69TH YEAR—No. 1 MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, MARCH 14, 1963 PRICE SEVEN CENTS

TRAIL DUST

By DOUGLAS MEADOR

If troubles could be taken in handfuls at regular doses most of us would find them merely pesky and habit-forming. It is the spontaneity of the unexpected that keeps aspirin sales a high bracket.

Only two plants in West Texas possess the mesquite and the cocklebur which possess the intrepidity to ignore completely the seductive gyrations of spring in a strated climate. It seems unadvised of Mother Nature to slap them occasionally into the lap of summer with frozen tendrils.

Children should be allowed to vote if their children's children are going to be paying interest on the money we have borrowed, with them as collateral.

The peak of success would receive much more traffic if it could be reached by automatic elevators.

A man's affection may be as brittle as the key that breaks in the frozen food locker.

Attitude, hammered out of the same material the heart is made from, is the most important part in any life. It is the attitude that can not be corrupted, the silent prayer when the fires of hate are burning. The greatest that can smile when the heart is breaking and the courage to gather up the crushed pieces of a shattered dream. Attitude is the design of the soul, the thin and baked on the walls of words. It may be evil, concealed beneath every subtlety of the mind can conceive, breeding hate, greed, jealousy, and merely the flickering candle of despair. Attitude is the truth when the dross of life has been removed.

Some people prefer to look over your shoulder and play with your cards rather than get a hand of their own.

LOST CLOTHING FOUND

A classified ad in last week's issue of the Tribune resulted in the return of a garment bag of clothing to the owner.

Mrs. Hazel Williams of Canyon, accompanying a group of young people, including members of the Canyon High School basketball team, to Austin to the state meet, lost the garment bag from off her station wagon when the group stopped for a picnic snack Wednesday about dusk, between Flomot and Matador.

She stopped at the Tribune and placed the ad, which was noticed by a Flomot subscriber and when Mrs. Williams returned from Austin she had a message waiting for her that the garment bag had been found and was in Flomot.

Annual Stock Show Date is Announced

PLANS ARE OUTLINED and arrangements are about complete for the Annual Motley County Livestock Show, to be held here Saturday, March 23. The announcement was made this week by Billy Hand of Roaring Springs, president of the Motley County Livestock Association, which sponsors the annual show. Place of the show will be on the Higginbotham-Bartlett Co. property immediately east of the old Burton-Lingo Lumber yard.

4-H Elimination Contests Slated

Motley County 4-H elimination contests are scheduled for Monday, March 18, in the Matador high school auditorium, beginning at 7:30 p.m., according to an announcement by County Agent Bill Palmeyer.

Twenty-two demonstrations are to be presented, and 12 entries are listed for the Share-the-Fun (talent) contest.

Judges from out of the county have been secured to place the events. First place entries will be eligible to enter the district elimination contests at Midwestern University, Wichita Falls, on April 27, providing they grade over 70. There will be no Junior Share-the-Fun contest, Palmeyer said.

To be eligible for the senior contests, in which first and second place district winners compete in the state contest all team members must be 14 years of age before January 1, 1963.

Demonstrations on farm business management, soil conservation, vegetable preparation, field crops, safety, electric use, vegetable production, community improvement and public speaking are being prepared by 4-H members, assisted by parents and leaders.

Sixty-two members have indicated that they will participate in the contests.

INTEREST MOUNTS IN ART CONTEST

Interest is high among school students of the county in the art contest to select a design typical of Motley County for the Palo Duro State Park theatre.

The contest is being sponsored by the Texas Panhandle Heritage Foundation. A committee from this county will select the winning drawing to be submitted for the approval of the Foundation.

The winning student's original sketch will be framed and returned to the school which he attends. It was further announced that second and third place drawings will receive an honorable mention award.

All drawings are to be turned in to the teachers by March 20, and they in turn will submit them to the committee by March 23. Mrs. W. N. Pipkin heads the Motley County committee, which decided on four subjects typical of the county which the students could use for sketching.

RESUMES TEACHING

Mrs. Alvin Stearns returned to her teaching duties in Roaring Springs last week, after being confined to her home while recovering from injuries received in a recent fall.

