TRAIL DUST

By DOUGLAS MEADOR

TRUTH is the hills and gossip the vexing winds that torture the trees, bend the grass and stir the silt of doubt and dissent. Time will cloak the force with silence and leave the hills changeless, eternal.

LOVE MAY NOT be worth its pains but the agony of having to take another's word for the experience certainly does not leave any credit on the other side of the ledger.

WHAT THIS NATION needs right now is some non-dieting leaders to sit on the purse strings for awhile until the hysteria of spending ourselves into bankruptcy has subsided.

PIONEER DUGOUTS, with a few changes, would have met specifications for fallout shelters, an example of the relative security the western homesteader had at his disposal. Poverty, sickness and starvation were constant members in his cast of woes, but on the other hand his children had no streets to cross, no hot rods to soup up.

IT IS EASY to understand how the Russian people envision utopia after a few slugs of vodka. Their big scientific secret is a method that keeps the effects of the stuff from wearing off.

DUST of mighty nations that have perished on mesas of history is heedless testimony that slaves will rise and destroy those who wrought their chains.

Rev. H. T. Harris Retiring As Pastor

Rev. H. T. Harris, long-time Baptist preacher, who has served the Whiteflat Baptist Church a total of fifteen years, has announced his retirement from active ministry.

Rev. Harris has been pastor of the Whiteflat church since 1961 and also served the church from 1934 until 1939. He will hold his final services as pastor at Whiteflat, Sunday, November 19. He will preach in both morning and evening services, at 11 o'clock and 6 p.m. Rev. and Mrs. Harris plan to make their home in Childress and will move there in the near future.

MATADOR SCHOOL IS NAMED AS STUDENT TEACHING CENTER

Matador High School has been selected as a student teaching center by the Department of Agricultural Education at Texas Tech.

Mr. Harold Williams, who is working on his Master's Degree at Tech, will be observing and teaching classes here until the Christmas holidays. Such teaching made possible by cooperation of the local vocational agriculture department and Texas Tech, permits him to gain direct teaching experience under the supervision of an experienced teacher of vocational agriculture.

IN AMARILLO HOSPITAL Fred Stanley of Dumas is in St. Anthony's Hospital, Amarillo, where he has undergone medical examination. His mother, Mrs. R. M. Stanley went to Dumas Tuesday and accompanied her son and family to Amarillo.

ROARING SPRINGS FFA TEAMS WIN IN DISTRICT CONTEST

For the third year in succession, Roaring Springs Chapter of Future Farmers of America has entered a winning team in district Farm Skill contests.

The Roaring Springs Senior Farm Skill team of Rogene Swim, Don Tardy and Gordon McGee placed first, Saturday in the Plainview District Leadership and Farm Skill contests, held in Plainview.

This was for skill in performing nitrogen, phosphorus and potash tests on soil samples. The Junior Farm Skill team took second place, and the Farm Radio team placed 7th in the contests. On the Junior team were Stacey Watson, Joey Thacker and Jerry McGee, and the Farm Radio team members were Ronnie Davis, Bill Brooks and Larry Pierce.

The teams are coached by Voc-Ag teacher, Bill Peacock. All first place teams in the district covering the Panhandle will meet again in Plainview, Saturday for area contests. State finals will be held at Huntsville at a later date.

Banners for the winning teams were awarded at the district banquet held in Floydada Monday night. At the banquet, held at the high school, Roaring Springs Chapter Sweetheart, Shirley Stafford competed with 13 other entries for the district title which was won by the Cotton Center Sweetheart.

Plans Made for Thanksgiving

Community Thanksgiving services will be held next week at the Methodist Church, it was announced this week.

The services will be held Wednesday night, November 22, and will begin at 7:30. Speaker will be Rev. Miller Robinson, Baptist pastor.

Features in addition to the Thanksgiving message will be special music by the choir, a reading by Miss Barbara Bird, and hymns by the congregation in keeping with the occasion. Everyone is invited and urged to attend this traditional service.

COMMUNITY SERVICE AT ROARING SPRINGS

The public is extended a cordial invitation to attend a Community Thanksgiving program at Roaring Springs Methodist Church, Wednesday, November 22, at 7:30.

Rev. Haywood Kube, pastor of the First Baptist Church will deliver the message and special music will be presented by combined choirs of each church.

Rites Held for Nykola Freeman

Funeral services were held for Nykola Freeman, 6, at the Roaring Springs Church of Christ, Tuesday at 2 p.m.

Tribune Receives Letter to Santa

Dear Santa Claus: I am a little girl seven years old. I want Thumbelina, please. Also a baking set, please. Don't forget all the other girls and boys.

Love, Kay Russell

Kay's letter is the first to Santa received at the Tribune this season, and will promptly be forwarded to the North Pole. Other girls and boys are urged to get their letters written and in the mail early, to avoid the last-minute rush at Christmas.

Lions to Get Look Into Missile Plan

Guns that shoot with accuracy, up to 9,000 miles, the mighty Atlas Missile, will be explained to the Matador Lions Club and visitors, at the Tuesday (November 21) meeting following the luncheon in the Methodist Church basement.

Frank Praytor, communications administrator, of General Dynamics Astronautics (formerly Convair), builder of the biggest guns the world has ever known, will explain the Atlas and show slides of the vast silo installations. He was in Quanah November 4 and addressed the Panhandle Press Association one-day meeting, preceding a tour of a newly-completed Atlas silo near Altus, Oklahoma by the press group.

Mr. Praytor in telephone conversation with the Tribune Publisher Douglas Meador Monday confirmed acceptance of an invitation to appear before the Matador civic club. He was invited at the request of program sponsor Lion Bill Seale.

Lions who have wondered about the hole into which the government is shoveling all the money will have it explained by Mr. Praytor, in what may be the biggest bargain a tax dollar ever bought. It is, of course, the hope of the world that the gun will never be fired.

Each missile silo is 178 feet deep (Matador water tower is 150 feet from top of tank to the ground). The silo is 40 feet across, and two mighty doors weigh a million pounds.

Invitations have been mailed to Presidents of Roaring Springs and Flomot Lions for delegations to attend. Matador Lions Secretary Frank Price will need to know in advance the number of visitors in order that the luncheon may be planned accordingly.

