PRICE FIVE CENTS

TWELVE PAGES TODAY

Unveiled By Those For Whom They Died

Four children who lost fathers or other kinsmen in past wars unveiled the war memorial dedicated Sunday on the court house square. Approximately 300 people were present for the occasion. The children are, left to right, Charlotte Nobels, Hope Abreo, Charles Vessels and Blake Talbott. The Webb Air Force band played the National Anthem during the unveiling ceremony.

300 Witness Dedication Of War Heroes Memorial

"They did not die in vain. If they had not made the supreme sacrifice we could not be here enjoying freedom as God intended we should."

This statement was made by Mayor G. W. Dabney yesterday at the dedication ceremony of a memorial to the war dead of Howard County.

Approximately 300 people crowded the east side of the courthouse

square for the occasion. Most of those present were families and loved ones of the fallen heroes.

"They left everything dear to them on this earth, went out and gave their very lives that we might remain free," Dabney said. "Their bravery will live throughout all eternity."

Superintendent W. C. Blankenship, who also spoke at the dedication, charged those present with

living their lives in such a way as to preserve the liberty for which the servicemen died.

"The only way to do them honor is by daily living for the preservation of the things they fought for," the superintendent stated. "Individual liberty is built on sacrifice, eternal vigilance, and willingness to pay the price for it—even giving ourselves for others."

Dr. P. D. O'Brien delivered the invocation, and Chaplin C. O. Hitt of the VA Hospital gave the benediction. "God Bless America" was sung by A-1C Anthony Green to the accompaniment of music by the Webb Air Force Base band.

Municipal Budget Hearing Is Tuesday

Public hearing on Big Spring's 1 1/2 million dollar municipal budget is slated for 5-15 p.m. Tuesday in the City Commission chamber on the second floor at City Hall.

The proposed budget, which calls for exact outlay of \$1,530,957 during the coming fiscal year, has been tentatively approved by commissioners. Final approval is expected following Tuesday's hearing.

It is not definite that the budget will be approved as it now stands, as review at the hearing may bring changes.

Commissioners at the last meeting, when tentative approval was

given the budget, voiced the need for more income during the year. The possibility of raising garbage collection and water service charges was discussed.

If these charges are increased before final approval and if other salary raises are made, as has been discussed, then the budget must necessarily be changed.

As it now stands, the proposed \$1 1/2 million budget represents an outlay of only a little more than \$60 per person living in the city.

Estimated revenues during the fiscal period, which begins April 1, have been pegged at \$1,432,392, which is \$98,565 less than the amount to be spent. These revenues will be boosted by a beginning balance of \$263,100, however, which will cover the deficit.

City Manager H. W. Whitney, who prepared the budget, stated that it provides only for minimum requirements necessary for acceptable service.

A garbage collection unit and a motorcycle will be the only two new pieces of equipment bought during the year, and raises are now pegged for only 10 department supervisors. Longevity raises are provided for hourly employees, and a patrolman and two parking meter attendants are to be hired.

Debt requirements for the fiscal year are \$110,495, according to the proposed budget. Outlay will be \$63,500 for bond principal, \$20,000 for warrant principal, and \$26,996 for interest.

Appropriations from the general fund, as outlined in the proposed budget, will be \$591,034. The expenditures will be \$69,985 for general government costs, \$243,340 for public safety, \$98,969 for street and alleys, \$122,869 for health and welfare, \$23,145 for parks and playgrounds, \$8,880 for warehouse, and \$4,055 for franchise meters.

Another \$10,208 will be transferred from the general fund to cover deficits in separately operated city activities—the airport loss of \$3,092, and the cemetery loss of \$5,116.

Operation of these activities will cost as follows: parking meters, \$34,322 (including warrant retirement); airport, \$13,502 (plus the deficit); cemetery, \$11,696 (plus the deficit); swimming pool and golf, \$22,682; garage and shop, \$48,860.

Outgo from the water and sewer departments will be \$550,983 for operating expense and debt requirements. Another \$120,000 will be transferred to the general fund, making total outlay of \$670,983.

Water department revenues plus beginning balance totals \$710,050 in the budget. Total estimated 1955 tax collection is \$308,025, and total available for appropriation in the general fund (of which taxes are a part) will be \$601,642. Other revenues come from parking meters, swimming pool, etc.

Forest Fund Hike Okayed

WASHINGTON (AP)—An increase of \$1,083,000 in the budget requests for funds for the Department of Agriculture Forest Service was approved by the House Appropriations Committee today.

The increase for state and private forest cooperation, brought the recommended appropriation for the year beginning July 1 for that purpose to \$10,683,690, the same as for this year. President Eisenhower's budget had requested \$9,600,000.

Bureau Cut \$15 Million

WASHINGTON (AP)—The House Appropriations Committee cut more than 15 million dollars today from appropriations asked for the Interior Department and related agencies. That was nearly 5 per cent under President Eisenhower's budget requests.

The committee recommended to the House a bill carrying \$298,271,246 to run the agencies for the year beginning July 1. That amount was \$15,081,810 below requests and \$3,203,380 less than current year appropriations.

Extension Of Birdwell Talked

Extension of Birdwell Lane northward across the railroad was discussed by county commissioners this morning and they asked Judge R. H. Weaver to contact city, railroad and state highway department officials concerning the project.

Intimately planned is extension of the east Big Spring street directly northward from East Third. It would provide a new route to the area of the Big Spring Livestock Auction pens and buildings. The old route would be closed.

Commissioners asked that the city and railroad be contacted concerning plans for opening the drainage channel along the railway east of town. Arrangements for a new grade crossing also must be worked out with the T&P Railway company.

The judge reported that D. C. Greer, state highway engineer, has informed local officials that a Howard County proposal for construction of permanent roads will be submitted to the State Highway Commission at its March 31 meeting. Howard commissioners have proposed construction of a few miles of pavement each year, with the county to pay for the work and the state to supervise contracting and construction. Maintenance also would be by the county.

Arrangements also were completed this morning for the Howard County jail to be used for Glasscock County prisoners in event the small Glasscock jail ever becomes overcrowded. The Howard commissioners agreed to house Glasscock prisoners for \$1.25 per day each.

The arrangement was asked by Ted Laughlin and A. W. White, Glasscock commissioners.

The commissioners set Tuesday for right-of-way conferences with property owners and Thursday for a study of recommendations submitted by Foster Dickey, county engineer.

Banana Boat Gets Off Sandbar

PORT ISABEL (AP)—After 15 days stuck on a sandbar, the \$20,000 Mexican banana boat Mercurio was free early today.

Southeast winds and persistent puffing by a tug freed the 200-foot craft at about 12:25 a.m.

The tug "Mohawk" reported the vessel was little damaged.

It had lost its rudder and sand had got into its main shaft bearings. Otherwise the boat was intact.

The Mercurio was lost in a fog and missed the Port Isabel ship channel entrance when it ran aground 10 miles north of the channel about 3 a.m. March 6.

Calm Girls Stir Up Neighborhood

OKLAHOMA CITY (AP)—Two little Oklahoma City girls still can't understand why everyone was so worried.

Betty Briggs, 7, and Vickie Mae Smith, 8, went on a cookie-selling expedition for the Girl Scouts Saturday. After they had been gone more than 12 hours, police found them asleep in an old barn.

They said they hadn't been able to find their way home. In true Girl Scout tradition, they had saved one package of cookies to eat, found a mattress in the barn and gone to sleep.

Stallion Wins Animal 'Oscar'

NORTHBRIDGE, Calif. (AP)—A black stallion named Gypsy has won an animal kingdom version of the Oscar.

He was awarded the Patsy award—for the picture animal top star of the year—for his part in the film "Gypsy Colt."

The event, sponsored by the American Humane Assn., was held yesterday at Devonshire Downs in this San Fernando Valley community.

Second place went to Francis the mule for "Francis Joins the Wacs" and third to the seal Esmeralda for "20,000 Leagues Under the Sea."

THE WEATHER

BIG SPRING AND VICINITY: Partly cloudy, dusty and cooler this afternoon and tonight. Tuesday, fair and cooler in the afternoon.

High today 65, low tonight 50, high tomorrow 60.

Highest temperature this date 65 in 1947, 74 lowest this date 24 in 1914, 1922, 21 in 1923, 20 in 1924, 21 in 1925.

COOLER

Postal Salary Hike Heads For House Vote

WASHINGTON (AP)—A 150-million-dollar pay raise for postal workers headed toward a House vote today.

In advance of House action, President Eisenhower said he would view with "gravest apprehension" any further additions to the 7 1/4 per cent average increase provided by the postal pay bill.

He noted that the postal increase will set the pattern for 1,200,000 civil service employees. This bill is still in committee.

The President's views, contained in a letter Saturday to Chairman Murray (D-Tenn.) of the House Post Office Committee, clearly implied a probable veto of any higher increase.

They also underscored a statement last week by Chairman Philip Young of the Civil Service Commission that the government cannot afford more. It already faces the need of financing government-wide employe benefits totaling more than a billion dollars a year, he said. These are raises and other benefits proposed and pending.

The House pay bill called for a minimum 6 per cent and an average 7 1/4 per cent raise. It also reclassified pay schedules, with higher new pay grades for some 300,000 carriers, clerks and mail truck drivers.

The administration had proposed a 5 per cent minimum and 6 1/4 per cent average pay hike.

But as the bill came before the House, strong opposition developed among members favoring among other things a 10 per cent figure approved by the Senate Post Office Committee.

The Senate, in recess today, will consider its own proposal later in the week.

The House bill was called up by Speaker Rayburn of Texas on a take-it-or-leave-it basis, with all amendments barred.

Rep. Moss (D-Calif.), leader of the big increase forces, said he was "quite confident" it would vote for the right to offer amendments.

12 Die As Airliner Plows Into Pasture

Winter Gives Cold Shoulder On Cool Exit

Like a spiteful kid sticking out his tongue, winter exited for spring Monday but not before he turned and blew his icy breath over the weather stage.

The mercury dipped to lows of 29 and 30 here, and lower in the north part of the county. Little damage resulted in Big Spring and the south part of the county, but fears were felt for the fruit and flowers tonight. Forecasts were for colder weather.

