

MCHS Beats Claude For Bi-District Title

Harvey Lee carried the ball for 202 yards last Friday night, including a 67 yard touchdown, to help the Motley County Matadors defeat the Claude Mustangs 21-9 for the Bi-District crown.

The win now advances the Matadors to the State Quarter Finals game against Aspermont this Friday at Spur.

The Matadors rolled up 438 total yards on offense and held the Mustangs to 72 yards rushing and 174 yards passing.

"We were pleased with the boys effort against Claude," Coach Gene Griffin said. "I thought we played good football. It just takes us a while before we can dominate a team."

And it did take the Matadors a while as they were blanked by Claude in the first half, going into the dressing room trailing at halftime 9-0. But when MCHS took the field at the start of the third quarter it was all Matador football.

MC received the opening kickoff and on the

first play quarterback Shawn Bearden threw a pass to receiver Jerry Long for a 26 yard gain. But four plays later MC was forced to punt.

Claude took over on their own 17 and drove the distance in 13 plays to score the game's first touchdown. They completed two long passes and then with 5:12 left in the first quarter Dave Wood caught a TD pass behind MC defenders. The kick for the extra point failed, and MC trailed 0-6.

MC received the next kickoff and drove from their own 34 to the Mustang 15, where they lost the ball on a fumble.

The Mustangs could not run against the Matadors, but they went to the air again, completing passes of 29 and 27 yards. After they were stopped on fourth down on the eight yard line they booted home a field goal to lead 0-9 with 7:40 left in the first half.

MC got the ball on their own 36 on the next kickoff,

and on the first play Tim Shannon broke loose for a 28 yard gain. Shannon and Lee carried the ball on separate plays and MC moved to the Claude 30 where the Mustangs held and took over on downs.

Claude was held again and had to punt, but MC lost the ball on the next play on another fumble. The Mustangs completed a 24 yard pass to the MC 19 yard line but there the Matadors shut them down, and Claude's offense never got rolling again. The half ended with MC trailing 0-9.

The Mustangs received to start the second half, but had to punt on fourth and one. The Matadors took over on their own 13, and Lee blasted forward for seven yards on the first play. Bearden kept the ball on the second play for seven more yards.

Shannon carried for six yards on the third play, then "Boom", Lee burned the field for a 67 yard TD. The Matador fans roared, then roared again as Glen

Calvert kicked the extra point, with Brent Campbell holding for him. With 8:22 left in the third quarter MC had closed the gap 7-9.

Claude picked up one yard in three downs when they got the ball back, and they punted on fourth down. MC again took over on their own 13. Two plays later Lee bulled forward for 20 yards, three plays after that Bearden galloped for 29 yards to the Mustang 25. MC got to the Mustang nine yard line, but a Mustang player intercepted a pass in the end zone, killing the MC threat.

Claude still could not move and had to punt again. The Matadors got the ball back on their 43 and started rolling again. After two plays Lee broke for a 50 yard gain to the Mustang five. Two plays later Shannon barreled in for the go-ahead TD. On the extra point try the ball was snapped back to Campbell, who pitched it to Bearden, who rolled around to the left side and threw it to Jerry Longwide open in the end zone for two points. With 23 seconds left in the third quarter MC lead 15-9.

The Claude quarterback was sacked for minus yardage twice in the next series, then Shannon blocked the Mustang punt. MC took over the ball on the Mustang 29. Two plays later Bearden ran the option around right end, kept the ball and went untouched behind great blocking for a 26 yard TD. A pass for 9:57 points failed, and with 9:57 left in the game MC lead 21-9.

The scoring was over at this point, but not the action. On the Mustangs next possession, Long tipped a Claude pass and Campbell intercepted it on the MC 19. But MC lost the ball again on a fumble.

Both teams exchanged punts during their next possessions. Then Shannon and Campbell hit the Claude quarterback, he fumbled and Long recovered it for the Matadors.

The Matadors then simply ran out the clock to capture the win.

On defense for MC was Lee with 8 tackles, Darrell Moore with 8, Roy Thompson with 7, Shannon with 6, Calvert with 10, Wesley Stafford with 9, Rob Francis with 2, Long with 6, Kyle Hardin with 7, Todd Washington with 6, Campbell with 11, and Bearden with 6.

Making tackles for minus yardage was Moore, Calvert, Stafford, Hardin and Washington.