Record Crowd Attends 4-H Awards Banquet

Despite adverse weather conditions, approximately 225 residents of Motley County and several guests from out of town, were on hand Tuesday night for the annual Motley County 4-H Achievement banquet, held in the American Legion building.

Highlight of the meeting was the presentation of awards. Highest of these, the Gold Star Awards, went to Pat Cooper, daughter of Mr. and Mrs. Alfred Cooper, Matador and A. J. Dye, son of Mr. and Mrs. Alfred Dye of Roaring Springs, who served as Master of Ceremonies.

Special recognition went to several adults, who also received award plaques. These included Mrs. W. M. Graham, "Friend of 4-H," Mrs. Kenneth Thompson, "Alumni Recognition," and Mrs. C. C. Jones of Flomot, "Service to 4-H."

Mrs. Graham has donated the use of a building here, the former Texan Cafe as a meeting place for the 4-H Junior Leadership Club. Mrs. Thompson has furnished transportation to district meetings and camps, and aided in several demonstration projects in which 4-H members participated. Mrs. Jones has aided 4-H girls clubs of the county in presenting their annual style revues, and in many other 4-H Club projects.

County Agent Bill Palmeyer introduced various adult leaders who made the presentations. In a brief resume of 4-H activities in the county, he said that 310 members are enrolled in the county, 199 of whom earned certificates of completion and 74 earned medals or other awards. There are nine clubs in the county: two at Flomot, three at Roaring Springs, and four in Matador.

Invocation was by Rev. Miller Robinson, and Rev. Roy Patterson gave the benediction. The barbecue supper was the courtesy of Hall County REA, Dickens County REA, and Motley County 4-H families.

Out-of-town guests included District Extension Agent James Simmons and Mrs. Simmons, and District Home Demonstration Extension Agent Miss Fern Hodges, of Vernon; Mr. and Mrs. J. W. Coppedge and D. C. Messick, Hall County REA, Memphis; Mr. and Mrs. Dalton Knight and daughter, Sue and Mr. and Mrs. Tommie Kissinger, all of Spur, representatives of Dickens County REA.

McMurry Chanters Are Scheduled Here

ABILENE—The McMurry College a cappella choir, the Chanters, will present a concert of secular and sacred music Monday, November 20 in the Matador High School at 2:00 p.m.

Dr. Richard von Ende will direct the fifty-one choristers. The program will include such numbers as "Autumn Leaves" arranged by Reed, "Song of Love" arranged by Frey, "Lauterbach" a folk song arranged by Dr. von Ende, "Careless Love" with solo by Jim Wynne and "Dark Eyes" arranged by Simeone.

Among the sacred selections will be Psalm 100 with music by Schuetz and antiphonal quartet composed of Martha Swindle, Frank Stiehler, Marjorie Goforth and Jerry Spurlin. (Continued on back page)

MATADOR CHAPTER IN FFA CONTESTS

Three leadership teams represented the Matador Future Farmers of America chapter in the Plainview District Leadership contests, Saturday in Plainview.

The Senior Chapter Conducting team placed third. This team was composed of Robert Brown, president; Thomas Edmondson, vice president; Roger Vinson, sentinel; Jack Luckett, reporter; Johnny Peirce, treasurer; David Rattan, secretary; Johnny Thomas, advisor; and David Thompson and Don Seigler as members.

Placing sixth was the Greenhand Chapter Conducting team. On this team were Kenneth Pitts, president; Tommie Green, vice president; Larry Keltz, sentinel; Tim Green, reporter; Charles Ezzell, treasurer; Jack McCallie, secretary; and Larry Norris, advisor. (Continued on back page)

Jan Barton Speaks At Conference Of American Bankers

Miss Jan Barton of Matador was a luncheon speaker, Tuesday in Dallas at the tenth annual National Agricultural Credit Conference of the American Bankers Association.

The second-year student at Texas Technological College, Lubbock, is the daughter of Mr. and Mrs. C. M. Barton Jr.

She was invited to speak at the Dallas meeting by Charles N. Shephardson of the Federal Reserve System, Washington, D. C. who heard her speak in Washington in March at the National 4-H Congress.

Miss Barton spoke on "Your Investment in America's Youth." Other speakers on the Tuesday noon program was J. Lewis Pooner of Alexandria, Virginia, whose subject was, "Cave Man to Space Man."

Approximately 700 bankers and their guests from over the United States attended the two-day Conference, November 13-14 at the Statler-Hilton Hotel in Dallas and heard addresses by some of the nation's outstanding agricultural and financial leaders.

Miss Barton has accepted an invitation to speak Saturday night in Amarillo at the Potter County 4-H Gold Star banquet.

Graveside rites were held in the cemetery at Turkey, Sunday at 2:30 p.m. for Arla Kay Christian, infant daughter of Mr. and Mrs. Ronald Christian of Matador. The baby was stillborn about 5:30 Saturday, at Stanley Hospital.

Survivors include the parents, Mr. and Mrs. Ronald Christian, and one brother, Craig, 2, of Matador; maternal grandparents, Mr. and Mrs. Carl Wilson of Lockney and paternal grandparents, Mr. and Mrs. Albert Christian of Turkey.

Graveside Rites Held for Infant

Graveside rites were held in the cemetery at Turkey, Sunday at 2:30 p.m. for Arla Kay Christian, infant daughter of Mr. and Mrs. Ronald Christian of Matador. The baby was stillborn about 5:30 Saturday, at Stanley Hospital.

Survivors include the parents, Mr. and Mrs. Ronald Christian, and one brother, Craig, 2, of Matador; maternal grandparents, Mr. and Mrs. Carl Wilson of Lockney and paternal grandparents, Mr. and Mrs. Albert Christian of Turkey.

THE LIGHTS WENT out but it was not dark on Turkey's Vardy Field Friday night for most of the population of Matador which had followed the Matadors to the site. The Matadors were wading in Turkey feathers 41-2 and had won for themselves the 2-B District championship the third year in succession. With only 22 seconds left to play, the game was called: a transformer had burned out.

The prospects are good but hardly so rosy when the Matadors meet the Rochester Steers here on Burselson Field at 7:30 Friday night to settle the matter of bi-district championship. The Steers have already defeated the Matadors this season (Sept. 6, 16-6) in pre-conference play. The Matadors and their fans are not convinced they can do it again. Admission price will be 50c students and \$1.50 adults. By arrangement with Rochester officials Matador reserved seats will be honored although they were sold for regular season only.

