VOICE OF THE FOOHILL COUNTRY

# Matador Tribune

Vol. 62-NO. 37 MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, NOVEMBER 22, 1956 PRICE SEVEN CENTS

## TRAIL DUST Churches Plan Union Thanksgiving Service

**HAPPY LITTLE SHOPPER**—Debra Ann Rollins, age eight months, above, is the daughter of Mr. and Mrs. Ronnie Rollins, newcomers to Matador. Debra does her grocery buying at like's Food, where her father is manager. Mr. and Mrs. Rollins moved here about six weeks ago. This photograph (unposed) was the first ever made of Debra.

Fitting observance of Thanksgiving for a nation still at peace, though tottering on the brink of another World War, is a church worship service.

Such a service for this community is planned for Wednesday night, November 28, at the First Baptist Church. Speaker for the occasion will be Rev. Woodrow Williams, pastor of the Methodist Church. The service will begin at 7:30 o'clock.

Everyone in the community is extended a cordial invitation to attend this worship service and follow the example of the Pilgrim forefathers in expressing thanks to God for blessings received, and at this perilous time to pray for continued peace.

Matador will observe Thursday, November 29, as Thanksgiving Day, it was announced Tuesday at the regular luncheon meeting of the Matador Lions Club.

President Bill Seale said a survey of business places selected the "state" Thanksgiving Day as most acceptable.

He said the schools, First State Bank here and the post office had decided on November 29 as a holiday.

County officials in the courthouse will also observe next Thursday as Thanksgiving, it was disclosed.

An announcement in Tuesday's Lubbock Avalanche said Texas Tech College will observe Thursday, November 29, as Thanksgiving.

**Matadors Drop Title To Wheeler Mustangs**

IT'S HISTORY NOW. The conversation is settling and Matador Matadors fans are learning to live with and accept defeat. Fired by a homecoming crowd and a determination to win the Wheeler Mustangs upset the Matador's perfect record Friday night and scooped up the 1956 District 2-B championship title. The Matadors went down 20-6.

In "Operation Deep Freeze", a major segment of Matador's population banded up in all the available wraps in the community, and followed the team the 130-odd miles to Wheeler. It was a journey of heartbreak. Most of the city had closed doors at 3 p. m.

**RETURN FROM CALIF.**

Mr. and Mrs. H. D. Marshall have returned to their home here after visiting their children in California for the past several months.

**HERE FROM LEFORS**

Archie Carpenter of Lefors, former Matador resident, was here Thursday attending to business and visiting with friends.

**Evil wears many masks** but none more confounding than when piety wraps the robes of justice about its shoulders to assume authority as arbiter of others. A drop of water, a grain of sand, a blade of grass, not one is qualified to pass judgement on a contemporary.

Each life has its own cistern of secret tears, and a vault where hopeless longings are stored between layers of futility.

Often when winter winds thunder across night skies it is like the hoofbeats of phantom horses racing the dawn; bearing silent cowboys to the horizon of oblivion.

It is probable that the weather has been a more decisive factor in the course of human events than the will of mortal rulers.

Some of the yellowed leaves in my book of youthful memories might have been deleted without any personal loss. As an example the flame of ambition burned fiercely when I first felt into the pit of writing. I would awaken at five o'clock on cold winter mornings, go to a fireless room, and wrapped in old suits, try to write. It seemed that my thoughts were always involved in the fact that I was cold and uncomfortable, a condition that did not inspire me to the composition of deathless prose.

**Two Relatives Of Local Residents Are Crash Victims**

Mr. and Mrs. Bob Cooper of Roaring Springs were called to Grand Saline, Friday by the death of two of Mrs. Cooper's aunts, Mrs. Minnie Yeates and Mrs. Ed Lewellyn.

Mrs. Yeates was killed instantly in a car-train collision near Van, Thursday. Mrs. Lewellyn died early Sunday morning. The ladies were sisters of the late Mrs. A. C. Cross. They had visited in Roaring Springs many times and had many friends there.

J. C. Cross of Matador and Billy Charles (Doc) Cross of Plainview are nephews.

The Coopers were accompanied on the trip by their daughter and son-in-law, Mr. and Mrs. Baxter Gentry of Crowell.

## Cotton Ginning at 5,339 Bales

One of the lightest cotton harvests in the history of Motley county is almost over. Late yesterday the Tribune made a survey of the six gins operating this season and found the total ginned from the 1956 crop to be 5,339 bales. Giners estimated that the short, droopy crop was from 90 to 95% harvested.

Two gins at Flenot, Crowell-Goodwin and Spears, had ginned 2,335 bales total. Matador's two gins, Spears and Farmers, had a total of only 667 bales. Roaring Springs—two gins, West Texas and Red Ball, had a total of 2,337 bales (exceeding Flenot by two).

From the crops of 1954 and 1955 (both drought years) Motley county ginned almost exactly the same number of bales, slightly over 12,000.

In the above report the "train-leaven seven miles" with Matador in the center, is indicated by the small number of bales ginned here this season. In past years Matador has always produced its share of the county's total production. Many fields did not receive sufficient moisture to plant. To date the annual rainfall in this section of the county (Matador) is approximately 75% below normal.

Other crops have suffered correspondingly with cotton. No figures are available but it has been estimated that almost half of the cotton produced in the county this season may have come from irrigated fields.

**Summer Resident Dies In Childress**

Funeral services Monday at 10 o'clock for Douglas Richard Dasher, 54, former Matador resident, were attended by a number of friends from this community.

Dasher died at 7 p. m. Monday in a Childress hospital. He was foreman of the 113 State Highway Department maintenance district at Dasher and formerly was employed at Matador by the department, with which he had been associated for 29 years.

