Stevens Named Outstanding Member Of Lions Club

John V. Steven, Monday, Nov. 11 was named Outstanding Lion of the Year by Matador Lions Club. The plaque award was presented by Lion Alan Bingham at the club's annual Ladies Night banquet, with Motley County school teachers and their spouses as guests, other than the Lions' ladies. The award is for outstanding club and community service.

Boss Lion (president) Jack Van Eaton presented Lion Vann Francis with the past-president plaque, and Lion Secretary Forrest Campbell read the list of 100 percent attendance awards and long-term members.

Also receiving recognition were Lions Rob Francis, his father, Vann Francis and grandfather, John Stevens as possibly the first three-generation members in the history of the local club.

Faculty members were introduced by Principal Ron Cummings.

An interesting program was presented by Mrs. Furman Vinson, Mrs. Frank Potts and Mrs. Stanley Burleson, focusing on historical events in Motley County and plans for next year, when the county will participate in Texas' Sesquicentennial celebration.

The banquet was held at the First United Methodist Church where Lions and their guests assembled in the sanctuary for the Invocation by Lion Rev. Eddie Marcum, group singing of America and the Pledge of Allegiance to the American flag.

The meal was served in the Fellowship Hall of the church, by the school's Homemaking Department, directed by the teacher and sponsor, Mrs. Gerald Pipkin. She expressed appreciation that her classes were permitted to prepare and serve the banquet and gave special recognition to eighth grade boys, who prepared the dessert.

The assembly returned to sanctuary, where Lion Gerald Pipkin presented Mrs. Vinson, who introduced the program participants. Mrs. Vinson and Mrs. Potts, the former Marisue Burleson, are members of the Gen. James Smith Chapter (Lubbock) of the Daughters of the Republic of Texas, of which, Mrs. Potts is the current Vice President. Mrs. Burleson is an associate member of the chapter. The ladies were attractive in pioneer dress.

The Gen. James Chapter of the

Lion Alan Bingham (right) presents special award to Lion John V. Stevens.

Mrs. Furman (Beverly) Vinson, Mrs. Frank (Marisue) Potts and Mrs. Stanley (Lou) Burleson presented the program to Lions and their guests.

Republic of Texas was the promotion organization for the tours of Burleson ranch lands in the Mott vicinity, which were conducted last year and again this year.

Mrs. Vinson explained that to qualify for membership in the organization, a person must be descended from a member of the Texas Republic. Although she is a native of California, Mrs. Vinson discovered while doing genealogy research, that her great-grandfather had indeed been a resident of Texas.

Mrs. Burleson stressed the historical value to school children, of learning more about the county by attending the ranch tours. She urged the audience to help in promoting the historical concept, with the assurance that all assistance would be appreciated.

Mrs. Potts outlined some of the

history behind the ranch and showed slides made of the tours, to emphasize the observance next year. The tours were planned and projected toward the Sesquicentennial celebration, she said, and announced that 1986 would be the last year for the tours.

Boss Lion Van Eaton announced that at the Lions Directors meeting, it was voted that the club would again participate in the annual Old Fashioned Christmas observance which is set for December 7. The Lions Club has for years, sponsored the appearance of Santa Claus in the community, to distribute candy and fruit to children. A contribution of one dollar per member, to Girls Town at Whiteface and a like amount to the Lions International Eye Bank also was approved.

THANKSGIVING

Matador will hold its annual Thanksgiving Service this Sunday evening. The gathering will begin at 6:00 p.m. First Baptist Church will host the other churches at this year's service.

Kevin Creed, Matador's Assembly of God pastor will deliver the Thanksgiving message. Special

music is also planned including the Children's Choir of the host church.

Everyone is urged to attend this special service at this special time.

Roaring Springs

Simultaneously, the First United Methodist Church of Roaring Springs will host that com-

munity's Thanksgiving Service beginning at 7:30 p.m. The Rev. Edna Dillard, Assembly of God minister, will be the speaker of the evening.

Many Attend Baptist Ladies Night Out

Women of the First Baptist Church held their 'Ladies Night Out' Banquet at the Senior Citizen Building on Monday evening, November 18.

The banquet, attended by over one hundred ladies from the community, focused on the theme, "The Gifted Woman I Am...". Each table was decorated by one of the Baptist women who provided china or pottery and flatware. Some tables were decorated to carry out a certain theme or motif.

The ladies enjoyed a delicious salad supper while they were entertained by a style show. Fashions from Sisters of Lubbock, Guys and Gals and Matador Variety were modeled.

Modeling garments from Guys and Gals were Nancy Long, Laurie Minkley, Stacie Minkley, Leslie Minkley, Shannon Campbell and Penny Bearden.

Models from Matador Variety were Sondra Francis, Shane Jones, Lisa Jones, Lee Jones, and Ashley Stevens.

