# Matador Tribune

65TH YEAR—No. 46

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, JANUARY 25, 1962

PRICE SEVEN CENTS

## TRAIL DUST

By DOUGLAS MEADOR

History is the child of its environment and other things being relevant, it might be said with some reservations that the twist is the wait of our times.

The scars that anger leaves on the hearts of man vanish in the miracle of healing that may follow the passing of great sorrow.

Decency, honesty and humility are the roots that nourish the tree of character to growth greater than the highest hills of obstacles.

The craftsman who produces less than his best has desecrated a responsibility to his profession and cheapened the esteem with which posterity will evaluate his work.

Great music is a flame that lights the tapers of man's noblest thoughts and drives shadows from the corridors of his soul.

If truth has a single fault it is charged to the silent sandals worn in making an unexpected appearance.

The split-level ranch home is returning to vogue in West Texas. The earlier models were usually a one-room boxing plank house joined to a half-dugout. Central heating in the homes built here 50 to 60 years ago was provided by a fireplace of ten cut from the dirt wall of the dug-out. A den frequently was another dugout or a lean-to on the house, where boys slept and hung their socks that were not changed every day.

### To Our Subscribers—

Again we wish to stress the importance of subscribers notifying the newspapers of any change in address. The Tribune is penalized every time your paper is not delivered. The label is returned to us in an envelope marked postage due, and it now requires 10c to find out whose address to change. Formerly it was 5c and before that, 3c.

Just because the post office has your new address does not mean that you will receive your Tribune. Newspapers are not first class mail, and so are not forwarded. It is therefore necessary that we be notified in advance.

If your address changes from a street number to a post office box number, or in reverse, from a box number to a street number, it is still necessary that we be notified.

Cost of subscriptions remain the same as formerly: \$3.06 (the 6c is State tax) in Motley and adjoining counties, and \$3.57 elsewhere in Texas (7c for State tax). Subscribers in states other than Texas, are not required to pay this State tax.

Your cooperation will be appreciated.

### Roaring Springs Seniors To Serve Dinner To Public

The senior class of Roaring Springs High School will serve Sunday Dinner to the public on January 28 as a fund-raising project, announces Roger Ashley, class president.

The meal will be served at the high school beginning at 11:30 a. m. until 1 p. m. The menu includes a choice of chicken or steak as entree, served with tasty vegetables and salads, and fruit cobbler for dessert.

The charge is \$1.25 per plate for adults and 75c for children 12 and under.

SCHOLARSHIP gift to Wayland Baptist College endowment funds was presented recently by Mr. and Mrs. R. E. Campbell Sr., Matador. Dr. A. Hope Owen, president of the Plainview college is shown above, center, as he received the gift from Mr. Campbell, with Mrs. Campbell at right.

### Junior Cage Teams Are Tourney Tops

The Matador junior basketball teams topped all other teams entered in the Matador Junior Invitational Tournament held here last week, January 18-20, as they won all three games that they played. Both boys and girls won the first place trophy.

The girls beat Paducah girls, Thursday, by a score of 25-21. The boys also met Paducah for their first game of the tournament and won by a score of 27-23.

The girls met Turkey on Friday and came out with a winning score of 37. Turkey team scored 21. The boys' second game of the tournament was played on Friday with Turkey also. Matador won easily by doubling Turkey's final score of 22.

The second place trophy went to the Paducah teams. Both boys and girls were second place winners.

The final games of the tournament for the Matador teams were played with Roaring Springs. The girls won with a 44-20 score, and the boys won with a 30-28 score, making both teams first place winners.

Besides those games mentioned above, two additional games were played each day. Completing Thursday's schedule were two games, one each with Roaring Springs and Turkey teams. The Roaring Springs girls lost by a score of 19 to Turkey with a score of 38. The boys won over Turkey by a score of 32-24.

The two games completing Friday's schedule were between both boys and girls teams of Roaring Springs and Paducah. Paducah girls defeated Roaring Springs with a final score of 27-26. The Paducah boys downed Roaring Springs with a score of 42-22.

Saturday's games were completed by two games between girls and boys teams of Turkey and Paducah. Both Paducah teams won. The boys scored 35, with Turkey scoring 8. The girls scored 30 to beat Turkey's score of 11.

### Pancake Supper At Roaring Springs To Be MOD Benefit

Roaring Springs Predicta Study Club will sponsor a pancake supper in the school cafeteria on Tuesday night, January 30 as a March of Dimes benefit, it was announced this week.

Serving will begin at 6 o'clock at the prices of \$1.00 for adults and 50c for children.

The club, which is sponsoring the MOD drive in Roaring Springs, will conduct the "Mother's March of Dimes" on Monday night, January 29. Residents wishing to make donations at that time are asked to have their porch lights on by 6 p. m.

Mrs. Clovis Murphy visited from Sunday until Thursday of last week, in Vernon with her sister, Mrs. Jim Clawson who has been ill.

### Endowment Gift To Wayland Disclosed

PLAINVIEW, Jan. 25—Latest gift to Wayland Baptist College is the Campbell Scholarship Fund of \$12,000 from Mr. and Mrs. R. E. Campbell Sr. of Matador. The announcement was made by Tom Z. Parrish, vice

### March Of Dimes Benefit Program Plans Complete

Plans and arrangements are complete for the March of Dimes benefit program to be held at Flomot, Monday evening, January 29.

Announcement has been made that the program will be held in the school gym beginning at 7 p. m. This will include piano music by Mrs. Jack Terrill, a vocal trio by Wilburn Martin, Mrs. Ronald Clay and Mrs. Dean Turner, quartette arrangement by Mr. and Mrs. Clayton Bond, and other numbers, including one mystery number.

A miscellaneous auction sale will follow the program, with M. C. Jones as auctioneer.

There will be no admission charge, but request is made that each family bring one item or more to be sold, proceeds of which will go to the MOD. Dixie dogs, doughnuts, punch, cool-ade, coffee and sandwiches will be on sale at a concession stand.

Flomot Lions Club will assist the women in staging the evening of entertainment, and a cordial invitation is extended to residents of the communities in the surrounding area to attend.

### New Employee At Thacker Supply

A veteran in the hardware business, O. L. Stokes of Afton, has accepted a position in the sales department of Thacker Supply Company's Matador store. Mr. Stokes has had more than 20 years experience in the business, being associated for 15 years with the pioneer Paducah firm of Christian Hardware (later Christian and Stokes) and later in business for himself.

For the past 14 years Mr. Stokes has been farming in the Afton community, and recently sold his farm to make Matador his future home.

Mr. and Mrs. Stokes have lived here since the 15th when his employment began. They are members of the Baptist Church.

Mr. Stokes is currently receiving medical treatment for a serious chest injury sustained when he was crushed in a cotton trailer accident.