Lee had 202 yards on 20 carries, Shannon gained 131 on 23 carries and Bearden had 75 yards on eight carries. Bearden also completed two of five passes for 29 yards, both to Long. Long punted twice for 70 yards.

The Matadors will play Aspermont at Spur at 7:30 p.m. Friday in the Quarterfinal Game.

Pep Rally Set For 3:30 Fri.

Everyone is cordially invited to attend the Pep Rally to be held at Motley County School, Friday beginning at 3:30 p.m.

The Motley Matadors will play Aspermont Friday night at 7:30 p.m. in Spur for the Quarter Final Game.

Everyone is encouraged to attend the Pep Rally and also the football game at Spur Friday night and back the Motley County Matadors.

WE'RE NUMBER ONE -- Jerry Hester, president of the Memphis Chamber of Commerce, presents Head Coach Gene Griffin with the Bi-District trophy following the Matadors 21-9 victory over Claude at Memphis last Friday. At this point it was all over but the shouting for the Matadors who crowded around their coach.

Matadors and Hornets To Battle In Playoffs

Coach Gene Griffin doesn't mind his Matadors playing big teams, nor do fast teams cause him great concern, but when they are both big and fast like Aspermont, it is another story.

Motley County will face undefeated Aspermont Friday at 7:30 at Spur in the quarter final game as the state playoffs continue. It can be billed as the Class A Superbowl of the Panhandle.

"Aspermont will be the best team we have played so far this year," Griffin said. "They are awful good. They have size and speed. We will have to play very well to even have a chance to beat them." Aspermont, rated fifth in the state, beat Roscoe 25-6

last week for their Bi-District title. "They are as big as we are," Griffin said. "And they have a couple of players who can really burn."

Motley County earned the right to meet Aspermont by defeating Claude last week 21-9.

Motley County fans attending the game will sit on the north side of the stands. Admission will be \$3 for adults and \$1 for students. The team will leave Matador at 4:45 following a pep rally at the school at 3:30. The pep club will depart at 6 p.m. Both the players and pep club should be home at 11:45.

There will be no school Thursday or Friday due to the Thanksgiving holidays. A caravan of fans will

meet at the courthouse at 6 p.m. Friday to leave for the game.

"We really appreciate

the fans," Coach Griffin said. "The kids have noticed all the support they have given this year."

A Second Glance

By Leon Watson

Our football players and the students who back them have really put Motley County on the map this year. This season is something these kids will remember the rest of their lives. Let's back them.

The Motley County Booster Club members have supported the students all the way this year. They have added spirit to Pep Rallies, bought advertising in the newspaper publicizing their support and they have been the back bone of yelling fans at the ball games.

While we remember to support the team, we need

also to remember to support the Booster Club. They could use our financial support, so make a donation. Contact Dell Bearden or Frances Hobbs and ask how you can help.

Last week Coach Gene Griffin received a telegram from Coach Jerry Moore of Texas Tech wishing him good luck during the Claude game.

The players also received a telegram from Texas Tech. It also wished the team good luck, and was signed Pam, Bunni, Laura, Gwen, Mark, Robert, Charles Ed, Todd, Julian, Kenny and James.

Caution Urged During Thanksgiving Holidays

Major C. W. Bell, DPS Regional Commander, is asking drivers to be cautious during the Thanksgiving holidays.

"Thanksgiving is a time for us to rest and be grateful for many things. Each individual has his own feelings about Thanksgiving, but those drivers who practice good driving habits can be truly thankful that they were not involved in a traffic accident during the year," he said.

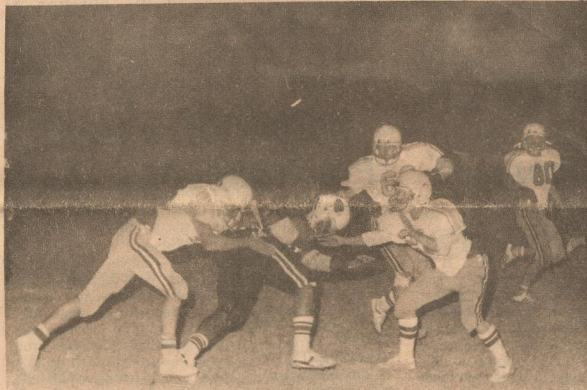

Major Bell pointed out that Texas is well on its way to a record number of traffic fatalities this year. "Last year 4,424 people were killed and 1981 is going to be another record year unless motorists take special precautions to protect themselves and others," he said.

