WORLD OF ETHEREAL beauty for the dawn Monday, in the splendor of an cloak that concealed the objects of the previous day. Snowfall almost without precedent in the memory of pioneers blanketed the entire area. The snow fell almost entirely without wind. An estimated six inch fall left over one-half inch of moisture. Almost supernatural beauty was evident throughout Matador. Photo at the left is the home of Mrs. R. E. Donovan on south Main street, and (farther house) the home of Mr. and Mrs. Mike Hoyle. Center picture is street scene Monday morning showing the marshmallow topping on cars and pick-ups (except car in foreground which had probably been stored in a garage). Parking was in the center of the street because of icing at curb. Right hand picture of winter wonderland was made at the Main street bridge across Ballard creek, looking north of the Farmers Coop gin and county jail.—Photos by Douglas Meador.

TRAIL DUST

By DOUGLAS MEADOR

Half way to eternity, dangling a white ribbon of vapor, the stream turned slowly toward the west which was a valley of gold powdered red clouds. The stream trails were changed to main streamers that drifted the wind. Surely, if the pilot left back, he must have prayed knowing that God was close.

Perhaps the simile is a fallacy at times I am given to look on a pig of type casting metal as the earth's clay from which we are shaped. Each week the metal is remelted and fused to form a long mold. Rotated in a clockwise direction, the words it chronicles the births, deaths and sorrows that accompany the fortunes of a community. Humor and tragedy; the good and evil are without identity in the leaden mass. The clay sustains the orbit of life's great and humble to point of inseparable values.

How is it possible to weigh good in a man who never exercised the strength needed in opportunity to be otherwise?

Usually I have no desire to know the outcome of an un-ashed nightmare. In most cases my only method of escape is to awaken, depending too on my unwise selection of words and beverages. Frankly I prefer a dreamless sleep, reserving both my problems and pleasures for the slightly sharper perception of my waken hours.

President's Father Dies In Georgia

Dr. and Mrs. Ernest Denney returned home Wednesday afternoon from Franklin, Ga., where he attended funeral services Monday for her father, Gordon Allen, 65.

Mr. Allen died Friday, Jan. 7 at a hospital at Atlanta, Ga. He had been ill since suffering a stroke about a week before his death.

He is survived by his wife, 9 daughters, and 9 grandchildren. Debby and Teresa, daughters of Dr. and Mrs. Denney, remain with their parents in Amarillo during their absence.

TRIBUTE

The Tribune wishes to correct statement in January 6th issue regarding the vocational agriculture teachers of the 88th Representative District meeting relative to pay increase adjustment. The statement should have read: The class room teacher receive nine months per year while the vocational agriculture teachers receive 12 months in the year for the same salary in-

Community Plans For Sheriff Stotts Herds Polio Fund Drive Party

A community-wide polio fund drive is planned for Whiteflat, Friday night, January 21, under the sponsorship of the Whiteflat Home Demonstration club.

Safety Inspection Is Less Than 1954

State required inspection of motor vehicles in Motley county is only about half of the figure at this date in 1954, according to J. R. Whitmore of Spur, inspector for the State Department of Public Safety.

He said that with 1,588 vehicles registered in the county only 17% have been inspected. Motorists have 90 days in which to have vehicles inspected and stickers applied.

Four inspection stations are located in the county. Two in Matador, Matador Auto Co., and Campbell Chevrolet Co., one at Roaring Springs, Braselton Implement Co., and one at Flomot, Thomas Garage.

Over \$10,000 Invested By 35 Matador VA Boys

Agriculture and high finance are synonymous as reflected in a report by Bill Moss, Matador vocational agriculture teacher. The annual report of his 35-member class shows that a total investment of \$10,298.10 was involved in the 1953-54 projects.

Complete records are kept on all projects and some of them (like those of some experienced farmers) lost money. Including the losses, however, the total net income for the class was \$2,680.29 with a labor income (net income plus the value of self-labor at 50c per hour) of \$3,327.39.

"First objective of the supervised farming program carried on by the vocational agriculture boys, is to make money," Mr. Moss declared, "and the second objective is to put into practice the methods and practices learned in the classroom."

