St. Clair's Store Is Celebrating

When St. Clair's Department Store opens for business tomorrow morning, they will begin

the celebration of the 50th year in business in Muleshoe.

In 1930, Irvin and Naomi St. Clair opened their first store in Muleshoe. The store was located in a 20 x 40 building where Western Drug is currently located.

At the time they opened their variety store, the St. Clair's moved their family into the back of the store.

Then, in 1932, they expanded, and moved into the south 25 feet of what was known as 'the old bakery building'. When the St. Clair's moved into the 25 x 60 foot building, the St. Clair's still resided in the rear of the building.

Another expansion took place in 1937, when the store was doubled in size to 50 x 60 feet.

By 1940, expansion was again necessary, so the St. Clair's moved into a store with 75 front feet, included was a variety store and a department store.

Lowell Irvin and Dorothy St. Clair returned to Muleshoe in 1948, where he became manager of the store and his father retired. At this time, the store included a 50 foot variety store and a 50 foot dry goods store. During this time, the variety store was managed by Ray Morrison.

Lowell Irvin St. Clair purchased a Ben Franklin store in 1951, and it was moved to the present location of the Spudnut Shop north of the store.

By 1959, St. Clair was Cont. Page 6, Col. 4

OFFENSE PLAYING DEFENSE--Charles Walker, No. 40, throws a key block as Carroll Precure, No. 54, watched from his prone position on the ground as Monty Hysinger, No. 35, makes yardage with the ball. In the background, No. 89, George Vela is coming up to assist in the play. Hysinger went out of the game in the second quarter with a dislocated shoulder.

1980 Cotton Harvest Well Underway Now

There's good news and there's bad news in the cotton picture for this fall in the area. First the good news!

Charles Moraw at the Muleshoe Co-op Gin said they have currently ginned 4,750 bales of cotton and are hoping for 15,000 before the end of a shortened season.

Although the cotton did not start out good, Moraw said recent cotton has been very good, with a good mike and is of a good grade. Some fields are yielding up to two and a half bales per acre.

Average yields coming in to the gin he manages

are from 3/4 bale to the two and a half bales.

He predicts that if the weather continues good, the season for ginning this year will be very short.

Another good report was received from Don McDonald at the Clay's Corner Gin. He said they have tagged 2,100 bales and are expecting a fairly good turnout this year.

He added that irrigated cotton is looking very good, and most cotton is producing up to a bale, and in some instances, 600 pounds of lint per acre.

Module builders first came into this area in southern Bailey County, now McDonald said the module builders are really coming into the northern cotton areas. He predicted that no cotton will be left in the fields within two weeks

City Council Okays Payment For Curb Work

Several items were discussed during the meeting of the Muleshoe City Council Wednesday morning. A lease is still pending between the High Plains Drifters Sport Parachute Club and the City of Muleshoe, although the lease was discussed.

Council members signed an agreement with the Bailey County Appraisal District for tax collection, assessment and appraisal services.

Payment was approved to Jake Diel-Dirt and Paving in the amount of \$8,442 for lowering the curb at 12th Street and US84 and an additional amount of \$675.36 for engineering fees associated with the project. However the payment is subject to the satisfactory tests to be conducted on the project.

Also discussed during

although the cotton gins will still be ginning, and will be working on the modules.

Now the bad news! Farmers Co-op Gin at Enochs said they have tagged 853 bales of cotton thus far in the harvest, and expect around 2500-3000 bales, compared to the 9,800 ginned last fall. According to a spokesman for the cotton gin, it is taking from 1-20 acres of cotton to produce a bale on dryland cotton in that area.

The Bill Darnell Gin at Progress will not open this fall and the Circleback Gin, east of Needmore has not started ginning as yet.

Another cotton gin reporting 1-20 acres per bale is the Maple Co-op where 2,334 bales have been tagged. The Maple Gin predicted all cotton is expected to be out of the fields within two weeks. They hope to gin 4,000 bales this fall, compared to 17,301 ginned last year.

Nickels Gin at Goodland has tagged 348 bales, again with the ratio of 1-20 acres per bale. They expect to completely wind up their ginning operation in the next two weeks.

Two Rewards Are Offered For Crime

Rewards are being offered in two cases currently under investigation by the Muleshoe City Police.

Muleshoe City Police Chief Johnny Richards said a reward is being offered for the name or names leading to the arrest and conviction of the person or persons, who removed lettering from the Muleshoe State Bank.

Chief Richards said letters were removed from the bank building on different occasions.

Chief Richards added that persons with information should call him, personally, at the Muleshoe City Police Department, and that all names will be held strictly confidential.

Also, the chief said the names of persons will be held confidential who contact him with information leading to the arrest and conviction of the person or persons who burglarized the C.R. Anthony Company.