Mrs. Curtis King, formerly employed by the store has accepted a position in the book-keeping department of Braselton Implement Company at Roaring Springs.

### Porter Ice Plant Building Is Sold

A deal has been culminated in which Glenn Woodruff, manager of Matador Auto Company, county Ford agency, has purchased the Porter Ice Company lots and building, comprising 100 feet frontage on Main Street south of U. S. Highway 70.

Sam Porter of Afton, owner of the plant, has leased the building from Mr. Woodruff and will operate it in this location for the next season.

Porter said the dock sale of ice will be discontinued at the plant, but that a station will be opened at Wylie Oil Service Station at the intersection of Highways US 70 and Texas 70.

Mechanical refrigeration has made ice plant operation difficult Mr. Porter said, but popular demand in the seven towns supplied by the plant, prevailed on him to continue operation for the next season. Currently one man is employed by the plant with two during the peak season. Charles Thomas is in charge at present.

Mr. Woodruff said extra space was necessary in the operation of his automobile business. The ice plant machinery will be removed within a year and at present he is displaying cars on the vacant space in front of and south of the plant.

The Matador plant supplies ice to Silverton, Quitaque, Turkey, Paducah, Roaring Springs, Spur, Jayton and Matador.

Amount of the transaction was not disclosed.

E. W. Blackburn who has managed the plant since 1949, has retired temporarily. He has made no announcement regarding his plans, other than "to do a little traveling."

### Piano Given As Gift To Legion

A piano, given as a gift to Fleming Post American Legion by Mrs. U. L. Willie, will be dedicated at the February meeting of the Legion and Auxiliary, it was announced this week.

The meeting will be on the usual first Monday (February 5) and speaker will be County Agent Bill Pallmeyer.

All members of the two organizations are urged to be present, and visitors will be welcome. The meeting will begin at 7 p. m. with a doughnut supper.

### TO CHILDRESS

Mrs. B. H. Hobbs, Deputy Grand Matron of District 2, Section 5, Order of the Eastern Star, made an official visit to the Childress Chapter Monday of last week. She was accompanied by Mesdames G. E. Hamilton, J. N. Fletcher, Ben Keltz, Harold Campbell and J. B. Cooper.

### REQUESTS VISITORS

Cecil Simpson, West Texas Pioneer who is critically ill with cancer in Crosbyton, requests visits of old timers from this area. Request for this notice was made by his pioneer friend, Earnest Fisher.

## Father-Son Banquet Date Changed 1 Day

Date of the 25th annual Father-Son Banquet has been changed to Friday evening, February 16. The date change of one day (from February 15 to 16) was necessary to secure Rev. Leon Hill of Amarillo for the principal place on the program.

Rev. Hill is one of the most outstanding after-dinner speakers and humorists in the Southwest, and is in wide demand throughout the nation. The banquet program committee feels extremely fortunate in securing Rev. Hill and believes every person hearing him will enjoy his humor and wisdom (mostly humor).

The Tribune garbled the dates in last week's article on both

the Father-Son and Mother-Daughter Banquets. The day of week was incorrect on the Father-Son and date was incorrect on the Mother-Daughter.

According to present plans, the Mother-Daughter Banquet will be held Tuesday evening, February 13 in the First Baptist Church basement and preceding the Father-Son, as has been the custom for a number of years.

Union Services will be held at the First Baptist Church Sunday evening, February 11, with the message being delivered by Rev. Roy Patterson, pastor of the First Methodist Church. The two churches alternate the service at the beginning of Youth Week.

## Funds Being Raised For Worm Program

Funds are being raised rapidly in Motley County for the proposed screw worm eradication program. Late Monday the county had \$2,470.10 and Rancher John Stevens said he believed this county would raise \$5,000 and possibly more. The money must be raised and placed in escrow by February 1.

County Agent Bill Pallmeyer said that recent information

the program indicates that it will be started this year in order to take advantage of the freeze that killed flies as far south as Mexico.

The program has proved so successful in Florida and other southern areas that the screw worm has been completely eliminated.

At present 235 Texas counties and seven Louisiana parishes are designated to collect funds. Federal aid is expected to supplement the cost of the eradication program.

The money collected will be placed in escrow and used only if sufficient federal funds are made available to conduct the program. If funds are not made available the money will be returned to the ranchers and farmer-stockmen. The assessment is 50c per head for cattle and horses.

New Mexico, Louisiana and Oklahoma organizations are being contacted to include them as partners in the program. A bulletin on the program may be obtained from County Agent Pallmeyer's office.

### Deadline Near For Taxpayers

Deadline for paying taxes without penalty and interest is January 31 (Wednesday).

Property owners are reminded by Sheriff and Tax Collector Jinks Wilson (County, state, school and poll taxes) and Mrs. Nell Brotherton, collector of city taxes.

Law requires that penalty and interest be added to taxes not paid by the January 31 deadline.

Motley County citizens are especially reminded to pay their poll taxes before the deadline (or receive exemption certificate where qualified).

Politics promises to be interesting and highly important this year. The qualified voter is prepared to exercise one of the most precious privileges of citizenship.

### INFANT HAS SURGERY

Kyle Moore, infant son of Mr. and Mrs. Glynard Moore of Roaring Springs, underwent major abdominal surgery at 9 a. m. Friday at West Texas Hospital, Lubbock. With the young couple during the surgery were their parents, Mrs. Foy Moore, and Mrs. Q. Canon who was accompanied by Mrs. Jess Freeman of the Swenson Ranch. The surgery was to correct an obstruction from the intestine to the stomach. The baby was six weeks old at the time.

### IN HOSPITAL

Mrs. Clotelle Horn has been a patient in Stanley Hospital for the past week, receiving medical treatment.

### ROGERS ASKS RE-ELECTION

Congressman Walter Rogers of Pampa filed for re-election in the 28 counties of the 18th Congressional District Friday.

His filing reached the Democratic county chairmen by registered mail.

"I had hoped to get back to the district to file in each county as I have done many times in the past," the Congressman said from Washington Friday night. "But the session is in full swing and committee meetings are taking up all the spare hours."

Rogers first won a seat in the U. S. House of Representatives in the 1950 election.

At present Rogers is chairman of the Subcommittee on Mining of the House Committee on Interior and Insular Affairs, and is a member of the House Interstate and Foreign Commerce Committee.

ROADSIDE BARBECUE—Shown is a refrigerated van-type truck that burned last week 15 miles east of Matador, destroying 32,000 pounds of fresh and cured meats and shortening. Driver Charles Broadus, 25, Vernon, was treated for leg lacerations, received when he fled the scene as fuel tanks of the big truck caught fire. He ran into a barbed wire fence. He told officers something went wrong with the truck's steering mechanism and it veered off the highway. The fire burned from Sunday night to 3 p. m. Tuesday. Intense heat from the fire melted telephone lines overhead, temporarily disrupting service from Matador to Paducah. The truck, which belonged to Wright Packing Company, Vernon, was loaded with hamburger, bacon, sausage, fresh beef and shortening. (Photo by Doug Meador)

# March of Dimes Mothers Hold Key In Fight Against Crippling Disease

Some two million Marching Mothers, wearing the symbolic Golden Key of Hope, will appear on America's doorsteps toward the end of January asking support for the 1962 New March of Dimes fight against crippling birth defects, arthritis and polio.

