

## Triple Expansion --

# US Air Force Of 400,000

WASHINGTON, Oct. 23 (AP)—Secretary Stimson announced war department preparations today to expand the army air force to 400,000 flying cadets and enlisted men by next June 30, nearly tripling their present strength.

"Subsequent expansion, possibly to the 500,000 level, is possible beyond that date," Stimson said.

The present organization of the air force is based on 54 combat groups, whereas the enlarged program calls for 84 such groups, each composed of several squadrons.

The secretary said the 54-group undertaking was "well on its way," but not yet completed.

Congress was told the original program provided for a force of 25,000 planes, but Stimson declined to state how many of these were in service or how many were contemplated under the enlarged program.

"This new plan means we have reached the point where our air forces are expanding very rapidly," he told a press conference.

## Plenty Petroleum Now In The East, Ickes Asserts

WASHINGTON, Oct. 23 (AP)—Petroleum Coordinator Ickes said today that the prospect of a severe petroleum shortage in the east, about which he warned often in recent weeks, now was virtually erased.

Gasoline supplies now are actually above last year, Ickes reported. For the first time since he gloomily told last summer of possible gasoline shortages and homes with less heat this winter, the coordinator declared the general outlook on the Atlantic seaboard now was "optimistic" but he did not say when rationing of gasoline to filling stations would be ended.

Rapid improvement in the situation was attributed by Ickes to the program of the petroleum coordinator's office, coupled with continued widespread warm weather which held down the consumption of heating oils.

The announcement said that shortly after the coordinator's program was launched last summer, petroleum stocks on the east coast were 5,000,000 barrels less than at the same time last year, but that inventories for the week ended October 15 showed "this now has been reduced to 476,000 barrels" for all oils.

## Coal Miners Threatening A Walkout

By the Associated Press

Seven large steel companies today faced the prospect of strikes in their captive coal mines next Monday midnight, while 20,000 Alabama coal miners remained idle in a wage dispute.

The CIO United Mine Workers last night issued a formal strike call in the captive mines, renewing their demand for a union shop. A similar demand last month caused a seven-day strike of 43,000 workers, ended by a 30-

## Oil Allowable For November Is Increased

AUSTIN, Oct. 23 (AP)—The state railroad commission today authorized average production of 1,553,285 barrels of oil daily during November, an increase of 29,285 over the allowable for October.

Texas fields, save for usual exceptions due to special conditions, were ordered shut down for eight days, compared with nine in October. The shutdown days will be Nov. 3, 4, 5, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31.

Considering the shut-downs and 5.5 per cent normal production below the allowable, the actual output will be 1,479,615 barrels daily, the commission estimated.

The bureau of mines estimate of market demand for Texas oil in November was 1,454,700 barrels daily.

## Cool Weather Due In Wake Of Rainfall

Rain and cooler weather is in store for Big Spring and vicinity tonight, the weather bureau advised today as the vanguard of rain belt moved into the area.

Light showers falling at noon accounted for only a trace of rain at the airport weather observing station, but continued cloudiness and rain were predicted.

The temperature dropped abruptly from 75 to 66 degrees just at noon, but was rising again in the afternoon.

The rain is expected to bring harvesting of cotton virtually to a standstill. Earlier this week, spotted showers have hampered farm operations in many parts of Howard county. These showers have not been large, but have been numerous. County Agent O. F. Griffin reported driving through separate rain storms Tuesday in the trip from Vincent into Big Spring.

Cotton yield will not be cut appreciably, but grade will be damaged. Feed crops are suffering great damage, as a lack of harvest workers continues to delay maize heading. In lieu of headers to harvest the maize and other sorghums, many farmers are combining the grain where practicable.

Further north, rains appeared to be heavier to the north, with Lamesa reporting precipitation most of the morning. At Lubbock, 2.86 of rain was measured, while most of the Panhandle had rains Wednesday.

Heavy rains swept the Panhandle last night with several homes in Amarillo and its outskirts being flooded by a downpour of three inches.

Highway 80 at Hereford was under water but traffic was moving. The same road was flooded between Panhandle and Pampa. An underpass on U. S. highway 80 west of here was flooded but traffic was moving slowly.

Pampa had an overnight rainfall of 2.50 inches, bringing precipitation there in the last 72 hours to 3.75.

## Oil Allowable For November Is Increased

Ernest O. Thompson, commission chairman, said the order would allow the building up of stocks against spring demand which apparently would be surprisingly high.

Another commission member, Olin Culbertson, asserted the order represented the studied opinion of all commissioners as to what was needed at this time.

"Any time the defense situation requires more oil, it will be had," Culbertson said.

The order was also signed by Jerry Sadler, third member of the commission, which regulates the oil industry in Texas.

"The order which we are releasing today provides for the production of 1,553,285 barrels of oil per day," Thompson said.

"If the bureau of mines estimate of market demand is correct, this production will allow us to rebuild our storage at the rate of 24,913 barrels per day.

"This is a wise precaution at this season of the year so we may rebuild our stocks against the spring demand which apparently is going to be surprisingly high."

Comparative basic allowances by districts on Sept. 1, Oct. 1 and Nov. 1 were:

Southwest Texas, 218,328, 321,850 and 322,266.
Gulf Coast, 357,027, 357,250 and 357,307.
East Central Texas, 95,903, 94,757 and 96,518.
East Texas, 511,223, 511,422 and 511,422 (approximate).
West Central Texas, 58,545, 58,964 and 59,528.
West Texas, 347,043, 353,375 and 360,208.
North Texas, 150,296, 154,480 and 187,069.
Panhandle, 91,606, 114,060 and 116,244.

## Oil Allowable For November Is Increased

ACKERLY, Oct. 23—Ackerly's new Methodist church was formally dedicated Wednesday night under direction of Bishop Ivan Lee Holt of Dallas, who also delivered the dedicatory sermon.

The Rev. Howard Hollowell, pastor, was in charge of the service. The Rev. E. B. Bowen of Sweetwater, district superintendent, introduced the bishop. The Rev. E. B. Landreth of Lamesa gave the Scripture and the Rev. J. O. Haynes of Big Spring offered prayer.

V. G. Coleman presented the building to the bishop, on behalf of the church's board of trustees. Although only \$4,500 was actually spent in construction of the rock veneer church building, it is considered worth \$8,000, due to the large amount of voluntary work and contributions of materials by church members and friends, the Rev. Mr. Hollowell said.

RETIRED DEAN DIES

CHICAGO, Oct. 23 (AP)—Dr. Shailer Mathews, retired dean of the divinity school at the University of Chicago and a leader of modern religious education, died today at the age of 78. His death was caused by a stroke.

## Weather Forecast

WEST TEXAS — Mostly cloudy with rain tonight and Friday; rain locally heavy in north portion tonight and central portion Friday. Cooler in north portion.

EAST TEXAS — Considerable cloudiness with scattered showers tonight and Friday, cooler in north and west portions tonight; colder Friday except on lower coast and Rio Grande valley.

LOCAL WEATHER DATA

Highest temp. yesterday, 75.1.

Lowest temp. today, 62.9.

Sunset today, 6:05 p. m.; sunrise Friday, 6:36 a. m.

Precipitation, a trace.

## Oil Allowable For November Is Increased

DETROIT, Oct. 23 (AP)—Michigan state police were ordered to guard approaches to the Ecorse plant of the Great Lakes Steel Corp., at 4 p. m. today when the management planned to resume operations despite a strike.

Capt. Laurence A. Lyon of state police said approximately 100 troopers drawn from southern Michigan posts would be on duty.

day troops arranged to permit the national defense mediation board to consider the dispute.

About 21,000 of the miners live in western Pennsylvania. The captive mines are operated by the H. C. Frick Co. (subsidiary of the U. S. Steel company), the Youngstown Sheet and Tube company, and Bethlehem, Weirton, Wheeling, Crucible and Republic steel companies.

Chairman William H. Davis of the mediation board said a recommendation in the case would be made by Saturday.

Alabama coal mine operators met last night with representatives of the CIO United Mine Workers for a discussion of the union's demands: an increase of 40 cents a day above the present basic wage of \$5.50, paid vacations, and changes in the methods of computing coal weight loss because of washing operations.

The defense mediation board has recommended a wage increase of 25 cents a day, retroactive to May 1, with an additional 15-cent increase to be granted when conditions warrant. The board's other recommendations include two \$10 payments for 1941 vacations, and payment of four cents a ton for washer loss.

## Grenade Thrown At US Editor In China

SHANGHAI, Oct. 23 (AP)—J. B. Powell, American editor of the China Weekly Review and consistent critic of Japan's program in China, narrowly escaped injury or death tonight. A hand grenade thrown by an unidentified assailant hit him on the shoulder but failed to explode.

Powell was walking from his office to the American Club in the international settlement followed by his Chinese bodyguard when the attempt was made.

## Hearing Ended On Price Control

WASHINGTON, Oct. 23 (AP)—After receiving a letter from Secretary of Commerce Jones calling for a "comprehensive" but flexible price control law, the house banking committee ended public hearings today on price legislation.

Rep. Williams (D-Mo.), acting chairman, announced that the committee would begin drafting the final form of the measure next Tuesday and some members expressed belief it would be ready for house consideration by the end of next week.

## Bill Proposes New Aid For Farmers

WASHINGTON, Oct. 23 (AP)—Representative Brown (D-Ga.) proposed yesterday a system of federal relief benefits to cotton farmers whose crops were sharply curtailed in 1941 by heavy rainfall or the boll weevil infestation.

His bill would resist the payments to those whose 1941 production was less than half of normal. Only farmers cooperating with the agricultural conservation program would be eligible.

# Nazis Almost To Moscow Suburbs, Claim Break-Through Of Defenses

## Full Aid To Reds Urged In British Debate On War

LONDON, Oct. 23 (AP)—Attacks designed to knock Italy out of the war, night land raids on German-held coasts of the continent and a fighting British stand alongside the red army in the Ukraine were advocated today in a full dress war debate in the house of commons.

Simultaneously Supply Minister Lord Beaverbrook, back from Moscow, told the house of lords that Russia's great losses of war supply manufacturing facilities left the U.S.S.R. in a position akin to that of Britain after Dunkerque.

Foreign Secretary Anthony Eden, replying for the government in commons, declared "we realize what opportunities this German attack (on Russia) offers us," but added that to tell what plan of action will be taken "would be playing into the hands of the enemy."

"I can only give this house one pledge," he said, "and it is a pledge I assure them that the government is determined to honor."

"We are going to give Russia every help in our power by every means."

He told commons that even at the expense of the British army, equipment was being speeded to Russia.

Lord Beaverbrook said the United States and Britain missions to Moscow had promised Joseph Stalin to make up Russia's losses in tanks and planes with shipments from their own production plants. He declared bluntly that the situation in Russia was grave despite the development of many moveable industries. He said Stalin described this as 'leap frog industries which could be moved backwards or forwards as the enemy advanced or retreated.'

"They have steel plants and heavy engineering works 900 miles or more from the German line of advance," Lord Beaverbrook said, "and these are capable of immense production."

Speakers at the same time were telling the house of commons that the people of Britain were "ready to face risks for Russia"—that many felt not enough was being done.

A majority of those taking part in the debate agreed that a large scale invasion landing on the continent would stand little chance of success, but commander Stephen King-Hall, laborite member, asserted that "Germany has an appendage called Italy and that opens up vital possibilities."

Col. Josiah Wedgwood, another laborite, suggested that there were "at least 100 places" along the European coast where British troops could force landings in night raids.

A third laborite, Philip J. Noel-Baker, opening the debate for the opposition, declared "the army wants to fight," said the Volga had become Britain's frontier and added:

"We now have powerful forces in the Middle East, and I believe our people would be very happy if some part of these forces could be sent to support Russian armies in the Ukraine."

## Two Killed In Collision At Midland

MIDLAND, Oct. 23 (AP)—The collision of an east-bound Greyhound bus and an automobile during a heavy rain last night killed two automobile passengers and injured three persons riding on the bus.

The dead were John O. Beck, about 40, city secretary at McCombs, Texas, and a woman not fully identified. Her home was believed to be at Odessa.

Injured, but not seriously, were E. H. Wilkes, 34, of Ardmore, Okla.; Kay Dennis, 18, of Springfield, Mo.; and Private Jacson, 21, who was enroute from his San Francisco home to Camp Bowie at Brownwood.

The bus went into a ditch, turned upon its side and skidded into a corner of a tent-covered skating rink, which was damaged slightly. None of the skaters was hurt.

## 'Home Town' Entry Named

Grover Cunningham, son of Mr. and Mrs. G. B. Cunningham, won the right to represent Big Spring in the district elimination of the "My Home Town" speakers sponsored by the West Texas Chamber of Commerce in finals held Wednesday afternoon at the high school. Theme this year is "My Home Town in Defense."

Competing with Grover were Verne Jo Stephens and Norma Dyer. Judges of the event were Mrs. Lillie Mae Wimberly, Mrs. James A. Fowler and Joe Pickle.

Grover will compete in a four-district elimination contest October 27 at Odessa with winners of other high schools in districts 6-7-8-9. The winners in the district event will speak before the delegates' assembly November 4 at the West Texas Chamber of Commerce convention in Midland.

Heretofore there has been no district contest to eliminate contestants and each high school sent a representative to the convention. This new method will cut the number of speakers at the convention to approximately ten.

The winner of the convention talk will be awarded the Eberhardt cup and a \$20 prize. District winners will receive \$10 prize and the honor of competing in the finals.