Garments from Sisters were modeled by Eugenia Barton, Dixie Campbell, Brig Brownlow, Koree Campbell and Donna Barton.

Following the style show and supper, music was presented by a ladies group consisting of Margaret Stanley, Kathryn Martin, Elaine Risser, Frances Dixon, Donna Hoyle and Betty Vandiver.

Mrs. Marie Jester (left) was the guest speaker at the ladies banquet held Monday evening. Also pictured are (center) Mrs. Dan Barton and (right) Mrs. Glenda Willis.

The highlight of the evening was the speaker, Mrs. Marie Jester, wife of the president of Wayland Baptist University. She challenged those attending to discover their gifts and to share them with others. A former

missionary in Africa, Mrs. Jester recalled many of her experiences there.

The evening was deemed such a success that the ladies plan to make this an annual event.

Trees Going Fast

The Upper Pease Soil and Water Conservation District is again selling trees for field and homestead windbreaks. These trees are grown by the Texas Forest Service in Lubbock, and sold in counties throughout this

area. Although Feb. 3 is the last ordering date, the demand for these trees is high, and already there is a shortage of some species. We encourage you to order early for the best selection. The district also has pecan trees from 2 to 6 feet for sale. For ordering trees or information contact the Soil Conservation Service in the Motley County Courthouse.

Early Paper Next Week

Due to the Thanksgiving holidays, the Matador Tribune will be published a day early next week.

Deadline for news and advertisements will be noon Monday.

The paper will be printed Tuesday and mailed Tuesday evening. Local and area subscribers will receive their papers Wednesday morning.

Piano Students

Win Honors

Five piano students won honors in the annual hymn festival sponsored by the Lubbock Music Teachers Association in Lubbock on November 16. The contest was held at Trinity Baptist Church there. The grade of Superior, highest rating, was awarded to

the following students: Amy Pipkin and Whitney Jameson of Matador; Lavenia Bowden and Desiree Bowden of Roaring Springs; and Blake Ball of Spur. These students are from the class of Mrs. Howard Traweek who extends congratulations to each of them.

The Pelican Eater

Leave food on your plate as soon as you feel at all full. Then put the plate out of sight, discarding the food or transferring it to a refrigerator dish. If it sits there on your plate in front of you, chances are you'll eat it, even though you don't

 On Theology**

By Pearl Alexander

"...what shall a man give in exchange for his soul?" Matthew 16:26.

In a letter from an old friend recently she made a statement I've heard many times from others. "I would like to be closer to the Lord, but I just don't want to pay the price."

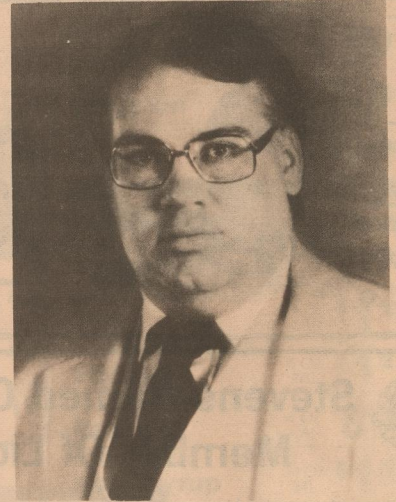

Temporal things cost to begin with and then the upkeep goes on and on till we sell, trade or whatever.

Being close to God is a permanent eternal relationship

that can ONLY be started and nourished in this life. To neglect it here, can not be repaired after you're dead!

The price too great? For inward "peace that passeth all understanding", "joy unspeakable", the security of the presence of God? Don't let Satan tell you that lie, nor self shrink back from a commitment. The approval and fellowship of the Lord Jesus is the biggest bargain you'll ever find!!

**Needs In East Africa
 To Be Taught By Missionary**

Dr. Marvin Gilbert to speak at Matador's Assembly Of God this Sunday.

"Providing sound teaching in the areas of Bible and doctrine and in Biblically based marriage and family living are among the most crucial needs in East Africa," says Assemblies of God missionary Marvin Gilbert, assigned to Kenya.

Dr. Gilbert will be guest speaker November 24, at 10:00 a.m. at the Matador First Assembly of God Church, the Reverend Kevin Creed, pastor has announced.

During their first 4-year term of service, Dr. Gilbert and his wife, Rosie, will be teaching at the East Africa School of Theology (EAST) in Nairobi, Kenya. The school draws students from all over East Africa.

Dr. Gilbert is an experienced marriage and family counselor and college teacher. For the past four years he has worked as professor in the Behavioral Sciences Department of Evangel College, Springfield, Missouri.

Prior to that, he served as staff counselor at a church in South Dakota and as minister of youth in Illinois.

A graduate of Central Bible College, Springfield, Missouri, Dr. Gilbert received a M.S. degree in Psychology from Central Missouri State University (Warrensburg). He completed an Ed. D. degree in Counseling from Texas Tech University.