"Many of these deaths could have been avoided if people would stay sober,

drive at reasonable speeds and use their seat belts," said Bell. "Putting on a seat belt only takes a few seconds, but that simple act can add years to one's life," he emphasized.

DPS statistics show that last year, about 1,200 lives would have been saved if all drivers and their passengers would have clicked their seat belts on. "It's better to be safe than sorry," Bell concluded.

During last year's Thanksgiving holiday period, 63 persons were killed in traffic accidents in Texas. The DPS regional commander said that the Operation Motorcade traffic death count is not conducted during Thanksgiving, but that doesn't mean that drivers should be less cautious. Bell said DPS Troopers would be active during the holiday trying to cut down on needless traffic fatalities.

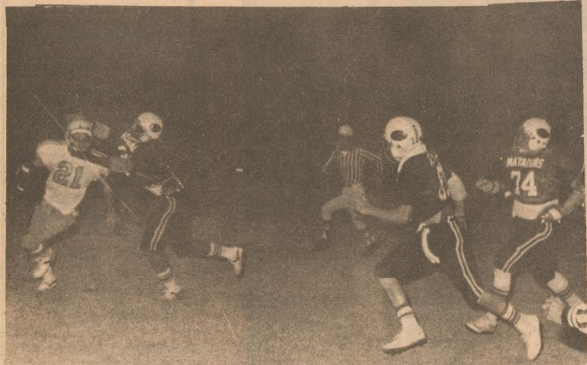

GANG TACKLING -- Harvey Lee gains 26 yards on this carry early in the fourth quarter Friday night against Claude. It took three defenders to stop him. Lee gained 202 yards in the game. Motley County won the Bi-District game 21-9.

Community Pauses For Thanksgiving

The community paused Sunday evening to join in a Thanksgiving service at the First United Methodist Church, starting at 5:30 and continuing into a fellowship hour afterwards.

Call to Worship was by the host pastor, Rev. Mark Rickman. Congregational Prayer was led by Rev. Danny Copeland, pastor of the Assembly of God Church, and the message was by Rev. Gary Hilliard, pastor of the First Baptist Church.

Special music was a solo "My Tribute," by Mrs. W. F. Jacobs, and Blake Northam, Choir and Youth Director at the First Baptist Church led the congregation and combined choirs of the churches, in singing, Miss Roberta Jameson, Methodist church organist was accompanist.

An outline of Psalm 103 was presented by Rev. Hilliard, who admonished the congregation to follow the psalmist's lead in giving thanks to God repeatedly. "This Psalm," he said, "is a challenge to us. The psalmist was thankful for unity of spirit; for forgiveness and salvation; for healing diseases; for redemption from destruction, and for countless personal blessings. The Psalm tells of Divine justice and a God of compassion. Our God of the past is the same God of today. . . the one who knows us best, loves us most. How often do we stop and praise the Lord?"

After the benediction by Rev. Rickman, the congregation was invited to the Fellowship hall where cookies, cake, pie, coffee and punch were served.

Local Nurse Practitioner Earns Additional Credits

After attending a three day course last week at Lubbock General Hospital, Matador's Roy Tippin is now certified in advanced cardiac life support skills. The course was sponsored by Texas Tech School of Medicine and the American Heart Association.

Dr. John Farquhar, Director of Emergency Room services at Lubbock General Hospital was the course instructor.

Roy and the other students were taught advanced skills and procedures in caring for patients in acute cardiac crisis.

Old Fashioned Christmas Is Set

The nostalgic spirit of Christmas of yesteryear will initiate the season in Matador this year as residents celebrate "An Old-Fashioned Christmas" Saturday, December 12.

Children of all ages will join in the community-wide festivities which will offer everything from money-saving specials on merchandise from local merchants to arts and crafts fairs or a visit from Santa.

The El Progreso Study Club will be serving lunch at the American Legion from 11:30 a.m. to 1:30 p.m.

Santa, brought from the North Pole by the Lions Club, will be talking to boys and girls at the American Legion, and individual booths will also be set up at the hall featuring original Christmas gift selections by local craftsmen.

Matador Public Library will offer a film festival for the general public beginning at 10:30 a.m. that day.

Senior Citizens will present arts and crafts at their bazaar in the VFW.

The annual Christmas Bazaar hosted by the Arts and Crafts Club will be in the arts and crafts building.

"No adults allowed" will be the order of the day at the Eternas Junior Study Club's Children's General Store, offering low-cost gifts that children may buy

Christmas. The General Store will be in the old hotel.

