# "The Bond Is No Longer Common"

"Men no longer are bound together by ideas, but by interests; and it would seem as if human opinions were reduced to a sort of intellectural dusts, scattered on every side, unable to collect, unable to cohere."

-- Alexis de Tocquerville

We live in a nation which is uniquely focused upon the rights of individuals and their opinions. This national interest is so strong that it threatens to dilute truth itself. We are instructed by many sources that each one of us is entitled to our own interests or opinion no matter what the consequences may be.

Our nation has become a massive group of individuals. We are no longer able to identify ourselves as just "Americans". There appears to be no more a "common cause" or bond. Rather our "common bond" appears to be our differences.

There is one arena where our rights or opinions are of little value. I speak of the Kingdom of God. Our rights or opinions in matters of salvation are irrelevant. We are sinners! We have been saved by Grace, therefore we are dependent upon God for our deliverance. The Lord Jesus promised in John 8:32 that God's truth would set us free, God's truth, not our own ideas or opinions. We lack the wisdom to direct our own steps toward heaven (Jeremiah 10:23). Therefore, we must be willing to yield to God's Truth if we are to be blessed by Him.