Mrs. Gilbert, an experienced college-level music teacher and choir director, completed an A.A. degree in Music from Northwest College, Kirklard, Washington; a B.M.E. degree in Music from Evangel College; and a M.A. degree in Music Education from Texas Tech University.

The Gilberts have two children, Stephen and Lisa. At this special mission service, Dr. Gilbert will share his concern for training pastors to reach an exploding African population. The public is invited to attend.

Northfield Notes

Hello Folks: I'm in town again. Thought I'd tell you about the time I attempted to help the DPS slow the fast motorist down on the highway.

Well, I was tooling along doing 50 to 55 more or less, and topped a rise and there was a 'black and white' job down in the valley taking "pictures". I said to myself "Old woman, you had better slow down. Your odometer may be running too fast. A policewoman in Dallas about 4 months ago pulled me over, then she rode along the side and clocked me and said my odometer registered O.K.

Well, by the time I pulled along side those boys, I'm tiptoeing through the tulips at a sedate 50 mph. I smiled and waved and they graciously waved me on.

I thought those boys looked tired. "I'll bet they would just enjoy sitting there resting and hoping they didn't have to chase someone down and give them a ticket or unwrap some unfortunate from around a

telephone pole," I thought to myself.

So I decided I'd just warn those fast vehicles that the bears were behind.

I suited thoughts to action and began flipping a short signal to whoever I saw coming. They would gratefully wave as we passed.

Well, I started feeling pretty good. I was killing two birds with one stone. I kept the motorist safe and the boys were resting. I was doing my Boy Scout deed for the day.

I got so busy flipping a signal that I failed to notice what color the vehicle was—all at once I see a vehicle coming on powerful fast. Well, I flipped that signal, they just kept coming, I flipped again and said "You

turkey..you better slow down!" But it just kept coming.

By this time I saw the color of that car. You guessed it people, a black and white.

Well, I smiled a sick little smile and gave a feeble little wave. I said "Old woman, this is where you get pulled over, and either get a good dressing down or a ticket, for trying to obstruct justice. But they completely ignored me and sped on by.

I wiped the sweat off my brow and decided I'd tend to my own knitting and let the DPS tend to theirs.

They might enjoy a good chase and probably needed to get out and walk about some.

After all I had to hurry up and get to my destination.

Northfield Notes

W.J. Boykin made a trip to Amarillo for a medical check-up on his shoulder. Last year J. was riding his range on a three wheeler and that thing bucked him off, then stomped him. Torn ligaments, muscles and nerves something terrible was the result. He had surgery and therapy ever since. People, that varment really did the damage. All of you be careful that ride one.

Don Timmons got a good report. He is driving himself everywhere.

Joe Allen Thomas (eldest son of Mrs. Wilma Thomas) has gone to the Bahamas for cancer treatment.

We had that meeting the commissioners wanted us to have and we all agreed that we do want to have a Northfield Homecoming in the school gym. The citizens also agreed to take what money we have and try to repair the leaky roof.

Betty is still busy trying to get recipes for the Sesquicentennial recipes for the "Sesquicentennial (there, I almost spelled it) cookbook.

Had a round up, still have leftovers.

Ya'll Come!

Do Gooders Club Hears Program On Arabia

The Do Gooders Club of Flomot met at the Community Center in Flomot, Wednesday afternoon, Nov. 13 and Mrs. Joe (Mary Beth) Farley presented a program on Saudi Arabia.

Mr. and Mrs. Farley and children, Mandi and Eric lived in Saudi Arabia for two years where Mr. Farley was employed by the Al Mutlaq Farms. They converted desert land into wheat fields. They were one of eight families living in a duplex apartment that formed a circle in the middle of the desert. They had modern conveniences including refrigerated air and television, however when they left the compound, they entered a different world.

They did their weekly shopping in Buraydah, a city 20 miles away. The women were required to wear a long dress with long sleeves and an abaya over the dress. In the religious section of the city and the gold markets, the woman's hair and face had to be covered.

Fresh vegetables were in good supply, but no pork meat products were allowed on the market. Frozen food packages, American seasonings and other convenient food supplies found in American stores were not on the market shelves.

Transportation was either a four wheeled drive vehicle or camels. Mandi and Eric attended a school a mile from their home with Arabian teachers. Among the many educational courses on their agenda were computer and

communication classes and the Arabic language. The one sport was soccer and to the delight of the children, it was against the law to spank a child in public.

Mrs. Farley showed many pictures of their home, surroundings and the family riding camels. She said it was an educational and enjoyable experience for their family, but it was nice to be residing in the USA again.

Mrs. Billy Morris, president, presided at the business meeting. The club will meet Wednesday, Dec. 4 at the Community Center for the annual Christmas party. Jymann Holanson of Childress will present the program at 1:30 p.m. and you are urged to be there promptly as she has another program scheduled following the presentation. The 1985 Secret Pal names will be revealed and gifts exchanged.

