Old Fashioned Christmas Set For December 4th

The American Legion Hut is the site for the Old Fashioned Christmas which is set for December 4th, from 10:00 a.m. to 5:30 p.m. Santa Claus will arrive by fire truck at 10:30 to visit with the children. Santa will take a lunch break at 12:30 and return at 1:30.

The El Progresso Study Club will serve a

luncheon at 11:30 for \$4 per person. They will be selling pies after the luncheon.

Clubs having booths at the American Legion will be the Garden Club and the Arts and Crafts Club. The Eternas Junior Study Club will sponsor a Children's Store for ages toddler through 3rd grade from 2:00 to 5:00 p.m.

Individuals who will be sponsoring booths are Zola Renfro and Shane Jones.

Businesses that have been contacted that will be having drawings, Saturday, December 4th are Anderson's, Bob Stanley Pharmacy, Matador Hardware & Supply, Variety Store, Billy's Grocery, The Windmill and Higginbotham-Bartlett Co. The First State Bank and West Texas Utilities will have their drawings on Friday, December 3rd. Matador Floral and The Dugout will hold open house and drawings also on Saturday, December 4th. Other businesses will be notified about drawings, and the coupons will be published in the Matador Tribune.

Thursday, December 2. You only have three days to put your coupons in their boxes.

You do not have to be present to win when the drawings are announced. All winners of winners names will be posted at the American Legion after 3:00 p.m., December 4.

The Motley County Library will be showing films with Christmas themes at 9:00 a.m. at the library, December 4th and the different churches will be serving coffee and cookies at West Texas Utilities from 10:00 to 3:00. Caroling will be held at the American Legion from 5:30 to 6:00 p.m. Please come to the Old Fashioned Christmas Day and see all your friends.

MATADORS BREAK THROUGH -- Bill Luckett (44) gets past a Wildcat blocker to help Brent Campbell (42) tackle a Godley ball carrier during Motley County's 34-7 Bi-District win Friday night. Reinforcements heading their way are Clayton Sims (10) and Darrell Moore (35). (Photo by Darla Smith)

MC Tames Wildcats To Claim Bi-Crown

The Matadors continued their winning ways last Friday night in Albany as they defeated Godley 34-7, to win the Bi-District Crown for the second year in a row.

The Matadors will sharpen their sabers this week and head for Shamrock this Friday to take on Follett in the quarter-final game. Last week Follett (District 1-A Champs) defeated Anton (2-1A Champs) 13-8, while Knox City bombed Meridian 20-6 and Vega won over Booker 17-7.

"We started out real well in the first quarter against Godley," Coach Danny Williams said. "We kicked off to Godley and the defense stopped them and they had to punt."

It didn't take the Matadors long to score. With 9:49 left in the first quarter Tim Shannon ran 60 yards for a touchdown. The PAT failed, but Shannon scored again with 4:35 left in the first quarter. Shannon kicked the PAT.

Shannon scored again on a one yard run with 2:13 left and Shawn Bearden passed to Max Bearden for the two point conversion. As the first period ended MC led 21-0.

"We had a let down in the second and third quarters," Williams said. "We made a lot of mistakes and did not play very well in these quarters, but we corrected our mistakes and played pretty good in the fourth. Godley was not near as strong as Aspermont or Knox City in our district."

Early in the fourth quarter the Matadors drove to the Wildcat one, then Shawn Bearden scored with 10:41 remaining. Shannon kicked the PAT to put MC ahead 28-0. Godley defender Lee

Noble finally did what the Wildcat offense couldn't do -- score points. He intercepted a pass and ran it back 31 yards for a TD.

With 57 seconds left in the game Darrell Moore scored on a three yard run to put MC ahead 34-7.

"Follett is another team that is about the same size as Knox City," Williams said. "They are small, but they are real quick. They are a better team

than Godley was. It should be an exciting ballgame.

Shannon carried 20 times for 206 yards, Darrell Moore carried 11 times for 55, Bill Luckett carried seven times for 62 yards and Shawn Bearden carried six times for 11.