The 1955 project program is already well under way with chickens, lambs, calves and hogs on feed at the present time, Mr. Moss said. The breeding program consists mainly of hens and beef cows.

"Several boys have crop projects planned," Mr. Moss declared, "but the amount and type will naturally depend upon the amount of moisture received."

Workers Conference To Be At Quitaque

Workers conference of the Floyd Baptist Association is scheduled for next Tuesday, Jan. 18, and will be held at the Baptist Church in Quitaque, according to an announcement made this week.

Rev. C. R. Mathis, pastor of the Roaring Springs church will be in charge of the Devotional and Rev. A. L. Eubanks, Flomot pastor will speak on the morning program. Other speakers include Dr. Earl Allen, pastor of First Baptist Church, Floydada, who will deliver the morning message at 11:30. A good representation of the churches in the association is urged and expected.

Sheriff Stotts Herds Negroes To Road Trap

Former cowboy Sheriff John Stotts Sunday herded four negroes wanted in Cottle county for armed robbery into a road trap 10 miles east of Floydada. Sheriff Stotts said he did not "crowd the drive" too close since he had been warned the quartet was armed. He spotted the two-tone 1950 Ford at the Gulf Service station at the intersection of US and Texas Highways 70 just as the Negroes started west.

Following the car Sheriff Stotts called Floyd County Sheriff Earl Cooper on his two-way car radio. Sheriff Cooper with a deputy set up a road block on US Highway 70. The two sheriffs were in constant contact by radio as the Negro car and the pursuing officer sped westward. Facing the two officers armed with sawed-off shotguns, the Negroes stopped. Sheriff Stotts arrived almost at the same time.

The Negroes were charged with robbing the Hackberry community store and filling station (16 miles southeast of Paducah) of approximately \$20. One of the Negroes had thrown snuff into the face of the station manager E. G. Blair. Another Negro had held Mr. Blair's wife while the station was being robbed.

Bobby Earl Dodson Dies In Accident

Bobby Earl Dodson, 23-year-old Roaring Springs youth died in an auto crash last Wednesday at Gilroy, Calif., and the body was brought back for funeral services and burial at Roaring Springs, Sunday, Jan. 9.

Final rites were held in the Roaring Springs Methodist Church at 3 p. m. Rev. T. Marvin McBrayer of Groom, a former Methodist pastor at Roaring Springs conducted the service, assisted by a former Baptist pastor, Rev. G. C. Tiner of Dougherty. Interment was in Roaring Springs cemetery.

Palbearers, his former classmates with whom he played football, were: Bonnie Dillard, Nolin Osborn, William B. Watson, J. N. Fletcher, Jr., Corby Lee Marshall, Bill Hodgkin, Jackie Andrews and Gordon Harmon.

Interest High In Drum-Bugle Corps

Interest in the drum and bugle corps in process of organization, is high, as indicated by the attendance of 43 young people at a meeting last Thursday night in the Legion building.

Mr. and Mrs. Bill Waybourn and Mrs. Algie Groves met with the group and their instructor, Albert Rattan, who will contribute his time gratis, to the movement.

Twenty instruments have been ordered, and Thursday night of each week has been set for a regular meeting time for practice. In a meeting tonight, officers will be selected, and a name for the organization will also be discussed. The Legion hall has been placed at the disposal of the organization, and attendance of parents at the meetings is encouraged and urged.

It was decided at last week's meeting that absence from 3 consecutive meetings will forfeit membership. It was announced that practice bugles may be obtained for \$3.95 and practice pads for drums, for \$4.50. Those wishing to secure these items are instructed to contact Mrs. Bill Waybourn.

Two visitors at the meeting were Mayor W. L. McWilliams and Randall Whitworth who represented the Lions Club and American Legion in assuring whole hearted cooperation of these organizations toward the movement of establishing a band for Matador.

QUARTERLY CONFERENCE AT ROARING SPRINGS

Quarterly Conference will be held Sunday at the Roaring Springs Methodist Church, it was announced this week by the pastor, Rev. W. B. Vaughn.

REEVES APPOINTED ON 4 COMMITTEES

Rep. Elbert Reeves yesterday afternoon was appointed Chairman of the state agriculture committee, a member of the state affairs committee, a member of the education committee, a member of the motor traffic committee and a member of the school district committee.