Moving in a good day ahead of the front, showers early Sunday morning churned up soakings north and east of Big Spring.

Lake J. B. Thomas picked up approximately a foot in elevation on the strength of hard showers in

Woman Charged In Baby Theft 'Wanted Girl'

BEAUMONT, Tex. (AP)—A woman charged with snatching a 29-minute-old infant from its hospital crib "wanted a baby girl worse than anything in the world," her father said. She has three sons.

Officers found the little girl yesterday in the Houston home of Mrs. Pauline Schulze, 30, a former nurse's aide.

The child was sped by police-escorted ambulance 85 miles back to Beaumont and reunited with its mother before she knew it was kidnapped Saturday—while she was still in the labor room. The news had been kept from her.

Doctors said the baby was in good condition.

Its navel was tied with a shoulder strap from a woman's slip.

Mrs. Schulze was charged with kidnaping and jailed here. Officers said she kept screaming during long hours of questioning. "It's my own baby." They said she apparently had an overwhelming desire for a fourth child and claimed the baby was born to her at home.

Footprint records identified the child as the daughter of Mr. and Mrs. George Wharton, of Beaumont. Examinations of Mrs. Schulze confirmed she has not given birth recently, doctors said.

The 30-year-old brunette refused to talk to newsmen. She threw a shoe at photographers taking her picture when she was brought here.

Her father, 71-year-old pensioner J. M. Taylor, said at Houston last night:

"She and her husband had all the boys they wanted—three of them. She wanted a baby girl worse than anything in the whole world."

Officers said Mrs. Schulze, treated in the same Beaumont hospital in 1951 and 1953 after nervous breakdowns, had been surgically sterilized and could not bear a child. Her father confirmed she is sterile.

A doctor carried the baby into Mrs. Wharton's room.

Wharton, a slender oil refinery worker, said:

"She didn't even know that anything had happened."

"After we talked and joked a while—just ordinary baby talk—I told my wife I had a story to tell her about how her baby spent the night in Houston. Then I handed her a copy of the Beaumont Enterprise."

"The Whartons have two other children, Jimmy, 2, and another girl, Leslie, 4. Wharton said they planned to call the new arrival Carol Sue."

"But the newspapers have been putting it 'Carolyn Sue.' And we might just leave it Carolyn Sue."

The baby, who weighed 6 pounds 10 1/2 ounces, was kidnapped from its bassinets at East Texas

23 Injured In Missouri Air Tragedy

SPRINGFIELD, Mo. (AP)—An American Airlines plane threading its way through darkness and rain toward a landing field crashed last night, killing 12 persons and injuring 23.

The twin-engine Convair crashed in a pasture about two miles north of the Springfield airport. Wreckage was scattered more than 300 feet.

The plane carried a three-member crew and 32 passengers. All the survivors were injured.

Jack Pripish, of Chicago, the pilot, was the only member of the crew to survive. Stewardess Rita Madaj an ex-pilot Glenn Walker of Chicago and Los Angeles, died.

The airport control tower had given final clearance for the landing. As the craft approached Carl McCrary in the tower saw a flash. Then the plane disappeared and he gave the alarm.

Sheriff Glenn Hendrix, one of the first to reach the scene made muddy by an all-day rain, said:

"There was no fire, in the darkness I found it hard to find the plane and I lost my shoes in the mud as I crossed the farm field."

"Then I heard a woman call and I found her sitting on the ground. I gave her my coat and then I saw three persons walking around dazed. I finally could see the plane in the darkness."

"Its wings were sheared off but the fuselage was intact except for the nose."

"The nose was crumpled up like cellophane."

"Two ambulances came near the scene but got stuck in the mud. We started taking out the injured as other ambulances arrived but it was close to 1 a.m. before we got them all out."

The plane crashed about 10:30 p.m.

Robert Browning, 15, of Chaparral, N. T., an injured passenger, said there was a "terrible vibration" before the crash.

"I was on a Clipper plane last summer and I read some instructions on what to do in case of a crash," Browning related. "They said to put your head down between your knees. And I did that when I felt the vibration. The next thing I knew, I was lying on the ground about 15 feet from the plane."

The dead included Stanley Grzankowski, 64, Detroit, assistant Wayne County prosecutor for 18 of the last 20 years. He was en route to Springfield on private business.

Reported in critical condition was J. R. McKnight, a prominent Chicago patent attorney.

At New York, an American Airlines spokesman said:

"Airlines officials emphasize that there is no way of knowing at this time what caused the accident."

John Crosswhite, a Springfield youth who was among the first to reach the scene, said:

"There were groans coming from the wreckage. Everything seemed to be covered with mud. Bodies were strewn over a wide area."

There was no evidence of fire around the plane, which rested on its belly. The wings were ripped off and the engines lay about 300 yards to the rear of the fuselage.

None of the survivors were able to stand.

Some victims were carried as much as half a mile to ambulances.

The plane was en route from Newark, N. J., to Tulsa, Okla., and had made stops at Syracuse, Rochester, Detroit, Chicago and St. Louis.

Among the survivors were John G. Pundi, a Dallas, Tex., oilman, and Roy Britton, president of the Carroll Oil Co., Ada, Okla. They were returning to Ada after a trip to Chicago. Both were hospitalized.

The identified dead included: Richard Padek, 3-year-old son of Ted Padek, Tulsa, Okla. The father was among the injured.

Stanley Grzankowski, Detroit.

Dr. Elroy Stromberg, Shaker Heights, Ohio.

John Davis, St. Louis.

Jake Miller, Coffeyville, Kan.

Wayne Slankard, Neosho, Mo., attorney.

Mrs. C. V. Vanoy, Joplin, Mo.

Quentin G. Hlotz, Pittsburgh, Pa.

The airline said identification on the following two was only tentative:

Mark Kuser, Rochester, N.Y.

Mrs. Betty Keely, believed to be from Joplin, Mo.

Happy Mother

Mrs. Josephine Perez hugs her three-week-old son, James, who had been kidnapped after he was returned to her unharmed in New York. The child was found abandoned on a hallway stairs landing in Harlem. He had been taken from his mother in the waiting room of St. Luke's Hospital. There was no trace of the kidnaper. (AP Wirephoto).

Bureau Cut \$15 Million

WASHINGTON (AP)—The House Appropriations Committee cut more than 15 million dollars today from appropriations asked for the Interior Department and related agencies. That was nearly 5 per cent under President Eisenhower's budget requests.

The committee recommended to the House a bill carrying \$298,271,246 to run the agencies for the year beginning July 1. That amount was \$15,081,810 below requests and \$3,203,380 less than current year appropriations.

By The Associated Press

Warning of new "most severe" storm conditions was issued for a part of East Texas late Monday morning in the wake of major damage from storms during the weekend.

eastern Dawson, in Borden and the northwest corner of Scurry counties.

The cold front moved in around 2:30 a.m. Monday and brought some light showers on its leading edge. At 8 a.m. Monday there were snow flurries reported in Lamesa. Snyder reported a minimum of 26 degrees.

The U. S. Experiment Farm here had 29 degrees. At Howard County Junior College, James B. Frazier said the mercury touched 32 at 5 a.m., dipped to a minimum of 30 and was back up to 34 at 9 a.m.

Heaviest rains Sunday morning in this area included 2.5 to 3 inches at Fluvanna in northwest Scurry. Gall reported 1.5 inches and Lamesa had .81 of an inch to add to .31 which fell Friday. Snyder reported .39 and .42 inches at different gauges, and in northeast Scurry there was 1.5 inches, while Hobbs, on the east Scurry line, had 1.1, similar to Hermleigh's 1.3. Ira registered .50.

Ackerly, in the southeast corner of Dawson County, got 1 1/2 inches in town and 1-5 inches three miles to the south and several miles to the northeast. The fall as far as four miles north of Ackerly amounted to 1 1/2 inches.

The Luther community, in north central Howard, reported about half an inch moisture from the early Sunday morning downpour. About a half inch fell at Vealmore where a few snowflakes were seen this morning.

Colorado City reported .82 of an inch in one gauge and .52 in another, while at Morgan Creek station the total was .39. Beyond Sweet-

Extension Of Birdwell Talked

Extension of Birdwell Lane northward across the railroad was discussed by county commissioners this morning and they asked Judge R. H. Weaver to contact city, railroad and state highway department officials concerning the project.

Stallion Wins Animal 'Oscar'

NORTHBRIDGE, Calif. (AP)—A black stallion named Gypsy has won an animal kingdom version of the Oscar.

Wind-Blown Circus Canvas Collapses Over 400 People

UVALDE, Tex. (AP)—Mothers screamed, frightened children cried but no one was seriously hurt when a windstorm yesterday collapsed a circus tent on 400 persons.

Soggy and heavy from lashing rains which accompanied the storm, the big Hagen Bros. Circus tent fell just before the lion and tiger act began—and just after other circus animals paraded around the arena.

Had the thunderstorm-spawned wind struck a moment earlier or later, the animals might have been freed among the spectators.

"I might have been scared if I had had time," said J. W. Stewart, Uvalde grocer who brought his two sons and a neighbor's two girls

Blonde Model Drops 'Body' Suit

NEW YORK (AP)—Lyn Jones, a blonde model from Queens, has dropped her \$100,000 suit against RKO Pictures, the studio announced yesterday.

The buxom, 21-year-old model had claimed that RKO used without her consent a picture of her body with the head of Jane Russell to promote the film "Underwater."

The studio announcement said no settlement was involved in the withdrawal and that Miss Jones admitted it was "all a mistake."

There was no immediate comment by Miss Jones.

Assassin Jailed

NUERNBERG, Germany (AP)—German police today announced the arrest of an East Berlin resident who they said confessed he came to Bavaria on a Communist-ordered murder mission.

Bad Dream

DENVER (AP)—Alvin Vigil told police today he lay down on a bed at his home to watch television, dozed off and woke up to find both the TV set and the bedspread gone.

A neighbor, Mrs. Martha Kimble, said she saw three men carrying a suspicious looking box down the street. A bedspread was draped over it, she added.