He is survived by his wife and two sons, Kenneth Dasher, a mechanical engineer at Texas Tech, Lubbock, and James Simpson, J. D. Crump and Gid Simpson.

**YAY MARKET LIST OFFERED STOCKMEN**

A new service, born of the drought disaster emergency, is available at the office of County Agent Bill Palmeyer. It is a hay market list, complete with types, prices and quality of hay available for stock feed.

Mr. Palmeyer said most of the states are listed as having available hay for sale. The new service also includes freight rates to Roaring Springs so that those costs can be figured accurately. Sales must be cash on delivery. A prospective customer does not need an entire carload from 12 to 16 tons, he is asked to pool his order with another farmer or rancher in the market for hay.

Cost of prairie and alfalfa hay in the neighborhood of \$20 to \$25 per ton, delivered at Roaring Springs, Mr. Palmeyer declared. These prices are net and include \$7.50 per ton government aid and also the reduced freight rates.

Purchasers are cautioned to check hay offered for sale and determine whether or not inspection is permitted before sale is completed. Also, it is advisable to include loading hay on the car. Most hay sellers are accepting collect calls for orders.

Three cars of hay are now en route to Motley county. Mr. Palmeyer said, and the quality is a determining factor affecting future orders.

## Matadors Drop Title To Wheeler Mustangs

**Woodruff Named To Head Drive**

Glenn Woodruff, manager of the Matador Auto Company, will serve as chairman of the 1956 Matador Community Chest drive. It was announced this week by Bill Seale, president of the Matador Lions Club. The civic club is sponsor of the Community Chest.

Woodruff has served as chairman of the fund raising drive for two previous campaigns and in both instances the quotas were achieved.

Seale said announcements made to be made in the near future with regard to the quota for this year, and also plans for the campaign. Assisting Woodruff is new Lions Club Member Dwayne Markham. Members include secretary-treasurer, Secure of the Community Chest is designated as the Matador Independent School District.

**Airport Golf Club Schedules Meeting**

A meeting of all members of the Airport Golf Club is scheduled for Monday night at the Legion building, it was announced yesterday by Bill Seale.

All members in both Roaring Springs and Matador are urged to attend, because of important business, Seale said. The meeting will begin at 7:30 p. m.

## Tribune Receives 1st Santa Letter

First 1956 letter to Santa has been received by the Tribune. It was written by Cheryl Ann Moore of Roaring Springs and reads as follows:

Dear Santa:

I am a girl seven years old. I think I have been a good girl. Would you please bring me a monkey, a Teddy bear and a music box? Thank you.

Following a tradition of many years, the Tribune will publish, as many letters as possible between now and Christmas edition. Letters may be mailed direct to the Tribune, or may be left with merchants in Matador and Roaring Springs, who will forward them on to the newspaper.

## Girls Present Program To "Phantom Audience"

APATHY of a community greeted six Texas Tech junior girls when they presented a program in the high school auditorium here Monday night. The girls were from the college's Home Economics Club.

The almost "phantom audience" was composed of 27 Future Homemakers and six parents. The girls emphasized the wide field and certain opportunities offered in home economics. They said the college placement bureau has not been able to fill requests.

The opportunities awaiting those who select "Careers in Home Economics" include dietitians. Statler hotels will take graduates without any experience. Another field is textile buying. One of the Tech girls will soon begin work with Neiman-Marcus. Nursery and kindergarten directors is another field. Others include occupation at therapist, journalism, fashion editors, designing, home demonstration agents, and others.

The Tech group said home economics majors may take as minor fields of study, physical education, English, music, business administration, sociology and zoology. They said these subjects offer a still broader choice of jobs.

Particular emphasis was placed on home economics as the best possible training for future homemakers.

Mrs. Arthur Fair, home economics teacher here, said the program was publicized and could not account for the lack of interest. Adults who attended the program said it was outstanding and expressed regret that the audience had been so sparse.

The girls who came here from Lubbock to present the program were: Ann Warren, Meadow; Laura Taylor, Quitaque; Mary Lou Murphy, Olney; Carolyn Reynolds, Bulah; Judith Cone, Sweetwater; and Martha Benn, Abernathy.

**Union Classing Location To Referendum**

Growers dissatisfied with the present cotton classing set up are going to have an opportunity to express their views in a referendum, it was announced this week by County Agent Bill Seale.

All gins have referendum ballots available until Monday, November 26, where growers may register their satisfaction, or dissatisfaction, with the Lubbock station. Other choices are Abilene and Altus, Oklahoma.

Majority of votes will determine the station designated to operate in this county. The classing station has announced that it is willing to be the station designated by the decision of the majority, and that the decision will be permanent.

## Girls Present Program To "Phantom Audience"

**Tribune Receives 1st Santa Letter**

First 1956 letter to Santa has been received by the Tribune. It was written by Cheryl Ann Moore of Roaring Springs and reads as follows:

Dear Santa:

I am a girl seven years old. I think I have been a good girl. Would you please bring me a monkey, a Teddy bear and a music box? Thank you.

Following a tradition of many years, the Tribune will publish, as many letters as possible between now and Christmas edition. Letters may be mailed direct to the Tribune, or may be left with merchants in Matador and Roaring Springs, who will forward them on to the newspaper.

## Girls Present Program To "Phantom Audience"

APATHY of a community greeted six Texas Tech junior girls when they presented a program in the high school auditorium here Monday night. The girls were from the college's Home Economics Club.

The almost "phantom audience" was composed of 27 Future Homemakers and six parents. The girls emphasized the wide field and certain opportunities offered in home economics. They said the college placement bureau has not been able to fill requests.

