Resident Honored On 99th Birthday

Monday was a big day for Mrs. Margaret Fisher who celebrated her 99th birthday in the home of her daughter, Mrs. W.R. Patrick, and is looking forward to her 100th anniversary next year.

Women of the First Baptist Church, Mesdames D. P. Keith, Elbert Reeves, Bill Dunning, Gene Hawkins, Ben Keltz and

Cliff Stephens served as hostesses at an open house reception from 3 until 4:30, in the Patrick home.

Approximately thirty-five friends and relatives called, and visiting Mrs. Fisher Sunday were a granddaughter, a great-granddaughter, and two great-grandsons. They were Mrs. M. E. Tew, her daughter and family, Mr. and Mrs. David Smith and sons, Jimmie Carl and Doyle, all of Lubbock.

On Monday, Mrs. Fisher's daughter, Mrs. Annie Patterson, was accompanied from Lubbock by her other two daughters (Mrs. Tew is also a daughter of Mrs. Patterson), Mrs. Joyce Hendricks and Mr. and Mrs. B. F. Mosley, for a short visit.

Receives Three Cakes
Mrs. Fisher received three cakes in honor of the occasion, two from her granddaughters, and the other from the hostesses.

Mrs. Dunning presided at the crystal punch service and Mesdames Keltz, Keith and Hawkins served the cake. The table was covered with a lace cloth, and an arrangement of red carnations, white lilies and grapes was highlighted with large figures of "99" in gold.

Guests were registered in a cleverly designed book fashioned in the shape of an old-fashioned bonnet made by Mrs. Dunning. The padded covers were of pink gingham and decorated with miniature rosebuds.

Among the many gifts Mrs. Fisher received was a housecoat from Mr. and Mrs. L. O. Henson of Farmington, N.M. which came by mail Monday.

affiliation is a convenient veneer with which to earn a dollar, at the same time creating a necessity for spending two.

History might have written a different story if the wagon yard offered a heated swimming pool, radiant heat and television. People are reluctant to give up their horses and the horse might stay with us longer if the necessities to travel had been a less barbaric.

The stigma of poverty is condescended as long as our credit is sufficient to buy an automobile. Terms and the grocery man in his judgement by allowing extension of his bill.

The essence of ignorance is suffering from the malignancy of not being aware of it.

In theory it is impossible to kiss a bride; until we reach it, on the other hand the series of bridges in a highway cloverleaf are not attained without reversing the course or the program.

Twins are Born to Alexanders of Post
Coach and Mrs. Vernard Alexander of Post are announcing the arrival of twin daughters on Tuesday, March 2. The babies are born a few minutes past midnight last Monday in the Larza County Hospital. Linda, who was born at 12:08 a.m., weighed 5 lbs. 12 ozs., and Jane, at 12:10 a.m. weighed lbs. 11 ozs. The mother is the former Patti Pipkin, who was married here. The Alexanders' eldest daughter, Leslie Ann, will be three years old in June. Grandparents of the children are Mr. and Mrs. B. T. Alexander of Dallas, and Mr. and Mrs. N. (Bill) Pipkin of Matador.

The boys and their FFA sponsor, Bill Peacock, Roaring Springs agricultural instructor visited the Battleship Texas, San Jacinto Battlefield and the Houston ship channel. The boys also attended the rodeo and looked at the livestock shown during the exposition. The group left Friday and returned Sunday night.

Bloodworths Home From REA Meeting
Mr. and Mrs. Joe Bloodworth returned home last week from a trip to St. Louis, Mo., where they attended a national REA convention. Although attendance was under former years, an estimated 6,000 delegates were present.

Others from this area at the convention were J. W. Coppedge, manager from Memphis, and a director, Clyde Fowler.

The Bloodworths were snowbound in St. Louis, and after departing there, drove to Little Rock, Ark., and continued to Dallas where they visited a daughter and family, Mr. and Mrs. Vernon Higginbotham.

They also visited in Waco with Mrs. Bloodworth's relatives, and in Temple with Elmer Stearns before returning home.

VISIT RELATIVES
Mr. and Mrs. Welton Locke and children of Porterville, Calif., arrived Wednesday evening for a short visit with her sister and family, Mr. and Mrs. Howard Gwinn. They were en route home from Weatherford where they were called at the death of Mrs. Locke's grandfather, W. R. Holt.