Amateur Hour Draws Full House As Students Vie for Top Honors

Opening with the Pledge to the Flag, led by members of the Beta Club, honorary society of Matador High School, the 1963 Amateur Hour program Friday night drew one of the largest crowds ever to attend a school talent show. The auditorium was filled to capacity.

At the conclusion, following a period of suspense, Principal Charlie Johnson announced that three first place prizes had been awarded instead of naming first, second and third place winners, as formerly.

Tanya Meador, daughter of Mr. and Mrs. James Meador received first place for 1st to 4th grades; Shelley Stevens, daughter of Mr. and Mrs. John Stevens was first place winner from the 5th through 8th grades, and Richard Campbell, who emceed the show, and opened the program with "Moon River," was named first place winner in the high school grades. The judges' decisions received the approbation of the audience.

Former Resident Dies in Accident

An accident while at work last week claimed the life of Willie Edward Knight, 50, of Lodi, California, son of Mrs. Bernice Knight of Matador.

Mrs. Knight left immediately for Lodi and remained to attend her son's funeral on Monday of this week.

Mr. Knight was helping erect a steel assembly for the roof of a new warehouse addition to Lodi's General Mills Plant when he apparently slipped falling some 50 feet to a concrete floor, according to information received by his brother, Pete Knight.

At the time of the accident, which occurred Wednesday, March 6, Knight was placing steel rails atop a steel truss. It was his first day on the job.

A native of Matador, he had lived at Lodi seven years. Surviving are his wife, Jessie; two sons, Nathan of Sacramento, Calif., and Damon, stationed with the Air Force; one daughter, Mrs. Wynelda Lewis of Modesto, Calif.; his mother, Mrs. Bernice Knight, Matador; three brothers, Pete and Jim D. Knight of Matador, and Bill Byron, who is in government work in Japan; and two sisters, Mrs. Gilbert Borchert, Yuma, Arizona, and Mrs. Oscar Dickinson, Loxley, Alabama.

Study Club to Map Cemetery

Active in community affairs is the Eternas Study Club of Matador which has as a current project, a scale map of Matador East Mound Cemetery, showing every grave, known and unknown in the burial ground.

The club has employed a licensed surveyor from Floydada, who has worked three days in preliminary measurements. Presently the club members (working in pairs, are filling in names and designating unknown graves). It is expected he work will be completed by May, according to Mrs. Bill Seale, president. The club has 20 members.

Mr. and Mrs. Nelson McMan visited in Canyon Sunday with their daughter and son-in-law, Mr. and Mrs. Jim Marshall.

Prairie Fire Sweeps Range and Fences

A RAGING PRAIRIE FIRE discovered Friday afternoon near "the mouth of Turtle Hole" about 25 miles northeast of Matador on the Adams Ranch, developed into one of the largest fires in the county's history.

It is estimated that between 12 and 14 square miles of grass was destroyed, in addition to from five to 10 miles of expensive fencing. Driven by a high west wind, the fire swept everything in its path, despite the efforts of half a dozen volunteer fire fighting squads, a hundred ranchmen and other volunteers, tank trucks, bulldozers and other equipment.

Principal loser was Adams Ranch. The fire raced across some of the roughest terrain in West Texas, much of it almost inaccessible except by horseback.

New Well Located

Sunray DX Oil Co., Midland, will drill the No. 1 Joan Lewis "atum and a rank, 8,500-foot Ellenburger wildcat in north central Motley County, 18 miles north of Matador.

The exploration is 990 feet south of the most southerly north line and 990 feet from east lines of Section 119, Block 3, W. E. Hughes survey, 18 miles north of Matador. There is no nearby production.

Rumors from a source considered reliable by the Tribune are that additional wells will be drilled in the near future.

Banquet Plans Progress for Mothers-Girls

Plans are progressing for a Mother-Daughter banquet on April 11, sponsored by the Eternas Club. The various committees are at work and tickets will be on sale in the near future, it was announced.

Price of the tickets will be \$4.00 and each ticket will be for two places, the mother and her guest, either her own daughter or an "adopted" daughter. It was stressed that this will pay for "everything." The banquet will be served by a catering firm and women of the community will not be requested to prepare any of the food, according to Mrs. Roy Grundy, club finance chairman.