"IS MY BABY ALL RIGHT?"—More than 250,000 mothers of babies born with birth defects in the U. S. each year hear a heartbreaking reply to this question. Marching mothers will seek public support late in January for March of Dimes research and patient aid to control crippling birth defects and rheumatoid arthritis, just as polio has been controlled.

Why do these women brave winter weather to ask their neighbors for funds? Mrs. Phyllis Sublett of Evansville, Ind., does it because experience with her fourth child, three-year-old Stevie, who was born with a birth defect, has shown her the need to have medical help more readily available in the community when an imperfect child is born.

"Stevie was born with an open spine and water on the brain in 1958, the year The National Foundation expanded its program to include birth defects," says Mrs. Sublett. "I had never heard of either condition. Since then I have learned that these malformations, and hundreds of other birth defects, afflict one out of every 16 babies born in this country each year.

These children need help, their parents need to know where to find the specialists who can give prompt and effective treatment. I know now that the March of Dimes supports work in clinics to improve treatment, in laboratories to find the causes, and in building a network of diagnostic and treatment centers to make new knowledge available to everyone, not just those fortunate enough to live close to great medical institutions.

The March of Dimes already supports nearly 50 centers throughout the country, and many more are being planned. That's why I'm in the Mothers' March—to let people know this help and hope exists. I want to ask their support so the 250,000 American babies born each year with birth defects need not go through life helplessly disabled for lack of proper treatment."

In Denton, Tex., Mrs. Mona Grisham says, "Until our lit-

tle Sondra developed juvenile rheumatoid arthritis, I'd always thought arthritis was something you got when you reached old age. Now I know that thousands of children are stricken with it each year. It can twist and cripple little bodies with permanent disability if it's not caught and treated in time.

"I've seen the wonders accomplished at Arthritis Clinical Study Center at Parkland Hospital in Dallas supported by the March of Dimes, and I know that doctors in the laboratory there and elsewhere are working hard to find out what causes arthritis and how it can be prevented or cured.

I'm a Marching Mother because I know firsthand how important this work is."

Marching Mothers across the nation have similar reasons. Mrs. George Dibbon of Kansas City, who lost a child born with a birth defect, marched actively until the past year. But then her own arthritis forced her to "retire" to a quieter paperwork and record-keeping job for the Mothers' March.

In Tustin, Calif., Mrs. Polly

Spangler has been confined to a wheelchair since a paralytic polio attack in 1954. Yet she, too, enthusiastically works for the Mothers' March via the telephone, and prepares marchers' kits for distribution.

Multiply these shining examples by thousands, and you have the reasons for the scope of success of the traditional Mothers' March for the New March of Dimes. Mothers' March volunteers know there is a need for the cause they support, and they are determined to make every one of the 40,000,000 households they call on aware of the magnitude of the problem.

Mothers' March volunteers will be identified by a distinctive badge bearing the Golden Key of Hope, symbolizing medical progress against crippling diseases. Each will give those who open the doors a valuable health information slip summarizing basic information about birth defects, the most important unmet childhood medical problem today; as well as arthritis and rheumatic disease which afflict 11,000,000 Americans.

resting talk given by Vance Gilbreath.

The business session was conducted by Mrs. Bourland in absence of both president and vice president. The club discussed the coming March of Dimes benefit, which the club sponsors.

It was voted to hold a social for this purpose, at the Whiteflat clubhouse on the evening of Friday, February 2, with the public invited. Each family attending is asked to bring a salad and a pie which will be for the supper, beginning about 7 p. m.

Games and other entertainment will follow the supper, and contributions will be requested for the March of Dimes.

At the conclusion of the program last week, the club members read the "American Creed" and recited the Allegiance to the flag.

The hostess served a delicious refreshment plate to one visitor, Miss Mary Keith, and the following members, Miss Melba Jameson and Mesdames Tom Tilson, France Barton, M. D. Morriss, A. K. Wilkinson and J. M. Jameson.

The March of Dimes benefit social will take place of the next meeting.

Mesdames Clifford Martin, Bill Slover, and C. A. Matney made a business trip to Plainview Wednesday last week.

Rev. Ruth Cooper attended a Pastor's Conference at Dimmitt on Friday of last week, and also visited in Plainview with her sister-in-law, Mrs. Beda Phillips.

Mr. and Mrs. Wilson Barton left last Saturday morning for California to visit a sister and a brother of Mr. Wilson.

HOME FROM HOSPITAL  
Ed Whitaker has returned to his home from Quanah, where he was a recent patient in Quanah Hospital.

# Woman's Society Of Christian Service Sub-District Meeting Today At Flomot

Representatives from 12 societies will join the Flomot Methodist women for a sub-district meeting of the Woman's Society of Christian Service, today (January 25).

The program will open at 9:45 a. m. and will continue until

2:30 p. m. Final arrangements were made at a meeting Monday afternoon, January 15, of the Flomot WSCS. Committee chairmen were named by the president as follows: Nursery, Mrs. Wilburn Martin; chairs and tables, Mrs. Sam Ross; refreshments, Mrs. Raldo Martin; and decorations, Mrs. Lizzie Pyron.

In Monday's meeting, the women also voted to start serving the Lions Club whenever there is a date open for them.

The Bible lesson was taught by Rev. Mrs. Ruth Cooper on the subject, "The Meaning of Suffering." Scriptures were read by Mesdames Lois Martin, Raldo Martin, and Wade Martin, and everyone present entered into the discussion.

The meeting closed with prayer by Mrs. Sam Ross. Others present were Mrs. Joe Degan and Mrs. W. T. Ross.

# \* FLOMOT NEWS \*

By Mrs. L. B. Turner

# Flomot Club Has Recent Meeting

Flomot Home Demonstration Club met Tuesday afternoon in the second meeting of the year, with 25 present. Roll call was answered from a list of 30 selected subjects.

Plans were announced in regard to the club's participation in the March of Dimes program, scheduled for Monday evening, January 29. The committee making arrangements is composed of Mesdames Howard Rogers, George Pope, Gordie Washington and L. B. Turner.

Among suggested items to be donated for the auction sale are cloth feed sacks, cup towels, fancy home-made pillows, crochet, pies, cakes, home-made candy, pop-corn balls, cotton seed, and any useful item.

A district meeting of Home Demonstration clubs was announced for Wednesday, January 31 at the Kent County courthouse at Jayton. This will be to train and plan for other meetings of interest throughout the year.

