68TH YEAR—No. 19

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, JULY 19, 1962

PRICE SEVEN CENTS

RESPONSIVE MECHANICAL SLAVES in the above small building on Lariat Street will say "goodbye to 'hello' girls" in Matador August 1. The windowless "maximum security" structure houses the intricate mechanism of General Telephone's new automatic dial system which will be "cut-over" early Wednesday, August 1. The new system, most modern available, will eliminate the switchboard system used in Matador for approximately 70 years.

Ten Phones To Ring When Fire Reported

TEN TELEPHONES are going to start ringing when a fire is reported after General Telephone's new dial system goes into effect here August 1. The phones will begin ringing in homes or businesses of ten members of the Matador Volunteer Fire Department. The ten phones will ring simultaneously. The ring will be a continuous type to differentiate it between a normal telephone ring.

The first fireman to answer the call will take the information from the customer. As long as any fireman is on the line, whether one or nine, the ring continues on all ten telephones. The only way the ring can be stopped is for all ten receivers to be replaced on the hooks.

In the event one of the ten phones is "busy" a loud tone will verify over his conversation to let him know that a fire has been reported. When he hangs up his telephone will begin ringing.

Lions Get Lesson In Phone Dialing

An attractive blonde "number" on a motion picture screen Tuesday gave Matador Lions members and visitors a lesson on the proper method to operate a dial telephone.

The film was a part of the program at the regular club luncheon held in the basement of the Methodist Church. W. L. Frazier, District Manager of General Telephone and Gen-Tel public relations representative Jim Parrish were guests of the club and explained the operation of the new dial system to go into effect August 1.

Parrish explained that long distance calls from Matador would go to Childress. He said Matador is one of the company's last towns to go dial and that 98% of General Telephone's exchanges are now dial systems.

Mr. Frazier said neighboring Paducah is also being changed to dial with the equipment building construction already started. Program Sponsor Lion J. E. Edwards introduced the guests.

Self-Serve Meal
Lions for one of the first times in the Matador Club's history, served themselves at a regular luncheon. Fried steak, cherry cobbler, mashed potatoes, green beans, rolls, salad, tea and coffee comprised the menu. The food was prepared by Waybourn's Cafe. Methodist Ladies who usually serve the Lions, had asked for a "vacation" from preparing the luncheon at this time.

That is the reason the crowds increase each year. Mr. Salem said the opening day of his sale here last year was the largest volume of business he has ever done during his 25 years in the dry good business. The store was closed yesterday in preparation for the sale.

New merchandise is arriving almost daily and customers are invited to see it. Early shopping during the sale is advise since the values in some lines are limited and better selection may be obtained.

NEW RESIDENT
Mrs. F. S. Landrum formerly of Odessa has moved here to make her home. She will move into her new home in the Southeast part of town. Mrs. Landrum is the daughter of Mrs. B. F. Jackson.

Cox Will Speak In Floydada Saturday
Jack Cox, Republican governor nominee will speak in Floydada Saturday. A political rally will be held on the courthouse lawn starting at 9:30 where the candidate will meet voters, answer questions and make an address.

Cox will be in the neighboring county seat only one hour to stay within the tight schedule of his campaign. The campaign committee of Motley, Floyd and Crosby counties extends an invitation to voters in this area to hear the Texas GOP governor candidate. Coffee and doughnuts will be served.

Driver Pinned Down By Tractor 4 Hours

DEATH BRUSHED Elvin Markham, 52, Motley County Precinct 1 employee Monday afternoon when his tractor and grass and weed shredder toppled from a ten-foot fill and pinned him beneath the machine. Helpless with his right arm pinned beneath the crumpled steering wheel of the overturned tractor he lay for more than four hours before being rescued. Place of the accident was on a little-traveled ranch road ten miles southeast of Matador.

Markham was found by Vance H. Gilbreath, Matador insurance agent and Mrs. Gilbreath en route to their ranch home from their office here. They saw the overturned tractor and heard the distressed man's calls for help. Mrs. Gilbreath stayed with Mr. Markham while Mr. Gilbreath returned to Matador for help. A Eudy-Seale ambulance, Deputy Sheriff Ed D. Smith, the emergency unit of the Matador Volunteer Fire Department and several automobiles rushed to the scene.