The new arrangement was decided upon by club members, to spare the mothers the added expense of furnishing and preparing the food, and then purchasing a ticket to the banquet.

The club will appreciate volunteer helpers to assist in decorating the church basement, setting the tables and serving the guests.

County Schools Showing Losses

A population explosion may be taking place elsewhere in the world but not in Motley County. Apparently overpopulation is not one of the worries for county leaders, if school census of the county may be used as a yard stick.

The county's three independent school districts have lost a total of 58 children of school age in the past year, according to figures made available by County Judge and Ex-Officio County Superintendent Elbert Reeves.

Only one place has there been a gain and that is in Matador colored school children from 63 to 78. In white school here 324 children were registered in 1962-63, but the total dropped to 299 for 1963-64.

Roaring Springs had 200 white and 14 colored in 1962-63, but dropped to 169 white and 10 colored in 1963-64. Flomot had 91 white and 2 colored in 1962-63 and registered 78 white and 2 colored for 1963-64. Total in the county was 694 in 1962-63 and the total for 1963-64 is 636.

More new homes have been built in Matador during the past three years than in any 20 years of previous period. It is almost impossible to find a rent house in town, and the same is true in Roaring Springs and Flomot.

Bank deposits are at one of the highest points in the county history. Business is good in almost all lines — except population explosions.

Phil Green Gets Bank Promotion

In a recent promotion of bank officials by Panhandle Bank and Trust Company of Borger, Phil Green, formerly of Matador has been elevated to full title of vice-president, from that of assistant vice-president.

Green has been with Panhandle Bank and Trust Company since 1952 and has worked in all departments of the bank. After completing more than three years in the Army Air Corps he began working for the First State Bank of Matador, later joining the Borger banking institution which was at that time the Panhandle State Bank, as head bookkeeper.

He is the son of Mr. and Mrs. J. C. Green Sr., of Matador. He was reared here and is married to the former Juanita Mize. The couple has one daughter, Carla, 16. They are members of the Calvary Baptist Church of Borger.

LIONS GO TO SCHOOL

Thursday the Flomot Lions Club joined the observation of Public School Week with a special noon luncheon at the School Cafeteria. Along with the luncheon and short business meeting several of the Lions visited around the school. The meeting was well attended.

Game Preserve Hit

All the fire loss was on land once the property of the Matador Ranch empire. The State Game Preserve which joins the Adams Ranch on the east, was hit heavily in fences and grass. The preserve owns about 28,000 acres of the old ranch property and the line begins about the Motley-Cottle Counties line and runs east. The fire did not jump Tongue River (which runs almost north and south through the preserve, as first reported.

John V. Stevens of Matador, who is manager of the Adams Ranch, told the Tribune last night that the ranch had five miles of fence down and at least six miles of fence damaged.

Mrs. Roy Patterson of the Tribune, and her husband Rev. Roy Patterson toured some of the blackened areas Saturday. Mrs. Patterson said they saw several herds of cattle of different breeds milling together after fences had been destroyed. So far as is known, no livestock was lost in the fire. Loss of some baby calves is possible since they may have become bewildered and rushed into the fire instead of away from it.

John Stevens has asked the Tribune to publish the following appreciation: "My employer, Mr. George Adams, and myself wish to take this means of expressing our appreciation to the public in general, and to the Matador Volunteer and other fire departments in particular, for aid in effort and equipment during the fire. We are extremely grateful to other ranchers, neighbors and volunteers who aided in any way, during the crisis.

Adams Ranch, John V. Stevens, manager."

Lions Club Show Date Announced

If you have any plans for Friday, March 29, cancel them. You can't afford to miss the annual Matador Lions Club Variety Show and Queen's Contest scheduled on that date.

"We are trying to work up some original Lions foolishness," Manager Lion Bill Seale said last night. "We have some good musical and other entertainment features, and we are working on some stunts that should appeal to the public," he declared.

The audience will vote on the annual Lions Queen during the show. The usual "delicious" candy will be sold and valuable gifts will be awarded as contributed by local business firms.