Refreshments were served to Mesdames W. F. Sauls, Sam Ross, G. E. Washington, O. D. Calvert, Howard Rogers, Doyle Calvert, James Monk, L. W. Crowell, Jesse Browning, Ray Cruse, M. J. Pyron, Raldo Martin, L. E. Shorter, W. T. Ross, Joe Degan, Ronald Clay, Dean Turner, Alfred Martin, L. B. Turner, H. S. Gilbert, Wade Martin, Wilburn Martin, J. H. George, G. D. Pope and Hobson Burris.

# FAMILY IS HONORED WITH HOUSEWARMING

A housewarming was held recently for Mr. and Mrs. Ronald Clay and young daughter, Debbie in their newly completed home. A large mirror was presented to them as a gift from the community.

Those attending were Mrs. Razz Ware and Clint of Cedar Hill; Miss Anna Beth Tanner of Tulsa; Mrs. Mary Clay, Joe and Winnie, Mr. and Mrs. Sam Ross, Mr. and Mrs. Wade Martin, Misses Duda Barton and Viola Stinson, Mrs. O. D. Calvert and George, Mr. and Mrs. Doyle Calvert, Alva Joe and Sherillann, Mr. and Mrs. Ray Cruse, Derrell, Debra and Darla, Mr. and Mrs. Joe Degan, Mr. and Mrs. Alfred Martin and Eldon, J. E. Martin, Mr. and Mrs. J. H. George, Mr. and Mrs. Herb Martin and Kathy, Mr. and Mrs. Clayton Bond, Mr. and Mrs. Dean Turner, Mr. and Mrs. Wilburn Martin, David and Marilee, Mr. and Mrs. Raldo Martin, Mr. and Mrs. Howard Rogers, Sue and Donnie, and Mrs. C. C. Jones.

# Income Tax Return Deadline April 16

Filing deadline for income tax returns for 1961, this year is Monday, April 16, but employers are reminded that they should furnish employees two copies of a Withholding Statement, Form W-2 on or before Wednesday, January 31.

Reminder of this employer duty is made by Elton W. Davidson, Administrative Officer of the Internal Revenue Service at Plainview. "This statement," he said, "shows the total wages paid and the income tax and social security tax withheld, if any, during the calendar year 1961."

All citizens or residents of the United States, including minor children, who had gross incomes of \$600 or more in 1961, must file a federal income tax return, Davidson declared.

If the taxpayer is 65 or over as of December 31, 1961, he or she is not required to file unless his or her gross income for 1961 was at least \$1,200.

Even though a taxpayer is not required to file under these rules, he or she must file to obtain a refund, if any income tax was withheld from his or her pay.

Davidson said there is one exception to the general rule. Self-employed persons such as sole proprietors, partners, and independent contractors, must file an income tax return and pay a self-employment tax, if net earnings from self-employment were \$400 or more.

Complete records are especially important, the IRS representative also stressed. Accurate expense records are especially essential if a taxpayer's return is selected for audit.

Taxpayers with good records can complete and mail their federal tax returns as soon as they receive their W-2 withholding tax certificates, thus eliminating last-minute searches for such papers as the April 16 filing deadline draws near.

Miss Billy Thompson of Leveland and Miss Le Vone Busby of Lubbock were week end guests of Miss Wanda Moseley in the home of the latter's parents, Mr. and Mrs. A. D. Moseley, the past week.

Mesdames Sam Ross, O. D. Calvert, Wilburn Martin, C. C. Jones, L. B. Turner and Ray Cruse attended the Motley County Home Demonstration Council meeting at Matador Saturday.

A former pastor and his family, Rev. and Mrs. Ed Spivey and young son, Kevin Ray of Lefors visited in the community, Tuesday. They were dinner guests of Mr. and Mrs. J. C. Franks and visited as many other friends as time permitted.

Harold Crain of Wayland College visited Rev. and Mrs. Jack Terrill from Friday through Monday.

Mr. and Mrs. L. B. Turner attended the pastor's and Laymen's Conference at Wayland Baptist College, Monday of last week.

Mr. and Mrs. Ernest Fisher visited recently at Crosbyton with Mr. and Mrs. Cecil Simpson. Mr. Simpson is recuperating from a long illness and surgery, and welcomes visits from their Motley County friends.

Mr. and Mrs. J. L. Hamilton of Newlin visited Sunday in the home of her sister and husband, Mr. and Mrs. G. D. Pope.

Mrs. J. W. Drace of Lubbock attended to business here Tuesday and Wednesday and visited in the home of her brother and wife, Mr. and Mrs. Eddie Russell, and with another brother, John Russell.

Now-Ford frees you forever from the expense and bother of frequent car servicing. Twice-a-year maintenance is here—and only the cars from Ford have it!

In a new Ford Galaxie or Fairlane, the odometer rolls off a long 6,000 miles between every service stop. Compare this with other '62 cars and here's what you'll find: many cars still have to check in for service every 1,000 miles; some every 2,000 miles; others every 4,000 miles. Only the cars from Ford need service only twice a year, or every 6,000 miles.

When you own a '62 Galaxie or Fairlane, you don't have to drive with one eye on the odometer to make sure you're not forgetting an oil change or a grease job or other servicing. Ford's twice-a-year maintenance saves you time, saves you money. Just one stop every 6,000 miles takes care of servicing. You'll go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications, 2 years or 30,000 miles without changing engine coolant-antifreeze. Brakes adjust themselves.

Why buy a service headache when Ford is ready with the cure? See your Ford Dealer—and see how close Ford has come to the fill-it-and-forget-it car!

## PANEL DISCUSSES PROBLEM SOLVING

"What is your problem?" This is the question that was asked by a panel composed of Mr. Moore, moderator, Sondra Stevens, Jimmie Green, Johnny Ezzell, and Christina Damron Tuesday afternoon in assembly. Although the student body and teachers didn't answer this question aloud, they proved by a show of hands that everyone has problems.

The panel discussed the problems that are prevalent in most teenagers' lives. They also gave six steps to solving problems. After the discussion, members of the audience asked questions and discussed them, and each student chose a counselor from members of the faculty. The panel discussion and choosing of counselors were another step toward developing the Guidance Program which was begun the latter part of last year.

The teachers will act as counselors in helping students with problems concerning the future.

## Third Six Week's MHS Honor Roll

The following list of high school students appeared on the honor roll for the third six week's period.

**Seniors:** Ros Bearden, Dale Dixon, Jimmie Green, Bob Johnson, Johnny Ezzell, Cherri Barton, Christina Damron, Vella Ree Edwards, Judy Hobbs, Vada Nichols, Genevieve Spray, Sondra Stevens.