The Dugout will host a Christmas Open House during the day.

Coupons to be entered at local businesses for a special drawing will be published in the December 3 and 10 issues of the Matador Tribune. Each merchant will draw from the coupons deposited at that business during "An Old-Fashioned Christmas," a 3 winners of the drawing will be awarded special prizes during closing activities on the courthouse lawn that evening. Only one entry per family will be permitted for each prize.

Community Christmas caroling will culminate the day-long celebration as residents gather on the courthouse lawn to share the warmth of Christmas past and present.

Residents are asked to have homes decorated for the season by December 12 in an effort to heighten the festive spirit of the community.

Organized by the Eternas Junior Study Club, "An Old-Fashioned Christmas" is the initial enactment of a hopefully ongoing Matador tradition designed to promote the community and add to the feeling of neighborly love, beginning at Christmas and continuing throughout the year.

Program On Petroglyphs Given For Garden Club

An interesting program on petroglyphs was given Monday, Nov. 16 by Mrs. Edgar Lee for Matador Garden Club, meeting at the home of Mrs. Ted Elliott.

Using material from **Arizona Highways** written by the late William Coxon, a prominent Arizonan, Mrs. Lee explained the mysteries surrounding "cognate geometric rock-writing," as set forth by Mr. Coxon in his article titled Ancient Manuscripts on American Stones.

Although he had lived in Arizona for 25 years, the author was first apprised of the phenomenon in that state, while on a trip to Mazatlan, Mexico. The knowledge spurred research which took him literally around the globe as he discovered a trail of rock-writings along the Gila River which continued and formed a pattern along water-ways all over the Southwest, Mexico, Ireland, Egypt, Hawaii, Canada, and New Zealand and in remote islands in the South Pacific.

The questions of who carved them, when and why became the motive for the research and as it continued the author was amazed to find that the same symbols he found on rocks along the Gila and in other parts of the Southwest appeared along rivers in the foreign countries, such as the Sun symbol which he found in New Zealand which matched those in Arizona.

Although some had described the carvings as "idle doodlings" of roaming

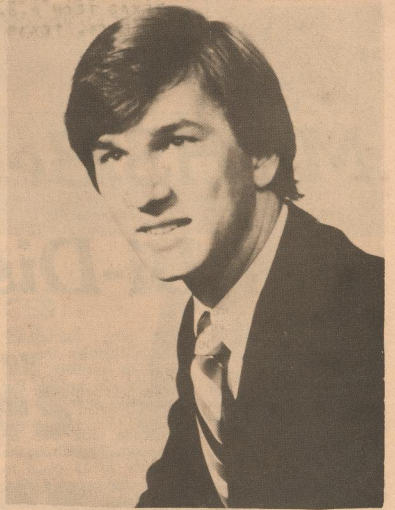

Indian tribes, Mr. Coxon decreed otherwise. "Try as I might, I could not reconcile the ambitions of an Indian with traveling such a great distance to make signs on rocks which meant nothing to anyone else but himself. People who know Indians well, respect their intelligence -- and their integrity," he wrote. The inscriptions then became messages, when deciphered.

For an ultimate answer to his dilemma, Mr. Coxon referred to the Bible and found a solution. "Such knits well with Holy Writ. (Gen. 11: 1-9). And in the presence of such truth, in my humble insignificance, I can only testify: 'It is written -- on Stone.'"

Mrs. J. D. Craven was program leader and called the roll, which was answered with a "show and tell" of a small treasure or memento. In opening business conducted by Mrs. Douglas Meador, president, the members voted to participate in the old-fashioned Christmas celebration, December 12, sponsored by Eternas Junior Study Club.

Two new members, Mrs. Kathryn King and Mrs. Artie Wason were welcomed, and others present were Miss Rachel Patton and Mesdames Alvin Stearns, W. D. Lipscomb, W. N. Pipkin and Robert Birchfield. Mrs. Elliott, hostess, served cake and coffee following the meeting.

Members are reminded that the December meeting will be Monday the 14th instead of the third Monday.

METRIC MEASURES

Helpful Information From The U.S. Metric Board

Q. How will conversion to the metric system benefit the American worker?

A. One out of seven U.S. jobs is now related to exports. If adoption of the metric system facilitates the ability of U.S. companies to do business abroad and open new markets, it could mean more jobs for American workers.