Winner of the game here Friday night will meet the winner of the Throckmorton-Era game being played in that district at the same time.

Here is the Matador-Turkey game as seen by sports writer Johnny Ezzell.

Cold Rain Stymies Panhandle Harvest

COLD RAIN, snow and sleet has put a quietus on harvesting in the Texas Panhandle. Slow rain, drizzle, with short intervals of sleet and snow has fallen here almost constantly since Monday.

The fact that the mercury has hovered slightly above the freezing mark has Motley County out of the snow and ice storm bracket, but is little consolation to farmers with fields of sodden cotton and milo.

At press time last night Bob Stanley's rain gauge had recorded a total of 1.17 rain. Another front was due to move into the area around midnight Wednesday, according to weather forecasts.

Cherri Barton Is FFA Sweetheart

Miss Cherri Barton was elected FFA Sweetheart by the Matador Chapter of Future Farmers of America, in recent balloting. She is the daughter of Mr. and Mrs. C. M. Barton Jr.

Head Cheerleader for the Matador Pep Club, Miss Barton was also selected by the Matadors as their Football Sweetheart this season. She is active in school organizations, and holds several offices, including those of senior class reporter, 4-H Club reporter and social chairman of the Matador Chapter of Future Homemakers of America.

Ronald Bailey visited in Stephenville this week with friends at Tarleton State College.

ANNUAL DRIVE for calves (or contributions) for the Methodist Home in Waco is underway. Rev. Roy Patterson, pastor of First Methodist Church has announced. All calves are to be delivered by November 20, at the home of Mrs. U. L. Willie, where they will be loaded for transporting. Sam Ross of Flomot will furnish the truck for this purpose. Bundy Campbell is chairman of the committee composed of Doc Burselson, W. D. Lipscomb, and Mrs. Olive Russell. Above is shown several of the Motley County calves shipped to Methodist Home last year, being admired by a group of boys who live there.

Church and Society

MUCH INTEREST IN ART EXHIBIT

Much interest was shown in the Fine Arts Festival, sponsored by El Progreso Club, by visitors from towns in the area and a large number of local residents.

Dr. Clarence E. Kincaid from the Texas Tech Art department, assisted by Herschel Harlan, showing slides, spoke before an open meeting of El Progreso Club, November 7, in the high school auditorium.

Program subject, "Investigation into Art Appreciation," was introduced by Mrs. A. C. Tra-week, program director. The High School Girls' trio, Judy Hobbs, Vada Nichols and Cherryl Barton, accompanied by Sandra Stevens, sang "Beautiful Dreamer," and Mrs. W. F. Jacobs, accompanied by Mrs. G. E. Hamilton, sang "How Great Thou Art." The closing prayer was by Miss Sue Glenn.

The president, Mrs. W. N. Pipkin presided at a business meeting of the club. Others present were Mesdames J. R. Whitworth, Frank Montgomery, Frank Pohl, J. L. Woodruff, Ralph Stapleton, R. W. Overstreet, W. D. Lipscomb, Vance Gilbreath, C. P. Waybourn, Jack McCallie, Harry Willett, Elbert Reeves, F. G. Simpson, Ben Keltz, U. L. Wile, Eldred Seigler, A. J. Daffern, Douglas Meador and a number of guests.

CARD OF THANKS

We wish to take this means of expressing our profound appreciation for the many kindnesses shown us during our recent bereavement. The food provided, flowers, comforting service and messages of condolence were a solace to us in our sorrow.

The Relatives of
W. H. (Uncle Bud) Johnson

SHOWER HONORS RECENT BRIDE

A bridal shower Thursday evening, November 9, was in honor of Mrs. Stanley Brooks, the former Janie Waybourn.

The home of Miss Annie Mae Jackson and her mother, Mrs. J. M. Jackson was the scene of the courtesy, and sharing hostess duties were Mrs. R. B. Myles, Roaring Springs, and Mesdames L. H. Durickson, Roy Grundy, Frank Price, R. E. Campbell Jr., Jody Graham, Sut Braselton, G. E. Hamilton and Mike Hoyle, of Matador.

Mrs. Grundy and Mrs. Braselton registered the guests. Alternating at the silver coffee service were Mrs. Myles and Mrs. Graham.

The dining table was covered with a gold net cloth over brown linen, and centered with an autumn floral arrangement in gold and bronze. Similar arrangements were on the buffet and at the guest register.

The bride was assisted in receiving her gifts, by her mother, Mrs. W. W. Waybourn, and her mother-in-law, Mrs. Milton Brooks of Roaring Springs. Others attending from Roaring Springs were Mrs. Ray Warren, Mrs. C. C. Brooks, Mrs. O. L. Bearden Jr., Miss Lola Swim and Mrs. Newton Fletcher. Also from out of town were Mrs. R. D. Holly, Mrs. Kenneth Robertson, and Mrs. Jessie Pernel, all of Dougherty.

Patterson Home is Scene of Wedding

Arrangements of blue and white carnations decorated the Methodist parsonage, home of Rev. and Mrs. Roy Patterson, for the recent marriage of their son, Charles, and Gloria Gail Dove, daughter of Mrs. Raymond Taylor.

Rev. Patterson officiated in the single-ring rites, and organ music was played by Mrs. Patterson during the ceremony, which was read at 7:30 Tuesday evening, November 7.

The bride wore a blue brocaded taffeta dress with a pink hat, and a corsage of pink carnations.

Members of the families were the only attendants.

The couple will continue to make their home in Matador. Mr. Patterson is distributor for the Lubbock Avalanche-Journal here.

PIED PINIONS

By Mrs. M.

Some mamas put in some extra hours to produce costumes for the youngsters who performed in the Fine Arts Festival sponsored last week by El Progreso Study Club. The little boys had braided down the sides of their Levis, and wore matching boleros and authentic "South of the Border" straw hats, while the little girls were attired in colorful Fiesta dresses. If you missed the program, you missed a treat.

The first and third grade pupils who performed the "Mexican Hat Dance" were coached by Mrs. John Hamilton and Mrs. Vance Gilbreath. Also colorful and entertaining was the "Wah-pongo" performed by Susie Garcia Feliciano and her partner, Ben Adams.

