Rochester Steers are Branded, 25 to 14

by Johnny Ezzell
REGIONAL HONORS in their scope Friday night was probably a factor in the operation that caused the Matador Matadors to leave the Rochester Steers branded 25-14, and scoop up the bi-district championship title. The Matadors will meet the Newcastle Bobcats at 2 p. m. in Vernon Thursday afternoon to decide the championship of Region III, class B. If fair weather prevails it is estimated that a third of the population here will make the 100-mile trek to see the Matadors play their final game of the 1960 season.

In defeating Rochester for the 2nd time this season, the Matadors had to cope with unexpected formations, a fake-fumble play which went for a touchdown, and a fired-up Steer team in the second half. However, the Matador defenders, led by Jimmy Welling, Dale Dixon and Dink Wilson, contained the Steers except for two long touchdown runs.

Fullback Guy Campbell, as usual, was the workhorse of the Matador attack. He gained 186 on 32 carries and scored two touchdowns. Other Matador tallies were scored by Jimmy Green and Dink Wilson on runs of six and three yards. Kenny Barton kicked the solitary extra point the Matadors were able to make.

Left side of the Matador line, Buddy Davis, Gale Stafford, Petsy Timmons and Dale Dixon, worked hard all night, since most of the Matadors' yardage was made over them. They steadily opened holes which were good for four or five-yard gains.

Kenneth Davis recovered a Steer fumble on the Rochester 42 to start the first Matador scoring drive. Eight plays later Jimmie Green went six yards over left tackle for a 6-0 lead.

The score came with 3:35 left in the opening round. Campbell climaxed a 13-play 45 yard march with a 1-yard

burst over left guard with 6:30 left in the second period. Campbell carried 8 times for 26 yards during the march. Barton kicked the point for a 13-0 lead.

Lead 19-0 At Half

The next Matador scoring drive was set in motion at the Matador 49 yard-line at the end of a Steer punt. It took the Matadors 11 plays to score, with Wilson going the final 3 with only 40 seconds left in the half. The Matadors thus owned a 19-0 lead at the half.

Rochester came back in the second half to score with 7:23 left on a 70-yard end run by speedy halfback Bob Ballard. Fullback Delbert Smart cracked over right tackle for the extra points.

The final Steer score came when Smart went 49 yards on the last play of the third quarter. Smart lined up as the center, with the rest of the team to his right. Tailback Billy McNelly took the snapback, pitched the ball back to Smart, turned around, yelled "Fumble," and fell on the ground as if covering a fumble. Smart, at the same time, was racing wide to the left and down the sidelines for the score that cut the count to 19-14.

63-Yard Scoring Run

The Steers punted to the Matador 34, midway in the final period, and the Matadors went to work. Two plays later the ball was on the 37. Then Campbell raced around left end, cut back to the inside, and outraced the Steers to the end zone on a 63-yard scoring run. The scoring was over, and the Matadors led 25-14.

Rochester came back to move inside the Matador 30, and scored a touchdown, which was called back because of a clipping penalty. The game ended with the Steers n the Matador 27.

The Matadors rolled up 296 yards and 14 first downs in the game to Rochester's 134 yards and 7 first downs.

Community Pauses To Offer Thanks

Christian attitudes are to be desired in order to appreciate blessings, "when we are on the receiving end," a Thanksgiving audience was told Wednesday night in union services at the First Baptist Church.

Speaker was Rev. Roy Patterson, pastor of the First Methodist Church.

"In his letter to the Philippians, the Apostle Paul expresses the idea he has learned to live in conditions of plenty and of want. We may never be called upon

to live in either of these extreme conditions," Rev. Patterson said, "but there are conditions like both of these in our world today."

"As we come to Thanksgiving day may we seek to find Paul's secret, that our attitudes and actions may be Christian."

In pursuing the theme of his message, Rev. Patterson enumerated the characteristics revealed in the apostle's letter; that of humility without humiliation; an element of gratitude; an attitude of imagination, and a sense of responsibility.

"If we take our full share of responsibility now, there will be a time when others will gently lift them from our shoulders," he stated. "As we have given graciously, we may receive likewise."

Special Feature of the Union Community Thanksgiving Services

was the attendance in a group of the Matador football team and pep squad, accompanied by Coach Charlie Johnson and assistant Coach Don Macon.

Special music was a solo by Mrs. John Farris Fish and a trio composed of Misses Ida Fair, Gwen Killingsworth and Linda Thompson.

