## Local AEP employee honored by Grant to Matador VFD

The Matador Volunteer Fire Department received a grant from American Electric Power in honor of AEP employee, Glenda Williams' significant volunteer service. Glenda has served many years as a volunteer dispatcher for the department.

The AEP Connects program recognizes the commitment of AEP employees and retirees to their communities and supports causes that are important to them, according to Michael G. Morris chairman, president and chief executive officer. More than 780 grants were made company wide last year representing more than 130,000 volunteer hours donated by AEP employees.

"Although no monetary grant can compare to the value of the time our employees give to worthwhile causes, the \$150 grants made by this program in the names of AEP volunteers will help organizations meet the challenges of fulfilling important needs to the community," Morris said. The Matador VFD members say "Thanks to Glenda and AEP"

## American Legion meeting set for Monday, January 23

The American Legion Post 337 and Auxiliary will meet Monday evening, January 23, at 7:00 p.m. at the Motley County Senior Citizens Center. A covered dish for dinner will be the cost of admission.

This meeting will include planning for the annual Soup 'n' Saturday and information concerning the Vial of Life Project. Please make your plans to attend. These important projects need the assistance of every member.

## Matador City Council adopts retirement plan for employees

The Matador City Council met Thursday, January 12 with Mayor Pro-Tem Shane Jones, Councilmen Chuck Ream, Bert Darsey and Pat Seigler, Water Superintendent Steve Barton, City Secretary Debra Scott and TMR Representative David Rodriguez attending.

Mrs. Jones called the meeting to order and asked Chuck Ream to give the invocation. No one responded to Open Forum. TMR representative David Rodriguez explained the retirement program to council. A resolution was adopted for the program at 5% employee contribution and a 1/1 match by the City.

City Attorney Tom Hamilton talked with council about the outstanding account with Yellowhouse Machinery. Council voted to have Mr. Hamilton act as the City representative and approach Yellowhouse with a settlement on the Dozer repair bill.

Council reviewed and approved expenditures, including the second payment to Matador VFD. Council also voted to move \$5,000 from the general

fund into a CD. A resolution was passed to enforce a temporary burn ban within the City limits. Craig Turner was reappointed to the Market Matador board. A discussion was held about possible appointments to the City Councilman vacancy left by Jim Watson.

The budgets were reviewed and Steve Barton gave his water report. Mr. Barton said the water line to the Nursing Home should be completed by next week.

## 2005 Newsmaking Headlines outlined

continued from last week

March 17, 2005:

Motley County School in jeopardy if property tax values don't increase: "Motley County schools are in jeopardy if the county property tax values don't increase. School funding is based on local values. The state funds contribute 34% and the local tax base must pick up the rest of the tab to operate the school. The current property values do not allow enough money to fund next year," said Superintendent Rick Copp."

Parents ask City for provisions to ordinance: "Parents of 4-H members met with Matador City Council Thursday, March 10, to express their concerns regarding the City's ordinances."

March 24, 2005:

Friday night drug bust sends two to jail: "A drug bust Friday night, March 18, sent two young adults to jail. Motley County Sheriff, Jim Meador, and DPS Trooper, Chad Overton, arrested Jessica Segura, 18, of Jayton, and Scott James Chavez, 20, of Girard, on possession of marijuana."

## Vandals damaging local businesses

Vandals have recently plagued Matador businesses with a series of shootings to doors and windows.

Sheriff Jim Meador received a report from Alvin Martin of Martin Tire on January 2 of a window being shot on the front of the building. On the same day, Sheriff Meador received a report from Misty Jones of ohhlaa that the shop's door window had been shot. Shane Jones of Matador Variety also reported that two windows in front of the store were shot. Upon further investigation, Sheriff Meador discovered that windows had been shot at Matador Motor, Don Baxter's shop, and the old Ford House.

Misty Jones of ohhlaa reported on January 16 that her door window had been shot again.

On Tuesday, January 17, Annette Hollinsworth of New to You reported that her door had been shot and completely shattered. It was also reported that the door window had been shot at Knowles Taylor Cotton.