Cathy Clem of Roaring Springs was fetching in her costume, complete with lace mantilla, as she sang beautifully, "South of the Border," and "La Paloma." A reading, "Lasca," by Vella Ree Edwards, and two piano Spanish selections played by Sandra Jenkins, added further color to the program.

Among my souvenirs is a memory book of clippings and programs assembled some 35 years ago as a high school senior.

Included in the clippings is the verse: "The gum-chewing girl and the cud-chewing cow are somewhat alike, yet different somehow. What is the difference? I see it now. It's the intelligent look on the face of the cow."

The verse is again appearing in print. It was recently quoted in Quote, who picked it up from the Cincinnati Enquirer. "The only variation is the last two lines which read: 'And what is the difference? I think I know now: It's the clear thoughtful look on the face of the cow.'"

Either version suits me fine, since one of my pet peeves is chewing gum generally and bubble gum specifically. Although equally adhesive to the soles of one's shoes, the bubble gum's blast is more offensive.

Several Students Here for Week End

Miss Carolyn Pohl, who is attending Texas Tech, in Lubbock, visited her parents, Mr. and Mrs. Frank Pohl, during the week end. Miss Pohl brought as her guest, her roommate, Miss Melody McKenzie from Ft. Stockton. Miss McKenzie also visited Miss Neida Wilson while here.

Also visiting here from Texas Tech were Van Frances, who spent the week end at Bear Creek Ranch and Dink Wilson, who visited his parents, Sheriff and Mrs. Jinks Wilson.

Week-end visitors in the home of Mr. and Mrs. A. L. Fair were their children, Miss Ida Fair, who is attending McMurry, in Abilene and her brother, Lewis Fair and friend J. Lynn Orr, students from Southwestern University in Weatherford, Okla.

Other college students who visited here during the week end included Miss Frances Cooper, student at McMurry, Abilene, who visited with her family, Mr. and Mrs. Arthur Cooper, Levelland South Plains College students, Billy Crenshaw, who visited with his family, F. W. Crenshaw and Jana, and Morris Burkes who visited with his parents, Mr. and Mrs. S. K. Burkes, and James Bearden who is attending West Texas State, Canyon, who visited his grandparents, Mr. and Mrs. Carl Bird.

Ed. D. Smith Jr., who is employed by Swensons Ranch, spent the week end with his parents, Mr. and Mrs. Ed. D. Smith.

TRIP TO CALIFORNIA IS MADE BY SISTERS

Mrs. John Davis returned home November 2 from a two-week vacation in California, having made a bus tour with her sisters, Mrs. G. M. Cherry of Burdettown and Mrs. Jeff Cross of Lubbock.

The women visited in San Diego with Mrs. Cross' son, Billy Joe Cross who accompanied them on a tour of Tijuana, Mexico, then to his home at Fallbrook. From there they went to Brook. From there they went to Ocean Side and on to San Francisco and Vallejo. They visited in Benicia with an uncle and aunt, Mr. and Mrs. Trave Harmon. The ladies had seen their uncle for the first time in 48 years when he visited in Texas the past June.

They visited other relatives in Richmond, made the trip across both Golden Gate Bridge and Oakland Bay Bridge. The 7-mile Bay bridge impressed Mrs. Davis more than anything in that area.

In Los Angeles they visited with cousins, Mr. and Mrs. John Montgomery and Mrs. Charlie Marsman, who accompanied them on a trip to Knott's Berry Farm. They attended "Queen for a Day" and had their pictures made there, and had lunch at Farmer's Market.

On a tour of Forest Lawn Cemetery and Mausoleum they were shown the crypt of Clark Gable, and also that of the infant son of Evangelist Billy Graham. In addition they viewed the "Last Supper" window and other famous objects of art there, which they were informed cost 90 million dollars. These included the Crucifixion painting of Christ, described as America's largest religious painting, measuring 195 feet long and 45 feet high. Two famous churches are also located at Forest Lawn, the Wee Kirk O' the Heather and Little Church of the Flowers.

Mrs. Davis and her sisters were reared at Deport, Texas.

BURLESON CIRCLE HEARS LESSON ON BAPTIST DOCTRINE

Burleson Circle of the Baptist W.M.S. heard a discussion on Baptist doctrines by T. E. Long, in regular meeting Monday afternoon in the church parlor.

A short business session was conducted by Mrs. D. P. Keith, and at the close of the meeting, Mr. Long was presented a handkerchief shower from the circle members.

Those present were Mesdames Clovis Murphy, Margaret Newman, R. E. Campbell Sr., Berta Campbell, Harry Carter, T. E. Long, H. F. Aulick, and C. P. Waybourn, Mrs. Keith and Miss Amy Glenn.

BERT GREEN NAMED OUTSTANDING CADET

Bert Green, son of Mr. and Mrs. L. M. Green of Roaring Springs, recently was named Outstanding Cadet for the week, at Tarleton State College, Stephenville.

In the Tarleton ROTC, Green holds the rank of Cadet Captain and is a member of the Battle Group Staff. He is also a member of the Wainwright Rifles, precision drill team.

Green is military editor of the TSC yearbook, the Grasshopper, serves as a men's dormitory counselor, and is manager of the Davis Longhorns, intramural football team.

Ronald Bailey was home from his job in Brownfield this week end to visit with his mother, Mrs. Inez Bailey.

Crosbyton Woman Heads State WMU

A Crosbyton woman, well-known in Matador and other communities in this area has been elected president of the Women's Missionary Union of Texas, Auxiliary to the Baptist General Convention of Texas.

She is Mrs. Bert Black, District 9 WMU president for the past five years, and former president of the Floyd Association WMU.

Mrs. Black was elected last week during the state meeting held in Austin, of the WMU and BGCT. A resident of Crosbyton since 1932, Mrs. Black is now serving her second three-year term as a trustee of Wayland College, Plainview and has served five years on Plains Baptist Assembly Executive Board of Directors.

She was recently named to serve as a vice chairman of the Texas Baptist Convention's \$28,000,000 Crusade for Christian Education.

NEW FLOMOT PASTOR

Rev. and Mrs. Jack Terrill and their 19-month-old daughter, Elizabeth Ann will move from their former home at Lockney, to the Baptist parsonage in Flomot, Saturday, weather permitting.

Rev. Terrill recently accepted the pastorate of Flomot Baptist Church. He is a native of Oklahoma and has been teaching school at Lockney.

