Lions Program Given By Tribune Publisher

By Lila Meador
Leslie L. King Jr., was president of the United States in the 1970's, according to Leon Watson, Editor and Publisher of the Matador Tribune, who presented the program Tuesday for Matador Lions Club.

Publisher Watson startled the club members when he confronted them with the question as to the identity of Leslie L. King Jr., then revealed that this was the real name of President Gerald R. Ford.

Introduced by Program Chairman Ray Zabielski, Watson used name changes as the theme of his short talk, citing many movie celebrities and other well known personalities, such as musicians, authors, scientists and athletes. The list included Marlene Dietrich (Magdalene

von Losch) Judy Garland (Frances Gumm), Jack Benny (Benny Kubelsky), Roy Rogers (Leonard Sly), John Wayne (Marion Morrison), Van Cliburn (Harvey Lavan), O. Henry (William Sidney Porter), Sugar Ray Robinson (Walker Smith) Adolf Hitler (Adolf Schicklgruber) and others, and gave

fictitious names to several members of the Lions Club: Lions Ray Zabielski (John Smith) Alan Bingham (Jim White), Bill McCaghren (Jack Jones), Kirby Campbell (Ira Mayor), Walter Jones (Pres., of the KKK), and gave Rev. Danny Copeland the name of Santa Claus. Boss Lion Bingham See LIONS Page 5

New Year Brings Changes In Liability Insurance Laws

Beginning January 1, 1982, Texas drivers contacted by Department of Public Safety officers during traffic stops and vehicle accident investigations will be required to furnish proof of

compliance with the new compulsory liability insurance law.

Under House Bill 197, an amendment to the Texas Motor Vehicle Safety Responsibility Act (670th) approved this year by the 67th Legislature, all drivers must carry minimum liability coverage for medical expenses of \$10,000 per person (\$20,000 for two or more) and property damages of \$5,000.

Department of Public Safety Director, Colonel Jim Adams, reports troopers will accept as evidence of insurance coverage the policy for the vehicle being operated or a document issued by the insurance company.

"Such a document must contain a statement that the liability coverage for the motor vehicle is the minimum prescribed by the law," Adams said. "The document must also include the name of the insurance company, the name of the insured person, the policy period and the policy

number. This document may take the form of a letter or a card, depending upon the preference of the insuring company."

Insurance companies throughout the state recommend drivers do not carry the original

policy or a photostatic copy of the policy declaration page or the insuring agent's binding agreement. They would rather motorists carry with them an official card or letter.

Adams has pointed

out the DPS troopers will be enforcing the provisions of this law along highways and rural roads. Local police officers and sheriff's deputies have also been given the authority to request this See LAWS Page 5

Memorial Scholarship Fund Honoring Ralph Marshall Established At Patton Springs

Ralph Marshall, who passed away November 18, 1981, served the Patton Springs Schools for thirty-four years. During those years he served in the various capacities of teacher, coach, and principal. His actions and examples through those years touched and influenced the lives of many people.

Many of these people have expressed a desire to establish a memorial, in the form of a scholarship for deserving students, in Ralph Marshall's name. The school board, aware of this interest, established the memorial fund and named a

committee, at its last regular meeting.

LAWS

from Page 1

information. Drivers who do not maintain the specified coverage, refuse to give information or give false information to law enforcement officers risk a minimum fine of \$75 for the first offense or \$200 for subsequent violations.

In addition, a conviction under this new law will result in the suspension of the violator's drivers license and motor vehicle registration unless the violator establishes and maintains proof of financial responsibility for five years from the conviction date.

For convicted violators to establish proof of financial responsibility, a filing or an "SR-22" form must be made to the Safety Responsibility

Bureau in Austin by the violator's insurer as proof of coverage.

The SR-22 form, used as evidence of insurance, is kept on the DPS computer file for five years, but if the violator cancels or allows the coverage to lapse, the violator is notified that his or her license and registration are suspended and that another SR-22 filing will be required.

Since most insurance companies will not insure those requiring an SR-22 filing, coverage may be obtained through either a county mutual insurance company or through the Texas Automobile Insurance Plan (TAIP), an assigned-risk insurance pool,

at a higher premium rate than the norm.

Those persons convicted under this new law will pay 20 percent more than the standard rate for insurance, if in the TAIP. Drivers convicted a second time will pay up to 95 percent higher rates.

Out-of-state, government-owned and self-insured vehicles are exempt from these insurance requirements. However, drivers of self-insured vehicles will be asked by DPS officers to produce evidence of self-insurance at accident scenes and traffic stops.

The insurance industry predicts liability premiums to increase because poor drivers

who once were uninsured will now be put into the insurance system.

The new law covers motorcycles as well as every form of motor vehicle operated on a public road or highway. Rep. Gene Green, D-Houston, the author of HB 197, describes the bill as "experimental-if it doesn't work, we'll do something about it."

The highway patrol does not plan any extraordinary efforts to detect violators, but will ask for insurance proof during routine traffic stops and while investigating accidents.

It has been past policy of the DPS to issue warnings rather than citations during the first 90 days after a new law has taken effect.

the end of the third quarter.

The varsity Lady Matadors never trailed during their game, but Paducah made it close all the way. At the end of the half the score was 33-30 and 49-42 at the end of the third quarter.

Darla Dempsey scored 17 points, followed by Shelly Jackson with 14 and Kim Campbell and Vivian Sims each with 13. The varsity Matadors

had little trouble with Paducah in the final game of the night. MC was ahead 40-24 at halftime and 58-37 at the end of the third quarter.

High pointers for the Matadors were Harvey Lee with 19, Tim Shannon with 18, Darrell Moore with 10, and Glen Clavert with 11.

Approximately 75 children received bags of candy from Santa Clause, Saturday, according to Lion Billy Wason, who termed the annual party for children, a success.