TO TEMPLE

Mr. and Mrs. Clovis Murphy spent the past week in Temple, where Mrs. Murphy went through Scott and White Clinic for a physical examination.

Week of Prayer Programs Feature Theme of "World Missions at Home"

Baptist Woman's Missionary Union last week observed Week of Prayer for Home Missions, with daily services held in the parlor of First Baptist Church from 9:30 until 10:30 each morning with the exception of Wednesday. Service for that day was held during the regular evening mid-week prayer meeting.

Special emphasis was placed on the Annie Armstrong Offering for Home Missions. A goal of \$3,310,000 has been set by the Home Mission Board of the Southern Baptist Convention, to aid in the establishment of more Baptist churches in communities and areas in which none exist.

The programs, "World Missions at Home" featured the theme, "If my people pray." Mrs. Eddie Simms, Prayer Chairman led the services with a Call to Worship. Mrs. Ben Keltz led the singing and Mrs. Edgar Lee served as pianist.

Speakers on Monday's program included Mesdames Miller Robinson, John Barnhill, James Price, Eldred Seigler, Wayland Moore, C. D. Garrison and Harold Flora.

For Tuesday's program, speakers included Mesdames C. D. Garrison, Ben Keltz, J. L. Woodruff and Harold Flora, and special music was a solo by Mrs. Jerry Noles.

Intermediate Girls Auxiliary and Y.W.A. members gave the program Wednesday night, presenting a skit on the life of Annie Armstrong and the beginning of Home Missions. Appearing on the program were Mary Newman, Pat Cooper, Janie Killingsworth, Becky Simms, Pat Day, Theresa Marshall, Sue Stevens and Shelley Stevens under the direction of Mesdames Ronnie Christian and Miller Robinson.

Included on Thursday's program were the subjects "From Hong Kong, City of Sighs," by Mrs. Elbert Reeves; "The Changing American City," Mrs. J. R. Berryman; "The Downtown Church Acts," Mrs. T. E. Cammack; "On Capitol Avenue in Atlanta," Mrs. R. E. Campbell and "Very Present Help—Mission Centers," Mrs. Bill

Dunning. Personal commitment paragraphs were read by Mesdames Simms, Lee, Flora and Garrison, and Mrs. Jerry Noles again brought special music.

Opening Scripture selections for Friday morning were read by Mesdames Elbert Reeves, Ronnie Christian, Edgar Lee and John Barnhill, and the Missions subjects were given by Mmes Odis Killingsworth, W. M. Clifton, Christian and W. R. Puckett and Miss Amy Glenn, with closing comments by Mesdames Simms, Garrison and Flora.

Gregory Smauley Weds German Girl

Of interest to friends here is the announcement of the recent marriage of Miss Inge Scholl of Karistadt, West Germany to Gregory R. Smauley, who is stationed with the Armed Forces in Germany. He has been overseas the past two years.

The bridegroom is a 1958 graduate of Matador High School and is the son of local residents, Mr. and Mrs. C. C. Smauley.

The couple exchanged marriage vows in a double-ring church ceremony on February 23.

TO MINERAL WELLS

A group of women composed of Mrs. Muriel Shirley of Matador, Mrs. Herman Havis, Quitaque, Mrs. Delma Meacham, Quanah and Mrs. S. J. Braselton and Mrs. R. B. Myles of Roaring Springs, spent the week end in Mineral Wells and did sight-seeing. Among places of interest visited was famous Chandor Gardens at Weatherford.

COUPLE ADOPT SON

Mr. and Mrs. Henry Bercutt, formerly of Matador, announce the adoption of a son, Jay Scot, born, February 18, 1963. The Bercutts now reside in Wichita Falls.

Rev. Cyle Davis

Missionary to Chile will Speak At Roaring Springs Convention

For sixteen years a missionary to Chile, the Rev. Cyle Davis will be featured speaker at the Sectional Annual Missionary convention of West Texas Assemblies of God, Friday at Roaring Springs. Announcement was made this week by the pastor, Rev. Mrs. Ben Dillard.

Rev. Davis, who will be speaking at 2:30 p.m. and at 7:30 p.m., is under missionary appointment with the Foreign Missions Department of the Assemblies of God with international headquarters in Springfield, Mo.