Presiding at the table laid with a crocheted cloth over orange centered with an autumn floral and foilage arrangement were hostesses Mesdames Seab and Bill Washington and Jack Starkey. Refreshments of chip and dip, salmon spread, pumpkin roll and cookies were served with coffee, iced tea and mocha beverages.

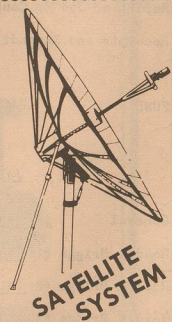

Those attending besides those mentioned were Mesdames James Monk, D. M. Gilbert, Coy Franks, Wilson Barton, Jerry Barclay, George Pope, Doyle Calvert, Wayne Hunter, Clayton Bond and Howard Rogers.

Mr. and Mrs. James Brooks

nee Jelene Long

Miss Jelene Long, daughter of Mr. and Mrs. Charlie Long of Roaring Springs, Texas, and Mr. James Brooks, son of Mr. Stanley Brooks, Austin, and Janey Brooks of Las Cruces, New Mexico, were united in marriage on October 19, 1985, at 2 P.M. at the First Baptist Church of Roaring Springs. Rev. Phillips Sams, former pastor, now of Wilson, Texas, officiated. Miss Donna Kay Warren registered the wedding guests.

Jerry Long of Arlington, brother of the bride and Danny Perryman, cousin of the groom served as ushers and candlelighters. Special music in song was by Mrs. Jim Ritter and her sister, Mrs. Evelyn Carroll, of Roby and Plainview. Piano selections and the wedding march were played by Mrs. Devonne Dillard of Roaring Springs.

Kim Hand of Roaring Springs was the maid of honor and Mickey Brooks was the best man. Bridesmaids were Janeile Long, sister of the bride, Koree

Campbell, Shawna Campbell, each wearing formal length dresses and carrying silk flower

bouquets of white and peach mums. The men wore burgundy silk boutonnieres. Groomsmen were Barry Brooks, brother of the bride, Lewis Shorter and Lamar

Tilson. Flower girl was Brandy Jameson, daughter of Leslie and Linda Jameson of Matador and the ringbearer was Casey Carson, son of Ricky and Trina Carson of Matador, cousin of the bride.

The bride, given in marriage by her father, wore a formal length gown of white satin with a fitted bodice, overlaid with alencon lace and trimmed with satin-covered buttons along the zipper line. The sweetheart neckline, outlined with alencon lace and adorned with seed pearls. The sleeves were of English net with schiffle embroidery and closed with satin covered buttons. The full skirt fell from a natural waist-line and cascaded into a chapel length train that formed a point. A wide band of alencon lace finished off the hemline. The bandeau was covered with alencon lace and encrusted with pearls and irridescent from which the formal length train, of alencon lace, trimmed in appliques and seed pearls cascaded. The

bride's bouquet was of silk flowers. The center of the bouquet was of peach mums and burgundy roses, and pearls scattered throughout, with burgundy roses cascading on white lace and burgundy

ribbons with more scattered pearls. The groom wore white tie and tails with a silk burgundy rose boutonniere. Mrs. Sue Shannon of Roaring Springs made all the flowers for the wedding.

The reception was in the Fellowship Hall of the church immediately following the ceremony. The three tiered cake was decorated in burgundy and peach mums with wedding bells on top. The table was covered with peach and ivory lace overlay with crystal and silver appointments. Punch, nuts and coffee were served by Penny Bearden and Darla Smith, of Matador and Roaring Springs.

Wedding pictures were taken by Mrs. Francine Green of Tahoka.

The bride and groom are making their home in Austin where the groom is employed.

Mr. and Mrs. Todd Washington

nee Stachia Chadwick

Wedding vows were exchanged by Miss Stachia Chadwick and Todd Washington, October 4, 1985 at 6:00 o'clock p.m. in the Quitaque Church of Christ. The Rev. Elgin Conner officiated in the double ring ceremony.

The bride is the daughter of Buster Chadwick of Quitaque and the late Sue Chadwick. Parents of the groom are Mr. and Mrs. Seab Washington of Flomot.

An arched candelabra flanked by a spiral candelabra entwined with emerald greenery was the background for the exchange of vows.

The bride, given in marriage by her father, wore a formal white Nari Lee gown designed with a stand up neckline trimmed with Alencon lace and simulated pearls. The yoke was adorned with Schiffi embroidered lace and simulated pearls and the fitted bodice was trimmed with Alencon lace and simulated pearls. The Juliet sleeves were of chiffon accented with embroidered lace and simulated pearls. The Bosque waistline dropped to a full skirt with Alencon lace trim and tapered into a flowing chapel train. She wore a hat covered with Alencon lace trimmed with simulated pearls and sequins to which was attached a fingertip veil of silk illusion. She carried a bouquet of cascading tiny ivory rosebuds

and red roses with the wedding rings of her parents tied in the center.