UNCLE RAY'S CORNER

or sweet potatoes?
A. Yams. It is rare to find a sweet potato which weighs more than a few pounds, but many yams weigh from 10 to 30 pounds. On some South Sea islands, the natives have learned to grow the largest yams. Now and then a huge one is produced, with a length of six or seven feet and a weight of 90 to 100 pounds.
Tomorrow: Gigantic Seaweeds.

Explorers Club Meet Shows Rovers Tamer

This yam is good-sized, but it is far from being of record size.
Are yams the same as sweet potatoes?
Not exactly. In some parts of the southern United States, moist sweet potatoes go under the popular name of yams. In general, however, the two vegetables are kept apart when people speak about them. Both have sweet roots which are good to eat, but they belong to different plant families.
Q. Where are yams grown?
A. Chiefly in the warmer parts of the earth, including southern Asia, also sections of Africa, Europe and the Americas. On some islands in the Pacific Ocean, yams are of special importance.
Certain wild yams grow in North America. These are found in the Gulf states, and as far north as Minnesota, Ontario and Rhode Island, but they have little value. Extracts from these wild yams have been employed in making medicine, but people seldom eat them.
Q. Where did sweet potatoes come from?
A. As nearly as can be learned, sweet potatoes are natives of South America. Some Indians were in the custom of eating them at the time Columbus and other early explorers reached the New World.
Sweet potatoes were planted in Europe, for the first time, about 70 years ago. Later they became an important crop in Virginia and other southern British colonies. Millions of bushels of these potatoes are grown today in Georgia, North Carolina, Alabama, Louisiana, Mississippi, South Carolina, Tennessee, Virginia, Texas and other states.
Q. Which get to be larger, yams or sweet potatoes?

NEW YORK (AP)—The Explorers Club held its 51st annual dinner with a menu that proved the old rovers may be getting tame.
Unlike last year, they ate no fried terrines or alligator eggs. This time they settled for such western dishes as: Asparagus tips rolled in ham, with pantries in aspic; scrambled raw choice beef, peeled shrimp; raw egg yolks with capers; "Passion fruit" on smoked caribou; herring pickled in cherry brandy with Spanish onion, and an item titled "Mother-in-law," whose ingredients were simply crabmeat salad and marjolins in mayonnaise.
The main course, served to the 700 members and their guests in the Waldorf-Astoria, was "Elk Polaris." At least one diner was heard marveling, "it tastes an awful lot like Yankee pot roast."
A 110-pound lion cub, which once belonged to a German baroness who got it as a gift from the baron on their honeymoon, was raffled off. The lucky winner was told he had to find a way of taking the beast home minus its cage.
The club is made up of a great variety—people who explore the unknown, big game hunters, unlearned travelers, rare animal collectors, archeologists and many others.
Some members devote full-time to such pursuits. Others are semi-retired business or professional men. Royal Lowy used to sell girldes and brassieres. Now he specializes in colored movies of Southwestern American Indians.
For some reason, no one can really fathom, the club has many dentists who are part-time explorers. Toastmaster Lowell Thomas thought it's because "dentists more than anyone, need to get away from it all."

Atom Blast Due

LAS VEGAS, Nev. (AP)—The year's sixth atomic blast, delayed more than a week, may now be detonated at the Yucca Flat test site tomorrow. The Atomic Energy Commission and Department of Defense said a conference would be held today to decide if conditions are suitable.

Gas Irrigation Bill Due Boost From Panhandle

AUSTIN (AP)—Some 500 Texas Panhandle families will converge on Austin this week to support a bill giving them gas irrigation rights, W. R. Rutherford said today.
Rutherford is a member of the 10-county gas for irrigation committee, and a former publisher of the Moore County News.
Rutherford says the families will support bills before a House Committee to force owners of gas wells to sell them enough gas to work irrigation pumps on their land.
Committee hearing on two bills is scheduled Wednesday at 2:30 p.m.
Rutherford said his West Texas area is in an extremely acute agricultural situation.
He said the five-year drought, a 30 per cent cut in wheat acreage and a recently announced drop in the support price of grain sorghum are ruining farmers and ranchers in the area.
Two chartered planes loads of House members have visited the area, recently, Rutherford said, to see conditions.
Counties represented by the committee are Dallam, Sherman, Hartley, Moore, Hutchinson, Hansford, Ochiltree, Oldham, Lipscomb and Roberts. All are in the Panhandle.
Farmers are being run out of business because they can't buy for irrigation purposes gas produced from wells on their land, in some cases, Rutherford said.
One bill is HB 217 by Rep. Sam Wohlford of Stratford. It would require that a gas well on property being farmed to sell the farmer enough gas to run his irrigation pumps.
Rutherford said gas companies now refuse to do this because the gas is sent out of the area on "dedicated" contracts through the pipelines.
Farmers have to pay 22 to 25 cents per thousand cubic feet for gas in the area now, Rutherford said. This is about two times as much as the producers get for the gas on pipeline contracts, he said.
The other bill is by Rep. Guy Hallett of Berger. It would provide that a minority royalty owner in a gas well could take gas at the wellhead, tax free, for use in irrigation.
Rutherford said it was economically impossible for farmers and ranchers in the area to use either butane or electricity to run their irrigation pumps.
The land is subject to wind erosion, he said, and irrigation is the only solution to the agriculture problem created by the record drought conditions.
Lt. Gov. Ben Ramsey and senators will be asked to visit the area if the bill passes the House.

U.S. Gets Air Base In Turkey

The U. S. Air Force has moved into a new frontline position, this time locating Strategic Air Command bombers at Adana, Turkey, well within reach of U.S.S.R. borders, according to a reliable informant in Istanbul. The SAC, charged with the responsibility of "massive retaliation" in event of Soviet aggression, occupies the U. S.-built, 18 million dollar base under a recent but still unannounced Turkish-U. S. pact which provides for joint use of the base by both countries. Underlined are four Turkish jet fighter bases forming protective ring around Adana, which is the only base available for U. S. use in peacetime. (AP Wirephoto).

Weekend Violence Claims 16 In Texas

By The Associated Press
Weekend violence in Texas claimed at least 16 lives, nine in traffic.
The Rev. Charles Mikes, about 50, Cuero, and Charles Craney, about 30, Austin, were killed in a two-car crash eight miles north of Lockhart during a rainstorm Sunday night.
Clayton Lewis, Galveston, died after a University of Texas medical student found him stabbed and bleeding on a Galveston street Sunday. A woman, Mattie Maupins, was charged with murder.
An unidentified Navy airman was killed when his jet fighter reported en route from Kingsville Naval Air Station to Clovis, N.M., crashed near Valley Mills in a thunderstorm.
Andrew Smith, 43, died of injuries suffered in a Dallas traffic accident Sunday.
Horton Sessums, 33, Berger, was killed Sunday when the car he was riding in overturned in Lubbock.
Lemuel Allen Smith, 78, was killed Sunday in the collision of his tractor and a car in heavy fog near Shamrock.
Rodolfo Alvarado, 17, Laredo, drowned Sunday in Casa Blanca Lake near Waco. His body was recovered.
Mrs. Helen Frances Moore, 22, Dallas mother, died Sunday in a Cleburne fatal after being hurt in a collision 19 miles south of Cleburne.
Fred Allen McPike, 13, was fatally wounded at Livingston Sunday when he slipped and fell while carrying a shotgun. Authorities said he and a 14-year-old friend were hunting.
Sgt. Leonard Earnest, 28, was believed drowned during a fishing trip Friday night on a lake near Texarkana. His overturned boat was found in the middle of the lake Saturday. Earnest is a Marine reservant on recruiting duty at Texarkana.
Arthur Eugene Spence, 37, railroad employe of near Troup, was killed Saturday in a head-on auto collision near Latexo.
Telefero Cruz, 30, was found shot to death Saturday in the back yard of a Dallas home. Police say he was holding a pistol and may have been involved in a fight in a nearby tavern.
Inell Charles Burris, 28, of Dallas was found stabbed to death in an alley Saturday.
Andrew Smith, 43, died in a Dallas hospital Sunday after he was injured in a two-car collision.
Glen House, 67, tourist from Greeley, Colo., was killed Saturday night in a hit-run accident near Corpus Christi.

Freedom Fight Said Not Over

NEW YORK (AP)—Secretary of State John Foster Dulles says the United States may someday again find it necessary "to forego peace in order to assure the blessings of liberty."
"Indeed," he said in a speech last night, "already many are sacrificing and risking much to protect liberty. We must therefore make sure that the liberty which we are prepared to defend at great cost is true liberty." He added:
"That means a liberty which uses and develops those gifts with which man was endowed by his Creator."
"The freedom of which we talk does not mean the right to live selfishly. It means that men instead of having to fear other men need fear only God. It means the right freely to pattern one's life in accordance with the dictates of moral law. That is the law which enjoins upon us the Golden Rule."
Dulles also told a convocation of the United Negro College Fund at the Metropolitan Opera House:
"Peace is the product of many wills, and not merely of one alone. In the past it has been necessary to forego peace in order to assure the blessings of liberty. We dare not be blind to the fact that that may happen again."

ADA Votes To Fight Reds; China Bill Out

WASHINGTON (AP)—Continued opposition to communism and renewed emphasis on protecting civil rights have been pledged by Americans for Democratic Action.
Resolutions on those and other policies were adopted by the ADA during a weekend national convention marked by hot floor battles among the 600 delegates. Another proposal urging admission of Red China to the United Nations was rejected yesterday after an hour's debate.
"I'm not afraid of going back," he said.
Hallinan, 59, left-wing attorney and politician, told reporters, "Nothing will stop me from continuing to fight for liberal causes."
He flew to San Francisco after his release from McNeil Island (Wash.) Federal Prison. There he served 14 months of an 18-month sentence for tax evasion.