STANLEY HOSPITAL

Mr. and Mrs. Joe Meredith of Roaring Springs are parents of a boy, born November 7. He weighed 8 pounds, 8 ounces and was named Randall Joe. Mr. and Mrs. Carl Ashley are maternal grandparents.

Sheila Gray has returned to her home at Meadow after being treated here last week. Bobby Sauls of Quitaque underwent appendectomy, Thursday, November 9.

ARRIVAL ANNOUNCED

Mr. and Mrs. Claud Lewis of Roaring Springs are announcing the birth of a son, Danny Shane, at Stanley Hospital Wednesday morning, November 15. He weighed 6 pounds, 8 ounces. Grandparents of the new baby and his sister, Stephanie Ann, 20 months old, are Mr. and Mrs. S. J. Braselton and Mrs. W. D. Lewis, all of Roaring Springs.

CARD OF THANKS

It is with heartfelt gratitude that we accept the many words of comfort and acts of kindness shown us during our recent sorrow. We take this means to express our thanks to you, who in any way helped to lessen that sorrow. May God's richest blessings be with each and everyone. The Earl, M. D. and Glen Freeman

Mr. and Mrs. Bob Echols of Seminole visited here last week in the home of his sister and husband, Mr. and Mrs. D. I. W. Birnie.

MHS Students Show Spirit at Rally

The same natural instincts that cause conflict between the canine and feline worlds, have caused a gulf of competition between the Mighty Matadors and the Turkey Turkeys! Perhaps, this is the reason the spirit was so high at the Matador vs. Turkey pep rally last Friday, November 10.

As each individual came into the auditorium, he sang the familiar words to an old favorite, Mr. Touchdown, with more spirit and zest than ever before!

Matador coaches, Johnson and Macdon had a very special gleam in their eyes as they made their inspiring pep talks. Captains, Bas Bearden, Jimmie Don Green and Dale Dixon pepped things up with their speeches also.

A skit showing the intentions of Matador toward Turkey, which gave the spirit an extra boost, was presented by the cheerleaders, Cheri Barton, Dixie Barton, and Geney Spray. This was the carving of a Turkey by a Matador!

In addition to these special events, red-hot football songs and yells were sprinkled throughout the rally. These were done to set the Matadors on fire so as to beat Turkey.

As the rally came to a close all stood and sang the school song, each hoping in his own heart that Matador would again be District Champions. Now a ballgame with a 41-2 score in favor of Matador, later, Matador is hailed District Champs!

B Football Boys Down Silverton

The Matador's B team downed the Silverton B team 20-8 at Silverton two weeks ago. The win was the first against two losses.

Matador scored first when Right Halfback Tommie Green went ten yards over right tackle. Silverton came back to score on a sixty-five yard pass play. They also scored the extra points to take an 8-6 halftime lead.

The Matadors came back quickly to score on seventy and forty yard marches. Quarterback Charles Ezzell went twenty yards around right end for the first score and Green went ten yards over right tackle for the second. Green added the extra points after the last tally for the final score.

The leading defensive players

for the Matadors were Robert Brandon, Richard Campbell, Jack McCallie, and Robert Brown.

Sleepy FHA Girls Enjoy Breakfast

A group of sleepy-eyed, tousled-haired FHA girls dressed in pajamas and robes arrived at the home of Mrs. A. L. Fair Saturday morning, November 4, at 6:45 for a kidnap breakfast. Six girls served as "kidnappers" and captured the other FHA girls. The girls enjoyed a nourishing breakfast and were taken home.

Those attending were Barbara Bird, Geney Spray, Ruthie Lynn, Faye Lynn Cook, Katherine Evans, Jane Briscoe, Scottie Robbins, Christina Darnon, Judy Cook, Brenda Whitefield, Lynda Elliot, Jane Hamilton, Betty Sandefer, Virginia Nichols, Judy Hart, Cheri Barton, Doris Cooper, Mary Irwin, Ruth Garnett, Ann Garnett, Pat Cooper, Joyce Scaff, Sue Stevens, Stella Martin, Patsy Hankins, Jill Scaff, and Mrs. Fair.

Girl's B B Team Makes Third Win

The Matador girls' team topped Roaring Springs 45-19 last Tuesday night in a game played here. The win was their third in a row and second over Roaring Springs.

Matador's guards, Pat Cooper, Doris Cooper, Sue Cross, and Glenda Lynn, allowed Roaring Springs only two points in the first and last quarters while forwards Jill Scaff, Ann Garnett, and Cheri Barton were scoring 9, 12, 15, and 9 points in each quarter of the game.

Kampus Kapers

Once again, as winter rolls around, the scene around MHS is changing. The thick foliage of the trees has dwindled to sparse leaves of green, brown, and gold. Most of the leaves have found their way to the ground, where the grass is becoming faded and dry. The flowers, which earlier graced the entire campus, have nearly submitted to the death which befalls them each year. While on the subject of winter, we have been having some pretty cool weather. The high school P. E. girls will vouch for this. Last Monday after some

of the girls were dressed in their gym clothes, the grade school fire gong sounded. There was no time for donning warmer clothing, since the building had to be evacuated immediately, so out they marched in shorts, shirts, and tennis shoes into the forty-degree weather.

All classes have had parties by now or, are planning them. Volleyball parties have proven to be the most popular. The sophomores were to have had a hayride and picnic at Northfield on October 28, but the party was called off because their host, Don Timmons, was ill. The juniors enjoyed a volley ball party on November 2. The freshmen had their first high school class party as a volleyball party on November 6. The seniors are planning a covered dish supper and volleyball party for December 4. All volleyball parties are held in the gymnasium in grade school.

FHA Enjoys A Skit On Finding A Job

The FHA held their monthly meeting Wednesday, November 8, in the high school auditorium. The meeting began with entertainment by the club's pianists, Patsy Hankins and Sandra Jenkins. After the opening ceremony, a skit on "The Do's and Don'ts of Applying for a Job" was given by Pat Cooper, Jill Scaff, Barbara Bird, and Cheri Barton. A film strip on parliamentary procedure was shown by Mrs. Fair.

Senior Sidelines

Many types of parties were discussed by the Senior Class in their meeting, but no one knew exactly what kind he wanted. We couldn't decide where, when, or what to do, but we knew we wanted to eat! The final decision was to have a covered dish supper in the gym on December 4 and play volleyball and other games afterward. This will be our first senior party.

