Hand Elected President Of Old Settlers Group

14-Year-Old Youth From Venezuela Is Here For Meeting

SPIRIT OF THE OLD WEST moving at a pace slightly slower than sound prevailed at Roaring Springs Thursday and Friday during the 30th annual Old Settlers reunion. The past and present members blended in a colorful atmosphere to create a modern tempo, the spirit of West Texas. Lewis and evening dresses, exquisite hand-made boots and ballroom slippers, fancy western shirts and spider-web nylon sport shirts with the tails in and tails out, 5x Stetsons and pastel sheep-herders, and ordinary conventional clothing describe the apparel worn during the celebration. It was impossible to be conspicuous. Many women wore Lewis, western shirts and fancy boots. It was the most outstanding reunion during the organization's 30-year history.

President Caldwell Smith of Roaring Springs, grandson of Mrs. John Smith, (who helped organize the association and has never missed a meeting), estimated the Thursday crowd at 5,000.

Ward Rattan, president of the rodeo association, said total gate receipts for the four performances were slightly lower than last year. He attributed some of the loss of attendance to drought conditions and also to the fact that Ralls rodeo and reunion dates conflicted with Old Settlers.

TRAIL DUST

By DOUGLAS MEADOR

Laughing waters from the spring of childhood happiness often pour too abruptly into the somber gulf of responsibility.

In burning the bridges behind us care should be exercised to control the conflagration so that the vital bridges ahead will not be destroyed.

Some urge in the melancholy nature of man often prompts him to return to the land of his childhood, but the experience leaves his heart cold and naked. The soft, fitted garments of memory must be surrendered at the portals of reality. The traveler drunken with the opiate of distance is aware too late that he departs too soon; the river's water flows in only one direction.

Lions To Conduct Clean-up

Labor Day, Monday, September 7th will not be a holiday in Matador. With the exception of the First State Bank which will observe the legal holiday as designated by banking regulations, Matador businesses will remain open. A sinister significance, however, is implied by "labor day" for that is what Monday will mean to members of the Matador Lions club and as many residents as will cooperate in conducting a city-wide clean-up.

The fire alarm will sound at eight o'clock which will be the signal that business houses operated by Lions will close until the clean-up job is completed. All kinds of mowers, brush cutters, trucks, plows and other mechanical means of destroying weeds will be employed.

At the regular Tuesday luncheon meeting of the civic club it was pointed out that the excessive crop of weeds and grass, in addition to being unsightly, will create a critical fire hazard after frost. The club is asking the cooperation of every resident in the campaign to clean up both the business and residential sections.

PTA SCHEDULES FIRST MEETING

First meeting for the fiscal school year of Matador Parent-Teacher Association will be Tuesday, Sept. 8, at 3:30 P.M. in the High School auditorium. It was announced this week by the president, Mrs. Gerald Wayburn.

All parents and patrons are invited and urged to attend, and to give full cooperation to activities of the organization. "We can accomplish our aims, only through full cooperation of our members," Mrs. Wayburn pointed out. A program and refreshments will follow the business session.

An executive meeting of all officers will be held at 3 o'clock preceding the Parent-Teacher meeting. Mrs. Wayburn recommended her working staff.

Solons to Attend PMA Dist. Picnic

Three Congressmen, Walter Rogers of Pampa, George Mahon of Lubbock and Frank Ikkard of Wichita Falls are scheduled to be in Roaring Springs tomorrow to attend the annual District 3 PMA picnic, where representatives from 22 Texas counties have reservations.

Exclusive use of the springs park, swimming pool and playground has been obtained for the meeting. Walter Ray, county office manager said approximately 125 tickets have been sold and that the attendance may be considerably larger.

Mr. Ray said the program of Production Marketing Administration would include operating procedure for 1954 from county level.

Two officials of PMA who will attend are State Committee men Bob Lyons of Amarillo and Jeff Chandler of Pecos. State Senator Andy Rogers of Childress will also be among the state officials attending.

Farmer Who Hauled Water 28 Years, Has Irrigation

Tom Tilson who hauled water 28 years for household and drinking purposes, now has one of the finest irrigation wells in the Matadors area. His farm is located about six miles north of town, just beyond the river. He purchased a triangle of land from Bob Martin which had been cut off his property by the highway and moved a house close to the pavement. He then started his search for water. Early this year a seismograph crew found an excellent water source a few hundred yards south of his house.

The fine-quality water, declared to be almost 100% pure, was found at 50 feet. The well flows 200 gallons per minute and Mr. Tilson has operated it as long as 17 hours without stopping, and without any diminishing of the flow. He pulls the pump with an old Farmall tractor (15 years old) which he values at \$25. He can operate the pump for 15 hours on ten gallons of fuel.