Also at the 7:30 meeting of the convention, will be shown a film, "Passion for Souls," by Rev. Oswald Smith.

As superintendent of the Assemblies of God of Chile, the Rev. Davis traveled extensively throughout the republic. In addition, he edited a news magazine for the Assemblies of God of Chile and for one year served as director of the Assemblies of God Bible school in Santiago. The Davises were also responsible for opening an evangelistic center in the city of Valparaiso, and a bookstore.

Having completed their third term of missionary service, they pastored churches in Iowa, Minnesota, and Colorado. They both attended Des Moines Bible Institute in Iowa.

Rev. Mrs. Dillard extends a cordial invitation to the public to attend this special missions rally.

D. E. Pitts, accompanied by Jimmy Willson of Floydada, attended a Scottish Rite Week End in Dallas, Saturday and Sunday.

W.M.U. OBSERVES WEEK OF PRAYER
The Whitefield Baptist W.M.U. met at the church from Monday through Thursday to observe Week of Prayer for Home Missions. Theme of the week was, "If my People Pray." Average week's attendance was five.

A visitor on Monday was Mrs. Glen Rattan of Lubbock, who also took a part on the program.

Program on Race At WSCS Meeting

"What Shall We Tell Our Children About Race?" was program topic at the general meeting of the Woman's Society of Christian Service held at the Methodist Church, Tuesday evening, March 5. Mrs. Roy Patterson was program leader.

A large white styrofoam cross, an open Bible and two figures of children of other races were used as a worship center. Scripture readings were given by Mesdames Harry Willett, Olive Russell and Nelson McMahan.

Mrs. Charlie Scaff introduced the program by using the topic, "Why Are People Different?"; "Answering Children's Questions" was given by the leader, and "Some Historical Facts Regarding Race" was discussed by Mrs. A. J. Daffern. A question and answer period followed, and Mrs. Fred Simpson gave the closing prayer.

Mrs. C. T. Jenkins was elected as alternate delegate to the Annual Meeting in Borger, March 19 and 20, during the business session presided over by Mrs. Simpson, president. The nominating committee gave a report on officers for the new year.

Mrs. G. E. Hamilton was elected vice president, replacing Mrs. C. T. Jenkins who had served the allotted time. Other officers were re-elected. Thirteen members were present.

Sohail Ahmed and Saleem Sundaal of West Pakistan, who are stationed at Reece Air Force Base, Lubbock visited in the home of Mrs. W. F. Jacobs and other friends during the week end. Saleem has completed his training at Reece and returned to Pakistan this week.

APRIL WEDDING — Mr. and Mrs. Wylie Lee of Muleshoe, announce the engagement and approaching marriage of their daughter, Susy, to Smitty Clark, son of Mr. and Mrs. W. W. Clark, also of Muleshoe. The double ring ceremony is to be read the afternoon of April 7 in Northside Church of Christ, Muleshoe. Frank Duckworth, pastor of the church is to officiate. Mr. and Mrs. Lee formerly made their home in Matador.

Rebecca Circle of the Baptist W.M.U. met Tuesday afternoon, March 12 at the home of Mrs. J. L. Woodruff for Bible Study taught by Mrs. Eldred Seigler. Subject was, "The Lord's Prayer." The group sang an opening hymn, followed by prayer by Mrs. Leonora Luckett.

In a business session led by Mrs. Woodruff, circle chairman, reports were made and cards sent to members who are ill. Closing prayer was by Mrs. Woodruff. Others present were Miss Amy Glenn, Mrs. Berta Campbell, Mrs. Vinnie Keltz and Mrs. W. R. Puckett.

COUNTY AGENT PALLMEYER SAYS:

By any set of standards, the Texas 4-H Poultry Awards program would have to be deemed a tremendous success. This year, co-sponsored by Atchafalaya Hatcheries of Comanche and the Heidort & Nelson Poultry Farms of Kirkland, Washington, involved more than 4,000 4-H boys and girls.

Some 206 winners in 122 different counties received beautiful gold-filled award medals awarded by the Atwood organization. Motley County boys were represented by Joe Bob Crowder and Joe Flomot. These members were singled out for this special recognition because of their outstanding manner in which they conducted their 4-H poultry demonstration.