Appointments were made by House Speaker Jim Lindsey of Texarkana during the second day of the 54th Legislature.

Besides his appointment to vital committees, Rep. Reeves yesterday was a prominent name on the front page of the Amarillo Daily News because of his stand to sponsor a move to continue the veterans land program and provide additional funds if new regulations are worked out satisfactorily.

He also registered a complaint of the former management of the veterans land deal which denied 29 Motley county veterans funds with which to finance a ranch loan on land near Chaning.

REA Phone Meet Is Scheduled

Farmers and ranchers interested in securing REA rural telephone service are advised of a meeting scheduled Monday night in the Roaring Springs school gymnasium, beginning at 7:30 p. m.

Announcement of the meeting was made Tuesday by County Judge Vance H. Gilbreath. He said James Wright, manager of the Cap Rock Coop Telephone Association at Spur would attend and that he had asked Dick Shackelford of Tulia, manager of the Mid-Plains Coop Telephone Association to attend.

Judge Gilbreath said the telephone meeting was scheduled at the same time and place as a meeting of the Motley-Dickens Counties Farmers Union local, but that the telephone meeting would be held first.

He said he was writing letters to all Farmers Union members to inform them of the meeting. The meeting is open to the public and anyone interested in rural telephones is invited to attend.

DOORS CLOSED ON PIONEER GROCERY

Doors have been closed since about the first of January on Matador's oldest continuously-operated firm, the Commercial Grocery, which started in business here more than half a century ago.

Since the death of the founder and owner, R. P. Moore about the last of May, the store had been operated by George Birchfield until its disposal two weeks ago. The stock of merchandise was purchased by Charlie's Grocery.

First State Bank here will observe January 19 (Robt. E Lee's birthday) as a legal holiday, an official announcement Tuesday.

Patrons are asked to transact banking business in advance in order to avoid possible inconvenience.

TO OBSERVE HOLIDAY

Mr. and Mrs. Algie Durbin and children, Jimmie and Jerry of Meadow were week-end visitors in the home of Mr. and Mrs. Tom Newman and Mrs. Margaret Newman, and with other friends.

WINDLESS snow storm dumped six inches of 'wet' snow here Sunday afternoon and night and created landscapes of unusual beauty when the sun rose Monday. The snow left on half inch of welcome moisture on Motley county farm and rangelands.

Weather forecasters had declared previously that precipitation from the cloudy skies was not expected. Very light snow began falling here about 2 PM Sunday and the fall continued to increase while the mercury remained slightly above the freezing point.

By late afternoon the ground was covered and the snow continued to fall in increased amount. Wires and tree limbs held as much as two inches as the "windless" storm continued until about midnight.

Reports indicate that the entire county received the snow blanket with some variation in the amounts. Because of snow-covered roads and highways, school was suspended here Monday. Highway maintenance crews dragged paving and spread gravel to lessen the danger of accidents.

Wheat has received the greatest benefit from the snowstorm altho all farm and range conditions have an improved outlook. Bright sunshine Monday and Tuesday dissipated most of the snow, altho some areas kept small patches until yesterday afternoon.

LENGTHY ADDRESS ON LETTER MAKES DELIVERY SIMPLE

"Cafe by a filling station with a tall oil derrick sign, has pen of rattlesnakes in yard. Rock cafe just off Lubbock highway," Matador, Texas, was the address on a letter received here last week. Postmaster E. F. Springer promptly delivered the letter to Charles R. Cox, manager of Bob's Cook Shack cafe.

The letter was written by Mrs. Edsel Currutt of Eunice, New Mexico and read as follows: "Dear Sir (or Madam): On December 31 my family stopped at your cafe at about 11 AM. My little girl left her green coat, size 10. Will you please send it to me?"

"I am enclosing a dollar to pay you for your trouble and for cost of mailing."

"We stopped at your cafe while enroute from Eunice to Gould, Oklahoma, but we do not plan to make the trip again until Easter and of course the child needs her coat. Thank you very much, Mrs. Edsel Currutt."