DATE DATA

By Beverly Brandow
Silence Is Golden
Dear Miss Brandow:
One night in the show my boy friend asked me if I liked him. I told him I didn't know. But after that night, I knew I did.
I told my best girl friend, A friend of hers was listening, and she told everybody how I felt, including Bill. Bill got mad and stopped talking to me, and although he ignores me, I know he still likes me because he watches me all the time. What can I do?
Patricia
"It is a wise man who keeps his own counsel." That also applies to teen-age girls.
Some women ponder for years before they discover that the boldest of men are sometimes sensitive about their association with women.
You didn't state his age, but his actions indicate he is in his early teens. He is interested in girls, but not yet sure of himself with them. While he may have the courage to tell you he likes you, he has not the courage to face the world with the news.
This best rule I know of in dating is this. Keep your thoughts to your-

Cattlemen Pour Into Dallas For Annual Meeting

DALLAS (AP)—Southwest cattlemen, optimistic about the beef industry future, thronged Dallas today for their annual convention.
The 78th convention of the Texas and Southwestern Cattle Raisers Assn. opens tomorrow for two days. Nearly 3,000 cattlemen were expected.
Gov. Shivers and Jay Taylor of Amarillo, president of the American National Cattlemen's Assn., speak tomorrow.
President Roy Parks of Midland said, "As long as employment remains as high as it is today, we don't look for any trouble selling beef—and people like to eat beef."
Drought in West Texas is less severe this season, he said. Parks added that although the nation's beef herds are larger than ever and ranchers are keeping cattle "rolling to market," there is no stockpiling of meat or surplus threat, he said.
"In fact, the nation has only about a 10-day supply of beef in storage," he said.
He said the association will oppose any action by the government to regulate beef sales "but we hear less talk of price supports every day."
Unlike previous years, he said, there is no outstanding controversial subject on the program this year.
Ray Willoughby of San Angelo, past president, said, "The cattle industry is in strong hands. If we get a little moisture and are left alone to operate like free enterprises, we can overcome whatever difficulties we may have."

Korean Leader Gets U. S. Medal

SEOUL (AP)—South Korea's President Syngman Rhee today received the United States Medal of Freedom with Gold Palm from Gen. John E. Hull, retiring U. S. Far East commander.
The citation praised the 79-year-old Rhee for "conspicuous determination and self-sacrifice in the interest of his homeland."
"He has aided the cause of universal democracy and has advanced the date when a united Korea will take its rightful place among the free nations of the world."
Tomorrow Hull will receive South Korea's highest military award from Rhee. Hull will be succeeded April 1 by Gen. Maxwell D. Taylor, U. S. 8th Army commander.

MEN PAST 40

Troubled with GETTING UP NIGHTS
Points in BACK, HIPS, LEGS
Tiredness, LOSS OF VIGOR
If you are a victim of these symptoms then your troubles may be traced to Glandular Inflammation. Glandular Inflammation is a constitutional disease and medicines that give temporary relief will not remove the causes of your troubles. Neglect of Glandular Inflammation often leads to premature senility, and incurable malignancy.
The past year men from 1,000 communities have been successfully treated here at the Excelsior Institute. They have found soothing relief and a new zest in life.
The Excelsior Institute, devoted to the treatment of diseases peculiar to older men by NON-SURGICAL Methods, has a NEW FREE BOOK that tells how these troubles may be corrected by proven New Surgical treatments. This book will prove of almost importance in your life. No obligation. Address Excelsior Institute, Dept. H-511 Excelsior Springs, Missouri.

Members of Den 4, Pack 28, of the Stanton Cub Scouts met in the home of Mrs. E. D. Marlon. Taylor Eicholson offered a prayer and the boys continued a project and played baseball. Larry Adkins read the Cub Scout diary of meetings.

Mr. and Mrs. Clifton Clinton and Jimmy Don have returned from Dallas, where the baby was in a hospital for treatment.

Menu Memo from LOVIA TRENT

HOT CEREAL SURPRISES. To tempt the kiddies, dress up their hot cereal by topping with brown sugar and crisp dry cereal.

To tempt the grown-ups, serve them AIRWAY—the whole-bean coffee with the mellow Brazilian flavor.

AIRWAY's highland-grown Brazilian coffees have a distinctively different taste—smooth, light and mellow—cup after cup after cup.

Enjoy it often—and enjoy all you want! It's the mellow coffee in the yellow bag—AIRWAY at SAFEWAY

European Women To Be Guests At Garden Meet

BORGER—Nearly 300 West Texas women will be present for the District 1 convention of Texas Garden Clubs here and the spotlight will be focused on two European women.

Attending from Big Spring will be the following: Mrs. D. S. Riley, Big Spring Garden Club; Mrs. Dale Smith, Mrs. James Bruce Frazier, Mrs. W. D. Caldwell, Mrs. Dewey Mark and Mrs. Don Williams, Spaders Garden Club. The presence of two women lawyers, both Europeans, at the Thursday and Friday meeting was arranged by Garden Club members at nearby Phillips, the host organization.

In January, the Borger News-Herald told of a Department of Labor project bringing 30 French and Italian women to the United States. The project was to show them how Americans live. The visitors would carry back their impressions to Europe to be used in counteracting Soviet propaganda.

Phillips garden club members wrote the Labor Department, citing at length what the tri-city area composed of Phillips, Bonaville and Borger had to offer in study, activity and entertainment.

The club soon received word that Mrs. Gerorgette Barbitz of Paris and Dr. Olga Mansini of Italy would be guests of the district convention and would remain for three or four days in the area. They will continue to the West Coast.

Delegates from 62 Texas counties-south as far as Midland and Odessa and east as far as Childress—will be on hand.

Among the speakers is Dr. E. W. Zuckauskas Jr., greenhouse manager at Texas Tech.

Announcing Classes In POSTURE and REDUCING For Ladies. Walk correctly and gracefully—age does not matter. ONE DAY A WEEK. Phone 4-5784 For Information

COMING EVENTS

TUESDAY BIG SPRING REVEREND LODGE, No. 384, will meet at 8 p.m. in the IOOF Hall. JOHN A. KEE REVEREND LODGE, No. 124, will meet at 7:30 p.m. in Carpenter's Hall. BAPTIST CLUB will meet at 7:30 p.m. at the Settles Hotel. ST. THOMAS STAR SOCIETY will meet at 8 p.m. at the church. BETA SIGMA CHAPTER, BETA SIGMA PHI, will meet at 7:30 p.m. in the Chamber of Commerce Conference Room. MAINTENANCE GIRLS will meet at 7:30 p.m. in the Muehle Hall. ROBERTED GARDEN CLUB will meet at 8:30 p.m. in the home of Mrs. Bob Babb, 604 San Angelo Highway. SPODES will meet at 7:30 p.m. in the home of Mrs. James C. Jones, 1109 E. 12th. A film on England will be shown. Mrs. Bob Bright is co-hostess.

Guilders Return From Vernon

Wesleyan Service Guild members heard Methodist missionaries describe their work when the Guild of the Northwest Texas Conference held its annual conference at Vernon Saturday and Sunday. "The Fields Are White Unto Harvest" was the conference theme. Elizabeth Thompson, home missionary from Shreveport, La., spoke on "Sowing Seeds." Naomi Hare, a foreign missionary who has spent five years in Lima, Peru, spoke on "Whither Goest Thou, Guilders?"

Bob McDonald, minister of music at the Vernon church, sang the Twenty-Third Psalm and the Lord's Prayer. It was decided to have the next annual conference in Lubbock. Attending from Big Spring were Mrs. Lina Fleweller, Mrs. W. D. McDonald, Mrs. Laura Anderson, Mrs. F. S. Gray, Mrs. C. L. Rowe and Mrs. Ruby Martin, First Methodist Church; Mrs. Raymond Hamby and Mrs. Bill Estes, Wesley Memorial Methodist Church.

Barbers Attend Birthday Dinner In Colorado City

WESTBROOK — Mr. and Mrs. Douglas Barber attended a birthday dinner honoring his parents, Mr. and Mrs. E. Barber of Colorado City.

Other guests were Mr. and Mrs. Herman Salley, Linda and J. E. Mr. and Mrs. Robert Bolin of the Spade Community, Mr. and Mrs. Melvin Jarnagin of Novice, Mr. and Mrs. Dwayne Clawson of Odessa, Mr. and Mrs. L. J. Barber, Mr. and Mrs. Perry Barber, Oscar, Hubsey and Laura Lee of Colorado City.

Patsy Lewis, daughter of Mr. and Mrs. Thomas Lewis, has been critically ill in Colorado City Hospital.

Richard Clemmer has been discharged from Root Memorial Hospital where he was a bronchial pneumonia patient. Mr. and Mrs. David Ray Anderson are parents of a baby boy, weighing 9 1/2 pounds, born March 9 at the Root Memorial Hospital in Colorado City.

Writers Workshop Criticizes Stories

Short stories written by members were criticized at a meeting of the Big Spring Writers Workshop Sunday at the Webb Air Force Base Guest House. Mrs. Frances Doll base librarian, was hostess.

Discussion was based on the essential elements of the short story as outlined by Mrs. Walter R. Stewart. The program was held in place of a talk to have been given by Mary Katherine MacDougall of Abilene, who was unable to attend.

Guests were Erve Dyer and Bill Moldenhauer. A-IC George Kelter was welcomed as a new member.

Jenkins Return From California With Son

Mr. and Mrs. L. D. Jenkins have returned from California with their son, Jimmy, who was recently discharged from the Navy. He served on the USS Paig.

The Jenkinses visited her brother, Eddie Morgan, and his family in North Hollywood.

No Weight Problem

Marjorie Reynolds, a star on the "Life of Riley" TV series, controls her weight by cutting down on her food intake when she gains a few extra pounds. In an interview with Lydia Lane, Marjorie also talks about the color of hair.

HOLLYWOOD BEAUTY

Think Long Before You Bleach Hair, Star Says

By LYDIA LANE

HOLLYWOOD — Marjorie Reynolds is a doctor's daughter and was raised on health food. "It's a funny thing but when you don't know any other kind of diet you can really enjoy all the things that are good for you," she told me as we chatted on the "Life of Riley" set at the television studios. "We never served anything at home that was high seasoned, and never had rich desserts. But

we were seldom sick and had lots of vitality." "Then I suppose you never have a weight problem," I ventured. "Well, never is a big word and I'd hate to stick my neck out that far," she replied with a laugh. "When I'm working very hard or am upset about something, I nibble. Without realizing it, I'm constantly chewing on something and pretty soon I notice that my belt feels a bit tight.

"Of course, checking on your bathroom scale every day prevents those extra pounds from sneaking up on you, but the important test is how you look and feel in your clothes. Two or three additional pounds doesn't seem very alarming on the scales but with some girls even that little bit of extra weight means moving a skirt button over, or trouble pulling up a zipper."

