## Flu Epidemic Closes Roaring Springs Schools

An epidemic of intestinal flu, often referred to as stomach virus, resulted in a 2-day school holiday in Roaring Springs this week.

The absence of fifty pupils Monday prompted school officials to close the school for Tuesday and Wednesday. Mrs. Kenneth Barr, who teaches there, was confined to her bed here.

Office patients filled the hospital waiting rooms of the two local physicians and Pharmacist Bob Stanley was behind schedule in filling prescriptions during the day, Monday. In addition to the flu, several cases of pneumonia were reported.

## TRAIL DUST

By DOUGLAS MEADOR

The density of the human race does not have a comparative ratio with the endurance of the remainder of the body tied to the web of convention within the scope of a social bore.

Many extremely happy people are lived useful lives and died peacefully without political servitude beyond respect of their rights.

A society should examine its trends when young people are anxious to become old in order to eschew the honorable estate of work.

Television commercials are necessary, and it is also necessary to slap a man when he is unconscious.

True devotion is an eternal life that does not possess a simple beginning and extends beyond the portals of life.

Often it requires the influence of a poor sport to uphold the dignity of society and establish a base to which conduct can return without being intimidated.

When a man attains his goals in a life quickly and without the reasoning influence of disappointment, he remains in perpetual danger. He is not equipped by experience to combat the powers of destruction which are equal to any achievement.

It is unfortunate that most of us can set a poor example with no more effort than merely being ourselves.

## ATTENDS CONFERENCE

Rev. Roy Patterson attended the morning session of the called meeting of the Northwest Texas Annual Methodist Conference held Tuesday at First Methodist Church, Lubbock. In the afternoon he brought the memorial message at funeral services for M. S. Jarnigan, 49, Kress Methodist Church. Mr. Jarnigan died early Sunday of a heart attack in Plainview Hospital and Clinic.

## Chapter Ends for Whiteflat Church

A WAY OF LIFE HAS PASSED. The Whiteflat Baptist Church, the first church organized in Motley County, has been dissolved. Eight members have joined the First Baptist Church of Matador and others have declared they will move their memberships here. The action by the board of Deacons has written the final chapter in a pioneer organization which held high the flag of Christianity through all the blessings and disasters that may befall a small community.

The Whiteflat Baptist Church was organized Saturday, February 21, 1891. Rev. J. C. Power was the moderator and R. E. Lee was the secretary.

On Saturday, February 28th, 1891, the Baptist church of Christ at Whiteflat met in conference after services by J. C. Power.

In the dusty records of the church are many of the names of pioneers who shaped the destiny of the county and West Texas.

In the first record (February 21, 1891) the paper is titled Baptist Church organization. In the next notation it is referred to as the Whiteflat Baptist church of Christ. In the old minutes of conferences the same name remained until almost the turn of the century.

Later minutes in different handwriting refer to the Whiteflat Missionary Baptist Church. In later records it is the Whiteflat Baptist Church.

Many records of conferences show meetings at Fairmont, "arm of the Whiteflat Baptist Church." Later records show that the present site (5.65 acres) was purchased December 22, 1910. Board of deacons at that time included: A. B. Echols, N. J. Shands, C. P. Waybourn and B. F. Johnson. The land was purchased from R. A. Haley.

Only debt in records was to Willson & Son (Quitaque) in 1936 to construct present parsonage. It was paid in 1940.

In the Wake Of Change It has been a losing battle with Whiteflat Baptist Church and small churches everywhere caught in the wake of a changing world. The greatest factor has been the speed of the automobile and paved roads which have brought together the corners of distance.

Mechanized farming and the great loss of population in this and other West Texas counties has been a prime factor. The decision to dissolve the church was by common agreement.

The church will be given to the Baptist Encampment in Blanco Canyon, and the parsonage and land will be sold to the highest bidder. The money will (Continued on back page)

## YOUTH KILLED IN ACCIDENT

Juan Jose Tristan, 15, was killed about 6:30 Thursday evening approximately two miles west of Whiteflat, when he fell beneath the wheels of a moving cotton trailer.