## Full Parity Loans Voted

WASHINGTON, Oct. 23 (AP)—Legislation requiring the agriculture department to make farm loans at 100 per cent of parity for the 1942 and 1943 marketing years was approved today by the house agricultural committee.

Also, the legislation would continue authority for soil conservation payments for five more years.

Present law requires loans at 85 per cent of parity for the nation's five major crops—wheat, cotton, rice, corn and tobacco.

The committee previously had agreed to extend the 85 per cent price-pegging loans for the next two years but unexpectedly rescinded that action today and raised the level to 100 per cent.

Parity is defined as a price level which would give farmers the same purchasing power, in terms of non-farm products, they enjoy in some previous base period, usually 1909-14.

## Best In 23 Years -- Farming Looks Prosperous In 1942

CHICAGO, Oct. 23 (AP)—Farming in 1942 will be a prosperous profession, a sharp contrast with the desperate days of one decade earlier, department of agriculture estimates showed today.

For every \$1 the American farmer earned in 1932, the department predicted, he will receive about \$2.60 next year.

In 1932, huge surpluses prevented the greatest agricultural

## City May Be Within Range Of Artillery

LONDON Reports A German Drive For Caucasus Oil Area

NEW YORK, Oct. 23 (AP)—The German radio, quoting military quarters in Berlin, said today that German troops are so close to Moscow at several places that the city probably is now within range of heavy German artillery.

New Fall Dress—Uncle Sam's paratrooper troops are getting new jumping suits for the fall season at Fort Denning, Ga., as modeled here by Pvt. Harold E. Cooper, left, of Goodrich, Texas, and Pvt. Thomas E. McNamery, Edinburg, N. Y. Suits are of special gabardine-cotton mixture, shaded brown for camouflage; are two piece and provide more space for carrying knife, pistol and grenades.

## Dawson Fair Off To A Damp Start

One West Texas county fair—that at Lamesa—opened today and another—at Stanton—was to begin Friday, despite inclement weather.

At Lamesa, the three-day Dawson county fair received a damp start as rain pelted the grounds intermittently throughout the morning, but new housing facilities have been provided and fair sponsors hoped to make a success of the show despite the weather.

For the second successive year, Lamesa was offering a free gate show. A long list of cash and ribbon awards is offered. Particular stress is being laid on beef and dairy cattle, and farmers and ranchers promised a creditable showing.

"Food, Feed and National Defense" is the slogan of the fair, carrying out the federal government's request for greater food production.

Community educational exhibits were in place and promised to be a feature part of the exposition.

A detachment of soldiers from the army supply depot at San Antonio were to add a military air in demonstrating the work of the army. A carnival was on hand to complete the air of festivity.

The Dawson county fair will continue through Saturday night.

In Stanton, the Bristol and Potters buildings on highway 90 have been arranged for the showing of Martin county agricultural products, the finest grown in many years. Community booths, 4-H boys and girls exhibits, and a showing of relics, needlework and other items was on schedule for the Friday and Saturday event.

## Tax Officers Staying Busy

Tax offices continue to handle a bountiful fall business.

At both city and county collection offices, collectors today continued to express pleasure at receipts, both on the current roll and on delinquent taxes. Past due taxes may be settled off without interest or penalty, if paid before November 1, under a state law.

At the city office this month, \$2,195.46 in old tax accounts have been wiped clean under encouragement of the no-penalty law. City Comptroller Herbert Whitney said several large accounts were likely to be paid before November 1. The city has collected \$38,479.83 in current rolls thus far this month.

At the county tax office, payments of delinquent taxes are fewer than at the city, but many small accounts are being settled. Current roll collections are good at the county office, however, with \$69,329.19 already been paid this month. Having dispatched by the county collector to other agencies has been \$11,500 to county schools and \$10,420 to the state.

## Youth Injured In Laundry Machine

HOUSTON, Oct. 23 (AP)—A 15-year-old boy who left home mere than two years ago to make his own living was in a critical condition from injuries suffered when he was caught in a laundry machine last night.

The boy, Howard Earl Reed, lost his right arm, suffered a fractured right leg and was cut and bruised. Reed told ambulance attendants a sheet jammed a machine at the laundry at which the boy worked. He said he shut off the power, and turned it on again after he thought he had untangled the sheet.

## Local Men Attend Waterworks Meet

Seven representatives of the city of Big Spring went to Midland Wednesday night to attend a monthly meeting of the Fort Worth Basin Waterworks association.

Those making the trip were E. J. McDaniel, N. S. Mayer, J. D. Stambidge, Emma Lovinsky, Frank McCleskey, James Lamm and Herbert Whittay.

## Parity Payments About Complete

Virtually all Howard county farmers have received their 1941 cotton parity payments, the AAA office reported Thursday.

A batch of 33 checks totaling \$4,182.28 was received, bringing the total to 1,504 checks amounting to \$139,649.43. Less than 50 checks are believed to remain due.

Meantime, farmers are signing applications for soil conservation payments as fast as the office crew completes computations and fills out the application forms. Each farmer is notified by postcard as his application is ready.

RAIN AT CLOVIS

ALBUQUERQUE, N. M., Oct. 23 (AP)—A rain belt extending across the Texas Panhandle from Eastern New Mexico today added nearly two inches of precipitation to the record-breaking total at Clovis.

### Singers Will Convene Here This Weekend

Singers from over West Texas are being invited to come here Saturday and Sunday to participate in an attempt to organize a regional singing convention.

Paul Attaway, acting vice-president of the Howard County Singing Convention, will be in charge of the session, which opens Saturday evening at the Trinity Baptist church. He will preside until some organization is perfected.

Originally it was planned to set up a four-congressional district convention here, but instead of restricting it to singers in the 15th, 17th, 19th and 21st districts, the meeting is being thrown open to all West Texans who are interested in establishing an area-wide unit.

Attaway indicated a dozen quartets, including some of the better known vocal units of the state, would be here for the party along with scores of delegates from widely separated points. Territory from which the organization would get its members would be all of Texas west of the western boundary of the East Texas Singing convention, which boundary passes roughly between Fort Worth and Dallas.

### Italian Newspapers Flay Cordell Hull

ROME, Oct. 23 (AP)—The fascist press called United States Secretary of State Cordell Hull a "vulgar agent provocateur" today for his advocacy of neutrality act modifications.

"As a statesman and government figure, Hull is a frantic organizer of crimes, a sure instrument for the worst things for the most wretched undertakings," the newspaper Il Messaggero declared, contending that President Roosevelt gave him the job of hastening the United States into participation in the war.

Singer—Paul Attaway, vice-president of the Howard County Singing convention, will be in charge here Saturday and Sunday when the local semi-annual singing unit is inviting delegations from all of West Texas to join in the attempted organization of a West Texas Singing Convention.

### German Submarines Sink Four Ships

BERLIN, Oct. 23 (AP)—The German high command said today that U-boats had sunk four merchant ships totalling 32,000 tons, including the 14,000-ton troop transport Aurania.

(Lloyd's register of shipping lists an Aurania as a 13,864-ton passenger liner of the Cunard-White Star line. Her port of registry was given as Liverpool.)

It was stated that the ships were sunk from out of a well-defended convoy.

(There was no immediate announcement as to whether the Aurania was believed to have carried any troops.)

### Employees Due Statement Of Their Earnings

Complaints recently received from workers indicate that some employers are not familiar with the requirement that a statement of wages paid must be given to each employee, according to Robert M. Mayne, manager of the Big Spring office of the Social Security Board.

"The Social Security Act provides that every employer shall furnish a written statement to each of his employees, in a form suitable for retention by the employee, showing the amount of

wages paid," Mayne said. "No special form is prescribed, but the statement should show the employer's name, the employee's name and account number, the total wages paid, and the amount of tax deducted. The statement may be given for any period not exceeding one year; if given on each pay day, and the rate should be shown, but if it covers more than one pay period, the statement should show the period of time covered. When a wage earner's services are terminated for any reason, a final statement covering all wages paid since the preceding statement must be given by the employer at the time of the final wage payment. Willful failure of an employer to comply with these requirements makes him subject to a penalty of not more than \$5.00 in each case."

### O. E. Stevenson Funeral Held At Loraine

COLORADO CITY, Oct. 23 (SpI)—Funeral was held Wednesday afternoon at the Loraine Methodist church for Judge O. E. Stevenson, 81, of Loraine, who died in a local hospital Tuesday midnight. He had been in the hospital since Sunday, but had been in ill health for some time.

The body was taken Thursday to Floresville, former home of the Stevenson family, for graveside services and burial at 4:30 Thursday afternoon. Officiating for the service in Loraine was Rev. Sam

H. Young of Sweetwater, assisted by Rev. J. E. Shewbert of Loraine and Rev. C. M. Epps of First Methodist church, Colorado City.

Judge Stevenson's younger daughter, Mrs. George Mahon, and her husband, Congressman Mahon of the 19th district, arrived at his bedside a few hours before his death. They came from Washington to Dallas by plane. Other surviving children are Mrs. W. W. Rhode of Colorado City, M. E. Stevenson of Sweetwater, and O. E. Stevenson, Jr., of Sudan. The late Dr. C. W. Stevenson of Wichita Falls was another son. Judge Stevenson was the grandfather of Dr. Wm. S. Rhode and Dr. Oscar Rhode, Colorado City physician.

Also surviving his wife, the former Isabel Ruth King, whom he married in Stockdale on June 28, 1881. They passed their sixtieth wedding anniversary this summer. They lived for years at Floresville, then moved west in 1909, living in San Angelo and Mertzon. Judge Stevenson was county judge of Irion county for several years. He and Mrs. Stevenson moved to Loraine 26 years ago. He was a cotton buyer for 30 years. He was born in Sutherland Springs, Texas, on February 10, 1860.

Cotton Bale Averages 540 Lbs. MEMPHIS, Tenn.—Although the average bale of cotton weighs about 540 pounds, it is necessary to gin about 1,320 pounds of cotton to make it. The reason for the difference is that cotton from the fields still retains its seed, which weighs more than twice as much as the fiber itself.

### Man Kicks His Son Around—For Reason

KENNEWICK, Wash., Oct. 23 (AP)—Folks may have been shocked at the spectacle of E. G. Beckes kicking his son around—while he was down, too. But that's why he kicked him. Lloyd was shocked—by a charged wire fence while the two were pleasant hunting. His cry of "kick me, kick me loose," brought a swift boot in the pants.

Only damage was a burned hand—and a bruise.

**NO NEED TO WAIT—**

**THE GREAT NEW 1942 SERVEL**

*is ready Now*

*Stays silent...lasts longer*

**SERVEL**  
ELECTROLUX  
**GAS**  
REFRIGERATOR

**Finer than ever...backed by an Iron-clad 10-year guarantee BUT, BETTER ORDER NOW!**

Mmmmmmmmm! Isn't it a beauty!

And STILL—the only automatic refrigerator with NO MOVING PARTS in its freezing system. Nothing to wear, to make noise, to cause costly repairs.

STILL—the only one backed by an iron-clad TEN-YEAR GUARANTEE, at no extra cost.

AND—this beautiful improved new 1942 Servel—the Gas Refrigerator—is READY NOW! No need to wait—and with food prices soaring, think of what you can save on leftovers alone, with this beautiful new 1942 Servel in your kitchen—as much as \$50 or more through the winter months alone!

AND—these savings go on and on. For "no moving parts" means nothing to wear, to lose efficiency, to increase operating costs, year after year. Your new 1942 Servel will give you the finest modern refrigeration here, for as little as 1c or 2c a day—year after year! All over West Texas Servels have been giving trouble-free, perfect refrigeration for 10, 12, 14 years—without one cent for service or repairs! What an investment!

BUT—place your order NOW. Our great defense effort comes first—and production has been sharply cut, already. To be sure of having one even next summer—ORDER YOURS TODAY!

Just a small down payment—and 18 LONG MONTHS TO PAY!

### Kiwanians Soon To Start Work For Jubilusca

One week from tonight Big Spring Kiwanians will start putting finishing touches to their four-year-old Jubilusca, an amateur carnival operation held each year at Halloween for the purpose of raising funds to finance the club's underprivileged children's work.

The organization, in regular weekly meeting at noon today, voted to again make a two-night affair out of the Jubilusca, the dates being Oct. 31 and Nov. 1.

A change in location was also announced, and next Wednesday night clumsy "carpenters" of the club will start dropping hammers on assistants and sawing boards in the wrong place. This activity will take place on the Big Spring Motor used car lot, between Rita's theatre and Piggy-Wiggly store.

President Shirley Robbins named operators for the various concessions and outlined plans for the addition of several new attractions for the spook night fun makers.

### Der Mag Is Papa

NEW YORK, Oct. 22 (AP)—Mrs. Joe Di Maggio, wife of the New York baseball Yankees outfield star, gave birth to a son in Doctors Hospital today.

The conditions of mother and child were reported favorable.

### Six Crewmen On Tug Drowned

DETROIT, Oct. 22 (AP)—Six crew members of the tug America, trapped in their bunks when the vessel capsized at 2 a. m. today during an attempt to free the grounded freighter B. F. Jones, drowned in the Detroit river.

Capt. Ralph Millard, manager of the Toledo office of the Great Lakes Towing Co. who suffered chest injuries; Capt. Raymond Damas of the America, and six other crewmen who were on deck when the mishap occurred, were tossed into the river but rescued.

### Cornelison Leads Bowling League

Cornelison Cleaners moved to the top of the class in the Big Spring women's bowling league last night, beating C. R. Anthony's koglers three straight games.