The opportunities awaiting those who select "Careers in Home Economics" include dietitians. Statler hotels will take graduates without any experience. Another field is textile buying. One of the Tech girls will soon begin work with Neiman-Marcus. Nursery and kindergarten directors is another field. Others include occupation at therapist, journalism, fashion editors, designing, home demonstration agents, and others.

The girls who came here from Lubbock to present the program were: Ann Warren, Meadow; Laura Taylor, Quitaque; Mary Lou Murphy, Olney; Carolyn Reynolds, Bulah; Judith Cone, Sweetwater; and Martha Benn, Abernathy.

## Church Pays Tribute To Layleaders

Descendants of charter members of the First Baptist Church and outstanding layleaders of the church during the past half century were recognized in a special manner Sunday morning during an "Appreciation Day" service conducted by the pastor, Rev. Ray Manning.

Although advance announcements had been made that the service would be held, details had not been disclosed, and the procedure came as a complete surprise to the congregation.

Miss Maggie Bryan and her sister, Mrs. Ed Canmack, were recognized as having been members of this church the longest continuous number of years. Mrs. Margaret Newman was recognized as a daughter of two of the charter members of the church, the late Mr. and Mrs. (Mother) J. D. Burleson. Although she first became a member of this church 63 years ago, Mrs. Newman had lived elsewhere and her membership here was not continuous.

R. E. (Pappy) Campbell was given special recognition for his faithful service to the church, having been Sunday School superintendent for over twenty years, and also serving on various committees and on the Board of Deacons. He was one of the leaders in the movement in 1936, to build the present church edifice, and also the modern brick parsonage several years ago.

Names of many others who had a part in the early organization and advancement of the church, were read from lists compiled from church records and old Tribune files.

## Brownie Troop Visits Tribune

The Tribune was invaded by Brownies Monday afternoon. Twenty small girls and their sponsors, Mrs. Bill Seale and Mrs. Wade Berryman, visited the Tribune plant.

The Brownies displayed keen interest in the machinery and processes involved in the production of a newspaper and commercial printing. They were guided on the brief tour by Editor Douglas Meador who explained the various functions in each department.

Members of the Brownie troop making the tour were: Sharlene Berryman, Pat Green, Fay and Kay Havens, Susan Hunt, Connie Bradshaw, Jana Jones, Karol King, Ledell Luckett, Frances Martin, Teresa Marshall, Judy Pitts, Marsha Seale, Joy Smith, Melba Spray, Shelly Stevens, Helen Taylor, Rose Ann Terry, Charlotte Chambliss and Zelma Rigby.

## Operation Planned For Polio Victim

Rev. and Mrs. Woodrow Williams will leave Matador today to accompany their son Bob Williams, 15, to Abilene where he will undergo surgery on his left hand at Hendrick Memorial Hospital.

The youth was stricken with polio a year ago and in the slow process of recovery it is necessary to remove a muscle from his finger and transplant it in his hand, to replace some of the muscles destroyed by polio. The operation is scheduled to begin Friday morning.

Rev. Williams said yesterday that his son would be admitted to the hospital at 4 p. m. this afternoon. Bob Williams is a twin brother of Dan.

Physicians at the hospital believe that use of the hand may be restored by the transfer of the finger muscle. One muscle remaining in the finger will leave it active, Rev. Williams declared.

## Fire Extinguished At Campbell Ranch

Matador Fire Department responded to a call from Campbell's Ranch, 18 miles west of Matador, yesterday. When the truck arrived the fire had been extinguished by James Meador, ranch employee. The house in which Meador resides had been the cause of the alarm.

Cause of the fire was not known in the report made to the Tribune. It is believed that damages may have been slight.

The fire department was called to the colored section of town about 9 a. m. today, to Jeffrey's Cafe. The building and most all contents were completely destroyed by the fire.

Around the World" to the Mat-  
ador Study Club at the Baptist  
Church.

**COOKING STARTED BY  
HOMEMAKING CLASSES**  
If you smell strange things or  
see smoke coming out of the  
windows of M. H. S., do not be  
alarmed, it is only the home-  
making classes still trying to  
learn to cook.

**Refreshments of lemonade and  
cake were served. The party  
was well attended.**

**SENIORS STUDY MACBETH**  
If senior English students  
seem to be talking in a strange  
language these days, think noth-  
ing of it. They are only quoting  
Macbeth, to see if they can find  
the real meaning of the words.

**Grade School News**  
**EIGHTH GRADE:** "But Mrs. Ed-  
wards, I thought that all the  
commissioners' court did was to  
look after the county's roads."  
This seemed to be the idea that  
most of the students had until  
they visited court on Monday.

**THIRD GRADE:** The third grade  
has taken up very many inter-  
esting subjects this year. At the  
present they are studying about  
lakes and how to cut and ship  
logs.

**SECOND GRADE:** The second  
grade has been studying about  
how the Indians and Pilgrims  
lived. Each student wrote a brief  
summary about his idea of the  
Indians and Pilgrims. The fol-  
lowing was written by Karol  
King:

**FIRST GRADE:** The students of  
the first grade have finally be-  
gun to learn the fundamentals of  
reading, writing and arithmetic,  
and do all sorts of things expect-  
ed of beginners.

**COME TO CHURCH SUNDAY**

## Waybourn's Cafe Scene Of Supper

Tuesday night, November 13,  
at 7:30 P.M. Waybourn's Cafe  
was overflowing with 87 hungry  
people. Supper was served there  
to the football team, Pep Club,  
Drum and Bugle Corps, the  
coaches, their wives, and the  
sponsors of these organiza-  
tions. The supper was made possible  
with the contributions of our  
townspeople and a party was  
held afterwards in the VFW hut.  
The party was through the cour-  
tesy of the VFW.