From county winners, district winners were selected on the basis of their records covering at least three years of 4-H poultry demonstrations. District winners competed for state honors and a trip to the National 4-H Congress in Chicago and a chance for six scholarships of \$400 each.

Atwood hatcheries are franchise dealers for H-N "Nick Chick" layers which are bred and developed by the Heidort & Nelson Farms.

Farmers are nearing the midpoint of the sign-up period in the 1963 Feed Grains Program, which closes March 22. These changes from the 1962 program should be considered by farmers. A direct price support payment of 18cts./bu. on corn; 14cts. on barley; and 29cts./cwt. on grain sorghum have been added. This amount to be paid participating on the normal yield of their seeded acreage.

For the first time, a farmer receives this payment even if he feeds his grain. Secondly, rates of payment on diverted acres have been reduced to 20% of the value of a normal crop on the first 20% diverted and to 50% of the value on all or any part

of the second 20% diverted.

Thirdly, price support loans will be available to participating farmers on total yield this year instead of only normal yields as in the past. Fourthly, the grazing period for diverted acres has been set in advance. Diverted acres may be grazed until May 1 and again after Nov. 1.

Fifthly, after the sign-up period has ended on March 22, there can be no reduction in diversion without losing all price support benefits. This change in compliance regulations makes it all the more important for a feed grain producer to make his decision before March 22 since he can change his intentions until that date.

Unusually cold weather, which has reached deep into Texas, may prove a definite advantage to screwworm eradication in the Southwest. Fewer infestations of this livestock pest are being reported in the area affected by cold, indicating a decreased screwworm population that can be more easily dealt a death blow. As screwworm cases decline, it becomes more and more vital that livestock producers report all suspected infestations, collect samples and treat animals.

Early reports from Motley County are urged, so as to help determine the over-wintering habits of the screwworm fly, and aid in the eradication program. Release of hundreds of millions of sexually sterilized screwworm flies during the past 10 months has retarded development of screwworms, confined infestations mainly to the five-state eradication area and Arizona, and resulted in the lowest number of screwworms east of the Mississippi River in 30 years.

Successful operations during 1963 depend on taking full advantage of the retarding effects of cold weather on screwworm increase and spread; preventing entry of screwworm-infested animals into areas freed of the pest; widespread use of producers of preventive measures; quick discovery and reporting of screwworm cases; and effectiveness of an artificial barrier now being formed along the border.

Practically all reported 1962 screwworm cases occurred in Texas, Oklahoma, New Mexico and Arizona. Only four counties outside the eradication area reported infestations, and in 1961, cases were reported in 17 states. The eastern half of the U. S. had fewer cases during 1962 than in 30 years.

Only one infestation was reported east of the Mississippi River, and this was found in an animal that had just been shipped from the Southwest.

In 1961, more than 80 counties in 9 states east of the Mississippi River reported confirmed cases. Arkansas was screwworm free in 1962, and only two infestations were reported in Louisiana, along the western border. In 1961, one-third of the counties in these two states reported screwworms.

Cage Girls Have Successful Year

By Ruthie Lynn

After losing a heart-breaking game to Lakeview girls for the district championship, the Matador girls dried their tears and put their suits away until next season when once again the sound of basketballs hitting the backboards will fill the air.

Under the leadership of Mr. Ezzell, the team had an impressive year in the number of games won and the number of points scored. Their record stands 18 wins and 7 losses with approximately 1175 points scored. Jill Scaff led the scoring with 671, followed by Ann Garnett with 259; Janna Crenshaw with 149; and Mary Newman with 49.

The girls had the unique distinction of winning the double round robin and losing the district championship, partly due to the loss of one of the main forwards, Janna Crenshaw, who suffered a knee injury one week before the district tournament.

Matador also had an impressive record in the number of trophies won. The girls fought their way into the finals in the Lions tournament, the Paducah tournament, and the district tournament, resulting in three 2nd place trophies to add to the ever-expanding trophy case. Co-captains, Jill Scaff and Pat Cooper, were awarded individual trophies in each of the tournaments for their outstanding playing.

