ISSUE NO. 8

An Open Letter To Current And Former Residents of Motley County

I am contemplating pursuit of a class-action lawsuit, in Matador, against the manufacturers of various chemicals and pesticides used on range and cropland (including local mosquito spraying), primarily in the 1950's, on behalf of the many people who have incurred and/or died from various types of cancer, which emerging evidence now indicates was caused by these chemicals - many in a class of so-called "organo-chlorines" - the manufacturers of which knew the dangers before anybody else.

As you know, Motley County has never had any manufacturing, but has been beset by incredibly high cancer rates. For example, my 1960 Matador High School graduating class generation is now experiencing a 50% breast cancer rate (four times the national average), and deaths have already occurred. This can only be rationally traceable to the petrochemical industry. Nothing else makes sense.

This type of litigation is massive, expensive, and involves tremendous tracing problems, which is my reason for writing to request information. While not an exhaustive list, growing up in Matador, I can remember handling and breathing a number of items, almost all of which are now banned, including: Toxaphene; DDT; 2,4-D; 2,4,5-T; and a fungicide, which was skin penetrable, called Ceresan-M. I believe that all except the last item were ingredients of Agent Orange, used in Vietnam.

I would appreciate information from anyone concerning additional suspect chemicals to add to the list, and much more importantly, any information that may be gleaned from old records, contains laying around the farm, ranch or shed, and memory concerning the identity and location of the manufacturer of such chemicals. Please call or write me at the number and address listed below.

Many thanks in advance, and with best personal regards, I remain,

Very truly yours,
Tom Edwards

Motley County Man Works To Promote Economic Development

by Kelly Wade

NOTE: This story was made possible by a grant from the Reader's Digest Foundation for Texas Tech Journalism students.

In recent years, the population and tax base of Motley County have noticeably declined.

Charles Keith is trying to change this. Keith, a native of Matador, is working as a volunteer to promote economic development for Motley County. He is trying to find and secure government grants that will stabilize the tax base and reverse the decline in population by giving people an incentive to stay.

Keith met with representatives of the Agricultural Extension Service in a workshop format last week to discuss how to get help and organize efforts to secure grants.

Keith grew up and lived in Matador until he left to attend college at Texas A&M, where he majored in horticulture.

When he graduated in 1958, he went on active duty in the Marine Corps. While a Marine, he traveled to such places as Hong Kong and Thailand, and served in the Vietnam conflict.

Early Voting Continues Through March 4

Early voting for the March 8 Primary Election may be done until March 4 at the Motley County Clerk's office in the courthouse.

Statewide, voters will be casting votes for Governor; U.S. Senator; U.S. Representative Dist. 13; Lieutenant Governor; Attorney General; Comptroller of Public Accounts; State Treasurer; Commissioner of General Land Office; Commissioner of Agriculture; Railroad Commissioner; Railroad Commissioner, un-expired term; Justice Supreme Court, Place 1; Justice Supreme Court, Place 2; Justice Supreme Court, Place 3; Presiding Judge Court of Criminal Appeals; Judge, Court of Criminal Appeals, Place 1; Judge, Court of Criminal Appeals, Place 2; Member State Board of Education, District 14; State Senator, District 30; State Representative, District 85; Justice 7th Court of Appeals, District Place 1; Justice 7th Court of Appeals District, Place 2.

Locally voters will be voting for the following places:

District Judge, 110th Judicial, Randy Hollums; Motley County Judge, Laveria Price; District and County Clerk, Lucretia Campbell; County Treasurer, Joe Campbell; Justice of the Peace, Place 1, Cora Smallwood; Commissioner, Precinct 2, Butch Hughes; Commissioner, Precinct 4, Harold Parks; Doyle Shannon, J.T. Swim, J.N. Fletcher, Jr.

When he retired from the Marine Corps in 1978, he spent six years at the University of Southern California working on a doctorate in higher education management.

After leaving the university, Keith went to work for Hughes Aircraft Co., supervising production of radar components that are used on F-15 aircraft.

Keith moved back to Matador last July with his wife, Joan.

In addition to working on the economic development of Motley County, Keith volunteers at Matador High School one day each week, advising students on future college plans.

Citizens Voice Ideas At Economic Planning Meeting

Motley County residents listen as Dr. Don Stebbins speaks on economic development.

by Kelly Wade

NOTE: This story was made possible by a grant from the Reader's Digest Foundation for Texas Tech Journalism students.