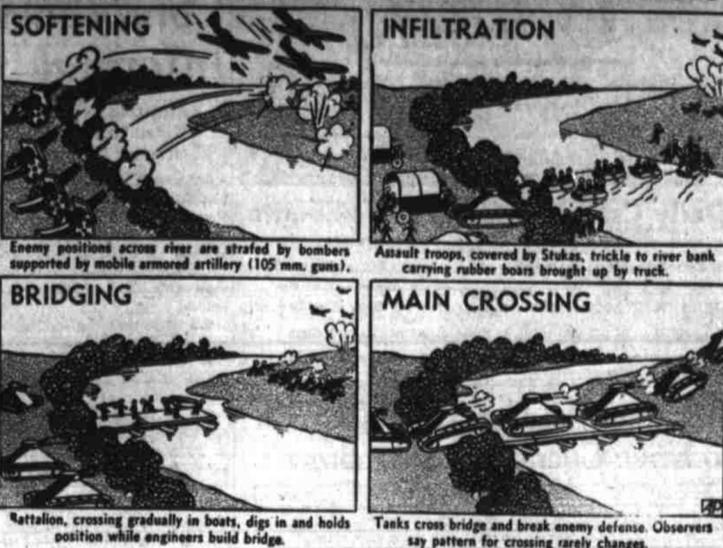

Youth Beauty Shop's team went into a deadlock with Modern Cleaners, defeating the Cleaners 2 to 1.

Stella Flynt, Anthony bowler, rolled high three game series with a 460 count, and also added high single game honors with 168 pins.

In next Wednesday's session, Anthony clashes with Youth Beauty Shop and Modern engages Cornelison.

More than four times the total purchases during the World War (April, 1917 to June, 1918) were spent by the navy's bureau of supplies and accounts during the last fiscal year. Total \$2,196,980, 630.51.

### HOW NAZIS CRACK RUSSIAN RIVER DEFENSES

Enemy positions across river are strafed by bombers supported by mobile armored artillery (105 mm. guns). Assault troops, covered by Stukas, trickle to river bank carrying rubber rafts brought up by truck. Battalion, crossing gradually in boats, digs in and holds position while engineers build bridge. Tanks cross bridge and break enemy defense. Observers say pattern for crossing rarely changes.

### Markets At A Glance

NEW YORK, Oct. 23 (AP)—

**STOCKS**—Steady; leaders show late improvement.

**BONDS**—Mixed; short line rates advance.

**FOREIGN EXCHANGE**—Quiet; generally unchanged.

**COTTON**—Higher; 100 per cent parity loans for 1942-43 approved.

**SUGAR**—Improved; trade covering.

**METALS**—Steady; stocks of lead at refineries at new low.

**WOOL TOPS**—Quiet; commission house selling.

**CHICAGO**

**WHEAT**—Closed fairly active, changes parity payments bill.

**CORN**—Strong with wheat.

**HOGS**—Fairly active; 15-20 higher; top \$10.60.

**CATTLE**—Strong to 25 higher.

**Texas Helps**—Governor Coke E. Stevenson at his desk in Austin, discusses plans for immediately recruiting two companies for service in the United States navy or naval reserve in Texas with American Legion Department Commander Andrew Dilworth of San Antonio and Capt. H. W. Underwood, commanding the naval ROTC Unit at the University of Texas. The campaign was started by the Legion in response to a telegram from Frank Knox, secretary of the navy, who pointed out the dire need for men.

### Local Legion Post To Join In Campaign For Naval Recruits

The Big Spring American Legion post will observe Navy Day in a program beginning tonight at 7 p. m. at the Settles hotel.

Guests of the post will include S. L. Cook and H. P. Jones, local recruiters for the navy, and Sgt. Troy Gibson, Army recruiter.

Charlie Sullivan, post commander, said that in addition to the Navy Day observance, important business would be taken up following the dinner, which will be served in the hotel ballroom.

Representatives of the ladies' auxiliary and all ex-service men are invited to attend the session.

### Livestock

FORT WORTH, Oct. 23 (AP) (USDA)—Cattle 2,600; calves 2,100; market slow, steers and cows weak to lower, yearlings and bulls steady, best killing calves strong, others barely steady, stockers dull; common and medium beef steers and yearlings 4.00-4.25, good and choice kind 4.50-11.00; beef cows 6.00-7.50, canners and cutters 3.75-6.00; bulls 6.00-7.50; killing calves mostly 7.00-9.00, choice lots 9.50-10.00, culls down to 6.00; good stocker calves 9.50-11.00.

Hogs 1,200; around 10.20 cents higher than Wednesday's average; top 9.95; good and choice 180-280 lb. 9.75-9.95; packing sows and pigs steady, packing sows 8.50-7.50; stocker pigs 8.50 down.

Sheep 1,300; fat lambs scarce; other classes steady; woolled fat yearlings 8.25-9.00, fall shorn yearlings 8.75, aged wethers 5.75-6.50, including fall shorn wethers up to 6.50; feeder lambs 8.50 down.

### Grain

CHICAGO, Oct. 23 (AP)—Wheat prices backed and filled most of the session today, but rallied 2 cents a bushel on receipt of news that a congressional committee had approved boosting of parity payments to 100 per cent from the 85 per cent existing now.

Wheat closed 3-1/4-1 1/4 cents higher than yesterday's finish, December 1.15 3/4-1 1/2, May 1.20 1/2-1 1/4, corn 2 1/4-1 up, December 7 1/4-3/4, May 80 1/2-1, oats 1 1/4-3/4 higher, soybeans 1 1/4-3/4 advanced, and lard unchanged to 10 up.

### Goliad Street Is Being Gravelled

Graveling of Goliad streets from 18th southward to the College Heights school has started, City Manager B. J. McDaniel announced Thursday.

A drainage ditch has been cut to carry flood waters in the area, and four inches of gravel is being spread on the street. The street, much used by parents taking children to school, had given considerable trouble in rainy weather.

McDaniel said the city planned to gravel a large number of streets as rapidly as possible, beginning first with those around schools, taking up those around churches next and then working out into the residential sections.

### Solons Blast At Strikers

WASHINGTON, Oct. 22 (AP)—Three congressmen assailed strikes in national defense industries today. Representative Cox (D-Ga.) termed the walkouts "the most disgraceful situation that ever existed in this country."

"And the shameful part about it is that neither the executive nor the legislative branches of the government are doing anything about it," Cox told the house. "The people are beginning to wonder who is their commander-in-chief, Franklin Roosevelt or John L. Lewis."

Representative Rich (R-Pa.) accused "radical labor leaders" of causing strikes. Rich said Sidney Hillman, head of the labor division of OPM, was "more concerned over his own union than over the country."

Representative Ford (R-Calif.) said congress should be concerned over the 17 million work-days which he claimed had been lost because of strikes in defense work. Ford urged the house labor committee to report legislation designed to curb the walkouts.

### John Kimbrough To Wed Houston Girl

NEW YORK, Oct. 23 (AP)—John Kimbrough, all-America football star last year at Texas A. and M. college and now playing with the New York Americans, is to be married here Monday to Miss Barbara Golding of Houston, Tex. The announcement was made by the parents of the bride-to-be, Mr. and Mrs. Fred Golding of Houston.

The marriage will take place at 5:30 p. m. at the Cathedral of St. John the Divine, with Dean James De Wolfe officiating. Miss Golding formerly was a student at Rice Institute in Houston and now is a sophomore at Marymount at Tarrytown, N. Y.

Kimbrough made his professional debut here last Sunday in a game against Columbus.

### Texas Historian Claimed By Death

HOUSTON, Oct. 23 (AP)—Sam Houston Dixon, 86-year-old writer of Texas history and an authority on horticulture, died here today.

Dixon wrote many books, including "Heroes and Martyrs of Texas," "History of San Jacinto," and "Romance and Tragedies of Texas History."

He pioneered the Elberta peach industry in East Texas and aided in development of the citrus fruit industry in the lower Rio Grande Valley.

**... slides down smoothly!**

Talk about easy-goin' beer that perks up a palate with grand-tastin' goodness and you'll describe Grand Prize perfectly. It's the lively beverage that certainly slides down smoothly.

Brewed right here in Texas by skilled Texans with a nation-wide reputation, this deeply mellow beer brings you all the sparkling goodness that quenches a thirst jiffy-quick. Is it any wonder then, so many people prefer this truly great brand?

**THE RECORD... Facts That Concern You** No. 33 of a Series

**THERE GOES A TIRE! ... but why junk the car?**

Any car can have a blowout in a tire. But you wouldn't junk the car. You'd just fix the tire—or replace it.

That's very much like a situation that exists in the retailing of beer. Beer retailing has its "flat tires," too—retailers who disobey the law or who permit unsavory conditions.

To protect your right to drink good beer, we of the beer industry want to eliminate the few "flat tire" retailers. Here's another reason: Right here in Texas, beer has provided employment for 31,165 persons, supports an annual payroll of \$22,076,182 and paid \$2,273,968.64 in state taxes last year.

The state, too, has an important stake in the beer industry's purchases—for material, equipment and services—from more than 100 other industries.

Those benefits are worth preserving. You can help us preserve them by patronizing only the reputable and legal places where beer is sold and by reporting any law violations you may observe to the duly constituted authorities.

**BEER... a beverage of moderation**

### Big Spring Hospital Notes

Mrs. T. W. Alderson, Odessa, had major surgery Thursday.

Lane Hudson, 533 Hillside Drive, underwent appendectomy Thursday.

Otis Lee, Monahans, who has been receiving treatment for an injured arm, received plastic surgery Thursday.

Mr. and Mrs. Everett Wilkins, 404 State St., are the parents of a son born Wednesday. The infant weighed seven pounds, 12 3/4 ounces.

Harold Duke Neal, 601 E. 17th St., had medical treatment Thursday.

R. E. Heaton, Stanton, who underwent major surgery, is reported as improving.

Katherine Dement, Knott, is improving following major surgery.

W. F. Morris, Rt. One, is reported as improving following eye surgery Wednesday.

Ray Lawrence was able to return home Wednesday following medical treatment.

## PERTAINING TO PEOPLE

Mr. and Mrs. H. B. Clark of Lubbock are moving here to make their home. The Clarks are former residents here, having spent the past nine months in Lubbock. H. B. Clark will be employed at Besty's laundry.

A. D. Franklin, Mrs. Roy Franklin and son, Roy Gene, spent Tuesday in Colorado City and Abilene.

Mrs. Roy Franklin left Wednesday for Brownwood to accompany her son, Roy Gene, back to Camp Brown after his 15-day furlough here.

Mr. and Mrs. Loria McDowell and son are spending a few days in Kansas City, Mo.

Mr. and Mrs. R. F. Bluhm had as a guest this week their sister, Mrs. J. M. Alexander of Wichita Falls.

Mrs. and Mrs. H. V. Crocker have returned from Dallas where they spent a few days visiting their son, H. V. Jr.

Mr. and Mrs. Harold Garvin of Norman, Okla., will arrive Friday for a weekend visit with her sister and husband, Mr. and Mrs. J. Gordon Bristow.

Mr. and Mrs. French Martin and Mary Elizabeth and Margaret will leave Friday for a few days visit in Houston, San Antonio and Galveston.

## Autumn Flowers Are Decoration At The Dos Por Ocho Club

Autumn flowers decorated the home of Mrs. Ches Anderson when the Dos Por Ocho club met Wednesday for sewing and visiting.

A salad course was served and present were Mrs. Fred McGowan, Mrs. John Davis, Mrs. W. S. Saltwater, Mrs. Garner McAdams, Mrs. Hollis Webb.

Mrs. H. V. Crocker, Mrs. C. Y. Chickales, Mrs. Pat Sullivan, Mrs. R. L. Pritchett, Mrs. R. F. Bluhm, Mrs. M. S. Beale. Mrs. Crocker is to be next hostess.

## Pull the Trigger on Lazy Bowels, with Ease for Stomach, too

When constipation brings on acid indigestion, stomach upset, bloating, dizzy spells, gas, coated tongue, sour taste and bad breath, your stomach is probably "pulling the trigger" because your bowels don't move. It calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin for perfect ease to your stomach in taking. For years, many doctors have given Laxative-Senna in their prescriptions to make medicine more agreeable to a touchy stomach. So be sure your Laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin. See how wonderfully the Laxative-Senna wakes up lazy nerves and muscles in your intestines to bring welcome relief from constipation. And the good old Syrup Pepsin makes this Laxative so comfortable and easy on your stomach. Even sickly children love the taste of this pleasant family Laxative. Buy Dr. Caldwell's Laxative-Senna at your drugstore today. Try one Laxative combined with Syrup Pepsin for ease to your stomach, too.

**CRISP AUTUMN DAYS CALL FOR LUSTY HEINZ VEGETABLE SOUP!**

You couldn't find a simpler, more satisfying fall-weather dish than heart-warming Heinz Vegetable Soup! Brimful of savory vegetables cooked in small batches, with rich beef stock, it's ready to serve. First cost is last cost... you needn't add a thing! Simply ask your grocer for Heinz Vegetable Soup. You'll like it for family supper—or the children's lunch!

**It Tastes Homemade!**

## Couple To Marry Here November 1

The engagement and approaching marriage of Miss Mackie Ella Dell Loving of Colorado City and R. L. Millway of Big Spring is announced. Miss Loving, daughter of Mr. and Mrs. Harry A. Loving of Colorado City, and Millway, son of Mrs. Joe Millway of Big Spring, will be married here November 1st.

Millway is employed at Coca-Cola Bottling company. The couple will make their home in Big Spring.

## High School Press Club Has Banquet

COLORADO CITY, Oct. 28 — Thirty-seven places were filled when the annual banquet of the Colorado City high school Press club was held Tuesday evening at the Colorado hotel.