Invocation was by Rev. W. B. Vaughn; Scripture reading by Rev. Gene Hawkins, who also introduced the speaker, and benediction was by Judge Elbert Reeves.

Golden Harvest is Climax to County's Most Bountiful Year in Entire History

NEVER BEFORE have the citizens of the Foothill Country had more for which to be thankful than Thanksgiving 1960. Pioneers say Motley County has had the richest year in its entire history.

Some years have been more spectacular, as the 35,000-bale cotton crop in 1949, and the "the good wheat years" and "the good cattle year" etc.

But 1960 will be remembered as the "Bountiful Year" in which there was a good wheat crop at a good price, that the calf crop was good and brought a fair price, the cotton crop excellent and the price good and milo exceptional at bringing a fair price.

One estimate is that Motley County farmers will derive more cash income from milo than ever before in history. In the Flomot area reports are that both cotton and milo exceed any previous year on record.

Rainfall has been abundant in the Flomot area, and better than average over the remainder of the county. Matador and Roaring Springs areas are harvesting a good cotton crop with gins running around the clock. One authority says half of the crop has been harvested in Roaring Springs. It is possible the cotton may be approaching

the halfway mark here but in the Whiteflat and Flomot areas some estimate that approximately two-thirds of the crop is still in the fields, especially where replanting produced extra late cotton.

Range conditions are ideal and the grass has probably never been better in recent years.

In addition four new oil wells have gone into production to bring a total of 26 in the Roaring Springs Fields, thus adding more to the incomes of county property owners. Today is truly a day for which Motley County should be thankful.

Community Chest Kickoff Tuesday

Community Chest fund drive will get underway Tuesday (Nov. 29) following a "kick-off" breakfast in the Methodist Church basement. The goal this year is \$3,000. C. M. Barton Jr., 1960 Fund Chairman has announced.

All workers who will aid in the drive for the Community Chest are urged to attend the breakfast and be prepared to start immediately with the solicitation.

The Community Chest is the best and most economical method of handling the aid problem on a local basis. It has proven successful through years of operation because one donation takes care of the various groups to whom assistance is given.

"The cooperation of the community in responding to the workers will be appreciated," Mr. Barton said. "We sincerely hope that Matador will go over the top in this important project."

Special Service by Philippine Choir At Baptist Church

In preparation for the foreign mission emphasis in all Southern Baptist Churches at this time of year centering around the Lottie Moon Week of Prayer program and offering a special feature at the First Baptist Church Sunday evening will precede the W.M.S. programs announced for next week.

By special tape recording sent directly from the Philippines, Southern Baptist missionaries Mr. and Mrs. Leroy Benefield will speak, and the Philippine choir will sing.

Color slides of the Philippines accompanied the tape, and will be shown during the service, said Rev. Gene Hawkins, pastor, in making the announcement.

Mr. and Mrs. Benefield are known here, having visited the church before their current term of service began in 1958.

The community is invited to share in the service Sunday evening, beginning at 7 o'clock.

WE REGRET

Apologies are extended all club reporters and correspondents who sent in news and reports, not used in this week's Tribune. Illness of a staff member, and inability of an "extra" man to assist us as usual, combined with the special efforts to get it in the mail early, curtailed production. We hope to catch up with all "delayed" news next week.

GREENS SURPRISED WITH GIFT SHOWER

A group of friends of Mr. and Mrs. Mervin Green surprised them with a miscellaneous shower, Friday evening in the home of Mrs. Duff Green. The Greens are having their farm home repaired and enlarged. It was badly damaged last summer in a cyclone.

A festive spirit prevailed in preparation for the event, when the electric power suddenly failed and the scene was plunged into darkness. The mishap was only temporary, and the lights were soon restored.

The tables were decorated with autumn leaves and a floral centerpiece in attractive arrangements. The salad supper and dessert were brought by each club member.

Club women brought a gift to the person they thought was their secret pal, and hilarious speculation ensued. The suspense will be carried over into the holiday season and the club Christmas party, December 13. The party will be at the home of Mrs. Gordie Washington, at 2 p. m.

Early-Day Student Returns to Attend First Homecoming at Patton Springs

One of the first eight pupils who started to school at Prairie Chapel school when it was called Lower Cottonwood, was on hand to celebrate Patton Springs Homecoming Nov. 11-12.

He was W. M. Harvey of Las Cruces, N. M. who was wearing a ribbon with the year 1905. Lacking a building, these pupils attended school in a half-dugout and their teacher was Miss Whitaker.

Mr. Harvey was accompanied by his wife, and they visited his sister, Mrs. R. H. Springer during the week end.