## COOKING STARTED BY HOMEMAKING CLASSES

If you smell strange things or  
see smoke coming out of the  
windows of M. H. S., do not be  
alarmed, it is only the home-  
making classes still trying to  
learn to cook.

## F. F. A. Boys To Go To Plainview

The Matador F. F. A. Chapter  
has formed two farm skill teams.  
One team is composed of fresh-  
men and the other is composed  
of upperclassmen.

## Former Student Is Honored At Party

Wayne Cartwright, a former  
student of M. H. S. was guest  
of honor at a party given last Wed-  
nesday night, in the home of Mr.  
and Mrs. Bill Slover.

## Meet A Senior

Betty Neighbors, daughter of  
Mr. and Mrs. J. P. Neighbors,  
has been chosen as senior of the  
week.

## Challenge Offered

The challenge word for this  
week is ANTHROPOLOGY.

**THE COWBOY TOOK A WIFE:** Mr. and Mrs. Tom King, above, celebrated their Golden Wedding anniversary on Nov. 11th, at their home on Dundee Street, only a short distance from the scene of their marriage fifty years ago. Children and a few relatives of the ex-cowboy and former Jimmie Hodges, were present for the occasion.

They have three sons and a daughter: Curtis of Matador, Carl, of Atwater, Calif., Leonard, of Lubbock, and Mrs. Tom Spears of Flomot. They have three grandchildren, Karol King of Matador, and Tom and Bill King of Atwater, Calif.

## Jan Barton Named to District Office During 4-H Activities Held at Vernon

Miss Jan Barton was named Co-Chairman of District 3, Saturday during a 4-H district meet held in Vernon. She is the daughter of Mr. and Mrs. C. M. Barton of Matador.

The 4-H activities began at 2 p. m. and concluded with a Gold Star banquet in the evening, at which outstanding club boys and girls of the district were recognized. District Agent J. G. Simmons presided.

Afternoon session included a "get-acquainted" period, business session of the district council, and a program of picture slides which were made this summer at Camp Bastrop, for junior leaders.

Boy Co-chairman elected with Miss Barton, was Joe Wilson of Paducah, Cottle county. Other officers were: Betty Robertson of Archer County, vice-chairman; Shirley Whitworth of Fisher County, secretary, and Evelyn Hejl, of Baylor County, treasurer.

Guest speaker at the banquet was Senator George Moffett. Presentation of awards was by Miss Gladys Martin, State Home Demonstration Agent and District Agent Fern Hodge. Among those recognized was Motley county's Gold Star girl, June Ross of Flomot.

State Agriculture Agent W. I. Glass and District Agent Simmons presented the Gold Star boys and other district winners with their pins and certificates of award. In this group was Jerry Green of Motley County, son of Mr. and Mrs. L. M. Green of Roaring Springs.

Motley County was represented at the meeting by County Agent Bill Pallmeyer, Mrs. C. M. Barton, Jr. and Mr. and Mrs. Ross. Who accompanied the three 4-H Club members.

COME TO CHURCH SUNDAY

## FFA Sweetheart

**MARISUE BURLESON, 14**, daughter of Mr. and Mrs. W. E. Burleson, was chosen as sweetheart of the Plainview district FFA at the leadership contests held there Saturday.

She is a member of the Floydada High School band, plays saxophone for the band and plays the piano. She is a member of Future Teachers of America and is on the girls' basketball team. She is a 4-H member and feeds calves as one of her club projects.

Marisue, blonde and blue-eyed, was the outstanding 8th grader in Floydada Junior High School last year, and was the only freshman entry in the sweetheart contest at Plainview. Her parents are graduates of Matador High School (her mother is the former Mollie Barton) and she is the granddaughter of Mr. and Mrs. J. C. (Doc) Burleson and Mr. and Mrs. Wilburn Barton of near Flomot.

## Garden Club Plans Tour Of Homes For Christmas Program

Plans were discussed Monday by Matador Garden Club, for the annual tour of homes in December, to view Christmas decorations. Date of the pilgrimage was announced for December 17.

The club met in the home of Mrs. Floyd Henderson with sixteen members present.

Mrs. Bill Pipkin, president, held the club of her recent visit to the Texas Tech experiment gardens, where many varieties of chrysanthemums were on exhibit. The club members did not make the tour, as had been planned.

Mrs. Robert Darsey gave an interesting report on her trip to Lubbock to attend the demonstration on Christmas decorations in the home, given recently by Mrs. Don Warren of Waco.

One of the homes to be visited during the club's tour next month will be that of Mrs. Melton Thacker of Roaring Springs, who asked that her home be the last home visited, where a tea will be given. Other homes on the pilgrimage will be named at a later date. It was urged that as many as possible, open their homes for the tour.

Mrs. Warren Clements was leader for the program. Mrs. Harry Willett displayed several attractive arrangements of driftwood and dried materials. Mrs. W. F. Jacobs also displayed an arrangement of driftwood and other materials that could be used for fall and winter decorations, some of which was dyed in colors to make more attractive.

An arrangement of fruits, nuts and vegetables, carrying out the Thanksgiving theme, was displayed by Mrs. Forrest Campbell.

## Marriage Vows Exchanged Saturday By Nell Young And John Cornett Of Afton

**Mrs. John Cornett**

Mr. and Mrs. Newman Young of Afton are announcing the marriage of their daughter, Nell Young, to John Cornett, son of Mrs. Myrtle Cornett of Afton.

Vows were read by Elder E. J. Norman of Childress, at 5 o'clock in the evening, Saturday, Nov. 17, in the home of Mr. and Mrs. J. F. Young, grandparents of the bride. Baskets of white gladioli with pink bows and streamers, formed the background for the ceremony.