Jack Reid presided. Guests introduced were Mr. and Mrs. Newby Pratt, Mrs. Jewel Barrett; Gladys Miller, Eugene Haley, Lenora Cook, Lea Swope, Jane Oliver and Mr. and Mrs. John E. Watson.

Also given special introductions were Sue Hardegree, editor of the Howl; Mary Price, Mildred Wynne and Jan Lee, members of the banquet committee.

A sing-song led by Eugene Haley with Mary Price accompanying opened the evening's program. Talks on what the community, the faculty, and students expect of the high school newspaper were made by Mrs. Jewel Barrett, Lenora Cook and Bill Coffey, Jr. An original reading was given by Gladys Miller.

Attending were Bill Coffey, Jr., Mary Price, Lenora Cook, Gladys Miller, Jewel Barrett, Jack Reid, Janie Brannon, Supt. and Mrs. John E. Watson, Mr. and Mrs. Newby Pratt, Lea Swope, Eugene Haley, Dorothy Womack, Jan Oliver, Margery Fickens, Ronald Fritchett, Sue Hardegree, Owen Lee, Montgomery, Buddy Doss, Mildred Wynne, Quinton Hamrick, Jan Lee, Martha Jayne Watson, Jimmie Kelley, Mary Ann Latham, Mary Sue Thompson, Weidon Miles, Brennan Basham, Verna Campbell, Ralph Mann, Jr., Joan Mann, Sara Carter, Morris Caffey, Eva Pearl Galey, Luella Gaylor and Bob Moore.

## Surprise Pink and Blue Shower Given Mrs. Henry Orson

A surprise pink and blue shower was given for Mrs. Henry Orson in the home of Mrs. John Knox Tuesday by Mrs. Knox and Mrs. Bill Shearer.

Pink and white were the colors used in the refreshments and pink roses and chrysanthemums decorated the rooms.

Bridge was entertainment and high score went to Mrs. Carroll Sipes. Mrs. Jack Rinehart binged.

Others playing were Mrs. Truman Townsend, Mrs. Vernon Stepp, Mrs. Gene Gardner, Mrs. Carl Covington and Mrs. Jeff English. The guests were Mrs. H. J. Agre and Mrs. J. B. Wheat, Jr. Sending gifts were Mrs. Horace Justice, Mrs. H. W. Wright and Mrs. Kenyon Hayward.

## Our Lady of Wisdom Club Has Study Meet

Our Lady of Wisdom club of St. Thomas Catholic church met Wednesday night in the home of Mary Margaret Williams for study. Mary Helen Donnell presided.

Next meeting was set for Wednesday night at 7:15 o'clock in the home of Mary Freeman.

Others present were Doris Lou Boadle, Mary Freeman, Leola Fay Vines, Shirley Hatcher, Mrs. Thurman Gentry, Helen Duley, Lilian Jordan, Mrs. Paul Kidwell, and the hostess.

## Women Guests At Livestock Show

KANSAS CITY, Oct. 28 (AP)—The American Royal Live Stock and Horse Show saluted the farm woman today with more than 1,500 members of farm women's clubs on hand for the occasion.

Meanwhile livestock activities spread to many departments with carlots of prize fat and feeder cattle selling at auctions carried on at the same time that Hereford and Shorthorn breeding cattle were being judged.

**SATURDAY**  
1930 HYPERION CLUB will meet with Mrs. Omar Pittman, 1411 Runnels, at 3 o'clock.

## Halloween Is The Time Of Year To Serve Guests "Witches' Brew"

About this time of year there are weird tales of hobgoblins dancing in the moonlight and witches whispering over cauldrons, for Halloween is the season when evil spirits awake. As for Halloween parties—the spookier, the better.

Serve refreshments in keeping with ghost stories and witchery. Prepare jack-o-lantern sandwiches of whole wheat bread and creamy, golden cheese, with faces of raisins, nuts or pimiento. Witch-shaped molasses cookies, plenty of apples and a big dish of caramel corn are appropriate.

You won't have to learn magic words to make a "witch's brew" that will cast a spell over the most wicked ghost. Just mix a hot punch, using carbonated beverages to give it sparkle. With recipes like this, you can prepare an unusual, zesty drink that pleases everyone.

**HOT SPICE PUNCH**

- 1 cup sugar
- 1 teaspoon whole cloves
- 1 teaspoon all-spice
- 1 stick cinnamon
- 1 quart lemon or lime carbonated beverage
- 2 quarts ginger ale
- 1 lemon

Add sugar and spices to two quarts cold water, bring slowly to boil and simmer five minutes. Remove and strain. Bring to boil again. Take from stove, add carbonated beverages (unchilled), garnish with lemon slices and serve at once.

## Miss Laneous Notes

By MARY WHEALEY

It doesn't look to us like there is any need to set aside a Thanksgiving Day this year. Every morning when we get out of bed until it's time to go to sleep again there ought to be a phrase of Thanksgiving running in our minds. Giving thanks we are who we are and where we are.

No matter what goes wrong here, we are living in a paradise. It may be a fool's paradise but we ought to appreciate it while it's here.

When we read the papers of the countless thousands who are being slaughtered to justify one man's ambition. The other thousands of little people like us who are paying with their lives just to satisfy the lust that lies in man's heart. When we read these things—just one day of being thankful could hardly hold all the things we are thinking.

To live in a country where we say what we think, do as we please, and count a man by what he is doing. To live in a country where life is counted important and a man worthwhile. To be in a world where youngsters are taught the Golden Rule and not the out of killing you could you give enough thanks for that in just 24 hours.

To walk down the street with shoulders erect and eyes free from fear. Where else could such a manner of living be possible.

Have Thanksgiving every day and it still won't leave time for all the things that need to be thankfully said.

## Board of Directors Of Community Chorus Appoint Committee

The board of directors of the community chorus met Wednesday night on the mechanics of the Settles hotel to select a music committee. Appointed were Bill Dawes, Doug Perry, Herschel Summerlin, Dan Conley.

The committee is to select music for the year program. Others attending were Mrs. Omar Pittman, Jean Newton and Morris Ledger.

Anyone interested in joining the chorus is invited to attend next Monday night at 8 o'clock at the Commodore hotel.

## Forty-Two Club Has All-Day Session

An all-day session including a variety of entertainment was held Wednesday by the All-Around Forty-two club. Members attended the cooking school and then had lunch downtown.

The club met in the afternoon in the home of Mrs. Paul Bradley with Mrs. Fleener included as only guest.

Prizes in forty-two went to Mrs. Marvin Wood, Mrs. D. S. Orr and Mrs. Jim Harper.

Dahlias and cannas decorated the rooms and a Halloween's theme was used in appointments. Favors and refreshments repeated the theme. Others present were Mrs. R. C. White, Mrs. T. J. Tatum, Mrs. R. V. Forestry, Mrs. C. E. Manning, Mrs. F. M. Gray, Mrs. D. P. Day, Mrs. M. E. Eyerley, Jr., Mrs. Otis Johnson.

In its war against termites the U. S. navy has decided to use concrete blocks in place of wooden ones in its storage racks in navy yards and operating bases.

## COMPLETE FEMINE HYGIENE DEMANDS:

MUCH has been written about feminine hygiene. But too often women overlook hygiene in the REAL sense of the word—underarm cleanliness and sweetness. You cannot be attractive with underarms moist, stained and smelly. Use Arid, the new cream deodorant.

1. Arid does not set dress, does not irritate skin.
2. No washing to dry. Can be used right after shaving.
3. Instantly checks perspiration 1 to 3 days. Removes odor from perspiration, keeps armpits dry.
4. Arid is a pure, white, granular, scented washing cream.
5. Awarded Approval Seal of American Institute of Laundering as harmless to fabric.

Women use more Arid than any other deodorant. Try a 10¢, 35¢ or 75¢ jar today at any store which sells toilet goods.

## North Carolina Guests Complimented With An Informal Coffee

**Morning Affair Given In The Bristow Home**

An informal coffee was a compliment to Mrs. B. T. Cowper and Mary Lee Cowper of Raleigh, N. C., Wednesday morning given by Mrs. William Tate and Mrs. J. Gordon Bristow in the Bristow home. Hours were from 10 o'clock to 11:30 o'clock.

The table was centered with a bowl of yellow mums and varicolored pottery was used. Mrs. Robert Currie presided at the coffee service.

Mrs. B. T. Cowper and Mary Lee are houseguests of Dr. and Mrs. R. B. G. Cowper. Mrs. B. T. Cowper is the mother and Mary a sister of Dr. Cowper.

The guest list included Mrs. Ted Groebel, Mrs. Lee Rogers, Mrs. A. Swartz, Mrs. Curtis Driver, Mrs. M. H. Bennett, Mrs. J. Y. Robb, Mrs. Elmo Wasson, Mrs. Don Seale, Mrs. Ben R. Carter, Mrs. V. Van Gleson, Mrs. J. B. Young, Mrs. Shine Phillips, Mrs. Carl Blomshield, Mrs. R. O. Beasley, Jr., Mrs. R. O. Beasley, Sr., Mrs. J. M. Woodall.

The North Carolina guests and Dr. and Mrs. Cowper are spending Thursday in Carlsbad, N. M., where they will visit the cave. They plan to return home this weekend.

## Effect Of School On Children Is Club Topic

A program on "Are Our Children What the Schools Make Them?" was given by Mrs. R. W. Currie for the Child Study club members meeting in the home of Mrs. J. E. Brigham Wednesday.

Mrs. Currie talked on the atmosphere of the class room and the effect of the teacher's personality and methods on children. She also discussed the relation of the curriculum to the interests, needs and abilities with regard to effect on the personality of the child.

Mrs. Alfred Collins talked on nutrition and how to improve the families health.

Others present were Mrs. H. W. Wright, Mrs. W. C. Everett, Mrs. William Tate, Mrs. H. E. Clay, Mrs. Harold Bottomley, Mrs. Cecil McDonald, Mrs. Iva Huneycutt.

Mrs. Clyde Angel is to be next hostess.

## Sub Deb Club Meets With Robbie Piner

Planning a grocery sale and reporting on other funds realized for presentation hall, the Sub Deb club met in the home of Robbie Piner this week.

Cornelia Frazier presided. Present were Hope Sison, Mary Jo Thurman, Camille Inkman, Gloria Strom, Jeannette Malmrebanks, Mina Mae Taylor, Ann Talbot, Dorothy Sue Rowe, Dorothy Hayward, Elsen Killingsworth, Katherine Fuller, Pauline Sanders, Katherine Travis, Evelyn Ann Flint, Gloria Hall.

Cornelia Frazier is to be next hostess.

## Marriage Of Hylton Girl And Lomax Man Is Announced

LOMAX, Oct. 23 (Sp)—Tommie Lynn of Hylton, Tex., and Carroll Ford Coates, Jr., were married at Hylton October 18th in the home of the bride's parents, Mr. and Mrs. T. J. Lynn, according to word received here.

The Rev. Arvie Henson, pastor of the Hylton Baptist church read the ceremony at 10 o'clock in the morning.

Attending the ceremony were Mr. and Mrs. Lynn and sons, LeRoy and Wayne, Oratha Saunders of Sweetwater, Bernard Coates of Big Spring.

Coates is the son of Mr. and Mrs. Ford Coates. The couple is at home in the Lomax community where Coates is employed as press man at the Kornegyn gin.

Efficiency Creates Inefficiency  
DENVER—State Treasurer Homer Bedford is a state official who used to have a switchboard. Bedford had the telephone switchboard installed last month, but ordered it removed when he found it kept his secretary so busy she couldn't write his letters.

# Far East Trouble Zone - THAILAND IN MIDDLE, SEEKS PEACE BUT HER MEN ARE TOUGH, STEADY

(Second of two articles on danger spots in Japan's southward march.)

**AP Feature Service**  
BANGKOK, Thailand—Reports from reliable sources here agree that the Thais (Siamese) are prepared to fight and will give a good account of themselves, if attacked. Thailand is caught between two world powers pushing in opposite directions. On the Indo-China border is a powerful Japanese army. On two other borders, in Burma and Malaya, there are large British forces.

MARCHING MEN of Thailand... "courage to burn."

The Thais have no quarrel with Japan or Britain.  
**British Ready**  
But Japan's "southward march," particularly since the move which brought Japanese troops into Indo-China, threatens to cut right across Thailand, in a possible move toward Malaya and Singapore. It is reported, on the best authority, that Japan has been negotiating with the Bangkok government for bases and the right to pass troops through Thailand.

Observers believe the British answers to this would be prompt and vigorous... British troops would get there first. In either case, Thailand would find herself at war.

However, the highest government officials in Bangkok insist their only concern is to maintain friendly relations with both sides.

At the same time, they admit their position has been complicated by a filtration of some years' standing with the Japanese. It reached a climax a few months ago when Japan mediated in the border war between Thailand and French Indo-China. Thailand got large slices of French territory under these auspices. Now Japan is reported increasing diplomatic pressure for an agreement with Thailand.

is composed of American, Italian and Japanese ships. Their bombers gave a very good account of themselves, eye-witnesses report, and were largely instrumental in dislodging French troops. The Thais never tried night bombing, but were fairly efficient in attacking ground positions with machine-guns.

**'Courage To Burn'**  
Only a few army units are mechanized, but foreign military experts believe there is enough of such equipment, in view of the terrain on the Thai frontiers. It is largely jungle and roadless.

As for the fighting qualities of the Thai soldier, this is the testimony of a French officer: "They had courage to burn. They came on, and on against us, even when we were dropping them in piles in front of our position."