## A Pancake Smile

Little Bonnie Bird has a big smile while enjoying some pancakes, with the help of Mom, Amanda, at Tuesday nights' Pancake Supper. The Annual event, sponsored by the Matador Lions Club, raises money for various organizations and projects the club supports. Bonnie and parents, Amanda and John Bird, were joined by many area residents at the delicious event.

Sometimes I really don't know how I ever wrote this column before email. In the same way that frequent use of calculators make you think you can't do any math without one, computers, internet and email have done the same to the mind. It is true that in the newspaper business, I couldn't do without computers and internet, I don't like the feeling that I can't think on my own. The truth is I don't have the time to think. By any token, the following is another neat email I received from my niece, Mary Rose, who lives in New Jersey.

**A.S.A.P.**

Ever wonder about the abbreviation A.S.A.P.? Generally we think of it in terms of even more hurry and stress in our lives. Maybe if we think of this abbreviation in a different manner, we will begin to find a new way to deal with those rough days along the way.

There's work to do, deadlines to meet;  
You've got no time to spare,  
But as you hurry and scurry  
ASAP - ALWAYS SAY A PRAYER!

In the midst of family chaos,  
"Quality time" is rare.  
Do your best; let God do the rest --  
ASAP - ALWAYS SAY A PRAYER!

It may seem like your worries  
Are more than you can bear,  
Slow down and take a breather --  
ASAP - ALWAYS SAY A PRAYER!

God knows how stressful life is;  
He wants to ease our cares,  
And He'll respond to all your needs  
ASAP - ALWAYS SAY A PRAYER!

## El Progreso Club enjoys poetic afternoon at recent meeting

El Progreso club members met in the home of Dorothy Day, January 12, to enjoy an afternoon of poetry. Before the program of each member reading a poem that was a favorite or one learned earlier in life, JoAnn Dickson, club president, opened the meeting. The first order of business was to decide what the programs would be for the balance of the year and where they would be held. Several items were cleared, but most important was the planning of the annual Baked Potato meeting always held in conjunction with the Valentine meeting. This year it will be, again, at Dorothy Day's home along with the assistance of Jo Etta Bumgardner, on February 9 at 11:30 with the theme, "Dare to Love."

Poems of all caliber were read. One person even did one from memory - smart thing! It was really an "olio" (mixture) of poetry. Beverly Vinson read one learned in third grade but most forgotten, "The Village Black-

smith" by Henry Wadsworth Longfellow. Lucretia Campbell chose Rudyard Kipling's "If," then gave from memory from *A Child's Garden of Verse* by Robert Louis Stevenson, "Oh, How I Love to Go Up in the Swing." Winifred Darsey read another Kipling, "L'Envoi". A prose piece was read by Dorothy Day, "A Lifetime of Dieting" by Judith Virst. JoEtta chose "Opportunities" by John Engle; Billie Koon's from Tidbit was "You're Always in my Heart," a very touching verse; and JoAnn read several, the first "Don't Ignore Friends" and several from *When I Am An Old Woman*, which included "Like Mother, Like Daughter," "Social Security," "When I Am Old I'll Wear Purple," "The Search," "The Orphan," "The Things," Winifred read her sister, Opal Pipkin's favorite, "The Daffodil" by Longfellow.

A lovely refreshment table was enjoyed by all along with visiting.

## Library Notes

by Suzanne Abbott, Librarian

Don't forget the book discussion by Marisue Potts-Powell and PK Green this coming Tuesday, January 24, at 7:00 p.m., featuring the book *Ahab's Wife*. Even if you have not read the book, you are welcome to attend. These book discussions are always lively and enjoyable and they always help a person decide whether or not he wants to read the book.

We appreciate the donations that we received this past week. We thank Alex and Jo Crowder for their donation to the Friends of the Library building fund. We appreciate the donation from Marisue Potts-Powell for her donation to the building fund. We also thank the Marshall brothers and Rodney Williams

for their work on the new building a couple of Saturday's ago. They tore out the concrete where the new water line will go, thus getting us a big step closer to having plumbing in the new building. We thank the Wheeler Brothers from Turkey for lending an air compressor and jackhammer to the project.