The soil around the sloping hill where the well is located, appears to be red clay but has proven very fertile. Mr. Tilson has about 12 acres in irrigation (the well was not placed in operation until June). He has produced an abundance of fine watermelons, cantelopes, squash, beans and black-eye peas. Most of the ground, however, is in cotton, which may produce in the neighborhood of a bale to the acre unless the present infestation of worms ruin the fruit.

In Arkansas To Attend Funeral

Mr. and Mrs. W. F. Jacobs and small daughter, Laura, left late Monday night for Harrison, Arkansas, to attend the funeral of their son-in-law, Bob Faris, who died of a heart attack.

They are expected to return home Sunday.

Roaring Springs Meeting Announced

Minister J. B. Tidmore of the Matador Church of Christ will conduct a series of gospel meetings at Roaring Springs, starting Sunday, September 6 and continuing through September 13th, according to an announcement received by the Tribune this week.

The public is extended a cordial invitation to hear Minister Tidmore each evening. Services will begin at 8 p. m.

ATTEND REUNION

Mrs. W. E. Reeves, with her son and family, Mr. and Mrs. Elbert Reeves and son, Pat, attended a reunion of her relatives on August 23, which was held at the home of a sister, Mrs. Nellie Becton, of the Becton community near old Estacado. Eighty relatives were present for the occasion.

Baptists Pray For Fruitful Revival

Membership of the First Baptist Church, led by the pastor, Rev. Bruce Oliver, is engaging in cottage prayer services this week, for the lost of the community, in preparation for revival services which will begin Sunday, Sept. 6, at the 11 o'clock hour.

Rev. Oliver, who will do the preaching, has announced as subject of his opening sermon, "God Is A Fool", and invites the public to attend this and all following services. These will be held twice daily during the week, at 7:30 a. m. and 8 p. m.

Singing will be led by Bob Lewis of Whiteface.

A cordial invitation is extended everyone interested in soul-winning, to attend the remaining prayer services which will be held tonight (Thursday) in the C. M. Barton, Jr., and Bill McCaghen homes, and Friday night in the T. E. Long, Jessie Smallwood and Bob Stanley homes.

Services the first part of the week were conducted in the Dick Groves, J. L. Woodruff, Forrest Campbell, Jack Norman, and in the pastor's home. Regular mid-week prayer services were held Wednesday night at the church.

Enrollment Here Is Slightly Lowered

SCHOOLS began Monday on a high, hopeful note, despite the reluctance of some students to end the summer vacation and return to their class rooms. The enrollment here showed an increase in high school (85 over 61 last year) and a decrease in grade school (201 as compared to 240 last year). All grades showed some decrease with the exception of freshmen in both grade school (1st grade) and high school. The first grade had an enrollment of 33.

Superintendent Bert Ezzell said both schools here had full classes Monday and that everything pointed to a good school year. The lunch room fed 207 on the opening day.

Complete Matador faculty is as follows: 1st grade teachers, Mrs. Minnie Coldiron and Mrs. John Hamilton; 2nd grade, Miss Verlin Reeves; 3rd grade Mrs. M. B. Buie; 4th grade Mrs. Charles Keith; 5th grade Mrs. Rufus Enmons; 6th grade Mrs. D. L. Damron; 7th grade Arthur Fair; 8th grade Mrs. J. E. Edwards; J. E. Edwards is grade school principal and physical education teacher.

In high school, besides Mr. Ezzell as superintendent, M. C. (continued on back page)

Worms Cut Into Cotton Outlook

Cutting holes in Motley county's already ragged cotton outlook, boll worms and square borers are casting an ominous shadow over fields in the Flomot and Whitestar communities this week. County Agent W. C. Palmeyer declared Monday that heavy infestation has been found in the two communities.

He said the outbreak is credited mainly to rainy weather of a few weeks ago and the fact that the boll worm miller has not laid eggs true to form. The miller usually lays eggs on the upper side of the leaf near the plant terminal. Eggs this year are being found in the cotton bloom.

For control of the worms Mr. Palmeyer suggests as a spray: 2 to 3 pounds of actual DDT per acre as a dust, 10 to 12 pounds of 2-10-40 per acre.

He said a second application will be necessary in most cases to kill the eggs hatched after the first application and to kill worms buried in bolls. A check after the fourth day will show whether or not the second application is needed. In some cases it may be necessary to apply a third application.