It was impossible to lift the tractor enough to free Markham and a car was hurriedly dispatched to Matador to secure a winch truck. A Jameson Machinery Co. winch truck responded. Dr. J. S. Stanley and Dr. S. M. Wells arrived by the time the tractor had been raised sufficiently to release Markham. He was given some emergency treatment, placed on a stretcher and lifted by about 20 volunteers up the steep embankment.

Hurried to Stanley Hospital here his arm was found to be in serious condition due to the circulation having been cut off for such a long period. A complete examination Tuesday revealed one rib fractured, severe bruises, shock, and a badly mashed arm.

He will be hospitalized for an indefinite period, to await further developments.

Stanley Pharmacy Opens Sale Today

McKesson "2 for 1" sale opens today at Bob Stanley Pharmacy and continues for ten days, offering a large list of drugs and sundries at reduced prices.

Bob Stanley, manager of the store, said response to previous "2 for 1" sales has been very good and in many instances it has been necessary to replenish stocks before the bargain prices are removed.

In addition to the advertisement appearing in this issue of the Tribune, the firm has mailed 2-color four page circulars to box holders in this area.

The sale will continue through July 28, Mr. Stanley said.

Ice Cream Offered By Junior Leaders

The public is being offered delicious home-made ice cream of many different flavors for only 10c a serving.

Members of the Motley County 4-H Junior Leadership Club have announced they will sponsor an old-fashioned ice cream supper, Thursday, July 26 on the courthouse lawn from 7:30 to 9 p. m. Everyone is extended an invitation and urged to attend.

LEAVES FOR HAWAII

Mrs. Hazel Bridges of Roaring Springs left Sunday from Amarillo, Hawaii, where she is visiting her sons, J. T. Dodson and Mr. and Mrs. Mike Dodson. This is Mrs. Bridges' second visit to Hawaii since her sons have been living there.

RECENT PATIENT

Mrs. T. E. Long, who was a patient in Traxweck Hospital for a week, has returned to her home and is able to be up.

ATTENDS REUNION

Mrs. Frank Pohl attended a reunion of Sunset School, held at South Plains, Sunday and visited a former schoolmate near Floydada, as she was en route home.

Biology Teachers Study In Mexico

Texas Tech's Summer Institute for high school biology teachers, this week (July 14-22) moved its classrooms to Mexico via air-conditioned bus.

The 39 participants and two Tech biology professors left Lubbock at 8 a. m. Saturday to study 12 different major vegetation types of Mexico.

In the group is Wayland Foy Moore, Matador High School science teacher, who received a scholarship to attend the National Science Foundation-supported institute. The institute runs through August 3.

Stops on the Mexican expedition include Piedras Negras, Salinas, Monclova, Saltillo, Matahuala, Huisache, El Salto, Tamazunchale, Valles, Antigua Morelos, Mante, C. Victoria, Lanares, Montemorelos, Monterrey and Nuevo Laredo.

The teachers will study vegetation types growing between sea level and 8,000 feet high. They will be quizzed over the trip and must submit a written report to obtain credit in the course.

The Tech group will return July 22 from Mexico to resume classes, and on July 27, Dr. Earl D. Camp and Dr. Paul Prior of the biology department and institute staff will conduct a similar field trip to study the vegetation in New Mexico. Accompanying the class to Mexico were Chester M. Rowell, assistant professor of biology, field trip director, and Dr. Arthur M. Elliot, assistant.

FIRST GRANDCHILD BORN ON "DOC'S" BIRTHDAY

Dr. J. S. Stanley has double cause for pride. His first grandchild was born on his birthday.

A son, James Franklin, was born to Mr. and Mrs. Franklin Thrasher Tuesday, July 17 at 2:26 p. m. at St. Mary's Hospital, Lubbock. The mother is the former Kay Stanley.

The father is currently in Calgary, Alberta, Canada, where he is signed with the Calgary Stampede for the pro-football season, which opens the 25th of this month. Paternal grandparents are Mr. and Mrs. John Thrasher of Plainview.

Dr. and Mrs. Stanley accompanied their daughter to Lubbock, Tuesday, returning home Wednesday. Mrs. Stanley returned to Lubbock Wednesday afternoon, accompanied by her sister, Miss Lennie Stacey, to visit the new comer.

HOME FROM TRIP

Mr. and Mrs. Tom Spears have returned home from an extended trip to Montana and Wyoming. Part of the time was engaged in fishing, and visiting her brother and family, Sgt. and Mrs. Carl King of Glasgow, Montana.

