Highway 70 Group Seeks Membership

Parnell Powell of Floydada, President of the Texas Highway 70 Association, is directing an extensive drive for members with a goal of 30 in Floydada. Last week 21 had signed membership applications.
In a letter to Randall Whitworth here, President Powell urges Matador citizens to support the movement, declaring that each dollar spent on Highway 70 means extra income for every Highway 70 community. Unpaved gaps along the highway in Oklahoma have now been paved according to Charles Hasing of Hugo, Oklahoma, National Highway 70 President.
Several memberships to the association are held here. The movement was sponsored by Community Associates, and Forrest Campbell, secretary, will receive membership applications.

PRESIDENT BETTER FOLLOWING ATTACK

President Eisenhower's condition is reported better following the heart attack which he suffered Saturday in Denver. He is in Fitzsimmons Army Hospital and being attended by some of the world's most famous heart specialists.
The specialists said yesterday that the President would not be able to engage in any strenuous activity for at least two months and probably should remain in a hospital for at least a month to insure complete rest.
New York stock market broke Monday following the news of the President's attack, amassing 11 billion dollars losses, the largest since 1929. The market was recovering rapidly, however following reports of the President's improvement.

North-South Bus Support Growing

WITH THE ZEAL reminiscent of "inland" pioneer towns seeking the designation of a new railroad, cities along the route of the proposed new north-south bus line from Amarillo to Abilene, are rallying their support for the application. The hearing before the Railroad Commission of Texas is scheduled in Abilene, Thursday, October 6, the date which would serve Turkey, Matador, Roaring Springs, Dickens, Spur and Jayton along state Highway 70, is being sought by George W. Page of Abilene, owner of the Abilene Northern Coaches and the Abilene city service.
R. M. (Bob) Stanley, owner of Stanley Pharmacy here was appointed by the Lions Club to direct the campaign in Matador. A chartered bus will leave here about 7 a. m. Thursday for Abilene and pick up selected delegates from towns along the proposed route.
Representative Helps
State Representative Elbert Reeves is supporting the movement and has received the following letter from Bryan Bell, director of the Motor Transportation Division of the Railroad Commission, Austin:
"Dear Mr. Reeves: I am in receipt of your letter of September 17 concerning the application of George W. Page, dba, Abilene Northern Coaches and a very much appreciate the statements contained therein. It shall be your privilege, as well as that of the other good citizens in that territory involved, to be present at the hearing, scheduled to be held in the Windsor Hotel, Abilene, Texas on October 6. Your letter is being placed in the file along with others concerning the application."
Mr. Stanley said plans had been arranged for six or eight delegates to go from here on the bus and that others would probably attend in private automobiles.

FORMER RESIDENT'S HUSBAND DIES IN ACCIDENT IN N. Y.

A car accident in New York, Sept. 15, near Ovid, N. Y., caused the death of S. Sgt. Al P. Nolan, 34, of Sampson Air Base. He was the husband of former resident, Estelle Morris, whose mother, Mrs. M. D. Morris of Whiteflat, went immediately to be with her when informed of the tragedy.
According to a newspaper account of the tragedy, the airman died after he was thrown from his car onto the pavement 60 feet away on Route 96-A and Willard road in the town of Romulus. The coroner issued a verdict of accidental death due to a fractured skull.
According to the news item, "Trooper T. T. Romas of the Ovid station said the accident occurred about 4 PM when Nolan was driving alone from Ovid toward Willard. Nolan apparently lost control of his car, the trooper said, while turning into the Willard road. The car left the south side of the highway and overturned. Trooper Romas reported that Nolan was thrown out of the vehicle to the

SINGERS START ON CONVENTION PLANS

Its autumn again and approaching time for the Motley County Singing Convention to hold its fall semi-annual meeting. Plans are already "in the making" for the convention according to President Randall Whitworth, cashier of the First State Bank here.
The date of the fall meeting is Sunday, October 16th, and singing will start at 10 a. m. in the American Legion building "Dinner on the ground" is being arranged, according to President Whitworth.
Second and third (perhaps fourth) generation singers are keeping alive the traditions and policies of the county's oldest organization. The Motley County Convention was organized more than three score years ago. As always the public is invited and a special invitation is extended to singers, quartets, etc. from everywhere.

Autumn Arrives By Calendar Schedule

SERIES of rain squalls extending over almost the entire breadth of the nation during the week-end, dumped a fair share of water into the thirsty fields and ranges of Motley county.
The amount of rainfall measured by the city wells gauge will vary widely from the amounts recorded in various communities.
Matador received about one third inch Thursday while heavy rain fell from the south edge of town beyond the county line. In the Tee Pee Flat area Marvin Patton recorded over 5-inches. Other sections of the county received a large amount.
The total rainfall for the month as recorded here by City Water Superintendent Lee Burns is 1.81 inches. Roaring Springs has recorded 2.02 inches. The total recorded here for the first nine months of 1955 is 15.80-inches. The record is as follows: January 30, February 79, March 22, April 09, May 4.26, June 5.12, July 1.94, August 7.77 and September 1.81.
While delaying the cotton harvest, the rain is welcomed by farmers and ranchers. They say it will improve the feed crop, especially with late frost, and will not damage the cotton crop. In some instances it will improve the cotton (again if frost is late). Wheat land has received the greatest benefit and ranges will be improved.
Parts of Texas Flooded
The extensive rain pattern has brought damaging floods to many Texas areas, reaching as far west as Wichita Falls, and Olney. Many rivers are continuing to rise and families in south Texas have been evacuated.
Lower mercury readings followed the fall rains that began on the calendar beginning of fall. Some parts of the Panhandle recorded below 50 degrees and the weather here was cool enough to bring out coats and heavier clothing. Higher temperatures returned Tuesday, however, but the general belief is that the extreme hot weather is past for the season.