For the traditional something old was her parents' wedding rings, something new, her wedding gown and something borrowed, diamond earrings of the groom's mother. Something blue was a garter made by Mrs. Delilah "Ma" McFall.

The maid of honor was Candy Jones of Lubbock and bridesmaid was Debra Davis of Memphis. They each wore a floor length gown of navy taffeta, featuring a fitted bodice, a sweetheart neckline and leg o mutton sleeves. The waist was accented with a sash of grey ribbon. They carried a brass hurricane lamp with a navy blue candle and grey streamers.

Miss Alisa Woods of Plainview, niece of the bride was flower girl. She wore a navy floor length gown styled as those worn by bridal attendants. Zant Woods of Plainview, nephew of the bride, was ring bearer.

Brent Brown of Quitaque was best man and groomsman was Donnie Rogers of Flomot. Ushers were Glen Calvert and Billy Neal Shannon of Flomot.

Mrs. Ross Herrington presented traditional wedding music and accompanied Vanessa Jennings, cousin of the bride and Steve Jennings of Combes, Texas as they sang, "Nobody Love Me Like You Do"

and "It Seems I've Always Loved You."

Following the ceremony, a reception was held at the Quitaque Community Center. The bride's table was covered with an ecru crocheted cloth with blue underlay. The centerpiece was an arrangement of blue and grey silk flowers, flanked by hurricane candle holders. Miss Melody Cruse and Miss Shelly Foster of Amarillo presided at the crystal service. The three tiered wedding cake decorated with navy roses was served with punch.

The groom's table was laid with an ecru crocheted cloth made by the groom's grandmother, Mrs. Gordie Washington and centered with a tool set. German chocolate cake and coffee were served by Miss Lori Clay of Lubbock.

Miss Angie Clay registered the guests.

Rehearsal Dinner

A rehearsal dinner was hosted by the groom's parents at the Flomot Community Center, Thursday night.

The bride is a graduate of Valley High School and attended Clarendon Junior College. The groom, a graduate of Motley County High School, attended Clarendon Junior College.

The couple is at home in Quitaque where both are employed.

Mrs. Scotty Abbott

nee Teresa Lynn Walker

Teresa Lynn Walker and Scotty M. Abbott were married Saturday at 7:30 p.m. in Bacon Heights Baptist Church in Lubbock. The Rev. Dr. Darold Baldwin officiated.

Honor attendants were Cindy Wilson, cousin of the bride, Tonya Davis and Fred Bingaman

of Cypress.

Parents of the bride are Mr. and Mrs. Don Huckaby and Mr. and Mrs. Tom Walker of Rockwall. The bridegroom is the son of Sammy Abbott of Gilliland and Mrs. Marlene Brown of Hobbs, N.M.

The bride attended Texas

Tech University and is employed by the U. S. Insurance Group. The bridegroom was graduated from Texas A&M University and is employed by the USDA-ASCS in Motley County.

The couple will live in Lubbock following a wedding trip to Cancun, Mexico.

Alzheimers Is Mystery Disease
GFWC El Progresso Club Learns

Although Alzheimer's disease was first discovered and diagnosed in 1907 by a German doctor, it still is a disease of mystery and the fourth leading cause of death in the United States, according to Mrs. M. C. Jones, local registered nurse.

Mrs. Jones presented a program on the subject at the November 14 meeting of GFWC El Progresso Club. She presented facts in a concise manner as she described the syndrome of symptoms, characterizing the disease as severe combinations of mental illness.

"Fifty percent of all nursing home residents are affected in various degrees, by Alzheimer's," Mrs. Jones said. "The cost of caring for these resident patients amounts to \$35 billion annually. The cause of the disease is unknown. Although

the symptoms can be treated, there is no cure for the disease. You can't halt it, or reverse it."

She explained in detail the stages of the dementia as it progresses, and the reaction of the victims as they begin to realize what is happening to them. In the final stages the patient is devoid of all normal body functions, physically as well as mentally.

The families' role in coping with the afflicted member of the household is important, Mr. Jones stressed. "This is a most devastating disease. It is one aspect of nature that develops much as a flower, or plant. Although it is thought of as a disease of old age, it can happen to anybody."

Mrs. Robert M. Dickson, president, called the meeting to order and conducted business of

the club. Mrs. R. E. Campbell was leader and introduced Mrs. Jones, who is a new member of the club. Mrs. Frank Pohl entertained with casino numbers, playing "Memories," "Put On Your Old Gray Bonnet," and "Silver Threads Among the Gold." For Inspiration Thought, Mrs. Campbell concluded the program on a lighter note by reading a poem titled "Cheer Up."