Since there is only one cafe by a filling station with a tall oil derrick sign (Bob's Oil Well) that has a pen of rattlesnakes in the yard, it is a rock cafe just off the highway to Lubbock, in Matador, it was easy for Postmaster Springer to locate the cafe.

Altho he is a young bachelor, Mr. Cox could understand that a child would need her coat before Easter. He sent it promptly.

Mr. and Mrs. Algie Durbin and children, Jimmie and Jerry of Meadow were week-end visitors in the home of Mr. and Mrs. Tom Newman and Mrs. Margaret Newman, and with other friends.

November Marriage Of Miss Wannebo To Warren Earl Tilson Is Announced Here

The November marriage of Miss Carole June Wannebo of Tacoma, Washington, and Warren Earl Tilson of Matador, is being announced here. Parents of the recently married pair are Mr. and Mrs. Arthur Sigurd Wannebo of Tacoma, and Mr. and Mrs. T. G. Tilson of Matador, Texas. The marriage was solemnized the evening of Nov. 26 in the Bethlehem Lutheran Church of Tacoma. The Rev. LaVerne Nelson officiated at the double ring rites. Further details of the wedding as given in a Tacoma newspaper, are as follows: Mrs. Norman Hemphill, matron of honor, preceded the bride to the altar, her gown of lavender and her colonial bouquet of yellow and white daisies Miss Roberta Kaylor, Miss Arlene Johnson and Mrs. Mary Johnson, bridesmaids, wore frocks of blue and carried bouquets of yellow and white daisies with pink ribbons. Lynne Moore, flower girl, was in a dainty dress of pale yellow. Mr. Wannebo gave his daughter in marriage. Her gown was of brocade taffeta styled in princess lines, the bodice made with a bertha collar. Her fingertip-length veil held in place by a tiny hat. She wore her maternal grandmother's crystals. Her flowers were white lace chrysanthemums centered with an orchid. Miss Bette Lagergren in a green frock, and Miss Nancy Johnson in pink, lighted the candles before the ceremony. Norman Hemphill served as best man for the bridegroom. Fred Klopping, Charles Witche and Charles Foreman ushered.

Monthly Meeting Held By Baptist Brotherhood-WMU

Regular monthly meetings were held Tuesday night at the Baptist Church by the Brotherhood and Women's Missionary Union, following a family covered-dish supper. Burleson Circle of the WMU presented the Royal Service program, "Pointing the Chosen People To The Way", with Mrs. Margaret Newman as leader. Devotional period, conducted by Mrs. H. S. Watson, was followed by discussions by Miss Amy Glenn, Mrs. R. E. Campbell, Sr., Mrs. C. P. Waybourn and Mrs. Ben Keltz. Special music was a solo by Mrs. Harold Campbell. Mrs. J. L. Woodruff, president, conducted a business session before the group adjourned. Speakers for the Brotherhood program were R. E. Campbell, Sr., who discussed "Our Cooperative Program", and T. E. Long, on the subject, "Baptist Foundation Work".

Reception Is Held

The collation table at the reception held in the church parlors was centered with an arrangement of yellow and brown button mums. Mrs. Lars Heen directed the affair and those presiding were Mrs. George Warner and Mrs. William Christoph. Others assisting were Mrs. Wayne Moore, Mrs. Ernest Fuhrmeister, Miss Vernetta Kilpatrick, Miss Jean Carlstrom and Miss Diane Moore. Allen and Robert Wannebo distributed the bridegroom's cake. When Mr. and Mrs. Tilson departed on a brief wedding trip the bride wore a cocoa brown suit with brown accessories and a white orchid. They have established their home in the city. Mrs. Tilson is a graduate of Lincoln High School and the bridegroom who is with the U. S. Army (stationed at Ft. Lewis, Washington) attended schools in Matador.