Mrs. T. J. Daffern Claimed By Death

Death Saturday about 4:15 p. m. claimed the life of Mrs. T. J. (Jeff) Daffern, who had suffered a heart ailment the past three and half years.

Funeral services were held Monday at 2 p. m. in the First Baptist Church, with Eudy-Seale Funeral Home in charge. Rev. W. B. Vaughn, Methodist minister, officiated and Rev. Bruce Oliver, Baptist pastor, assisted. Burial was in the Matador East Mound cemetery.

Born in Colorado.

Born Mable Martin, at Falcon, Colorado, March 8, 1898, she had been a resident of Matador the past 25 years. She died August 29, 1953, at the age of 55 years, 5 months, 21 days. She was a member of the Congregational Church.

She was married in May, 1915 at Las Cruces, New Mexico, to David Johnson Davis, who died in 1922.

Later she married T. J. Daffern, June 3, 1924 at Gallup, New Mexico, and they moved to Matador in 1929, where they have since lived.

RITES ARE HELD FOR GREEN INFANT

Graveside rites were held Wednesday at 2 p. m. in Matador East Mound cemetery for the infant son of Mr. and Mrs. Richard (Jiggs) Green, with Rev. W. B. Vaughn, Methodist minister, officiating. Eudy-Seale Funeral Home was in charge.

The baby was born in West Texas Hospital, Lubbock, Sunday, Aug. 30, at 10 P.M. and died at 10 A.M. Monday. He weighed 6 pounds and was named Gary Bryan. The mother is the former Julia Eaton.

Besides the parents, other survivors are the maternal grandparents, Mr. and Mrs. Bryan Eaton of Hooker, Okla., and Mr. and Mrs. J. C. Green, Sr., of Matador, paternal grandparents.

Mr. Eaton remained at the hospital bedside of his daughter, while Mrs. Eaton and a son and wife, Mr. and Mrs. Bill Eaton, and Mrs. Bill Eaton, attended the funeral. Also present were Mr. and Mrs. Phil Green and daughter, Carlita of Borgeer.

LEGION AND AUX SCHEDULES MEET

Regular meeting of Fleming Post American Legion and Auxiliary, scheduled for Monday evening, September 7th, has been designated as very important and all members are urged to attend.

The announcement is made by Hub Swearingen, Post Commander and Mrs. Willie Schweitzer, president of the Auxiliary.

BAPTIST ASSOCIATION TO HOLD MEETING HERE

Buck Creek Missionary Baptist Association will meet here with the Landmark Baptist church on Tuesday evening, through Wednesday, September 8-9. It is the organization's 46th meeting. The public is cordially invited.

Doris Isbell-Pat Bowen Exchange Vows Recently In Ceremony At Portales, N. M.

Of interest to friends in the Roaring Springs community is the recent marriage of Miss Doris Isbell and Pat Bowen, both of Portales, New Mexico, the latter having been reared at Roaring Springs, and is the son of Mr. and Mrs. W. E. Bowen. The bride is the daughter of Mr. and Mrs. Tony Isbell of Portales.

Vows were exchanged in an afternoon candlelight ceremony, Sunday, August 16 at 2:00 p. m. in the First Baptist Church of Portales.

The Rev. L. A. Doyle officiated in the double ring ceremony as the bridal party stood before an archway of greenery inlaid with orchid and white dahlias. Centered beneath the archway was a large bouquet of white and orchid gladioli, asters and daisies. Two seven branched candelabra and potted palms flanked either side of the improvised altar.

Following the exchange of vows, the couple knelt on white satin before an altar for a home dedication prayer service.

Bryan-Grigsby Vows Exchanged At Plainview
An archway covered with greenery and white mums and flanked by baskets of white mums and candelabra formed the nuptial setting in the First Presbyterian Church, Plainview, for the wedding Friday evening, August 28, of Miss Dorothy Bryan to Fred Clifford Grigsby, both of Plainview. The 7 o'clock double ring ceremony was performed by Dr. G. K. Rodgers.

A reception in honor of the couple was held in the yard of the Bryan home, following the ceremony.

The bride's parents are Mr. and Mrs. W. Everett Bryan of 911 Portland St., Plainview, former residents of Matador and her sister, Mrs. Douglas Pitts, Jr. of Matador, attended her as matron of honor.

Little Judy Lynn Pitts and her brother, Kenneth Pitts of Matador, niece and nephew of the bride, were members of the bridal party, as flower girl and ring bearer, and Douglas Pitts, Jr. was one of the ushers.

Mrs. Grigsby attended schools in Plainview and is a 1953 graduate of Texas State College for Women in Denton.