Also, he persons with information concerning the Anthony burglary should personally contact him and no other.

All during the past week the animal warden has been ill and Chief Richards said the animal calls have been taken care of by patrol officers as time permits.

Civil Court Trials Begin Here Monday

Jury trials in Civil court get underway tomorrow, Monday, in the district courtroom in the Bailey County Courthouse. Presiding Judge, Pat Boone, has scheduled the following cases for trial:

Waymon Bellar vs Ken Vickers and Lindsey Manufacturing Company, et al, (Deceptive Trade Practice Action); James D. Hodges, et ux, vs Weisbart Cattle Company, et al, (Pasturage Debt); Jim Clarke vs General Telephone Company of the Southwest, et al, (Breach of Yellow Pages Advertising Contract); Larry Ross vs Plains Insurance Company and Harmon-Field Insurance Company (Automobile Collision and Upset and Medical Payment Insurance Claim); Gilbert P. Lamb, et ux, et al, vs Leola Randolph, et al, (Breach of Contract of Purchase and Employment); Robert Kelton vs Omer Kelton, (Assault and Battery); Jake Diel-Dirt and Paving, Inc. vs Guy Belt, Jr., et al (Breach of Contract); Southwestern Public Service Company vs L.L. Cain, et al, (Eminent Domain).

Friday night, the Friona Chieftains arrived in Muleshoe wielding their hatchets and chanting war cries. The hapless Chieftains, who really don't play that bad football, came into Muleshoe with a winless record and were making a desperation attempt to put at least one win in their column.

For just a few minutes, it looked as though the Chieftains may have found a weakness as they blocked the first Mule punt of the game, and took advantage of the miscue to boot a 48 yard field goal with 6:38 left in the first. Mark Montoya, a Friona sophomore, is a soccer type kicker who booted the 48 yarder.

Undaunted, the Mules came back less than two minutes later with their first TD of the game, when quarterback Monty Hysinger found Felix Norman

near the end zone and tossed him a 48 yard TD pass. With 4:06 left to play in the first stanza, Hysinger booted the extra point and the Mules assumed a lead they never lost. The drive covered 76 yards in six plays.

Again in the first, Charles Walker broke through the line and scampered into the end zone on a five yard jaunt with Hysinger toeing in another point and the Mules had a commanding 14-3 lead with 2:04 left to play in the first.

When Muleshoe's head football coach Mike Wartes elected to put in many members of the junior varsity team, the JV proved to be more than adequate for the job.

Hysinger led to another TD in the second, when Walker broke free and raced for 40 yards and paydirt. At 8:16 of the second, this time Hysinger found the extra point blocked.

In the second, Hysinger went out with a dislocated shoulder and the quarter-backing chores were taken over by JV quarterback Sammy Gonzalez. He joined other JV players and completed the game in that position.

As the second quarter clock ran out, the frustrated Chieftains missed on a field goal attempt.

During halftime, one of the most impressive half-time shows seen in the Muleshoe football season was viewed to numerous standing ovations by the entire crowd attending the game.

"A Tribute To America" was presented by the MHS Mighty 'M' Marching Band, joined on the field by the MJHS band in their white pants and black blazers.

After a special presentation by the MHS Mighty 'M' Flag Corps, and a medley of patriotic music, all lights in the stadium were extinguished, and a large American flag fireworks display was lighted

TOPS Has Weekly Meeting

Thursday night, October 23 members of the TOPS Club met for their weekly meeting. They came dressed in Halloween costumes, and after the business meeting, low calorie dips and punch were served from a pumpkin.

Carlene Stroud was in charge of the meeting. Linda Vinson, weight recorder, called the roll with members answering with pounds they had lost or gained since the last meeting.

Vickie Garner, secretary, read the minutes of the previous meeting.

Weekly best loser was Lee Murphy, first runner up was Eli Norman, second runner up was Bette Freeman.

Triangle CB Club Meeting

The Triangle Club met Tuesday night, October 21 at the Bailey County Civic Center.

Bert Sinclair with the Texas Department of Public Safety gave the program and a film on night driving was shown.

It was decided to have a booth at the Sudan Lions Club Halloween Carnival on November 1st and

prizes of stuffed animals will be given away.

Refreshments were served by Norma Jo Prather to guest Bert Sinclair and to J.M. and Leta Hefner, Gene and Eva Payne, Owen and Clara Lou Jones, Bob and Eulaine Phillips, Charles and Norma Burnett, and Don Phelps.