Whiteflat HD Club Starts Year With Good Neighbor Idea

The Whiteflat Home Demonstration club started the New Year with a program on the subject, "Being a Good Neighbor and Friend". Roll call was very interesting with everybody's idea of what a good neighbor should be. A Scripture reading found in Luke 6:20-38 was most suitable for the occasion. The meeting was in the home of Mrs. Wilson Barton, Jan. 7, with the new president, Mrs. J. W. Pritchett, presiding. Mrs. L. A. Carlisle gave a talk on "How to be a good neighbor and friend", and games were conducted by Mrs. Barton with Mrs. F. C. Bourland winning a prize in a "Blind Man's Test". In the business session plans were made for improvements in the club room, and to sponsor a fund-raising "42" party for polio March of Dimes on Friday, Jan. 21, at 7:30 p. m. in the club room. Regular admission will be 35c. Sandwiches for 25c and pie 15c will be on sale, and coffee will be free. In connection with the party, a "White Elephant" sale will also be held and everybody who attends is requested to bring one or more items attractively wrapped, to be auctioned. Refreshments were served to those mentioned, and the following: Mesdames Kim Wilkinson, Bill Smith, Malcolm Morris, Tom Tilson; Miss Melba Jameson, a new member, Mrs. Lee Parker, and visitors, Mrs. F. M. Casey, Mrs. France Barton and little daughter, Brigid, and Mrs. Tilson's grandson, Bob Tilson. Next meeting will be in the club room, Jan. 21, at 2:30 p. m. with Mrs. Fred Bourland as hostess. The program will be "Simple Landscaping" and all members are urged to be present and bring a shrub, cutting or flower seed to be exchanged.

MRS. WAYBOURN IS HOSTESS TO CLUB

Mrs. C. P. Waybourn was hostess Friday, Jan. 7 to her sewing club, with 16 members present. The afternoon was spent visiting and doing needlework. Refreshments of sandwiches, cake, coffee and cocoa were served to Mesdames R. E. Campbell, Sr., H. S. Watson, W. L. McWilliams, T. E. Cammack, A. C. Traveek, Sr., T. E. Long, Ben Keltz, Leonora Luckett, Harry Carter, Leonard Newman and W. M. Graham, Miss Mary Keith and Miss Maggie Bryan.

Former Resident's Daughter Receives G. B. Dealey Award

Signal honor recently went to Miss Juanita Teal, Dallas Symphony soloist, when she won the G. B. Dealey Memorial Award. She is the daughter of Mr. and Mrs. W. M. Teal of Dallas, and a niece of local resident, T. E. Cammack. Mrs. Teal is the former Vashti Cammack, who resided here for a number of years. Newspaper comments concerning Miss Teal's award were highly complimentary, as evidenced in the following excerpts: "Juanita Teal, the contralto soloist, goes into the record books as the first singer to win the coveted prize, which includes performing with the Dallas Symphony. Previous winners have all been pianists."

Distinguished Debut

John Rosenfield, Dallas News music critic declared: "Juanita Teal, young Dallas singer billed as a contralto but obviously a mezzo on her way to dramatic soprano coloring, made her debut as the 1954 G. B. Dealey Memorial Prize Winner. And what an assignment she has accepted! Nothing less than Mahler's 'Kindertotenlieder', with all they demand in musicianship sheer voice and subtle use thereof, and all they require of insight based on mature and tragic personal experiences. 'The intensely personal statement is that of a parent who has lost a child and never will get over it. And Mahler, when he first began playing the 'Kindertotenlieder,' preferred as soloist a rather avuncular baritone to the mother note. 'Miss Teal, nevertheless, came through spectacularly. While she stood on the McFarlin stage as a somewhat impassive figure in festive aquamarine and not the hues of mourning, she invested each phrase with expressiveness and drew on a rich tonal palette for the colors of grief and consolation.'"

Pied Pinions

BY MR. J. M.

