Hobo King Hits Snag in Campaign

Blair: There was a slight delay in the campaign plans of the whiskered, eccentric James Moan, self styled hobo king who announced his 1940 presidential candidacy on a platform of a "nosebag on every nose and a nudist colony on every other form."

Better known as "Hairbreadth Harry", Moan was placed behind bars on a 10 day bread and water vagrancy term. Police Chief Victor Johnson discovered he had been telephoning various Blair homes to invite himself to dinner. From his cell, 53 year old Moan announced he would resume his campaign July 19. His platform changed to "a nosebag on every nose except Johnson's."

NEW POSTMASTER - Sara Chapman is the new Matador Postmaster. She and her husband, Gene, who owns a furniture store, are moving to Matador from Childress. She has worked with the Postal Service for eleven years in the Childress and Clarendon offices. The couple have five children and nine grandchildren. They are looking forward to meeting the people of Matador.

Dickens girl big winner in Shannon Davidson Ranch Horse races

Mounted on a 10-year-old Thoroughbred gelding called Duke, Tif- Davidson card was a jackpot race for fany Carter of Dickens rode to victory in the Open Stakes Division of the Shannon Davidson Ranch Horse Races at Buzz Field, Roaring Springs, old girls and boys who had worked on Saturday, July 11.

Carter, a 20-year-old Texas Tech student, is the daughter of Charlie and Stella Carter, owners of Carter Saddlery in Dickens.

Duke, a superbly conditioned bay horse with tremendous stride and tactical speed, is owned and trained by Carol Ford of Lubbock.

was won by Megan Ford of Lubbock. Her mount was a 14-year-old Thoroughbred gelding by the name of during the introductions, but that was Ivanbad. Megan called on the old fella in the stretch, to which he responded with a turn of foot not often seen at

The final event on the Shannon riders mounted on horses that had not run in any of the stakes divisions. This was a fun deal, mostly for the good long and hard to make Shannon Davidson Ranch Horse Races a reality. The contestants were: Ben Charles Grundy on John; Vic Read on T-Bar; Charlie Carter on Poncho; Tracy Pounds on Banchy; and Cara Franks on Willie.

It looked like Vic might be a serious contender. That idea was soon rent asunder. Tracy came running at the The Lady Rider Stakes Division finish line - he should have commenced running at the start line. Charlie did okay - actually great -

about it for him. Ben Charles won the race on John, but Cara had pushed old Willie so close that Ben Charles could see his moment of glory disappearing into a hot, West Texas wind.

The chuckwagon dinner catered by Jerry Slaton of Afton turned out great. Slats fed 135 paying customers. It was said by all questioned that his beans and brisket were outstanding. Also, the iced tea wetted many a whistle, since it was 108° F at trackside.

Race Management estimates the crowd at about 300 - give or take and Management also expressed their thanks to all who came and enjoyed a day at the races - the old fashioned way.

Summer Heat Danger **Cited In Precaution**

Austin, Texas: The beating Texas sun these July days is beginning to take its toll in heat prostration from reports reaching the Texas State Department of Health.

A simple precaution to help prevent heat cramps and prostration is to add a pinch of ordinary table salt to each drink of water you take."

Final Summer MCYO Meeting

MCYO will hold their final meeting for the Summer, Thursday, July 16 at 7:00 p.m. at the baseball field. New officers will be elected, and afterwards the Parents and Coaches will play an exciting game of Softball. Don't miss it!

Tribune will close for vacation next week Early news deadline!

The Motley County Tribune will close for vacation July 20-24. The paper will be mailed out on its regular day, Wednesday, July 22, but it will be necessary to get the paper ready the week before. So, we are asking that all news and ad copy for that edition of the paper be brought in to our office no later than 4:00 p.m. Thursday, July 16 for the July 23 edition.

We are sorry for any inconvenience, but this is the only way we can take some well needed, and, we think, well deserved, time off.

We do, so much, appreciate your cooperation.

weekend fires

Local volunteer fire departments spent another weekend chasing fire, with lightning igniting several sparks around the area.