BACARDI SESAME STEAK

- 1/2 cup salad oil
- 1/3 cup sesame seeds, thickly sliced
- 1/3 cup soy sauce
- 1/4 cup Bacardi dark rum (80 proof)
- 1/4 cup lemon juice
- 1-1/2 teaspoons sugar
- 1/4 teaspoon freshly cracked pepper
- 2 medium cloves garlic, crushed
- 3-pound boneless sirloin steak, cut about 1-1/2 inches thick
- Parsley
- Cherry tomatoes

In large skillet, heat oil. Add sesame seeds and brown lightly. In large shallow baking dish combine sesame mixture with onions, soy sauce, rum, lemon juice, sugar, pepper and garlic. Place steak in marinade. Turn several times to coat. Cover and refrigerate at least 4 hours. Turn several times. To cook, remove steak and onions to broiling pan with rack. Broil 4 inches from heat to desired doneness. Turn once. Brush often with marinade. Turn onions occasionally to prevent burning. To serve, garnish with parsley and tomatoes. Makes 6 to 8 servings.

Christmas Bazaar Announced

The Sixth Annual Christmas Bazaar sponsored by the Farmer County Family Living Committee has been scheduled for Friday and Saturday, November 14 and 15 at the Community Center in Friona.

The Bazaar will be open to the public from 10 a.m. to 6 p.m. on Friday and from 10 a.m. until 4 p.m. on Saturday.

The event will feature art and craft items by exhibitors from the Panhandle, South Plains, Eastern New Mexico, Oklahoma and Kansas.

Special demonstrations are also scheduled during the two days.

The Family Living Committee provides programming leadership to the Texas Agricultural Extension Service in Farmer County.

As with all programs sponsored by the Texas Agricultural Extension Service, this one is open to all people without regard to race, color, religion, sex, age, or national origin.

Do some Christmas shopping, visit with friends, learn something new from the demonstrations. You'll have a great time. Don't miss it!

It's True.

"After installing the heat pump in my own home and monitoring it very closely for two or three years, we were so impressed with the heat pump that we're using them in quite a few new homes that we are building. The heat pump is easy to adapt to different types of buildings and homes. We've run detailed comparisons of other heating and cooling systems and are very satisfied with the efficiency of the heat pump. I feel like the heat pump is the product of the future and the advantage of it is that it is available now."

THE CHIEFTAINS SWARM--In a desperation bid to shut off Mule offense, the Friona Chieftains swarmed to the ball carriers and tried to cut the runaway Mules off at the pass. Ronnie Angeley went down beneath Tony Jackson, No. 31 and Rocky Nichols, No. 20, came in to try to help his teammate as Mule Johnny Puckett, No. 22, looks on.

at the south end of the football field.
Concluding the presentation, the bands marched off the field to continuous applause, as the presentation was visibly pleasing to the large crowd at the game.
Muleshoe put one TD on the scorebook in the third, with :17 seconds on the clock. Walker raced for 34 yards. The PAT failed. The third quarter touchdown followed a two point safety in the third, when with :57 seconds left on the clock, punter Mark Montoya was caught in the end zone on a high snap and slapped the football out of the end zone, avoiding a possible TD by the Mules.
Gonzales lobbed a high pass to Ronnie Angeley at 10:48 of the fourth for a 34 yard TD play, and again the extra point try failed.
The Mules last TD of the game came on a nine yard run by Larry Norman at

7:22 of the fourth, and the extra point try failed.
In the fourth, the Chieftains added both their touchdowns. The first was a busted play from the 10, when Friona quarterback Martin Mercado handed off to Nelson Jackson. Jackson lost ground back to the 25 before tossing the ball out to Craig Lookingbill, who went into the end zone standing up. The point after try failed.
With :49 seconds left in the game, Mercado found Mike Hubbard and Hubbard went in to score on a 50 yard TD pass. Montoya kicked the extra point.
As inexperienced JV players played throughout the game, the Mules racked up 100 yards in penalties to 20 for Friona.
At the same time, the young junior varsity players gave a 'sneak preview' of the probable outstanding players when the next year rolls around. Some of the JV players seeing action during the Friday night game were Chubby Ramos,

Steve Orozco, Chris Kirven, Raul Garcia, Jimmy Green, Perry Flowers, Devin Sizemore, Pepe Martinez and Hector Orozco.
At the end of the first half, Friona had one earned first down, and four on penalties and the Mules had eleven earned first downs. For the game, the Mules had 20 first downs, 19 earned to eight for Friona, with three earned.
Muleshoe had 89 yards in the air, while Friona had 115 aerial yards. On the ground, the Mules had 348 yards, to 10 for Friona.
Muleshoe punted two times and had the third blocked and Friona punted five times.
Leading rusher for Muleshoe was Charles Walker with 157 yards and leading rusher for Friona was Nelson Jackson with 30 yards.
Next Friday night, regular season football will conclude with the decisive district championship game between the Muleshoe Mules and the Littlefield Wildcats, at Littlefield at 7:30 p.m.