The trade name "Kay Stanley" which appears on a junior cooking set of utensils and prepared mixes which are sold at Stanley Pharmacy here, of course bears no relation to the local young miss by the same name who is a niece of the store owners, Mr. and Mrs. Bob Stanley, and a daughter of Dr. and Mrs. J. S. Stanley. She is no doubt proud owner of one of the sets which she will keep among her childhood treasures and large collection of dolls. The snowfall Sunday evening and night, Monday inspired a person to either get out in it, or stay in out of it. We had no choice. Duty called and we answered, though reluctantly. Shutter-bugs were the busy ones during the day. Cameras were clicking to the right of us and to the left of us, and some folks even got out in the night and used flash guns, for fear a wind might blow up before morning and ruin the pattern effects of the snow. As soon as the announcement was made that school buses would not be able to run, snowmen began to appear as if by magic, as youngsters took advantage of the unexpected holiday, and that almost forgotten home-made delicacy, snow-ice-cream, staged a quick comeback. Served with hot-peppered stew, it was unusually palatable! If there's ever a pecan shell, egg-shell, fruit stone or pit left in a dish of food, Mr. M. is the one who invariably gets that portion. However, he has thus far escaped a punctured esophagus, and so wouldn't have been lucky enough to collect a \$45,000 judgment, had he been the customer at Arnaud's restaurant the day the crab shell fragment got into the pompano en papillote. It is probably just as well that cats can't read the newspapers. We fear our family of five would become highly dissatisfied with their humble lot, if they knew about the San Antonio kitty whose mink coat was stolen the other day. Copied: An old timey country doctor had examined his patient carefully and was in a quandary as to what his ailment was. He inquired of the patient: "Did you ever have this trouble before?" "I sure have, doc," was the reply. Doc scratched his head and said, "Well, son, you've got it again."

THOUGHT FOR THE DAY:

"You must give some time to your fellow man. Even if it's a little thing, do something for those who have need of help, something for which you get no pay but the privilege of doing it. For remember, you do not live in a world of your own. Your brothers are here, too."—Albert Schweitzer (Quote Magazine).

Parties Given During Holidays

All the students of M.H.S. and the Exes were entertained at various homes during the Christmas holidays.

The first party was given by Mr. and Mrs. Bill Waybourn, December 20. Refreshments of sandwiches and punch were served by the room mothers.

Tuesday night, at the VFW Hut, a party was given by the room mothers for all Matador High School students and their dates. Refreshments of sandwiches and punch were served. The last party of the holidays, Dr. and Mrs. Albert Traweck gave a New Years party. The new year was welcomed by a large group of Exes, as well as students of Matador High School.

F. H. A. Has Party

On Tuesday, December 21, the Matador F.H.A. Chapter had a Christmas supper at Sue McCaghen's home. The meal consisted of chicken and dressing, cranberry sauce, rolls, salad and cherry pie a-la-mode. After eating, gifts were given out. The members present were: Janey Norman, Dorothy McMahon, Linda Chambliss, Rachel Craven, Sara Carson, Pina Sturdivant, Joanne Darsey, Dortha Davis, Raynita Dunning, Christine Green, Sue McCaghen, Alice Martin, Betty Neighbors, Barbara Waybourn, Kay Norman, Francine Craven, Frances Lancaster.

Mrs. Gerald Waybourn, Mrs. J. P. Neighbors as guests, and Mrs. A. L. Fair, sponsor, were also present.

F. F. A. Work Proves Profitable To Boys

The F. F. A. boys have been hard at work earning money for the chapter by butchering during the last month. Using their butcher shop in the Ag. building, they have been able to perfect a method of butchering, which enables them to make the enterprise profitable.

Leathercraft work by the boys has enabled them to replenish their dwindling supply of bill-folds and belts. Under the capable instruction of Mr. Moss, they have turned out some fair examples of leather-work. All Vocational Ag. classes have been participating in the work.

Free Blueprints Available Through Agent's Office

If you plan to build a house (from two to nine rooms), build a hog shed, chicken house, barn or machinery shed, you may obtain a blueprint at the county agent's office. The blueprints are free.

In addition to the numerous home and farm building plans, the office offers plans for barbecue pits, lawn chairs, cellars, furnaces and cabinets.

Many labor saving device plans are also available such as trailer scales, hay loaders, homemade saws and sprayers, branding chutes, self feeders and creep feeders, watering systems, septic tanks and rabbit hutches.

Several hundred different plans are on file in County Agent Bill Palmeyer's office and a list of several thousand plans, available through the extension Service is filed for use by those wishing to take advantage of the free service.

Have You OUTGROWN Your Insurance!

Many thoughtful men are reviewing their insurance in the light of today's needs! And, many have found that insurance coverage that was considered adequate — five, or even two years ago, is no longer sufficient to cover their present needs. If you haven't taken a "good" look lately at your present coverage, may we suggest that we help you review it — soon!