HERE FOR VISIT

Mr. and Mrs. Morgan Rogers of Truth or Consequences, N. M. are visiting here with her mother and sisters, Mrs. J. M. Jackson and Annie Mae, and Mrs. Pat Sheridan. They joined other daughters of Mrs. Jackson, Mrs. Blewitt Davis of Abernathy and Mrs. Bert Hunter and Mr. Hunter of Freeport, for the visit.

Texans Champs In Freshman League

The Texans from Roaring Springs Tuesday night emerged winners of the Freshman League for the season when they defeated Roaring Springs Wolves 12-0, with whom they were tied. The Texans will represent the Motley County league in regional playoff beginning July 26 at Floydada.

Motley County Eagles continue to dominate Junior League play but are closely pressed by Floydada VFW Eagles defeated Lighthouse Electric 9-8, First National Bank 12-0. The Motley Caprocks dropped out of contention for the crown when they lost to VFW 3-1; to Lighthouse Electric 7-2 and First National Bank 10-8.

Eagles and Caprocks will meet here Friday night at the local field. Sunday afternoon Caprocks meet Lighthouse Electric here. Eagles and VFW will meet in Floydada for a double header Monday night, July 23.

FLASH: Matador All Stars will play the Texans here to night at 8 p. m., it was announced late yesterday.

New Machine Here, Not In Operation

There is a gleaming new piece of equipment at the Tribune. It is the new electronic engraving machine which arrived Thursday from La Salle, Ill. The equipment is not in operation since Photo-Lathe Co., makers of the engraver had notified the Tribune that a representative will be in Texas this week and set the machine up for use.

If the representative does not arrive today the Tribune will assemble the equipment with the aid of local electricians, so that it will be possible to start operation by this week end.

Response still continues good on pioneer pictures expected to be used in the Pioneer edition next month. Some of the pictures will not reproduce because they are not "sharp" enough. If detail is lacking in the picture it will be less distinct in the engraving. Friends are asked to examine their pictures carefully. Faces must be clear and with detail. All pictures will be returned unharmed and more are urgently requested. Some of the pioneer pictures received are exceptionally fine.

TULIA WOMAN SUFFERS BROKEN LEGS IN CRASH

Mrs. Myrtle Goldman of Tulia was hospitalized in Plainview last week as a result of a Sunday night (July 8) wreck in which two other persons were less seriously hurt.

Mrs. Goldman's legs were broken in the car-pickup truck collision on U. S. Hwy. 87 at the north edge of Plainview at 10:30 p. m. She will be remembered by many Matador residents as the former Mrs. Myrtle Nolte, one-time resident of this community, who for many years has operated the Nolte Tearoom in Tulia.

With her at the time of the accident were her daughter and son-in-law, Mr. and Mrs. Richard Griffith, who were released from the hospital after treatment for injuries. Mrs. Griffith sustained a broken jaw and her husband, a broken forearm.

HAS HEART ATTACK

Mrs. G. C. Mitchell of Lubbock is a patient in Methodist Hospital there, after suffering a heart attack Friday. Her daughter, Mrs. Howard Traxweck has been at her bedside this week. The Mitchells are former Matador residents and Mr. Mitchell published the Motley County News.

Larry Hoyle of Texas Tech, Lubbock, visited here during the past week end with his parents, Mr. and Mrs. Mike Hoyle. He has enrolled in the second semester of summer school.

TRAIL DUST

By DOUGLAS MEADOR

The Golden Rule is old but still some of the best advice in the world. In fact it is as good as ever because it has not been used enough to result in any appreciable wear.

Living according to dictates of the individual conscience is dangerous to the extent that rules of personal behavior are as varied as the whims of the wind. Too often they allow personal desires through a gate intended only for moral duty.

No one can evaluate the influence of music. A northern farmer declares he is growing more corn in a field where music is played. He says, however, that classical music produces the best result. This is unfortunate, because the supply of corny music, if it had any value, would be sufficient to grow corn all over this star and on some of the closer, silent ones.

Many of Satan's most prominent clients have been willing to start small operations in order to gain experience, and use the training when opportunity offered a more imposing unguarded moment.

A wolf whistle does not mean that the animal is always enraptured by the beauty of a vision. Some wolves whistle when they breathe, while others have a sense of humor and like to share funny sights with their friends.