West Camp Gin is getting off to a slow start, but has ginned 1,250 bales to date. They report better than expected yields and moderate to heavy worm damage.
At Lariat, the Lariat Gin said they have tagged out 850 bales and should be winding up their season shortly.
From Bula, Claunch Gin has turned out 800 bales and expect a very light harvest because of adverse weather conditions during the summer.
Both the Needmore Gin and Nickels and Nickels Gin at Baileyboro said the cotton mikes and grades are good. Needmore Gin has tagged out 200 bales and Nickels and Nickels has ginned 278 bales.
Around Baileyboro, on unirrigated land, some of the dryland yields are considered 'very good' if they turn out one-fourth bale per acre.
Last fall, when the ginning season got underway, it ran into January and February of this year.
This has been turned around this year, and almost all ginning operations are expected to be virtually over before Christmas.

Son, Kelly, also worked in the store until he graduated from college. At the present time, Kelly is a resident of Tulsa Oklahoma. Recently, he opened his own business in Tulsa. His mother, Dorothy, spent several weeks in Tulsa helping him open his store, Diamondtrigue.

Women enrolled in higher education increased in the '70s
COLLEGE STATION — The number of women in higher education has increased dramatically, according to a Texas A&M University demographer.
Dr. R. L. Skrabanek noted that in 1970 there were only 68 women enrolled in college for every 100 men; but by 1978 the ratio had increased to 92 per 100 men. Nearly one-half of all college degrees granted in 1977 went to women. The number of females receiving doctorates more than doubled between 1970 and 1977.
Skrabanek gathered his information from a new Bureau of Census report, "A Statistical Portrait in the United States: 1978." The report in itself can be viewed as an example of women's progress. It is only the second such volume exclusively about women ever to have been published by the Census Bureau in its almost 200-year history — and the first was in 1976.

Alpha Zeta Pi Chapter Of Beta Zeta Phi

Alpha Zeta Pi Chapter of Beta Sigma Phi met November 4, for a business meeting in the home of Jean Treadwell. Pat Black served as co-hostess.

Lazbuddie Young Homemakers

The high school cafeteria at Lazbuddie was the meeting place for the Young Homemakers Club on November 6.

President Mandi Seaton opened the monthly meeting. The usual business of the reading of the minutes, the roll call, and the financial report was taken care of.

The pecan sales were final this month and the club members were pleased with the results of the yearly projects.

The Young Homemakers Club had a Halloween booth which was a buried treasure for children 1 month to 12 years of age. The children really enjoyed the booth which held several surprises for all the kids.

A yearly Christmas Party will be held on Saturday, December 13. Secret Pals will exchange gifts and Santa Claus will arrive to surprise all the children with toys and stockings.

The program for the month was the girls' own hobbies and there were some beautiful crafts shown at the meetings ranging from ceramics to all sorts of doll clothes and Christmas decorations.

The door prize was a ceramic piece by Precious Moments donated by Patti Robinson. Sheryl Engleking drew the door prize.

Mandi adjourned the meeting and everyone enjoyed refreshments served by Charlotte Redwine and Mandi Seaton.

Those present at the meeting were Susan Free, Sheryl Engleking, Patti Robinson, Tammi Turner, Cassandra Cargile, Martha Clark, Charlotte Redwine, Rita Mimms, Lana Copp, Janice Bradshaw, Susan Lassiter, Marca Morris, Cindy Cargile, Mandi Seaton, and Cindy Hall.

All the members repeated the opening ritual. The minutes of the previous meeting were read and approved. Committee chairpersons gave the reports for their committees. The results of the annual Bongo Carnival were reported.

The members voted to renew the liability insurance policy for the next year. There was a discussion on the Muleshoe Chamber of Commerce Christmas parade, which will be held December 6.

It was decided to have a float in the parade and Janna Wartes presented some ideas for the float. Cindy Purdy and Sherri Hawkins reported on the area convention in Hereford which they attended. The members voted to give \$50 to each scholarship fund memorial of Jerry and Pat Lawrence. The meeting was closed.

Following the meeting cake, punch and hot spiced tea was served to all members from a table covered in red, white and blue with a donkey and an elephant as the centerpiece. The decoration represented the United States Election Day.

Following refreshments,

a program was given by Mark McClenahan, the Physical Therapist at the hospital. He showed the group various exercises to do to keep a healthy back and discussed other functions of a Physical Therapist.

Members attending the meeting were Brenda Black, Pat Black, Terri Hahn, Sherri Hawkins, Debbie Hutto, Melissa Kelly, Alice Liles, Ruth Locker, Debbie Nickels, Janis Nichols, Cindy Purdy, Marilyn Riley, Peggy Pohlmeier, Jana St. Clair, Marilyn Saylor, Pam Shipman, Jean Treadwell and Janna Wartes.