**Juniors:** Pete Davis, Barbara Bird, Pat Cooper, Ann Garnett, Jane Hamilton, Judy Hart, Sandra Jenkins, Glenda Lynn, Mary Newman, Jill Scaff.

**Sophomores:** Robert Brandon,

Robert Brown, Thomas Edmondson, Jack Luckett, Jack McCallie, David Rattan, Mary Irwin.

**Freshmen:** Charles Ezzell, Tim Green, Tommie Green, Kenneth Pitts, Tim Sturdivant, Marianne Damron, Lynda Elliott, Patsy Hankins, Stella Martin, Jean Martin, Scottie Robbins, Brenda Whitefield.

—MSB—

## Senior Sidelines

By Cherri Barton

### LIMELIGHT LASSIE

On November 25, 1943, a brown haired, blue eyed baby was born in Matador, Texas. This baby's parents gave her the name of Vada Nichols. The first words she was heard to say were that she wanted some roast beef, as this was, and is her favorite food. Vada now spends her leisure time reading or watching TV. Her favorite actor is James Stewart; her favorite actress is Hope Lange. "Little Coquette" is Vada's favorite song. "The Glenn Miller Story" is the movie she enjoyed most. As for school, English is Vada's most interesting subject. Writing for the Reader's Digest is her ambition. She will begin preparation for this career at Texas Tech this coming fall.

### LIMELIGHT LADDIE

December 7, 1943, was a special day in Waco, Texas. Bob Johnson was born, and from that moment he has enjoyed participating in sports as his pastime and eating steak and potatoes at every meal if given a chance. Bob enjoys studying science and mathematics more than any other subjects. His favorite movie is "One-Eyed Jacks" while his favorite song is "Comancheros." Bob enjoys seeing Marion Brando and Soph-

ia Loren, his favorite actor and actress, on the screen. Bob plans to become a draftsman. If you wonder where to find him this fall, he will be attending Abilene Christian College.

## January Meeting Held By F. H. A.

The January meeting of the Future Homemakers was held on the 17th in the high school auditorium.

Scottie Robbins gave a program on gloves. Points about proper and improper wearing, fabrics, and lengths were discussed.

Mary Irwin was chosen as candidate for an area officer. She will run for Area I Treasurer on March 3 in Amarillo at the Area I meeting.

The FFA beau was chosen for 1962. His name will be revealed at the coming FFA party.

The meeting was concluded by Sandra Jenkins and Patsy Hankins leading the group in singing.

—MSB—

## Monthly Meeting Held By F. F. A.

On Wednesday, January 17, the Matador FFA Chapter had its regular monthly meeting. Supplies for National FFA Week, January 17-24, were discussed, and plans were made for local observance of the week.

After the conclusion of the business session, a film entitled "The Give and Take" was shown. This film explained the necessity of international trade among the nations of the world.

President Ros Bearden presented a jacket to FFA Sweetheart, Cherri Barton.

—MSB—

## Junior Jots

by Judy Hart

The lessons are really pouring in for the juniors from every subject. Last week we gave three minute history reports on famous men and labor unions.

The juniors were glad to return to literature after last semester's grammar drills. Of course, there will still be the regular theme assignments.

Congratulations to Jill Scaff for being elected Co-Head Cheerleader. We are very proud of her and know she will do a good job.

## Freshman Facts

by Scottie Robbins

We were very proud of the two freshman girls who were chosen as cheerleaders. They are Faye Lynn Cook and Jean Martin. They will have a big job, but we know they are capable of handling it. We're looking forward to the 1962 football season with them as yell leaders.

—MSB—

## GRADE SCHOOL NEWS

Things are going about the same as usual in grade school. Everyone is glad school is half over. In geography the third graders are making globes out of paper and painting them.

The eight grade also had a busy week. In addition to regular school work, the boys' and girls' basketball teams participated in a tournament held at Matador.

## College Students Home For Mid-Term

Many college students are out for mid-term and several are visiting here with their parents.

Among Texas Tech students home are Carolyn Pohl visiting with her parents, Mr. and Mrs. Frank Pohl; Jan Barton, visiting her parents and family, Mr. and Mrs. C. M. Barton; Jimmy Well-

ington who is visiting with his parents, Mr. and Mrs. Freddie Wellington and family; Larry Hoyle, visiting with his parents, Mr. and Mrs. Mike Hoyle; Harry Hamilton, visiting his parents, Mr. and Mrs. John Hamilton, and Jane; Gerald Pipkin, visiting his parents, Mr. and Mrs. Bill Pipkin; Robin Darsey, visiting his parents, Mr. and Mrs. Robert Darsey; Dink Wilson, visiting his parents, Sheriff and Mrs. Jinks Wilson; and Van Frances, who is staying at Bear Creek Ranch.

Billy Crenshaw and Morris Burkes, students at South Plains Junior College in Levelland visited with their families, Mr. and Mrs. Skee Burkes and Larry, and Freddie Crenshaw and Jana, respectively.

West Texas State students home are Daphne Lynn, who is visiting with her parents, Mr. and Mrs. Lonzo Lynn, and family; James Bearden, visiting with his grandparents, Mr. and Mrs.

Carl Bird; Charles Renfro, visiting his parents, Mr. and Mrs. Red Renfro, and Butch; and Andy and Bill Fish, visiting their mother, Mrs. Hope Fish.

Students home from Southwestern University in Weatherford, Okla., are Lewis Fair, who is visiting his parents, Mr. and Mrs. A. L. Fair, and James Stanley, visiting his parents, Mr. and Mrs. Bob Stanley. Also visiting the Fairs is their daughter, Ida, who attends McMurry in Abilene.

Gale Stafford, who is a student at Texas Christian University in Fort Worth, is visiting with his parents, Mr. and Mrs. Lloyd Stafford of Roaring Springs.

Linda Ray Thompson, who attends Texas Woman's University in Denton is visiting with her parents, Mr. and Mrs. Henry Thompson.

## Girls Tie For Top Cheerleader Place

(Delayed)

A precedent was set Thursday when two Matador High School girls tied for the honor of head cheerleader for the 1962 football season.

Jill Scaff and Jean Martin were named co-leaders and Faye Lynn Cook was the third cheerleader selected when the votes were counted.

Fourteen girls competed for the distinction and each led a yell during the elimination contests, held in assembly, with the student body voting on the candidate's cheerleading ability, agility and sportsmanship.

The race was very close and extremely hard to determine, it was announced. An hour and a half were required to count the votes. It was the first time that a contest for head cheerleader here ever resulted in a tie.

## NORTHFIELD NEWS

By Mrs. Homer Davis

Attending a barbecue Saturday night at Turkey were Mr. and Mrs. Boone Simpson, Mr. and Mrs. Hal Courtney and Quinn, Mr. and Mrs. Lloyd Thompson and children, Mr. and Mrs. Paul Cruse and family and Mr. and Mrs. Leland Timmons and sons.