Former Resident Claimed by Death

A former Whiteflat resident, W. R. Holt, 72, died Friday at 9:30 at Weatherford, where he had been residing the past two years, and funeral services were held there Sunday at 2:30 p.m. in Galbreath and Pickard Funeral Chapel.

Mr. Holt died in Campbell Memorial Hospital after an illness of several months.

Officiating in the memorial services was Rev. L. D. Cleveland of Woodson, pastor of the Methodist Church there, and former pastor of the Whiteflat Methodist Church, of which Mr. Holt was a member.

Burial was in Weatherford cemetery and pallbearers were grandsons, Donnie Marrs, James Thomas, Dewayne Followill, J. W. Yates and Howard Gwinn, and one nephew, Elvin Brown.

A native Texan, Mr. Holt was born Oct. 17, 1887, and died March 4, 1960 at the age of 72 years, 4 months and 17 days. He was married Nov. 19, 1906 to Miss Ethel Brown at Athens, Henderson County, Texas, and they moved to Palestine in Anderson County where they lived.

Baptist Men Slate Monthly Breakfast

Brotherhood of the First Baptist Church will hold its monthly breakfast meeting Saturday at 6:45 a.m.

President Forrest Campbell extends an invitation to all men of the community to attend the breakfast and devotional meeting which has become a regular monthly feature of the organization.

Mrs. Jim Ford Goes To New Hampshire

Mrs. Jim Ford left Sunday by plane from Lubbock for Manchester, N.H. to the bedside of her grandson, James Henry, 8, who is critically ill in Elliott Hospital there. He is the son of Mr. and Mrs. Norris Ford, and is afflicted with complications following a siege of mumps which left him in a comatose condition.

Mrs. Ford was accompanied to Lubbock Saturday evening by Mr. and Mrs. D. E. Pitts and a sister-in-law, Mrs. Henry Ford. Her scheduled 11 p.m. flight was cancelled due to weather conditions and she remained for a later flight on Sunday.

In a telephone conversation Monday with relatives here, Mrs. Ford said there had been no change in the boy's condition.

SALE PRICE SET FOR CCC COTTON

Minimum sales prices for Commodity Credit Corporation stocks of upland cotton have been determined for the 1960-61 marketing year, according to A. K. Wilkinson, chairman, Motley County Agricultural Stabilization and Conservation Committee.

The new sales prices are intended to emphasize farmers' marketing. The announcement at this time will provide farm operators with information on CCC's sales prices before the March 16 deadline for electing Choice (B) allotments and price support for the 1960 crop.

For 1959 and prior crops of upland cotton in CCC inventory, the new minimum sales price will be the higher of (1) the market price as determined by CCC, or (2) 115 per cent of the 1960 Choice (B) loan rate. (This compares with the current 110 per cent of the loan rate.)

For 1960-crop cotton, the minimum sales price is as follows: When the cotton is sold by local sales agencies, the minimum sales price will be 110 per cent of the Choice (B) loan rate; when the cotton is sold by the New Orleans CSS Commodity Office, the minimum sales price will be the higher of (1) the market price as determined by CCC, or (2) 110 per cent of the Choice (B) loan rate.

Mr. Wilkinson pointed out that carrying charges will be added to the sales price, beginning with 10 points in October 1960, and increasing 20 points per month for each month thereafter to a maximum of 190 points in July 1961. The current monthly increase for carrying charges is 15 points per month for each month after October 1959.

Mrs. Harry Willett returned home Monday from Denver, Colo., where she has been visiting her daughter, Mrs. Dorothy Rogers.

Mr. and Mrs. George Cullin drove to McLean Friday to take their young granddaughter, Charise, home and to her parents, Mr. and Mrs. Charles Cullin, and continued to Amarillo where they visited overnight Saturday with their other son and family, Mr. and Mrs. Ray Cullin.

American Legion Cited for Service

Forty-one years of service to war-buddies of World War I, and their families is the record of Fleming Post No. 337 American Legion, and coming from Hedley to join in celebration of the occasion Monday night was C. L. Johnson, Past-Commander of the 18th District American Legion.