Mrs. Joe Campbell was hostess for the meeting, held at the Summit Savings Community Room. For refreshments she served coffee, fruit cake and peanut butter candy squares.

Other members present were Rachel Patton and Mesdames W. F. McCaghen, Ted Elliott, Paul Gray, John Hamilton, Douglas Meador, Carl King, Furman Vinson, L.B. Campbell, E. A. Day and Robert Darsey.

H.M. Baumgardner, Jr. Receives Promotion

Haynes M. Baumgardner Jr., son of retired Air Force Col. Haynes M. and Myrna V. Baumgardner of 3706 68th St., Lubbock, Tx, has been promoted in the U. S. Air Force to the rank of lieutenant colonel.

Baumgardner is a personnel programs staff officer at Randolph Air Force Base, Texas, with Headquarters, Air Force Manpower and Personnel Center.

His grandmother, Mrs. L. J.

Barkley, resides in Matador, Texas.

The colonel's wife, Chery, is the daughter of retired Air Force Lt. Col. Billy J. and Margerie L. Green of 334 Kimberly Drive, Universal City, Texas.

He received a master's degree in 1979 from the University of Northern Colorado, Greeley.

Signs Along Rural Roads To Be Registered

Childress--Mr. Lewis H. White, District Engineer of the Childress District of the State Department of Highways and Public Transportation, announced today that the owner of each off-premise advertising sign which was erected before September 1, 1985 along a road outside an incorporated city or town in Texas is required by recent legislation to register the sign by December 30, 1985 or remove the sign. The new law is known as House Bill 1330 and refers to an off-premise sign as a sign which advertises a service or product not principally sold on the premises where the sign is located. Mr. White stated that forms are available in the Childress District Office for use in registering a sign and that a form would be sent upon request. He also said that a \$25 nonrefundable fee is required with the filing of the registration application. Mr. White pointed out that there are only two

exceptions to the State registration requirement. If the sign was allowed under the Highway Beautification provisions of the Texas Litter Abatement Act or if the sign is in the extraterritorial jurisdiction of a city or town which is controlling signs in such extraterritorial jurisdiction, the sign does not have to be registered with the State.

In enacting House Bill 1330, the Legislature also authorized the State Department of Highways and Public Transportation to regulate on-premise and off-premise signs which are erected after September 1, 1985. A permit for each sign is now required. Permit application forms are available in the Childress District Office, Mr. White said.

The Childress District Office is located at 1700 Ave. F, Northwest, Childress, Texas and the telephone number is 817-937-2571.

Social Security In M.C.

By Terry J. Clements

Home health care has become an important aspect of the medicare program. More and more elderly people prefer it to institutional care.

One reason for this may be its greater availability. In recent years, the medicare law has changed to make the less expensive home health care more readily available to people who need skilled nursing care and rehabilitative services.

Home health care has been a part of the medicare program since the program started in 1966. Medicare pays for part-time skilled health care in a person's home furnished by a participating home health care agency under certain conditions. The care required must include a part-time skilled nursing care, physical therapy, or speech therapy; the person must be confined to his or her home; a doctor must set up the home health plan; and the home health agency must be qualified to take part in the medicare program.

When part-time skilled nursing care, physical therapy, or speech therapy are no longer needed, Medicare can continue to pay for home health visits if the person needs occupational therapy.

Once these conditions are met, medicare can pay for an unlimited number of home health care visits for covered services. Medicare does not cover general household services, meal preparation, shopping, assistance in bathing or dressing, or other home care services furnished mainly to assist people in meeting personal,

family, or domestic needs.

Changes in the medicare law in 1981 greatly expanded home health services under Medicare. The changes include elimination of the 100 visit ceiling on home health care visits under each part of medicare, providing instead unlimited visits under both part; elimination of the requirement that home health service under hospital insurance be preceded by a hospital stay of 3 days; elimination of the medical insurance annual deductible for home health care purposes; and the inclusion of occupational therapy under home health care coverage.

In addition, an experimental program provides for hospice care for the terminally ill. This program provides comprehensive home care for the management of a terminal illness, including pain control. Medicare pays the entire cost of covered services--there are no deductibles or co-payments, except for limited cost sharing for outpatient drugs and in-patient respite care.

To get hospice care, the patient must sign a statement choosing hospice care instead of standard medicare benefits for the terminal illness, the care must be provided by a Medicare-certified hospice program, and the patient's doctor and the hospice medical director must certify that the patient has a terminal illness.

For more information on home health care rules under medicare, you may contact us at 1401-B W. 5th St., or call us at 293-9623.

Progress Achieved At Sesquicentennial Meeting

A Sesquicentennial meeting, open to the public, was held Wednesday night, Nov. 6 at the M.C. Library. Mrs. Michele Bearden, president and Mrs. Darla Gwinn, secretary presided at the meeting. New committee chairpersons and members were appointed and work projects outlined. It was decided another centennial business meeting would not be necessary until Jan. 10, 1986.