Ice in motels is not a new idea. It is a carryover from wagon days and stolen from the wagon yards which provided camp houses for customers and their families. Patrons can remember ice in the water bucket and the dipper frozen solid. With a little thawing on the wood stove ice water was available.

Public Reminded To Eat Barbecue

The public is reminded of a chicken barbecue supper to be held Tuesday, July 24, at the Methodist church, from 6 to 8 p. m.

Methodist Young Adult Sunday School Class is sponsoring the supper and promise those who attend "all you can eat" for \$1.50 and \$.75.

Plates will be delivered and those wishing this service are asked to contact Billy Wason or Mrs. Glenn Brotherton.

Everyone is extended an invitation and urged to attend. Barbecued chicken will be the only meat served, it was announced.

Matador Chapter At FFA Convention

Six boys represented the Matador FFA Chapter at the State Future Farmers of America convention in Fort Worth this week. Boys making the trip are: Richard Campbell, Don Seigler, Johnny Peirce, Johnny Thomas, Roger Vinson and Jack Luckett.

The boys will alternate in acting as the voting delegate for the Chapter. The group will hear several good speakers, watch Future Farmers in action on a state level, and tour Six Flags Over Texas, during the convention.

The group left Wednesday morning, accompanied by Bill Moss, local chapter advisor.

FOURTH SUNDAY SINGING

Announcement was made this week that the Fourth Sunday Singing will be held at the Dickens Methodist Church, Sunday, July 22, starting at 2 p. m. Everyone is invited to attend, according to B. D. Clifton, president.

MRS. JAMES BEARDEN . . . Gail Brown

Gail Brown and James Bearden Wed In Double Ring Ceremony at Adrian

Miss Barbara Gail Brown of Adrian became the bride of James Byrd Bearden of Matador in a double ring ceremony June 30th at 8 p.m.

Scene of the wedding was the home of the bride's parents. The Rev. J. R. Manning, pastor of the First Baptist Church of Adrian, officiated.

The bride is the daughter of Mr. and Mrs. Ray H. Brown of Adrian and parents of the groom are Mrs. J. D. Osborn and Jack Bearden of Matador.

Miss Cynthia Kromer was maid of honor and best man was Ros Bearden, brother of the bridegroom.

Escorted to the altar by her father, the bride wore a street-length dress of white Chantilly lace over satin. The fitted bodice was styled with bateau neckline and long tapered sleeves out-

lined in seed pearls. The skirt was bouffant. Her shoulder-length veil of illusion was attached to a crown of pearls and sequins and she carried a cascade bouquet of white carnations.

Members of the couples families and close friends attended the ceremony and reception which followed.

After a short wedding trip to New Mexico and Colorado the couple is at home in Matador. They will reside here until fall, when they will move to Canyon.

Mrs. Bearden is a 1961 graduate of Adrian High School and attended West Texas State College. Her husband was graduated from Matador High School in 1959 and attended West Texas State College. They will continue their studies there, this fall.

Sandra Cooper and Carlton Earp Marry Saturday in Abilene Methodist Church

Miss Sandra June Cooper and Carlton Dell Earp exchanged double ring vows at 5 p.m. Saturday in the Aldersgate Methodist Church chapel in Abilene. The bridegroom's father officiated.

The bride is the daughter of Arthur L. Cooper and the Rev. Mrs. Cooper of Maple. The bridegroom is the son of the Rev. and Mrs. H. S. Earp of Abilene.

Given in marriage by her father, the bride wore an original taffeta dress which was designed and fashioned by her sister, Mrs. Paul J. McMahan of Fabens.

The fitted bodice had a Sabrina neckline enhanced by scallops of re-embroidered Chantilly lace and brief sleeves. The bouffant, full-length skirt had appliques of Chantilly lace outlined with seed pearls. A semi-hat secured her tiered fingertip veil of tulle. She carried

Party Given for Matador Women in Littlefield Home

Several Matador and Whiteflat women, members of the 52-42 Club were entertained at a luncheon and party, Wednesday July 11, at the home of Mr. and Mrs. Henry Parkman in Littlefield.

Visiting in the Parkman home at the time were her parents, Mr. and Mrs. Noah Humphries of Port Isabel, former Whiteflat residents. Mrs. Parkman is the former Imogene Humphries.