In Fashion

Cooler weather calls for sweaters and there are styles to suit all. Cowl necks and polo shirts please the high school and college miss. Fabrics vary, but chenille is quite popular.

The well-dressed young man will lean towards the conservative and classic lines this fall and winter. The younger generation will continue to favor western detailing.

One way to get rid of the boll weevil may be to beat him with a tree. Actually, it's a product of the tree. The Tung tree. Deterrent 1 is the name of the product which is derived from tung oil. Tung oil is relatively easy to extract from the trees and the trees grow well nearly anywhere with a warm climate. Now back to the boll weevil. USDA scientists, determined to get rid of the expensive pest, started working with tung oil nearly 20 years ago and finally have discovered a mixture that works. They say you can dip a plump-and-juicy cotton boll (that's how it looks to the weevil) in Deterrent 1 and drop it in front of some nearly starved weevils. Hardly any of them will take even a second look. If all goes well, it should be available soon.

LONGING

To every child there comes a time when they begin to wonder... Who did I come from? Who made the trees? Who made the mountains? EVERYONE has a desire to know their creator.

"O GOD, thou art my God; early will I seek thee: my soul thirsteth for thee..."

This longing for knowledge of God should be satisfied at an early age.

"Train up a child in the way he should go: and when he is old, he will not depart from it."

Plan NOW to attend church with your family.

Remembrance Day

NOVEMBER 11, 1980

Throughout the United States there are more than 29 million men and women who have served with HONOR in our Nation's armed forces during the four wars of the 20th Century...

Their VALOR in service has helped to preserve the concept of freedom and individual dignity in a world where force still seeks to dominate mankind...

In their performances of DUTY, America's veterans have exalted the heritage of American citizenship...

On this Veterans Day, we salute the veterans of our community in grateful appreciation of their sacrifice and continued servid service.

The Speaker Reports

by Bill Clayton

AUSTIN—Issues such as agricultural labor, alien land ownership, gasohol, and brucellosis are included among the topics in the recently completed report of the Agriculture and Livestock Committee of the Texas House.

The committee members, investigating and working with charges made to them

at the beginning of the interim period, have studied the issues and developed a set of recommendations.

One of the most controversial of these issues deals with agricultural labor. After investigating agricultural labor legislation in other states, the committee recommended the following: 1) no employee should ever be forced to join

any labor union to retain employment in Texas, 2) harvest time strikes should be prohibited and severe penalties levied for property damage associated with strikes, 3) no union shall negate the trespass laws of this state which protect all rights of private property owners.

Another issue that is causing much concern among citizens of Texas is that of alien land ownership. Among committee recommendations relating to this matter are: 1) that Texas adopt legislation requiring nonresident aliens to disclose true ownership of all holdings, 2) aliens should be prohibited from purchasing and owning agricultural land except for a special recip-

rocity provision offered to Canada and Mexico, 3) aliens would be required to obtain U. S. citizenship within five years after disclosure of land holdings, with failure to do so resulting in voluntary divestiture of land to the U. S.

Gasohol, which is becoming increasingly important in our nation's energy picture, is another area in which the Agriculture Committee members have made several recommendations. These recommendations include: 1) gasohol and alcohol fuels be exempted from the five cents per gallon excise tax if the fuel contains alcohol manufactured in Texas, 2) funds be appropriated for alcohol fuels research and modification of state vehicles to be operated on straight alcohol, 3) funds should be appropriated for the alcohol fuels state loan program for construction of small plants, 4) mandated use of gasohol in state owned vehicles to the extent possible on the basis of availability and competitive pricing.

The state brucellosis eradication program, which is of much concern to cattlemen across our state, is also a subject of committee recommendations.

The central recommendation in this area is that cattle that have been properly vaccinated against brucellosis and identified by ear tags or tattoos be exempt from further testing and allowed free movement within our state.

Many of these committee recommendations will be drafted into legislation and acted upon during the upcoming legislative session.

Texas A&M creates institute for gifted students

COLLEGE STATION — Texas A&M University has been authorized to establish a regional institute for gifted and talented students, a program which will include an annual talent search among students at the public school level and assistance for their teachers.

The objectives and activities of the institute will be to operate an annual talent search, sponsor programs for select students, conduct research, provide teacher in-service training and expand professional training.

Authority to form the institute as part of Texas A&M's College of Education was granted by The Texas A&M University System Board of Regents.