It reached a climax a few months ago when Japan mediated in the border war between Thailand and French Indo-China. Thailand got large slices of French territory under these auspices. Now Japan is reported increasing diplomatic pressure for an agreement with Thailand.

## Suffered Misery From Kidney Pain

"I suffered untold misery after every meal," states Mr. R. W. Clark of 215 East 8th Street, San Angelo, Texas. "Gas and sourness caused me to belch hot liquids. My kidneys and bowels did not function. I had pains in my back, was nervous and couldn't sleep."

"Hoyt's Compound relieved me of indigestion, gas and bloating. My kidneys and bowels are regulated. The sourness and belching are gone. My nerves are stronger, the pain gone. I can eat any food, thanks to Hoyt's!"

Hoyt's Compound is recommended and sold by the Collins Bros. Drug Store and by all leading druggists in this section.—adv.

## Tax Payers Owe School District Over \$50,000 In Past Due Debts

The Big Spring Independent School district has more than \$50,000 in delinquent taxes it would like mighty well to clear off before Nov. 1 at a big saving to taxpayers. Delinquent accounts for 1939 and prior years total \$53,923 and if paid by Nov. 1 can be settled for no interest and penalty or single pieces may be cleared by property holders without clearing their other property for only six per cent. As of Nov. 1 and subsequently the rate of penalty and interest goes upstairs six strides at a time until it reaches 47 per cent in some cases.

which must be computed by those who are clearing their property. Here is the way the delinquent rolls stack up by years:

## Grocers Warned To Obey Food Stamp Law

DALLAS, Oct. 23—Officials of the regional office of the Surplus Marketing Administration, USDA, today pointed to the advisability of close adherence to Surplus Marketing rules by cooperating businesses. Judge Allen Cox of the northern district of Mississippi recently sentenced G. C. Josey, 53, a Starkville grocer, to two years and four months in the federal penitentiary and fined him \$250 plus a five-year probational period after serving the sentence, for presenting false claims against the United States government. Previously he had sentenced James Newton Weir, a 65-year-old West Enterprise, Miss., grocer, to three years and fined him \$1,000 for violation of the food stamp program.

The Newspaper Provides Entertainment and Amusements For ALL Its Readers... Young and Old

Meet Charley and Ruth Lane. At the moment they're smiling at a cartoon that appears daily in this newspaper. When they get through, they'll turn to the comic page and find out what's happening to their favorite "funnies" hero. Tonight, after dinner, while Charley parks himself behind the sporting page, Ruth'll sharpen her pencil and get to work on a crossword puzzle in the front section. Then they'll probably wrangle awhile over who gets to read today's fiction story first, and by that time they'll be ready to look in the amusement section to find out what movie they want to see.

No, they're not any sillier than anyone else. Upwards of a hundred million people do just about the same thing, and for an hour or so a day, they're completely centered around their newspaper. It means something to them besides news—it's diversion and relaxation and entertainment.

# Military Expert Says Talk Of U. S. Beating Japan Within 2 Weeks Is Purest Fantasy

By COL. FREDERICK PALMER (Military Expert)

WASHINGTON, Oct. 23—Veteran Senator Norris of Nebraska, whose career entitles him to high respect as an elder statesman, discloses that naval officers have advised him our fleet could sink the Japanese fleet in two weeks in case of war with Japan.

ington dinner table rounds for weeks. No one gave the admiral's name. As the tale grew he had said that our fleet would finish the job and be back in two weeks. Senator Norris called attention to this bit of chain system gossip as though it were authoritative. The senator did so when axis troops were occupying Odessa and the German thrusts were stabbing ever closer to Moscow. On top of this we had the news that the military party is in the saddle in Tokyo where an official spokesman for the Japanese navy said it was "itching for action." Then came the report of the damage done to the destroyer Escamby by what was undoubtedly the deliberate act of a German submarine, half way around the world from Tokyo.

elimination of strikes is vital. The people must know the realities. Anyone who has the public ear and glosses over the realities with the soporific optimism of Neville Chamberlain is doing a disservice and may encourage us to expect impossibilities of our navy. No secret should be more closely guarded than the navy's plan of operations in case of war with Japan. It is the navy which has the most intimate view of all realities. For the people the realities to consider are those shaping our public policy which the navy executes after the state department has written its last note to the enemy country until peace is resumed. In our Far Eastern policy our diplomacy has committed us to Japanese evacuation of China and French Indo-China as our minimum demand. This led to the downfall of the Konoike cabinet. Beyond this we are committed to shoot on sight in naval patrol co-

operation with the British, making the British cause our own in all except direct conveying and another A. E. F. No one thinks we can send an army to China to put the Japanese out. If the American fleet was to go to the Sea of Japan, sink the Japanese fleet within two weeks and return, our battleships must have miraculously acquired wings to cover the distance in that time. If the Japanese fleet would come out in the open sea off Hawaii there is no doubt of its fate under the pounding of our fleet. But there is no variation of naval opinion that if it challenges open battle this will be in home waters. The Japanese fleet can remain in port mobilized behind coast defense guns, hiding its opportunity while our fleet is far from its base. To cut off Japanese sea communication with central China would be a tremendous and prolonged undertaking. We should have to concentrate

our naval forces in the Far East, which would call for all the material we could produce at the expense of aid to Britain and to Russia. There would be no preventing Japanese control of the Korean Straits for supplying an army to attack Russia in the east. From the first there have been sound reasons and information for believing this would be her objective, subject to a German triumph in Russia. Her taking of French Indo-China, her threat on Singapore and the Dutch East Indies and her negotiations with us may have been only a cover for this movement. Japan and Germany are at the peak of their production. We shall not be at the peak of ours for another year. We can lighten up our approaches on Japan and let her stew, as one factor in sound counsel. In this grave situation we are in a position to take the long view and keep our heads.

### Congress May Hike Social Security Tax

WASHINGTON, Oct. 23 (AP)—Treasury sources said today the administration was considering a request to congress to hike the employer's share of social security taxes from 1 per cent to 5 per cent of his paycheck. Under this plan, if adopted, employers would increase their contribution to old age pensions from 1 to 2 per cent, and would continue paying 3 per cent for unemployment insurance, making their total also 5 per cent. At present, the employees pay no federal unemployment tax; only 1 per cent for old age pensions.

# Willkie Tries To Prod Republicans Into Lead Of Anti-Hitler Fight Says News Interpreter

By JAY G. HAYDEN  
 WASHINGTON, Oct. 23.—A deliberate attempt by Wendell L. Willkie to prod President Roosevelt into fighting action against Hitlerism was behind the introduction by three republican senators, Monday, of an amendment to the pending armed ship bill providing for complete repeal of the neutrality act. If this proposal is adopted, of course, it would accomplish removal of the prohibition against

sending American merchant ships into combat zones, which the president has condemned verbally but so far without directly asking its repeal.  
 Over the weekend Mr. Willkie spent much time in long distance telephoning, seeking to persuade republican senators to join in the move for neutrality repeal. He approached about eight senators, it is said, but succeeded in convincing only three of them

(Bridges of New Hampshire, Austin of Vermont and Gurney of South Dakota) to the point of sponsoring his plan. It is claimed, however, that four or five more republican senators indicated strong sympathy with the proposal.  
 Mr. Willkie's major thesis is that both Prime Minister Winston Churchill and President Roosevelt have gone soft at the most crucial moment of the war. He is disgusted over the failure of the British to attempt an invasion of the continent or in some other way to provide a diversion for the hard-pressed Russians. All along, he has been saying that Mr. Roosevelt pays too much attention to popular polls and partisan political considerations in determining his course.  
 In this instance, Willkie says, the president has permitted himself to be scared off by his democratic congressional leaders, whose thinking never rises above consideration of the effect any proposed action may have in the

next election. Wherefore, he contends, a God-given opportunity has been presented indiscreetly-minded republicans to step in and grab the international ball away from the democrats.  
 Administrative leaders have insisted that they had the votes in both houses to repeal the prohibition against sending merchant ships into combat zones, as well as to authorize arming of these vessels. But to get the combat zone repealer through the senate, they say, which the speeches of isolationists would be featured in the front pages of newspapers throughout not only the German-dominated countries but neutral countries. Belief that this show of American disunity just now would more than offset benefit to the anti-axis cause derived from free use of American shipping is said to have been the main reason why President Roosevelt decided to content himself for

the time being with the authority to arm merchant ships.  
 There are signs that the prospective publication of the second batch of President Roosevelt's public papers and addresses (scheduled by the MacMillan company for November 15) is not without elements of embarrassment for the administration. The first volumes of this production, covering Mr. Roosevelt's governorship of New York and his first four years in the White House proved to be a distinct flop from the standpoint of public sale. Bookmen say the first and only edition of this numbered 5,000 copies and only about 2,000 were sold at the original price, \$15 for regular and \$20 for deluxe sets. One embarrassment is that book dealers with these sets, have been selling them recently as low as \$7.50, just at the time when preparations were being made to put the second series on the market. In an apparent attempt to "pop

up" and advertise the present issue, covering his second term, the president wrote a series of political commentaries to be included in it, which were sold for serial magazine publication in advance of the book release. Dealing as they did with such highly controversial political subjects as the president's attempted packing of the supreme court, the effort to "purge" dissident democratic congressmen in the 1935 primaries, and the pre-war fight over neutrality legislation, each of the magazine articles stirred up a storm of political controversy.  
 The main charge has been that Mr. Roosevelt, at a time when he was demanding that all partisan politics be put aside in interest of national unity respecting the crucial international situation, was himself going out of the way to blast his political opponents. Governor Alf M. Landon sounded the republican complaint on this score when, in a speech last Friday, he said:  
 "In a period of vital national

emergency the president chooses to provoke political controversy by a series of magazine articles in my judgment he is not merely raking up old quarrels. He is much too smart a politician to do that—the president knows that, despite his promises to the people, we are facing a lowering standard of living. Therefore, he must resort to his old tactics of stirring up hate, stirring group against group, linking the old fight for a new deal with the new world order, in order to hold his supporters.  
 As with the first series of Roosevelt papers this one is being edited by Judge Samuel Rosenman. In connection with the first series it was announced that the president's personal profit from the enterprise would be given away to some worthy national cause and later it was said that it had been given to the projected Hyde Park library.

## US Crews May Build Roads For Britain

LONDON, Oct. 23 (AP)—The British government has approached the United States on formation of a large-scale road and railway-making organization of American engineers, Foreign Secretary Anthony Eden said today.  
 He said the aim would be to give the allies a construction force comparable to the great Tote organization which constructed Germany's mammoth fortifications on the western front and the military highway system.

### Note To Halloween Celebrants: Better Keep Within Law

DALLAS, Oct. 23 (AP)—Halloween isn't. Not any more, it isn't. The once sacred evening has evolved into something else again. Take Dallas for example. The police here are already riding their Sam Brownes in grim, though hardly eager, anticipation.

Halloween is eight days away, but the authorities have begun their annual warnings. They speak ominously of heavy hands to be laid on individuals who overstep the bounds.

Mayor Woodall Rodgers is conjuring up phrases about law and order. He said the police department has been instructed to arrest all and sundry who interfered with

private property. Presumably he didn't mean that public property would be fair game, either.

The righteous indignation of the gendarmes, asserted His Honor, awaited those who seriously disturbed the orderly conduct of traffic or inflicted bodily injury upon others.

"Not only will such persons be arrested, but they will be brought to trial and adequately penalized if they are found guilty," the mayor declared.

"Past Halloween celebrations have been marked by unnecessary vandalism and rowdiness," he continued, putting it mildly. "They have brought discredit to the city and make a Donnybrook Fair of an ancient religious festival."

In order to put emphasis on this ruling against the hard-headedly vandalistic, Police Chief J. M. Welch ordered every member of the force to be on duty Halloween.

"Mr. Reardon lost an election bet in 1902."

### Housing Contract Topic Of Dispute

WASHINGTON, Oct. 23 (AP)—Senator Brewster (R-Me) protested today that Sidney Hillman, director of labor relations for the defense program, was exercising "dangerous powers" by advising against award of a contract to a low bidder on a Wayne county, Mich., defense housing project.

Brewster, member of the senate committee investigating national defense, said he would urge that this controversial contract be awarded to the low bidder at once despite Hillman's testimony that he feared such action might cause a "civil war" in Detroit labor circles.

Hillman told the committee yesterday that the enterprises of P. J. Currier of Detroit, low bidder on the job, had been operated on a non-union basis except for a brief interval, and that Currier at one time was engaged in a "bitter fight" with the Detroit teamsters union.

"All these facts," Hillman testified, "indicated to the labor division that the experience of the Currier companies in their labor relations was such that serious consequences might result should this award be made to the Currier company."

Brewster commented as the senate group asked Hillman to return for further testimony today on the subject.

### Midland Housing Corporation Formed

AUSTIN, Oct. 23 (AP)—Chartered: Midland Housing Co., Midland; real estate; capital stock, \$10,000; incorporators, M. C. Ulmer, J. R. Martin, P. J. Mims.

Armstrong Realty Co., Fort Arthur; real estate; capital stock, \$50,000; incorporators, George W. Armstrong, A. J. Armstrong, R. C. Armstrong III.

### Dog Uses Phone

VEVAY, Ind.—"Number, please," said Mrs. Edward Mead, telephone operator, in answer to an early-morning signal from the Vevay Reynolds Enterprise.

"How-wow," came the reply Mrs. Mead, puzzled, telephoned Richard Henry, worker on the newspaper.

Henry went down to the office and found his Beagle hound, Fanny, had been locked in.