Miss Virginia Wilcher, bridesmaid, wore a dress of pink taffeta, with white accessories and wore a white carnation corsage.

Mr. Manuel Young served as best man.

For her wedding, the bride chose a white waltz-length dress of taffeta and nylon net, with metallic threads. The skirt was fashioned with tiers of ruffles down the side. A bolera of nylon net with a queen's collar covered the strapless bodice. Her shoulder-length veil was attached to a headress of banded pearls. She also wore the traditional "something old, new, borrowed and blue."

Reception is held. For a small reception following the ceremony, the bride's table, which was laid with a white lace, wedding cake was topped with miniature bride and groom. Misses Mary Woolley and Virginia Wilcher assisted at the refreshment table.

Wedding guests were family of the couple.

Both Mr. and Mrs. Cornett graduates of Patton Spring High School. She is employed the Spur Security Bank in Afton and Mr. Cornett is engaged farming.

## FRIENDS INVITED FOR OPEN HOUSE

Friends of Mr. and Mrs. W. H. Holt are invited to attend the open house, Sunday, Nov. 25, in observance of their Golden Anniversary.

The celebration will be held at the Whiteflat Club from 2 until 5 o'clock in the evening, with children of the couple as hosts.

This means is taken by family in extending the invitation to all their friends in the area.

## RETURNS HOME

Mrs. Joe Gaines has returned home from a recent trip to California, where she visited her sons in and near Los Angeles.

Mr. and Mrs. Lee Burns and children, Karan and Clinton, Midland, were overnight guests Saturday, in the Jack Norman home. Sunday, they continued to Plainview, where they visited the Fred Clower family.

## Women In Religion Theme Of Program For Eternas Club

Meeting Thursday in the home of Mrs. Billy Wason, Eternas Study Club heard an interesting program on the subject, "Women in Great Religions of the World."

"Buddhism" was discussed by Mrs. Ray Manning, "Judaism" by Mrs. John Barnhill, and "Christianity" by Mrs. Ralph Jones.

Others present included two new members, Mrs. Dean Bradshaw and Mrs. Leo Archer; Mrs. Wade Berryman, Jack Case, L. M. Cox, E. A. Day, Marvin Hunt, Weldon Fromm, Bill Moss, Benny Keitz, Quinn Martin, Bill Pallmeyer, Frank Price, Bill Seale, Co-hostess Mrs. Leon Smallwood, and a visitor, Mrs. Joe Davis of Turkey.

During a business session reports were given by the finance committee and Girls Scout committee. Refreshments of fruit cake and coffee were served.

## Unity Between Home And School Stressed At P-T.A.

Matador Parent-Teacher Association met in regular session, Nov. 14, at 3:30 and heard an interesting and informative talk on "Unity Between Home and School", by Mrs. Josephine Hamilton.

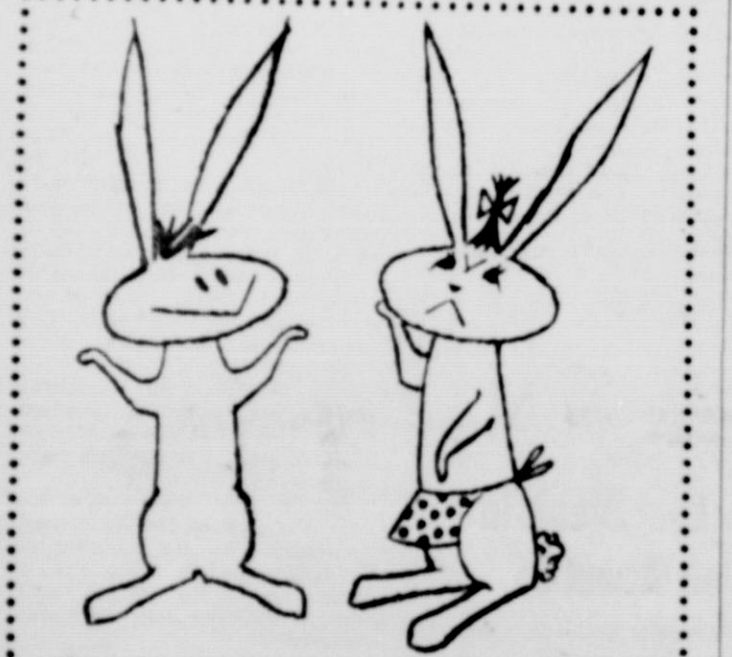

Also on the program was special music by the freshmen girls, who sang two vocal selections.

In the absence of the president, Mrs. Jack Luckett, presided. Minutes of last meeting were read and corrected and report of the treasurer was given.

The first, fourth and fifth grades tied for the number of mothers present.

Visiting in the home of Rev. and Mrs. W. B. Vaughn, is his sister, Mrs. J. O. Robertson, of Tishomingo, Okla.

Mr. and Mrs. Charlie Keith visited in Canyon, Sunday, with their son, David, who is attending West Texas State College.

**COME TO CHURCH SUNDAY**

**Amputees Attend Training Course**

(Special to Tribune)

Around a table in the Veterans Administration building in New York City recently were 11 VA representatives from the Southwest—five from Texas—who can number among themselves only 30 of the 44 arms and legs they normally would boast.

In a way, the missing limbs are their badge of trade in a most exclusive profession since only wearers of major prosthetic devices may serve as Prosthetic Representatives in 60-odd VA regional offices. Theirs is the job of advising and assisting disabled veterans who require such prosthetic appliances and sensory aids as artificial arms and legs, braces, orthopedic shoes, hearing aids, plastic eyes, medical accessories and cosmetic restoration even to wig.