"Do you have any suggestions to get rid of a few extra pounds quickly?" I asked. "No special diet," she replied. "Once you are convinced that food makes fat the only sensible solution to those extra pounds is to cut down on your intake of food. If you can keep from dwelling on food, that's half the problem. Keep yourself busy in between meals with something really diverting and you'll find the hours have passed and it's mealtime and you've kept to your diet without even thinking about cheating."

Marjorie's hair was darker than I'd ever seen it and I asked her about this. "Take some advice from a former blonde," she said firmly. "Think hard and long before you start bleaching your hair. It took up so much of my time trying to keep my hair evenly lightened. There seemed always to be dark roots to worry about and ends that needed touching up. And then I have a brunette skin tone and it was a problem choosing colors that didn't make me look hard."

"I suppose in some cases it's worth the trouble, though," I remarked. "Yes," she agreed. "I know a girl who was rather plain looking, had a drab personality and was very unselfish of herself. She bleached her brown hair to a platinum blonde and underwent a tremendous change. She felt younger, more attractive and her personality blossomed. The whole trend of her life was changed. In her case, it was certainly worth the effort."

COUNT CALORIES Try Marjorie's method of weight control if you like — cut down on your intake of high calorie foods. To help you keep count, why not order leaflet M-22 which includes a calorie chart on most food items. You can get your copy by sending only 5 cents AND a self-addressed, stamped envelope to Lydia Lane, Big Spring Herald, P. O. Box 1111, Los Angeles 53, Calif. Remember to ask for M. 22.

No. 3072 is cut in sizes 10, 12, 14, 16, 18, 20, 22, 24, 26, 28, 30. Size 16: Dress and Bolero, 4 1/2 yds. 35-in. Send 35 cents in coin (no stamps, please) for Pattern, with Name, Address, Style Number and Size, Address PATTERN BUREAU, Big Spring Herald, Box 42, Old Chelsea Station New York 11, N. Y.

For first class mail include an extra 5 cents per pattern. NOW! Just out, the SPRING-SUMMER FASHION WORLD illustrating IN COLOR scores of delightfully wearable fashions for every size and occasion. Sew these practical pattern designs for the season ahead. Order your copy now. Price just 25 cents.

THIS IS GOOD EATING

HAM WITH APPLE RINGS

Ingredients: One boneless pork shoulder butt (1 1/2 to 1 3/4 pounds), whole cloves, 1 large yellow Delicious apple, 1 tablespoon prepared brown mustard, 1/4 cup honey.

Method: Remove see-through wrapping and stockinet cover from butt. Put in kettle and cover with water; bring-to a boil; simmer (do not boil) 35 minutes per pound. Drain; insert whole cloves about 1 inch apart over entire surface of butt; place ham on shallow baking pan. Core apple but do not peel; cut apple into about 6 rings; place around ham. Put mustard in small bowl; gradually stir in honey so

there are no flecks of mustard. Spread apple rings with a little of the honey mixture; spread remaining honey mixture over butt. Bake in hot (425 degrees) oven 20 minutes, until ham is browned and apple rings are cooked through. Baste apples several times but do not baste ham. Serve to two people for first hot meal; use remaining ham for other meals. Serve with the following menu.

- Ham with Apple Rings
- Poppyseed Noodles
- Salad
- Coffee Gelatin
- Green Peas
- Bread Tray
- Beverage

©Clipp this for future use. It may be conveniently pasted on a recipe file card.)

Orlon Cardigan

By CAROL CURTIS

Knitted in lightweight orlon 3-ply white yarn which is cleverly twisted with delicate shimmering silver, this straight-cut, classic cardigan is very easy to make. Do it in pink-and-silver, yellow-and-gold, emerald green-and-greengold or in black-and-silver if you prefer. Instructions for sizes 10, 12, 14, 16, 18 and 20 included.

Send 25 cents for PATTERN No. 640, YOUR NAME, ADDRESS, PATTERN NUMBER to CAROL CURTIS, Big Spring Herald, Box 229, Madison Square Station, New York 10, N. Y. The NEEDLEWORK GUIDE, 36 pages, 150 designs for knitting, crochet, embroidery, hairpin lace, dozens of beautiful color transfers. Order as you do needlework patterns. Only 25 cents.

Trainmen Ladies

The Trainmen Ladies will meet at the Elks Hall Monday night at 7:30 p.m. as originally announced. Mrs. W. C. Moore and her group will be hostesses.

Missionary Work In India To Be Told

FORSAN — Mrs. Jack M. Atherton of Big Spring will speak at the Methodist Family Night program which will be Wednesday at the church. She will talk on missionary work in India, which she observed as a Red Cross worker there.

The covered dish supper has been canceled.

Visiting the Rev. and Mrs. Claud Nixon, Cecil and Wanda Friday were the Rev. and Mrs. R. B. Bowman of Westbrook and the Rev. and Mrs. Alvin Smith of Big Spring.

Fred Akins, 1209 W. 2nd, was badly burned on the right arm and side Sunday afternoon when an oil stove turned over in his house.

Wasn't Music From Heaven

LONDON — Electricians checked the wiring at famous St. Paul's Cathedral today trying to discover the source of mysterious jazz music that burst upon the congregation.

One Crash Sunday

Only one automobile accident was reported here Sunday, and officers said that apparently none of the participants was injured.

Ex-Politico Aged

CHARLESTON, S. C. — John W. Davis, 81, who lost the 1924 presidential election to Calvin Coolidge, was still in critical condition today at St. Francis Xavier Hospital here today.

Plug-Back Completion Attempt Set For East Borden Wildcat

A completion attempt in the Clear Fork formation will be made at Magnolia No. 1 York, wildcat in East Borden County which drilled to the Ellenburger only to find salty sulphur water.

south and 2,000 from west lines, 43-33-36, T&P survey, got down to 4,708 feet in lime. This wildcat is 15 miles southeast of Lamesa.

Howard

Ibex Company of Breckenridge No. 1 Barnett, 330 from south and west lines, northwest quarter, 21-33-T&P survey, has been staked as a Moore field location about 10 miles southwest of Big Spring. It will be drilled to depth of 3,500 feet by rotary, starting at once.

Pecos

Intex Oil No. 12 Roy Girvin has been finished as a Tubb discovery about 2 miles south of the Brown and Thorp (Clear Fork) field of East Pecos County. Potential was 43.16 barrels of 29.4 gravity oil, plus 38 per cent water. Pay was acidized with 5,000 gallons of acid and washed with 500 gallons of mud acid. Production is from open hole between 2,972 and 3,033 feet. Location is 467 from south and east lines, 72-11-H&GN survey.

Reagan

C. U. Bay of Midland spotted his No. 1 Ringo in the Spraberry Trend area of Northwest Reagan. Drilling is CNE NE, 9-D-L&SV survey. Depth will be 7,800 feet. Location is 12 miles northwest of Still.

Hanley of Midland No. 1 Eva Woods is to be a 7,900-foot Spraberry Trend project about 12 miles northwest of Still. Drilling is CSE SE, 23-C-L&SV survey.

Scurry

Ada No. 1 Oldham, wildcat which had good oil shows on test from 7,149 to 7,155 feet, uncovered only 20 feet of mud on a test from 7,412 to 7,458 feet. Drilling depth is now 7,543 feet in lime. Location of the prospect, six miles northeast of Snyder, is 330 from south and 1,999 from west lines, 234-2-H&TC survey.

Upton

Humble Oil No. 1-F University found oil in a drillstem test of a third zone in the Wolfcamp. In three hours and 37 minutes it flowed 116.5 barrels of 44-gravity oil. After the tester was closed an additional 23.5 barrels of oil was recovered out. There was no formation water. Zone was from 9,557-9,609 feet. Gas-oil ratio was 1,238-1, and flowing pressure was 1,575 pounds. Other zones in Wolfcamp yielding oil were from 8,969-9,038 and from 8,868-9,157. Operator is now drilling at 9,668 feet in lime and will continue to 10,100 feet to test the Pennsylvanian. Location is nearly a mile southwest of the Amacker - Tippett field of West Upton. Drilling is CNE NE, 78-Y-G&SF survey.

WEATHER

(Continued from Page 1)

water the Eskota plant of Texas Electric had 15. Chalk, in southeast Howard had 1. TESCO's Big Spring gauge, on the eastern edge of town, had 0.3. For the weekend the gauge at HCJC showed .12 of an inch and the Herald's gauge had .08 of an inch. Knott, in northwest Howard, received .25 of an inch, but three to four miles west of there the amount suddenly kicked up beyond two inches and sent water over the highway and left furrows and borrow ditches brimming.

Amber Kiss No Grounds

Harland Does Thorough Work

The 'beauty parlors' of the automotive industry are, of course, the service stations where the family vehicle can be taken periodically for that 'refreshed look.'

One such concern is the Harland Magnolia Service Station, located at 1000 Lamesa Highway in Big Spring.

The establishment is owned and operated by Grady Harland, who has dedicated many years to his chosen profession.

Harland's station specializes in complete servicing jobs, including washing, greasing and oil changing.

When cleaning jobs are undertaken by employees of the Harland station, car owners can rest assured that their vehicles are cleaned on the interior, as well as on the outside. Harland's uses a specially-constructed vacuum to go over the seat covers and walls of the automobile.

If you are in doubt as to what grade and weight of motor oil to use in your car in the hot months ahead, perhaps the person to consult is Harland himself, or one of his employees.

Harland maintains the finest Magnolia products available, including premium gasolines and motor oils.

From Mondays through Saturdays, Harland's is open from 7 a.m. to 8 p.m. daily. On Sunday, the station operates on a somewhat lighter schedule — from 8 a.m. to 6 p.m.

Harland's maintains a vehicle for emergency service and makes it available to all motorists within any point of the area throughout its working day.

Dial 4-9383 for Harland's service.

FOOD EXCELLENT

Harris Cafe Has Home-Like Air

Breakfast, lunch, and dinner are served at the Harris Cafe, 208 Gregg, in a home-like atmosphere that enhances the excellent quality of the meal.