New Mercury On Display

Another new automobile, the 1956 Mercury, is announced this week by the Matador Auto Company. The "Big M" goes on display today in 2,750 Mercury dealerships throughout the nation.
"The new Mercury offers fine car appearance and performance while remaining in the medium-priced field," Glenn Woodruff, manager of the Matador Auto Company said yesterday. "The new Mercury has so many refinements and safety features that it is difficult to list them," he declared. "The new model has for instance a lowered silhouette in all three series (Montclair, Monterey and Custom). In all a total of 13 models are available. The "Big M" is the first new model presented since Mercury became a separate division of Ford Motor Company."
"We want to extend an invitation to everyone interested in automobiles to visit our show room, see the new Mercury and get behind the wheel," Woodruff said.

Golf Tournament Plans For Entire Membership

GOLF balls the size of big hail stones will be falling all over Air Port Golf Club (and some of the adjacent territory) for the next two weeks, during the club's membership tournament.
A tournament committee appointed at a meeting of members held in the VFW building Tuesday evening didn't let any divots develop under their feet before they announced a full set of plans for the contests. Jack Norman is chairman of the tournament committee, aided by Marvin Patton and R. L. Brandon.
Tournament entrance fee will be \$2. Qualifying scores must be registered with Jack Norman (here) or David Campbell (Roaring Springs), by Monday, Oct. 3. Flights have been arranged for every member and the committee believes 5 (eight-player) flights may participate in the tournament.
First match must be played between Monday (Oct. 3) and the following Sunday. Finals will be medal play not later than Oct. 16. First round of play will be matched play to be scheduled before October 10.
Winners will enter the upper bracket and losers (consolation) will be placed in the lower bracket. Winners of both brackets will be determined by medal play the following week. All matches not played according to schedule will be forfeited.
New Officers Elected
The two-community golf club elected new officers at the Tuesday night meeting with Bill Seale being named president. David Campbell of Roaring Springs was named vice-president, and John Barnhill, secretary. The directors are: Dr. J. S. Stanley, Mrs. Marion Woodruff, Frank Ferguson, Mitch Glenn, R. L. Matadors Wallop Vernon For 2nd Season Victory

By Mike Groves
REFRESHED, rested and ready after an "open" week the Matador Matadors drove back into the winning groove Thursday night here on Burleson Field when they walloped the Vernon "B" team 51-27. It was the Matadors' second victory of the season.
The score by quarters was: (1) Matador 19, Vernon 7, (2) Matador 13, Vernon 6, (3) Matador 13, Vernon 14, (4) Matador 6, Vernon 0.
In the second quarter Charles Renfro went over on a 25-yd run and Green kicked the extra point. Hamilton made the next touchdown on a five yard run. Garland Cartwright set up the play with a 25 yard run. John Rawlins made Vernon's first score with a 75-yard run. George Widdanders kicked the extra point.
In the third quarter Cartwright ran 70 yards for a touchdown in the third quarter. Renfro followed him on a trip to pay dirt with a 3-yd plunge. Green kicked. Carrington made a score for Vernon on an 18-yard run in the same quarter. Widdanders kicked the extra point. Rawlins scored on a 10-yard run and Widdanders kicked the extra point for the visitors.
In the fourth stanza Arvin Ellithorp took charge of the scoring business and raced 72 yards. In first downs Matador recorded 19 while Vernon "B" had 9. Leading ground gainers were Hamilton who totalled 197 with 134 collected in the first quarter. Arvin Ellithorp gained 118 yards and Garland Cartwright 116, in four tries.
The Matadors will go to Crowell tomorrow Friday for what promises to be a tough game. October 7 is an open date and October 14 the Matadors will meet Estelline here for the first conference game of the season.

Editor To Address Two Groups During Newspaper Week

Editor of the Tribune Douglas Meador will make two speeches in Childress, Wednesday in recognition of National Newspaper Week, October 1-8.
The first address will be made at 10 a. m. Wednesday before the Childress High School Journalism class. At noon he will address the Childress Rotary Club which is observing National Newspaper Week.
Morris Higley, publisher of the Childress Index, invited Meador to make the two addresses.

Legion Will Hold Regular Meeting

Fleming Post-American Legion will hold its regular meeting Monday night, October 3, according to an announcement made this week by Commander James Priddy.
Regular meetings are held the first Monday night each month jointly with the Legion Auxiliary. A buffet supper prepared by the women members of the organization will be served. The meeting starts at 7:30 p. m. in the Legion building. All Legion and Auxiliary members are invited and urged to attend.

Night Farm Show Is Well Attended

Night farm demonstration of the Ferguson tractor and equipment held last week on the E. H. Holcomb farm six miles east of Roaring Springs, attracted a large number of farmers and others interested in farming methods.
The demonstration was sponsored by the Swin & Son Tractor Company of Roaring Springs Ferguson tractor dealers.
"We are gratified," declared J. T. Swin, Jr., manager of the tractor firm, "at the number of people who accepted our invitation to see the Ferguson 35 tractor perform. We appreciate the interest shown by our visitors and the many inquiries resulting from the demonstration."
"We, of course, share the enthusiasm of our friends," Mr. Swin declared, "as they praised the Ferguson tractor as the most versatile and economical farm power ever devised."