The youth was among a group of cotton pickers employed by C. A. Matney, and had been harvesting cotton on the Frank Eiring land. He is reported to have been on the hitch pulling the loaded trailer, when he fell.

He was brought to Stanley Hospital by private automobile and pronounced dead upon arrival. The body remained here at Eudy-Seale Funeral Home overnight and Friday was taken to Carrizo Springs, Texas for burial by members of the family.

Juan was born Nov. 16, 1947 in Roscoe, Texas, and died October 31, 1963. He is survived by his parents, Mr. and Mrs. Francisco Tristan, five brothers and six sisters, all of Carrizo Springs.

The party left from Lubbock by jet plane, Sunday. In New York they were guests at the Americana Hotel while taken on tours of the city during four days and three nights. American Legion Auxiliary will observe Poppy Day, Saturday and offer Memorial Poppies for sale, it was announced by Mrs. D. P. Keith, chairman. The poppy as the memorial flower for American war dead is a tradition which began in the years following the first World War.

Soon after the Armistice, patriotic organizations in different countries began conducting poppy sales. The flowers, made by disabled servicemen, raised funds for relief work among handicapped veterans and their families.

All contributions received from Poppy Day go directly to aid disabled war veterans or members of their families.

## Matadors Skin Cubs In Last Home Game

By Gary Campbell

COMFORTABLE WITH A 26-0 HALFTIME LEAD, the Matador Matadors Friday night went into the more glamorous business of crowning a football sweetheart for 1963. After they had placed the helmet, roses and kisses on Sue Stevens they went into the widely forecasted procedure of skinning the Estelline Bear Cubs for a total of 54-6, in the final 1963 home game. It was the Matadors first conference game and their last with the Bear Cubs. The Cubs will go into eight-man football next season.

Tommy Green barreled 6 yds. for the opening score. The PAT was blocked. Still in the 1st quarter Luis Moore plunged 3 yds. into the end zone and Tim Green drove over right tackle for extra points.

The Matadors marched 62 yds. in the 2nd quarter before Tommy Green went over left tackle for the TD. The PAT was wide. Still in the 2nd quarter the Matadors recovered a fumble on the Estelline 45 stripe and commenced a drive to the goal line.

Receiving the ball in the 3rd quarter the Matadors started another drive climaxed when Richard Campbell sprinted five yds. over left end. Johnny Thomas scored the first point of his high school career when he kicked one between the goal posts for the extra points.

Two plays later Charles Ezell intercepted a wobbly pass and romped 30 yds. down the sideline into the end zone. Johnny Thomas converted the placement.

In the final quarter the Cubs finally sustained a drive and marched 64 yds. in 17 plays to hit pay dirt. Benny Longbine toted the ball around right end for the final seven yds. Extra point attempt failed.

The Matadors scored their final touchdown in the final moments of the game as Tommy Green darted around right end for 11 yds. and a TD. Johnny Thomas kicked the 4th straight extra point of the game. Score 54-6.

Tommy Green gained 92 yds. on 12 carries and scored 18 points. Luis Moore 83 yds. on 15 carries. Richard Campbell 58 yds. on 8 times; Tim Green 35 yds. on 5 times; Larry Bynum 18 yds. on 6 times; Gary Campbell 16 yds. on 9 times; Charles Ezell 13 yds. on 2 times and Dick Moss 3 yds. on 2 times.

The Matadors had 318 yds. in rushing, 72 passing and 27 first downs. The Cubs had 39 yds. rushing, 26 passing and 8 first downs.

The Matadors will be idle Friday night and meet Turkey next week (at Turkey) for the district championship.

## Ennis Moss Wove Dreams into Reality

SMOKE of burning cotton burs drifts in a light haze from Red Ball Gin in Roaring Springs like a benediction to Ennis Moss. It was here that the heart and mind of a genius conceived an invention that was to change the conception of ginning, bring greater profit to hundreds of thousands of cotton growers and in its sweep of acceptance, bring wealth to the inventor.

Affluence was not important to Ennis Moss, except that it brought new horizons to his dreams, and made it possible to extend service to his friends. His laughter never changed, nor did his love of life, his boundless enthusiasm.