The cooks at the Harris Cafe take those extra pains with their food preparations which gives the meal an added taste thrill. High quality food is standard at the Harris Cafe and yet this food would be wasted if not prepared by experts in the culinary arts.

The cooks give every meal their full attention so as to suit to the taste of the customer's specification. And the food has the taste that only excellently prepared food can have.

The cafe opens at 6 o'clock each morning for the early risers and a tempting breakfast is ready in a matter of minutes. Fresh eggs paired with a generous portion of your choice of meats and rounded out with crisp toast and piping hot coffee is waiting for you at Harris'.

Delicious breakfast steaks, chilled dry cereals or creamy hot cereals, or hot cakes are also easily prepared in a hurry if you ask.

Lunchtime also has a treat for you. A well prepared plate lunch gives you a choice of four varieties of meat, three fresh vegetables, and a specially prepared salad. And, to add a spark to the meal, there is always plenty of oven-fresh rolls on hand.

Steaks, chops, Mexican plates, shrimp, oysters, and other sea foods are available for the evening meal. Served a la carte with a fresh vegetable, these are plates to tempt the most malingering appetite.

Here again, the cooks are very meticulous to see that your steak or chop is prepared exactly to your order and request.

To round out any meal, Harris Cafe has the best tasting home made pastries in Big Spring. Creamy custards with flavorful and delicious filling give any meal that certain taste.

TORN CLOTHING

Cornelison Re-Weaves

A new re-weaving service, which results in almost invisible repairs to ripped and snagged garments, is being featured at Cornelison Cleaners, at Tenth and Johnson.

Cornelison's is the Big Spring cleaning and pressing establishment that puts the emphasis on courtesy and convenience, a long with quality work.

The firm is owned and operated by Roy Cornelison, who is backed by a quarter of a century training and experience in his field. Cornelison and his entire staff strive daily to see that every patron benefits from their great fund of cleaning and pressing know-how.

That's why Cornelison can count so many "old customers" in Big Spring. For when once a resident has trusted the establishment with a cleaning and pressing job, he quickly becomes a permanent customer.

An example of type of quality work performed at Cornelison's is the firm's refusal ever to use water in any step of the dry cleaning operation. The addition of the re-weaving service to those long provided by Cornelison's is another illustration of the concern's continuous effort to meet its customers' needs.

Now, thanks to the re-weaving service, it is not necessary to throw that expensive pair of trousers or skirt away simply because it has been snagged or torn. Instead, take the damaged garment to Cornelison for repairs that are almost invisible and which make the item of clothing good for months of additional wear.

An expert at making the repairs so that it'll take a close inspection to disclose them is Mrs. Elizabeth Chapin. Mrs. Chapin is a specialist in re-weaving work, and skillfully makes torn pieces disappear by re-weaving the fabric. Materials she uses to make the repairs are selected to perfectly match the torn garment, blending the repair into the original pattern.

Mrs. Chapin also performs all kinds of alterations. The Cornelison shops are fully equipped for the alteration as well as repair work.

Cornelison's also is equipped to efficiently perform every phase of the cleaning and pressing operation. Personnel are skilled, both

Auto 'Beauty Parlor'

The Grady Harland Service Station, located at 1000 Lamesa Highway, provides thorough automotive service, an example of which is the special cleaning the concern's attendants give the upholstery of cars brought in for wash and lubrication jobs. When you take your auto to Harland's for servicing, you can be assured that the job is complete. Grady Harland Service Station dispenses the quality Magnolia products.

work performed at Cornelison's is by training and experience. And no water is used in any of the cleaning processes at the establishment. Consequently, clothing doesn't shrink and isn't returned looking as if an effort had been made to stretch it back into shape.

Another factor that makes Cornelison Cleaners increasingly popular in Big Spring is the establishment's convenient location. Situated at Tenth and Johnson, it is on the direct route to the downtown area for many Big Springers.

Coupled with Cornelison's convenient location is the firm's "curb service." Customers are met in the driveway by courteous attendants who accept clothing for cleaning and pressing or deliver freshly cleaned garments.

Patrons find it unnecessary to leave their cars. As a result, it isn't necessary to "dress up" for a trip to town when you take your clothing to Cornelison's. Too, because of the handy location, a trip to the cleaners can be combined with a trip to the business district on some other business.

EXPANDS SERVICE

McMahon Opens Crushing Plant

A new crushing plant is being added to the facilities of Clyde McMahon Concrete Company.

To be located about a mile southeast of Big Spring, the plant has been designed for heavy operation. First job to be tackled will be the production of 25,000 tons of hot-mix aggregate.

This hot-mix aggregate will be used by G. Hunter Strain Company to top Highway 87 from Fairview to Ackery, said McMahon. The concrete company has been signed on as a sub-contractor for Strain.

Addition of the crushing plant to company facilities is another move by McMahon to give better service to contractors and builders in this area. It will be a permanent installation.

The crushing plant will be added to the firm's mixing plant and the sand and gravel pits. Operation should begin within the coming week.

Main office of McMahon Concrete Company is at 605 North Benton. It is out of this office that McMahon's huge fleet of 25 vehicles operate, and it is here that numerous building products are housed.

For McMahon, in addition to producing high grade ready-mix concrete, also handles a number of quality building products.

One of the featured items at the present is the Holiday Hill stone, a long and rectangular material which combines the beauty of other stones with the practical aspects of brick.

Concrete is mixed by the McMahon Company to exact design and strength specified by the purchaser. And it is mixed in accordance with methods approved by commercial laboratories.

There is no crumbling or flaking of the McMahon mixed concrete, and "pockets" of unmixed sand, cement or gravel just cannot be found in the finished product.

The plant mixing trucks insure immediate delivery, and the even consistency with which they operate in mixing insures reliable uniform and high quality concrete.

McMahon recently added a seven-yard mixing truck to the fleet, making a total of seven mixes in all. The others have three-yard capacity. There are also six small dump trucks and two cable trucks.

Among the quality products handled by McMahon are the concrete building blocks, which are always popular, and haydite concrete tile. The Holiday Hill stones are cut in varying lengths with the thickness of bricks. They are available in 10 different colors and can be delivered to builders in any quantity desired. Orders are filled promptly.

U.S. Increases Overall Lead In Games At Mexico City

Larsen Records Impressive Win

By BOB MYERS
MEXICO CITY (AP)—The Pan-American Games swung into the home stretch today with the United States in front in the swimming and diving program.

On the swimming scene, slender Jimmy McLane of the United States handed Oscar Kramer of Argentina, the favorite, a decisive whipping in the 1,500-meter freestyle.

The time was a creditable 20:04 for this high altitude, and the outcome was mostly a matter of 25-year-old Jimmy, two-time Olympic swimmer, outmarting Kramer and coming through with a winning kick in the final 100 meters.

In tennis, Art Larsen of the United States scored his first major victory in nine years of play in Mexico when he outmaneuvered 6-foot-4 Enrique Morea of the Argentine for the Pan-Am singles championship 5-7, 6-2, 6-1, 6-4.

Morea boasts a big game but he was a frustrated young man against the nimble North American.

On the basis of unofficial returns yesterday, the United States increased its overall games total to 76 1/2 points, Argentina, with its 317, and Mexico, 221 1/2, were the next in line. The United States scored 20 1/2 points yesterday, largest single day total of the games.

In swimming and diving, Uncle Sam added two more gold medals. One went to ex-Yale star McLane, the other to a water sprite of 14, Wanda Lee Werner, of Bethesda, Md.

Wanda dusted off the opposition in the 200-meter freestyle in 2:32.5. Her immediate runners-up were Lilian Gonzalez of Argentina and Gilda Aranda of Mexico, with Susan Douglas Gray, of Washington, D.C., fourth.

Josquin Capilla of Mexico won the three-meter diving championship.

Hector Dominguez Nimo of Argentina bettered his own Pan-Am record in the 200-meter breaststroke with a winning time of 2:46.9.

Off Is Starting A New Career

By GAYLE TALBOT
TAMPA, Fla. (AP)—At the age of 16, a chubby high school catcher out of Gretna, La., first walked into the Polo Grounds and began serving his big league apprenticeship under a man he still refers to almost reverently as Mr. McGraw.

Today, almost 30 years and 511 lifetime home runs later, Mel Ott is beginning a brand-new career in the majors as a radio announcer after having spent several seasons hustling steel around New Orleans, and he's scared. It's a racket he never tried before, but he's glad to be back in baseball on any terms.

"It's this time of year that gets you," says the man who won his plaque in the Hall of Fame by hitting more homers than any player in the history of the National League. "The rest of the time it's not too bad. But when you realize one day that everybody's gathering again for another season, and you're not there, it kind of gets you."

Ott in his playing career of 22 years with the New York Giants knew only two managers, John McGraw and Bill Terry, and he was his own playing manager for the final six years that he was coaching his right leg in a fashion unique to himself and pelting the stands with home runs. He smote 30 or more of them for eight seasons.

"No, Mr. McGraw never tried to teach me not to lift my right leg when I teed off," he recalled here. "The only thing he did the first couple of years when I was just a kid was show me how to hit to left field. Once I became a regular he left me alone to pull the ball to right, but as long as I played I still could push one into left when I needed to as a result of his teaching."

Duquesne Wins But Stokes Proves Star Of NIT Meet

NEW YORK (AP)—All America Dick Ricketts and Sibugo Green sparked Duquesne to its first National Invitation basketball championship but it was lanky Maurice Stokes of Little St. Francis of Loretto, Pa., who carried off the major individual honors.

Duquesne won its first NIT in nine attempts with a 79-58 decision over Dayton Saturday night after finishing fourth, third and second in the last three years.

N.A.I.A. Champions

The victorious East Texas State College team and coach are shown above standing behind a banner designating them as winners of the N.A.I.A. basketball tournament at Kansas City, Mo. In front of the banner is the trophy presented to the team. Team members, left to right, are: Wayne Mulkey, Jarrel Logan, Bob Williams, Jack Stevenson, Glen Stevens, Jim Miller, Shelby Metcalf, Bill Notley, Clarence Lynch, Bryan Miller, and ETSC basketball Coach Bob Rogers. Maxwell Picks Up \$910 Check In Florida Play

By BEN FUNK

ST. PETERSBURG, Fla. (AP)—Jay Hebert, the handsome Louisiana pro who says "It takes guts and a good grip" to be a winning golfer, learned from veteran Cary Middlecoff in the St. Petersburg Open yesterday that it also takes something else—tournament nerves and experience.