Paul Patton At Service School

Paul Patton, Matador Auto Co., mechanic is in Dallas this week attending a 1956 Ford service school. Previously he had attended a special instruction course at Paducah on the servicing of Ford carburetors.
Mr. Patton was accompanied as far as Decatur by his wife where she is visiting relatives while he is in Dallas.

FROM TRIP

W. M. Graham returned Wednesday of last week from a three-week trip which included a visit with relatives in New York City. She made the plane from Amarillo, 63 miles to Oklahoma City, where she visited her nieces and nephews and at Ada, Okla. Her brother and family Mr. Walter Pike, from New York City, she was accompanied by her sister-in-law, Mrs. Kathy Lamb. Highways were busy with the visit to New York, which was the boat entering Manhattan which afforded a panoramic view of the great metrop-

Springs Gin Goes To Electric Power

Roaring Springs Gin has installed a new General Electric 150 HP electric motor and is prepared to render more dependable service to customers. Billy Hand, manager of the gin, said this week, that the new motor has proved very efficient and that customers have been pleased with the improvement.
The big new motor makes it possible to start the gin in a few moments, providing a source of steady power. Mr. Hand said he had ginned 17 bales from this year's crop when rainfall stopped the harvest.

ENROLLED AT TECH

James Finley Sturdivant is among local students enrolled at Texas Tech, Lubbock. He is the son of Mr. and Mrs. J. P. Sturdivant, and transferred to Tech last year from Texas University.

MRS. H. A. SEIGLER DIES IN OKLAHOMA

Mrs. H. A. Seigler, 62, of Abilene, Okla., died Thursday, Sept. 22 at her home following an illness of about three months. She was a daughter-in-law of local resident, Mrs. G. W. Seigler.
A native of Uruguay, Mrs. Seigler had made her home in this country for about twenty years. Besides her husband, she is survived by her mother, one brother and two sisters, all of Uruguay.

LOST MIKE STAND

"Cotton John", popular Amarillo radio farm and ranch commentator, has "gone off and left" a microphone stand. When "Cotton John" was in Roaring Springs for Old Settlers (recording for television and radio) the stand was left or lost. He has asked the Tribune to help him locate the property. Any reader who knows anything about the stand is asked to convey the information to this newspaper.

Circus Cancels Childress Date

Ringling Brothers Circus announced last week's issue of the Tribune, to show in Childress, has cancelled plans to show in the neighboring county.
Morris Higley, publisher of the Childress Index, yesterday called the Tribune and declared he had confirmed rumors that the show would not come to Childress. He said he had checked with city officials who declared they did not know why the schedule was changed.
The big circus will show in Amarillo, Oct. 4, Plainview, Oct. 5, and Lubbock, Oct. 6, according to a schedule released to various daily newspapers in this area.

Extension Service Specialist Visits

Ralph Jones, irrigation specialist for the Texas Extension Service with headquarters at Lubbock, spent Tuesday visiting irrigation systems in Motley county with County Agent Bill Pallymeyer.
Purpose of the trip was to become acquainted with the irrigation problems of the county, and to offer suggestions as to how irrigation practices could be improved, to allow greater income from irrigated acres.

AT RELATIVE'S FUNERAL

Mrs. J. C. Green attended the funeral services at Happy Monday for an uncle, C. H. Cox. She was accompanied by her brother Bill Slover, and his son and family, Mr. and Mrs. Billy Ray Slover and small daughter.

RETURN FROM CALIF.

Mr. and Mrs. Joe Bloodworth returned last week from a trip to California where they visited their daughter, Mrs. Reggie Anderson, and family at San Diego. Mr. Anderson is on duty at the U. S. Naval base there.

Rites Held For Hubert C. Pool

Funeral services were held Saturday, Sept. 24, at 10 a. m. at the Whiteflat Baptist Church for Hubert C. Pool, 43, who died Thursday at Amarillo, where he had been a resident for three years.
Rev. H. T. Harris was in charge of the services, and Eudy Seale Funeral Home was in charge of funeral arrangements, with interment in Matador East Mound cemetery. Pallbearers were Bill Smith, Vernon Watkins, Ed Jameson, Alfred Watson, Joe Bloodworth and Weldon Bailey.
Mr. Pool was born at Whiteflat, Texas, Sept. 2, 1912 and died Sept. 22, 1955 at the age of 43 years, 20 days. With the exception of a few years he had lived all his life in Motley county. He was married to Miss Gladys Preston in 1932, in Oklahoma.
Besides his wife, he is survived by one son, Ray, of Amarillo; his mother, Mrs. Mattie Pool, of Whiteflat; 1 brother, Edward Pool of Los Angeles, Calif., and two sisters, Mrs. Wade Morris of Amarillo, and Mrs. Charles Divine of Alamosa, Colorado.

Cattle Scales Test Requested

Due to recent requests by Motley county ranchers, efforts have been made by County Agent Bill Pallymeyer, to secure an official tester from the Weights and Measures division of the State Department of Agriculture to test cattle scales in this area.
"At present a definite date has not been set for the test," Pallymeyer announced, "but the greater the demand, the sooner we stand a chance to get the test made."
Those with livestock scales they would like tested are requested to notify County Agent Pallymeyer, so that an early test date may be secured.