We appreciate the memorial donations received last week. We thank Linda and Steve Hess and family for their donation in memory of Lola Pohl. We also thank Ed D. and Pat Smith for their donation in memory of Katie Davis and Lola Pohl.

New books in the library include *On the Run* by Iris Johansen and *Night Fever* by Diana Palmer.

Cassie and Kittie Campbell both received 4.0 GPA's for the Fall 2005 semester. Cassie, right, is a senior at Angelo State University in San Angelo. Kittie is a freshman at the University of North Texas in Denton. Both girls took 15 college hours for the semester. They are the daughters of Douglas and Janie Campbell of Matador.

## First Baptist Church to host Ladies' Luncheon

All women of the area are invited to attend and bring their friends to the upcoming Ladies' Salad Luncheon to be held at First Baptist Church, Matador, on Saturday, February 4, at 12:00 noon.

Special guest, Virginia Taylor of South Plains, will share a slide presentation on wildflowers of Texas. Women who attended last year's luncheon will remember her dramatic inter-

pretation of the life of Mary Magdalene.

The meal, hosted by Women on Mission of the Church's WMU, will be a salad luncheon. Guests who would like to bring a salad are encouraged to do so, but this is not required. Also, women attending as a group are asked to bring one salad for every two or three in the group.

For more information call Doris Moore, 347-2875.

## Brenda Gillespie named to Dean's List

Texas Tech University announces that Brenda Gillespie has been named to the Dean's List for the Fall 2005 Semester. This recognition is accorded to those students who have attained a grade point average of 3.5 or better during the semester. Norman Hopper, Associate Dean for Academic and Student Affairs, stated that Brenda has earned this prestigious recognition because of her commitment and dedication to excellence in her education.

Brenda is an Agricultural Communications Major with a minor in Agricultural and Applied Economics. She is the daughter of James and Kathy Gillespie of Matador.

## Almighty is Jesus

Our Lord Jesus is a mighty warrior. Sometimes we neglect as teachers or preachers to remind ourselves and others of the might, power, and strength of our Lord. When we do, our audience, and/or our students become the losers. There is so much of the Bible that we need to learn and learn how to teach.

Generally speaking our view of Jesus is sometimes slanted because we try to make Him fit into the little box of our minds. But we have a Lord who is all-powerful. The Bible describes Him as the "Lord Sabaoth" and the "Lord of Hosts." In Revelation 19, Jesus is seen as the Lord of the Army of God.

Our Lord is found in the Bible to be the creator of this world and everything in it. He sustains life on this planet according to the first chapter of John. Jesus is indeed the Savior of us all. Comforting to us is the certain knowledge that our Lord has great power and will continue to exercise such until He comes in glory. Let us never forget the Almighty Lord, who after all, is in control of all.

## STRANGE CURRENT EVENTS!

Now and then we'll interrupt the flow to mention or comment on current events. Here's two, that explain our recent church/state separation analysis:

You've probably heard of the federal case against the Dover, Pa., School Board over its directive to students that Darwin's theory is "not a fact" and has inexplicable "gaps," and suggesting they consider an Intelligent Design textbook. The federal judge bought the evolutionists argument that science must be limited to only that which may be explained by "natural," rather than "super-natural" causes, even though they admitted that they can't explain how evolution could have occurred. The judge then held that ID is religious in nature and its teaching in public school would thereby violate separation of church and state!

That prompts one to ask: "Has this become a wonderful country or what?" We can teach our students falsehood as truth, but we can't teach truth as truth, because it would violate separation of church and state! It becomes even more absurd when we consider a statement of a leading evolutionist, Dr. Michael Ruse: "Evolution is a religion! This was true of evolution in the beginning, and it is true of evolution still today!"