Middlecoff calmly worked his way from a five-stroke deficit to a two-stroke victory over Hebert and \$2,200 first prize.

Middlecoff, the Memphis dentist who now plays out of Kiamnesia Lake, N.Y., posted a 5-under-par 67 for a 72-hole total of 274. Hebert, who registers out of Woodmere, N.Y., took 74 for 276.

Another veteran of the golf trail, Art Wall Jr., Pocono Manor Pa., made a great stretch drive, shooting the day's best round of 66, zooming up from 11th place into third with 277.

The 32-year-old Hebert, who had both the good grip and guts, held a three-stroke lead going into the final round.

But yesterday Hebert was edgy and uncertain. Middlecoff was cool and methodical.

The Louisiana golfer, who plans only a few of the winter tournaments, missed a two-foot putt on the 18th hole.

The leaders:

Jay Hebert	66-66-73-67-274
Art Wall Jr.	66-66-73-74-276
Woodmere, N.Y.	67-71-68-66-272

Archie Palmer	71-70-68-75-281
St. Dennis amateur	

the first hole. He booted five more putts of less than three feet.

By the 10th Middlecoff had caught up with him. At the 15th hole, Middlecoff went ahead with a par 4 when Hebert missed a short putt for a bogey. Middlecoff dropped in a 30-foot putt on the 18th for the winning two-stroke margin.

Finishing in a tie for fourth were Billy Maxwell, Odessa, Tex., and Ed Furgol, St. Louis, with 178s. They collected \$910 each.

Leo Biagetti, Sandusky, Ohio, and John Barnum, Grand Rapids, Mich., were next with 179s and checks for \$690.

Julius Boros, Mid Pines, N.C., Bo Winingar, Oklahoma City, and Mike Souchak rounded out the top 10 with 280 cards and \$493 each.

Odell Herman, who used to deal out misery to Big Spring football teams while playing in the same backfield with John Kimbrough at Abilene High School, has announced for the school board at Lubbock.

He's with a manufacturing concern there.

Tom Moorhead, a salesman for the Tarbox Motor Company here, was a well-known football official in the Lubbock area prior to moving here.

He'd like to work some games in this area this fall.

Odessa, which apparently will rely upon power rather than fielding and pitching finesse to see it through the Longhorn League this season, may use three left-handed hurlers for starters this season.

They are crafty Jim Carson, who is now trying out with Shreveport; Charles Craig, who at one time hurled a no-hitter against Big Spring; and Garland Fuqua, a home-town boy.

Craig is probably too wild ever to be a consistent winner in this circuit. Fuqua perhaps hasn't had enough experience.

The Eagles are going to need more mound assistance if they are to be a contender for a first division berth.

Texas City has it 'made' in the Big Spring League.

The team plays on the road for the first 30 days, while its park is being completed. It is being supplied players by the other clubs and each team must pay Texas City \$285 a night.

After 30 days, the Texas City operator can return the franchise to the league if he desires, which he isn't apt to do.

Braves Win, Yanks Lose Exhibitions

By The Associated Press

While everyone is talking about the Cincinnati Reds' murders row, the Milwaukee Braves are quietly going about forming a real muscle machine of their own.

Eddie Mathews, Joe Adcock and newcomer Hank Aaron will strike terror into many a pitcher's heart before the season is over. In fact, clubs that must meet the Redlegs and Braves in successive series will have their work cut out for them.

Both the Braves and Redlegs chalked up exhibition conquests yesterday via the sudden-death route in the fashion of the old New York Yankees.

The Braves won their third in a row by edging the St. Louis Cardinals 5-4. Adcock broke it up with a home run over the left field fence in the eighth inning. Before that Aaron slapped one over the same wall with a runner aboard.

The Chicago White Sox got a taste of the raw power generated by the Redlegs. With the score tied in the ninth, the Redlegs came up with four runs to break it wide open. Wally Post hit two home runs for Birdie Tebbetts' club, while Ted Kluszewski and Gus Bell delivered run-scoring hits in the big ninth.

The Boston Red Sox continued to get good pitching—This time from big Frank Sullivan, the bell-wether of the staff last year as a sophomore. The Sox polished off the Detroit Tigers 10-3, with Sullivan hurling five innings and giving up just one hit. He has not permitted an earned run in 11 innings on the mound this spring.

It was like old times in Los Angeles, where the New York Giants continued their mastery over the Cleveland Indians 7-3. 'Dusty' Rhodes poled a pinch home run with one on off Mike Garcia in a five-run seventh inning.

The New York Yankees and Brooklyn Dodgers, who appear to be trying to set a record for overtime exhibitions, played their second extra-inning game in less than 24 hours. The Brooks won this one 9-8 in 10 innings. Rookie Dodger shortstop Chico Fernandez got three hits, including a double in the 10th. He then scored the winning run on a single by Sandy Amoros.

The Pittsburgh Pirates clipped Pedro Ramos, Cuban right-hander, for two runs in the 13th to outlast the Washington Senators 4-2. Kansas City A's edged Baltimore 3-2.

Big Frank Smith, acquired from Cincinnati in the trade for Ray Jablonski and Gerry Staley, is expected to carry the large part of the Cards bullpen chores this season—their weak spot since arm trouble ended Eddie Yahn's career and age caught up with Al Brazle.

Needs Work
"I told Eddie (Stanky) I just need a lot of work," Tiefenauer said in talking of his control, "and when I do pitch often I can get the knuckler over." But wildness doesn't appear part of his troubles so far this year. Stanky is on record as saying if Tiefenauer can get the knuckler over the plate he'll make the club.

Tiefenauer won 10 of 15 decisions for Houston in the Texas League last year and compiled a 4.16 earned-run average. The year before with Rochester in the International League it was 2.31, tops in the league.

Seniors In Play
ST. AUGUSTINE, Fla. (AP)—The American Seniors Golf Assn. Tournament starts Monday with upwards of 200 contestants 55 years old and older on hand.

LOOKING 'EM OVER

With Tommy Hart

It would have been disastrous for Pepper Martin to have gone along on the season ticket drive, as a few suggested, when only 350 were sold.

For one thing, only \$7,000 was realized in the sale. Last year, San Angelo staged a similar drive and disposed of \$20,000 worth of ducats, yet took a bath in red ink.

For another, the 350 who did purchase the tickets represent the hard core of fans here. They are the ones who would be there every night, if they could.

One of the persons who can't be blamed for Jimmy Harris of Temple not remaining in this state to play his college football (Jimmy is now the University of Oklahoma's star quarterback) is Oliver Cofer, of this paper.

Jimmy, like Cofer, hails from Temple, originally, where young Harris used to peddle papers for Oliver.

Oliver wrote Peppy Blount, the one-time UT end and state legislator from here, about Harris' football ability and Peppy did his best to sell UT coaches on taking the lad.

Evidently, the UT coaches didn't show too much interest in him, because he found his way to the Sooner coach and eventually, won the job as regular signal barker for the Oklahomaans.

According to Sweetwater's Roy Scudday, Monterey High School of Lubbock will have over 1,200 students in its first year of operation. He wonders aloud how Monterey can qualify as an AAA rather than a AAAA school. Its athletic teams have been placed in 1-AAA.

Odell Herman, who used to deal out misery to Big Spring football teams while playing in the same backfield with John Kimbrough at Abilene High School, has announced for the school board at Lubbock.

He's with a manufacturing concern there.

Tom Moorhead, a salesman for the Tarbox Motor Company here, was a well-known football official in the Lubbock area prior to moving here.

He'd like to work some games in this area this fall.

Odessa, which apparently will rely upon power rather than fielding and pitching finesse to see it through the Longhorn League this season, may use three left-handed hurlers for starters this season.

They are crafty Jim Carson, who is now trying out with Shreveport; Charles Craig, who at one time hurled a no-hitter against Big Spring; and Garland Fuqua, a home-town boy.

Craig is probably too wild ever to be a consistent winner in this circuit. Fuqua perhaps hasn't had enough experience.

The Eagles are going to need more mound assistance if they are to be a contender for a first division berth.

Texas City has it 'made' in the Big Spring League.

After 30 days, the Texas City operator can return the franchise to the league if he desires, which he isn't apt to do.

'Win Ed Furgol' Contest Starts

In cooperation with McGregor Sportswear, Lee Hanson's Men's Store here is conducting a "Win Ed Furgol" contest.

Everyone is eligible to enter. Those participating will try to guess closest to Furgol's finish and scores in the Masters' Tournament at Augusta, Ga., which starts April 7.

The six regional winners of the contest will each earn \$100 worth of McGregor Sportswear. Many other valuable prizes will also be given away.

In addition to the prizes, the regional winners will get a playing lesson on their own course from the 1954 National champion. Entry blanks can be picked up at Hanson's.

This May Be Milwaukee's Year In National League

By JACK HAND
BRADENTON, Fla. (AP)—This could be the year that baseball-mad Milwaukee goes completely berserk with its first pennant winner. If the Braves can escape the injury jinx that struck down five key men last season, they could go "all the way."

The exciting baseball adventure that is Milwaukee simply boils with enthusiasm. Thousands lined up in the snow to buy opening day tickets. Already they talk confidently of topping last year's attendance of 1,111,355. If they ever win, the city will hit a new hysterical high.

ON LIMITED BASIS Frank May Return As Loop Umpire

One of the Longhorn League's most famous umpiring teams, Bill Frank and Steve Sadowski, may return to duty in the circuit again.

Frank, one-time president and general manager of the Big Spring league entry and before that an arbiter in the circuit, revealed this morning he had been approached by Peck Cunningham, league prexy, with an offer to call balls and strikes in the circuit.

Bill, who recently built a home here, said he would keep his job with Cosden Petroleum Corporation under any circumstances, and added he could work only on a limited basis if he did don the blue again but that "might be worked out."

Sadowski, who now resides in Midland, is said to be ready to work again under the same arrangement as Frank. He has full time employment there.