Brent Campbell caught one pass for four yards. Clayton Sims recovered one fumble for MC and Shawn Bearden intercepted

one pass. Motley County gained a total of 338 yards to Godley's 155 yards.

Other Class A Scores

Wink 66, Anthony 0
Eden 35, Goldwaite 20
Hoscoe 47, Gorman 0
Union Hill 51, Valley View 6
Lindsay 14, Tenaha 0
Italy 16, Colmesneil 14
Leon 34, High Island 7
Grainger 54, Ingram 12
Bremont 12, Rocksprings 0
Agua Dulce 41, Rungo 0

Roller Rink Resumes Sunday Afternoon Sessions

The Motley County Roller Rink will begin having skating sessions on Sunday afternoons. The rink will be open this Sunday, November 29 from 3 to 5 p.m. and 8

to 10 p.m. The Saturday skating hours will remain the same. From 3 to 5 in the afternoon and 8 to 10 Saturday night. Persons are urged to

make use of this facility. The rink is also available to rent, any time except during regular sessions, for private parties such as birthdays, etc.

Businesses To Close At 4:00 p.m. Friday

Several local business have announced they will close at 4 p.m. so employees can go the football game at Shamrock.

Those contacted are Higginbotham-Bartlett,

Andersons Department Store, Billy's Grocery, Bob Stanley Pharmacy, Matador Motor & Implement and Matador Variety. There may be other businesses to close early.

FAITHFUL CHEERLEADERS -- Leading yells for the Matadors this year have been (top) Melea Taylor; (center top), Holly Hobbs; (left), Danielle Wittler; (center standing) Jelene Long; (right) Deanna Durham, head.

(MC School Photo)

EATING UP YARDAGE -- Darrell Moore (35) heads for the sideline as a Godley Wildcat tries to chase him down. John Russell (73) runs over to help. Motley County won the Bi-District game 34-7 Friday.

(Photo by Darla Smith)

Pep Rally Friday

The Pep Rally urging the Motley County Matadors to beat Follett will be held Friday at 1:30 p.m. on the Courthouse Lawn.

Everyone is urged to attend this pep rally and support the Matadors. If the weather is bad, the pep rally will be held at the school.

Letters To The Editor

Dear Mr. Watson:

While recently visiting friends in Spur, I read two copies of your Matador paper and was extremely upset to see the article on Rock Music's influence on America's youth.

In all my 52 years on God's earth I had never known such perversity existed as Mr. Torres and the gentleman from Crosbyton told us about. I read the paper with shaking hands and I could not believe my eyes as I learned for the first time how people like John Denver, Willie Nelson, and the Beatles could turn the heads of our precious children.

But I feel that there is another, more insidious influence on all of us, every day. Do you realize how much pornography exists in magazines such as Vogue, Harper's Bazaar, Seventeen, and other so-called "fashion magazines"? Why, the ads alone are enough to turn your stomach. I feel a pressing sensation inside my chest every time I pick one of them up. The real evil is not just magazines like Playboy, which at least are kept from our youngsters; they are so-called "high-class" publications like the ones I mentioned.

If the readers of your paper are concerned with homosexuality, perversity, and sodomy, then how can they watch programs like the morning exercise show starring a young man degraded by his perversions and homosexuality? His suggestive movements should warn all mothers to keep their young sons away from the TV at that hour of the morning. Teen-aged girls should not be allowed to watch the lascivious displays of exercise on the other stations.

If we are all careful, we can watch for such displays of the Devil's workshop. We can find evil in even the most innocent places, hiding there to snare the unwary. Thank you so much for warning the good people of West Texas about the evil all around us.

Yours truly,
Mrs. Evalee Dunn
2638 North 5th
Arlington, Tx.
76012

Dear Friend:

Walking across the campus, a pile of ashes on a cement foundation reminds us of the old Plains Dormitory...destroyed by a tragic fire more than a year ago. Like the Phoenix in Egyptian mythology, three new cottages have risen from the fire... three new cottages that people such as yourself have so generously made possible.

The Plains Dormitory provided a home for thousands of girls since it was built in 1949. And as the Phoenix rose from the fire symbolizing "new life", the new dormitories will provide the same for thousands

more girls in need...with your help.