Going over new plans for "The Charles A. Sammons Cancer Irradiation Therapy Center" are, from left to right, Messrs. Sammons, President of Reserve Life Insurance Company, Lancaster Parks, Been Woolen and Dr. W. A. Criswell, Baylor University Hospital Trustee. A gift in honor of Mr. Sammons was made by Reserve Life Insurance Company for the purchase of a new "Theratron" Cobalt 60 Beam Cancer Therapy Unit for the Hospital. The building and facilities for the new center will be valued at \$150,000.00.

Baylor To Treat Cancer Through Atomic Energy

Atomic energy is to be put to work for the benefit of mankind at Baylor University Hospital in Dallas. Mr. Charles R. Moore, Chairman of the Dallas Executive Committee of the Baylor Board of Trustees, announced this new advance for the treatment of cancer today. Mr. Moore said that plans have been completed for installation of a new "Theratron" Cobalt 60 Beam Cancer Therapy unit at Baylor University Hospital.

The Cobalt Therapy Unit is a new type of giant X-ray-like machine which utilizes radiation from atomic energy to penetrate the skin and retard or destroy the growth of cancerous tissue. In discussing the new unit Dr. J. E. Miller, Chief of the Department of Radiology at Baylor University Hospital, said "The principle of X-ray therapy has been used in the treatment of cancer for a long time, but the new Cobalt machine makes possible deeper penetration with less harm to normal tissue than was ever possible before." The installation of this advanced machine will place Baylor University Hospital among the leading centers for treatment of cancer in the United States.

Insurance Company Gift
The installation of the Cobalt

Unit has been made possible by a gift from Reserve Life Insurance Company of Dallas, Texas, in honor of the company's president, C. A. Sammons. The building and facilities, which will be valued at \$150,000.00, will be known as "The Charles A. Sammons Irradiation Therapy Center", according to Mr. Moore.

The Cobalt Unit weighs approximately eight tons and will require a special building with

heavy lead and concrete insulation on ceiling, walls and floor to keep radio-activity under positive control. The new building will be erected adjacent to the hospital's present X-ray Department. Mr. Boone Powell, Administrator of Baylor, said construction will start within thirty days.

According to Baylor Radiologists the Cobalt Unit is ten times as powerful as standard therapy available at the present time. Treatments with this machine are said to be effective on 15% to 20% of the patients who are not helped by the previously available lower voltage and with all patients treated, there is more effective treatment with less adverse effect to normal tissue.

Special Training

Dr. Miller stated that especially trained personnel will be required to operate and maintain this advanced equipment. He said further "we are fortunate in having Dr. John T. Mallams on our Radiology staff who has had experience with this modality of therapy."

The new cancer therapy unit and the first supply of atomic radiation is scheduled for delivery in Dallas by June, 1955. The cancer treatment center will be

Wondering what new car to buy? Step to the window, watch traffic, and you'll see how others are settling this question. They are buying Pontiacs—at a faster rate than ever before in history!

Ask why and you'll hear many reasons, but the basic reason is this. The '55 Pontiac personifies everyone's dream of what a modern car should be.

There's Pontiac's unique combination of beautiful long, low lines, Vogue Two-Tone styling, and Twin Streak distinction. There's Pontiac's long wheelbase—the secret of the wondrously safe, smooth ride that makes you and your passengers the happiest people on wheels.

There's Pontiac's roominess and luxury . . . living-room comfort and mode-of-tomorrow decor . . . along with picture-window vision all around.

And there's Pontiac instant control and Strato-Streak V-8 performance—but these must be enjoyed to be believed.

Take a total of the foregoing and here's the result—more of everything than a like amount of money has ever bought before!

How much money? You can actually buy a Strato-Streak-powered Pontiac for just a few dollars more than the very lowest-priced cars! Come in and find out how little it costs to switch to modern motoring.

Mrs. MacTavish gets her dream house

At last she has the home of her dreams! A modern house — with a yard for the children and space for flowers. Most important to Mrs. MacTavish, though, are all those wonderful electric appliances she's always longed for! With them, she'll have the time and energy to do all the things she's always wanted to do.