The local guests included Mesdames C. P. Waybourn, F. B. Henderson, W. D. Lipscomb, Clovis Murphy, Ralph Stapleton and A. K. Wilkinson.

Wilberta Peterson and Kelly Jackson Marry in Services Held at Plainview

Miss Wilberta Peterson, daughter of Mr. and Mrs. Jack W. Peterson, of Plainview, and Kelly Elmo Jackson of Matador were married Saturday afternoon, July 14, in the College Heights Baptist Church, Plainview.

The bridegroom is the son of Mr. and Mrs. Elmo Jackson of Matador.

The Rev. John H. Traylor Jr. pastor of the church, officiated for the double ring service, read at three-thirty p. m.

An altar archway of yellow tapers in tall wrought iron candelabras, flanked by floor baskets of white gladioli and palm greenery composed an impressive background for the ceremony. The bridal aisle was marked by pew bows of sunglow yellow satin.

Miss Sharyl Pullen played a nuptial prelude at the piano as the guests assembled in the church auditorium. The soloist was Miss Pauline Walker and her selections were "Whither Thou Goest" sung before the ceremony was read, and "The Lord's Prayer" for the benediction.

The bride's father escorted her to the altar and gave her in marriage. For her wedding, the bride chose a formal wedding gown of imported white satin styled with fitted bodice, long sleeves and long flowing skirt extending to a chapel train. Original designs of Chantilly lace in deep yoke effect outlined the portrait neckline, formed deep points at the wrists and adorned the front of the skirt.

Her tiered illusion veil fell to fingertip length from a crown of white seed pearls made into a leaf design. Her bouquet was a cascade of white and Goldilocks roses with pastel green and yellow showers tied with tiny pearl hearts in loveknots.

Miss Judy McAlister, Plainview was maid of honor, and Misses Linda Harris, Jan Herling and Carol Harris, all of Plainview were bridesmaids.

Their dresses were similarly styled of organza over cotton satin, with long sleeves and featuring long line bodices extending to deep V at the back.

The maid of honor wore Sunglow yellow, and carried a nosegay of white roses with cascade of mint green satin loops. The bridesmaids' dresses were mint green and their nosegays were Sunglow yellow roses with yellow ribbon showers.

The bride's cousin, Vickie Gregory, Stamford, was flower girl and carried white rose petals in a basket.

Albert Thrasher, Plainview, was best man, and Ricky Thomson, Hurst, was ring bearer. Groomsmen were Clinton Thrasher, Lubbock, and L. D. (Smokey) Martin, Matador. The

MRS. KELLY JACKSON . . . Wilberta Peterson

groomsmen also performed ushering duties.

The wedding reception was held in the church Fellowship Hall. The tiered cake and punch were served from a white lace covered table, with green undercloth. The centerpiece was composed of a crystal candelabra with white tapers and the attendants' bouquets.

The couple left for points of interest on the Gulf Coast for their honeymoon. For traveling the bride chose a suit of pastel green linen with silver accessories.

Mr. Jackson is associated with his father in business at Matador.

WEEK END VISITORS

Visitors during the week end with Mr. and Mrs. Alfred Cooper and daughters Pat and Kay were Mr. and Mrs. Bill Harmon, Greg and DeAnn of Littlefield; Mr. and Mrs. Gordon Harmon, Sandy and Kyle of Lorenzo. Kay accompanied the Bill Harmon home for a visit. Miss Rhonda Wood of El Paso was a guest from Sunday until Tuesday.

Mr. and Mrs. Walter Ray and children, Clydene and Hal, of Odessa spent the week end with her parents, Mr. and Mrs. H. Blevins. They were returning from a vacation trip to Arkansas and Oklahoma.

Relatives Meet At Lake Kemp

Four sisters and members of their families met at Lake Kemp during the recent Fourth of July holiday, at the cabin of Mr. and Mrs. Jim Clawson of Vernon.

The relatives included Mr. and Mrs. Tom Spray and their daughter and family, Mr. and Mrs. Charlie Watson and sons all of Fort Worth, and their son and family, Mr. and Mrs. Joe Spray and son, and her brother, Calvin Smaully, of Wichita Falls.

Mrs. Bunyan Price and son, Jerry and a granddaughter, of Andrews; and Mr. and Mrs. Clovis Murphy and Mr. and Mrs. F. B. Henderson of Matador.