She'd knocked the telephone receiver off the hook and was barking at the instrument.

NORMAN, Okla.—When Leonard Feb was elected freshman law president at the University of Oklahoma, disappointed candidates and their supporters elected themselves and all other members of the class vice presidents.

### Defense Stamp Sales Nearly 19 Million

WASHINGTON, Oct. 23 — Sales of Defense Savings Stamps for five months have reached the total of \$18,986,000, the Treasury Department announced.

September sales of \$4,978,000 were the largest of any month since the Defense Savings Program was started on May 1 last, an increase over August of 11.8 per cent. In September 2,942,000 more stamps of all denominations were sold than in August.

Sales by months (figures rounded to the nearest thousand):

May	\$3,478,000
June	2,822,000
July	3,238,000
August	4,454,000
September	4,978,000
Total	\$18,986,000

A breakdown by denominations of Defense Savings Stamps sales for September, with totals for the five months, follows:

Denom.	No. Sold	Total No. Sold
10c	3,951,000	12,370,000
25c	11,840,000	40,404,000
50c	1,284,000	5,611,000
\$1	659,000	2,123,000
\$5	66,000	246,000
Totals	17,780,000	61,855,000

### New Manager Takes Charge At Margo's

New manager at Margo's is Jess Gordon, who arrived yesterday

from their Lubbock store to take over his new duties. Mrs. Gordon will join him here about Nov. 1, he said.

Earl Matney, who has been in charge of the local unit for several months, left today for Margo's in Dallas.

Ask your grocer today—for your Mother's Oats with China—a combination that's really a super value you'll be thrilled with! Don't delay!

## Did you ever make upside down rolls the KARO way?

For Sunday breakfast or supper, these delicious Karo Buns will make your family "sit up and take notice". They're so flavorful, so satisfying... and really easy to make. Just follow this recipe:

### KARO ROLLS

- 2 cups sifted all-purpose flour
- 1 tsp. baking powder
- 1/2 tsp. salt
- 1/4 cup shortening
- 1/4 cup milk
- 1/2 cup melted butter
- 2 tsp. granulated sugar
- 1/2 cup Karo (blue label)
- 1/2 cup chopped nuts
- 1/4 cup chopped dates

Sift flour with baking powder and salt. Cut in shortening. Add milk slowly, to form a soft dough. Roll out on a lightly floured board into a rectangle 8x2 inches about 1/4 inch thick. Brush with 2 tbs. of the melted butter; sprinkle with sugar, then roll up as for jelly roll. Cut into pieces 1 inch wide. Mix Karo with the remaining melted butter. Add nuts and dates, and spread in bottom of greased 8-inch cake pan, or in large muffin pans. Arrange circles of dough out side down on top of Karo mixture. Bake in a hot oven (450 degrees F.) 15 to 20 minutes or until brown. Makes 14 to 16 rolls.

### Contracts For USO Buildings

WASHINGTON, Oct. 23 (AP)—The war department announced today that the quartermaster general's office had awarded contracts for the last week of 56 additional USO recreational buildings.

The award of contracts for 51 buildings was announced October 17, and the list made public today, the department said, completed the contract awards for 107 such buildings, less than a month after the quartermaster general was made responsible for their construction by a presidential order.

transferring the work from the federal works agency.

Contracts were awarded in the field, and the names of the contractors were not available here.

Among cities where the buildings will be erected and the amount of the contract for each were:

Oklahoma: Lawton \$77,387; Lawton (negro) \$69,587.

Texas: Abilene \$66,000; Bay City \$69,533; Corpus Christi \$79,419; Orange \$70,800; Palacios \$73,383; Wharton \$23,569.

### French Must Pay For Nazi's Death

VICHY, Unoccupied France, Oct. 23 (AP)—The French people must turn over to German authorities the two slayers of Lieut. Col. Paul Friedrich Hott, chief of the German field gendarmerie in Nantes, by midnight (5 p. m. E.S.T.) today, or 50 more Frenchmen must pay with their lives for Hott's death.

Those are the terms of the German ultimatum upon the French as the assassination of a second German officer within 48 hours, a juridical counselor at Bordeaux, caused the arrest of another 100 and raised the grim prospect of still further executions.

### If You Are A Beginner In The Cake Department - - Read This

At 4:30—Tea and Cakes

#### AP Feature Service

Here's a cue for smart beginning bakers: Watch your mother or another friend in your neighborhood make her prize cake. Then go home and practice.

If her cake isn't the flavor for your family, then you watch like a hawk for other surprise specials. Here are some choice recipes of the kind that can become known by your name if you learn how to bake them in your own kitchen:

**SURPRISE SHORTCAKE**  
Bake loaf cake in an angel cake mold, cut carefully in half, making two layers. Spread bottom layer with strawberry or peach preserve. Put layer together, cover all over with "All American Uncooked Icing." Decorate with stars.

**ALL AMERICAN UNCOOKED ICING**  
2 unbeaten egg whites  
Confectioner's sugar  
Dash of salt  
Beat until it is thick enough to spread. Flavor with one-half teaspoon vanilla and one-half teaspoon almond extract.

**OLD-FASHIONED DEVIL'S FOOD** holds top cake ranking in many homes, so try this new recipe called Black Sambo Cake. Cream 2-3 cup fat with 2 cups sugar, add 3 eggs, 1 cup sour milk, 3 squares chocolate, melted, 1 teaspoon vanilla, 1-2 teaspoon salt, 2 teaspoons grated orange rind (orange and chocolate are grand mixers), 2 1-2 cups flour, 1 teaspoon soda and a teaspoon baking powder. Beat thoroughly and pour into 2 layer cake pans lined with heavy waxed paper. Bake 25 minutes in a moderate oven. Cool and add filling.

For the filling, mix together 1-2 cup sugar, 3 tablespoons flour, 1-2 teaspoon salt, 1 egg beaten (or 2 yolks) and a cup milk. Cook slow-

ly and stir constantly until thick and creamy. Cool, stir in 1-4 teaspoon vanilla extract and spread as filling between baked cake layers. Cover top and sides with any white icing—or you can use chocolate.

Classed as a real aristocrat is **BURNT SUGAR CAKE**. This one has a delicate, fluffy texture and a superb flavor. It may sound a bit fussy to make, but once you get started it is not hard.

You use a caramel syrup made this way: Sprinkle a half cup sugar into a frying pan (iron preferred), heat slowly and stir constantly with a long-handled wooden spoon until the sugar melts into a dark-colored syrup. Add 1-2 cup boiling water. There will be much sizzling, so lower heat and boil slowly until sugar is melted into water. Cool.

Cream 1-2 cup butter until soft, add 1 1-2 cups sugar and beat until very soft. Add 3 tablespoons of the caramel syrup (store the rest in a covered jar in refrigerator for next burnt sugar cake), 1 cup cold water, 2 egg yolks, 2 1-2 cups flour (pastry), 3 teaspoons baking powder and 1-4 teaspoon salt. Beat until very creamy textured. Add a teaspoon vanilla and beaten whites. Mix lightly and pour into 2 layer cake pans lined with waxed paper. Bake 25 minutes in a moderate oven, about 350 degrees F. This is a very dainty cake, so handle it carefully to prevent crumbling. Cool and put layers together with a fluffy white icing. Cover top and sides with more icing.

**SPICY NUTLOAF** is a cake that likes to go to school in the youngsters' lunch boxes. It is also very good for any home, party or picnic use. It will keep moist 5 or 6 days if carefully stored in a covered box.

Makes the cake like this: Cream together 1-3 cup shortening with a cup dark brown sugar, add 1-2 cup molasses, 1 teaspoon cinnamon, 1-2 teaspoon each of nutmeg, cloves and salt, 1 teaspoon vanilla, 2 eggs, beaten, 2-3 cup raisins, 1-2 cup nuts, 2 2-3 cups flour, 1 teaspoon soda, 2 teaspoons baking powder and a cup sour milk or buttermilk.

Beat thoroughly and pour into loaf pan fitted with heavy waxed paper. Bake an hour in a moderate oven—about 350 degrees. This cake may be baked 45 minutes in a shallow pan, having the batter about 2 inches deep in the pan. If you feel cake is not cake without frosting, cover this loaf with boiled white, confectioner's or penocho frosting. But it is good minus any topper.

#### Public Records

**Building Permits**  
Big Spring Tractor company to build implement building at 1101-05 North Douglas; \$2,000.

### Japan Sends Out Test For Peace

TOKYO, Oct. 23 (AP)—The Japan Times and Advertiser, controlled by the foreign office, loosed a new trial balloon for peace today by offering the anti-axis powers a "last chance" to use Japan as a mediator in the European war.

As Germany's axis partner in the Far East, Japan holds a "paramount status as a pacifier," the newspaper said, but warned that Japan would not hesitate to fight the United States to safeguard her interests "awful though even the thought of such a holocaust might be."

"It is the last chance to use the only vehicle for exploration of the ways of world harmony—Japan, the balancing power whose decision could plunge the only pacific ocean into a chaos not of its own making," the organ declared editorially.

### Iceland Cabinet Members Resign

REYKJAVIK, Iceland, Oct. 23 (Delayed) (AP)—Prime Minister Hermann Jonasson and his coalition cabinet of four resigned today because of a disagreement over policy toward a war-engendered rise in living costs of neutral Iceland.

The resignation came after a parliamentary crisis forced by the progressive party's attempt to pass a bill to control prices, which are rising rapidly as a result of the occupation by British and United States troops.

*Don't Forget*  
**MAXWELL HOUSE**  
GIVES YOU  
**ALL THE FLAVOR**

The special Maxwell House "Radiant Roast" process brings out all the full rich flavor of every bean—roasts it evenly, through and through. And today in that famous blue Maxwell House tin you get more flavor for your money because...

- There's more flavor in the Maxwell House blend—it's far richer in highland-grown, extra-flavor coffees.
- No flavor can escape—it's sealed, roaster-fresh, in the famous super-vacuum tin.
- No waiting—Maxwell House is already perfectly ground for every method: Drip, Regular, Glass-Maker.
- To save money and save shopping trips—get the thrifty 2-pound tin.

# The War Today -- There'll Be An Appeal For An American Expeditionary Force

By DEWITT MACKENZIE

There is much food for reflection in British Foreign Secretary Eden's statement in the house of commons that a large-scale road and railway-making organization of American engineers is being created and that this will be immensely important in view of the British-Russian communications through Iran (Persia).

This strongly supports the probability of the establishment of an allied front in the Caucasus, as this column forecast yesterday. Such a front easily may provide the base for a grand offensive against Germany from the rear. Before this happens, however, there is likely to be bloody fighting as Hitler tries to seize the oil fields of the Caucasus and drive his way into the strategic Middle East through Persia or Turkey, or both.

All this to my mind means that sooner or later—undoubtedly sooner—Britain is going to appeal to the United States to send an expeditionary land force to the Middle East.

But, somebody protests, the United States isn't in the war! Fiddle-de-dee. Wendell L. Willkie finds the answer to that one in the current Look magazine when he says "the United States is already in the war and has been for some time."

True, our operations are restricted, but we can't argue that we aren't in the water merely because we are in only up to our waists and not up to our necks. It strikes me a lot of folks will be much easier in mind if they recognize this fact and stop trying to extract comfort from a hair-splitting technicality. It will save a shock when the time comes that we suddenly do find ourselves in up to our necks.

Britain has no need for American troops in England—hasn't room for them for that matter, because already there are 4,000,000 men of all categories actually or technically under arms there.

## THERE IS A DIFFERENCE IN OATS!

REASON NO. 4

**MORE WHOLE OAT FLAKES PER PACKAGE**

NATIONAL 3-MINUTE OATS

NATURE'S OWN VITAMIN B1

3 NATIONAL 3-MINUTE OATS

Great care is used to prevent and eliminate Oat Flour—ensure more uniform whole flakes per package. That's why NATIONAL 3-MINUTE OATS is famous for appetizing appearance and delicious un-rispened flavor.

Here Are Other Important Reasons . . .

Costs only 1/3c per serving—less than 17 other leading cereals. Oatmeal contains more usable energy-building iron than Spinach and is nature's own rich, thrifty source of important Vitamin B1. Buy a package today!

The new United States naval base at Bermuda will occupy two small islands across the Great Sound from Hamilton, the principal city of the islands. In addition a considerable area of the bay is being dredged to form extra land.

### Rhineland Hit By RAF Bombers

LONDON, Oct. 23 (AP)—British bombers raided the Rhineland, including the industrial center of Mannheim, and also attacked docks in the German-occupied French ports of Le Havre and Brest last night, the air ministry announced today.

Five planes are missing it said. The British raiders crossed flights with Germans who dropped bombs over North Wales and Merseyside during the night. A communiqué said three Nazi raiders were shot down.

About 2,500 men are now at work on the new United States naval air base at Piacentia Bay, Newfoundland. The completed facilities at this base leased from Great Britain will cost \$17,000,000.

### Russell Bros. Circus To Play In Big Spring Next Thursday

The 1941 season won't get by without Big Spring having a circus. Advance arrangements have been completed for the showing here, on next Thursday, Oct. 30, of Russell Bros. Greater American circus. The big top will be on the Read grounds on West Third street.

With new features announced for this year, two performances will be presented, afternoon and night, under a completely new tent layout.

Among the headliners are the world famous Clarke family of bareback riders, starring Miss Ernestine, "sweetheart of the equestrian world"; the Four Acavados, Latin American wizards of the tight wire; Walter Jennier's marvelous trained seal exhibition featuring Buddy, the most highly educated sea lion of all time; Miss Aerollette, America's foremost feminine aerial gymnast; the Flying Clarkons, the Aerial Brocks, and many others.