Visiting Mr. and Mrs. Jim Dobbins Sunday, were Mr. and Mrs. Henry Thompson of Matador.

Mrs. Claud McDonald and Mrs. E. M. Timmons accompanied their father, Ben Simpson, to Lubbock Saturday where they visited his sister, Mrs. Hattie Berry. Last Wednesday they visited in Spur with Mrs. Simpson, who is ill.

Mr. and Mrs. Fawver of Floydada, were guests of Mr. and Mrs. Reece Timmons, Sunday. Mr. and Mrs. Delmont Hays made a business trip to Floydada, Wednesday.

Residents on the sick list the past week included Hal Courtney, Walter Timmons, Delores Timmons; and several who have had the mumps: Mrs. N. L. Cook and small son, Eddie; Aaron and Ann Timmons and Petsey and Don Timmons.

Mr. and Mrs. Billy Paul Simpson visited in Odessa during the week end with her sister and family, Mr. and Mrs. J. M. Daniels, and also with her brother and wife, Mr. and Mrs. Bobby Davis. They visited in Wellington last Sunday with another brother and family, Mr. and Mrs. H. E. Davis Jr.

Minister and Mrs. Dan Coker were guests of Mr. and Mrs. Bill Bethany, Sunday.

Mr. and Mrs. Bill Cook visited in Childress Saturday with his mother, Mrs. Sweet, and also with Mr. and Mrs. J. E. Hamner.

Visitors in the home of Mr. and Mrs. Newell Timmons Sun-

day, were Rev. Cecil Osborn of Plainview and Rex and Brenda Timmons of Cee Vee.

Mr. and Mrs. Marvin Leary are spending a few days in Childress this week with their son and family, Mr. and Mrs. Eddie Leary. Eddie Leary is recovering from the mumps.

Mr. and Mrs. Bob Henton made a business trip to Paducah, Thursday.

Mr. and Mrs. Frank Jameson were in Matador Saturday, for a medical check-up for Mr. Jameson.

Mr. and Mrs. Hal Courtney were attending to business in Matador, Saturday.

## CARD OF THANKS

We wish to express our sincere appreciation for the prayers, cards, flowers and any other expression of sympathy and to the ladies who brought and served food, during the loss of our loved one. May God bless each of you.

Mrs. S. D. Hunter and Family

## IN APPRECIATION

I wish to take this means expressing my appreciation to everyone who remembered me with cards, flowers and while a patient in Stanley Hospital. Your kind thoughts will always be remembered with gratitude.

J. C. Turner

### Set Feed Grain Sign-Up Period

Producers who wish to comply with the 1962 feed grain program will sign up between Feb. 15 and Mar. 30th, reports Tommy Moore, ASCS Office manager.

Payment rates for diverted feeds will be in line with those for 1961 because support prices for feed grains have been set at identical levels.

The rates are based on the normal production of the farm times the county support rate. The minimum acreage reduction (from 1959-60 base) is 20%, which will earn a payment based on 50% of the local support price. For diversion of between 20 & 40% the payment will be figured at 60% of the local support price.

Barley, which was not included in last year's program because of late passage of legislation, is included in the 1962 program. A producer having barley plus grain sorghum or corn can participate in barley reduction independent of the other crops.

If he wishes to comply on barley alone, however, he must stay within his 1959-60 base on corn and grain sorghum if he wants to receive price supports. On the other hand, if he wishes to comply on the corn and grain sorghum he must not exceed his base acreage for barley.

Cooperating farmers will not be eligible for price support on their 1962 crops of corn, grain sorghum, barley, oats and rye, subject to the base yield limitations. Also, they are permitted to draw approximately one-half of their total diversion payment at the time of sign-up.

Non-cooperating farmers will not be eligible for price supports on feed grains, but they will receive market price for them. Since no acreage will be diverted, they will not receive payment for any additional conservation use.

Grain producers should study carefully their individual alternatives in these programs. Decisions should rest on the estimated out come for each operator, based on the goals he is seeking.

### Cage Teams Play District Games

(Delayed)

The Matador basketball teams split with Quitaque and Estelline in games played here last week. The boys lost both games and now hold a 2-4 district record. The girls won both of their games and now have a 6-0 mark.

The girls held quarter leads of 10-7, 30-11, and 42-19, as they won by a 50-34 score over Quitaque. Jill Scaff was top scorer with 22 points as guards Dixie Barton, Pat Cooper, and Sue Cross stopped the Quitaque forwards.

The boys trailed all the way against Quitaque but held them to their lowest winning margin in district games, 81-56. Quarter scores were 27-7, 43-23, and 66-41. Gary Lancaster scored 19 points and Jimmie Green 17 for Matador.

The girls held quarter leads of 4-3, 27-8, and 31-16 as they easily beat Estelline 41-18. Ann Garnett scored 19 points and the guards turned in their usual good game.

The boys trailed 14-4, 19-10, and 33-21 before they rallied against Estelline. They cut the score to 39-35 before losing 44-37. Dale Dixon scored 12 and Lancaster had 11 for Matador. The "B" boys also won as they edged the Estelline "B" 43-39.

It was their fourth win of the season.

Both teams go to Jayton Thursday night for two non-district games. They resume district action Tuesday night when they meet Lakeview here.

### Methods To Combat Fall-Out Hazards To Food Outlined

COLLEGE STATION—Radioactive iodine 131 can be one of the most hazardous problems of food contamination during the first 60 days following a nuclear attack, but at the same time much can be done to overcome the hazard it presents, says A. M. Meekma, extension dairy specialist.

Iodine 131 fall-out could contaminate almost all fresh foods, says Meekma, however, because radioactivity in the material is so short-lived, several courses would be open to remove or reduce the danger to humans. Dairy-men, for example, could confine milk cows to the barn and feed them safely on forage and feed that had been stored for 60 days. Also, ensilage that had been stored for this length of time could be safely fed to dairy cows.

Should iodine 131 get into fluid milk, there are also precautions that will protect users of fresh milk, Meekma says. For example, milk containing relatively low amounts of radioactivity could simply be stored until the radioactivity decayed. This, the specialist points out, is possible because today's commercial pasteurized, homogenized milk will maintain good quality for long periods of time at usual refrigeration temperatures.

Should the iodine 131 level be high enough to require 30 to 40 days storage before the radioactivity is dissipated, acceptable means of holding milk for such periods would include freezing, holding for the required time, and then thawing and distributing to the consumers or processing it as dried milk, canned milk, cheese, or butter. In any case, there should be no disposal or destruction of milk contaminated with iodine 131, Meekma says.

### COUNTY AGENT PALLMEYER SAYS:

#### COTTON VARIETY TEST MADE BY CHARLES LONG

A cotton variety test was conducted by Charles Long of Roaring Springs, with planting done May 8. Fourteen varieties were included, and seed for the nine included in the Ross test were furnished by breeders as was Lockett 4789. 75% of all varieties was irrigated, and due to boll weevil damage, the plots were not gathered separately, but a boll count made on September 26.