WTSU....Pam Young, a West Texas State University student from Muleshoe, looks over her list of alumni as she calls asking for pledges for the "Make the Connection" scholarship pledge drive. The drive was sponsored by the WTSU Student Foundation. Pledges totaling more than \$25,000 have been received toward the goal of \$30,000. Young, a Secretarial studies major, represented Stafford Hall, women's residence hall, for the pledge drive. Young is the daughter of Jack D. Young of 1901 W. Avenue D in Muleshoe. (WTSU Photo)

VARSITY MULETTE VOLLEYBALL TEAM IN ACTION

Mules Tale Staff, Proud To Highlight MHS Volleyball

The Mule's Tale Staff is proud to highlight the MHS Volleyball teams. These girls are often overlooked, but participate in an important athletic event. They have played very well this year, with a record of 9-4. They compete against Perryton, Monday at Canyon for the bi-district title and will hopefully go on to the regional playoffs. They are coached by Mrs. Tonya Pool.

Rachel Hodges, the 16 year old daughter of Mr. and Mrs. Johnny Hodges, is a freshman at MHS. She is a setter on the volleyball team and commented, "I feel that our team has really made progress since last year. We have really been trying hard to win. Now, that the season is almost over, we are proud or what we have. All we have to do now is try to improve, try to make less mistakes next year, and go to the top."

Sylvia Quesada, a setter on the varsity team, is the 17 year old daughter of Gloria Gatewood. She is a senior at MHS and commented, "I believe we have a very active program this year. The teams are really interested in winning and reaching their goals. I feel that we have accomplished very much this year, and we will accomplish a lot more!"

Rosa Garza, a sophomore, is the 15 year old daughter of Mr. and Mrs. Narciso Garza. As a JV player, she commented, "I feel we can do our best as a team. We have played a couple of great teams, but overall we have done our best. This year it has been very competitive for me. It takes a lot of work to get where I am. I feel very great to be a part of the volleyball team. We, as a team, have a goal, and that is to win regional."

Linda Castorena is the 16 year old daughter of Mr. and Mrs. Gilbert Castorena. She is a junior and a passer on the varsity team. She commented, "This is my first year in volleyball and I think we have a pretty good team. The one thing that the volleyball girls lack is support from the members of MHS. With a little bit of support we could really get into deep playing and really show them how good the volleyball girls of MHS

is a spiker on the volleyball team and commented, "I think the volleyball girls could go a long way if they had a chance."

Dolores Flores, the 16 year old daughter of Hector and Manuela Flores, is a junior at MHS. She is a spiker on the varsity team and commented, "I think the team has really improved a lot. I have been in volleyball for three years, and I think this is our best year. We might not have been winning, but we do have a lot of talent as far as volleyball goes."

Lisa Sena is the 13 year old daughter of Cleo and Robert Rodrigues. She is a freshman and a setter for the team. She commented, "I think volleyball is a real fun sport to play."

Ann Luna, a sophomore and JV player, is the 16 year old daughter of Tony and Carolyn Luna. She is a spiker and commented, "Volleyball is a great sport and is my only choice for a sport."

Debbie Hurtado is the 15 year old daughter of Mrs. Julia Hurtado. She is a sophomore and a setter for the team. She commented, "I think that Muleshoe High has a good volleyball team and I think we can win regional!"

June Perez is the 16 year old daughter of Andy and Palestina Perez. She is a sophomore and a JV player. She is in the Art Club and commented, "I think volleyball is a great sport but right now what we want most is to win regional, and we can win if we try."

Beatrice Garcia is the 17 year old daughter of Mrs. Felipe Garcia. She is a spiker on the varsity team and commented, "I think these girls can really do a good job in the future if they work hard every day; but one thing we need the most is support. This is my last year in volleyball, but this does not mean that I will stop supporting them. I've only just begun, I believe that this team can do and will do it!"

year old daughter of Benito and Juanita Alarcon. She is a sophomore and a member of the JV team. She is a defense receiver and commented, "I am proud to be in volleyball and I'm going to stick to it till my senior year is over."

Martha Alvarado is the 15 year old daughter of Samuel and Maria Alvarado. She is a sophomore and a setter for the JV team. She commented, "I am proud to be in volleyball. I am going to stick to it until I graduate."

Diane Bachicha, the 14 year old daughter of Mr. and Mrs. George Bachicha, is a spiker on the freshman team. She commented, "I think our team has a lot of burning desire and I think we can make it to the top!"

Dolores Bachicha is the 16 year old daughter of Lucy Bachicha and is the JV captain and an alternate player for the varsity team. She is a junior at MHS. The Mule's Tale Staff feels that these girls deserve recognition of their fine efforts and wish them the best of luck in their playoff games!!! We would also like to urge everyone to come out and support the volleyball teams during this highlight of their season.