"The American Legion has rendered to ex-servicemen and their families through the years, benefits unequalled by any other service organization," cited Mr. Johnson. However, the Legion does not limit its ministrations to those who need help. It goes beyond the "line of duty" to perform services to the community and its citizens, he pointed out.

"The American Legion stands for God and Country, in marked contrast to the atheistic concepts of the late dictators who have tried to conquer the free world, but failed," Mr. Johnson declared. "In their greed for power, the Godless tyrants who provoked the wars miscalculated, and all came to naught."

Also a speaker at the meeting was M. Sgt. W. R. Tilson, who will soon report to Dyess Air Force Base, Abilene, after completing a course in missiles at Chanute AFB, Illinois.

Natural Protection

Because of the topography of the foothills area, Motley County is strategically located with regard to safety from any fall out from atom bombs, Sgt. Tilson declared in his brief talk.

The foothills extending from the Caprock form a "natural protection" and make water and food supplies available, he asserted in elaborating on the technicalities of possible atom warfare.

The Swing Kings, David Rattan, Robert Brown, Robert Brandon and Larry Keltz, furnished dinner music, and Mrs. L. D. Wilkerson and her daughter, Margaret, led the group in singing old wartime favorite songs. Two Fleming Post charter (Continued on back page)

Casting Started in Lions Annual Show

THE BEST is barely good enough to satisfy the directors of Matador Lions Club annual show scheduled for April 11. Lions Bill Seale and Forrest Campbell have already started casting for the production. The very best acting talent among the membership will appear in the cast according to Lion Seale, who wrote the play.

Matador Troop 60 To Participate in Scout Exposition

Matador Scout Troop No. 60 will participate in the South Plains Council "Golden Jubilee Scout Exposition," Saturday, March 12 in Lubbock, it was announced this week.

The exposition will be held at the Lubbock Coliseum where thousands of Scouts will be displaying the special skills of Scouting in over 100 demonstration booths.

The Matador Troop 60 booth will be No. 72 inside the coliseum, according to information received by Scoutmaster Douglas Pitts Jr., who said that the local scouts would demonstrate knots and ropemaking. The Scouts in Action booths will be open from 2:00 to 4:30 p.m. and 7:00 to 9:30 p.m.

"The theme of this year's Exposition is 'Golden Jubilee' to help celebrate 50 years of service to America by Scouting," said J. W. Smith, general chairman of the Exposition.

Don Austin, Participation chairman, emphasized that each booth will be built around "Boy Action" and "Boy Made" things.

"This means," explained Scoutmaster Pitts, "that the boys are to receive no outside or adult help in staging their demonstrations. They will be strictly on their own."

Admission tickets are on sale for 50c and may be obtained from the Scouts. They also will be available at the Coliseum ticket office.

Jan Barton Yields Area I FHA Gavel

A Slaton girl, Miss Patsy Pettigrew, was installed as president of Area I Future Homemakers of America in closing ceremonies at the organization's annual meeting Saturday in Lubbock.

She received the president's gavel from out-going officer Jan Barton of Matador.

Approximately 2,000 members of junior and senior high school FHA chapters in 38 North and West Texas counties braved the elements to attend the meeting in Municipal Auditorium.

"Climbing the Stairway of Life" was the subject chosen by Miss Barton, who, as president, presided during the day's program and spoke at the afternoon session.

Miss Barton is a member of the 1960 White House conference on children and youth and the Governor's Committee of Texas. She will participate in the national conference in Washington, D. C., March 27-April 5.

She won second place in the senior girls' declamation contest at the University Interscholastic League meeting in Austin last year. She also won in a statewide contest of the Santa Fe awards program, gaining a trip to the National 4-H Club Congress in Chicago during November and December, 1959.

Theme of the Area I FHA convention this year was "FHA - Stairway to the Stars." Mrs. A. L. Fair, Matador High School was area sponsor and Mrs. C. M. Barton Jr., (mother of the president) was area FHA mother. They accompanied the Matador FHA chapter members in attending the convention.

HERE FROM CALIFORNIA

Mr. and Mrs. Matt Sullivan of Sacramento, Calif., are visiting here in the home of his cousin, Mr. and Mrs. D. L. Damron. They arrived Friday and continued to Gainesville, returning here Tuesday. They also attending to business while here.