On Saturday the Matador and Roaring Springs VFD's assisted the Dickens and McAdoo fire departments with a fire in the Afton area, which burned about 75 acres.

On Sunday morning, they assisted Floydada at a fire in northeast Floyd County, which burned about 100 acres of CRP land. At this fire two helicopters from Abilene, which were in the area on the lookout for fires, saw the smoke and responded.

Sunday afternoon reports were received from fires ignited by lightning on Vance Campbell land, Mark Wason land and on the Ross place in northern Motley County. All of the fires were rained out.

Matador and Roaring Springs firemen extinguished a fire that afternoon, which burned about 60 acres on Lucky Nob of the Matadors, and Van Frances land.

They also received a call Sunday afternoon from Mark Seigler of fire in the Dry Lake area. After searching for the fire, firemen could not find the fire. According to Matador Fire Chief, Rodney Williams, "the fire found us on Monday morning about 11:30 a.m." Firemen battled this blaze until about 6:30 p.m. Monday evening. It burned approximately 400 acres of Dry Lake pasture of Turkey Creek Ranch.

Land being prepared for additional use

Assisting with this fire were Matador and Roaring Springs Fire Departments, Turkey Fire Department, Childress Fire Department and 2 SEAT (Single Engine Air Tanker) planes. Also assisting were Precinct 3 Commissioner Franklin Jameson with maintainers, and Leslie Jameson, who also provided a crawler.

Matador Firemen responded to a small fire Monday morning north of Whiteflat on the Malcom Jameson land.

short race tracks. The horse is owned

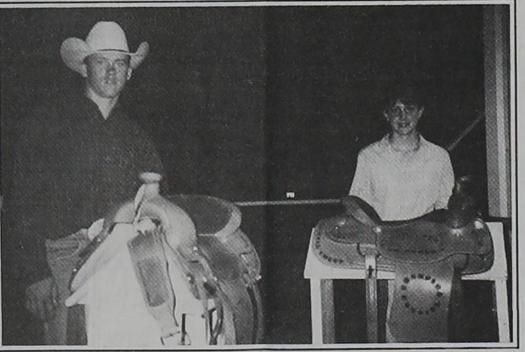

Contestants in the Restricted Stakes Division were mounted on Texas guarter horses, all without lip tattoos. The no lip tattoo requirement means that not one of these horses has ever started in a race at an established pari-mutuel track. Brian Keith of Dickens won this Division astride a handsome, black 12-year-old gelding named Hank. This horse is owned and trained by Brian's dad, Dave Keith. After winning the Restricted Stakes Division, Hank was brought back within an hour to challenge Duke, in the Open Stakes Division Championship race. And for 300 yards of the 350 yard race, the tough little cow pony from Midway put the big thoroughbred to a serious test. When it was over the fans knew they had wit-

nessed true grit.

Tiffany Carter of Dickens was the big winner in the Open Stakes Shannon Davidson Ranch Horse Races held Saturday at Buzz Field.

We've been having a cooling problem in our office. We've had our air conditioning checked, and it checks out okay, so we're trying to figure out what the problem is, if it's the way our building is laid out, or what, but in the meantime, our office has been very hot at times. Last Tuesday, when we were working late trying to get the Shannon Davidson issue completed, the office was a tropical 92°. Now Kathy can tell you, I'm a bear when I get hot. I really don't mean to be, but when my body temperature rises, my temper also does.

I was listening to a report on the TODAY show this morning and they were talking about how unhealthy it is to get out of joint about simple things, especially those you have no control over. I felt like they were talking to me. I think I'll try a little harder to cope with the heat in our office. At least we have some cool. I feel sorry for the people who don't have any air conditioning during these terribly hot temperatures.

It's easy to get out of joints when it's this hot. We probably all say things

"Seek Ye First The Kingdom"

In the teachings of Jesus one will find all they need in directing their lives. This is either through His direct teachings, or the teachings of His apostles. Remembering that Paul stated his writings were from the Lord (I Cor. 14:37), and then tells us that ALL Scripture is Inspired of God (2 Tim. 3:16-17)! Thus, when Jesus tells us in a lesson on worry that the KEY to attaining what He is telling us is to "seek first the kingdom of God and His righteousness, and all these things shall be added to you." (Matt. 6:33) If seeking the kingdom and God's righteousness first will help us, then we must know how to do that and then pursue that with all of our hearts.