Next year's team will feel the loss of the six senior girls, Jill Scaff, Pat Cooper, Glenda Lynn,

Ann Garnett, Mary Newman, and Barbara Bird, but Mr. Ezzell will have returning three main-stringers strong reserves, from this year's team, plus good basketball material coming over from grade school.

Sponsoring the girls this year was Mrs. Alfred Cooper.

SENIOR PLAY CAST CHOSEN

By Ann Garnett

The cast for the 1963 Senior play, "Hillbilly Weddin'," has been chosen and rehearsals are underway. The play will be presented April 2 in the high school auditorium.

The cast of characters is as follows: Mike Barton as Paw Belsnickle, a typical lazy hillbilly; Glenda Lynn as Maw, a whining and demanding mother; Ann Garnett as Ceelie, a very dirty hillbilly girl; Jill Scaff as Bonnie Mae, a pretty, self-taught girl; Mary Newman as Juney Lou, also a pretty hillbilly girl;

Jane Hamilton as Four, a chubby fourteen-year-old; Barbara Bird as Five, also a younger daughter; Lloyd Martin as Obey Upschlager, a neighbor boy; Pete Davis as Chiz, Obey's brother; Kenny Barton as Ronald Maxwell, a young medical student; Pat Cooper as Lucy Maxwell, Ronald's haughty aunt; Joel Dean Spray as the Reverend and Key Vaughn as Cousin Zeke, a relative of the Belsnickle family.

The play is an uproarious comedy and is expected to be one of the funniest plays ever to be presented in Matador.

GRADE SCHOOL GIRLS 1963 basketball team. Front row: Janna Jones, Roseanne Terry, Sharlene Berryman, Olivia Campbell, Shelley Stevens, Cathy Lawrence; Back row: Carol Martin, Karol King, Frances Martin, Beverly Brandon, Ann Marshall, Charlotte Chambliss, Patsy Hughes and Linda Vinson. (Matador girls coached by J. E. Edwards)

News at Random

Key Vaughn is going to take an entrance exam May 18 at Texas Tech where he plans to attend college.

The Juniors began taking Merit Scholarship tests last week. The first was a 3-hour qualifying test. More tests will be given until semifinalists and finalists are chosen. The scholarship is based on the students' financial needs. The scholarship ranges from \$100 to \$1500. Those taking the tests are: David Rattan, Mary Irwin, Jack McCallie, Johnny Peirce, Robert Brandon, and Thomas Edmondson.

The freshmen have been having some interesting science classes. With a bunsen burner and a head full of ingenious ideas the freshmen artfully worked pieces of glass into some unique patterns. Another of the experiments the class thought was very enthralling was the copper sulfate crystal which grew in the solution they made.

The third graders entertain-

ed their parents with a program about the early settlers in America Wednesday March 6. The climax to the program came when a quilt brought over on the Mayflower was shown by Mrs. Tom Tilson. Refreshments of cookies and punch prepared by the children were served.

The girls of M.H.S. went ogle-eyed when two members of the armed forces invaded the halls last Monday, March 4. To the girls disappointment, only the boys were invited to listen to them. They urged the boys to finish their education before entering military service.

The Juniors have finally picked out a play for this year. The play selected is "Peekaboo Penny," an exciting mystery comedy. It has nine characters: 5 men and four women. No date has as yet been set for the play.

STOCK SHOW . . .

(Continued from page 1) will be provided by Matador Volunteer Fire Department. Additional awards to exhibitors will be made by the Motley County Farm Bureau.

Animals must have been owned by exhibitor Jan. 1, 1963, to be eligible. They must also meet the following requirements: Steers, weaned by Jan. 1st, weigh 650 lbs. or over, dehorned and shown at halter; Barrows and gilts, weigh 150 to 250 lbs. Lambs, weigh 70 to 125 lbs. (limit 2 entries per owner in the milk fed class). Heifers, limit 2 to the owner, from 9 to 18 months of age, shown at halter, horned or dehorned.

No championship awards will be presented in heifer and milk fed lamb classes (and only in steer, dry lot lambs, barrow and female classes) if there are entries in two divisions (light and heavy or sows).