Motley County residents met with a representative of the Agricultural Extension Service in a workshop meeting last week.

Dr. Don Stebbins, a rural economic development specialist and associate professor at Texas A&M University, addressed groups of almost 40 people last Tuesday and Wednesday night about the economic future of Motley County.

Participants discussed plans to attract businesses and services to Motley County.

Citizens attending the workshop were divided into three groups to brainstorm ideas to improve economic development and quality of life in the county. Ideas

were then prioritized by the group as a whole.

The ideas for economic development were put into several different categories, such as business and recreational improvements. Stebbins encouraged citizens to initially concentrate on only one category.

Ideas discussed included development of a county-wide chamber of commerce and formation of a hunting co-op.

The groups will hold follow-up meetings on March 3 and March 10.

Success of the ideas formulated in the workshop will ultimately depend on continued involvement of the citizens of Motley County.

Charles Keith, a leading volunteer working for economic development, stated that, "people must want change and want to make a difference."

Mother-Daughter Banquet To Feature '50's Theme

Rock and Roll, special guest appearances, live entertainment, and delicious food are just a few of the planned activities for the Eternas Study Club Annual Mother-Daughter Banquet this year. The date for the gala event is set for Thursday, March 10 at 7:00 p.m. in the Motley County High School Gym. All girls in grades 4-12 will be eligible to attend the fun-filled evening. Tickets are now on sale and may be purchased from Carolyn

Ewing or Mary Blanchat at the High School for \$6.50 per ticket.

The theme for this year's banquet is "Back to the 50's" and guests may either dress as typical 'teeny-boppers' or in the traditional banquet apparel. Don't miss out on the fun! Hurry and purchase your tickets now and assure your attendance to this unforgettable evening. For additional information contact Terree Donaldson at 347-2851 or Kay Bingham at 347-2817.

Local Youth Benefits From Heart Research

by Earlyne Jameson

His beaming smile, friendly hello and jaunty walk tells you this is a wonderful world in which he lives. He is with us today because of heart research, a good family doctor, the best of cardiologists in Lubbock and God's guidance and love. This young man is Jeremy Jones.

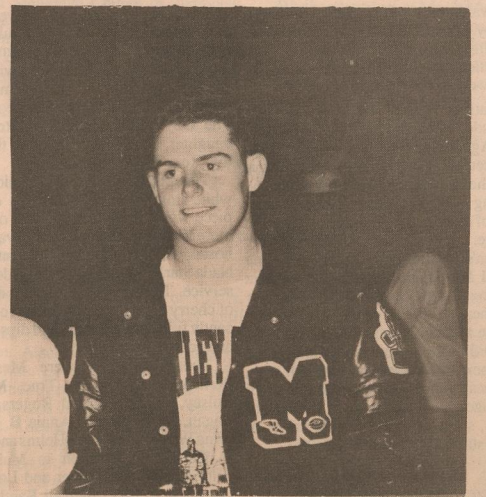

When Jeremy was thirteen years old, he was lacking energy and became exhausted after the least bit of exertion. He became despondent and irritable with his family and those around him. His mother, Carla Meador's concern turned into alarm when Jeremy collapsed on the divan one night and she could see his heart trying to jump out of his shirt and his face turning blue.

Dr. Pat Williams, local family physician, gave him an EKG, and made the initial diagnosis of WPW Syndrome (Wolff Parkinson White), which is a condition that causes nerve tissue (accessory pathways) to form around the heart (like growths), and therefore causes abnormal blood flow, circular motions around the heart. This is a congenital disease and occurs in only 0.1 - 0.3% of the population. These individuals are at highest risk for sudden death. Dr. Williams referred him to Cardiology Associates of Lubbock.

After being examined by Dr. Guy A. Wells, Cardiologist, it was determined that Jeremy not only suffered from WPW syndrome, but also an enlarged heart, and PAT syndrome (Paroxysmal Atrial Tachycardia), which is rapid heart beat, causing Jeremy's heart to beat as much as 220 beats per minute, a result of the WPW. Normal heart rate is 68-85.

Jeremy was hospitalized in January of 1991 for tests. A procedure was performed in which tubes were inserted through his arteries and connected to a screen which allowed the doctor to see exactly what his heart was doing. After this procedure, Dr. Wells prescribed medication for Jeremy, to try and keep the problem under control as long as possible, trying to avoid surgery.