A crowd estimated at between 550 and 600 attended the Homecoming. Highlighted by a pep rally and football game, the registering got underway Saturday, at 1 p.m. at the school.

The pep rally began by the band forming an "X" and greeting exes with a yell. The band then played "Let Me Call You Sweetheart" and "Mr. Touchdown" as the cheerleaders crowned Ronnie Mullins "Mr. Touchdown P. H. S."

The football captains, Buddy Melton and Jerry Gage then crowned Connie Gage as football sweetheart.

The game Friday evening between Patton Springs and Roaring Springs Yellowjackets ended in a 44-18 score in favor of the "Jackets" and ended the football season. The Rangers

School Spirit Is Team Incentive

The bi-district pep rally was a huge success. Victory was in the air as the Pep Club yelled "MHS FIGHT." Mr. Macon spoke to the group, saying that Rochester was going to be a tough game but if the boys gave them all they were worth they would come home with a victory.

Other loudly yelled cheers were "V.V. for Victory," "What's the Good Word," and "The Fight Song." Our beloved coach, Charlie Johnson then gave his talk. No matter what he says it comes from his heart and because of his faith in the team he has added a will to win. "Have Johnson Will Coach" was yelled with that good ole MHS spirit.

When Carol, Geney, and Cherri asked us if we had that spirit, we did and we proved it. The school song was sung by the student body and everyone was ready to brand a steer.

LET'S WIN REGIONAL!

CAMPUS CLIPS

By Donna Williams

Well, fellow students, tomorrow you will be sitting down to a delicious dinner of turkey and dressing and all the trimmings. Don't forget the true meaning of Thanksgiving while enjoying yourself. Take time to give thanks to the Creator for all blessings given you this year.

Last week's examinations were the regular six weeks tests and it seems many students barely passed. (Could the reason be lack of studying?)

Congratulations go to the extra fine job the football boys have done this year. A beautiful gold trophy inscribed with "District Championship" has taken its place in the MHS trophy case.

Since beating Rochester Friday, we are now awaiting the new "Bi-District" trophy, and will look forward to the boys' winning Regional today. Hurrah for the Matadors!

Greasy fingers and chocolate-smudged faces were the common sights on the two busses ridden by the MHS Pep Club Friday night to Rochester. These were caused by the fried chicken, potato salad and chocolate cake which the girls prepared and took along to eat. What a change from tuna sandwiches!

Have a nice Thanksgiving. See ya next week.

Campbell Is Named Back Of The Week

Guy Campbell was named "Back of the Week" by the Lubbock Avalanche-Journal for his outstanding play in the Turkey game. He is the third Matador player to be named as player of the week.

Guy scored three times in the game on runs of 5, 19, and 56 yards. He gained 182 yards on 20 carries, and was strong on defense.

Guy carried the ball 177 times during the regular season and gained 1062 yards for a 6 yard average.

The freshmen girls are making simple cotton dresses with set-in sleeves. Some of the girls have also made fitted pants and pajamas.

The sophomore girls are making various garments such as cotton dresses, skirts and blouses, and woolen suits and dresses.

The junior girls are making wool suits and dresses. Most of these have lining and bound button holes.

Girls Cage Teams Win Over Patton

The girls basketball teams stopped Patton Springs in a pair of games played last Tuesday night at the Matador gym. The A team retaliated for an earlier defeat by Patton Springs by trouncing them 38-24. The B team beat them for the second time, the score ending at 28-22.

Frances Cooper was the leading scorer in the A game with 14 points. Jill Scaff had 12, and Carol Campbell scored 8. Defensively, Doris Cooper was outstanding, with Dixie Barton, Sue Cross, and Pat Cooper playing good games.

FRESHMAN FACTS

by Mary Irwin

With the six weeks tests over, the freshmen can relax a little now. Most are pleased but some are a little sad over the results. All the girls are looking forward to the style show, Nov. 28, in hopes it will be a success. Judging will be a hard task because all have done real well on their garments.

"The poorest people in America are rich according to standards in the rest of the world," he said.

He cited the moral slum in which "white-collar" thieves are stealing more from their firms than the recognized thief... he pointed to the many freedoms which the people of this nation

enjoy and the opportunities it offers.

In a blast at the adults of the country who are pointing to the young people, Shelton said it is the adults who need to grow up and that he finds the youth of the nation with a great sense of responsibility. He pointed to the special need for a happy home life for youngsters. In closing he said, "Try to help keep our America on a good moral keel." (names of award winners will be published next week)