SURGERY SCHEDULED

Mrs. A. B. Nichols of Roaring Springs is scheduled for surgery Friday morning at St. Mary's Hospital in Lubbock. She was accompanied there today by her daughter, Mrs. Algie Groves.

Purpose of the trip was to become acquainted with the irrigation problems of the county, and to offer suggestions as to how irrigation practices could be improved, to allow greater income from irrigated acres.

CATTLE SCALES TEST REQUESTED

Due to recent requests by Motley county ranchers, efforts have been made by County Agent Bill Palmeyer, to secure an official tester from the Weights and Measures division of the State Department of Agriculture to test cattle scales in this area.

"At present a definite date has not been set for the test", Palmeyer announced, "but the greater the demand, the sooner we stand a chance to get the test made."

Those with livestock scales they would like tested are requested to notify County Agent Palmeyer, so that an early test date may be secured.

MYRA WHITAKER AND BENNIE BROWN CHANGE MARRIAGE VOWS AT QUITAQUE

The First Baptist Church of Quitaque was the scene of the wedding of Miss Myra Nan Whitaker and Bennie Don Brown, on Sunday, Sept. 18, at 7:30 p. m. in the evening. Rev. Hamm of Quail, read the wedding ceremony.

The bride is the daughter of Mrs. G. E. Whitaker of Quitaque, and the bridegroom is the son of Mr. and Mrs. S. C. Brown of Quitaque. Adding bells in shades of pink and white formed the background for the ceremony. The couple were flanked by pyramid of white satin, and baskets of white gladioli and bronze ranunculus. Palms along the aisle completed the setting.

L. D. Wilkerson of Matador played the traditional wedding music and accompanied by Waydette Martin and Beth Tanner as they sang, "Love You Truly", "Always", "The Lord's Prayer".

The bride, given in marriage by her father, wore a gown of Chantilly lace over tulle tulle, designed along principles, with long, tapered sleeves. The crown of seed pearls held shoulder-length veil, and the something old was grandmother's wedding veil. She also wore something new and blue, and had an old head penny in her shoe.

Carried in a white Bible with white and blue streamers, the bridegroom, was matron of honor. Her princess style was mauve pink, and she wore a corsage of white carnations. Miss Mary Ann Calvert was bridesmaid. She wore a blue dress and a corsage of white carnations.

Candlelighters were Melanie Brown, sister of the bridegroom, and a white evening gown. Ushers were, Max Hampton, Ronald Clay, both of Matador; Alvin W. Hamm, of Quitaque; and Richard Pittman of Quitaque.

The reception was held in Fellowship Hall of the church. Mrs. Herb Martin of Flomot served the bride's cake, and Mrs. J. C. Rhoderick poured the punch. Mary Ann Calvert assisted at the table. Classmates of the bride, assisting with the

Former Resident Named P-T District President At Recent Lubbock Meeting

New officers for District 14, Texas Congress of Parents and Teachers, were elected recently in a meeting at the Plainsman Hotel, Lubbock, following the first division of the district since 1928.

Mrs. J. M. Harper of Lubbock, former Matador resident, was named president. She is the former Marjorie Moore, daughter of Mrs. R. P. Moore of Matador, and the late Mr. Moore.

Her district now includes Floyd, Crosby, Garza, Hale, Lubbock, Lynn, Lamb, Hockley, Bailey, Terry, Yoakum and Cochran counties.

The new 18th District will include Motley, Cottle, Dickens, King, Kent, Stonewall, Fisher and Jones Counties, formerly in the 14th District, as well as Taylor, Scurry, Haskell, Knox, Foard and Hardeman Counties. Mrs. Robert Cross of Anson, president for the past four years will be in the newly organized 18th District.

Following a luncheon at the Plainsman Hotel, Mrs. Harper presented Mrs. Cross with a district past-president's pin as a gift from vice-presidents who have served with her the past three years. Dr. John Carroll presented a gift of silver to Mrs. Cross from members of the board.

Mrs. Harper has served the past three years as a vice-president and aide to the president of the 14th District P-TA. Prior to that she served as district publicity chairman.

She is the mother of two children, Beverly, 13, an eighth grader at Matthews Junior High School, and Jon Criswell, 8, a third grader at McWhorter Elementary School, where she has served in various P-TA capacities for the past six years.

The new president also is active in the WSCS at St. John's Methodist Church and was promotion secretary for the Lubbock District, WSCS, for two years.

Mrs. Frank King of Lubbock visited here Sunday with her mother, Mrs. Sallie Wells.

She has been active in scout

The school of instruction will be an area workshop because Texas Tech is the only college in this section of the state where Mrs. Bieler will appear, Mrs. Godeke said. The workshop is to include all local unit, council and district P-TA members.

Stevie Sims Has Recent Birthday

Stevie Sims, son of Mr. and Mrs. Ray Sims of Channing, formerly of Matador, was honored on his eighth birthday, Sept. 9, with a small party given by Mrs. W. W. Waybourn and Mrs. Ellis Key, at the Waybourn home here.

Helping him celebrate for the occasion were Ronnie and Don Cox, Kenneth Pitts and Butch

Waybourn. In addition to the birthday cake which the hostesses provided, a specially cowboy-decorated cake was the gift of Roy Smith, manager of the City Bakery.