The U.S. Metric Board is a government agency which does planning, research and coordination in connection with voluntary usage of the metric system.

In the Rough

By Hazel

Women's Association Organized In 1955

The Women's Golf Association of the Air Port Country Club was begun in 1955. Marion Woodruff is given full credit for its organization and for giving golf instructions to the first members. She was the first club president and held the first club championship. Other club champions have been La Voe Thacker, who won the honor for eight years; Louise Barton for five years; Vivian Campbell and Fannie Seale.

The club's 25 active members include women from both Roaring Springs and Matador. Golfing news is reported in the Matador Tribune in a column, "In the Rough" written by Hazel Donovan. Golf luncheons are held once a month.

The association sponsors a tournament each month for the Men's Golf Association. They return held several tournaments during the year for the women. A Babe Zaharias Tournament is held the last Sunday in April. Entry fees are donated to the

Cancer Fund. The club invites surrounding area associations to participate in a round of golf at a guest day each year which features a luncheon and the presentation of trophy awards to the winners.

(This history and the history of the Men's Association in last week's Tribune are from Eleanor Trawee's book, "Of Such As These" which was published in 1973).

INITIATION OF NEW GOLF COURSE

Sunday afternoon, Nov. 15, the first tournament was played on the Springs Ranch course. Lots of fun for the 17 players.

The winning team - Doug, Judy, Tommy and Tom scored 63. There was a tie between the second and third teams, each with score of 66: Alfred, Loys, Howard and Kathryn, 2nd team and Louise, Joe, Geneva, and Jake G. 3rd team. Other team was Vann F., Alan B., Laverna, Marvin and Leona.

Kathryn and Doug were closest to the pin on No. 3. And in long drive on No. 5, Louise and Doug won.

Baptists Will Observe Foreign Missions Week

By Lila Meador
First Baptist Church, Matador will join other churches in the Southern Baptist Convention in observing Week of Prayer for Foreign Mission, November 29, through December 6.

Theme for the observance is "How Shall They Hear?" and the southside goal for the Lottie Moon Christmas Offering in connection with the missions program, is \$50,000,000. The local church has a goal of \$2,000, which will be taken through the month of December.

The Week of Prayer observance, led by the Woman's Missionary Union has been arranged by Mrs. Stuart Dixon, Mission Support Chairman, as follows, Monday, 10 a.m. in the church parlor; Tuesday night meeting at the home of

Mrs. Bobby Davis; Thursday meeting at 3 p.m. at the home of Mrs. Bill Dunning; Friday meeting, 2 p.m. in the church parlor, after the Keen-Agers luncheon in the church basement.

All women of the church are invited to attend any or all of these meetings which are designed to aid in the spreading of the gospel throughout the world. The Lottie Moon Christmas Offering, which is used for this purpose, was begun as a memorial to one of the early Baptist missionaries to China.

According to a release from the Foreign Mission Board and W.M.U. of the Southern Baptist Convention, "Prayer is designed to involve us in God's purpose, not to involve God in our plans...God's mission for the world depends on his people's praying."

Eternas Study Club Has Recent Meeting

The Eternas Junior Study Club met at the Plainview Savings and Loan, Thursday, November 19 with Mrs. Joe Freeman serving as hostess and Mrs. Larry Hoyle as co-hostess.

Sylvia Quintero, Home-Extension Agent for Motley County presented a program showing home-made Christmas gift and decoration ideas.

President, Mrs. Johnny Turner, presided at the business meeting. Club members will

sponsor a Children's General Store in connection with the Old Fashioned Christmas to be held December 12.

Other members present were Mesdames Alan Bingham, David Boykin, Danny Copeland, Neal Haralson, Gary Hillyard, Donnie Jackson, Jerry Jones, Kelly Meyer, Harold Parks, Jessie Perkins, James Stanley, Walter Taylor, Jeff Thacker and Roger Vinson.

Stork Shower Held For Jay Tomison

A stork shower for Jay Lang Tomison, baby son of Mr. and Mrs. Arnold Tomison, was given at the home of Mrs. Alfred Barton, Jr. from 10:00 to 11:00 a.m., Tuesday, November 10.

Hostesses for the courtesy in addition to Mrs. Barton were Mesdames R. E. Donovan, Kenneth Thompson, L.M. Cox, C. M. Barton, Frank Price, Bruce Marrs, Roy Hobbs and R. C. Giesecke.