It seems like luxury. But soon she'll think of all her electric servants as necessities. As time goes on, she'll add even more.

Stop and think, for a minute, how many electric servants you've added in the last ten years. Wonderful, work-saving appliances which have made your life easier and more enjoyable. So, even though the "price" of electric service has gone down in that time, your electric service bill may be higher. But when you think of the many things electric service does for you, twenty-four hours a day, don't you agree that it is still the biggest bargain in your family budget?

**In homes served by WTU the average cost of a kilowatt-hour of electric service is 22% LESS than it was ten years ago!*

Born At Roaring Springs
Robert Earl Dodson was born at Roaring Springs, Texas, June 12, 1931, and was 23 years, 6 months and 7 days old at the time of his death on Jan. 5, 1955.

He is survived by his mother, Mrs. Hazel Bridges of Roaring Springs; two brothers, J. T. and Mike Dodson of Fresno, Calif.; and two sisters, Mrs. Odette Dickerson, Wichita Falls, and Mrs. Howard Osborn, Roaring Springs.

All of his school days were spent in Roaring Springs. He volunteered for service in the U. S. Navy before he finished his senior year in high school, but continued his studies while in service and received his diploma in absentia, with the class of 1953. He had recently received his discharge from the Navy after four years of service. At the time of his death he was an employee of the firm of Mike Dodson, Inc., a plumbing contracting firm with offices in Fresno and San Francisco, Calif.

RELATIVES ATTEND FUNERAL AT MORAN

Local residents are in Moran to attend funeral services this afternoon for Oma Wagley, Jr., 21, who died Monday in an Abilene hospital. He was a grandson of Mrs. H. M. Wagley, who accompanied her son and wife, Mr. and Mrs. Herman Wagley of Pampa, in going for the funeral.

Besides his parents, he is survived by his wife, 1 daughter, 2 brothers, H. H. Wagley of Abilene, and Ralph, who is with the Marine Corps at Pearl Harbor, his grandmother and other relatives.

HOME FROM KOREA

Watson Townsend reached home Friday night with his discharge from the Army after spending the past 18 months in Korea. He is the son of Mr. and Mrs. A. J. Townsend.

Mrs. Newman gave an interesting report of the Texas Congress of Parents and Teachers Association convention, which she attended in Corpus Christi in November.

RECENT VISITORS

Several items concerning recent holiday visitors in Matador were inadvertently omitted in the Tribune. The omission was an oversight, which the editors regret, since former residents were among the visitors.

In the S. H. Allen home during the holidays were their children and families: Mr. and Mrs. Harold Allen and sons, Larry and Dean of Hope, Ark.; Mr. and Mrs. Billy Allen and children, Betty, Martha and Joe Mike, and Mr. and Mrs. Bobby Allen and sons, Jimmie and Stevie, all of Fort Worth; Mr. and Mrs. Kenneth Allen and family, Carol, Barry and Tommie of Wichita Falls, and Mr. and Mrs. Thomas Allen and children, Tony and Tonja, of Hillsboro. Mrs. Allen's sister and husband, Mr. and Mrs. V. E. McDaniel and their son and daughter-in-law, Mr. and Mrs. Jerry McDaniel of Fort Worth, were other visitors in their home.

Mr. and Mrs. Bert Hunter of Freeport were visitors here in the home of her mother, Mrs. J. M. Jackson and other relatives, and Mr. and Mrs. L. R. Winger of Brownfield were guests of their daughter and husband, Mr. and Mrs. Glenn Woodruff, while guests of Mrs. I. F. Fish were her children and their families: Mr. and Mrs. Homer Fish and sons, Ed Thomas and Ennis and Dr. and Mrs. Pascal Fish and daughters, Francine and Suzanne, all of Electric; and Mrs. Allie Nelson of Amarillo with her son, Irvin Harris Nelson, of Ft. Sill, Okla.

Mr. and Mrs. Wilson Barton attended funeral services for M. H. Anderson at Clarendon, Sunday. They were accompanied by Mr. and Mrs. Pat King and Butch of Plainview. Mr. Anderson was the father of Mrs. Dick Barton, a sister-in-law of Wilson Barton and Mrs. King.