After a year of pharmacologic therapy, Jeremy was still experiencing chronic fatigue and dizziness. Dr. Wells began an extensive medical routine with Jeremy at Cardiac Diagnostic and Research Center

Jeremy Jones

in Lubbock. Mapping by intracardiac recordings for precise anatomic localization of direct connections.

Dr. Wells determined that it was time to correct this problem. Jeremy was again hospitalized in January of 1992. Dr. Wells and Dr. John J. Seger, both cardiology surgeons, performed a fairly new procedure, a Catheter Ablation, on Jeremy in January of 1992. The procedure is a very complicated one, which consists of delivering electrical energy via a properly positioned intra-cardiac catheter to the accessory pathways of nerve tissue between the upper and lower chamber of the heart. The procedure took 6 1/2 hours to perform, but was a complete success.

Without research, this procedure would not have been available. In fact, Dr. Wells told Jeremy and his family that even a year before, the procedure would not have been available to the extent it was used on Jeremy. And due to this research, Jeremy did not have to have open heart surgery, which would have put his energetic teenager out of physical activity for the rest of his life. Only a temporary pace maker was

used during the procedure. A permanent one was never needed.

Jeremy's heart procedure has been presented in publication and in video to Medical Seminars.

Jeremy, today, is a seventeen year old Junior student in the Motley County High School and is an honor student. He actively participates in powerlifting, winning a first place trophy recently. He is a member of the MHS varsity football team, tennis, and track teams. He belongs to FFA and shows his swine project at Livestock Shows. He is vice-president of the Student Council, a member of FCA (Fellowship of Christian Athletes), and is a cast member of the UIL One Act Play. He was chosen as Junior Class Favorite.

Jeremy and his family are thankful for the God given blessing of him being alive and happy today, to the American Heart Association Research and the expertise of his medical doctors.

Jeremy is the son of Jim and Carla Meador of Matador and Jonathan Jones of Premont, California.

Motley County residents are reminded that February is Heart Month.

Filing Dates for Local Elections to Continue Through March 23

Sign up dates for local elections to be held May 7 will continue through March 23.

The Matador City Council will have three places open, Mayor, now held by Gary Lancaster, and two council members, currently held by Pete Williams and Shane Jones.

The Roaring Springs City Council will have three places open, Mayor, now held by Joey Thacker, and two council members, currently held by Mary Webb and Gene Brannon.

Motley County School Board has three places open, now held by Vann Francis, Marisue Poits, and Leslie Jameson.

Motley County Hospital Board will also have three places open for election, now held by James Gillespie, JoAnn Durham, and Rickey Lawrence.

Those wishing to sign up for election are reminded they may do so until March 23, with the filing date opening on February 21.

Missionaries to speak at Methodist Church Services

Missionaries to Honduras Central America will speak Sunday, February 27 at Roaring Springs and Matador morning church services.

Don and Eunice Coffman, Iowa farmers for 10 years have been in this mission field 20 years. They are part of a farm school for underprivileged boys, 10-25 years old. The farm and running of 800 cattle is primarily self supporting. Everyone is invited to attend these services.

First Baptist Church To Host Men's Roundup

All men of the community are invited to attend the third annual Men's Roundup, Wednesday March 2 at 7:30 pm., in the fellowship hall of First Baptist Church, Matador.

A hearty meal will be provided by the church, and the atmosphere will be casual. Jerry Smith, manager of Plains Baptist Assembly, near Floydada, will speak.

Interested men may call the church office, 347-2345, or may sign-up at Matador Variety, Jo-Barb-Dee, Pay-N-Save, or Matador Motor & Implement. Bring a neighbor!

CAREER DAY — Kobbi Risser, 17-year-old Motley County Senior, was a working visitor at the Motley County Tribune on Tuesday, participating in the first annual Motley County High School Career Day. Kobbi is very interested in Journalism, and plans to attend South Plains College and major in Mass Communications in the Fall. She is active in UIL competition and recently won first place in news writing and second in feature writing at a practice meet. She is the daughter of Mr. and Mrs. Fred Risser of Matador.

Join Mrs. Arrie Aulick For Memorable Moments

by Earlyne Jameson

"Mrs. Arrie" as she is affectionately called was born January 24, 1894 in Arkansas and is the daughter of the late Mr. and Mrs. E.D. Smith. In 1900, she and her family moved to Hill County, Texas and in 1917 to Whiteflat. She married the Rev. Henry Foster Aulick in 1928 in Abernathy. The Rev. Aulick was pastor of the Whiteflat Baptist Church in 1927. He died in 1949. After his death, Mrs. Aulick lived in San Angelo and Lubbock before moving to Matador in 1960 where she now resides independently. Her sister, Mrs. Laura Houston lived with her until her death in 1978.