Mesdames Thompson and Hobbs presided at the table laid with a white linen cloth centered with a

lovely flower arrangement of fresh daisies and ivy in a blue nursery rhyme decanter. Assorted cookies, nuts, hot spiced tea and coffee were served.

The hostess gifts were a high chair, Baby Book and the centerpiece flower arrangement.

Jay Lang was accompanied home at 2:00 o'clock that afternoon from the Neo-natal medical center of the Lubbock General Hospital in Lubbock by his parents, Mr. and Mrs. Tomison and his grandmother, Mrs. Jinks (Geneva) Wilson.

Hints for HOMEMAKERS

Practical Tips To Help You

If cleaning dirty windows, walls and appliances big and small give you a pain in the pocketbook, there could be a better way.

In spite of inflation, you may be able to buck the trend of the shrinking buck and stretch your home care cleaning budget.

Packaged in convenient trigger spray or aerosol dispensers, glass cleaners that make such easy work of cleaning are proving effective for most other hard surfaces around the home. More and more homemakers are taking advantage of this versatility and eliminating the extra housekeeping costs of buying a variety of special purpose cleaning products.

Researchers for the Drackett Co., makers of Windex, say studies of consumer use patterns show that nearly 60 percent of the product's users shine far more than windows with the light blue chemical cleaner. Everything from painted walls, refrigerators, ranges and small appliances to car interiors.

A versatile cleaning product is helping homemakers stretch their home care budgets.

The convenient spray dispensers make cleanup fast and economy-sized refills—up to two liters—mean plenty on hand for a variety of jobs.

The combination of detergents and solvents blended for no-streak, no-rinse window cleaning, say the scientists, makes the product ideal as a general purpose cleaner around the house.

A new six-page booklet from Drackett provides a guide to the use of Windex on many surfaces. For a free copy, write: The Drackett Co., Box PR-2, Spring Grove Ave., Cincinnati, Ohio 45232.

FANCY THAT!

One of the most efficient converters of protein is the milk cow. About 30 percent of the fodder a cow eats becomes extremely nutritious food for people.

The most efficient protector of milk's vitamins is the paper carton. A gallon of milk gives you even more vitamins in a paper carton 2-pak than in clear plastic or glass jugs. The 2-pak is two paper half-gallons joined together by a handle and sold as a gallon package. The paper carton preserves the milk's nutrition by protecting it from exposure to the store's dairy case lights, a thief of valuable vitamins, according to scientific studies.

Attention Motley County Ranch Land Owners And Operators

There was a public meeting held at the Motley County courthouse in October regarding the Motley County trapper (Walter Boehme). It was pointed out that the State of Texas required a \$200 per month raise to support a raise in wages for the trapper and support the of a State Trappers Fund. The State Trappers Fund is for use to funding extra mileage required for trappers in extra tracked areas, helicopter support, etc.

Since there are only about 70 state trappers in the state, it was deter-

mined that if Motley County didn't met the raise requirement, that the trapper not only would be moved to a county that would meet the new salary and fund requirements, but would also lose the helicopter support.

The commissioners court felt that they could not justify the raise from taxes, so it was suggested by people present at the meeting that the ranchers fund the raise through individual assessment according to acres operated within the county, assessments to be made at 1¢ per acre. We

felt that the assessment would not put excess burden as to benefits desired.

The committee sincerely hopes this meets with everyone's approval, and respectfully requests everyone support our decision.

If you desire to support this assessment please make check payable to: Motley County Trappers Fund, c/o Vann Francis (Chairman), Box 478, Matador, TX 79244.

PS: If you so desire, assessment can be deposited at First State Bank of Matador.

Now. Save on finance charges with a new John Deere tractor.

It won't cost you as much as you thought to buy a new John Deere tractor right now. On models 4040 through 6640, if you make a deal with us any time before January 30, 1982, you won't have to pay a penny in finance charges until June 1, 1982! You get the tractor. And you hold on to the money you would normally pay for finance charges.

If you would rather lease, you can save there, too. On those same tractor models, your scheduled lease payments will be discounted 10%!

And that's not all. Any new John Deere or used implements you buy with your tractor earn the same finance charge waiver. This is the best way to get behind the wheel of a new John Deere tractor.

STUFFED SQUASH MAKES ECONOMICAL, HEARTY MAIN DISH

Corn and squash, staples in the diets of the early Americans, are still popular American foods today. The two vegetables combine with ham and seasonings in Hearty Stuffed Squash to make a nutritious, economical dish for the whole family.