Taking care of our girls cost a lot of money. Where the typical home electric bill can be in excess of one hundred dollars a month, the August electric bill for the dorms, offices, and dining hall on the Whiteface Campus alone was over four thousand dollars...and we have three more campuses.

We need your continued support. Your tax-deductible contribution of \$100, 50, 20, 10 or whatever you can share will allow us to continue to do our part in providing the food, clothing and everyday necessities to make "new life" possible.

Sincerely,
Marshall W. Cooper

Dear Editor,

I was born and raised in Matador. My dad was John Turner, he was in the grocery business there for several years. I am sure that a lot of the folks that live there now

remember us very well although I left in 1940.

My mother, Sally Turner passed away November 8, 1982 in California. My oldest sister, Gladys Marquis is sending you a write up on this in a few days so please print it okay.
My niece, Mrs.

Scarborough sends me some of the papers, but I would like to get it all the time.

If you will please send me the Tribune and the cost and a check will follow.

Thanks,
James L. Turner

inflation fighting ideas

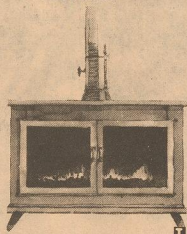

ADD MORE HEAT AT LESS COST

If your home is well-insulated, your doors and windows weatherstripped and storm windows and doors have been installed, you've made some wise moves toward energy conservation.

A growing number of people have discovered the added warmth and savings of investing in wood-burning stoves. Although both fireplaces and stoves can be used for the same purpose, many experts prefer stoves. Fireplaces use a lot of air to keep the fire going. That means fresh cold air will seep in around doors and windows to replace what goes up the flue. So a fireplace can even cool your house down.

A new advance in wood stove technology means stoves can burn with greater efficiency and safety. They create as much as 20 percent more heat, reduce air pollution by as much as 70 percent and nearly eliminate creosote-based chimney fires.

The development is the catalytic combustor from Corning Glass Works. The combustors will be available

in stoves from more than 100 manufacturers in the U.S. and Canada.

Another energy-efficient idea from the same company are the Hearthwindow™ glass doors for solid-fuel stoves that transmit up to 25 percent more radiant heat than conventional steel or cast iron. The window lets you see the fire and enjoy its cozy warmth, while eliminating guesswork about adding wood or damping down.

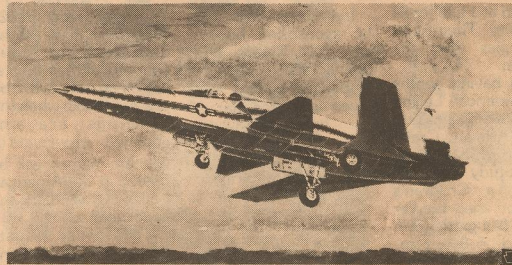

For free brochures about wood stoves, write Catalytic Combustors, Corning Glass Works, Corning, N.Y. 14831.

LISTEN TO THE FANS ROAR -- Tim Shannon leaves Wildcat defenders behind as he heads for a TD Friday night. MC won the Bi-District Championship 34-7.

(Photo by Darla Smith)

Wrong, They're On Right!

It may look like Grumman Aerospace put the wings backwards on their latest aircraft design, but this is the X-29A, an experimental, forward-swept wing aircraft. Grumman says that this unconventional aircraft will be smaller, lighter, more efficient and less expensive than today's airplanes. Now under construction, the X-29A will fly from Grumman's Long Island, New York airstrip in two years, before starting extensive flight testing at NASA's Dryden Research Center in California.

The Tradition of Freedom Our Cherished Legacy

Freedom is a tradition in our great nation. From the earliest beginnings, the courage of our Pilgrim forefathers made it possible. The will and faith of our people have kept it alive. It will remain ours with vigilance and dedication. So -- the past, the present and the future are inextricably woven together. Through freedom.

Today we give thanks for this precious legacy. We remember and cherish our tradition. We pray that freedom will become the inalienable right of all nations.