During her lifetime, there have been eighteen presidents from Grover Cleveland to Bill Clinton. President Franklin D. Roosevelt was her favorite for his leadership during the depression and World War II. She said she and President Clinton both left Arkansas, but she left in a covered wagon.

The states of Utah, Arizona, Alaska

and Hawaii were added to the nation within her memory.

The wars the nation has been involved during Mrs. Aulick's century lifetime include the Spanish-American War, World War I, World War II, Korean War, Vietnam War and the Persian Gulf War. She recalled during World War I, her brother, Bill Smith served two years in France. In World War II, her brother Jim Smith was in the service. She is thankful the wars were not fought on American land.

She has seen the invention of the airplane, automobile, motion pictures, television, computers and watched the first man walk on the moon. She and her family heard their first radio program in 1910 when they went by wagon into Brannon, Texas, three miles from their farm. She can't remember the brand of that set in the store, but it was "clear as a bell". She attended her first movies at the Guthrie Theater in Matador. She was fascinated by the first automobiles. Drum-

mers drove to their farm in Hill County to sell merchandise.

Farms today are not as they were when she lived in the rural Whiteflat community. There was no indoor plumbing, telephones, electricity or tractors. However, they provided their families with rain water from cisterns, milk cows, chickens, hogs and gardens. She said they had large patches of turnips you seldom see today. When the heat of August hung heavily in the air, they worked hard

to put up the garden's bounty. They took wagons of wheat and corn to a Mill in Roaring Springs to grind for flour and cornmeal. The lessons of life were taught and remembered around the old kitchen table.

When reminiscing with her family and friends at her 100th birthday party, Mrs. Aulick said, "I am thankful God has blessed me with such a rewarding and happy life and having the privilege of living during a wonderful century."

Arts & Crafts Club Members Learn New Plastic Art Work

Members of the Motley County Arts and Crafts Club, on arrival at Motley County Senior Citizens Center Monday, February 7, found it decorated for a Valentine Party, much to everyone's delight.

Lorene Lancaster conducted a workshop on using plastic canvas. It was interesting and fascinating. Many lovely and useful items can be made by using this art form.

The white village Mrs. Lancaster created from this form of art has been one display at Motley County Museum at various times also County Library. It was a part of the decoration for the serving table for this meeting.

The table was decorated with white lace cloth over red, a large valentine balloon and a Valentine cake, centered

the table, with white village and Valentine figurines. A lovely setting for a nice time.

Betty Simpson and Verdine Neighbors were hostesses for the day.

A business meeting was called and presided over by Joy Archer. Plans were made for next meeting and deacons appointed for museum for the month.

Members present were Joy Archer, Betty Simpson, Lorene Lancaster, Bonnie Edmondson, Geraldine Key, Leola McKelvey, Verdine Neighbors, Pearl Ratten, and Winifred Darsey.

The March meeting will be an all-day workshop on making yardstick shelves taught by Joyce Meredith. Work begins at 10 a.m. Covered dish luncheon at noon.

LETTER TO THE EDITOR

Enclosed is a copy of a poem written by Lawana Cruse in memory of Jammie. I thought it was so beautiful, I'd like for you to publish it in the paper so it can be shared with everyone.

Many have made donations to the Cystic Fibrosis Foundation in memory of Jammie, for this I am thankful. All monies donated to the CF Foundation funds much needed research.

In the past, the CF Foundation helped CF patients and families that had a financial need (medicine, meals, lodging, transportation, etc.) Due to the all out effort to find a cure for Cystic Fibrosis, and the tremendous amount of money needed for this research, the CF Foundation no longer assists needy CF patients and families.

Therefore, we have established the "Jammie Cammack Memorial Fund". The

purpose of this fund is to help needy CF patients and families who have a financial need. The fund is being administered by the CF Clinic in San Antonio to help patients in this area. The address is:

Heaven's Pink Rose

by Lawana Cruse

Today's there's a pink rose in heaven,
A rose that's so sweet and so rare.
The angels are laughing and singing
For Jammie has joined them up there.
With arms opened wide, she is welcomed.
Her footsteps will no longer roam.
The saints and the loved ones are happy
For Jammie is safely at home.