Susan Hunt Has Birthday Party

Mrs. Marvin Hunt honored her daughter, Susan, on her seventh birthday, with a party in Matador City park, Sept. 12. Guests were, Harold Meason, Marsha Seale, Dick Moss, Sharlene Berryman, Kathy, Larry and Debby Sonier, Pat and Jeanette Day, Judy Pitts, Ronnie and Don Cox, Brenda Wason, Brenda, Wreathel and Treva Hicks, Jim Harvey and Sally Case, Max Barton, J. Lynn Barnhill, and Janna Jones.

Ice Cream Supper Honors Clyde Matney

An ice cream and cake supper was given in honor of Clyde Matney's birthday at his home, Sept. 21. The supper was delayed one day, for Mr. and Mrs. Roscoe Holt's arrival from California, so that they might attend.

CARD OF THANKS

We had a wonderful fellowship enjoyed every one; sorry those that were absent missed being at our supper. We thank each and every one for the nice gifts. May God bless every one.

President's Day Tea In Campbell Home Inaugurates 29th Year For Study Club

Current year for El Progreso Study Club began Thursday afternoon, Sept. 22 with a "President's Day" tea held in the home of Mrs. Forrest Campbell, which inaugurated the organization's 29th consecutive year of study. Theme for the year will be, "The Club Woman Views Her World."

With Mrs. J. L. Woodruff presiding, business was disposed of, and Mrs. Furman Vinson led a 20-question game, "Name the person: Famous Women in the news." Mrs. L. D. Wilkerson led the group in singing the club song, "Love and Grow".

For her presidential address, Mrs. Woodruff's subject was, "The Business of Being a Club Woman."

"Being a club woman is a challenging business because it is a tremendous force in the building of better lives, homes, communities and a better nation," she declared, pointing out that millions of women are now engaged in the business of being club women. "The object is not filling points on our score card, or achieving the community improvement project," she asserted, "these are only fruits of our object. In helping each other through kindness, sympathy and cooperation, we create an atmosphere in which each member may continue to grow into that mature, well-rounded, useful club woman."

Mrs. Woodruff was presented to the club by Mrs. L. B. Campbell, retiring president.

Mrs. A. J. Daffern offered the closing prayer, after which the club was adjourned for tea.

A beautiful arrangement of "Peace" roses in a crystal bowl, decorated the refreshment table and favors were hand-painted cards with pencils, bearing the inscription, "El Progreso Club President's Tea" and the date. Frosted lime punch, cookies, mints and nuts were served by a tea committee composed of Mrs. W. N. Pipkin, Fred Simpson, Bill McCaghren and Harry

Willet. During the tea, Mrs. Campbell played soft organ music, and at the close of the affair, the table arrangement of roses was presented to the new president.

In addition to those named, others present included Meses, W. W. Clements, G. E. Hamilton, W. F. Jacobs, Leonora Luckett, D. E. Pitts, Sr., Frank Pohl, A. C. Traweek, Jr., C. P. Waybourn, Freeman Thacker, J. R. Whitworth, Melton Thacker, Glenn Woodruff, U. L. Willie, Arthur Fair and Howe Hines; Meses Amy Glenn and Mary Keith.

Executive Meeting
Officers and committee members were called in an executive meeting by Mrs. Woodruff, at her home, on Monday, Sept. 12, when the year's work was studied.

Thailand Studied By Baptist W.M.S.

A study of Thailand from Royal Service magazine was led Tuesday night, Sept. 20, at regular monthly meeting of the Baptist W.M.S. in the church auditorium, by Mrs. Colquet Warren. On the program were Mrs. Jessie Smallwood, Mrs. Forrest Campbell and Mrs. Jack Norman.

The program was held following covered dish supper with the Brotherhood, in the church basement.

Elect Officers
Bill Dunning was elected president of the Baptist Brotherhood in the meeting of that organization, with Lee Burns as first vice-president, Bill McCaghren, 2nd vice-president and Major Walding, secretary-treasurer.

Mrs. Edgar Lee was in charge of the Sunbeams during the W. M. S. and Brotherhood meetings. Those attending the two meetings included Mr. and Mrs. Loyd

Flomot Home Demonstration Club met Tuesday, Sept. 20 for an afternoon of quilting, with nine members present. During the business session, with the president in charge, Mrs. W. T. Ross gave an interesting report on the last Council meeting.

Plans were also discussed for a bridal shower honoring Bonnie Brown (nee Mrs. Whitaker) which will be held the Flomot gym, Saturday, Oct. 1, at 2 p. m. The Flomot Club will be co-hostesses with a group of Quilting ladies, for the bride and all relatives and friends of this fine couple are urged to be on Oct. 4, at 2 p. m.

Next meeting of the club will be on Oct. 4, at 2 p. m. Mesdames H. H. Schwab, A. A. Harp and Pat Stangnessday.

Cost: 1 Ice Cream Soda A Day!

If your doctor prescribed an ice cream soda a day for 10 days to get you out of a sick bed, you'd take your "medicine" gladly... with little thought to its cost. When figured on the basis of the quantity of medicine the doctor asks you to take every 24 hours, today's prescription rarely costs you more than a daily ice cream soda. But it does something no ice cream soda can do. It cures disease.