Spray And Wason Named To Who's Who

For the second consecutive year, Don Spray of Bowie and Karen Wason of Plainview have been named to "Who's Who Among American High School Students." The two young people are cousins and both are 1982 high school graduates.

Don is the son of Mr. and Mrs. Wayne Spray of Bowie, a grandson of former Matador residents, Mr. and Mrs. Tom Spray and of the late Mr. and Mrs. Ernest Fisher.

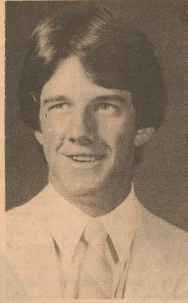

Karen is the daughter of Mr. and Mrs. Don Wason of Plainview, a granddaughter of former Matador residents, Mr. and Mrs. Preston (Peg) Spray, and of local resident, Mrs. W. B. Wason and the late Mr. Wason. She is a niece of Billy Wason.

Don is attending Midwestern University at Wichita Falls. He is studying Geology and Computer Science and is active in the campus B.S.U. (Baptist Student Union). As a high school student, he was a four year Band member, making All District Band for three of those years. He was a three year golf participant, a member of the Bowie High School Travel Club, and filmed the high school basketball games. He has been active in Bowie First Baptist Church Youth Choir. He plans to be a pilot and has been working toward that goal while in high school, soloing at age 16 and acquiring his private license as a high school junior. He is now working toward his commercial license.

Karen is a student at Wayland Baptist University in Plainview. Her studies are in music and the writing field. She is a member of Wayland's International Choir. In high school, she was active in Choir, Journalism, and Key Club. She was a reporter for the "Bulldog Barker", the school newspaper, being its feature editor her senior year. She placed fourth in the UIL District Ready Writing

competition. She was a two year member of the All Regional and All

musical performing group. She has been an active member of the

Don Spray

Karen Wason

Area Choirs and was named "first chair", second alto, in the All Area Choir her senior year. She was one of the "PHS Chamber Singers", a 10 member

Methodist Youth Fellowship program of First United Methodist Church in Plainview.

She aspires to newspaper work.

Shop Early Mail Early

This year, the Postal Service is joining forces with the business community of Matador, in urging customers to shop early and mail early for the holidays.

Postmaster Nell Clem has officially declared the start of the holiday shopping season by asking shoppers to shop early and mail early this year and to make certain that mail is addressed correctly (including ZIP Codes) and packages are wrapped correctly so that cards and parcels reach their destinations in plenty of time for the holidays.

"Normally, we handle about 700 pieces of mail a day-including cards, letters and packages, but during the holiday season, volume goes up to about 1500 pieces," the Postmaster says.

The key to successful holiday mailing is to mail early and correctly. Postmaster Clem says that includes planning now for gifts that must travel long distances by Christmas.

"Many overseas mailing dates-including those for the armed forces stationed overseas-occur this month. Mailers can get specific information on the international dates by calling us here at 347-2311," Clem said.

"Customers should also take care to write legible ZIP Coded addresses for both the intended recipient and the sender. Since mail sorting depends on the ZIP Code as well as the name of the particular city and state, the use of the correct ZIP Code will aid us in processing the mail.

VRJC CO-ED VOLLEYBALL TEAM

Front Row: left to right: Tanya Collins, Vernon, Mindy Hutchinson, Knox City, Becky Baldwin, Vernon. Second Row: left to right: Chris Waggoner, Vernon, Alan Henry, Vernon, David Green, Matador, Joe Bob Gray, Goree.

VRJC's Co-Ed Team Wins In Volleyball

On Saturday, November 13, 1982, Vernon Regional Junior College sent a Co-ed volleyball team to Oklahoma City where they competed with other Jr. Colleges in the South Oklahoma City Junior College Invitational Volleyball Tournament. The tournament is open to intramural participants in Oklahoma and Texas.

VRJC was represented by David Green of Matador; Becky Baldwin, Tanya Collins, Chris Waggoner and Allen Henry of Vernon; Mindy Hutchinson of Knox City; and Joe Bob Gray and Connie Harding of Goree. Hobbie McManigal, VRJC Athletic Director, traveled with the team as coach and sponsor.

