TRAIL DUST

not only difficult, it is very expensive if he transgresses in any kind

A few men appear to have been trapped by success and kept prisoners until they were too old to escape and create their own failures.

Many people seek happiness through frustrating years without ever opening the door where peace of mind is kept.

Our daily paths lead across hills and valleys which provide variety to the scene in which we pasture our fears, our hopes and our dreams.

Some men have been successful with their lives and failed financially. It is difficult, however, to credit success without a monetary counterpart.

Following a leader can become complicated in many ways, especially if he has exceptional talents, expensive habits and the Matador, were held here at 4 p.m. ability to escape situations that Tuesday in the First Methodist require instant and correct decis- Church, with the pastor, Rev. ions.

Consumers can expect to see more disguised plastics in furniture, says Jane Berry, Extension home furnishings specialist. The increasing scarcity of furniture woods is prompting the use of plastics for shelves, drawers, decorative details and pieces molded entirely of plastic. And many of them look like wood so read labels and ask questions to determine construction materials when buying furniture, she says.

COUNTY AGENT

It is time to start thinking abou the small grain varieties you'll be planting this fall and also sources of seed.

Many factors enter choice of a variety. For a given area several varieties are often suggested so that a choice can be made to suit the individual farmer's needs

Among the factors to be considered in making the final selection

Resistance to diseases is also a very important consideration. Resistance to insects should also be considered. Lodging and shatter- dova Barley was killed by the early in the morning and gasp for

umph 64. Kaw 61. Crockett. Wichi-Visiting in the home of Mr. and ta and Guide. Irrigation: Sturdy cluded. All were killed by the

TO ALL TV VIEWERS in Matador

TO all those subscribers who have been on "CABLE TV" for the past almost 12 years, may we say thank you for your loyalty as subscribers.

To those who are new subscribers, who have recently tied on the Cable, or who are planning to tie on, may we welcome you and say that we appreciate your business.

We are expanding our facilities and installing new equipment as fast as possible, and hope to be able to serve everyone who wants cable service in Matador within the near future. Cable and electronic equipment is very slow in delivery from the suppliers, and we have already installed several miles of new aluminum cable and all-band transistorized amplifiers, but are having to wait on the delivery of a few pieces of equipment yet before putting it all into service.

We have also added two channels of service recently from Channel 28, from Lubbock, which is to become the PRIMARY ABC NETWORK affiliate on September 1st, 1969, and Channel 34, which is an independent station and CBS film affiliate with their programming not yet complete, but with an emphasis on good sports programs and feature films. They will also begin live news telecasts early in September.

Our pledge is to make all the stations available to us as a part of the service which is available to you as a subscriber, and to keep same in the best operating condition possible. We will handle all service calls as soon as possible, at no charge to the subscriber to see if your cable and TV set is operating properly.

We believe that we have provided and will continue to provide a good service at a reasonable price for all the subscribers in Matador and the Matador system is a VITAL part of our operation. We appreciate serving

Repair Labor Costs Up Car Insurance

tion about automobile insurance is done, one fact remains foremost-the only way to lower insurance rates is to (1) lower the cost of repairs to automobiles and cost of hospital and medical costs for treatment of the injured. Minton and Cheryl. Joining them and (2) lower the frequency of accidents

August R. Buchel, president of frequency soared beyond reasonable expectations last year resulting in a 17 per cent inadequate insurance rate.

Testimony given before a comsister. Mrs. Lorene Mitchell of mittee of laymen appointed by Gov. Preston Smith to look into A. J. Perkins and son. Brady of insurance rates has been told that

crash manual giving the cost of

manual is now being reprinted every month due to the rapid

"The same repair job that cost \$589.72 in January 1967 cost \$641.42 ability to provide insurance to all uary 1969. What's even more sig-Oonna to her home in Paducah.

Mr. and Mrs. Alfred Cooper and up to \$741.58 by July 1969." Buchel

Mr. and Mrs. L. M. Cox and of the increase coming in the last

In Dallas, there was some reduction in frequency of accidents. but the average claim cost jumped from \$200 in 1967 to \$320 in 1968.

"Insurance companies cannot long continue to provide protection at 1969 costs, at 1968's inadequate rates, based on 1967 experience. It hardly seems appropriate that so much discussion is going forward as to whether a 14.8 per cent increase recommended by the State Board of Insurance is "too much" when the facts are that a 17 per cent increase is needed." the Dallas insurance executive pointed out.

Other factors involving higher 1969 prices paid for out of 1968 premiums include a general increase of 25 per cent in wrecker charges and increased storage fees now up from 50 to 100 percent in most cities.

"To complicate the costs even more, the former practice of allowing insurance companies a discount on parts of from 15 to 20 per

taining what is known as a large been discontinued completely in some areas and reduced to 10 per replacement parts and costs of la- cent in the few areas where such bor made appropriate page practice is continued," Buchel ob served

"The strain of overloading the costs while unduly restricting prehelp but have a serious impact on the insurance companies and their those who seek it." Buchel con-

Rites at Paducah For Bob Stinson

(Delayed)

Services for Robert Ferguson Stinson, 71, resident of Cottle County for 50 years, were held at 2 p.m. Saturday in the First United Methodist Church in Paducah. The Rev. Robert Beck, pastor of the First Baptist Church and Rev. Charles Gates of the Methodist Church officiated.

Mr. Stinson died Wednesday Aug. 6) at his home in Paducah following an apparent heart attack. He was a retired farmer and rancher

Burial was in the Garden of Memories Cemetery under direction of Norris Funeral Home of Paducah.

He was born in Hill County Survivors are his wife: two daughters. Mrs. Elmer Jones of Paducah and Miss Viola Stinson of Flomot; two sons. Clinton of Dallas and Fred of Paducah; and four grandchildren.

in the

practice of Veterinary Medicine SPUR VETERINARY HOSPITAL SPUR, TEXAS

This Costs Texans \$2 MILLION A DAY

YOU HELP PAY THE BILL

The way cars are being wrecked and the way folks are being injured and killed in traffic accidents, it looks like this year's Texas traffic toll will top \$800 million. This figures out to be more than \$2 million a day and that is a lot of money!

When you pay for your auto insurance you help pay this bill because most of your insurance rate is for the amount of money insurance companies pay for traffic accidents. Add to this the amount they pay for autos destroyed or damaged by collision, fire, hail, theft and pilferage. Lower these amounts and your insurance costs will go down. Raise these amounts that insurance companies must pay and your auto insurance costs will have to go up. It is as simple as that.

Here are three ways to cut your auto insurance costs.

Help reduce the number of Texas traffic accidents. You can do this by driving the very best you can and by insisting that traffic laws are enforced in your town, county, and state. Let your Mayor, County Officials and Governor Smith know that you want all traffic laws enforced.

2. Help cut down on car thefts and vandalism by locking your car and taking the keys whenever you park. Always try to park your car in a safe place.

Ask your insurance agent to show you how you can save money on your auto insurance by taking full advantage of the Driver Education, Two Car and other discounts now offered in Texas.

Auto insurance costs will be cut in Texas after accidents and their costs go down. You and other motorists of Texas can bring this about . . . if you really want to. IT IS UP TO YOU!