Down here we are lonely and crying,
But she would say, "Dry up those tears.
You just have to go right on living.
You had me for thirty-one years.
Take care of my darling companion.
He's special as everyone knows."
Yes, heaven will be a much better place
Because of that precious pink rose.

Dear Friends,

I have been at Heritage Place for almost 5 months. It is a lovely retirement apartment complex where I have a one bedroom, living room apartment. The staff and residents are lovely, helpful, caring persons and I am gradually getting adjusted.

Jimmie is in the Abilene State School, and doing fine. We see each other every

two or three weeks.

My vision is very poor. Macular degeneration of the retina with no hopes of improvement. I hope to never lose it completely.

El Progreso Club Meets For Valentine Party

El Progreso Study Club met February 10, 1994 in the Senior Citizens building for their annual Valentine-baked potato-bingo party. This looked-for time when the ladies of the club invite guests, have baked potatoes with many delicious toppings and desserts with a Valentine "taste".

Mrs. Dale (JoEta) Bumgardner, club president, welcomed the members and guests. Seated at the head table and recognized were Mrs. Robert (JoAnn) Dickson, TFWC trustee from Santa Rosa District and Mrs. George (Sue) Seigler, TFWC Scholarship chairman and Mrs. Bumgardner who also reminded the group of the Guest Evening on Feb. 24 when we will have a most interesting program with the speaker a former WASP who flew all types of airplanes during World War II.

Mrs. Bumgardner presented Mrs. Furman (Beverly) Vinson who was leader for the day. She, in turn, introduced Mrs. Harold (Grace) Campbell who gave a talk on "Porches", something we have all had in our lives at one time or another and occasionally the porch has played an important part of that life. Mrs. Campbell's topic came from an article entitled "Resurrecting the Porch". The author decided to "pluck" an eyebrow (the porch) from his farmhouse. This was all done because the ceiling, foundation and floorboards were rotting. Using chain saw, crowbars and tractor he "dragged" the porch from the main part of the house, not visualizing what it would look like, nor what kind of porch he was going to replace it with. Over the past 150 years a story of porches was unfolded with only small porches over the main entrances until that time. With the coming of the Industrial Revolution there developed a

middle class of family, therefore a middle class home and the development of the porch. One quote states "A shady porch was a necessary and delightful appendage to a country house, not only because it served the practical function of keeping the entrance dry, but also because a veranda "conveys" an idea of something beyond the merely physical wants - the idea of comfort and civilized ease."

In the days before radios, television, automobiles and air conditioners there was a more appealing or available diversion on a summers evening than sitting out on a porch. The century from 1840-1940 could be described as the Age of the Porch. People ate, slept, played and courted on their porches.

Roll Call from members and guests relating to a porch in their lives was varied and interesting. Mrs. Vinson gave the invocation after which the group enjoyed the luncheon. The tables and room was beautifully decorated with Valentines, hearts, red flowers in a large bouquet, red Valentine napkins and red plates to give a festive appearance.

Members other than those mentioned attending were Rev. Mary Helen Cross, Mrs. Pearl Patten, Mrs. Dorothy Watson, Mrs. Bailey Elliott, Mrs. Lola Pohl, Mrs. Winifred Darsey, Mrs. Callie Giesecke, Mrs. Dorothy Day, Mrs. Loys Campbell, Mrs. Lucretia Campbell, Mrs. Josephine Hamilton, and Mrs. Opal Pipkin. Guests attending were Venita Sedgwick, Lois Watson, L.V. Damron, Geneva Wilson, Irene Welling, Mary Jo McCress, Grace Shelton, Una Simpson, Marge Edwards, Opal Bradford, Louise Barton, Kathryn Russell, Marisue Potts and Greta Smallwood.

Stitch & Chatter Club Members Meet

A group of Stitch and Chatter and friends met Feb. 7, 1994 at Billie Dean's for lunch to visit with Mrs. Dick (Mary) Groves a former member who was "passing through". She had been unable to attend the reunion last year and this was an opportune time to "catch-up" on this particular group. After lunch some of the group adjourned to the home of Mrs. Jake

Edwards for further visiting along with Mr. Groves and Mrs. Edwards.

Those attending were Louise Barton, Eugenia Barton, Grace Campbell, Lucretia Campbell, Dorothy Day, Winifred Darsey, Marge Edwards, Beverly Vinson, Geneva Wilson and Mary Groves from San Antonio.

LIONS CLUB NEWS

The Matador Lions met with 23 Lions and three guests for a delicious meal and fun by the Tail Twister, February 15. Lion Gayland Cox was acting Boss Lion. He announced the Lions are sponsoring Frankie Ortiz in the Greenbelt Bowl in Childress in June.