In 1914 a boy drove a wagon and team across the sandy, shimmery road from Sneedville Community in Cottle County, to Roaring Springs. He passed the old Matador Red Lake Camp and remembered the friendly, green cottonwoods and the waving grass. Later he and his sons were to possess a vast amount of the same country.

Roaring Springs was to claim him for destiny but the way was not short nor was it easy. His disappointments must have been many but he kept them from his friends, and out of his laughter. When the people of his commu-

#### DOUBLE EAGLE HIT BY MATADOR GOLFER

Spectacular play Sunday in the mixed foursome one-day tournament sponsored by the Women's Golf Assn for the men was a double eagle by a Matador player.

Clyde Gilbert knocked in a double eagle on the par 5, 525-yard No. 6 hole at the Airport Country Club. He holed out with a 200-yard blast on his second shot to register the score which put him in a class — WAY OUT! Playing with Clyde were Tommie Newman, Frank Price and M. L. Hoyle.

Other team 4-somes were: Louise Barton, Marvin Patton, Dr. J. S. Stanley and Bundy Campbell; Vivian Campbell, Billy Wason, Carl Tardy and Tom Yeates; Laverna Price and Mary Meason.

Louise and Clyde were low net winners and Clyde won low putts for the men.

Laverna, Mary and Louise had a three way tie for low putts and each won a ball.

Team winner was Dr. Stanley, Marvin, Louise and Bundy.

On the "Ringer Hole" — No. 3 — Vivian and Marvin each won a ball, and Louise was REALLY LUCKY and placed her ball in the ring both times around, winning 2 balls!

Helen and Claud Harp were viewing the playing from their car — since Claud wasn't playing — having suffered a broken shoulder on his pheasant hunt recently.

Jerry Campbell and Judine McCaghren were playing a few holes for fun. It's good to see Jerry playing again after having her wrist broken last summer.

The two teams met Jayton Tuesday, October 22, in the second contests of the season. The Matadors, lacking in experience and height, were defeated in both games by the Jayton teams.

Jayton B outscored the Matador B team 32-21 in the first game. Jayton led 12-5 at the end of the first half and maintained the lead until the final whistle. In the A game Jayton edged the Matadors 31-29. At the end of the third period Jayton appeared to be having an easy time with the Matadors, who trailed 14-14 in the final quarter, however, the Matadors outscored the Jayton team, 15-7, but the rally fell two points shy.

### Pep Club Encourages Boys

by Lynda Elliott

The 1963 Homecoming Pep Rally had a spirited start as it opened with "Matador Boy" and "Master Touchdown." The cheerleaders — Shariene Berryman, Lynn Cook, and Ruthie Lynn — led the club in "Who are the Matadors?" and afterwards presented a pompon routine. The Pep Club yelled "We're with You Team So Fight!"

The next-year's cheerleaders — all of the junior class boys —

led the girls in "Fancy Clap" and "We're the Champs." Speakers for the rally were Mary Irwin, Pep Club president, Max Barton, Luis Moore, Dick Moss, and Coach Johnson. The rally closed with a skit and "Have You Got That Spirit?" Everyone stood for the school song and cries of "Get a Cub, Matadors!" were heard down the halls of MHS.

### Seminar is Held Here Last Week

Dr. Wheeler of Texas Tech held a seminar at Matador Thursday, October 31, for elementary teachers to introduce the modern concepts of mathematics.

A veteran of 49 years of teaching, Dr. Wheeler introduced several different methods to explain the new topics to elementary children. She explained topics on elementary set theory and other new methods of operations using the number system.

Dr. Wheeler stated that these new ideas would enable elementary teachers to begin teaching elementary mathematics in an earlier grade.

The seminar held Thursday was one of a series that will be held in Matador. The next meeting will be November 7.

Elementary teachers from Roaring Springs, Patton Springs and Matador attended the meeting.

### Campus Collections

by Sue Stevens

Students love faculty meetings! School was dismissed last Thursday and will be dismissed today at 2:30 so that teachers may attend the seminar held by Dr. Wheeler. It was especially nice last Thursday because it gave everyone an extra hour to get ready for Halloween; that is,

except the football team, basketball team, and Drum and Bugle Corps, all of whom had to practice after school.