In the process of modernization, the Russell Bros. management has faithfully retained all of circusdom's cherished and time-honored traditions, endowing them with new ideas of presentation and lighting, a spirited fast-moving tempo, and a modern musical setting under the lively baton of Eddie Woelckner, most colorful of all circus bandmasters.

The wild animal displays have been materially enlarged and augmented. Doors open at 1 and 7 p. m. to allow ample time to tour the menagerie before the big show starts at 2:30 and 8.

Heading the wild west department is Frank Dean, famous rodeo star, and his own great company of western champions.

Heading the wild west department is Frank Dean, famous rodeo star, and his own great company of western champions.

### Honor Roll At Forsan Named

FORSAN, Oct. 23 (Sp) — Supt. P. D. Lewis and principals C. E. Connally and Barnett Hinds have released the school honor roll for the first six weeks.

High school boasts of two straight-A students in the junior class, Evelyn Menrosey and Marian Russel. Others on the list:

Seniors — James Craig, Lu La Vanlandingham, Lynn Fae Dunlap.

Juniors — Ray Dunlap, Mary Ellen Butler, Hollis Jimmie Gilmore, Dan Oglesby.

Sophomores — Virginia Knight, Betty Ruth Lamb, Wanda Nell Griffith.

Freshmen — Jack Sledge.

Eighth grade — Jean Gressett, Darnel McRae, Joyce Jean Sewell.

Seventh — Thelma Creelman, Vona Bell Grant, Haroldine West, Wanda Whirley.

Sixth — Doyleene Gilmore, Joanne Lewis, J. B. Hicks, Bill Leonard, Phillis Williamson.

Fifth — Luella Dee Croft, Jerry Green, Flo Thieme.

Fourth — Robert Cranfill, Richard Gilmore, Charles Wash, Betty Jo Roberson.

Third — Mary Ann Huddleston, Zane Branham, Betty Lynn Oglesby.

First — James Floyd Burkhardt, Bobby Leonard.

### SPORTS ROUNDUP

By HUGH FULLERTON, JR.

NEW YORK, Oct. 23 (Herald Special News Service)—Ever hear the one about the little fish that didn't get away? . . . The George Ruppert fishing contest offers prizes for the smallest fish caught as well as the big ones. . . Current leader is a black sea bass weighing 75 grains or 0.1714 ounces. . . Al Well, who has four featherweights and five welters in his fight stable, is talking about putting two of them together to make one heavyweight who might lick Louis. Al currently is raving about Pedro Hernandez, his youngest feather, who he claims is a real prospect. . . Dan Topping, who is threatening to make some trades if his football Dodgers don't wake up, was seen listening attentively when Ossie Solem described the beauties of the "Y" formation to the football writers the other day, especially when Ossie remarked that his contract runs out this year.

Hot Stove Warmup

Latest rumor about Gabby Hartnett is that he will manage the Phillies next year, but there's some doubt whether Gerry Nugent would put up the kind of dough Gabby would demand for that job. . . Freddy Hutchinson, who won 26 games for the Buffalo Internationals, didn't pitch a game after he rejoined the Tigers and the story is that his arm was "dead" the first time he tried to warm up after flinging five times in ten days for the Blues. . . The famous Degeer-Glantz feud didn't keep Bill Lohrman from inviting four Brooklyn players up to his Ulster County (N.Y.) farm for a bit of hunting after the season closed. . . One ball player who won't have a chance to hold back a few dimes from his pay is Johnny Rigney. His new bride, the former Dorothy Comiskey, is treasurer of the White Sox and signs Johnny's pay checks.

The Pascoag, R. I., park race track will present a "Martine Dietrich" trophy Saturday to the horse with "the most perfect legs." If one turns up with game like Martine the spectators probably will have to be de-nerved. . . Although Snuffy McIlvannan, Columbia fullback, got a busted nose last week, he expects to play 60 minutes, as usual, against Army Saturday. . . Coach Lou Little says "we may relieve him after 55 minutes if we're well out in front."

Windsor (Colo) high school already has closed its football season—the school shut down so the boys could help with the sugar beet harvest. . . And Chippewa Falls (Wis) high makes its opponents see red in more ways than one. The team is known as the Cardinals and two of its star backs are Gene Cardinal and Bernard Cardinal. . . Boston College's halfback, Ted Williams, is used mainly as a decoy while other players run with the ball. . . That probably explains why he doesn't get much attention from the Fenway fans, who are used to a Ted Williams who is de McCoy.

# Amarillo-Lubbock Tilt Steals State Schoolboy Show

Amarillo's mighty Sandstrom blows with the chips down Saturday and what Lubbock can do against such a gale makes this game the focal point in the Texas schoolboy football campaign.

The championship of District 1 and the iron-handed hold Amarillo has established in the Panhandle-Plains hang in the balance.

## Texans Due For Rough Grid Week

The Southwest conference and Texas college conferences march again to the intersectional wars this weekend but prospects are none too good that they can maintain the high standard marking the first month of the campaign.

To date the intersectional record is: 27 victories, 5 defeats, 3 ties.

This week the schedule is as follows: Downtrodden Arkansas vs. unbeaten Detroit, crippled Texas Christian vs. Fordham, Texas Tech vs. New Mexico university, Texas A. and L. vs. Oklahoma State, East Texas State vs. Ouchita and St. Mary's vs. Regis college at Denver.

They should more than break even but in the two top games—Arkansas-Detroit and T. C. U.-Fordham—the representatives of this section will be decided underdogs.

The week's complete schedule: Thursday—Texas Wesleyan vs. Austin college at Sherman (night); Howard Payne vs. Southwestern at Georgetown (night).

Friday—Sam Houston State vs. North Texas State at Denton (night); Stephen F. Austin vs. Christian vs. Trinity vs. McMurry at Abilene (night); Texas Tech vs. New Mexico university at Lubbock (night); Arkansas vs. Detroit (night).

Saturday—Oklahoma State (Ada, Okla.) vs. Texas A. and L. at Kingsville (night); East Texas State vs. Ouchita college at Commerce (night); Abilene Christian college vs. Daniel Baker at Brownwood (night); Hardin-Simmons vs. Texas Mines at El Paso (night); West Texas State vs. Arizona State at Flagstaff, Ariz.; Baylor vs. Texas A. and M. at College Station; Rice vs. Texas at Austin; Texas Christian vs. Fordham at New York.

Sunday—St. Mary's vs. Regis college at Denver.

## Low Has Cracked Vertebra, Fort Worth Medicos Say

FORT WORTH, Oct. 22 (AP)—Low Jenkins, the lightweight champ who was chased all over the ring in losing a ten-round decision two weeks ago to Walter Champion Red Cochrane in New York, was fighting while suffering from a cracked third vertebra, physicians said here last night.

The injury, which they said he suffered in a motorcycle accident three weeks before the Cochrane fight, was revealed by X-ray pictures.

The Texas scrapper must wear a neck bridge for at least ten days, they said.

## Steers' New Lineup Gets Test Friday

Bulldogs' Doole Foster Returns To Squad; All Casualties May Be Back

With their victory column innocent of a solitary mark, the Midland Bulldogs hie themselves to Big Spring Friday with full intentions of marking up a defeat over Coach Pat Murphy's Steers.

Hammered from pillar to post thus far in district 2-AA outings, the Midlanders have put in a strenuous week working out new maneuvers, brushing up the old ones, and studying Big Spring's offensive tactics.

Opposing the greatly heartened Midlanders will be a Big Spring lineup that has yet to be given a test under fire. Two replacements and one bit of shifting has been put into effect since last the Longhorns were on the field.

Paul Kasch is at center, position in which he won all-district honors last season, after starting the season at halfback. Hunka Stewart, '41 Yearling powerhouse, is filling the vacated half slot. James Tidwell has replaced Felix Campbell at end, the latter being put on the sidelines because of a thumb injury.

There is an indication that Midland may be back in full strength for Friday's conflict. Doole Foster, stellar blocking back, is back in uniform and is scheduled to give a full-time showing of his wares. Two Midlanders, Back Billy Joe Stickey and End Wilford Lester, are currently out of uniform but are due to be in shape by Friday night.

The Big Springers have been put through a fast bit of pacing by Coaches Murphy and Herrschel Stokton. Murphy has expressed the opinion that the Steers have turned in a good brand of football, with the exception of part of the Colorado City tussle, and those things that have been holding them back should be partially corrected by Friday.

The week's schedule by districts: 1—Friday: Plainview at Borger (conference); Saturday: Lubbock at Amarillo (conference).

2—Friday: Pampa at Childress; Amos Carter Riverdale (Fort Worth) at Wichita Falls, Electra at Olney (conference); Graham at Burk Burnett (conference).

3—Friday: Midland at Big Spring (conference); Roscoe at Colorado; Abilene at Sweetwater (conference); San Angelo at Lamesa (conference).

4—Friday: Bowie (El Paso) at Kermit; Ysleta at El Paso High (conference).

5—Friday: Denison at Paris (conference); Sherman at Gainesville (conference).

6—Thursday: Sulphur Springs at Arlington (conference); Friday: Denton at Greenville (conference).

7—Thursday: North Side (Fort Worth) vs. Fort Worth Tech (conference); Friday: Paschal (Fort Worth) vs. Poly (Fort Worth) (conference).

8—Friday: Forest (Dallas) vs. Sunset (Dallas) (conference); Saturday: Woodrow Wilson (Dallas) vs. Adamson (Dallas) (conference).

9—Friday: Cisco at Stephenville (conference); Brownwood at Mineral Wells (conference); Ranger at Breckenridge (conference).

10—Friday: Ennis at Temple (conference); Mexia at Cleburne (conference); Waxahachie at Bryson (conference); Waco at Corsicana (conference).

11—Friday: Texarkana at Tyler (conference); Kilgore at Longview (conference); Marshall at Athens (conference); Bonham at Gladewater.

12—Friday: Henderson at Palestine (conference); Jacksonville at Nacogdoches (conference); Lufkin at Livingston (conference).

13—Thursday: San Jacinto (Houston) vs. Milby (Houston) (conference); Friday: Lamar (Houston) vs. Austin (Houston) (conference); Reagan (Houston) at Lake Charles, La.; Saturday: Davis (Houston) vs. Sam Houston (Houston) (conference).

14—Friday: Goose Creek at Beaumont (conference); Galveston at Comroe (conference); Orange at Port Arthur (conference).

15—Friday: Brackenridge (San Antonio) at Laredo (conference); Austin at San Antonio Tech (conference).

16—Friday: North zone—Kingsville at Beeville (conference); Jefferson (San Antonio) at Corpus Christi; South zone—McAllen at Harlingen (conference); Robstown at Brownsville; Pharr-San Juan-Alamo at San Benito.

So, adopting the slogan of Coach Dana K. Bibb, they printed it on 10,000 stickers and distributed them widely. The drive is designed to curb wild enthusiasm, bowl game and endless figuring on the part of students with a we'll-win-them-all-anyway-so-why-cheer? policy. "Best thing the students could have done," commented Bibb.

## Wolves Get Comparative Test Friday

Non-AA Roscoe May Find Means of Finding Colorado City Flaws

COLORADO CITY, Oct. 22 (AP)—Although non-conference, the game between the Colorado City Wolves and the Roscoe Plowboys at Colorado City Friday night will be watched with interest by fans who want to determine whether it's the Wolves' technique or their newness in AA football that is keeping them on the losing side this season after their championship record of last season.

Last season Roscoe and Colorado City were both in Class 6-A. This year Colorado City is playing in 3-AA, an so far has chalked up a 19-18 tie with Big Spring, a 39-0 loss to Odessa and a 48-0 loss to Sweetwater. Last season the Wolves won the regional single A championship.

Record of the Roscoe Plowboys this season has been far off their showing of past seasons. They have lost to both Roby and Merkel by wide margins.

Coach John L. Dibrell reports that his starting lineup for the Wolves will be practically unchanged. Royce Smith of the backfield, taken out of the Sweetwater game by a trick knee, will be able to play again by Friday. Junior Sadler, who sustained a head injury in the San Angelo game, will probably not be back in play until the Abilene game, however. Kenneth Hardegree will start in Sadler's place.

Against Bowie at El Paso he pitched ten for ten. Against Amarillo, the team that won the state schoolboy championship, Squires flipped 42 and completed 27—and he did it wearing gloves! The game was played in an ice storm.

His best mark this season is 22 out of 29 for 168 yards. That performance tumbled rugged Pampa from the state's undefeated ranks.

This year his team has scored 98 points. Billy made 48 of them and his passing led to the other 40.

Coach Jewell Wallace, who used to know some great flippers back at Texas Christian university, says: "He's the finest high school passer and the coolest player I ever saw."

Wallace thinks he will make a college star of the same type as O'Brien and Sammy Baugh, passing greats of T. C. U. in years gone by.

Uruguay was one of the first Latin American countries to encourage development of manufacturing industries, the department of commerce reports.

## El Paso Lad Is Tops At Air Attack

Squires Has Tossed 82 Passes In 4 Tilt; Has Completed 49

EL PASO, Oct. 22 (AP)—The six or eight Texas College of Mines amassed the nation by throwing 61 passes and completing 28 against Loyola at Los Angeles.

That, the statistician said, was a record for pitching the leather. But it was no surprise to the folks here in the home of the Texas Mines. They are accustomed to seeing the air filled with footballs every time they go to a game.

Billy Squires of El Paso high school, the Davey O'Brien of the West Texas mountain country, thinks nothing of throwing 40 passes a game and he's surprised if he fails to connect with 25 of them.