During the business session the following were elected to serve as chairpersons: Mrs. Frances Hobbs, Folk Life Festival; Mrs. Josephine Hamilton, centennial quilt project; James Palmer, centennial signs and Gale Stafford, food for the evening meal at Folk Life Festival.

In other business, Mrs. Betty Simpson changed the deadline for submitting recipes for the Centennial Cookbook to Jan. 10, 1986. A change of the date for Folk Life Festival was suggested, but the majority voted to leave it as planned with the scheduled

Wagon Train event, Monday, May 26, 1986. Mrs. Dianne Washington displayed ideas for centennial souvenirs she had accumulated and of chief interest to those attending was a designed Motley County logo centennial buckle.

A Christmas tour of homes featuring historical decor was planned for Saturday, Dec. 14, 1985 with six homes tentatively reserved. Another tour of homes will be planned for the spring season in 1986.

Residents of Afton have shown an interest in the Motley County centennial events and they as well as residents in surrounding counties are extended a cordial invitation to attend the Jan. 10 meeting. Designated centennial projects are to generate funds to use for county civic projects. If anyone has a suggestion of a worthwhile project for the county, they are welcomed to contact Mrs. Bearden, Mrs. Gwinn or anyone serving on the county Sesquicentennial committee.

Promotion Announced At W.T.U.

Harell Petty, former district merchandise sales manager for West Texas Utilities Co. at Stamford and at Abilene, has been promoted to manager of the Merchandise Sales Department. He succeeds I.O. Hughes, who has retired after 34 years with the company.

The new assignment, announced by WTU Vice President Don Welch of Abilene, gives Petty supervisory responsibilities over appliance sales through the WTU service area, which extends into 52 counties. WTU sells several lines of major appliances at retail through its local offices in 57 towns.

Petty joined WTU as a merchandise salesman in 1971 at Stamford. He previously had been a banker, serving as cashier of Farmers State Bank in

Lueders from 1955-1962 and as vice president of First State Bank in Bryson from 1962-71.

He was promoted from district sales manager at Stamford to district sales manager and assistant manager of the sales department in Abilene in July 1984.

He is a native of Lueders and a 1949 graduate of Lueders High School. He attended Cisco Junior College and served in the U. S. Army. His wife, Carole Ann, teaches in the Wylie School system.

Don't Let Your Energy Dollars Escape This Winter

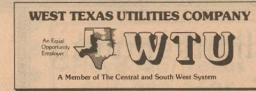

Increase Your Energy Savings By Following These Conservative Tips:

SET THERMOSTAT AT 68°
Set your thermostat at 68 degrees or lower. Turn it down at night and use an electric blanket. Turn it down even lower when you leave home for an extended period of time. Every degree you lower your thermostat will help to increase your energy savings.

OPEN DRAPES & BLINDS
Keep drapes and blinds open during the day so the sun's energy can help warm your home. Be sure to close them on cloudy days and at night so they can help insulate your home against the cold.

KEEP DAMPER CLOSED
Tightly close the damper in your fireplace when you're not using it. The small draft that is needed to help make a fire burn could circulate through your fireplace and pull warm air out of your home.

CHANGE FILTER REGULARLY
Check the filter in your heating unit regularly. Cleaning or replacing a dirty filter will often make a difference in your system's performance. Also, make sure air vents aren't blocked by furniture or drapes.

Remember **REDDY** Supplies the energy-- but only **YOU** can use it wisely!

Ten Commandments Of Firearm Safety

Accidents with firearms don't just happen. They are caused by ignorance, carelessness or disregard for safety rules.

With hunting season at hand, now is a good time to review firearm safety rules, says Ray Minkley, county extension agent with the Texas Agricultural Extension Service, The Texas A. & M. University System.

He lists these "Ten Commandments of Firearm Safety:"

1. Treat every gun with the respect due a loaded gun.
2. Watch that muzzle! Be able to control the direction of the muzzle even if you should stumble.
3. Be sure the barrel and action are clear of obstructions and that you have only ammunition of the proper size for the gun you are carrying.

4. Be sure of your target before you pull the trigger; know identifying features of the game you hunt.

5. Unload guns when not in use. Take down or have actions open; guns should be carried in cases to the shooting area.

6. Never point a gun at anything you do not want to shoot; avoid all horseplay with a firearm.

7. Never climb a fence or tree or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.

8. Never shoot a bullet at a flat, hard surface or water; at target practice be sure your backstop is adequate.

9. Store guns and ammunition separately beyond the reach of children and careless adults.

10. Avoid alcoholic beverages before or during shooting.

Dirty Chimneys Can Cause Fires

College Station--Chimneys with creosote deposits are a leading cause of home fires in the United States each year.