The Lions expressed their thanks to Walter Jones for donating the fry grill to

the Lions, (they were always borrowing it anyway).

Lion Ronnie Vandiver was presented a growth pin for bringing in the first member for 1994, Jim Meador, Sheriff.

Lion Michael Clawson introduced Dr. Don Stebbins to explain the Rural Economic Development program. Meeting adjourned.

Lady Matadors End Season

by Coach McNew

The 1993-94 edition of Lady Mats Basketball ended with a 6-18 season; 1-5 district record.

Lady Mats selected to the all-district team voted on by the other coaches in the

district, were Mindy Dodson and Whitney Jameson. Receiving Honorable Mention were Kasey Parks and Brooke Brandon.

Final stats for the individual players were as follows:

Games Played	Name	points	rebounds	steals	forced turnovers
22	Mindy Dodson	112	59	66	20
24	Lesa Prather	129	46	26	16
24	Heather Turner	41	23	12	7
24	Keri Shorter	91	108	16	16
22	Kobbi Risser	19	20	8	7
24	Whitney Jameson	141	98	26	24
24	Wendi Beshirs	70	58	20	10
24	Brooke Brandon	158	149	26	19
24	Leah Cruse	93	86	22	17
12	Kasey Parks	78	101	9	11
24	Jennifer Beshirs	36	28	8	3

With a few more bounces of the ball Motley County's way, the Lady Mats would have had a better season as they played in several close games. The Lady

Mats appreciate everyone who supported them this season and look forward to the support in the future.

JUNIOR HIGH

The Junior High Girls played their last district ballgame against Petersburg. The 7th grade had another exciting ballgame and won 35-34 giving them second in district standing. Shella Graves led the scoring with 22. Other were Samantha Osborn, 7; Kandi Keltz, 3; and Nesa McFall, 1.

The 8th grade girls ended their season 4-10 with a 15-42 loss to Petersburg. Margret Mangram led all scorers with 6 points. Others scoring were Rebekah Jameson, 3; Crystal Christopher, 4; and Monica Clifton, 2.

Margret was 100% from the line and Rebekah was an impressive 75%.

J.V. LADIES

The J.V. Lady Matadors finished the season with a win over district rival Petersburg who beat them once this year. The score was 39-31, which gave the Lady's an overall record of 15-5 and a district record of 4-1, giving them first place in district.

Scoring for the Ladies were Leslie Van Hoose with 10; Leigh Ann Pipkin, 9; Christie Campbell, and Lanie Barton, 6;

Three Local 4-H Members To Scramble In Houston Rodeo Event

Three Motley County 4-H members will compete in the 1994 Houston Rodeo calf scramble on Feb. 26 in the Astrodome. Kasey Parks, 14, daughter of Harold and Barbara Parks, and Rebecca Long, 13, daughter of Rodney and Nona Long, of Roaring Springs, and Cobey Turner, 14, son of Johnny and Carol Ann Turner of Flomot will compete for one of 252 calves to be awarded at the 1994 Show.

Additionally, as many as two youngsters from each of the 18 rodeo performances will be awarded "hard luck" certificates for their hardy efforts in attempting to catch a calf, resulting in 36 more certificates actually given.

Beginning with athletic competition in the Astrodome, the program ends 12 months later with top-notch competition in the Astrohalla show ring.

Two 4-H members from Motley County will join other 4-H and FFA members from throughout Texas for showing competition at the upcoming Houston Livestock Show, Feb. 19 through March 6, at the Astrohalla.

The certificates, donated by generous companies or individuals, are used to purchase purebred beef or dairy heifers.

The calves are raised by the winners for special showing competition in the Astrohalla at the following year's Show. The yearlong project is closely supervised by the appropriate county extension agents or agricultural science teachers.

Additionally, the winners are required to submit financial records, photographs and a scrapbook to the calf scramble office to detail the progress of the venture. The youngsters are encouraged to provide updated reports to their donors as well.

Proper livestock evaluation techniques, efficient cattle feeding and production methods, and principles of money management are all realistic learning experiences for the youngster who manages to get a firm hold on a calf.

To date, the Houston calf scramble has put almost 13,000 animals valued at more than \$3 million into the hands of Texas youth.

God Bless You!

Lindsey's Lines

by Lindsey Williams

Golf has already started. Kay Bingham is the coach. This year there are 11 boys and 12 girls signed up. These students are all in grades 9-12.