These five representatives from Texas know by name and sight almost every arm and leg amputee-veteran in the state. Of the 24,000 amputees in the U. S. an estimated 1,500 live in Texas.

**The five are:**  
Donald F. Beaton of Lubbock who lost a leg when hit in Europe during World War II.

William M. Sumner of Dallas who had his left arm blown off by a Jap grenade while landing with the Marines on Saipan.

James L. Hall of Houston who lost his right leg when hit by Jap machinegun fire in the Philippines.

William G. Harvell of San Antonio who had both arms blown off by Jap grenades on Iwo Jima. Harvell received the Medal of Honor for heroic action with the Marines on that Pacific Island.

James F. Flower, Jr., of Waco who lost both legs from shrapnel in the Normandy landing.

**Receive Technical Training**

## Do-It-Yourself: Get three meals from a pot roast

... family loves beef—and who doesn't—they will love this new design for... Simply buy a full 6th and 7th rib pot roast, divide it, before cooking, into the several cuts illustrated above and prepare each in your family's favorite way. (1) Have your butcher saw through the rib bones above the eye of fat, cut firmly to both ends to separate the rib-eye from the outside section. Cut the bones free and trim lean meat off. Remove thin blade cartilage and backbone. (2) Then roll outside section, fat side out, into a pot roast and skewer or tie. Cook over low temperature with moisture for best results. (3) Slice the rib-eye into 1 1/2 to 2-inch "country club" steaks which are tender enough to broil or, if preferred, swiss. Use bones for beef stock and lean meat for stew. Wrap or cover loosely if they are to be used within a few days; freeze them if longer storage is desired. At-home fabricating saves time and money, says the Texas Beef Council, and provides three or four distinctly different dinners.

### Health Department Includes Research Many Divisions

... Over 800 births in Texas were recorded by the Division of Vital Statistics of the Texas State Department of Health during the last biennium, from August 1, 1954 to August 31, 1955. An advance look at the department's biennial report for the same period, 134,000 deaths were recorded. This compares with a total of 624,408 deaths during the last biennium. Four births for each death coupled with the influx of immigrants making their homes in Texas has shot the Texas population well over the 8 1/2 million mark.

The Division of Vital Statistics is one of 22 divisions, under the State Department of Health, and with the severe responsibility of watching over the health and sanitary level of the state and locales of Texas. The report shows that watching the health of Texans is not an easy job. The health department carries inspection, research, education and in its aim of bettering the health of Texans and Texas.

Inspection and research walk hand in hand to evaluate the effect of local outbreaks of disease throughout the state. Aid is rendered if at all possible. Working closely in the field of research, education of the public in the many advances in public health improvements in public health comes as a matter of course. Sometimes, education is not so much with the commonplace procedures, which Texas occasionally seem to neglect.

**Divisions Active**

... drink of water, every bit of food, and even each breath of air comes under the scrutiny of one or more divisions. At night, before counting the sheep, you might consider that the mattress which you sleep—if handmade or sold in Texas—has been "D.K.'d" by the Bedding Division's duties alone during the past biennium can be shown by a total of 40,412 separate violations to the State bedding law and regulations, most for the omission of revenue stamps.

The Health Department, through the Communicable Disease Division, distributes the Salk Vaccine in Texas completely and equitably. Results have been most gratifying. Of 811 investigated cases of paralytic polio only 25 were vaccinated children under age 20. None who had received all three shots of the vaccine was stricken. This is just one of the many and varied strides made by the Texas State Department of Health during the biennium.