Freshman Facts

The freshman class enjoyed their volleyball party Monday night. The attendance was good, and everybody had a lot of fun. We want to say "Thank You" to all who helped us plan and sponsor it. Most of us want to thank Mrs. Timmons, who forgot to assign our English theme last week.

PANEL DISCUSSES TEENAGE PROBLEMS

"What are your problems?" This was the topic discussed by a panel in assembly November 9. This discussion was the third in the series of guidance-related programs given by the students this semester.

All types of problems were discussed, and though the members of the panel didn't claim to have the solution to everyone's problems, the audience was given a chance to discuss their problems by asking the panel questions.

Serving on the panel, directed by Mr. Bill Moss, were Dale Dixon, Jack McCallie, Scottie Robbins, and Geney Spray.

GRADE SCHOOL NEWS

The second grade is continuing their first grade phonics which is entitled "Through Happy Hours."

The third and first grades presented a program to the study club on Wednesday and Thursday of last week.

The fourth grade gave a chapel program on October 31. They are studying early pioneer life and have previously set up a miniature frontier village. All around the room are pictures of the frontier which the pupils have colored. They are now starting a study of the Dutch people, which should be very interesting.

Drum-Bugle Corps' Colorful History

"Music was being played over the loud speaker at the homecoming game in 1954," said Mrs. Bill Waybourn, "when a thought suddenly struck me. Matador High School students could be producing their own music!" Many stumbling blocks stood in the way of this grand idea. A director, and financial needs were two of the big obstacles.

With Mrs. Waybourn's strong determination, the moral and financial support of the Matador citizens, and under the direction of Albert and Ward Rattan, the Matador Drum and Bugle Corps became a reality.

The Drum and Bugle Corps was organized in 1956 with 26 members. Raynita Dunning served as drum major. The twirlers were Kay Norman, Joanne Darsey, and Lucretia Edwards.

In 1957, the band was led by drum major, Kay Norman. The majorettes were Francine Craven, Daphene Lynn, and Karven Jenkins. Mr. Ward Rattan directed the corps that year and the three following years. Many thanks are due him for the training he gave the corps.

Jan Barton led the proud Matador Treaders for the next three years. The 1958 twirlers were Ann Lee, Carolyn Pohl, and Janie Waybourn. Carol Campbell, Janie Waybourn, and Cheri Barton served as majorettes in 1959. In the year of 1960, the number of twirlers increased to six. They were Cheri Barton, Carolyn Pohl, Janie Waybourn, Barbara Bird, Vella Ree Edwards, and Dixie Barton. This year was the largest number of majorettes ever to lead the Drum and Bugle Corps.

Mr. Dan Whitaker, the band director at Floydada, became the director in 1960. The enthusiastic corps was headed by Donna Williams, followed by majorettes Janie Waybourn, Vella Ree Edwards, Dixie Barton, Barbara Bird, and Jane Hamilton.

The Drum and Bugle Corps is being led this year by Miss Sandra Stevens. The band's majorettes are Vella Ree Edwards, Jane Hamilton, and Sue Stevens. It is directed by Mr. Tom Wheeler, Matador Public School music director.

The Drum and Bugle Corps performs at all Matador football games and marches in area parades. This year the Corps has marched in Lockney and in the Cotton Festival Parade at Hedley, where they won a second-place trophy. The Matador Treaders are known for their unique uniforms and intricate drills.

DATING DISCUSSED BY STUDENT PANEL

Another in a series of guidance programs entitled, "Dating and You," was presented in assembly Thursday afternoon.

The program was presented by a group of panelists who discussed the different problems young people face when they reach the dating age.

After each major topic was discussed, the student body was invited to ask questions or give opinions.

The students serving on the panel were Dixie Barton, Cheri Barton, Patsy Hankins, Bob Johnson, David Rattan and Richard Campbell.

Tax-Man Sam Sez:

The Certified Public Accountants in Texas are making a concerted effort in many sections of the state to get all the high school and college students trained in how to prepare their income tax returns.

Internal Revenue Service prepares an excellent course, called "Teaching Taxes", that can be used by teachers from one day to three weeks time in training

students. Thousands of Texas teachers and more than 150,000 students are receiving this training each year.

The Certified Public Accountants, however, are asking the principals to provide the income tax training for all their students. The CPAs believe (based on their professional experience in preparing tax returns) that every high school graduate needs this fundamental training in our American way of life.

The students will be paying taxes for the rest of their lives and they should know how to keep records and how to prepare their income tax return.

For 1962...an all-new kind of Ford!

the car that's just right for just about everybody right size... right price...

You've never seen anything like it, because *there's never been anything like it...* until today. On the outside the new Ford Fairlane 500 measures a quick 197 inches from stem to stern. A good foot shorter than the cars from which it borrowed its name, it calls the snuggest parking places home. At the same time, *on the inside* the new Fairlane 500 is every inch as big as some of the biggest Fords ever built.

The new Fairlane 500 is priced way under previous Fairlanes, well under many compacts. But Fairlane economy doesn't stop with a pretty price tag. It runs to amazing gas savings—with the world's first economy V-8 or the nickel-nursing Fairlane Six. Routine service is reduced to a minimum—30,000 miles on many items, only twice a year or 6,000 miles on the rest. And it adjusts its own brakes.

A good place to hang your industrial hat

... IN WHAT WE ARE TELLING BUSINESS EXECUTIVES ABOUT THE

CENTER OF THE SOUTHWEST

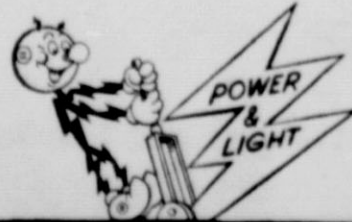

The vigorous, dynamic West Texas area served by this company is destined for much industrial growth.

That is our conviction, and that is why we are telling the Nation about the industrial advantages of the area. That is why we say that this fast-growing region is a good place to hang your industrial hat.

