I would hear Handel slip
up in the attic I would go, too, and
I would make faces at him and
he would tell me that I had bet-
ter not tell. So I didn't tell moth-
er or father.

One night father and mother
heard the mysterious sounds of
music. They wondered and won-
dered what it was. When they
started to bed they saw that Han-
del was not in his bed. They
looked and looked for him, and
finally succeeded in finding him
in the attic.

They told him that if he was
so eager to play instruments that
he would slip up there at bed-
time, they wouldn't forbid him to
play.

Handel accused me of telling fa-
ther and mother about his play-
ing and they heard us fussing
about it. I thought they were
going to whip me because I didn't
tell them about Handel slipping
up there but I knew Handel would
whip me if I did tell.

Handel became a success as a
musician and now is a concert
pianist.

full feature, "Sons of the Desert."
Those of you who have seen "The

it was the biggest bunch of
laughs ever assembled in one
picture. We are telling you that
"Sons of the Desert" is equally
as good. If you have never seen
these two plays--well don't miss
it.

"20 MILLION SWEETHEARTS"
"Twenty Million Sweethearts"
that's a lot of sweethearts, but

and the Four Mills Brothers.

These colored boys can really

## Ross-Goodwin

The announcement of the marriage of a very popular young couple was made here this week, when Mr. Vernon Goodwin and Miss Florence Ross made it known that they were married in Crosbyton, September 15th.

Mrs. Goodwin is a charming young lady who was reared in the home of her grandparents, Mr. and Mrs. H. P. Edwards of McAdoo. She has visited here several times and has won many friends by her amiable smiles and lovely personality.

The bride groom is one of Roaring Springs' most highly respected young men, he being the son of Mr. and Mrs. Britt Goodwin, who live here. Vernon has been one of our leading high school athletes during his school days and has served faithfully as both football and basket ball captain. The many friends of these young people wish for them a very happy wedded life together.

WELL-PAYING POSITIONS

How to get a well-paying office position, with chances for advancement, is fully explained in a new booklet, "Planning Your Future," which has just been published for young people who want to get ahead.

It describes today's opportunities in business, explains a proven method for assisting graduates to secure starting positions, outlines the moderate cost required, terms, etc.

It shows how hundreds of other young people have been placed during recent months through our affiliated Employment Departments.

The booklet is expensive and is sent only on request to young people who want to get ahead. Clip and mail today, with name and address, for your copy. Write nearest school—Draughton's Business Colleges, Dallas, Wichita Falls, Abilene or Lubbock, Texas. (Or see this paper about a special scholarship.)