Visitors Conduct Flower Clinic At Garden Club Meet

A "Home Flower Clinic" conducted by Mrs. W. W. Bragg and Mrs. Jack Sims of Chillicothe, was held by Matador Garden Club in regular monthly meeting, Monday afternoon, Sept. 19 at 3 o'clock in the home of Mrs. W. W. Clements.

The hostess had several attractive arrangements of zinnias and dahlias, and each member carried an assortment of cut flowers, leaves, foliage and flower containers. The visitors demonstrated by making many beautiful and decorative arrangements for different settings. They also used dried plant material, driftwood and fruit.

The club's October flower show was discussed and rules and regulations for the various classes of arrangements were explained by Mrs. Seth Sager and Mrs. Freeman Thacker. Date for the flower show has been set for October 15th.

The guests, Mesdames Bragg and Sims were each presented a gift for their visit and instruction, and the club as a whole felt they gained much needed information. The following members other than those named, were present: Meses F. C. Bouffland, Forrest Campbell, Ada Ford, G. E. Hamilton, Vance Gilbreath, Jim Horn, W. F. Jacobs, W. F. McCaghren, W. N. Pipkin, D. E. Pitts, Sr., Floyd Henderson, M. S. Thacker, C. P. Waybourn, U. L. Willie, J. L. Woodruff, L. J. Barkley, and Miss Amy Glenn.

COUNTY AGENT PALLMEYER SAYS:

CULTRY RAISER TYS DE-BEAKER

Electric de-beaker has been used by Mr. Henry Sisk of Matador to keep his flock from pecking each other to death. His entire flock was de-beaked on Friday, Sept. 23, at the Matador Freshman class under the instruction of Mr. Sisk. Matador FFA Ad-visor, Mr. Sisk, and County Agent Bill Moser were present.

The machine is manually operated and consists of an electrical cutting blade that is set down on the beak of the bird by a foot pedal, thus tearing off the tip of the beak. Generally about 3/16" of the beak is cut off, which prevents the bird from pecking other birds without impairing its eating.

Grain Sorghums Future Bright

Hybrid grain sorghums are available in limited quantities for use by planters next year. The expected 20 percent increase in yields in hybrids plus grain sorghum's ability to out-produce in dry years is apt to push grain sorghum belt eastward in the Great Plains.

GALS GUNNING FOR FAIR GOERS—These eight lovely Glamour "Iciers" are only a few of a bevy of beauties to appear in "HOLIDAY ON ICE" at the Panhandle South Plains Fair in Lubbock the last week in September. In one of the 28 show acts, these girls are out to capture the notorious love thief Bill Blocker, the outcome of which will amuse all members of the family.

ment stations in Texas, Kansas, Nebraska and Oklahoma with doing most of the research work which has resulted in the new hybrids. They receive assistance from scientists of the Department's Agricultural Research Service, notably J. C. Stephens working with Texas personnel at the Chillicothe substation, and Dr. John H. Martin, the Department's long time leader in the grain sorghum research.

The crop has been gaining popularity for feed following small grains in the South. During the past decade the harvested acreage has averaged near 7.2 million acres annually. Last year approximately 10.8 million acres were harvested and the 1955 acreage is estimated at 13.2

feeds, especially for poultry and more recently in the production of such food items as starch and dextrose.

Freezing Time For Game Birds

Now is the time to stock the freezer with a fresh supply of doves and other game birds. It's a simple process—Draw birds as soon as possible after they have been shot. If there isn't time to do a thorough job of cleaning and dressing, remove the crop and intestines. Chill promptly.

Plucking the birds is preferable to skinning them. Skinning causes dryness and some loss of flavor. Wash birds thoroughly before packaging.

Wrap individually in moisture vapor-proof material. Cellophane, aluminum foil, plastic and different kinds of laminated wrapping papers are satisfactory. Seal with freeze tape. Label with name and date.

To maintain top quality, store birds at 0°F or below. From six to nine months is recommended storage period.

Thaw birds before cooking.

'56 Senior News

The Senior Class of '56 had their senior pictures taken Thursday, September 15. They also picked the frame and had a choice of an eight by ten of themselves or a class pic-

ture free, if ordering a dozen of themselves.

Those having pictures made were Stanley Neighbors, Alvin Lynn, Frank Traweck, Clinton Holiman, Mike Shanks, Melvin Cooper, George Pitts, Royce Kirby, Richard Hamilton, W. E. Russell, Maurice Cox, Linda Chambliss, Rachel Craven, Lucretia Edwards, Mickie Steen, Pina Sturdivant and senior sponsor, Mr. Garland Rattan.

The pictures were made by Alderson's Art Studio, Clarendon.

If you were around Matador High School, Monday, September 19, you would have thought the seniors were acting very strangely. Why? The Senior rings arrived Monday and they were all smiling and holding out their hand for everyone to see.

Those ordering rings were W. E. Russell, Mike Shanks, Clinton Holiman, Richard Hamilton, Alvin Lynn, Royce Kirby, Frank Traweck, Linda Chambliss, Lucretia Edwards, Rachel Craven, Mickie Steen and Sara Carson.

The rings are yellow gold with black lettering and are of round style. The initials are on the inside.

Fifth Graders Down the Fourth With 18-6 Score

The fifth grade football team played the fourth grade football team during the noon period Thursday, Sept. 22. The final score, after the very exciting game was 18 to 6 in favor of the fifth grade.