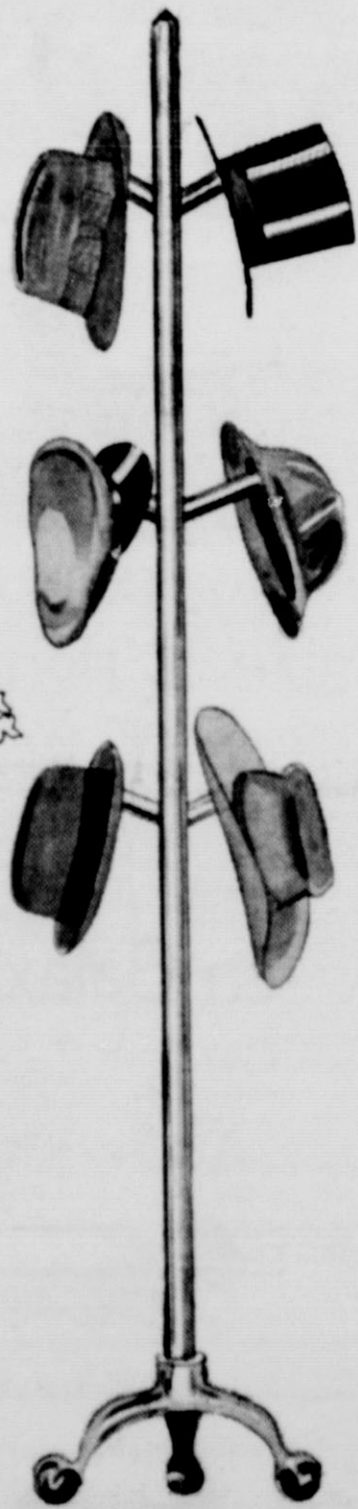

For ourselves, we are supporting our belief in coming growth with a multi-million-dollar expansion program now under way. New facilities now being added will enable us to serve more people, more businesses, more industries.

In this way, with all of us working together, our area faces GROWTH UNLIMITED.

Social Held for Baptist Juniors

The Junior department of Flomot Baptist Sunday School and Training Union was entertained with a social Thursday evening in Fellowship Hall at the church. An "Indian Pow-wow" was the theme of the social and guests were given a feather upon arrival. An Indian Chief was selected by counting out the person with the black marble. Jan Whitaker was designated as Chief, and in traditional Indian fashion, the Peace Pipe was smoked during the evening.

Bible games and quizzes were a part of the entertainment and a story of Indian lore, "The Sheep Herder" was told by Mrs.

Mrs. Tom Rice is Honored at Shower

The Flomot Home Ec room was the scene of a bridal shower, Saturday afternoon, October 28 honoring Mrs. Tom Rice of Plainview. Mrs. Rice is the former Alta Mae Green, daughter of Mr. and Mrs. Art Green of Flomot.

Hostesses for the occasion were Mesdames L. E. Shorter, Malcolm Turner, Arnold Johnson, Lewis Cannon, Clayton Bond, Don Monk, Ford Johnson, Bill Helms, James Monk, and Wilburn Martin, and Mrs. Jean Pope and Miss Wanda Myers of Turkey.

Refreshments of iced punch and cake were served. Out-of-town guests included Mrs. Tom Rice of Hale Center, mother-in-law of the bride, Miss Betty Smith of Childress, Mrs. Francis Wise and Mrs. Grady Jacobs of Quitaque, Mrs. Tom Ross and children of Olton, and Jannette Palmer of Albuquerque, N. M.

Low Calorie Foods Discussed by Club

In character with the program for the first meeting of the month, "Low Calorie Foods," the catchy phrase in the Home Demonstration Club year book for November is, "He who indulges, bulges."

The Flomot club carried the program almost to the letter as Mrs. Ray Cruse presided and brought some helpful hints on the subject. Mrs. Baldo Martin gave a list of low calorie foods

L. B. Turner, followed by the reading of the 23rd Psalm by L. E. Shorter, with a prayer of devotion.

Refreshments consisted of popcorn, sandwiches, apples, iced punch and candy kisses. The table featured a Pilgrim setting with a miniature scene of the Mayflower in the distance, near Plymouth Rock. An Indian teepee village and wild turkeys surrounded the Pilgrims.

The party was declared a "heap Big Pow-wow," as the group planned another social for January.

Those present included Mrs. Joe Smith, Judy and Jim Tom; Mrs. Earl Whitaker and Jan; Mr. and Mrs. L. E. Shorter, Judy and Louis; Loretta, Jerry and Linda Waters; Pam Morris; Barry Myers; Barbara Moseley; Tommie Anderson, Mrs. L. D. Bilberry and Mrs. L. B. Turner.

Shower is Given For Mrs. George

Mrs. Kenneth George of Amarillo was honored Saturday afternoon with a bridal shower in the Home Ec room at the Flomot school. Mrs. George is the former Sandra Starkey, daughter of Mr. and Mrs. C. W. Starkey of Flomot.

Hostesses for the shower were Mesdames Don Monk, L. E. Shorter, Sam Ross, Ikie Gilbert, James Monk, Earl Whitaker, Harmon Moseley, Francis Wise, Malcolm Turner, J. C. Franks, S. O. Netherlin, Clayton Bond, Art Green, Howard Rogers and Tom Rice.

Guests were registered by Mrs. Don Monk, and Miss Aleta Netherlin presided at the punch bowl.

Attending from out of town were Mrs. Jackie Starkey and children, Mrs. Ernie Starkey, Mrs. Royce Hanna and Denise, and Mrs. Floyd Starkey of Floydada. Mrs. Jesse Starkey and daughter, Mary of Sand Hill, Mrs. Lewis Cannon of Tulsa; Mrs. Homer Ray Cypert and Miss Phyllis Starkey of Lubbock; Mrs. Grady Jacobs and Mrs. George Reed of Quitaque.

WCS S BEGINS NEW CHRISTIAN LIFE STUDY

The Woman's Society of Christian Service of the Whiteflat Methodist Church began a new study in regular meeting held Tuesday, Nov. 7. This is a study on the role of the Christian in public affairs.

In the business session, the group voted to order Christmas home-worship leaflets for the church families, and to send six dollars to Latin-American mission work.

Prayer opened the devotional. Scriptures on the social Gospel were read by Mesdames Scott Robbins, J. M. Jameson, and Ruth Cooper, and Miss Melba Jameson. The chapter "Why Are Churches Involved in Public Affairs?" was taught by Rev. Mrs. Ruth Cooper.

The group chose several areas of special study, including family spiritual life, and legislation. After a short workshop on the Methodist Social Creed, the group was dismissed with prayer.