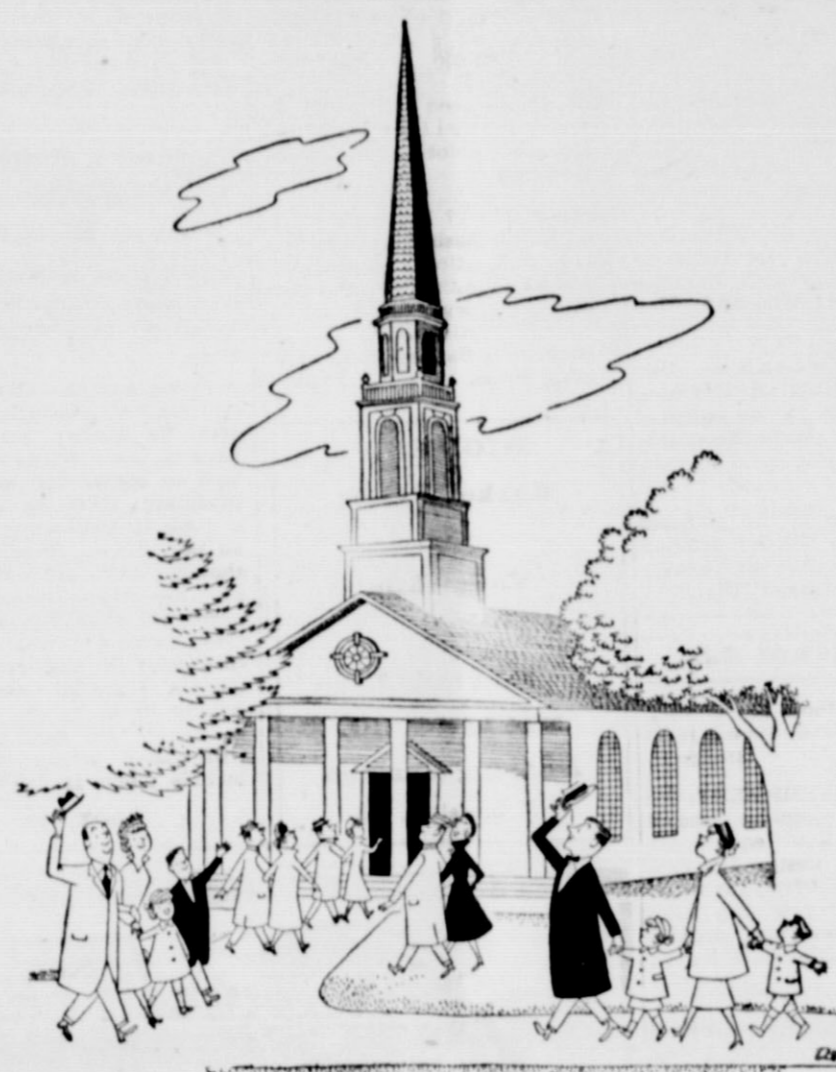

### Gabriel Named UDF Chairman

DALLAS, Texas—George Gabriel of Spur has been named as Chairman of District No. 9 on the Texas United Defense Fund, the state-wide group which will sponsor USO's campaign for \$702,396 in Texas this year. This District includes Cottle, Dickens, King and Motley counties.

Mr. Gabriel was appointed by J. M. Willson, Sr., who is Regional Campaign Chairman of the forthcoming fund appeal to carry on the familiar services of the USO to the young men and young women of the nation's armed forces.

In accepting the appointment Mr. Gabriel stated that "the uncertainties and the threats of the present time make the task of our boys and girls in service extremely difficult and trying. They need to know that we are behind them, that we realize and appreciate the sacrifices they are making and the dangers to which they are exposed for our defense, safety and peace in the world. There is no finer way we can show our understanding and appreciation than by giving as volunteer Americans to the USO and providing a 'home away from home' for our servicemen and women."

### Friends Attend C. E. Cloud Rites

Sheriff and Mrs. John Stotts and Mrs. Seth Sager attended funeral services in Crosbyton, Wednesday, for Charles E. Cloud, 70, who died about 10:40 a. m. Monday in Spur, from injuries received in a car-truck accident near Dickens.

Miss Janey Sue Norman, Texas Tech student, Lubbock, spent the week-end at her home here. Sunday, she accompanied her mother, Mrs. Jack Norman to Memphis, where they visited relatives.

Mr. Cloud was a longtime Crosbyton resident, and the father of Mrs. Melvin Warren, formerly of Matador.

Besides Mrs. Warren, he is survived by two sons, Clayton Cloud of Crosbyton and Dr. O. R. Cloyd of Spur; two sisters, and four brothers.

Investigating officers said the collision occurred on State Highway 70, about a mile south of Dickens.

Students who visited at home recently were Jimmie Graham, son of Mr. and Mrs. Curtis Graham, and Frank Traweek, son of Dr. and Mrs. A. C. Traweek, Jr. Both are attending TCU in Fort Worth.

**STANLEY PHARMACY**

R. M. STANLEY, OWNER  
JACKSON BUILDING MATADOR  
Corner Main & Dundee

"One of the Largest and Finest Drug Stores in West Texas"

Texas Press Association  
By VERN SANFORD

AUSTIN—Texas' 56th Legislature will have much of its work cut out for it by January 8.

State agencies and public and semi-public groups by the score are busy drawing up desired changes in state laws. Almost every day brings one or more public appeals pinpointing some proposed enactment as vital to state progress.

Some want certain laws liberalized. Others want them tightened. Many departments of State Government seek new or increased appropriations.

Examples in the news:

State Board of Education wants

\$50,000 a year for the next two fiscal years for education and rehabilitation of mentally retarded.

**Board for State Hospitals and Special Schools** wants the state cigarette tax providing \$3,000,000 a year for its building program continued two more years. Contingent on this, it asks \$11,000,000 for building improvements in the next biennium.

**Texas Prison Board** wants some \$5,500,000 for new building and staff needs resulting from an 80 per cent jump in prison population.

**Texas Law Enforcement Conference** wants 29 law changes aimed at updating criminal detection and trial procedures. Typical items: set up a statewide file of fingerprints of convicted felons, allow drunk driving convictions upon scientific blood tests, provide public defenders for defendants without funds, etc.

**Texas Junior Chamber of Commerce** wants to institute annual legislative sessions with annual and more substantial salaries.

**Texas Congress of Parents and Teachers** want a 10-point program involving improvement of

the school system and teacher salaries, strengthening of laws concerning juveniles, banning of common law marriages, sale of narcotics to children and sale of fireworks.

**Costly Change**—At an approximate cost of \$1.00 per vote, Texans have approved a plan to aid the permanently disabled.

It was the third time in history the Legislature had fumbled its calendar in setting a constitutional amendment election. Eight amendments were taken care of with the general election. But the ninth, by error, was dated for a week later.

Confused or short of funds, nine counties held no election. Another held it a week early. In all, some 200,000 straggled to the polls. Estimated cost: \$200,000.

Under the amendment, qualified persons will receive \$58 a month, \$20 from the state, balance from federal funds.

**NAACP Seeks Move**—Next encounter between the state and the NAACP will be in Tyler district court Dec. 3. NAACP will then seek to have the site of future hearings changes from Tyler to Dallas or Austin.

Last month in Tyler District Judge Otis T. Dunagan granted a temporary injunction against operation of the NAACP in Texas. Defendants gave oral notice of appeal.

Since the organization abandoned appeal efforts and asked for a full trial on merits. If it loses this, the injunction becomes permanent.

Atty. Gen. John Ben Shepperd said his staff already is at work preparing and that he "earnestly hopes" the trial can be completed in December. Shepperd will be succeeded by Will Wilson on January 1.

**Oil Boost Okayed**—Texas' December oil allowance will be 3,442,592 barrels daily—an increase of 75,503 barrels a day.

A 16-day producing pattern was set by the Railroad Commission, compared to 15 days in November.