Owners must exhibit their own animals unless they have two in a class, or in event of being physically unable to do so. Exhibitors are to clean up pens and bedding after the show and before prize money is paid.

To Elect Directors
In an open meeting after the show three new directors are to be elected (one from each school district). Outgoing directors are Malcolm Turner, Flomot, Corky Marshall, Roaring Springs and vice-president Doc Taylor, Matador. Hold over directors are President Billy Hand, Roaring Springs, Manly Thompson, Matador and Herb Martin, secretary, Flomot.

The membership drive was made by association directors and Lions Clubs in Flomot, Roaring Springs and Matador.

A concession stand will be operated during the show by the Roaring Springs FFA, and a bake sale will be held at one of the local stores, by home demonstration clubs of the county.

Graveside Rites Held for Infant

Graveside rites in East Mound Cemetery were held Sunday at 4 p.m. for Carolyn Gail Adams, infant daughter of Mr. and Mrs. Jimmy Adams of Amarillo, formerly of Matador. Father James Duddy of Spur conducted the rites.

The baby was born March 8, 1963 at Northwest Texas Hospital, Amarillo, and died the same day. Survivors include the parents and two sisters of the home, and the grandparents, Mr. and Mrs. W. B. Sullivan of Massachusetts and Mr. and Mrs. C. A. Adams of Vernon.

The father, Jimmy Adams was with the Television Cable Service while living here.

Mrs. Claud Jeffers of Paducah, spent the day here Thursday, visiting with friends.

Mrs. Don Boland To Attend W.T.U. Women's Institute

Mrs. Don Boland, cashier and bookkeeper of the West Texas Utilities local office will join more than 150 WTU women personnel from the 50 county service area in Abilene on March 15, to attend the ninth Annual West Texas Utilities Women's Institute. "Look of Freedom" will be the theme of the 1963 Institute.

The day-long program will follow registration at 8:30 at Lytle Shore Auditorium. Appearing on the program will be women employees of WTU from the 50-county area. The evening session will be held in the ballroom of the Starlite Motel.

Speaker for the evening program will be Cal Young, President of the WTU. Special music will be provided by Gwen Averitt at the organ, and entertainment for the evening will be by Waurene Cannon, former WTU employee and R. E. (Bob) Nail, Director from Albany.

NEW POSTAL CLERK

Pat Green assumed duties Monday in the post office as postal clerk. He fills a vacancy made by the resignation of Mrs. J. D. Craven. Mr. and Mrs. Green and children who are former residents, have returned here from Plainview to again make their home.

HOME FROM HOSPITAL

Pat Sheridan County Clerk of Motley County returned home Saturday from Lubbock, where he had undergone eye surgery on Monday at St. Mary's Hospital. Although his condition is satisfactory, he will not be able to return to work for at least two more weeks.

AMARILLO RITES HELD FOR DUNAWAY INFANT

Graveside rites were held in Babyland Cemetery, Amarillo, March 5 for Laura Gail, infant daughter of Mr. and Mrs. Charles Dunaway. The baby was stillborn March 3 in an Amarillo Hospital. The mother is the former Ladell Rattan, and the maternal grandparents are Mr. and Mrs. Lawrence Rattan.

Mrs. Virgle Rattan visited her son, Lawrence Rattan and family, Tuesday of last week. She accompanied Mr. and Mrs. Ward Rattan, who went on business.

TO WACO MEETING

Furman Vinson attended a State Committee Meeting on Masonic Education held in Waco last week end. He was accompanied by his wife and children, Roger and Linda.

CARD OF THANKS

The flowers and many messages of condolence sent us in our recent sorrow were a solace to us and we wish to take this method of expressing our grateful appreciation to all of you who remembered us in any way. May God Bless you.
Mrs. Bernice Knight and Family

IN APPRECIATION

I wish to express my sincere gratitude to everyone who remembered me with flowers, cards, visits and other favors, while I was in the hospital and since my return home, including the nice dishes of food which have been brought to our home. Your thoughtfulness is deeply appreciated.
Pat Sheridan

IN HOSPITAL

Mrs. R. A. Day has been a patient in Stanley Hospital the past week.