Cunningham has indicated he is counting heavily on Frank and Sadowski to return to duty, even though they would be available for duty in Midland, Big Spring, Odessa and possibly San Angelo during the week and for New Mexico dates on weekends.

Jim Tongate, George Thomas and Matty Ryan have been signed to contracts to umpire in the circuit. All are holdovers from last season.

Tongate is a veteran of 29 years at the business. He usually teamed with Ryan last season. Thomas is about as well known as a wrestler as he is an arbiter.

Maurice Frouis may return to duty in the circuit but he wants an adjustment on his expense allowance.

Bob Cook is attending the Bill McGowan Umpiring School in Florida and may return to the league.

Martin Expects To Obtain Shortstop For Bert Baez

Pepper Martin, owner-manager of the Big Spring Cosden Cops, said this morning he expected to obtain a shortstop in a trade with Hobbs for Bert Baez.

"Baez has expressed a preference to be traded to Hobbs," Martin stated. "I told (Pat) Stasey I would let him go for a shortstop, provided the 'boy' can really go for us."

Baez won 15 and lost eight games for Roswell and Big Spring last season. He registered four of the wins for Roswell before being acquired by Big Spring. His earned-run-average was 5.40.

Martin said he had no idea who the infielder he'd get would be but Stasey will bring three back with him from Cuba.

It has also been revealed by the Cops' boss that a "final offer" has been made to Orlando Perdomo, a rookie hurler who was with the club briefly last year, and Perdomo had fired it back, demanding more money.

"Apparently, the boy wants to stay in Cuba, so that's where we will leave him," Martin commented.

Perdomo got in 11 games for Big Spring last season, two of which he started. He won one decision and did not suffer a defeat.

Martin and several of his players went through a conditioning program at Steer Park Sunday, although drills don't officially begin here until Friday.

The Cops are going to need all the work they can get, since they have a game here April 3 with Hobbs. That's less than two weeks away.

Midland Defeated By Lamesa, 40-17

Midland, Tuesday night foe of the Big Spring girls' volleyball team here, lost a 40-17 decision to Lamesa last week.

The triumph puts Lamesa in a tie for second place with Odessa in district standings. Big Spring is the leader, with a 3-1 won-lost record.

Midland is in the cellar. Tomorrow night's game winds up the home season for the Steerettes.

Hayworth Scores As Whites Win

ABILENE (SC)—Bobby Hayworth of Big Spring made the game's only touchdown as the Whites defeated the Blues in an intra-squad football game played at McMurry College Saturday.

Hayworth covered 34 yards in the third period for the score, then kicked the extra point.

In all, Bobby gained 64 yards rushing in 11 carries for the Whites. His team gained 202 yards.

Hayworth scored after taking a lateral pass from Dick Souter.

He bounces back from so-so seasons. He blames his poor sophomore year on too much winter ball and Nichols' troubles on overweight after his discharge from service. Jim Wilson (8-2), who pitched a no-bitter last summer, will be used for spot work against certain clubs. Dave Jolly (11-4) and Ernie Johnson (8-2), both right-handers, will do the relief work.

Grimm counts on both Bob Buhl (8-7) and Chet Nichols (8-11) to bounce back from so-so seasons. Second to the Phil's Robin Roberts in complete games and innings pitched, he is the solid workman of the club. Gene Conley (14-8), and Lew Burdette (15-14), second in earned run average at 2.76, are certain starters.

Grimm counts on both Bob Buhl (8-7) and Chet Nichols (8-11) to bounce back from so-so seasons. Second to the Phil's Robin Roberts in complete games and innings pitched, he is the solid workman of the club. Gene Conley (14-8), and Lew Burdette (15-14), second in earned run average at 2.76, are certain starters.

Big Spring (Texas) Herald, Mon., March 21, 1955 11

Navy Jet Crash Fatal To Pilot

VALLEY MILLS, Tex. (AP)—A Navy jet crashed during a thunderstorm here yesterday, killing the pilot. He had not been identified.

The F4U fighter crashed on a ranch 20 miles northeast of this Central Texas town. It was reported en route from the Kingsville Naval Auxiliary Air Station to Clovis, N.M.

State Patrolmen said the plane went down during pounding rain and hail while apparently trying to land at an auxiliary airfield 45 miles to the southeast. Persons living near the scene said the plane was flying extremely low when it hit near a stock tank.

The pilot's last radio contact was with Connally Air Force Base, Waco. He gave his altitude at 32,000 feet.

W. Frank Shannons To Live In Forsan

FORSAN — W. Frank Shannons' bride, formerly Mrs. Anna Dunham Theil of Hialeah, Fla., arrived in Forsan Saturday. The couple was married Feb. 21 in Austin in the home of Dr. and Mrs. F. V. Loggren.

The bride wore a lavender wool suit and lavender flowered hat with other accessories in beige.

She has been employed by the Jackson Memorial Hospital in Hialeah as chief pharmacist. The bridegroom is employed in Forsan by the Standard Oil Co. of Texas.

WCSO Has Annual Meeting In Childress

CHILDRESS — Big Spring Methodist women were represented in the 14th annual meeting of the Women's Society of Christian Service of the Northwest Texas Conference. Mrs. H. H. Stephens of Big Spring reported as district president of the WCSO.

Big Spring personnel attending included Mrs. M. A. Cook and Mrs. H. M. Rowe, the Rev. and Mrs. C. W. Farmer, and the Rev. and Mrs. Orion W. Carter.

Sylvia Lamun Circle

The First Methodist WCSO Sylvia Lamun Circle will meet Tuesday at 10 a.m. in the home of Mrs. Horace Garrett.

Big Four Meet Call Lauded

WASHINGTON (AP)—State Department officials say a call by Sen. George (D-Ga) for a top-level Big Four meeting is in line with the thinking of the Republican administration.

But, like George, they said certain conditions should be met in advance of active efforts to bring together President Eisenhower and the chiefs of Russia, Britain and France.

The department itself had no official comment on George's suggestion.

George, as chairman of the Senate Foreign Relations Committee, is influential in the development of U. S. foreign policy. He suggested last night a four-power conference offers "the real hope of avoiding war." He said it possibly should be held this year.

At the moment, a meeting of Big Four foreign ministers — like that held in Berlin a year ago — seems more likely than a conference of chiefs of government. Secretary of State Dulles and leaders of Britain and France have talked of this possibility in positive terms since German rearmament is approved.

Harvard Prof's Economic Views Stir Market Probe

WASHINGTON (AP)—A new squall of controversy rocked the Senate stock market inquiry today. This one stemmed from the political views of John Kenneth Galbraith, the Harvard economist whose testimony is said by some to have triggered the recent break in stock prices.

Sen. Capehart (R-Ind) declared a 1949 pamphlet by Galbraith "praises communism." Capehart said he would demand today that Galbraith be called back to the witness stand.

"I want the American people to know his philosophy and his thinking," said Capehart, senior Republican on the Senate Banking Committee.

Galbraith, recuperating from a broken leg in Cambridge, Mass., replied that his 1949 pamphlet actually "warns of the dangers of communism." He said Capehart knew this perfectly well when he aired the charge on an NBC television program yesterday.

The dispute was the latest to arise between Capehart and the Democrats, particularly Chairman Fulbright (D-Ark), in the Banking Committee's about-to-end public hearings on the state of the stock market.

Capehart contends the "friendly study" announced by Fulbright has turned into a political attempt to "harass" the Eisenhower administration. Fulbright accused Capehart and the administration generally of pumping politics into a non-partisan search for facts.

Sen. Douglas (D-Ill), a committee member, was asked on another NBC TV program yesterday whether the hearings are turning into "a political football." He replied: "Sen. Capehart is doing his best to make them so."

Today's scheduled witness was Benjamin Fairless, board chairman of the U. S. Steel Corp. The current series of public hearings is due to end Wednesday.

Capehart quoted from Galbraith's 1949 pamphlet in a debate with another Banking Committee member, Sen. Monroney (D-Ark).

He said Galbraith's pamphlet expressed the view that communism's accomplishments "have been considerable and they may help to explain why some millions of alert and intelligent Europeans have embraced this faith."

"He praises communism," Capehart said. He said he didn't know whether the Democrats knew Galbraith's views when they proposed him as a witness or whether "they knowingly put on a man with those philosophies to discredit American industry and the American economy."

Monroney said he didn't take Galbraith's pamphlet to mean the economist was in favor of communism. He recalled too that Galbraith was a witness before Congress' Joint Committee on the Economic Report last year when the Republicans were in power.

"Certainly that ought to be a good recommendation for his testimony," Monroney said.

Galbraith himself said he has a long record of unquestioned opposition to communism.

Galbraith appeared before the Banking Committee March 7. He said he didn't expect any major market crash. But he said there are disturbing similarities between 1929 and the present, and he urged various "preventive" measures, including a gradual halt in stock buying on credit.

Demos Said Aiming For 'Little Man'

WASHINGTON (AP)—Democrats appear to be aiming their 1956 campaign strategy at efforts to convince the average voter that the Eisenhower administration isn't particularly interested in his welfare.

A Democratic strategist who asked not to be quoted by name said today there is in prospect a stepped-up political attack on Cabinet members and others surrounding President Eisenhower.

The effort will be made, this Democrat said, to convince voters that the administration's policies are aimed at helping business at the expense of the little fellow.

Ex-Panama Chief On Trial

PANAMA (AP)—Panama's National Assembly gathered today as a court of justice to try ousted President Jose Ramon Guizado on charges he plotted the assassination of his predecessor.

Despite acute tension aroused by the Jan. 2 machine-gunning of President Jose Antonio Remon, the country was reported quiet.

A young lawyer, Ruben Miro, confessed that he shot down Remon at the Juan Franco race track. He charged that Guizado plotted with him. Later, in letters from his cell, he repudiated the confession.

Guizado, a wealthy 56-year-old civil engineer and contractor who had been Remon's first vice president, became president Jan. 3. After Miro's arrest, he was detained Jan. 15 and the National Assembly impeached him a few hours later. Second Vice President Ricardo Arias Espinosa took over the presidency.

Guizado, who denied the charges, faces a maximum penalty of 10 years in prison if convicted. Votes of 36 of the 53 Assembly members are required for conviction.

If freed, Guizado is entitled to reassume the presidency.