Chimneys should be inspected annually for creosote build-up, and now is a good time to do so, says Dr. Gary Nelson, safety engineer with the Texas Agricultural Extension Service, The Texas A&M University System.

Creosote is produced when wood burns. It escapes from a stove or fireplace in the form of smoke and condenses on the inside of the chimney. Creosote is highly flammable and deposits one-fourth of an inch deep or more should be removed, emphasizes Nelson.

Once ignited, creosote can burn at temperatures up to 3,000 degrees F. The strong upward draft caused by high-temperature chimney fires can lift burning creosote out of the chimney and onto the roof,

possibly spreading the fire to the rest of the house, or even neighboring houses.

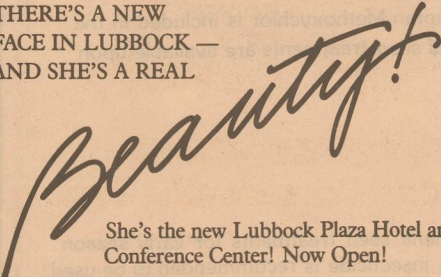

Chimney cleaning is a messy and sometimes dangerous task which may require climbing onto the roof. Although chemical cleaners are available, most have been proven ineffective.

Nelson suggests steel brushes to clean a chimney, using extension rods to reach the entire length of the flue. To avoid getting soot all over the house, fasten a sheet over the opening of the fireplace.

Chimney cleaning may best be handled by a chimney sweep. He will have a selection of brushes and will be able to spot improper installation of wood stoves or chimney damage, notes Nelson.

Once the chimney has been cleaned, proper use of the stove or fireplace can reduce creosote build up.

By Kim Hand

The 1985-1986 Varsity Lady Matadors began their season with a 72-39 win in a scrimmage against Silverton on November 12. The teamwork exhibited by the Lady Mats as well as good individual effort spurred the girls to their first victory. The members of the varsity girls basketball team are Kim Hand, Donna Mangram, Tammie Brown,

Shawna Campbell, Koree Campbell, Penny Bearden, Loretta Cross, Dena Renfro, Tanya Cummings and Leigh Barton. Going both ways are Shannon Campbell, Shanna Lancaster and Marianna Zarate.

Teamwork was also shown by the Jr. Varsity Lady Matadors. They showed great promise for

the upcoming season but fell short of Silverton 27-18. The members of the Junior Varsity girls basketball team are Shannon Campbell, Shanna Lancaster, Marianna Zarate, Rhonda Long, Melissa Gray, Tammy Taylor, Janiele Long, Trisha Palmer, Jenifer Davis, Regina Cruse, Tina Cummings, Paka Barton.

The Lady Matadors traveled to Floydada to face the Whirlwinds in a scrimmage. The Ladies got a good work out and experience against this 2A team.

The Matadors and Ladys opened their season Tuesday night against Paducah. They will face Roosevelt here tomorrow (Friday) beginning at 4:00 starting with the J.V. girls. Come out and support the teams.

Marianna Zarate, Shawna Campbell and Deana Renfro were fighting hard to keep control of that basketball in a Saturday afternoon practice under the direction of Coach Hurley.

Monday - Taco Roll, Mexican Corn, Garden Salad, Sliced Peaches, Milk.
Tuesday - Chili/Beans, Spinach, Roll, Butter/Syrup, Milk.
Wednesday - Baked Ham, New Potatoes, Black-eyed Peas, Roll, Jello, Milk.

DILUTE SULFURIC ACID DELINTING

A delinting method which we feel will be less harmful to the seed.

Delinting Cost of Fuzzy Cottonseed

- Includes: A. Moisture Test
 B. Free Fatty Acid Test
 C. Tetrazolium Test
 D. Germination: Before and After Delinting
 E. Regular Treatment - Captan-Methoxychlor

All seed is processed with modern cleaning and treating equipment. Equipment to extract cockleburrs is available if needed.

We will test all lots of seed for germination before they are delinted.

Discount: 20% discount on delinting cost of fuzzy cottonseed on all accounts paid within 30 days.

TRAILER SERVICE

All trailers have a capacity of 12,000 pounds of fuzzy cottonseed and are equipped with covering tarps. Trailer service includes pickup and delivery to and from your gin with a three ton minimum charge.

SEED TREATMENT

Regular treatment of Captan-Methoxychlor is included in the delinting price. Additional seed treatments are available upon request.

Insecticides

Go-Better and Orthene seed treatments for early season insect control. This insecticide is recommended to be used only with a systemic fungicide such as Vitavax or Apron.

The cost of Go-Better or Orthene is 5 cents per pound of delinted cottonseed. These insecticides should give three to four weeks of control.

Fungicides

Vitavax and Apron are systemic fungicides used for seedling disease control. The cost of these fungicides are 5 cents per pound of delinted cottonseed. These systemic fungicides should give three to four weeks of control.