All indications are that the boll count was very accurate, as figures indicated the test produced 581 lbs./ac. Long reported that his yield for the entire test was slightly over one bale per acre. 50 pounds of delinted seed was planted in each test.

Results were as follows: Western Stormproof-731 lbs./ac.; Northern Star 5-725 lbs.; Rex-675 lbs.; Perfection Stormproof-648 lbs.; Parrot-642 lbs.; Lankart 57-642 lbs.; Qualla 10-600 lbs.; Lockett 88a-598 lbs.; Lockett 4789-593 lbs.; Lockett Blightmaster-531 lbs.; Anton-511 lbs.; Gregg-448 lbs.; Paymaster 8890-425 lbs.; and Half & Half-368

lbs. (Perfection Stormproof, Qualla 10, Lockett 4789, Anton and Half & Half were not included in the Ross test.)

#### DEMONSTRATION ON GIN TRASH IS HELD

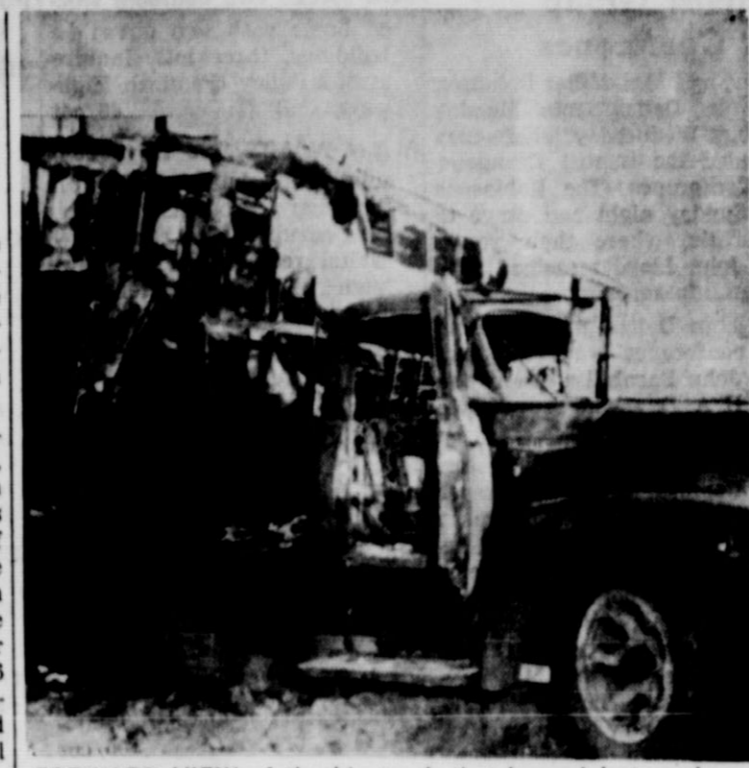

Vernon Cagle, Rt. 1, Quitaque conducted a gin trash demonstration with plans made by the Motley County Program Building Committee, and results indicate that the demonstration was very profitable.

\$300 were spent applying cotton burs to eight acres of land, and the cotton was replanted on May 25, after the first stand was lost due to rains. 150 lbs. of 16-20-0 was applied, and Cagle produced 12 bales of cotton on the eight acres, for an average production of 750 lbs. lint per acre. On Cagle's remaining 36 acres of cotton, 40 bales of cotton were produced for a yield of 555 lbs. lint per acre. All land was irrigated.

This test resulted in a gain of 195 lbs. of lint per acre on land where burs were added. Figuring cotton at 30c/lb., which was Cagle's average, \$58.50 more income per acre was realized. Cost of applying burs was \$36.50, therefore \$22.00 per acre was gained, and benefits of the burs will be realized for several years to come.

Cagle states that actual gains are more than this, as 20 rows, or 12% of the eight-acre block did not receive any burs, but the block was harvested together.

For the 1962 crop, burs have

FORWARD VIEW of the big truck that burned last week on the Matador-Paducah highway with 32,000 pounds of fresh and cured meats. The truck and contents were a total loss. Unconfirmed report is that no insurance was carried on the loss. The truck was owned and operated by the Wright Packing Company of Vernon.

been applied to 10 additional acres. Cost was \$21.10 per acre. Results of this test will be available after harvest of the crop.

#### TEXAS SUPPORT PRICES

Price support levels for 1962 cotton and peanuts has been announced by Secretary of Agriculture Orville L. Freeman.

of the marketing year is higher than the level announced, the level of support will be increased accordingly, the secretary said.

The minimum national average support price for peanuts will be \$221 per ton, the same as for 1961 and it reflects 85% of parity price on Jan. 1.

### Former Whiteflat Residents Claimed

Two former residents of Whiteflat were recently claimed by death, it was reported here this week.

Sidney Latham, son of early settlers of the community, died January 5 in a Tucumcari, N. M. hospital, according to information from his sister, Mrs. Roy Garrison of Fort Sumner, N. M., to relatives here.

K. D. Clawson, 85, of Vernon died there Sunday, January 14, and funeral services were held Tuesday, January 16 in Henderson Funeral Home Chapel. He was a member of the Texas Street Methodist Church of Vernon.

Mr. Clawson moved to Vernon from Whiteflat with his family, 39 years ago. He is survived by his wife, four sons, Ernest, Den-

nis and Jim Clawson all of Vernon, and J. W. of Natalia and Iran; two daughters, Mrs. Hazel Wiseman and Mrs. Oleta Kitchens of Vernon; nine grandchildren and 11 great-grandchildren. The Clawson residence is at 2603 Eagle Street in Vernon, and the mailing address is P. O. Box 1955.

### Justice Norvell To Seek Re-Election

Associate Justice James R. Norvell today announced his candidacy for a second term on the Supreme Court of Texas. He was elected to the Supreme Court in 1956 after serving a number of terms on the Court of Civil Appeals at San Antonio. Judge Norvell is 59 years of age but ranks fifth in length of appellate service among the 47 appellate court judges of the state.

In making his announcement Judge Norvell said:

"When first elected to the Supreme Court, I expressed my appreciation for the confidence the people of Texas had placed in me and promised to do my utmost to justify that confidence. I have kept that promise to the very best of my ability and, based upon my record, I am requesting a second term."

# underwood

now offers the most complete line of office machines ever available from a single source

Underwood's wide range of portable, standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that the Underwood Representative is uniquely able to match the machine to the job, free from pressure to sell a machine that's too much for the job or too little.

For example, he has three dramatically new Underwood electric typewriters—to cover every typing requirement from the board chairman's most important correspondence to the shipping department's labels. But when typing demands don't justify an electric machine, he is able to provide a new Underwood standard typewriter that produces high-quality typing at exceptionally low cost.