The four sisters are Mesdames Tom Spray, Bunyan Price, Clovis Murphy and Jim Clawson.

MRS. BOB CLEM WINS "TAKE OFF DAY" BALL

Girls' State Teaches Democracy in Action

By Jane Hamilton

have recently had a once in a lifetime experience. Bluebonnet Girls' State, held annually in Austin, Texas, and sponsored by the American Legion Auxiliary, has truly been a highlight in my life!

The purpose of Girls' State is to teach young people of America their government function. The well-planned and prearranged program helped instill in our minds the responsibilities we, as young citizens, must fulfill to accept.

Four hundred and fifty delegates set up a temporary government of the United States of America. We formed our own city, and state governments, every official being elected by the office by the citizenry.

Each girl was either in the House of Representatives or the Senate so that she could more fully understand how each of the state legislatures functioned. We were given the opportunity to write, present, debate bills or resolutions before the legislature.

Our city government (each city was a city) was certainly interesting and different. We had traffic laws, and if they were not observed the sheriff would throw us in jail and the court would demand that we pay a fine. If a girl was caught drinking on the grass or raiding a picnic box, she would pay a fine. The most amusing routine was the collection of luxury tax. Everyone was asked to contribute one cent for possessing a ring, more than one pair of shoes, a radio, a hairdryer, a clock, a boy's picture larger than 4x6, and numerous other luxuries. A lot of pennies went into boxes and taxes, but all agreed that it was worth it. Our pennies were used to buy refreshments for a party the last night!

Inspiring Ceremonies

Patriotic songs, breath-taking singing ceremonies, and inspiring speeches gave me a greater love for my country. I have also gained a deeper respect for my American forefathers. Girls' State made me realize what I could do to help America to become stronger. If I keep up with world events, be willing to write to government leaders, stand up for what I believe, and witness

to the world that God is the beginning and the end, I will be prepared to accept the responsibilities which shall be placed upon my shoulders in the near future.

Among three of the outstanding speakers at Girls' State, were Jack Cox, Republican nominee for governor, and John Connally, Democratic nominee for governor. These men delivered great speeches on Americanism. They showed us what the individual could do for America. Many an American citizen has the mistaken idea that because he is only one person there is no need for him to take a stand. Nobody should overlook the fact that the American government is made up of individuals.

Cuba Is Cemetery Of Lost Hopes

Dr. Andrea Camps, a native Cuban, was awarded the only honorary membership ever to be given to a non-member of Bluebonnet Girls' State. I will never forget Dr. Camps! She spoke to us on "Cuba-Then and Now". The auditorium was as quiet as a calm summer night as everyone listened in awe to Dr. Camps. Gradually the silence was broken by infrequent sobs. Soon all dry eyes became moist as each girl cried with a feeling of amazement and guilt.

Dr. Camp's inspiring speech was closed by the following statements which touched the hearts of the entire delegation: "Now Cuba is a place of sadness, a cemetery of lost hopes, and that could happen to any other country, even to the United States. Take good care of this great nation, please, because the destiny of the United States is in your hands, girls of Texas, girls and boys of every state of the union. Believe in your country, support your country, defend your country. Remember that it is better to die with honor than to live without dignity!"

Yes, Dr. Camps had made us realize how much we had taken this great land of America for granted!

Mrs. Florence Pruitt of Hobbs, N. M., visited here last week with her sister and family, Mr. and Mrs. G. F. Hagle.

1962 Cotton Crop Acreage is Lower

WASHINGTON—The Agriculture Department estimated the acreage of this year's Texas cotton plantings at 98.9 per cent of last year. The acreage was estimated at 7 million.

The department made no estimate of production. This will be made August 8.

Texas has planted 35,000 acres of American-Egyptian type cotton this year, the department said. This is 154.9 per cent of last year.

National Estimate Given

The department estimated the 1962 national cotton acreage at 16,427,000 or 1 per cent less than in 1961.

Should the acre yield equal that of the last two crops, production would be about 13,798,000 bales. Production was 14,318,000 bales last year.

The 1962 crop, like those of recent years, is being grown under a crop control program aimed at preventing overproduction. Each farm is governed by a marketing quota.

The estimate of the planted acreage compares with 18,101,718 acres allotted to the farms under the control program. Some farms do not plant their full allotment.