DECA Collecting Newspapers For Recycling

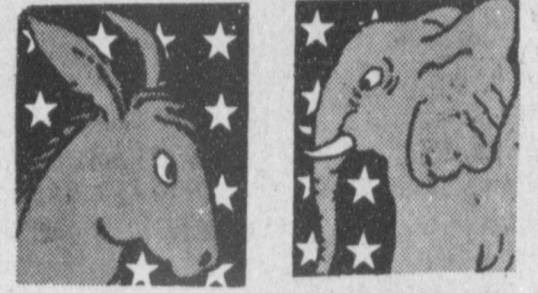

The Muleshoe High School Chapter of DECA is collecting newspapers to be sold to the Solar Therm Company in Ft. Sumner, New Mexico for recycling into insulation.

Members will be making collections each Thursday from anyone wishing to save and donate newspapers. The papers will be bound and stored for regular pick-ups by the recycling company.

Anyone interested in donating to this project should contact president Albert Lopez at 272-4060; vice president Tracie Walker at 272-4876; or any other DECA member for collection arrangements.

Money made from this project will be used for students to travel to area and state competition in March and April.

Mini Campaign And Mock Election

A mini campaign and mock election was held November 4 at 9:30 a.m. in the Muleshoe High School Auditorium. Juniors and interested public were greeted with patriotic music played by Tena Landers at the piano. The invocation was given by Lynnette Shafer; salute to the flag by Richard Orozco; Star Spangled Banner led by Clifford Watson, Kathy Tutt, and Marvin Lewis; Welcome by Benny Pena, master of ceremonies; and Why We Should Vote by Lori Butler, mistress of ceremonies.

Running for State Senator of the 31st District were Bill Sarpalius, Democrat, portrayed by Carroll Precure and Bob Price, Republican, portrayed by Greg Harrison. Campaign speeches were given by Bill Sarpalius by Senator Edmund Muskie (Johnny Puckett), Juanita M. Kreps (Wendy Stice), and Patricia R. Harris (Michelle Agee). Campaign speeches for Bob Price were given by George Bush, Jr. (Sally Lunsford), Senator John

Tower (Andy Snell) and Marjorie S. Holt (Marie Alfaro). The introduction of Bill Sarpalius was given by his campaign chairman Brad Poyner. The introduction of Bob Price was given by his campaign chairman Shelli Hawkins. A press conference was held to clear the issues by press members Janie Richards, Jim Overman, Larry Nowell, Nona Perez, Todd Allison, Albert Lopez, Leslie Cowan, Gary Cox, Michael Davenport, Jackie Burris, Nora Rojas, Awyna Cox, Larry Beene, Bobby Grumbles, Wesley Rasco, Julius Briscoe, Mickey Long, Greg Williams, Jeff Durben, and Scott Denny.

A spark of enthusiasm was generated as political dignitaries spoke during the breaks. Former President Gerald Ford (Curtis Hunt), Senator Daniel Patrick Moynihan (Ruben Fabela), Senator Edward Kennedy (Felix Norman), and Senator Barry Goldwater, Sr. (Marvin Lewis) boosted spirit for their chosen Presidential candidates.

* FFA News *

We would like to thank all the ag boosters for helping with the farm sale. About \$2,000 was raised for the sale.

A special guest at the meeting last Monday night was Mrs. Wells who discussed the fruit sale, which will be held until December 31. Any one who wishes to buy fruit may contact any FFA member of Mr. Terry Singleton.

Sausage sale winners are Craig Hunt, Joey Burton, Michael Barrett, Lynn Moore, Devin Sisemore, Jeff Sisneros, Bobby Grumbles, Randall Stevens Kim Farmer and Casey Stewart. They were able to choose a Barrow for showing.

At the Halloween Carnival, FFA had the bucking barrel clearing about \$50.

The next chapter meeting will be held November 10 at 8 p.m. in the vocational building.

Coaches Comments

We are extremely pleased with the progress that our football team had made in the last month. We are developing into a very good team, and we hope that the timing of doing so is just right.

The winner of the Littlefield-Muleshoe game will be the district champ and represent our district in the State playoffs. I encourage everyone to get fired up at MHS because it will take everyone's effort to defeat the Wildcats.

Once again at Dimmitt we played very good football both offensively and defensively. We scored more points than any team I have coached in Muleshoe and again shut the

Watson. Campaign speeches given for Patrick Lucey were Paul Newman (Riki Kingrey), Sally Quinn (Maria Flores), and Sissy Farenthold (Beatrice Garcia). Campaign speeches for Walter Mondale were given by Senator Alan Cranston (Adam Laredo), Robert S. Burgland (Ray Castorena), and Mary Rose Oaker (Sharon Carpenter). Campaign speeches for George Bush were given by Senator Robert Dole (Brenda Stevens), Senator Clifford P. Chase (Derek Prater), and Senator Mark Hatfield (Larry Lopez). The introduction speech for Patrick Lucey was given by campaign chairman Carla Shafer. The introduction speech for Walter Mondale was given by campaign chairman Charles Walker. The introduction speech for George Bush was given by campaign chairman Jimmy Gleason.