Moral: We can Constitutionally teach an anti-God "religion," but nothing that might affirm His existence! But it's not all bad. Looky here:

On Dec. 20, 2005, the U.S. Court of Appeals for the 6th Circuit slam-dunked the ACLU on another Kentucky courthouse Ten Commandments display. In upholding the display, the Court, noting that the ACLU had made

repeated references to "the separation of church and state," rightly said: "this extra-constitutional construct has grown tiresome. The First Amendment does not demand a wall of separation between church and state. Our Nation's history is replete with governmental acknowledgment and in some cases, accommodation of religion. After all, we are a religious people whose institutions presuppose a Supreme Being." "The Court went on to say that a hyper-sensitive plaintiff who might be "offended" by any reference to God was just tough, and that the ACLU certainly did not qualify as a "reasonable person." Score one for the good guys! This is what we can do when we join the battle and get involved. Please do.

Next week: Brightening Up.

## Consider:

If God had wanted man to fly, He would have made it easier to get to the airport.

— Anonymous

While getting to the airport does truly present a challenge, there is a new resource for Motley County that can make other things easier.

CapRock Telephone Cooperative now has Miss Barbara B. Bogart on the staff, and her title is Marketing Coordinator/Member Services Representative. She and Ricky Martinez came to the last Chamber of Commerce meeting to introduce her and explain what she might be able to do to help people and organizations in Motley County.

While it is often best if projects go through non-profit organizations, she can help businesses as well.

Barbara Bogart is there to serve as a source of informa-

tion. For example, she can do some of the legwork to get projects off the ground. She can find opportunities for grant money, and even help you fill out the associated forms. And then, if in the end, a project is not funded, she can help you find out why. As an example, SPAG is good for infrastructure grants (buildings and communications networks, as opposed to materials and equipment).

As an example of the kind of possibility she sees that she would like to advance, she spoke of people from Lubbock who are looking for places to board their horses, places where they can then come on the weekends and ride. Apparently, they find such places of particular value if there is history associated with the place they are riding, and Motley County has plenty of that to offer.

But it is up to us to think up projects and develop plans that she can help with. It is nice to

know that she is there and willing to help, that there is someone to turn to for help in getting grants or organizing other parts of the plan.

Barbara Bogart can be reached at the CapRock headquarters at 121 E. Third Street in Spur, TX 79370, but of course she can also be reached by telephone (1-800-692-4242), fax (1-800-271-3601) or by e-mail at bbogart@caprock-spur.com.

We are fortunate to have someone to help us with things like this, but she can only make a difference if we turn to her for help. So get in touch with her and find out how she can help you or your organization.

### HONORED ON BIRTHDAY

Mary Ellen "Dude" Barton was honored on her birthday Saturday with a luncheon at the Main Street Cafe in Matador. She received a lovely bouquet of flowers, cookies, pies and cakes. She remarked they were being sure she did not lose any weight!

Those attending the happy occasion were Ken and Dinah Young of Roaring Springs, Mrs. Marisue Powell and Mrs. Lou Burlison of Floydada; Wilburn Martin of Flomot; Mrs. Eugenia Barton, Mrs. Dixie Campbell and Mrs. Judy Renfro of Matador.

### ATTEND BIRTHDAY PARTY

Janice and Butch Hughes attended the birthday party Sunday afternoon of their granddaughter, Kendal Hughes in the home of her parents, Rickey and Tasha Hughes in Floydada. She blew out her three candles on a colorful "Pink Poodle" decorated cake. Cake and punch were served.

Other special guests were maternal grandparents, Rodney and Janell Rochelle and great grandmother, Mrs. Elva Curry of Paducah; Kayla Meyer of Amarillo, Roger, Tiffany, Tara and Reagan Hughes of Floydada and Kendal's friends.

### CELEBRATES 7TH BIRTHDAY

Savannah Sperry celebrated her seventh birthday Sunday afternoon in the home of her parents, Cally and Will Sperry. A beautiful three tiered heart shaped cake was served with punch. The bottom layer was green, middle layer purple and top layer pink causing Oo's and Aaah's.