Mrs. Bingham usually takes the students to the practice field on Mondays to work on their chipping and short game. Then, on Tuesdays the girls to the golf course and on Thursdays the boys go.

Mrs. Bingham is the coach of both the girls and the boys. She is excited that there are so many people interested in golf because it is one of the few sports that you can play for the rest of your life. It is also a good sport because weight, height, and age do not matter as much as they do in other sports.

In high school, there are 5 players on each team. Every week Mrs. Bingham has each participant turn in at least two scores. She checks the scores and this is how the teams will be determined.

The first tournament will be in Floydada. The girls will compete on March 1st and the boys will compete on March 3rd.

Last year, the girls won 1st at District and 3rd at Regional in Levelland. Although the boys didn't place, they got lots of experience. This year the team goal is to play as well or even better than they did last year. The main goal, however, is to play with a positive attitude and to have fun!

Local 4-H Members To Exhibit Prize Livestock at 1994 Houston Show

Darryn Perryman, son of Linda Perryman of Matador, and Christie Pierce, daughter of Larry and Vickie Pierce of Roaring Springs will be showing steers.

Representing 878 Texas 4-H Clubs and FFA Chapters, the junior show is expected to draw more than 11,000 entries this year. A variety of animals are shown in the junior show division: mar-

ket steers, market swine, market poultry, beef and dairy heifers, breeding sheep, goats, commercial steers and breeding rabbits.

Saturday matinee performances begin at 11 a.m. All Sunday performances will be held at 4 p.m., while all evening performances begin at 7.

Ticket prices are \$10 and include admission to the horse show (excluding National Cutting Horse Association sponsored events), the livestock show, the carnival and the rodeo. Tickets can be purchased at all Ticketmaster outlets, including the Astrodome box office. Tickets also can be charged by phone at 1-800-726-1313.

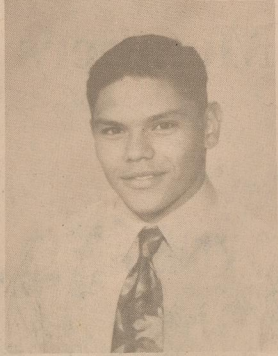

These FFA and 4-H exhibitors compete in one of two divisions of the Houston Livestock Show - the junior show division. The other division, the open show, draws its exhibitors from all over the world. These exhibitors are primarily professional breeders and ranchers.

PeeWee Division Added For 1994 MC Livestock Show

A PeeWee Swine Showmanship Class has been added to the Motley County Junior Livestock Show. The PeeWee division is open to any Motley County youth who is 8 years of age or younger and not in the 3rd grade. PeeWee participants will be allowed to show any FFA or 4-H hog project entered in the Motley County Livestock Show.

The PeeWee Showmanship will be

held at 10:00 a.m. on Saturday, March 12 before the start of the market swine show. Any youth interested in participating in the PeeWee Swine Showmanship Class must report to the Livestock Show before 9:00 a.m. on March 12th.

For additional information, contact Michael Clawson, County Extension Agent, at 347-2733 or Jim Cooper, Ag Science Teacher, at 347-2852.

Local Ranchers Invited To Enter Heifers In Livestock Show

The Heifer Show of the Motley County Junior Livestock Show will be held on Saturday, March 12, 1994 immediately following the selection of the grand champion buck and doe rabbit. The heifer judge will be Andy Stewart, Cottle County Extension Agent.

The heifer division is open to anyone cattle producer living in Motley County, owning land in Motley County, or any youth who is eligible for the Junior Livestock Show. Heifers must be 12-18 months of age at show date. The heifers will be classified into straight-bred and crossbred

classes. The breeder of the first place heifer in each class will receive a plaque. Since the heifers will be judged in pens, they do not have to be halter broke.

All heifers must be in place by 10:00 a.m. on March 12th. There will be a \$2.00 entry fee per heifer entered in the show.

For further information, contact one of the directors of the Motley County Junior Livestock Show Association. This year's directors are Billy Wayne Denison, Craig Turner, Bruce Lefevre, Mark Seigler, Rickey Lawrence, and Ron Gastineau.

Senior Citizens Report

For our luncheon on Tuesday, January 25, there were nineteen present. Some were still sick or out of town. Jo Bryant and Wanda Gibbs, nurses present representing the Floydada Nursing Home, attended our lunch, and invited people to come visit, and explained some things about the Care Center.