Mr. and Mrs. D. E. Pitts were accompanied on a business trip to Dallas last week by Mrs. R. E. Donovan. The group returned Wednesday.

To Wear Uniform

All Lion members, including the cast, will wear a standard "uniform" or apparel, which includes white shirt, black trousers, black shoes and black bow tie.

"We are trying to take out the rough spots in the show," Seale said, "and at the same time advance the theme with continuous action. We have anticipated time needed in selecting the Lions queen through balloting, and the sale of the candy."

The author-director said prizes given away through the sale of candy will be valuable, although probably fewer in number than in previous years.

"We hope to establish a new area of dignity in the Lions show," Seale said, "and yet retain and enhance its entertainment qualities."

In discussing the play, Seale said: "We will try to find an assignment for every member, but the fact that a member carries a Lions card does not qualify him to play in the cast. Since we have the responsibility of the show, we have also assumed the authority to cast to the best of our judgment."

Cold Slow To Move

The mercury climbed to 80 degrees in Lubbock Monday afternoon but the remnants of a 10-day-old snow remained on the ground here. All but traces had melted by noon Tuesday as a freak sandstorm swept away the sullen clouds.

In Amarillo Monday the mercury was 10 degrees colder than in downtown where the sun was shining. Dalhart was warmer than Dallas and Ft. Worth.

Residents here were wishing for a sandstorm to dry up the sodden earth. They got it, although the duster was short-lived.

Weathermen hope to reduce their purchases of tranquilizers as the heat advances across the state and a semblance of "normal" conditions return. A new front has been reported in the Pacific Northwest but forecasters believe it may be dissipated by the time it reaches the Panhandle. But they could be mistaken again.

Reeves to Speak at Roaring Springs

Roaring Springs Parent-Teacher Association will hear Judge Elbert Reeves speak on Civil Defense at a regularly scheduled meeting Monday night, March 14, in the high school gym.

Other highlights of the announced program will be an accordion selection by Miss Charlene Owens and piano numbers by Linda Conway and Randolph Strickland.

In his talk, Judge Reeves will include a discussion on radioactive fallout. The civil defense program for the year will also include a film, "Monster in the Sky."

Everyone is invited to attend this program which promises to be one of vital interest to the public in general. Following the program, refreshments will be served by mothers of the 7th and 8th grades.

TO DALLAS

Jody Graham accompanied his mother, Mrs. Curtis Graham to Dallas Monday where she has entered Baylor Hospital for a medical check up. Mr. Graham was a patient in Stanley Hospital here for several days this week.

JUNIOR STUDENTS GIVE ASSEMBLY

The junior class of Matador High School presented their assembly program in the auditorium Friday, February 26. The theme for the show was "Junior Spectacular."
Announcer Dink Wilson introduced the Mistress of Ceremonies, Donna Williams. First the program was Miss Glenda (Nelda Wilson) and the Debs singing "Sweet Nothin'."
The studio audience was then privileged to hear a special group straight from Huntsville, Miss. Wellie, Pa. Norma, Norma as Nellie, Roy Hobbs as the Constable in the skit, "The Constable and the Little Nellie."
Next was the famous pianist in Cleburn (Gwen Killingsworth), who played "Rock Around the Clock."
From the Arthur Surry Studio came the sensational Miss "Cleora" (Janie Waybourn) who

did her all new Slink dance. Gale Stafford and Guy Campbell presented a skit on how to collect wages from an employer. The Debs (Linda Thompson, Gwen Killingsworth and Ida Fair) sang a late recording, "Why Do Fools Fall in Love?"
Next, direct from Chattanooga, Tennessee, to the JRS Studios, came the couple who had won many contests, Frances Cooper and Carol Campbell. They pantomimed their famous number which won the M.O.S.S. prize this year, "Two Tone Shoes."
Announcer Wilson reminded the studio audience to stay tuned to the JRS network to hear the terrorizing story of how Detective W. Moore of MHS discovered the cause of chemists becoming neurotics.
Then the universally known Debs sang their latest recording, "Oh Carol" and also "He Will Have to Go."
The Twinkle Toes (Stanley Welling, Jane Scaff, Dink Wilson, and Donna Williams) appeared next on the program doing the latest dance steps to "Red River Rock."
A trio from Harlem (Guy Campbell, Gale Stafford, Garland Glascock) sang "Bill Grogan's Goat" with the entire cast joining in on the last.
The show was concluded by the cast singing "For We Are Jolly Good Fellows," but it seemed this was censored because it turned out to be a noisy gang fight.
Signs of "Laugh," "Smile," "Encore," and "Applaud" were carried by Dink Wilson, Stanley Welling and Frances Cooper

The eighth grade is enjoying studying "Homer, the homeless," a skeleton, in health class. They are studying geometric constructions in arithmetic.