Pan-Am Livestock Wins "E" Award

One hundred companies or organizations in the United States have received or will receive the Federal Government's "E" for Export award announced by Harry C. Meyers, Manager of Dallas field office of Department of Commerce, upon receipt of a communication from Commerce Secretary Hodges, that PanAmerican Livestock exposition was the first to organize in Texas named to receive an "E" award. Presentation of Mr. and Mrs. Frank Spray of

award will be made in the near future by a member of the President's cabinet.

The "E" awards, consisting of flags and certificates, signed by the Secretary of Commerce, are given for outstanding contributions to the nation's export program. This is an all out effort spearheaded by the U. S. government to increase the sales of American products to overseas markets. The program is vital to the nation's economic health and to the country's balance of payments position.

"It is gratifying," Meyers said "to see that recognition has been given to the efforts made by the PanAmerican Livestock Exposition to increase the sale of cattle to overseas markets."

"Texas has much to gain from foreign trade for this trade represents 446 million dollars in sales of wheat, cotton and cattle plus 836 million dollars of electronic, petrochemicals and other Texas manufactured goods. It stands to reason that the more products we sell overseas, the more prosperity and jobs will be created in Texas."

Quitaque to Have New Fishing Area

QUITAQUE—A series of small lakes in some of the most scenic settings in this part of Texas are providing recreational opportunities of wide appeal to people of the region.

Two lakes have been provided, two dams are now under construction and another is in the planning stage in this country just under the Caprock.

Largest of the dams now under construction is on Holmes Creek on the Theo Geisler place 2½ miles north of Quitaque. It is anticipated that this dam will impound several thousand feet of water, and will be over a half-mile wide in some places.

A small dam in this same location already has been completed and has backed up water to a depth of 25 feet in some spots.

South of Highway 86, about two miles below the edge of the Caprock at the Gerald Smith place, a dam on Cottonwood Creek completed last year has impounded a good fishing lake covering about 20 surface acres, and around 26 feet deep at the deepest points.

Called Cottonwood Lake, it has been stocked for about a year with bass, crappie, channel cat and some perch. Fish measuring about 12 inches in length are being taken from the lake at this time, according to reports from the area.

Fishing in Cottonwood is limited to those who lease cabin sites on the lake bank. Leases are \$100 per year. Several have contracted for leases and there are some trailer houses now located on the site.

Construction also is underway on another lake to be formed on Cottonwood Creek at the Walter Graham place, just north of the Smith site.

Also south of Highway 86, at the foot of the Flomot Cap road on the former Welch place now operated by Bob McWilliams, another dam is planned. This dam will be on Roberts Creek, in the deep canyon area.

The first lake is to be developed in this area, Burson Lake, 15 miles north of Quitaque, off Highway 256, has proven to be a popular fishing grounds.

Kent Creek Watershed, on which construction is slated to begin the first of the year will impound seven or eight large ponds, and some of these will be large enough to stock with fish. The retention dams in this watershed will be built on sites along Kent Creek, some north and some south of Highway 86 in Briscoe County and into Hall County.

O. R. Stark, Jr., vice president of the First National Bank at Quitaque, says folks in the Quitaque area are pretty excited about lake fishing and recreation spots in the pretty valley country under the Cap.

Many people who have lived

in Quitaque all their lives, and who climbed up and down the towering banks of Holmes Creek as youngsters probably never looked at the wide canyon and visualized a large dam and a vast expanse of water.

YOUR DOCTOR AND YOU

Who is YOUR family Doctor?

Family Doctor or Specialist, the important thing—to him and to YOU — is that he is YOUR Doctor!

- He attended medical school for four years after his regular college education.
- He did graduate work for one to six years after medical school.
- He trades with the local merchants, belongs to and supports the local organizations and charities. His children attend school with yours and play in your back yard.
- He gives a large share of his time and skill without pay, but like you, he does not to ask to be excused from his just share of taxes.
- Even as you are, he's likely to be a member of a political party (or else a proud independent), of a church, a lodge, a service club, and organizations of his fellow workers. His associations are his County and State Medical Societies and the American Medical Association.
- He does not ask the Government to increase his income or reduce his obligations as a citizen. He asks only to stand on his own merit, to offer his services to You and Your Family in a free, competitive market.

Isn't it better - for YOU, too - that way?

For further general information on health care, or perhaps a speaker for the next meeting of your club or organization,