When Jesus says seek he means: "to seek (in order to find out) by thinking, mediating, reasoning, to inquire into" thus, it is going to take some effort on our part to accomplish the thing which Jesus is speaking about. He will use the same word again in Matthew 7:7-8, and again in Matthew 13: 45-46 about finding the Kingdom. So we can see our obligation to be active in our search for the righteousness of God and His kingdom! Then our Lord says this must be our FIRST obligation, which means: "first in time or place in any succession of things or persons." This gives us some insight to the teaching which Jesus was doing in Luke 14, when He stated that we must LOVE HIM above everyone, and anything! How important is it for us to be seeking the kingdom? It means our eternal destination is involved.

Roaring Springs News by Odessa Mullins & Rita Groves

Mr. and Mrs Gordon McGee and son, Audie and granddaughter, Remi of Lake Summerville are visiting her mother, Venita Sedgwick and doing some repairs for her on the house.

Jeanie Adams visited last week with her daughter and her son in Stephenville. Zella Palmer and Vera Mitchell were

Floydada visitors Friday morning. Mrs. Mitchell's son and wife, Mr. and Mrs. Wayborn Mitchell of Paducah visited her Friday evening.

Former resident Tony Sanders and his wife, Pat, were having lunch and meeting friends at Cafe RS on Sunday.

HEPCAT REUNION

One may say that the Hepcat Reunion held Friday night July 10, with Ann and Pat Seigler as hosts, was a BLAST. Mere words aren't going to describe the pleasure of this trip back to their youth for the original members and others present who remember those "golden days." Lee Smith, Gerald Pipkin, Pat Seigler, and Mike and Pat Groves date from their junior high days. During their high school days they were joined by some members of the OFF BEATS of Paducah. Ronnie Richards, from Wimberley, with his wife Alyson and son Luke, now a converted music major in college, was a member of the Paducah band.

Thanks to Kelly Keltz, Brandt Bearden, and Billy Donaldson the "band played on" during the antics of some of the original Hepcats momentarily disabled from their own clowning and laughter. Pat Groves was allowed to again pick up sticks to play the drums, something he probably hasn't tried in forty years.

Various family members who came to listen and reminisce were Larry Hoyle

and wife Donna, their daughter Laurie, and Gerald's daughter, Leigh Ann, who got home that night before her father did. Lola Pohl came accompanied by her daughter and son-in-law, Carolyn and Howard Limmer of Snyder. Lola was one of the mothers assuming duties of "hauling and feeding" during the days of the "Play House" where music lovers and high school friends gathered in the late '50's.

Kelly Groves who is now studying music at the Conservatory in San Francisco had a hilarious time trying to find

keys to fit her operatic voice to the songs she wanted to sing with the band. Lee Smith, a veteran singer and music maker was a patient help, to a California girl who has never enjoyed the freedom of a small community where everyone is your "neighbor". Lee Smith's mother showed her how it was done.

Some left after Amazing Grace and The Old Rugged Cross were played, and played, and sung. One band member was heard to say during the playing of Amaz-ing Grace, "I love that song." "Don't we all?'

Latecomers to the Reunion meeting at the Groves home in Roaring Springs on Saturday and Sunday were Tommy Keith, Milton and Betty Neighbors Rudder of Hereford and Mrs. Neighbors of Matador, Jimmy and Barbara (Bobi) Waybourn West of Amarillo, Ronnie and Alyson, and Luke Richards, and on Sunday, Dwight Clowers.

Kelly and Grandpa Algie Groves visited the David Keiths at their Dickens County home on Sunday so Kelly could enjoy horseback riding.

The Pat Groveses returned to Los Altos Hills, California Sunday evening, and Mike returned to Houston on Tuesday.