The seventh grade is practicing on a play that will be held soon. The name of the play is "Boris and the Briefcase." In arithmetic the seventh grade is learning how to find the circumference of a circle.

The sixth grade is concentrating on spelling now. They have made spelling graphs to show their progress.

The fifth grade is still visiting the Latin countries in their geography book.

In the fourth grade each student has drawn a picture of a child from that country, and then has drawn a familiar scene from that country. Mrs. Keith also has given them books to read about these countries.

The third grade has been reading stories of early days in Texas. The students were asked to find out about their ancestors. One child brought a list under this heading, "My ancestors."

In Mrs. Marshall's second

grade they have started a "Good Citizen of the Week" program. Each week a student receives an award stating why he was chosen Good Citizen of the Week. Some of the traits to receive this award are dependability, cleanliness and courtesy.

CAMPUS CUES

By Carolyn Pohl

The science classes of MHS enjoyed the visits from M. Sgt. W. R. Tilson last week. He explained to the classes his theory on radioactivity and atomic energy. He also conducted a question discussion period.

Girls not playing basketball were entertained with a slumber party in the home of Vada Nichols after the football banquet. The basketball girls were unable to attend because they still had a bi-district game to play.

Last Thursday night Sue Cross entertained with a slumber party for all high school girls. This was the first for the basketball girls since training started at the first of the season.
See ya next week!

Rev. Dorman Kinard, pastor of the Parkview Baptist Church, officiated in the single ring service. Pyramid candelabra with white tapers, baskets of gladioli, chrysanthemums and pompons and greenery decorated the altar.

Pre-nuptial music was played at the organ by Hesterbea Denton, who also played softly during the exchange of vows. Miss Carla Chambliss of Matador, sister of the bride, and Miss Sandra Crump, Plainview, were bridesmaids. Sue Doss, Plainview, and Charlotte Chambliss, sisters of the bride and groom, lighted the candles. There were no honor attendants for the bride.

Mahlon Coulson of Lubbock

served as best man, Jimmy Cook was groomsman, and assisted the bride's brother, Pete Chambliss of Matador as usher.

The feminine attendants wore blue dresses with white accessories.

Mr. Chambliss escorted his daughter to the altar and presented her in marriage. She was attired in a gown of all-over lace over taffeta. The full circular skirt was topped with a fitted bodice styled with long tapering sleeves and high neckline finished with small rolled collar.

Her fingertip veil of nylon net was held by a clip bandeau of seed pearls. She carried a bouquet of gardenias and pompons arranged with showers of satin ribbons on a white Bible.

The wedding guests were received at a reception following the ceremony in the church parlor. Assisting the couple in receiving were their mothers, the bridesmaids, Mr. Coulson and Mr. Cook.

For the wedding trip, the bride selected a light brown

dress with fitted, scoop neck bodice and pleated skirt, styled with lace cloth bolero with wide roll collar. She wore beige accessories and the pompon corsage from her wedding bouquet.

After a week's honeymoon the couple will make their home at 403 Austin Street, Plainview. The bride is a graduate of Matador High School and is employed in Plainview with Cargill Elevator. SAM ROSS HONORED BY KHIVA TEMPLE

Over 400 Shriners of Khiva Temple honored Sam D. Ross of Flomot, the new illustrious Potentate, and the elective Divan, with the annual Potentate's Ball held recently (Feb. 27) in Amarillo.

Formally presented and honored at the affair with Mr. Ross were Mrs. Ross and their daughter, Mrs. W. R. Ware of Flomot.

The elaborate decorations for the ball carried out the Arabian Nights theme. Table decorations were gold and silver epergnes heavily-laden with fruit, the latter spilling out and along the tables in artful arrangement.