Those attending the party was her grandmother, Mrs. Jackie Sperry of Quitaque; Tina and Riley Carson, Jolee Hill and Will Farley of turkey; Sydnee Meyer of Quitaque; Briana and Scarlett Sperry of Lubbock; Brenda, Lee J. and Jessica Browning, Mrs. Geneva Martin and Kelby and Pecos Williams of Flomot and her brothers, Blayne, Gage and Cash of the home.

### BIRTHDAYS CELEBRATED

The birthdays of Orville Lee and son, Roger Lee were celebrated Tuesday night, January 10, at the Flomot Gin Office. Hosting the courtesy were their wives, Mrs. Ruth Lee and Mrs. Shonda Lee. A buffet supper, decorated birthday cake, soft drinks and coffee added to the celebration.

Those attending the enjoyable evening were Mr. and Mrs. Rex Davey, Mrs. Martha Taylor, Mr. and Mrs. Joe Bob Garrett and son of Plainview; Mr. and Mrs. Bud Taylor of Floydada; Mrs. Teresa Lee, Micah and Kacee of Turkey and Mr. and Mrs. Lynn Stark of Flomot.

Mrs. Mary Jo Calvert and son, Glen Calvert attended the funeral services in Hereford Saturday for her brother, Euman Lyles.

Coy McKay of Lubbock was a luncheon guest Saturday of Mrs. B. Rogers and Donnie Rogers.

Wilburn Martin was in Amarillo, Thursday for a dental appointment.

Mrs. Jackie Lynn Davis of Fritch visited her parents, Mr. and Mrs. Jack Starkey, Saturday.

Mrs. Christi Milam and daughters, Emily and Haley of Petersburg visited overnight Sunday with her parents, Kathy and Clois Shorter.

Mrs. Melissa Kendall and sons, Jere and Jacob visited in Clyde Saturday and Sunday in the home of her aunt, Mrs. Shirley Gray. Her parents, Marsha and Harry Gray of Fort Worth met her there for a family luncheon, Sunday. Mrs. Marsha Gray returned home with Melissa and sons to visit this week.

## Matador News

## Local Angus breeder recognized in 2006 Spring Sire Evaluation Report

Matador Cattle Co., Matador, Texas, owns one bull listed in the 2006 Spring *Sire Evaluation Report* published by the American Angus Association in Saint Joseph, Missouri. Issued in both the spring and fall, the new report features the latest performance information available on 4,914 sires, and is currently accessible at [www.angussiresearch.com](http://www.angussiresearch.com).

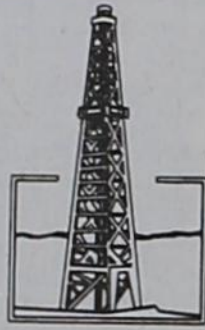

"The report provides both Angus breeders and commercial cattle producers using Angus genetics with accurate, predictable selection tools for improving their herd," says Bill Bowman, American Angus Association director of performance programs. Expected Progeny Differences (EPDs) are generated from the performance database of the American Angus Association, which includes information submitted by more than 9,000 Angus breeders this past year through the Angus Herd Improvement Records (AHIR) program.

EPDs are available for 17 traits. Decision tools available also include five \$Value indexes in the suite of bio-economic indexes designed to assist commercial producers in simplifying the genetic selection process.

The semi-annual analysis for the Sire Evaluation Report contains more than 14 million measures used to generate genetic predictions for the Angus breed.

## FARM SERVICE AGENCY NEWS

by John Bird, Motley County CED

### WHEAT DAMAGE DUE TO DROUGHT

There is currently no relief for those producers that have lost their wheat due to drought. For those that planted wheat for grazing only, a NAP policy through FSA was your only option, but the closing date passed last September. It does not look like there will be more than that, and if there is it will not be soon.

If you did purchase the NAP policy, if you don't file a notice of loss you will not be eligible to receive payment. Please do this ASAP.

### EMERGENCY GRAZING OF CRP

It has been requested that our state be allowed an emergency CRP grazing period due to drought and loss of pasture. There has been no answer yet. As we approach the beginning of the primary nesting season for quail, which is March 1, we are getting closer to running out of time. CRP is not to be disturbed during the nesting season.