The Matador Senior Citizens met Tuesday, February 9 with twenty-one present. Tim Rice gave thanks for the meal. President Nora Belle Dunning called for birthdays and anniversaries, but there were none.

Bridal Shower Honors Mrs. Stephen Jeffers

A bridal shower honoring Mrs. Stephen Jeffers, the former Kimberly Ann Moore, was held Saturday, February 12, in the home of Mrs. Edgar Lee. Guests called from 10 until 11:00 a.m.

Hostesses in addition to Mrs. Lee were Eugenia Barton, Dorothy Day, Frances Dixon, Nora Belle Dunning, Marge Edwards, Sondra Francis, Evelyn Garrison, Opal Johnson, June Moss, Virginia Nimmo, Lindy Stafford, and Earlene Vaughn.

The table was laid with a white cut-work cloth and featured a beautiful arrangement of burgandy silk flowers with eucalyptus. The arrangement featured

colors chosen by the bride to be used in her new home and was a gift from the hostesses along with a set of stainless steel cookware.

Assorted cookies, sausage balls and water chestnut rolls were served along with coffee and hot punch. Dorothy Day presided at the twin carafe service.

Honor guests were the bride's mother, Betty Moore and grandmother, Bertha Moore.

Kimberly Ann and Steven exchanged marriage vows on Saturday evening, February 19, in a ceremony at the Second Baptist Church, Lubbock.

MATADOR NEWS

Former Resident Honored On Birthday

NOTE: Mrs. McGann was the step-daughter of Ben Folley, a pioneer rancher of Motley County and resided in the northern area of the county on the salt fork of the Pease River. She and her family moved to Vernon, Texas in 1953.

A 90th birthday party honoring Johnnie McGann was held on Saturday, Jan. 22 at the McGann home.

Host and hostesses for the celebration were her children and grandchildren.

Mrs. McGann's 90 years have included many highlights including being a ranch manager of four sections of land for her stepfather at the age of 17. She recalls how, with the help of five neighbors, she and her stepfather, all on horseback, drove nearly 300 head of cattle 11 miles to Turkey, to be shipped out by rail. That was her last cattle drive.

Later after she met and married W.T. (Bill) McGann, she had three children, ran a 900-plus acre ranch, was active in the Home Demonstration Clubs at Flomot and Matador and was a 4-H leader.

After moving to Vernon in 1953, Mrs. McGann was very active in various clubs. Through the years, Mrs. McGann has volunteered 10,000 hours of service for the State Hospital Volunteer Service garage sales.

She has been a lifelong member of the Church of Christ. She continues to enjoy reading, playing "42" with her friends, doing yardwork and looking for new challenges to conquer.

CELEBRATE BIRTHDAYS

Cecil and Grace Shelton, whose birthdays are Feb. 16 and Feb. 13 respectively, celebrated their birthdays with a family luncheon in Aspermont, Sunday, Feb. 13.

Those attending were daughter and husband, Evelyn and C.D. Garrison, who accompanied them to Aspermont and other daughter and family, Sue and Richard Lancaster, Christy and Jordan and Mrs. Leann Owens, Devin and Rex of Breckenridge.

NOTICE OF RATE CHANGE REQUEST

Brazos Electric Power Cooperative, Inc. (Brazos Electric), in accordance with the Public Utility Regulatory Act and the rules of the Public Utility Commission of Texas, publishes this statement of intent to change rates applicable throughout the territory in which it provides electric service. Brazos Electric provides only wholesale power under one wholesale rate class containing 27 customers, all to be affected by the rate change. The proposed rate change is expected to result in a \$9,243,587, or 4.23 percent, increase in Brazos Electric's test-year revenues adjusted for weather normalization, year-end customer numbers, and other revenues. The increase over test-year revenues, adjusted only for the effect of year-end customer numbers, as specified in the commission's Rate Filing Package is \$17,440,920, or 8.29 percent. The effective date of the proposed rate change is March 14, 1994, or as soon thereafter as permitted by law.

A complete copy of the proposed rate change application is on file with the Public Utility Commission of Texas and at the headquarters of Brazos Electric, 2404 La Salle Avenue, Waco, Texas.

Persons who wish to intervene in or comment upon these proceedings should notify the commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission's Public Information Office at (512) 458-0256, or (512) 458-0221 for text telephone. The deadline for intervention in the proceeding is March 24, 1994, 45 days after February 7, 1994, the date the application was filed with the commission.