And rain, snow, hail or wind—it's all the same to Billy, who found out long ago that a straight line is the shortest distance between two points, therefore he could throw a football at a spot better than he could carry it.

Spark of El Paso High's unbeaten Tigers, Billy has pitched 82 passes in four games and completed 49 for 582 yards.

That's chunking in anybody's league. But that's nothing for Billy. Take last season:

Against Bowie at El Paso he pitched ten for ten. Against Amarillo, the team that won the state schoolboy championship, Squires flipped 42 and completed 27—and he did it wearing gloves! The game was played in an ice storm.

His best mark this season is 22 out of 29 for 168 yards. That performance tumbled rugged Pampa from the state's undefeated ranks.

This year his team has scored 98 points. Billy made 48 of them and his passing led to the other 40.

Coach Jewell Wallace, who used to know some great flippers back at Texas Christian university, says: "He's the finest high school passer and the coolest player I ever saw."

Wallace thinks he will make a college star of the same type as O'Brien and Sammy Baugh, passing greats of T. C. U. in years gone by.

## Yearlings Carry Victory Hopes To San Angelo Today

Coach Good Graves' Big Spring high school Yearlings will be out to maintain a victory march at San Angelo this afternoon as they tangle with that city's Junior High Kittens.

Already holders of impressive wins over Lamesa and Colorado City, the Big Springers meet their most exacting test thus far in the season at San Angelo.

San Angelo is reported to be an air-conscious locality—the Kittens are touted to carry out the design. Big Spring's passing attack has been of the off-and-on variety.

Main dependence is placed on a ground game that has yet to be stopped. One of the mainstays of Big Spring's offensive and defensive maneuvers, Fullback Rauldie Matlock, will be absent from the lineup, but the job will be in the capable hands of John Ulery, onetime Yearling flankman.

As in games past, much of the Big Spring tactics will center around Hugh Cochrane, wry halfback. Although, seemingly not of the powerhouse variety, Hugh has been filling the assignment held by Hunka Stewart last year—pounding the line.

Probable starting lineup: McDonald, center; Kunk, left guard; Evers, right guard; Christian, left tackle; Eul, right tackle; Dean, right end; Cheney, left end; Barron, quarterback; Cochrane, left halfback; Claude Matlock, right halfback; Ulery, fullback.

McDonald, center; Kunk, left guard; Evers, right guard; Christian, left tackle; Eul, right tackle; Dean, right end; Cheney, left end; Barron, quarterback; Cochrane, left halfback; Claude Matlock, right halfback; Ulery, fullback.

## Dirt Track Star Killed

SHREVEPORT, La., Oct. 22 (AP) Gus Schrader, 46, of Cedar Rapids, Ia., nine times national dirt track automobile driving champion, was fatally injured last night when his speedily little racer locked wheels with another during a contest at the Louisiana State fair.

Schrader's car, which he had designed and built at a cost of \$15,000, connected with one driven by Jimmy Wilburn, Portland, Ore.

For a split second the two speeding cars traveled hub to hub, then Schrader was catapulted almost 15 feet into the air and over the race track fence. He suffered a fractured skull and concussion and died of cerebral hemorrhage. Wilburn was not injured.

## Utah '11' Tops In Nat'l Grid Offensive

'41 Mark Falls Behind One Set By Cornell During Last Year

SEATTLE, Oct. 22 (AP)—This year's football offensive statistics show a substantial increase over those of 1940. Although no team has turned in such a terrific total average as Cornell had rolled up at this stage of last season's campaign.

This was apparent from a comparison of American Football Statistical Bureau figures for this week and for the comparable week of 1940. Last season, Cornell was miles in front with a 466.7-yard average gain from rushes and passes per game. This year it is Utah with a 402-yard average. The Utes also lead in rushing offense with 321.7 yards per game.

Here are the figures, with several teams, notably Georgia, Arizona, Duquesne, St. Mary's, Army and Baylor, omitted because of unreported games which would make listings out of balance with those teams which have reported.

Total offense—(gains rushing and passing)—Utah, 402 yards; Detroit 394; Northwestern 385.4; Clemson, 374.3; Texas, 372.5; Syracuse, 368.7; Stanford, 363.3; Texas A. and M., 358.8.

Rushing offense — Utah, 321.7 yards per game; Texas, 301.0.

Forward passing offense—Detroit, 66 completions of 160 attempts for 595.3 yard average per game; Texas A. and M., 68 of 139 for 301.5; Texas Mines, 45 of 98 for 154.8.

Total defense—(against rushes and passes)—Rutgers, 37.3 yards yielded per game (one game unreported); Tulane, 33.5; Texas A. and M., 75.5.

Rushing defense — Tulane, 25 yards yielded per game; Texas A. and M., 20; Texas, 25.2.

Forward pass defense—Purdue, 25 yards average yielded per game; Iowa State, 33.3; Washington (St. Louis) 33.3; Texas A. and M., 32.2.

## Due Cause For Worry

TULSA, Okla., Oct. 22 (AP)—You can't blame Coach Henry Frnka for worrying about the strength of the Oklahoma A. and M., eleven which his University of Tulsa gridgers must face Saturday.

Herold Hickman, who was a regular guard for Tulsa as a sophomore, hasn't been able to make the first team since transferring to the Aggies.

## Dove Season Ends Monday

Dove hunters are being warned by Guy Ferguson, state game warden for this district, that their 1941 shooting season is about to end.

Monday is the last day for shooting doves, according to state game law. Sunset Monday must see sportsmen heading home, or there will be fines to pay.

However, a new hunting season—that for doves—will open less than a week later—on November 2.

Those hunters of ducks over 16 years of age are required to purchase a federal duck stamp. It costs \$1 and can be had at any post office. Ferguson warned that the stamp regulation applies to duck hunting regardless of where it is done and by whom.

## Lookin 'em Over

With Jack Douglas

As duck hunting time draws near, it's not a bad idea for prospective nimrods to glance over the "cans" and "cannots" as set forth by the powers that be.

In addition to regulations regarding the 10-bag limit on the common variety of ducks, a hunter's daily bag may contain three buffleheads or three redheads or three of the two species together. Not more than six of these two birds may be in possession. Daily bag may also contain not more than one wood duck, and not more than one of this species may be possessed. Canvasback and ruddy ducks have been put back in the 10-and-20 bag and possession classification.

And speaking of the pitfalls of hunting—open season on squirrels opened a week ago today over most of the eastern states; as a result, six persons were shot, none fatally, in West Virginia the next day. At the last account, the squirrels appeared to still be in possession of the field.

Jack Dempsey is making a tour of West Texas—this time in a special railroad car and under the colors of a circus. Texas ago the Old Mauler used to tour the country in a sidlecar pullman and under the colors of the Universal Brotherhood of Non-paying Guests.

Howard Green, Abilene sports writer, was forcibly ejected from McMurry College's football field this week. It seemed he wrote something that failed to meet the approval of the gridsters.

In the semifinals Green received a sore lip—the footballers already appeared to be possessors of a sorehead. We figure it this way—a sore lip is painful but a sorehead looks much worse so far as outsiders are concerned.

## No Bragging—Please

AUSTIN, Oct. 22 (AP)—One at a time! That became the official slogan of the University of Texas student body today.

The Rogues, men's service group, feared a letdown in student support of the stampeding Longhorn football squad that has meted out misery to Colorado, Oklahoma, Louisiana and Arkansas State universities.

So, adopting the slogan of Coach Dana K. Bibb, they printed it on 10,000 stickers and distributed them widely.

The drive is designed to curb wild enthusiasm, bowl game and endless figuring on the part of students with a we'll-win-them-all-anyway-so-why-cheer? policy. "Best thing the students could have done," commented Bibb.

# STARTLING WHISKEY OFFER!

DOUBLE YOUR MONEY BACK

if you don't say this

"bonus year" TEN HIGH is the finest bourbon you ever tasted

RIPENED JUST RIGHT

year after year, after year, after year

It's here—now—a whiskey whose equal you've never known before. Not even if you're already a TEN HIGH fan.

It's the "bonus year" TEN HIGH—the TEN HIGH that's become the favorite of millions—with an extra birthday added.

It isn't just probably the best-tasting bourbon you ever tried. It definitely is.

Are we sure of that? Well—

Here's a guarantee that is a guarantee—no ifs, ands, or buts!

If, after purchasing your first pint of TEN HIGH whiskey, you do not fully agree it is the finest bourbon whiskey you have ever tasted, send the partly emptied pint bottle to Hiram Walker Incorporated, 501 Hibernia Bldg., New Orleans, Louisiana.

You will receive, without question, double the purchase price paid. The pint bottle must reach the foregoing address not later than November 15, 1941.

Returns through dealers will not be accepted, inasmuch as this is strictly a guarantee to the consumer.

Take advantage of this offer today. you can't possibly lose!

Straight Bourbon Whiskey. 86 proof. 4 years old

RITZ FRIDAY AND SATURDAY

A LAUGH-PACKED Love Battle!

Fox News "Here Comes The Cavalry"

Upside Down—This is one of the ride attractions of the Tideland, a Texas show, which is coming here soon. It is billed as the only up-side down riding device in the world and is called the Loop-O-Plane.

**Commanders Changed On Red Front**  
By HENRY C. CASSIDY  
KUIBYSHEV, Russia, Oct. 22 (Delayed) (AP)—General Gregory K. Zhukov has supplanted Marshal Semeon Timoshenko in supreme command of the western zone, it was disclosed today, and his forces were credited already with having tightened Moscow's defenses despite the admitted numerical superiority of German tanks and infantry being hurled in mass assaults at the approaches of the city.  
Zhukov, chief of the Soviet general staff and commander of the western army before Moscow, was praised by Pravda, the communist party newspaper, as a "fighting, experienced leader" and as a soldier of "immense energy."  
There was no report here of a new post for Timoshenko.  
(An authoritative source in London said Timoshenko had been transferred to another post but said he could not divulge the nature of his new assignment.)  
(After the German invasion began last June 22, Premier Stalin divided responsibility for the defense among a triumvirate of marshals—Timoshenko in the center, flanked by Klementoroshlov on the north, entrusted now with the defense of Leningrad, and Semeon Budenny, commanding the hard-pressed southern wing of the Red army in the Ukraine.  
Stalin announced Sunday Zhukov's new appointment and said he should have charge of "defense

and policing at the approaches of Moscow." At the same time Lieutenant General Artemiev was assigned to command the city's garrison. Nothing, however, was said of Timoshenko.)

**May Extend Neutrality Revision**  
WASHINGTON, Oct. 23. (AP)—The administration today apparently had decided to widen its neutrality act revision efforts and seek not only the arming of merchant ships but also permission for them to voyage anywhere, in war zones and out.  
For the moment, the issue before the senate foreign relations committee was consideration of the house-approved resolution limiting revision to the removal of the ban on ship arming.  
However, as the committee convened to hear some more opposition witnesses, Chairman Connally (D-Tex.) revealed to reporters that he was having amendments drafted to broaden the scope of the house resolution.  
The resolution, Connally again contended, should be expanded to knock out the present neutrality act prohibiting against American merchant ships entering belligerent ports or combat zones.

**Young Britons Finish Course**  
DALLAS, Oct. 23. (AP)—L. H. Luckey thinks Britain will win the war.  
This is his observation after helping train two score young Britons how to fly for the R.A.F.  
The first graduating class from the Terrell aviation school's RAF training detachment, the young pilots—sons of commoner and peer alike—will leave Nov. 1 for home and action against the enemy.  
"And they are ready to carry the ball," said Luckey, director of the school.  
"They have had all kinds of narrow escapes, but not a single white feather was shown."  
Under Texas' broiling sun, thousands of miles from home, they have crammed what corresponds to the U. S. army's primary, basic and advanced training courses into five arduous months.

**Government Workers Increase 53,000**  
WASHINGTON, Oct. 23. (AP)—Government employees totaled 1,444,985 at the end of August, an increase of 53,296 over July, the civil service commission reported today.  
The August payroll amounted to \$217,772,054, an increase of \$11,794,748 over July.

**Fines Himself**  
NEW ALBANY, Ind.—Justice of the Peace Perry Rhoades found a sticker on his automobile for not paying a parking meter.  
He went into the court of Justice of the Peace Bertha Vanpelt

and pleaded guilty.  
But Mrs. Vanpelt wouldn't fine him. She said nobody had been penalized for violating the meter ordinance because it was new.  
So Rhoades fined himself—and paid a dollar.

**BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys**  
If backache and leg pains are making you miserable, don't just complain and do nothing about them. Backache may be warning you that your kidneys need attention.  
The kidneys are Nature's chief way of taking excess acids and poisons out of the blood. They help most people pass out 2 1/2 gallons a day.  
If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.  
Don't wait! Ask your druggist for Don's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Don's Pills.

## Story

Continued From Page 13

Sue Ellen so that for a minute she forgot her own anxiety. "I'm sorry," she said awkwardly.  
"Don't pity me. If I really deserved your pity, I'd tell you what I'm leaving Riv to tell. Riv will never marry you now," she said positively.  
"Riv is weak, but he will understand and not humiliate me by refusing," said Sue Ellen gravely and prepared to go.  
Halfway to the door she turned and said with a touch of childish defiance: "I'll send you the notice of our wedding."

Deedra Waller gave no evidence that she heard her. She did not rise nor say goodbye, just sat staring straight in front of her, with her big eyes tragic and her face drawn and haggard.  
Sue Ellen gave a little shiver as the room door closed behind her. She wished that she had not come—she wished... She found herself crying as she ran out of the house and down the long dark lane.

To be continued.