HEARTY STUFFED SQUASH

- 2 medium acorn squash, halved and seeds removed
- 1 cup water
- 1/4 cup chopped onion
- 2 tablespoons margarine or butter
- 1 1/2 cups crushed herb-seasoned stuffing
- 2 cups cubed, cooked ham
- 12-oz. can Green Giant Niblets Golden Whole Kernel Corn, drained
- Dash pepper
- 1 chicken bouillon cube
- 1/4 cup boiling water

Heat oven to 400°F. Place squash, cut-side-down, in 13x9-inch pan with 1 cup water. Bake at 400°F. for 40 to 45 minutes or until tender. With spoon, scoop cooked squash from shells to within 1/4-inch of sides. In medium bowl, mash squash. Reserve shells in warm oven.
In large skillet, saute onion in margarine. Stir in stuffing; mix well. Remove 1/2 cup; set aside. Stir cooked squash, ham, corn and pepper into remaining stuffing mixture. In small bowl, dissolve bouillon cube in water. Stir into squash mixture. Cook over low heat, stirring occasionally, until thoroughly heated. Fill reserved shells with mixture. Top with reserved stuffing. Place under broiler for 1 to 2 minutes or until lightly browned. 4 servings.

Mrs. Clifton Honored With Surprise Party

Mrs. Callie Winegar and Mrs. Billie Clifton honored Mrs. Esther Clifton with a "Surprise Birthday Party" on her 86th birthday in her home Friday afternoon, November 19.

Those enjoying the visiting and refreshments of birthday cake and hot mocha were Mrs. Minnie Dye, Mrs. Liza Kingery, Mrs. Marie Moore, Mrs. Ruby Burt, Mrs. Ruby Holcomb, Mrs. Zola Renfro of Matador, Billie Clifton and Callie Winegar. Also present was Mrs. Clifton's great-granddaughter, Samantha Osborn, also of Matador.

Predicta Study Club Holds Recent Meeting

The Roaring Springs Predicta Study Club met Thursday, November 19 at the Depot.

The meeting was called to order by the president, La Voe Thacker. Secretary Freda Keahey read the minutes of the last meeting and they were approved as read. Miss Keahey then called the roll with each member answering with a country she would like to visit.

The devotion was given by Lillian Thacker.

Miss Keahey talked on International Affairs bringing information on the Middle East from Bible times through today. History has repeated and there has always been disturbance there. She also brought out things happening in Canada and Mexico.

Mrs. Carl (Sanda) King brought the other part of the program, which was of much interest on the beginning of bread making in other countries to our bread making today. Most interesting was French bread, how they make it and store it, hard crust and never wrapping it.

She brought out that we are the only ones that wrap bread. She told us how she watched her grandmother in France in her five bakeries that she tended for her father. She says bread is not hard to make. Your yeast must be good and in making sour dough bread never use eggs.

Refreshments of cookies were served by Lee Peacock and Venita Sedgwick to twelve members and two guests, Mrs. King from Matador and Toby Peacock of Arizona.

Roaring Springs Guild Meets With Lula Swim

The Roaring Springs Guild met in the home of Miss Lula Swim on Wednesday night, Nov. 18 with the president, Mrs. Truitt Read in charge. Mrs. Agnes Aaron gave the opening prayer. It was voted to have the Christmas party at 6:30 p.m. on December 8.

Mrs. Read presented the devotional. Mrs. Aaron had the study on the I Am's in the book of John.

Mrs. Billie Clifton installed the following officers, President, Mrs. Truitt Read; Vice President, Mrs. B. L. Peacock; Secretary, Mrs. J. T. Swim; Treasurer, Mrs. Opal Bradford.

Miss Freda Heahey gave the closing prayer.

House guests of Bess Ferguson on Thursday until Sunday were her niece and husband, Mr. and Mrs. E. E. Williams of Wichita, Kansas. Mrs. Williams is the former Mary Ferguson and was reared here.

John Meason of Plainview was here Wednesday on business.

Ora Stonecipher accompanied her niece and family, Mr. and Mrs. Jimmy James of Amarillo to Brownwood last week to attend the funeral services of her nephew, Billy Gene Cochorn.

Bessie Saulcey of Hereford is spending a few days this week with her sister Allie Lawrence and also her daughter and husband, Mr. and Mrs. L. A. Mullins. She was accompanied here by her grandson, Bobby Mullins of Plainview.