VRJC's volleyball team defeated the host school, South Okla-

homa City Junior College 21-12, 18-21, and 21-9. Then VRJC blew Tulsa Junior College away in the finals 21-12 and 21-5.

Five teams were scheduled to play in the tournament.

THE BIBLE

How You Can Help Spread The Word

Nineteen-eighty-two marks the 200th anniversary of the Bible's first printing in America. Commissioned by the Continental Congress because copies were so scarce, the Bible was then, as it is today, an important source of spiritual guidance and inspiration.

Many feel that we need the Good Book now more than ever. In times plagued by violence, moral confusion and international tension, the Bible is a refuge where young and old alike can find strength, courage and faith.

National Bible Week—November 21-28—reminds you that the Good Book is here to be read. Under the devoted sponsorship of the Laymen's National Bible Committee, Inc., 815 Second Avenue, Suite 512, New York, NY 10017.

Bible societies and religious groups—Catholic, Eastern Orthodox, Jewish and Protestant—endorse LNBC in its mission but are not solicited for funds. LNBC is supported entirely by voluntary, tax-deductible contributions.

If you feel you want to be part of this national effort, you can send a tax-deductible contribution to here to read. Under the devoted sponsorship of the Laymen's National Bible Committee, Inc., 815 Second Avenue, Suite 512, New York, NY 10017.

FACTS & FIGURES

A child requires about 36 calories per pound of body weight to build the new muscle, bone and skin which make the body grow. That's about twice as many calories per pound of body weight than an adult needs.

A growing child also needs an ample supply of vitamins and minerals which diets may not always supply. Many parents are finding it easier to see that their children get the vitamins they need with a tasty supplement such as children's Popeye chewable vitamin/mineral supplement from J.B. Williams, featuring the popular cartoon character. Each supplement has 17 vitamins and minerals.

This children's nutritional supplement has 20 percent more essential vitamins than any other leading brand, as well as five recommended minerals, not just one, as many other children's vitamins. They contain no artificial sweeteners or preservatives and come in six whimsical cartoon characters children like.

Social Security In Motley County

People have many concerns about Social Security. This is as it should be. 116 million workers are making payroll contributions and thirty-six million beneficiaries receive a check each month. Every citizen is affected in some way by Social Security.

In the first and second parts of a three part series we discussed Social Security financing and some solutions that have been proposed. Today's article will involve a discussion and some other commonly voiced concerns about Social Security.

QUESTION: Can individuals retiring now who have paid into Social Security for many years ever hope to get out of it what they paid into the system?

REPLY: An individual who paid maximum Social Security taxes from 1937 through 1981 would have contributed \$14,765.69. That person's monthly benefit at age 65 would be \$679.30. It would only take 22 months to recover all that had been paid. If a dependent was also entitled, the recovery would be a lot quicker.

QUESTION: Would Social Security be having financial problems if the funds were not used for so many things other than Social Security?

REPLY: Social Security taxes, trust funds and interest are used solely for Social Security benefits and administrative costs to pay these benefits. This money is not used elsewhere in the government. Incidentally, administrative costs represent only about 1.5% of the total dollars spent.

QUESTION: Would I get a better return for my money if I invested it on my own rather than pay into Social Security?

REPLY: Since Social Security is mandatory, this is not an option. However, the answer is that the possibility exists in certain situations that a better return could be derived if the money were invested independently. However, it is very unlikely that a safe investment exists that would provide a better return and at the same time replace all the values of Social Security.

QUESTION: If Social Security is such a good thing, why aren't Federal employees covered?

REPLY: Federal employees were not covered when Social Security was passed but the reason did not relate to the merits of Social Security. Upon enactment of Social Security, Federal employees had already been covered by Civil Service Retirement for nearly twenty years. Therefore, it was decided not to include Federal workers in the system. In fact, Social Security has many advantages over Civil Service Retirement because of the wider range of benefits and special features from younger workers. In other words, one must generally work long periods to benefit from Civil Service Retirement while Social Security offers life-time protection.

Incidentally, Federal employees will begin contributing payroll taxes to the Social Security Health Insurance Trust fund beginning January 1, 1983.