Mr. and Mrs. James E. Grigsby, Sr., are parents of the bridegroom, who also attended the Plainview schools and Texas A. and M. He is a senior student at Texas Tech, majoring in Geology.

The couple will make their home at Spade, where Mrs. Grigsby will teach Home Economics in high school.

Among wedding guests were Mr. and Mrs. Douglas Pitts, Sr., of Matador.

Baptist Church Is Scene Of Marriage

First Baptist Church of Matador was the scene on Wednesday August 26, at 4 p. m. of the marriage of Miss Celia Stripling of Bay City, Texas and L. Robert Young, of San Antonio.

The bride is a sister of Mrs. Bruce Oliver of this city, and Rev. Oliver pastor of the church officiated in the double-ring ceremony. Another sister, Dr. Joyce Davis of Dallas, served as matron of honor, and the bridegroom's father was his best man.

Pre-nuptial music and traditional wedding marches were played by Mrs. John Stevens, organist, who also accompanied Mrs. Glenn Woodruff, soloist.

Among out-of-town guests at the wedding were the bride's parents, Mr. and Mrs. L. D. Stripling of Bay City, Dr. Phil Davis of Dallas, the bridegroom's parents and other members of his family.

POWERFUL PROOF of EXTRA VALUE!

A few minutes and a few miles behind the wheel of a Pontiac are all the proof you'll need of Pontiac's extra value—value that starts with a price next to the lowest and value that pays you a bonus in economy every mile and every year you own it. In fact, no car anywhere near Pontiac's modest price gives you such features as these:

Pontiac's Famous High-Compression Engine
A mere touch of the accelerator provides instant proof that Pontiac's big high-compression engine has power to spare. And because Pontiac offers America's most highly-perfected engine, you get smooth, economical, carefree performance with a minimum of maintenance expense.

Power Steering
Pontiac Power Steering* takes over most of the effort of steering and parking, reduces road shock, provides driving as effortless as modern engineering can make it—and requires no change in normal driving habits. With Pontiac Power Steering you are in complete control of the car at all times.

122" Wheelbase
Pontiac's long wheelbase means more room and greater road-hugging safety. Combined with Curve-Control Steering and Comfortmaster Ride, this means that every mile you drive is a relaxing mile. You'll find, too, that Pontiac corners and parks with amazing ease.

Luxurious Body by Fisher
Step inside this big, beautiful Pontiac and you'll find yourself surrounded by luxury. Its handsome, de luxe Color-Keyed interiors provide comforts and conveniences unsurpassed by the costliest cars—and you'll have plenty of room to stretch out and relax.

Top Resale Value
Pontiac for years has had an enviable record for dependability and long-range economy. Road records prove it—and Pontiac's high resale value confirms it.

Why not come in at your first opportunity and let us prove—with you behind the wheel—that Pontiac gives you more car for less money? It won't take very long.

"I have a little speech I want to read," Mr. Rattan told the officials. "I feel that you may be able to get someone who can produce a better show and I would like to be relieved of the responsibility with which I am faced each year. I have been lucky for six years in not having the rodeo 'rained out'. It would mean a loss of from one to two thousand dollars—perhaps more. It is necessary to contract for the rodeo livestock in advance and make many other expenditures. It means the spending of a large amount of money in advance. I go through a lot of worrying each year until the last show is over. I don't want anyone to think I want the

horse available for him to ride during the reunion (the horse was provided).

The youth is the son of Mr. and Mrs. Oliver Crump of Venezuela and made the trip alone by plane to New Orleans, thence to Houston where he spent a day and night with a school chum, Jerry Jones, then traveled by train to Palestine where he spent a week with his grandfather H. S. Smart. He traveled by rail from Palestine to Childress. He will remain here until the last of the week when he will go to San Marcos where he will enter school for his third year there.

HOW TO CLEAN YOUR OWN CLOTHING OR DEVELOP ULCERS IN 12 EASY LESSONS...