Captains for the fifth grade are Lonnie Terry and Mike Barton. Jack Luckett and David Rattan are the fourth grade captains.

Lonnie Terry tallied twice and Kenny Barton once for the fifth grade team and Claude Glasscock scored for the fourth grade team.

The fifth grade roster includes Larry Nevins (LE), Jay Barkley (LT), Jimmy Taylor (LG), Rob-

SAILOR, HO!—One of many outstanding features of "HOLIDAY ON ICE" at this year's Panhandle South Plains Fair in Lubbock will be the antics of sany Paul Andre in the skit "Oh, For the Life of a Sailor". With a little help from Glamour "Ice" Joan Hagen, the poor sea-farer takes more spills than ever before trying to get his "ice-legs". The show will be staged in Fair Park Coliseum Sept. 25-30. Mail orders for reserved seat tickets are now being received by Fair officials.

ert Davis (C), Larry Burks (RG), Freddie Robinson (RT), Key Vaughn (RE), Lonnie Terry (HB), Kenny Barton (HB), Mike Barton (FB), Gary Lancaster (QB).

Those playing for the fourth grade are Wilburn Terry (LE), Don Seigler (LT), Darrel Nevins (LG), David Thompson (C), James Bailey (RG), Robert Branson (RT), Wayne Lipham (RE), Jack Luckett (HB), Jerry Nolen (HB), Claude Glasscock (FB), David Rattan (QB), and Roger Vinson (substitute).

Coach Rattan, Shelby Jackson and Franklin Thrasher officiated for the two teams.

Beginners Have New Equipment

What would you do with about forty, six-year-olds just beginning their school career? How would you like to be a first grade teacher, who has not only to be a teacher but a mother to them all and to help them adjust socially to their new classmates and environment. The teachers employ all types of equipment such as colored spoons, sticks and blocks to count, large flannel boards with the colored numbers and pictures, number books and charts.

One thing that is especially unusual is a book with pages of colored pictures telling stories. These help to train the students

to read from left to right before they take up word reading. All this fine, new equipment is very helpful in teaching the first graders and it also holds their interest.

Let's follow the six year old through his busy day. First, from 9:00 until 10:00 they study; 10 until 10:30 they have physical education; 10:30 until 11:30 they study; 11:30 until 12 they have lunch and play. Then, from 12 to 12:10 they have a rest period and their teacher reads a story; from 12:10 to 1:45 they study and from this time until 2:15 they have supervised recreation outside. They then come in and drink a bottle of milk. School is out at 2:30.

Grade School News

Eighth Grade

The eighth grade students are very excited about their field trip they are to take Friday, September 30. They are planning to go to Lubbock to tour the museum and planetarium.

Mrs. Edwards' class is enjoying the map left by the '55 graduating class. It was very unique in its making. They flew an airplane over the United States several times which was equip-

ped with a special weight which recorded the elevations. The map cost around \$35.

Seventh Grade

Sandra Gray and Stanley Welling were selected as class librarians. The class received twelve new books for the present school term. They also received four magazines: American Girl, Popular Mechanics, Sport and Holiday.

Sixth Grade News

The sixth grade football practice is in full swing now. James Smith broke his left arm just above the wrist while practicing Wednesday.

In connection with their study of England, Johnny Ezzell brought some English money to class Friday. In science they have been studying about the weather. Each student has kept a record of the weather for five days, also in their study some of the students drew pictures of the clouds. Those drawing were Jimmie Green, Glenna Couch, Dixie Barton and Vada Nichols.

Fifth Grade News

The fifth grade has decided to bring cookies to eat during their milk break every Friday. Jane Hamilton and Jimmy Taylor were elected to bring cookies the first Friday.

The class has elected Kenny Barton as their class reporter.

They have been making book-markers and Mary Newman's was selected the best. Also they have been saving Aladdin paper covers to get pictures of famous Texas heroes. If anyone has any

Let's take a walk around the **NEW '56 FORD!**

1. We'd like to show you some of the things that make the Ford one of America's finest cars... though it's one of the lowest priced. Let's start with these long, low lines. Looks like it has to stand still, doesn't it?
2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. Look at those broad, flat hood, for example. Here is styling that will stay in style.
3. Here's what you ride on. This frame has five cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.
4. The new 202-h.p. Thunderbird Y-8 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 176-h.p. Y-8 in Fordomatic Mainline and Customline models, or Ford's new 137-h.p. Six is available in any model.
5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing... to give you added protection in case of an accident.
6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in seats.
7. Here's Ford's new Lifeguard door latch. It is another member of Ford's new Lifeguard family. A double-grip locking engagement opens under unusual strain of impact. Chances of serious injury in accidents are low when passengers remain in the car.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. When you do, you'll know that Ford is the fine car at half the fine car price.