A simulated grapevine was placed along one wall of the ballroom and from it hung clusters of "grapes" — in this instance, mauve and purple balloons.

Setting for the presentation ceremony was a striped tent, brightly-colored cushions, palms and life-size camels.

Account of the ball in the Amarillo Daily News stated that Shriners and their ladies from Lubbock, Friona, Hereford, Plainview, Borger, Spearman, Tulia, Turkey, Olton, Pampa and Flomot were present in addition to those from Amarillo.

BIBLE STUDY CONTINUES

The Woman's Society of Christian Service met at the Whiteflat Methodist Church, Tuesday, March 1. At the business session, the women voted to buy new chairs for the junior room, and to send two delegates to the Conference W.S.C.S. meeting at Brownfield this month.

After an opening hymn, "This Is My Father's World," the Bible study was taught on "The Kingdom of God" and "The Gospel of Love," both on the book of Luke. Six members and one visitor were present despite the frigid weather.

program. Others participating included Mesdames C. D. Garrison, Tommy Edwards, Stuart Dixon, A. K. Wilkinson, Clifford Martin, Wilson Barton, Arthur Cooper, Tom Tison, L. A. Carlisle, Jim Lancaster, M. D. Morris, and Misses Frances Cooper and Mary Ellen Wedel.

Whitellat Spring Socials Scheduled

The Whitellat Home Demonstration Club is sponsoring its spring series of socials twice monthly to begin Friday, March 11, at the clubhouse. Everyone is invited to attend and play "42" and dominoes. Charge will be 35c for each person playing, and will include refreshments. Games begin at 7 p.m. and those attending may come at that hour or later.

The H.D. club met Thursday afternoon of last week in the home of Mrs. Malcolm Jameson and Miss Melba Jameson. Mrs. Scott Robbins held the business session. A poem, "When Things Go Wrong," was the opening exercise. Roll call was answered by reporting on "how my family is prepared for an emergency." A report from the H.D. Council was given, including some hints on fire prevention.

The program, on "Civil Defense," was given by Mrs. M. D. Morris. She gave a graphic word picture of conditions following an atomic attack, then followed with instructions about shelter preparation, supplies to store, and life-preserving action in the event of an attack.

Mrs. Wilson Barton led games and quizzes. Delicious refreshments were served by the hostesses. Others present included Mesdames Jim Lancaster and A. L. Cooper.

Abundant Moisture Favors Planting Of Range Grasses

It's grass planting time in the foothill country. With moisture conditions the best in recorded history, grass drills are being rigged and seed boxes filled as many local farmers and ranchers prepare to improve the quantity and quality of grass cover. According to Grady Lane Jr., Matador Soil Conservation Service, some ranges are planned for

improvement by overseeding to more desirable grasses while in other cases several old fields formerly row-cropped are being converted to rangeland. The latter is the situation on the Marvin Dane farm three miles south of Roaring Springs. This farm, known locally as "the old Cox place," has a good cover of red top cane litter drilled last summer. This dead litter will furnish an ideal seedbed for the switchgrass, sideoats and blue grama grasses Dane plans to sow on 116 acres.

He believes that grassland farming will prove more profitable on land such as his which saw cotton and grain yields gradually decreasing. A meager cotton crop in the "wet" year of 1957 gave a good indication that some land use changes needed to be made.

Dane, who lives in Paducah, is carrying out this part of his conservation plan utilizing the Great Plains Conservation Program as well as the Conservation Reserve. He will not, of course, earn duplicate cost sharing assistance. To plant his grass he plans to use a grass drill made available by the Upper Pease Conservation District at a small rental fee.

Among others planning to seed permanent native grass on old cropland are J. W. Franklin and Wade Berryman in the Flomot area and Buck Marshall of Roaring Springs.

Overseeding rangeland following some degree of surface disturbance this year is the plan of Odie Crowell south of Flomot and W. D. (Duke) Lipscomb on his ranch 22 miles northeast of Matador.

Lipscomb, an Upper Pease SCD supervisor, will use a mixture of switchgrass, buffalograss, sideoats and blue grama while Crowell plans a similar mixture with blue panic grass

added. Both of these cattlemen have Great Plains Conservation Program plans and are participating.