- Get a pair of rubber gloves and apron, to protect your skin from the cleaning fluid.
 - Install a set of special cleaning tubs in the basement which are designed for cleaning clothes.
 - Buy a chemistry set so that you can test each spot and stain for use of the cleaning application.
 - Write the garment manufacturer. Ask him to tell you the exact nature of the fiber. It makes a whale of a difference (when it comes to cleaning) whether it's wool, rayon, nylon, etc.
 - Turn on every light in the room or, better still, go out and buy two 1,000 watt bulbs. You'll want to take out all the spots and to take 'em out you've got to be able to see them.
 - Provide yourself with a sufficient quantity of cleaning solvent. You'll have to shop around for it, but that consumes only time. Also purchase several special sponges and brushes. This material should cost only about \$10.
 - Equip yourself with lots of good strong words such as "Darn", "Oh! Hang" and the like, to use when the color comes out with the spot. Keep using these words until a hole appears where the spot was.
 - Using good firm strokes, start to rub with even motions, always in the same direction. Never vary the length or breadth of the stroke, lest you add new variation to the color of the garment.
 - Get out that gas mask you got at the army goods store. You won't like inhaling the fumes from the cleaning fluid.
 - We should have warned you before this to turn off the pilot light on the gas stove and do not smoke or light matches in the room where the cleaning is being done.
 - When properly cleaned, hang the garment out to dry. It may take four or five days, but there again, it consumes only time. You can purchase a special spin dryer which will do the job quickly but the initial cost will be at least \$500.
 - After the garment is dry get your iron ready. Be sure it is the right heat for pressing. Be sure it stays at the right heat, because scorching is the losing part of the home cleaning methods.
- No doubt you will decide (quite sensibly) that it is best to bring your cleaning to us.

Memorial Tribute

Impressive tribute was paid deceased pioneers during the memorial services held at 11 o'clock by Rev. W. B. Vaughn of Matador.

Main afternoon speaker Thursday was "Cotton John" Smith of Amarillo radio station KGNC, who made a tape recording of several old-timers attending the reunion. The record was "played-back" over the station's farm program at 1:30 Saturday afternoon.

A number of Roaring Springs women presented a highly entertaining musical program at 2:30, many attired in old time costumes. The afternoon style show exhibited dresses that spanned decades of varying moods in women's styles. One dress worn by Mrs. M. S. Thacker of Roaring Springs, carried the label of a prominent Dallas store, altho it was brought to Motley county 53 years ago. The dress belongs to Mrs. R. P. Moore of Matador.

C. D. Bird of Matador was cited as the longest resident of the area. He came here in 1885. J. C. "Kid" Kennedy of Matador age 90 was the oldest visitor.

Mrs. Ellen Norris of Battle Creek, Michis, former resident of Roaring Springs was honored as having traveled the greatest distance. A question has later been presented regarding this honor.

A 14-year-old youth, Gary Dale Crump of Ciudad Bolivar, Venezuela — South America, arrived in Childress at 4:40 Thursday morning and was met by his grandmother, Mrs. Lois Smart (and his aunt, Mrs. Roy Smith), so that he could be in Roaring Springs in time for the reunion. He had wired his grandmother from Dallas the previous evening, requesting that she have a

Who will get Johnny to school the first day?

All hands will be on deck to speed Johnny off to his exciting new world. And no hands will be busier than Mother's. That is unless you count Reddy Kilowatt's helping hands, which help Mother at every turn.

Reddy helps wash Johnny's socks, iron his shirt, cook his breakfast, and even heats the water to scrub behind his ears. And later Reddy will help him get his lessons by making study easy on his eyes.

As a matter of fact, the older Johnny grows the more ways Reddy can help him... and Reddy's help is just about the biggest bargain in the family budget today.

Johnnie has no Choice!
He has to study with the light you provide. Protect Johnny's priceless eyes with properly balanced, planned lighting. Be sure—ask for one of our Home Lighting Representatives to make a FREE survey of your lighting.

Eyes are priceless. Protect them with GOOD LIGHT.

Parking's a pushover with Ford Power-Steering

It's a brand new Ford "Worth More" feature—costs up to \$40 less than any other power steering in its field and it's the newest and finest power steering.

With one finger, while the car is standing still, a woman can turn the steering wheel. No longer will rough road ruts "throw you". Should ever a tire blow out, power steering assistance helps you to keep safe straight-line control. Ford Power Steering does up to 75% of the work; and it has a more natural "feel" than many others. You don't have to change your driving habits radically. The steering gear ratio is the same as without power steering and the hydraulic system gives you just the right assistance when you need it.

No change in driving habits! You could drive off in a Ford with Power Steering with absolutely no radical change in the way you ordinarily drive a car... just a lot less effort!

"Wheel Shock" reduced! With a hydraulic "cushion" between your steering wheel and the front wheels, Ford Power Steering noticeably reduces "wheel shock" on rough roads.

Parking is a pushover with Ford Power Steering. In fact, all driving is a lot easier and so much more relaxing. You can easily turn the wheel with one finger while the car is standing still.

You're safer! Even if a front tire should blow out, Ford Power Steering comes to your assistance... gives you the "muscle" to keep the car under control. That's really extra security!