Several major companies had urged 17 to 19 producing days because of disruption of supply lines from the Middle East. But representatives of Texas independent Producers and Royalty Owners contended crisis needs could be met with surplus oil in above-ground storage.

In announcing the 16-day pattern, Comm. Chmn. William Murray said the commission could issue a half-month emergency order later if necessary.

State Wins Tideland—State

Tribune, Matador, Motley County, Texas, Thursday, November 22 1956

Supreme Court added to Texas public domain in a case setting the boundary between tidal and landholder's property.

"Highest tide of the year," not "average high tide," determines the dividing line between tideland the coast land, ruled the court.

In the test case Texas gained 4,986 acres of mud flats along Laguna Madre north of Port Isabel.

Eventual results, said Atty. Gen. John Ben Shepperd, will be the gaining of hundreds of thousands of acres and millions of dollars for the permanent school fund.

Tidelands, according to law, belong to the state. Income is earmarked for education.

**Tax Issue Clarified**—Corporation franchise taxes do not have to be figured on the rate in effect at the end of the year if the rate was lower during the year.

Third Court of Civil Appeals so ruled in a suit brought by Southland Cotton Oil Company to cover taxes paid under protest.

During most of Southland's first year the franchise tax was \$1.25 per \$1,000 taxable base. By the end of the year the rate was up to \$2.00.

State officials contended the company should compute the entire year's taxes at the \$2.00 rate. Southland paid the full amount, but sued for recovery.

**Grain Crops Skid**—Texas 1956 grain crops will be substantially less than last year, but better than expected earlier.

A 28-million-bushel corn crop is forecast by the U.S. Dept. of Agriculture. This compares to

49 million bushels in 1955. Sorghum is expected to hit 98 million bushels, a drop of about one third. Rice is set at 46 million bags, a 15 per cent decline.

Even so, forecasts showed an optimistic upturn since the last estimates a month ago. Another bright spot: USDA expects citrus production to run more than 50 per cent above last season.

**CITATION BY PUBLICATION STATE OF TEXAS**

To any Sheriff or any Constable within the State of Texas—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Motley County, Texas, the accompanying citation, of which the herein below following is a true copy.

**CITATION BY PUBLICATION STATE OF TEXAS**

TO: Stella Moody, Defendant.

Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Motley County at the Courthouse thereof, in Matador, Texas, by filing a written answer at or be

fore 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 31st day of December A. D. 1956, to Plaintiff's Petition filed in said court, on the 29th day of September A. D. 1956, in this cause, numbered 1487 on the docket of said court and styled F. H. Moody, Plaintiff vs. Stella Moody, Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

Suit for divorce alleging that plaintiff and defendant were married in Clovis, New Mexico on or about the 14th day of September, 1955, and lived together as husband and wife until on or about the 28th day of May, 1956.

Attest: Pat Sheridan, District Clerk (seal)

Motley County Texas

By Roberta Jameson, Day

Nov. 22-29, Dec. 6-13,

when because of the harsh and tyrannical conduct of defendant toward him, plaintiff was forced and compelled permanently separate from plaintiff and defendant; that the further living together of plaintiff and defendant as husband and wife is impossible; that no children were of said marriage, and the property was acquired by plaintiff and defendant during said marriage and no rights are involved in said property and given under hand and seal of said court, Matador, Texas, this 22nd day of November A. D. 1956.

### Boyce House Book Includes Items By Newspaper Friends

The newspapers of Texas played a big part in the making of Boyce House's newest book, "Texas Treasure Chest".

The book is largely a collection of adventure, romance, legend, eloquence and "heart throbs" of the Lone Star State, many of the selections gleaned from Texas newspapers.

An idea of the rich variety of the contents can be seen from the fact that some of the articles and sketches are:

"The Longhorn", Kerrville Times; "Devil's Elbow" and "Salt Law", Brownsville Herald; "To the Man Who Killed My Dog", E. A. Carlock, Paducah Post; "The Wind", Wheeler Times; "Lincoln", Col. George Bailey, Houston Post; "Molly

Let Us Make Your Picture Now For CHRISTMAS GIFTS

TEXAS TECH BASKETBALL FANS get a combination of spectator comfort and power-laden schedule this season as the Red Raiders move into the 10,000-capacity Lubbock Municipal Coliseum on the Tech Campus. Coach Puk Robinson (inset) in his 14th season at the Raiders' helm, sends his team through this home schedule: Dec. 3—Kansas State; Dec. 8—Texas Christian; Dec. 10—Tulsa; Dec. 14—Iowa State; Dec. 20—Nebraska; Jan. 13—Arizona State; Jan. 19—Phillips 66; Jan. 30—Baylor; Feb. 7—Hardin-Simmons; Feb. 9—Southern Methodist; Feb. 16—Texas Western; Feb. 22—Arizona; Feb. 28—West Texas State; Mar. 4—New Mexico A&M. Resigned from the Border Conference after winning that league's title for the past three years, Texas Tech must wait until 1967-68 before competing for the Southwest Conference championship.

Mr. and Mrs. Lawrence Rattan and daughter, Ladell of Amarillo, were recent visitors here with his parents, Mr. and Mrs. V. A. Rattan.

Mr. and Mrs. B. M. Eubank left this morning for Dallas to spend Thanksgiving with their son and wife, Mr. and Mrs. Homer Eubank.

Mrs. Joe Davis and son, Dan of Turkey, visited here Thursday and Friday in the home of her sister, Mrs. Wade Berryman and family.

The word "spud" for potatoes comes from an old organization called "Society for the Prevention of Unwholesome Diet."