The next meeting will be Tuesday, Nov. 21 at 2:30 p. m. at the Whiteflat Methodist Church, and will include a panel discussion.

POST OFFICE HELPS COUNT LIVESTOCK

A number of patrons of the Whiteflat Post Office will find livestock survey cards in their post boxes on November 16.

Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms. Postmaster Ida Morriss explains.

Cards are distributed at random among patrons having livestock and poultry.

"This means that not every box will get a card," she said.

"For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Facts and figures secured in this survey are the basis for the

Texas and National pig crop report and inventories of the livestock and poultry on farms as of the first of the year. Stockmen and many others use the information in making business decisions.

PONTIAC'S TEMPEST

BITING TRACTION!

The new Tempest claws up hills. Perfect balance gives it biting traction. Puts equal weight on all four wheels. The gas-saving, 4-cylinder engine turns out 110, 115, 120 or 140 horsepower. Extra cost: a 166 h.p., 4-barrel carburetor "four" and a 190 h.p. V-8. Climb a hill in America's only front engine/rear transmission car—it's balanced like none of the others.

CLIMBING FAST AT \$2214⁰³

Manufacturer's Suggested Retail Price for this Tempest Coupe (including whitewall tires, reimbursement for Federal Excise Tax and suggested dealer delivery and handling charge). Heater standard. Other accessories and optional equipment, transportation charges, state and local taxes extra.

Thanksgiving Transition

The very first Thanksgiving Day was celebrated in Plymouth Colony for quite a simple reason. Colonists and friendly Indians shared that first feast in gratitude for a bountiful harvest after a winter of great hardship.

Now, three centuries and forty years later, we are thankful for the growth of our Nation. We are thankful for its great strength which stands as a fortress of protection for free people in a world filled with tyranny and oppression.

Let us, as good Americans, express these thanks and rededicate ourselves to preserve and maintain this spirit of freedom.

Matador Chapter . . .

(Continued from page 1)

The FFA Quiz team placed fifth, missing a banner by 7 points, and included Tim Sturdivant, Donnie Hunt, Tim Timmons and Butch Waybourn.

The teams are coached by Bill Moss, Vo-Ag instructor.

In the Chapter Conducting contest, a slate of chapter officers open a simulated meeting with the official ceremonies, read and approve the minutes of the last meeting, hear and approve the various committee reports and then move into a session of new business.

The sheet of new business is handed to them by the judge, three minutes before the meeting is to be called to order.

This order of business may require them to demonstrate a number of parliamentary skills and they are graded on how well the entire thing is performed in a maximum time of twenty minutes. Ten questions on parliamentary procedure are asked by the judges after the meeting is closed.

The FFA Quiz is a written test covering the FFA Manual and Stewart's "Helps in Mastering Parliamentary Procedure."

Chanters . . .

(Continued from page 1)
"Love in Grief" from "Grief to Glory" by Christiansen and "Joshua Fit the Battle of Jericho" are among the sacred numbers the choir is prepared to sing.

JoAnn Hudson of Novice and Toni Williams of Odessa will accompany the singers. President of the group is Russell Parchment of Loving, N. M.

Matador Girl in Group
Miss Ida Lee Fair, a freshman in McMurry, and a member of the chorus, will be with the Chanters as they make their annual fall tour to sing in seven West Texas towns. The daughter of Mr. and Mrs. A. L. Fair, Matador, she is studying religion and elementary education.

The Chanters will be in Stamford, Sunday to sing at St. John's Methodist Church at 11 a. m. and that evening they will sing

in Spur at the First Methodist Church.

They will sing in the Paducah High School Monday morning, before coming to Matador, and will go from here to Floydada for a concert in the First Methodist Church. Tuesday morning they will sing in Floydada High School, and from there will go to Tahoka to present a high school concert at 2 p. m. and that evening will sing at Lamesa First Methodist Church.

The Chanters will conclude their tour in Lamesa on Wednesday, with a concert at the high school at 1:30 p. m. and in the Wesley Methodist Church that evening.

Test Dates Set For Peace Corps

Postmaster Charlie Scaff has announced that the entrance test for the Peace Corps will be given on Tuesday and Wednesday, November 28 and 29.

Within a few days information showing the place and time for the examination in this area will be posted on the bulletin board of the Matador post office.

Those interested in taking the test are advised to watch for complete information at the post office.

Note: Since above release was received Peace Corps posters on Matador post office bulletin boards advise that the Peace Corps examinations will be held in Room 16-A, Post Office Building, Lubbock, at 8:30 a. m. promptly.

Cattlemen Offered New Program for Brucellosis Tests

Cattle owners have been offered a new method of having livestock tested for brucellosis, it was announced recently by County Agent Bill Palmeyer.

The new method eliminates the retesting of 20% of the herds in the county each three years to keep the county brucellosis free, Palmeyer said.

The program as outlined is this: 1. Female cattle and bulls three years of age and older

that are sold for slaughter are back-tagged; 2. Blood samples are collected at the packing plant, and tested; and 3. Negative animals are credited with the herd from which they originate, and if the disease is found, the owner is contacted, and plans made to help him eliminate the disease.

If 15% of the breeding cattle of a county are tested in a 3-year period, the county is re-certified.

Those interested in obtaining details on the program are urged to contact County Agent Palmeyer, who attended a meeting explaining the program, together with J. C. Burleson, Bundy Campbell and Curt Martin.

HOME EC STUDENTS TO STYLE GARMENTS

The Matador High School homemaking classes will present a style show in the High School Auditorium on Monday night, November 27, at 7:30. The homemaking students will style garments that they have made in class and at home. The public is invited and urged to attend.

Meeting Slated Here On Control Of Screw-Worms

County livestock owners who are tired of doctoring for screw-worms are invited to attend a meeting in the District Court room here Monday (November 20) at 7:30 p. m., according to an announcement made by County Agent Bill Palmeyer.

The Southwest Animal Health Research Foundation is proposing a plan similar to one used in Florida that has eliminated the screw-worm there, Palmeyer said.

Freeing Texas of screw-worm problems that cost ranchers an estimated \$100 million annually is a greater problem than that encountered in Florida, but research indicates a satisfactory program can be carried out.

The program is voluntary but all livestock owners should know how it operates, Palmeyer said, and decide whether to participate or not.

A short report will also be given on the result of brush control.