Highlights and Sidelights FROM YOUR State CAPITOL
By VERN SANFORD
Texas Press Association

AUSTIN—Granite in the capitol building is more radioactive than the dirt being used by Texas' mushrooming "uranium dirt-sitting" business. So say state health department officials. Landowners near uranium strikes have erected benches and charge patrons \$2 to \$3 an hour to sit with their feet in the supposedly irradiated dirt. Hundreds of people seeking relief from arthritis and other aches have patronized the places. After analyzing the dirt, Dr. Henry Holle, health commissioner, said that dirt-sitting does no

The Methodist Home Choir of Waco, Texas, returns to the airwaves at 8:15 A.M., Sunday, October 2, and will be a weekly feature until Christmas. This year's series, "Bless This House", will mark the advent of an entirely new programming technique for the choir. The boys and girls vocalists will sing old time favorites, folk songs and hit tunes, as well as their customary hymns and religious songs. By adapting this newer, wider approach in the selection of songs, the choir plans to bring more all around musical entertainment and enjoyment to their listeners. For the first time this year the choir will be producing their weekly presentations from their new radio studio here on the campus. The choir, currently under the direction of Henry McDowell, has been broadcasting for seven seasons. Their new 15-minute series will be heard each Sunday morning at 8:15, beginning October 2nd, and continuing until Christmas, over the following radio stations: WFFA, Dallas; KFYO, Lubbock; KTRN, Wichita Falls, and fifteen other stations over Texas and New Mexico.

Farm Hearing Slated

Texas farmers can have their say on federal farm policy at a U. S. Senate committee hearing Nov. 5 in Fort Worth.

Drought Aid Sought

Federal disaster aid is being sought for Texas' drought-stricken areas.

Crop Production Falls

Texas crops are falling below estimates, according to the USDA.

Water Application Undecided

Still to be decided upon is the application for more Pedernales River water to irrigate U. S. Sen. Lyndon Johnson's Gillespie county farm.

Hospitals Approved

Five Texas hospital projects have been approved by the State Board of Health for federal aid money.

An important point about stock car racing that may not have occurred to you:

The safer car wins . . . and Chevrolet is the big winner

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina—the very qualities that make a car safer for you—are the keys to victory on the track! And that's why Chevrolet is top car, by far, on the rugged NASCAR (National Association for Stock Car Auto Racing) Short Track circuit.

Faster acceleration
Chevrolet's cannonball acceleration is a vital safety factor on the highway—one that can whisk you more safely around other cars and out of critical situations.

Easier steering
You feel the feather-light precision of Ball-Race steering in heavy traffic and in every curve. There's extra safety, too, in Glide-Ride front suspension that softens the harshest bumps.

More stability on curves
There's more comfort and less body-roll with broad-based Outrigger rear springs; extra security if you have to swerve to meet an emergency.

Quicker, smoother stops
"Heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways with Chevrolet's big 11-inch brakes.

Come in and try out this new winner yourself . . . and see how easy we're making it to buy a Chevrolet right now!

Sergeant Nolan was born in St. Louis, Mo., April 26, 1921, and was reared there. He spent 6 years in the Coast Guard serving as chief machinist mate, and had completed 3 years in the air force.

Outstanding Record

In a letter to Mrs. Nolan from Lt. Raymond J. Parsons, Headquarters Commander, Staff Sgt. Nolan was cited for an outstanding service record. Excerpts from the letter declared: "Your husband was in this Squadron for approximately a year and a half, and distinguished himself not only as an outstanding non-commissioned officer, but also as a person of great understanding. His sound judgement and unique ability to see any job through to its completion, no matter how great or how trivial, served as an example and gained the respect and admiration of all who worked with him. His outstanding ability was further shown by having been awarded the World War II Victory Medal, American Defense, European African Middle Eastern Area Medal with five Bronze Stars, Asiatic Pacific Theater of War Medal, National Defense Medal, and the Good Conduct Medal."

Requiem High Mass was conducted from the St. Louis Cathedral, Tuesday, Sept. 20, by Rev. Joseph Anier, who had performed the marriage ceremony for

the couple on Nov. 6, 1948.

Besides his wife, Nolan is survived by his mother, Mrs. Alice Marie Nolan, 4 sisters and one brother, all of St. Louis.

Returns With Mother

Mrs. Nolan accompanied her mother on her return to Texas, and spent the past week at Whiteflat in her parents' home. She will leave this week-end to return to New York.

All-Weather Oil Proves Popular With Car Owners

Changing grades of motor oil to match the change in seasons is no longer necessary. With the development of all-weather motor oils many car owners now rely on one of the new multiple grade oils for both winter and summer engine protection.

The popularity of all-weather motor oil is shown in sales figures released today by Phillips Petroleum Company. During the first half of this year, the company's Trop-Artic All-Weather Motor Oil accounted for 36% of Phillips sales of first line service station motor oils. Using this figure, Phillips estimates that almost four out of every ten customers are already using this all-weather oil which was placed on the market only 15 months ago.

Convenience is one reason for the rapid sales rise of this new type oil. All-weather oil makes it easy for motorists to protect car engines against operating

Color Television, Texas Size

Color television will be introduced to Texans on this giant, movie-size television screen at the 1953 State Fair of Texas, Oct. 7-23. The singer is being televised by the camera visible at lower left-hand corner of picture. Both Dallas TV stations will transmit color programs daily from the Fair and closed circuit shows visible only on sets at the fairgrounds will be presented nightly. The RCA Color TV Caravan, the only mobile color TV set in the world, will be based at the fairgrounds all during the fair.

and seasonal temperature changes.

Wear protection is another reason for the popularity of this new oil. Tests made by Phillips which compare Trop-Artic with older types of oil showed that all-weather motor oil, changed as recommended, reduced piston ring wear, increased gasoline mileage, lowered oil consumption and gave easier starting.

Used in conjunction with gasoline that is "controlled" according to the season and climate, all-weather motor oil helps car owners enjoy trouble-free motoring at every season of the year.