The Matador Matadors will rest once again this Friday night before tangling with the Turkey Turks next Friday at Turkey. Before the game next Friday a big bonfire rally will be held in honor of the important district game.

"Senior pictures are here" was echoed throughout the halls last Monday, October 28. With a few "oohs and ahs" the oggled-eyed seniors looked at their pictures, sighed, and thought to themselves how handsome they looked.

The Pep Club is indebted to the mothers who worked in the concession stand during the half last Friday night. This made it possible for each girl to have an equal chance at getting crowned sweetheart.

### All Citizens Carry Guns in Viet Nam

"All citizens of Viet Nam who are old enough, carry guns," says Capt. Bobbie Fletcher, who has returned from a 12 month stay in that country. "It is hard to tell who is the enemy before it is too late."

Capt. Fletcher said the North Viet Nam troops, called VC's, move in small groups, working at night, and they capture a member of a family and take them to the mountains to their camp. In this way they force the cooperation of the rest of the family by telling them harm will come to the captured member if they do not cooperate.

According to Capt. Fletcher, about 30 per cent of these VC's do not know what Communism is, they are just following blindly. About 15 per cent have been captured and forced to join the group, and about 25 per cent have been school trained and are spreading communist propaganda.

In describing the country and its conditions, Capt. Fletcher said that Viet Nam is about 900 miles long. It has been divided into North and South, and South Viet Nam is 500 miles long and about 250 miles wide. It is quite different from Texas he said. There are jungles, mountains and numerous rivers. The population is 16 million. Of these, 7 million live in the capital city of Saigon, a modern city outside the city, however, there are poor living conditions. The people are farmers and use crude and primitive methods of farming. They dress alike and all wear the same hat size, even the children.

"There are two major problems," Capt. Fletcher said, "One is the government and the other is the religious problem." He went on to say that the government restrains the people so much. They do not permit any dancing in the country, and it

is absolutely impossible to secure a divorce. He thinks that about 90 per cent of the people are Buddhists, 6 per cent Catholic and 4 per cent of other religions. (According to Madam Nhu on TV Sunday, 70 per cent (Buddhists) was a high figure, and she said they were really Mohammeds).

Captain Fletcher was among the 15,000 in the "advisory group" sent to Viet Nam by our government. 7,000 of these are in Saigon. CWO/M. G. Bethard, whose wife and children are living in the Whiteflat community, is now serving with this group.

Facts and figures secured in the survey are the basis for the Texas and National pig crop reports and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

his invention of a lint cleaner for cotton gins. The first of the machines was installed in his gin in Roaring Springs in 1951. He was married in that community in 1920 to Miss Gladys Hoyle. From 1918 to 1922 he was superintendent of a Willys-Overland shop in Dallas. He also was a representative of Continental Gin Co., for two years, and bought his first interest in a gin in 1924.

Mr. Moss and his family moved to Lubbock in 1934 and he operated the Canyon Gin until it burned in 1942. He then purchased the gin in Roaring Springs where he developed the cleaner.

In 1963 the Moss-Gordon Lint Cleaner Co. was formed and a company plant was erected in Lubbock, with Mr. Moss in charge, and Lubbock again became his home.

He became ill in September and underwent surgery in Methodist Hospital, Lubbock on the 13th. Diagnosis was cancer, and he was transferred to Dallas for further examination. Returning to Lubbock, he again entered Methodist Hospital and died there at 12:15 a.m. Wednesday, Oct. 30.

Funeral services were held at 10:30 a.m. Thursday in Second Baptist Church, Lubbock. The Rev. Bob Hearn, pastor, officiated. Interment was in Resthaven Mausoleum under direction of Rix Funeral Home.

Pallbearers were H. C. Lewis, Roy Forkner, Verlon Bigham, W. C. (Crocket) Bigham, H. C. Smith and J. M. (Buzz) Thacker.

**Influence For Good**  
For 72 years the Whiteflat Baptist Church has been an influence for good and its influence is a tribute to the pioneers who lived by the creeds of religion.

The final light is out and the door is closed. The last funeral procession is gone and the final marriage has been solemnized. A little church has served its destiny.