### COUNTY COMMITTEE FOR 2006

The Motley County FSA Committee held their organizational meeting for 2006 on January 11. The officers are as follows:

Bill Luckett, Chairperson  
Craig Turner, Vice-Chairperson  
Truit Read, Member

### OPERATOR AND LANDOWNER DISPUTES AND DCP

If you are a landowner and wish to change operators/producers on your farm, there are some things you need to do if you wish to remain eligible to earn DCP program payments through our office.

First, you need to notify the tenant before the crop year begins, which would be before the planting of the wheat. Since many in Motley County begin

planting wheat in August, the operator would need to be notified no later than June or July so that he/she can plan and not purchase seed, etc...for that particular farm. If you fail to notify them before they plant a crop, then as far as FSA is concerned, they are the operator on the farm for that crop year. The best way to notify them is by certified letter. We also request a copy of the letter to file in the farm folder.

The wheat planted last August began the 2006 crop year. If a producer has been removed after planting wheat or any other crop, we will not approve a DCP contract for that farm for anyone until the operator gives us written notification that he/she has been reimbursed or otherwise satisfied, and is leaving the farm voluntarily.

Other than not approving DCP contracts, FSA can be in no way involved in a producer/landowner dispute.

## Tempie does more than just talk

My name is Mitch Probasco with Probasco Flying Service. Common sense tells us there is no way to fly by talking about it. It takes training and experience. No one with good sense just would hop in a plane and try to fly. The same goes for the job of District Judge you would not put your life in the hands of an untrained person in the air since every decision a pilot makes keeps their life safe, their passenger's life safe, as well as those on the ground safe. Just talking about something doesn't make you competent. Tempie does more than just talk.

Tempie isn't going to stand before you and tell you all of the wonderful things I just shared with you because she isn't a braggart. Tempie goes quietly about doing great things for our community and our children. In all of Tempie's legal cases she argues for what is in the best interest of the children. Ask Tempie about herself and she won't ramble about all of her accolades but will humbly hang her head and avoid the self boasting. But ask her about a case about the legal standard in deciding children's issues in her court and you will hear the most well thought out convicted conversation you will ever hear.

Here's my point. Tempie T. Francis can fly. She doesn't just talk the talk. Tempie has the experience and training to be our District Judge. You have to be in the courtroom just like you have to be in the cockpit before you are clear to take off. Tempie has never lost a jury trial. The Texas Supreme Court upheld Tempie's case where the decision was a verdict for almost 1.5 million dollars. But Tempie isn't just looking out for the big cases. Tempie won the 2003 Pro Bono award for all of the free legal work she does for the poor and indigent children and families in our area. Tempie has a teaching degree in elementary education and a law degree from Texas Tech University where she received the Judge Ken G. Spencer Award and Jurisprudence Award. What's the point? Tempie has the courtroom experience and commitment to excellence to be our District Judge.

It's like this. Do you want to fly with a guy who has never been in a plane? Same reasoning. We want a District Judge who has been in the courtroom. Tempie has wisdom and it comes from experience. You can't buy a pilot's license you have to earn it from practice, and practice which leads to wisdom. Wisdom lets you make sound decisions like deciding when to fly under a power line or go over it. You can't buy courtroom experience. You have to earn it from years of practice just like Tempie has done.

Have you wondered why so many of us have gotten together to ask you to vote for Tempie? Well, it is simple. Tempie is not boastful but humble. She is very qualified and the person we need for our District Judge. Her story needs to be told and we are here to tell it.

Please join us in electing Tempie Francis for District Judge. You can go to the Courthouse in your county beginning February 21st and ask for a ballot with Tempie's name even if you have always voted for Democrats in the past. Primary Election is March 7th.

Pd. Pol. Adv. by the Friends and Supporters of Tempie Francis for District Judge, Mitch Probasco, Treasurer, P.O. Box 128, Floydada, Texas 79235.