If you would like to see other concerns addressed in this column, contact the Social Security office, 1401-B West 5th Street in Plainview or give us a call at 293-4371.

Foot Facts

By Dr. Robert Brodtkin, D.P.M.

It is very important that a diabetic patient give his feet much attention and care. Not all people with diabetes will develop foot problems but they do have a greater chance of doing so than non-diabetics.

Also, the problems that do occur, generally circulatory disturbances (hardening of the arteries) or disease of the nerves (loss of sensation), will be seen at an earlier age and will be more severe than in the non-diabetic.

The most significant complications are lack of an adequate blood supply to the foot and injury to the skin or joints of the foot due to sensory loss. What are small problems to the healthy person could become serious in the diabetic patient.

Since this disease requires good foot care, the American Podiatry Association offers these helpful hints. If you suffer from diabetes,

you should follow these rules:

1. The shoes that you wear daily should be made of a soft leather and be an oxford (low) type which will allow your feet to "breathe" better. Do not wear new shoes for more than two hours at a time until they are broke in.
2. You should bathe your feet daily in lukewarm (not hot) water and use a mild soap. Be sure to dry your feet well with a soft towel.
3. Corns and calluses should not be treated with home cures. The diabetic should get professional care from his family podiatrist (foot doctor).

4. For those who feel a twinge of fear at the mere thought of jogging, remember that walking is the best exercise for your feet. In fact, a regular program of walking is beneficial for the entire cardiovascular system.

Rites Held For Former Resident

Memorial services for Dora Jameson Starkey, 79, of Quitaque were held at 2:30 p.m. Sunday, November 7 at First United Methodist Church with the Rev. Wayne Norman, pastor, officiating.

Burial was in Rest Haven Cemetery under direction of Quitaque Funeral Home.

Mrs. Starkey died Friday morning, November 5, at Central Plains Hospital in Plainview after a lengthy illness.

A native of Foard County, she was a former beauty operator in Matador and Quitaque and also taught music. She married Grady Starkey November 7, 1942 in Matador. Mr. Starkey died in 1966.

Survivors include a son, James of Plainview; a daughter Peggy Smith of Plainview; a brother, J. E. Jameson of Lubbock; seven grandchildren and 10 great-grandchildren.

Rites Held Tuesday For Grace Stephens

Services for Grace Stephens, 80, of Paducah were held Tuesday at 2 p.m. in the First Baptist Church in Matador with the Rev. Gary Hillyard, pastor, officiating.

Burial was in East Mound Cemetery under direction of Seigler Funeral Home.

Mrs. Stephens died at 4 p.m. Saturday at Cottle County Nursing Home after a lengthy illness.

She was a longtime resident of Matador. She married Cliff Stephens in 1918; he died in 1969. She was a member of First Baptist Church of Matador.

Survivors include a daughter, Doris Piper of Paducah; a son, A. L. of Roswell, N.M.; a brother, Stuart Dixon of Matador; a sister, Liller Garrison of Matador; six grandchildren and six great-grandchildren.

THURSDAY PLAY

Dorothy C., Leona and Loys played 27 holes in beautiful weather -- really short-sleeve weather. They played for low putts on the first 18 holes - and Loys won - having 32 putts.

Sunday Scramble
Fifteen players enjoyed playing in

perfect weather. First team winner - Charlie Long, Loys, Hubert Holley (Dickens), Geneva and Frank Price - 61 (11 under par). Second team - 65 - Jake G., Danny Mayfield, Howard, Marvin and Laverna. Third team (66) Joe, Jackie Nunn, Alan Bingham, Barbara Mayfield and Mike Hoyle.

Predicta Study Club Has Recent Meeting

The Roaring Springs Predicta Study Club met Thursday, November 18 at the Depot. The president Nell Clem called the meeting to order. There were 11 members present.

Emma Miller gave the devotion with the reading of "What Is A Little Town".

Secretary Mamie Yeates read the minutes from the last meeting and then called the roll with each one answering "What I am thankful for".