Mrs. J. T. Swim joined her brother and wife, Mr. and Mrs. Dean Hastings, and her sister, Mrs. Donna Hawkins, all of Bovina, for a trip to San Antonio Thursday of last week to visit their aunt, Mrs. Mabel Reynolds, and her daughter Mrs. Jerry Miller. They returned home Tuesday.

Mrs. John Avara and daughter Stacey of Denver City spent the week end with their mother and grandmother, Mrs. Edith Brooks.

Mr. and Mrs. Johnny Freeman and two small sons visited with their grandparents, Mr. and Mrs. M. D. Freeman Thursday afternoon in the Floydada Nursing Care Center, where the elder Mrs. Freeman resides. The young Freemans were enroute from Dallas, their longtime home, to Denver, Colorado to make their home there.

Mr. and Mrs. Charles Osborn of Fresno, California are visiting Mr. and Mrs. Elmer Osborn and Kay this week.

Mrs. Elmer Osborn shopped in Spur last Thursday morning.

Joe (Jimmy) Keahey of Evansville, Indiana was a guest of his aunt, Miss Freda Keahey the past week end. He called on old friends also. He is the youngest son of the late Mr. and Mrs. Walter Keahey and grew up in this community.

Maurice Goodwin, former resident of this community, has been released after a long hospitalization and is reported to be doing well.

Mr. and Mrs. J. S. Case and Mrs. Ruth Welch, who had been visiting the E. B. Mitchells left for their homes in Yellville, Arkansas, Saturday. Laura Sedgwick of Lubbock, Mrs. Case's daughter, was also a Friday and Saturday visitor in the home of her grandparents.

Mr. and Mrs. Mike Peacock and Michelle of Arizona visited his parents, Mr. and Mrs. B. L. Peacock last week. The elder Peacocks returned Monday of last week from a visit to their younger son Pat and his family in Liberty, Texas.

Mesdames Ruby and Marion Burt visited their sister-in-law, Mrs. Evie Burt and her son Olan, west of Plainview on Saturday.

Mr. and Mrs. Milton Brooks went on vacation with their daughter and husband, Mr. and Mrs. Bill Moose of Tyler. Tonya Adkins of Tyler and Steve Byrd from Meadow went also. They went to San Diego, Calif., to see a grandson graduate from the Naval Academy. They also went to Las Vegas and sight-seeing in Arizona and New Mexico.

Mrs. J. D. Mitchell accompanied Carolyn Kingery to her home in McAdoo Saturday, after she had spent a week with the Mitchells, while convalescing from recent surgery.

She will start therapy treatment in Lubbock next Monday.

Mr. and Mrs. Carl Barton were called to Wichita Falls Sunday to the bedside of an old friend who is critically ill.

"The first requisite to great undertakings is self-confidence."

Thanks to a tried and true approach toward the problems faced by inner cities, more than 2,000 people have found work in plants opened in Minneapolis, St. Paul and Washington, D.C.

The strategy that made these plants successful was to approach inner city and societal needs with the objective that they can be turned into profitable business opportunities.

When Control Data built its first inner city plant in Minneapolis in 1968, William Norris, its Chairman, laid down three rules:

"Make the plant new and modern. Make it profitable. Make us dependent on it so we will have to make it work." The plant was designed for the assembly of computers.

Norris sought out local black leaders and followed their advice. There has been a continued pool of ideas, concerns and thoughts among management, employees and community leaders.

Today, the average worker in the first plant has held his job for eight years, and the story is much the

The average worker in this inner city plant has held his job for eight years, building skills and climbing up. Here, the company chairman William Norris, chats with two employees.

There are good prospects for the future as well. The good news for all concerned is that the company has succeeded in making its poverty area number or mayors, seeking competitive with its conventional operations. At the same time they are serving the interests of each community and providing for disadvantaged persons to come one of the great building skills and climbing enter the mainstream of growth industries of the future.

Lunch For School Days

Parents are always looking for an easy answer to the question of "What's for lunch?" Whether you're feeding youngsters at home or packing a brown bag, here's an idea for a nutritious, inexpensive meal. At only about 50 cents a serving, Swanson Frozen Prepared Macaroni and Cheese supplies 30 percent of the U.S. RDA of protein and 40 percent of the recommended amount of carbohydrates.

Pop the macaroni and cheese into the microwave oven or conventional oven and spoon into a Thermos bottle. To round out the menu, add a glass of milk, carrot and celery sticks or sliced tomatoes and a piece of fruit.