Presidential candidates were Republican Ronald Reagan, portrayed by Marlin Bynum; Democrat Jimmy Carter, portrayed by Mary mata; and Independent John Anderson, portrayed by Keva Roming. Campaign speeches for Reagan were given by Governor Bill Clements (Bryce Holmes), Governor John Kennedy (Benton Glaze), Representative Phillip Crane (Shane Claunch), Mrs. Robert Dole (Linda Burton), Senator Strom Thurmond (Bobby Perez), and Representative Jackie Kemp (Leslie Wagnon). Campaign speeches given for Jimmy Carter were by Senator Robert Byrd (Kenny Chancy), Rep. Elizabeth Holtzman (Orpha Pecina), Sen. Lloyd Bentsen (Joey Carpenter), Harold S. Brown (Anna Martinez), Rep. Roberta Cornell (Minerva Martinez) and Rep. Kent Hance (Quincy Kirven). Campaign speeches for John Anderson were given by Barbara Jordan (Kathy Tutt), Mayor Kevin White

(Sylvia Quesada), Jesse Jackson (Julius Briscoe), and John Macleod (Steve Claybrook). The introduction speech for the Republican candidate was given by campaign chairman Janie Barra; for Democrat candidate was campaign chairman Melissa Allison; and for the Independent candidate was campaign chairman Tena Landers.

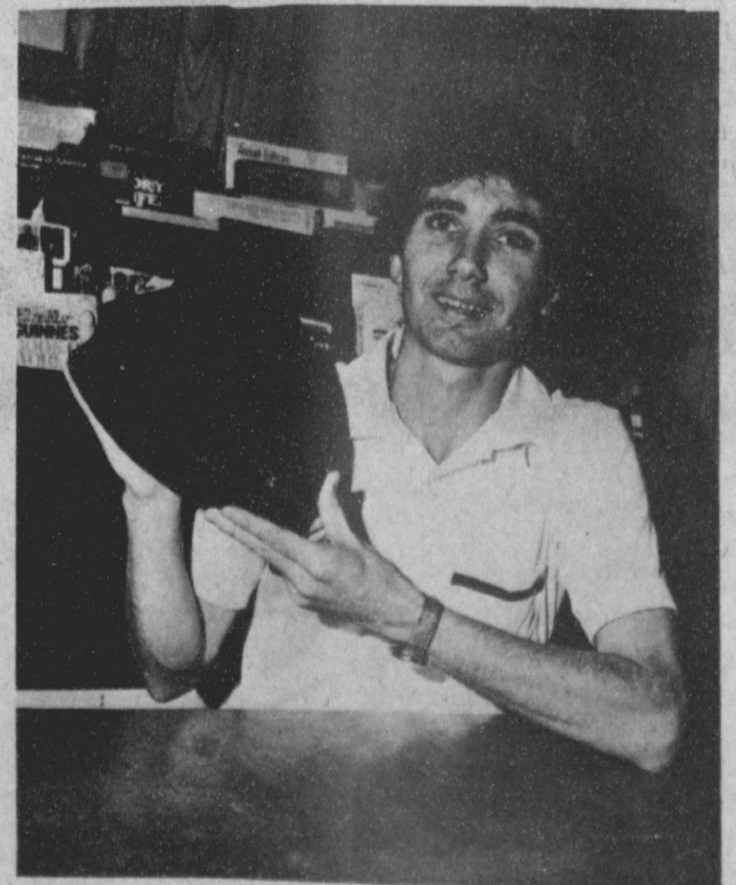

Press conferences were held after each set of speeches to make the issues clear, and often putting the candidates on the spot. All speeches were written by their speakers, and much effort and study went into the project to learn the issues. An explanation of the voting was given by Traci Walker. The Election Judges were Casey Farmer, Kelly Harrison, and William Orozco. Poll watchers were Joe Lopez, Ramon Guillen, George Hodges, Isreal Orozco and Juan Duran. The program committee was Kathleen Patterson, Tammy Knight, and Ruthie Burton. The campaign literature was handed out by Juanita Lozano, Lupe Pacheco, Tracie Webb, Marilyn Harris, Rita Ring, Yolanda Hernandez, Lola Martinez, Jacinto Rodriguez, Jimmy Berry, and Mark Callaway.

The results of the voting by all in attendance were as follows: BOB PRICE-127 over BILL SARPALIUS-85; RONALD REAGAN - GEORGE BUSH-142 over CARTER-MONDALE - 62 and ANDERSON-LUCEY-9

A special thanks goes to Mrs. Harold Allison, civics teacher, for her special efforts and time she dedicated.

Each speaker composed his own speech by doing careful research on the candidates.

The civics classes are now viewing and discussing the Republican and Democratic Conventions that were video taped this summer.