So varied and versatile is the new Underwood line that no matter what your business or your office requirements, it's almost certain that one of Underwood's office machines shown below can save substantial sums of time and money for you.

underwood **RAPHAEL**: An electric typewriter with automatic variable spacing, polyethylene carbon ribbon and many advanced features.

underwood **FORUM**: An electric typewriter with standard letter-spacing and both polyethylene carbon and fabric ribbons.

underwood **SCRIPTOR**: A fully electric typewriter with fabric ribbon for general-purpose typing.

underwood-olivetti **LETTERA 22**: A super-lightweight portable with important big-typewriter features.

underwood-olivetti **STUDIO 44**: A compact standard with all important office-typewriter features, yet easily portable. Full-size keyboard.

underwood **TOUCH-MASTER FIVE**: A standard typewriter of exceptional lightness of touch and unusual operating ease.

underwood-olivetti **PRIMA 20**: A high capacity 10-key hand adding machine with direct subtraction, credit balance, printed tape and other features not usually found in low-priced machines.

underwood-olivetti **ELECTRO-SUMMA 22**: A high speed, high capacity 10-key adding machine with automatic credit balance, direct subtraction and automatic dater. Also does multiplication.

underwood-olivetti **TETRACTYS**: A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and handles complex combined operations.

underwood-olivetti **DIVISUMMA 24**: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations.

underwood-olivetti **TETRACTYS**: A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and handles complex combined operations.

### New Car Tags On Sale Next Week

In case you are a little flush with money, apply the brakes. It's car license time again. You can buy the attractive little ornaments a week from today (February 1) but take along your title and last year's registration receipt, as required by law.

The color this year is black background with white numerals and Motley County's number starts with AT-1750.

Up until Monday Motley County had registered 124 more cars than in the previous 12 months. In the past 12 months 1195 cars were registered as compared with 1071 in 1960.

Since April 1 comes on Sunday this year, March 31 is the last day in which motor vehicles can be registered without 20% penalty (unless affidavit is made that vehicle has not been driven).

### Former Resident Dies At Hobart

A former resident of this community, Joe Freeman, 95, died January 5 at his home in Hobart, Okla., friends here were informed this week.

Funeral services were held at 2 p. m. January 7 in the Hobart Church of Christ with Vernon Turner, church minister officiating. Burial, under direction of People's Co-op Funeral Home, Lone Wolf, was in Sentinel Cemetery.

Mr. Freeman was born November 22, 1866 in LaFayette, Tenn., and came to Texas in 1901. He moved to Motley County with his family and lived on the former Archer farm east of town, for several years before moving to Oklahoma in 1920.

Survivors include his wife; three sons, Jim, John and Buck Freeman, all of Sentinel; five daughters, Mrs. C. E. White, Plainview; Mrs. Mary Baker, North Platte, Neb.; Mrs. Alvin Brondt, Wellston, Okla.; Mrs. Roscoe Nell, Seattle, Wash.; and Mrs. C. A. Bryon, of the home address, 400 South Hill St., Hobart. Also surviving are 23 grandchildren, 52 great-grandchildren and one great-great-grandchild.

### Fallout Protection Booklet Available

Government's newest booklet "Fallout Protection, What To Know And Do About Nuclear Attack," issued by Office of Defense, Department of Civil Defense, is now available here without charge.

The 46-page booklet contains numerous illustrations regarding protection in both urban and

rural areas in event of nuclear attack.

A supply has been sent the post office and to the office of County Judge Elbert Reeves. Requests are being filled at the office of Judge Reeves.

A class of 37 studying Civil Defense is being completed this week in the Northfield Community, with Judge Reeves serving as instructor.

### TELEPHONE LOAN MAY AFFECT AREA

Speculation was aroused here last week that the proposed REA telephone system for the area between Matador and Quitaque might be closer to becoming a reality following a brief news item in the Ft. Worth Star-Telegram. The item was as follows:

"WASHINGTON, Jan. 17—The Rural Electrification Administration announced Wednesday a \$510,000 loan to Cap Rock Telephone Company, Spur, Texas. Notifying Senator Ralph Yarborough of the action, the REA said the money will be used primarily to build 747 miles of line to provide service for 333 new subscribers."

The Tribune did not receive notification of the loan from any member of Congress, as is usual where funds will affect the area.

### Basketball Teams Win District Games

Matador basketball teams continued to win last week as they split with Jayton and downed Lakeview. The boys are now 3-4 in district action and the girls hold a 7-0 league-leading record.

The boys lost 72-49 to a strong Jayton club at Jayton. Dale Dixon scored 16 points and Gary Lancaster 12 for Matador.

The girls took an easy 37-23 win. Jill Scaff's 22 points led Matador as the guards continued to play an outstanding game.

The boys team got revenge for an earlier loss by walloping Lakeview 73-29 in a game played here last Tuesday night. Gary Lancaster outscored the entire Lakeview team with 36 points. Jimmie Green and Dale Dixon were next with 10 points apiece. Quarter scores were 16-11, 31-14, and 61-23.

The girls held quarter leads of 13-8, 25-21, and 40-32 over Lakeview. Their lead was cut to 46-44 in the final period before Matador pulled away. Jill Scaff scored 27 points, Ann Garnett 20, and Cheri Barton, 12 for Matador. Guards, Sue Cross and Dixie Barton played well for Matador.

Merrit Faulkner of Dennison visited here during the week end with his mother, Mrs. C. M. Collie, and other relatives.

### Baptist Group At Conference

Rev. and Mrs. Miller Robinson were in Dallas from Monday through Wednesday, where they attended the Baptist Evangelistic Conference. The Robinsons left Sunday night and drove to Gatesville, where their young son, John Lloyd remained with his grandparents.

Also in Dallas and attending the conference were Mr. and Mrs. John Barnhill and Mr. and Mrs. E. A. Day, who drove down Monday morning.

In the absence of the pastor, Rev. Robinson, mid-week prayer service Wednesday night was a special program of music arranged by Mrs. John Stevens, and given by her music pupils.

The program included a piano selection by Patsy Hankins, and organ selections by Marianne Dameron, Dixie Barton, Sondra Stevens and Mary Newman. Mrs. Stevens gave a brief introduction for each hymn before it was played, and a vocal number was provided by a trio composed of Vada Nichols, Judy Hobbs and Cheri Barton.

### LOST HOSPITAL BED

Motley County Veterans of Foreign Wars has lost one of the two hospital beds in the organization's public loan service, according to Commander Lewis Bostick. No record of the bed is available.

Anyone having possession of the bed or knowing its whereabouts is asked to notify Commander Bostick or the Tribune.

Mrs. L. D. Wilkerson and daughter, Margaret, visited here Friday and attended to business.