We will meet and dedicate a tree in the park Saturday, December 4th. Anyone having outside lights or any outside tree decorations to donate, we would appreciate them donating these.

Santa Clause will pay us a visit Saturday, Dec. 11 at 2 p.m. The club would like all businesses to be decorated by that date. Let Santa Clause and our visitors see how pretty our little town is.

The club received a letter from Mrs. Charles Slinger asking for recipes to put in the Caprock District Cookbook.

The club also voted to donate to the Heart Fund.

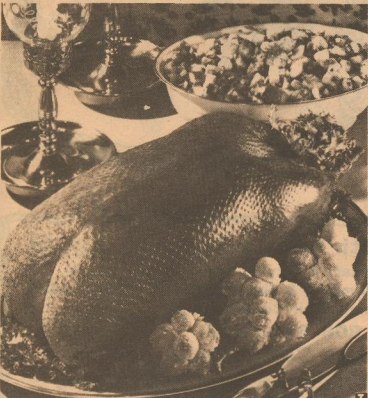

The program was presented by Lula Swim who showed slides about her trip to Switzerland and Alaska this summer.

Following the program cake, cookies, coffee and punch were served by the hostesses Ruby Miles and Odessa Mullins.

THANKSGIVING GOOSE (NOT TURKEY) IS ACCURATE

That's right. It was succulent roast geese that the Pilgrims brought to the first Thanksgiving dinner in 1623. Today's well-bred birds are meatier, juicier and save time and work since the goose is self-basting.

A few simple steps can insure a memorable meal -- correct oven temperature in two stages, use of a meat thermometer (should register 180°F.) and frequent removal of rendered fat.

Thaw bird according to package instructions. Follow the table below for correct roasting times. If you cook the bird unstuffed, cooking time will be slightly shortened.

| Ready-to-Cook Weight (Pounds) | Time at 400°F. (Hours) | PLUS Time at 325°F. (Hours) | Total |
|-------------------------------|------------------------|-----------------------------|-----------------------|
| | | | Roasting Time (Hours) |
| 8 to 10 | 1 hour | 1-1/2 to 2 | 2-1/2 to 3 |
| 10 to 12 | 1 hour | 2 to 2-1/2 | 3 to 3-1/2 |

CRANBERRY FRUITED STUFFING

- 1/2 cup butter
- 2 large onions, chopped
- 1 can (11 oz.) mandarin oranges
- 1/2 tsp. nutmeg
- 1 loaf (1 lb.) bread, cubed
- 2 cups fresh cranberries
- 1 tsp. salt
- 2 tsp. poultry seasoning
- 1/4 tsp. black pepper

In a skillet melt butter and saute onions until golden. Stir in remaining ingredients. Mix well. Stuff goose lightly in neck and body cavities. Makes enough to stuff an 8 to 10 pound bird.

CAPITOL FACTS

IN RECENT MONTHS, OVER 20 BILLS HAVE BEEN INTRODUCED IN CONGRESS TO RESTORE TO CHILDREN THE RIGHT OF VOLUNTARY PRAYER IN PUBLIC SCHOOLS. THE REASON FOR SUCH WIDE-SPREAD CONCERN?...

IN NEW JERSEY, A STATE COURT PROHIBITED STUDENTS FROM VOLUNTARILY MEETING TO READ THE PRAYERS OF THE SENATE AND HOUSE CHAPLAINS-- THE VERY SAME PRAYERS PRINTED DAILY IN THE CONGRESSIONAL RECORD.

IN DADE COUNTY, FLORIDA, A FEDERAL COURT BLOCKED THE SCREENING OF HISTORICAL FILMS. A FILM ON JAMESTOWN WAS BANNED--BECAUSE THE SETTLERS ERECTED A CROSS, AND A FILM ON VALLEY FORGE WAS BANNED--BECAUSE GEORGE WASHINGTON KNELT TO PRAY!

IN VIRGINIA, A COURT CRACKED DOWN ON GIDEONS INTERNATIONAL-- FOR OFFERING SCHOOL CHILDREN FREE COPIES OF THE HOLY BIBLE.

Capitol Facts is a service of the Senate Majority Conference
