Beyond The Cross To Be Shown At FBC, Roaring Springs

The Christians of Communist lands are sending a message to the Church in the West... a message of suffering and pain. However, it is also a message of triumph and victorious Christian growth as the Church under Communist oppression risks life to worship, to fellowship, and to receive the Word of God.

This message is graphically portrayed in **BEYOND THE CROSS** - a newly released film produced by Underground Evangelism, a missionary outreach based in Los Angeles, California.

BEYOND THE CROSS was filmed over the past several years.

Many of the scenes were actually filmed by the persecuted Church inside the Soviet Union.

BEYOND THE CROSS is a stirring documentary of the heart-rending story of Ivan Moiseyev, a young Russian who was cruelly

murdered for his faith. Scenes of Christian leaders being reunited with their families only moments after being released from prison; interviews with exiled believers confined to the barren, frigid wastelands of Siberia - you will witness it all in **BEYOND THE CROSS**.

You are invited to attend a showing of this factual film at First Baptist Church, Roaring Springs on Sunday night, January 10, 1982 at 6:00 p.m.

Plan now to see and hear this revealing message that the Church in Soviet Russia filmed at great risk.

Merchants Reminded Of New Sales Tax Laws

State Comptroller Bob Bullock said recently that about 1,000 Texas merchants need to be aware of new sales tax requirements on credit sales which went into effect January 1.

The new law affects merchants who make installment sales of taxable items, include the amount of sales tax due in the outstanding balance and keep their books on the "cash" basis of accounting.

According to the new law, a part of the interest paid on the sales tax portion of credit sales will be taxable. This additional amount is to be reported and remitted when the regular sales tax return is filed.

If the interest on the sales tax and the unpaid balance are the same--and the rate is 18 percent or less--the state gets half the interest on the sales tax portion of the total amount being financed.

If the rate is more than 18 percent, the state gets all interest on the sales tax amount above nine percent. For example, a merchant charging 20 percent interest on credit sales will remit 11 percent interest on the sales tax amount to the state, assuming the rate for the sales tax portion is the same as for the rest of the unpaid balance.

If the interest charged on the sales tax portion of the bill is different from the rate charged on the rest of the unpaid balance, the merchant must remit all of the interest paid on the sales tax portion of the state.

Taxpayers with questions about their new responsibilities should contact the Comptroller's local office nearest them or the Comptroller's Sales Tax division at 1-800-252-5555, a toll-free call from anywhere in Texas.

Fire Destroys Pastor's Home

A fire about 3 a.m. December 16, destroyed the Baptist parsonage home of Dr. and Mrs. C. H. Murphy of Lamesa, formerly of Matador. The couple and their sons, Ken David and Mark escaped from the house, which was gutted by the flames, and neighbors saved a coffee table and two end tables from the living room.

It was determined that the blaze started at the back of the fireplace in the den, next to the boys' room, which was a total loss.

Some clothing was salvaged from the master bedroom, but smoke and water damaged the rest of the contents.

"We were just lucky to escape with our lives," Rev. Murphy declared. He was the first to awaken and detected the smoke.

Both Dr. Murphy, pastor of the First Baptist Church in Lamesa, and his wife, the former Raynita Dunning, were reared in Matador. Their parents, Mr. and Mrs. Clovis Murphy and Mr. and Mrs. Bill Dunning reside here.
